SUN COUNTRY AIRLINES ANNOUNCES 16 NEW NONSTOP ROUTES

Sun Country extends current schedule and adds new low-cost destinations as consumers begin planning travel again in the new year.

MINNEAPOLIS. January 25, 2021 – [Sun Country Airlines](https://www.suncountry.com) today announced the addition of 16 nonstop flights, adding nine airports to its growing network. The expansion includes nine nonstop routes from Minneapolis-St. Paul International Airport (MSP), two new nonstop routes from Dallas Fort Worth International Airport (DFW) and George Bush Intercontinental Airport (IAH) and one additional nonstop route from San Antonio International Airport (SAT), Indianapolis International Airport (IND) and Bradley International Airport (BDL).

The airline welcomes Bradley International Airport (BDL), John Wayne Airport (SNA), George Bush Intercontinental Airport (IAH), Raleigh-Durham International Airport (RDU), Glacier Park International Airport (FCA), Fairbanks International Airport (FAI), Jackson Hole Airport (JAC), Indianapolis International Airport (IND) and Cincinnati/Northern Kentucky International Airport (CVG) to its growing network.

“We are excited to extend our network and offer people access to even more low-cost vacation options, when they are ready to travel again,” said Sun Country Airlines CEO Jude Bricker. “The past year has been a challenge for the travel industry but with increased access to COVID-19 tests and vaccinations, we’re starting to see that turnaround.”

In addition to the new routes, Sun Country also announced it is extending its current schedule through December 14, 2021. Sun Country customers now have access to more than 50 travel destinations and booking flexibility as they plan new travel and re-schedule any postponed vacations due to COVID-19 precautions.

Sun Country Rewards members who book one of the new routes before 11:59 p.m. CT on Monday, February 1, 2021 will earn two points per dollar on their bookings. These routes are on sale now at [suncountry.com](https://www.suncountry.com).
