ARTICLE V

Affirmative Covenants

The Borrower covenants and agrees with each Lender that, from and after the Closing Date and until the Termination Date, unless the Required Lenders shall otherwise consent in writing, the Borrower will, and will cause each of the Subsidiaries to:

Section 5.01 Existence; Business and Properties. (a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of the Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise permitted under Section 6.05, and except for the liquidation or dissolution of Subsidiaries if the assets of such Subsidiaries to the extent they exceed estimated liabilities are acquired by the Borrower or a Wholly Owned Subsidiary of the Borrower in such liquidation or dissolution; provided, that Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries (except in each case as permitted under Section 6.05).

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, Intellectual Property, licenses and rights with respect thereto necessary to the normal conduct of its business, and (ii) at all times maintain, protect and preserve all property necessary to the normal conduct of its business and keep such property in good repair, working order and condition (ordinary wear and tear excepted), from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as permitted by this Agreement).

Section 5.02 Insurance. (a) Maintain, with financially sound and reputable insurance companies, insurance (subject to customary deductibles and retentions) in such amounts and against such risks as are customarily maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations, cause the Collateral Agent to be listed as a co-loss payee on property and casualty policies and as an additional insured on liability policies. Notwithstanding the foregoing, the Borrower and the Subsidiaries may self-insure with respect to such risks with respect to which companies of established reputation engaged in the same general line of business in the same general area usually self-insure.

(b) Except as the Collateral Agent may agree in its reasonable discretion, cause all such property and casualty insurance policies to be endorsed or otherwise amended to include a “standard” or “New York” lender’s loss payable endorsement, in form and substance reasonably satisfactory to the Collateral Agent, deliver a certificate of an insurance broker to the Collateral Agent; cause each such policy covered by this clause (b) to provide that it shall not be cancelled or not renewed upon less than 30 days’ prior written notice thereof by the insurer to the Collateral Agent; deliver to the Collateral Agent, prior to or concurrently with the cancellation or nonrenewal of any such policy of insurance covered by this clause (b), a copy of a renewal or replacement policy (or other evidence of renewal of a policy previously delivered to the Collateral Agent), or insurance certificate with respect thereto, together with evidence satisfactory to the Collateral Agent of payment of the premium therefor, in each case of the foregoing, to the extent customarily maintained, purchased or provided to, or at the request of, lenders by similarly situated companies in connection with credit facilities of this nature.

(d) In connection with the covenants set forth in this Section 5.02, it is understood and agreed that:

(i) none of the Collateral Agent, the Lenders, the Issuing Bank and their respective agents or employees shall be liable for any loss or damage insured by the insurance policies required to be maintained under this Section 5.02, it being understood that (A) the Loan Parties shall look solely to their insurance companies or any other parties other than the aforesaid parties for the recovery of such loss or damage and (B) such insurance companies shall have no rights of subrogation against the Collateral Agent, the Lenders, any Issuing Bank or their agents or employees. If, however, the insurance policies, as a matter of the internal policy of such insurer, do not provide waiver of subrogation rights against such parties, as required above, then each of Holdings and the Borrower, on behalf of itself and on behalf of each of its Subsidiaries, hereby agrees, to the extent permitted by law, to waive, and further agrees to cause each of their Subsidiaries to waive, its right of recovery, if any, against the Collateral Agent, the Lenders and their agents and employees;

(ii) the designation of any form, type or amount of insurance coverage by the Collateral Agent (including acting in the capacity as the Collateral Agent) under this Section 5.02 shall in no event be deemed a representation, warranty or advice by the Collateral Agent or the Lenders that such insurance is adequate for the purposes of the business of Holdings, the Borrower and the Subsidiaries or the protection of their properties; and

(iii) the amount and type of insurance that the Borrower and its Subsidiaries has in effect as of the Closing Date satisfies for all purposes the requirements of this Section 5.02.

(e) within 90 days (or such later date as the Administrative Agent may agree in its reasonable discretion) after the beginning of each fiscal year (commencing with the fiscal year ending December 31, 2019), a consolidated annual budget for such fiscal year consisting of a projected consolidated balance sheet of the Borrower and its Subsidiaries as of the end of the following fiscal year and the related consolidated statements of projected cash flow and projected income (collectively, the "Budget"), which Budget shall in each case be accompanied by the statement of a Financial Officer of the Borrower to the effect that the Budget is based on assumptions believed by the Borrower to be reasonable as of the date of delivery thereof;

Notwithstanding the foregoing, after the occurrence and during the continuance of a Reporting Triggering Event, the Borrower shall, if requested by the Administrative Agent, execute and deliver to the Administrative Agent Borrowing Base Certificates weekly on or before the fifth Business Day following the end of the week. The Borrower may, at its option, deliver Borrowing Base Certificates more frequently than required by the foregoing provisions of this Section 5.04(j). (c) any other development specific to Holdings, the Borrower or any of the Subsidiaries that is not a matter of general public knowledge and that has had, or would reasonably be expected to have, a Material Adverse Effect; and

(d) the occurrence of any ERISA Event that, together with all other ERISA Events that have occurred, would reasonably be expected to have a Material Adverse Effect.

Section 5.06 Compliance with Laws. Comply with all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect; provided, that this Section 5.06 shall not apply to Environmental Laws, which are the subject of Section 5.09, or to laws related to Taxes, which are the subject of Section 5.03.

Section 5.07 Maintaining Records; Access to Properties and Inspections; Collateral Audits; Appraisals. (b) If no Appraisal Triggering Event or an Event of Default has occurred and is continuing during any twelve-month period, the Administrative Agent (either by itself or by a third-party consultant reasonably satisfactory to the Administrative Agent and the Borrower) shall not conduct more than one Collateral Audit during such twelve-month period (or, during the first consecutive twelve-month period after the Closing Date, not more than two Collateral Audits). If an Appraisal Triggering Event has occurred and is continuing during any twelve-month period, the Administrative Agent (either by itself or by a third party consultant reasonably satisfactory to the Administrative Agent and the Borrower) may conduct one

additional Collateral Audit during such twelve-month period. If an Event of Default has occurred and is continuing, the Administrative Agent (either by itself or by a third-party consultant reasonably satisfactory to the Administrative Agent and the Borrower) may conduct Collateral Audits as are deemed reasonably necessary by the Administrative Agent without limitation on the number thereof or otherwise counting against the number of Collateral Audits that may be conducted under this clause (b). Any Collateral Audit conducted at the request of the Borrower in connection with a Material Increase Acquisition shall count as a Collateral Audit for purposes of the preceding sentence if such Collateral Audit is not primarily limited in scope to the assets acquired in such Material Increase Acquisition. The Borrower agrees to reimburse the Administrative Agent for its actual and documented out-of-pocket costs and expenses reasonably incurred in connection with the Collateral Audits referred to in this clause (b).

(a) Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, Mortgages and other documents) that the Collateral Agent may reasonably request (including, without limitation, those required by applicable law), to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Loan Parties and provide to the Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

(b) If any asset (other than Real Property) that has an individual fair market value (as determined in good faith by the Borrower) in an amount greater than $5,000,000 is acquired by the Borrower or any Subsidiary Loan Party after the Closing Date or owned by an entity at the time it becomes a Subsidiary Loan Party (in each case other than (x) assets constituting Collateral under a Security Document that become subject to the Lien of such Security Document upon acquisition thereof and (y) assets constituting Excluded Property), the Borrower or such Subsidiary Loan Party, as applicable, will (i) notify the Collateral Agent of such acquisition or ownership and (ii) cause such asset to be subjected to a Lien (subject to any Permitted Liens) securing the Obligations, and take, and cause the Subsidiary Loan Parties to take, such actions as shall be reasonably requested by the Collateral Agent to grant and perfect such Liens, including actions described in clause (a) of this Section 5.10, all at the expense of the Loan Parties, subject to clause (g) below.

charges required to be paid in connection with such recording or filing, in each case subject to clause (g) below, and (iii) deliver to the Collateral Agent an updated Schedule 1.01(B) reflecting such additional Mortgaged Properties. Unless otherwise waived by the Collateral Agent, with respect to each such Additional Mortgage, the Borrower shall cause the requirements set forth in clauses (f) and (g) of the definition of "Collateral and Guarantee Requirement" to be satisfied with respect to such Material Real Property.

(d) If any additional direct or indirect Subsidiary of the Borrower is formed or acquired after the Closing Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is a Subsidiary Loan Party, within 15 Business Days after the date such Subsidiary is formed or acquired (or such longer period as the Collateral Agent shall agree in its reasonable discretion), notify the Collateral Agent thereof and, within 20 Business Days after the date such Subsidiary is formed or acquired or such longer period as the Collateral Agent shall agree in its reasonable discretion (or, with respect to clauses (f), (g) and (h) of the definition of "Collateral and Guarantee Requirement", within 90 days after such formation or acquisition or such longer period as set forth therein or as the Collateral Agent may agree in its reasonable discretion, as applicable), cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary and with respect to any Equity Interest in or Indebtedness of such Subsidiary owned by or on behalf of any Loan Party, subject to clause (g) below.

(f) (i) any event or condition occurs that (A) results in any Material Indebtedness becoming due prior to its scheduled maturity or (B) enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; or (ii) the Borrower or any of the Subsidiaries shall fail to pay the principal of any Material Indebtedness at the stated final maturity thereof; provided, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness;

(g) there shall have occurred a Change in Control;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Borrower or any of the Material Subsidiaries, or of a substantial part of the property or assets of the Borrower or any Material Subsidiary, under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of the Material Subsidiaries or for a substantial part of the property or assets of the Borrower or any of the Material Subsidiaries or (iii) the winding-up or liquidation of the Borrower or any Material Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) the Borrower or any Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (h) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of the Material Subsidiaries or for a substantial part of the property or assets of the Borrower or any Material Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or admit in writing its inability or fail generally to pay its debts as they become due;

(j) the failure by the Borrower or any Material Subsidiary to pay one or more final judgments aggregating in excess of $5,000,000 (to the extent not covered by insurance), which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to levy upon assets or properties of the Borrower or any Material Subsidiary to enforce any such judgment;

(k) (i) an ERISA Event or ERISA Events shall have occurred with respect to any Plan or Multiemployer Plan, (ii) the PBGC shall institute proceedings (including giving notice of intent thereof) to terminate any Plan or Plans, (iii) the Borrower or any Subsidiary or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is in reorganization or is being terminated, within the meaning of Title IV of ERISA, or (iv) the Borrower or any Subsidiary shall engage in any "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975 of the Code) involving any Plan; and in each case in clauses (i) through (iv) above, such event or condition, together with all other such events or conditions, if any, would reasonably be expected to have a Material Adverse Effect; or

(l) (i) any Loan Document shall for any reason be asserted in writing by Holdings (prior to a Qualified IPO of the Borrower), the Borrower or any Subsidiary Loan Party not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Borrower or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement or to file Uniform Commercial Code continuation statements or take the actions described on Schedule 3.04 and except to the extent that such loss is covered by a lender's title insurance policy and the Collateral Agent shall be reasonably satisfied with the credit of such insurer, or (iii) a material portion of the Guarantees pursuant to the Security Documents by Holdings (prior to a Qualified IPO of the Borrower) or the Subsidiary Loan Parties guaranteeing the Obligations shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by Holdings (prior to a Qualified IPO of the Borrower) or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof); provided, that no Event of Default shall occur under this Section 7.01(l) if the Loan Parties cooperate with the Collateral Agent to replace or perfect such security interest and Lien, such security interest and Lien is replaced and the rights, powers and privileges of the Secured Parties are not materially adversely affected by such replacement;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with

accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans have been declared due and payable pursuant to clause (ii) above, demand Cash Collateral pursuant to Section 2.05(j); and in any event with respect to the Borrower described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails (or, but for the operation of this Section 7.02, would fail) to comply with the requirements of the Financial Performance Covenant, until the expiration of the 10th Business Day subsequent to the date the certificate calculating such Financial Performance Covenant is required to be delivered pursuant to Section 5.04(c), the Borrower shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions (collectively, the "Cure Right"), and upon the receipt by the Borrower of such cash (the "Cure Amount") pursuant to the exercise by the Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDAR shall be increased with respect to such applicable quarter (and, for the avoidance of doubt, no effect shall be given to any pro forma reduction to Indebtedness for such applicable quarter resulting from the repayment thereof with the proceeds of such Permitted Cure Securities) and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; provided, that (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) the Cure Right shall not be exercised more than five times and (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant. If, after giving effect to the adjustments in this Section 7.02, the Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

Section 7.03 Treatment of Certain Payments. Any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrower under Section 7.01(h) or (i), in each case that is continuing, shall be applied in accordance with clauses first through ninth in Section 2.18(b).

ARTICLE VIII

The Agents

Section 8.01 Appointment. (a) Each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or Issuing Bank's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent .

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02 Delegation of Duties. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects with reasonable care.

Section 8.03 Exculpatory Provisions. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The

Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05 Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.”

In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Indemnification. The Lenders agree to indemnify each Agent and each Issuing Bank, in each case in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of such person to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank thereunder and the aggregate principal amount of Swingline Loans owing to the Swingline Lender shall be considered to be owed to the Revolving Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or

thereby or any action taken or omitted by such Agent or such Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or any Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or such Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or such Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit or Swingline Loan participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent and Collateral Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent and Collateral Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and Collateral Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10 Arranger and Syndication Agent. Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the persons named on the cover page hereof as Bookrunner, Lead Arranger or Syndication Agent is named as such for recognition purposes only, and in its capacity as such shall have no rights, duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document, except that each such person and its Affiliates shall be entitled to the rights expressly stated to be applicable to them in Sections 9.05 and 9.17 (subject to the applicable obligations and limitations as set forth therein).

Section 8.11 Security Documents and Collateral Agent Under Security Documents and Guarantees. The Lenders authorize the Collateral Agent to release any Collateral or Guarantors in accordance with Section 9.18.

The Lenders hereby irrevocably authorize and instruct the Collateral Agent to, without any further consent of any Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Permitted Intercreditor Agreement or any other intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral that is permitted (including with respect to priority) under this Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The Lenders and the other Secured Parties by acceptance of the security granted under the Security Documents irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted and (y) any intercreditor agreement referred to in the foregoing sentence, entered into by the Collateral Agent, shall be binding on the Secured Parties, and each Lender and each other Secured Party by acceptance of the security granted under the Security Documents hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Permitted Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions. Furthermore, the Lenders (including in their capacities as potential Cash Management Banks and potential Hedge Banks) and the other Secured Parties by acceptance of the security granted under the Security Documents hereby authorize the Administrative Agent and the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by clauses (c), (i), (j), (ii) and (ll) of Section 6.02 or Section 6.02(a) (if the Liens thereunder are of a type that is contemplated by any of the foregoing clauses) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property, and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower; provided, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent a certificate of a Responsible Officer of the Borrower certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that (A) such property is or has become Excluded Property and (B) if such property has become Excluded Property as a result of

a contractual restriction, such restriction does not violate Section 6.09(c) and, if any restriction referred to in this clause (B) relates to property other than cash, Permitted Investments or joint venture interests, such restriction either existed at the time such property was acquired (and was not created in contemplation of such acquisition) or was permitted by Section 6.09(c)(Q).

Section 8.12 Right to Realize on Collateral and Enforce Guarantees. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (b) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

Section 8.13 Secured Hedge Obligations. (a) The Borrower and any Hedge Bank (the "Secured Hedge Counterparty") may from time to time designate the Hedging Agreement to which they are parties as being a "Secured Hedge Agreement" upon written notice (a "Designation Notice") to the Administrative Agent from the Borrower and the Secured Hedge Counterparty, in form reasonably acceptable to the Administrative Agent, which Designation Notice shall include (i) a description of such Hedging Agreement and (ii) the maximum amount (expressed in Dollars) of the Hedge Termination Value thereunder, if any, that is elected by the Borrower and the Secured Hedge Counterparty to constitute "Pari Passu Secured Hedge Obligations" and as to which an equal Reserve shall be taken against the Borrowing Base (each, a "Designated Pari Passu Amount" and the Obligations under such Secured Hedge Agreement (to the extent of such Designated Pari Passu Amount), "Pari Passu Secured Hedge Obligations"); provided that no such Designation Notice shall be effective and no such Designated Pari Passu Amount with respect to any Hedging Agreement shall constitute Pari Passu Secured Hedge Obligations (and no such Reserve shall be established by the Administrative Agent in connection therewith) to the extent that, at the time of delivery of the applicable Designation Notice and after giving effect to such Designated Pari Passu Amount (including to the Reserve for Pari Passu Secured Hedge Obligations to be established by the Administrative Agent in connection therewith), the Availability would be less than zero.

(b) The Borrower and the applicable Secured Hedge Counterparty may increase, decrease or terminate any Designated Pari Passu Amount in respect of a Hedging Agreement upon written notice to the Administrative Agent, in which case the Administrative Agent shall promptly make a corresponding adjustment to the reserve against the Borrowing Base with respect thereto; provided that any increase in a Designated Pari Passu Amount shall be deemed to be a new designation of a Designated Pari Passu Amount pursuant to a new Designation Notice and shall be subject to the limitations set forth in Section 8.13(a). For the avoidance of doubt, Obligations under any Hedging Agreement designated pursuant to this Section 8.13 in excess of the applicable Designated Pari Passu Amount shall constitute Obligations under a Secured Hedge Agreement but shall be entitled to a lesser priority of payment as set forth in Section 2.18(b).

Section 8.14 Withholding Tax. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.14.

(b) In addition, (I) unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (II) if such sub-clause (i) is not true with respect to a Lender and such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

(c) The Administrative Agent and the Arranger hereby informs the Lenders that each such person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such person has a financial interest in the transactions contemplated hereby in that such person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker’s acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 9.01 Notices; Communications. (a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or other electronic means as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party or the Administrative Agent, the Issuing Bank as of the Closing Date or the Swingline Lender, to the address, facsimile number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender or Issuing Bank, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided, that the foregoing shall not apply to notices to any Lender or the Issuing Bank pursuant to Article II if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto, on the Borrower's website on the Internet at the website address listed on

Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by facsimile or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto (and shall become effective with respect to the Borrower upon the Administrative Agent's receipt of the Borrower's joinder hereto), and thereafter shall be binding upon and inure to the benefit of Holdings, upon its joinder hereto, the Borrower, the Administrative Agent, each Issuing Bank and each Lender and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns

permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower, which consent will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after its receipt of any request for such consent; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or in the case of assignments during the primary syndication of the Commitments and Loans to persons identified to and agreed by the Borrower in writing prior to the Closing Date, or, if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan or Commitment to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the Swingline Lender and each Issuing Bank.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date on which the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) the Assignee shall not be the Borrower or any of the Borrower's Affiliates or Subsidiaries.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of the Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections)); provided, that an Assignee shall not be entitled to receive any greater payment pursuant to Section 2.17 than the applicable Assignor would have been entitled to receive had no such assignment occurred. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank, the Swingline Lender and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank, the Swingline Lender and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section, if applicable, and any written consent to such assignment required by clause (b) of this Section and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its applicable Commitment, and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of any Loan Party or any of its subsidiaries or the performance or observance by any Loan Party or any of its subsidiaries of any of such person's obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.04, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) the Assignee will independently and without reliance upon the Agents, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) the Assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such Agent, by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and (vii) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities other than any Ineligible Institution (to the extent that the list of Ineligible Institutions has been made available to all Lenders) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clause (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (e)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; provided, that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such

Commitment, Loan or other Loan Obligation is in registered form for U.S. federal income tax purposes or is otherwise required by applicable law. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which consent shall state that it is being given pursuant to this Section 9.04(d)(iii); provided, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08. Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the

same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any Lender or any Issuing Bank hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans; provided, that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Section 9.05 Expenses; Indemnity. (a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or the Collateral Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel to the Administrative Agent, the Collateral Agent and the Arranger, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld), of another firm of such for such affected person).

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, the Arranger, the Bookrunner, each Issuing Bank, each Lender, each of their respective Affiliates and each of their respective directors, officers, employees, agents and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit, (iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties, (y) arose from a material breach of such Indemnitee's or any of its Related Parties' obligations under any Loan Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or (z) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent or an Arranger, in its capacity as such). None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Fund, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of Holdings (prior to a Qualified IPO), the Borrower or any Subsidiary against any of and all the obligations of Holdings (prior to a Qualified IPO) or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08 Waivers; Amendment. (a) No failure or delay of the Agents, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agents, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings (prior to a Qualified IPO), the Borrower and the Required Lenders, and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Agents and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the applicable Maturity Date (except as provided in Section 2.05(c)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that any amendment to the definitions of “Borrowing Base”, “Availability” and the related definitions and the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees or L/C Participation Fees of any Lender, without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender,

(iii) extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(iv) amend the provisions of Section 7.03 (including clauses first through ninth of Section 2.18(b) as used in Section 7.03) in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders", "Super Majority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders and the Super Majority Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date), except as provided in Section 9.08(e),

(vi) release all or substantially all of the Collateral, or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Guarantee Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender, or

(vii) change the definition of the term "Borrowing Base" or any component definition thereof if as a result thereof the amounts available to be borrowed by the Borrower would be increased (provided, that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves without the prior written consent of any Lenders), in each case without the prior written consent of the Super Majority Lenders;

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or an Issuing Bank hereunder without the prior written consent of the Administrative Agent, the Collateral Agent or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders),

except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender or any Issuing Bank, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) [Reserved].

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Agents (but without the consent of any Lender) to the extent necessary (A) to cure any ambiguity, omission, defect or inconsistency or (B) to integrate any Incremental Revolving Commitments in a manner consistent with Section 2.21, including, with respect to Extended Revolving Loans, as may be necessary to establish such Extended Revolving Loans as a separate Class or tranche from the existing Loans or Commitments. The Administrative Agent and the Borrower shall modify the Loan Documents to include the commitments to make such Extended Revolving Loans (and any letter of credit and swingline exposure thereunder) in the definition of Required Lenders and Super Majority Lenders on substantially the same basis as the Loans are included on the Closing Date.

(f) With respect to the incurrence of any secured or unsecured Indebtedness (including any intercreditor agreement relating thereto), the Borrower may elect (in its discretion, but shall not be obligated) to deliver to the Administrative Agent a certificate of a Responsible Officer at least three Business Days prior to the incurrence thereof (or such shorter time as the Administrative Agent may agree), together with either drafts of the material documentation relating to such Indebtedness or a description of such Indebtedness (including a description of the Liens intended to secure the same or the subordination provisions thereof, as applicable) in reasonably sufficient detail to be able to make the determinations referred to in this paragraph, which certificate shall either, at the Borrower's election, (x) state that the Borrower has determined in good faith that such Indebtedness satisfies the requirements of the applicable provisions of Sections 6.01 and 6.02 (taking into account any other applicable provisions of this Section 9.08), in which case such certificate shall be conclusive evidence thereof, or (y) request the Administrative Agent to confirm, based on the information set forth in such certificate and any other information reasonably requested by the Administrative Agent, that such Indebtedness satisfies such requirements, in which case the Administrative Agent may determine whether, in

its reasonable judgment, such requirements have been satisfied (in which case it shall deliver to the Borrower a written confirmation of the same), with any such determination of the Administrative Agent to be conclusive evidence thereof, and the Lenders hereby authorize the Administrative Agent to make such determinations.

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process. (a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender, or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16 Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, any Parent Entity, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, any Parent Entity, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to Holdings, any Parent Entity, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16).

Section 9.17 Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Arranger will make available to the Lenders and the Issuing Bank materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information (or, in the case of a company that is not a public-reporting company, material information of a type that would not be reasonably expected to be publicly available if such company were a public-reporting company) with respect to Holdings, the Borrower or its Subsidiaries or any of their respective securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Arranger, the Issuing Bank and the Lenders to treat such Borrower Materials as solely containing information that is either (A) of a type that would reasonably be expected to be publicly available information if Holdings or the Borrower were a public reporting company or (B) not material (although it may be sensitive and proprietary) with respect

to Holdings, the Borrower or its Subsidiaries or any of their respective securities for purposes of United States Federal and state securities laws (provided, however, that such Borrower Materials shall be treated as set forth in Section 9.16, to the extent such Borrower Materials constitute information subject to the terms thereof), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Arranger shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18 Release of Liens and Guarantees. (a) The Lenders and the Issuing Banks hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released: (i) in full upon the occurrence of the Termination Date as set forth in Section 9.18(d) below; (ii) upon the Disposition of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Guarantee Agreement or clause (b) below (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vi) as provided in Section 8.11 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) and (vii) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, (i) the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Subsidiary Loan Party or otherwise becoming an Excluded Subsidiary (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) and (ii) immediately prior to the consummation of a Qualified IPO of the Borrower, the Guarantee incurred by Holdings of the Obligations shall automatically terminate and Holdings shall be released from its obligations under the Loan Documents, shall cease to be a Loan Party and any Liens created by any Loan Documents on any Equity Interests or other assets owned by Holdings shall automatically be released (unless the Borrower shall elect in its sole discretion that such release of Holdings shall not be effected).

(c) The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18, all without the further consent or joinder of any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimburse claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interest in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Obligations of the Borrower or any of the Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such

Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

Section 9.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other person who may be entitled thereto under applicable law).

Section 9.20 USA PATRIOT Act Notice. ARTICLE II

The Credits

Section 2.01 Commitments. Subject to the terms and conditions set forth herein:

(a) Revolving Loans. Each Lender agrees to make Revolving Loans in Dollars to the Borrower from time to time during the Availability Period, in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure exceeding the lesser of (x) such Lender's Revolving Commitment and (y) such Lender's Revolving Facility Percentage of the Borrowing Base or (ii) the aggregate Revolving Facility Credit Exposure of all Revolving Lenders exceeding Maximum Availability. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

(b) Overadvances. Insofar as the Borrower may request and the Administrative Agent or Required Lenders may be willing in their sole and absolute discretion to make Revolving Loans to the Borrower at a time when the Revolving Facility Credit Exposure exceeds, or would exceed with the making of any such Revolving Loan, the Borrowing Base (any such Loan or Loans being herein referred to individually as an "Overadvance"), the Administrative Agent shall make such Overadvances available to the Borrower. All Overadvances shall be repaid on demand, shall be secured by the Collateral in accordance with the terms hereof and of the Security Documents and shall bear interest as provided in this Agreement for the Revolving Loans generally. The Required Lenders may at any time revoke the

Administrative Agent's authorization to make future Overadvances (provided, that existing Overadvances shall not be subject to such revocation and any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's and the Borrower's receipt thereof). All Overadvances shall be ABR Loans. Any Overadvance made pursuant to the terms hereof shall be made by the Lenders ratably in accordance with their Revolving Facility Percentages. The foregoing notwithstanding, in no event (w) unless otherwise consented to by the Required Lenders, shall Overadvances, together with the Protective Advances then outstanding, in the aggregate exceed 10.0% of the then applicable Borrowing Base, (x) shall any Overadvances be outstanding for more than 45 consecutive days, (y) unless otherwise consented to by the Required Lenders, after all outstanding Overadvances have been repaid, shall the Administrative Agent make any additional Overadvances unless 10 days or more have expired since the last date on which any Overadvances were outstanding or (z) unless otherwise consented to by each affected Lender, shall the Administrative Agent make Revolving Loans on behalf of the applicable Lenders under this Section 2.01(b) to the extent such Revolving Loans would cause a Lender's share of the Revolving Facility Credit Exposure to exceed such Lender's Revolving Commitment or the aggregate principal amount of Revolving Loans exceed the aggregate Revolving Commitments.

(c) Protective Advances. Upon the occurrence and during the continuance of a Default or an Event of Default or upon the inability of the Borrower to satisfy the conditions to borrowing set forth in Section 4.01 after the Closing Date, the Administrative Agent, in its sole discretion, may make Revolving Loans to the Borrower on behalf of the Lenders, so long as the aggregate amount of such Revolving Loans shall not, together with the aggregate amount of all Overadvances then outstanding, exceed 10.0% of the then applicable Borrowing Base, if the Administrative Agent, in its Reasonable Credit Judgment, deems that such Revolving Loans are necessary or desirable (i) to protect all or any portion of the Collateral, (ii) to enhance the likelihood, or maximize the amount of, repayment of the Loans and the other Obligations, or (iii) to pay any other amount chargeable to the Borrower pursuant to this Agreement (such Revolving Loans, hereinafter, "Protective Advances"); provided, that (w) all Protective Advances shall be ABR Loans, (x) in no event shall the aggregate Revolving Facility Credit Exposure exceed the total Revolving Commitments of all Revolving Lenders, (y) the Required Lenders may at any time revoke the Administrative Agent's authorization to make future Protective Advances (provided; that existing Protective Advances shall not be subject to such revocation and any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's receipt thereof) and (z) unless otherwise consented to by each affected Lender, the Administrative Agent may not make Revolving Loans on behalf of the applicable Lenders under this Section 2.01(c) to the extent such Revolving Loans would cause a Lender's share of the Revolving Facility Credit Exposure to exceed such Lender's Revolving Commitment. Any Protective Advance made pursuant to the terms hereof shall be made by the Lenders ratably in accordance with their Revolving Facility Percentages.

(d) The making of any Agent Advance on any one occasion shall not obligate the Administrative Agent to make any Agent Advance on any other occasion. At any time that the conditions precedent set forth in Section 4.01 have been satisfied or waived, the Administrative Agent may request the Lenders to make a Revolving Loan to repay any Agent Advance. At any other time, the Administrative Agent may require the Lenders to fund their risk participations described in Section 2.01(e).

(e) Upon the making of any Agent Advance, each Lender shall be deemed, without further action by any party hereto, unconditionally and irrevocably to have purchased from the Administrative Agent, without recourse or warranty, an undivided interest and participation in such Agent Advance in proportion to their Revolving Facility Percentage. From and after the date, if any, on which any Lender is required to fund its participation in any Agent Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Revolving Facility Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Agent Advance.

The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing (other than a Swingline Borrowing) shall be composed entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Swingline Borrowing shall be an ABR Borrowing. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided, that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused available balance of the Revolving Commitments, or that is required to finance the reimbursement of an L/C Disbursement as contemplated by Section 2.05(e). Each Swingline Borrowing shall be in an amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type may be outstanding at the same time; provided, that there shall not at any time be more than a total of 10 Eurocurrency Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Maturity Date for such Class, as applicable.

Section 2.03 Requests for Borrowings.

(a) To request a Borrowing, the Borrower shall notify the Administrative Agent of such request in writing (which may be via electronic mail or facsimile) (i) in the case of a Eurocurrency Borrowing, not later than 10:00 a.m., Local Time, three Business Days before the date of the proposed Borrowing or (ii) in the case of an ABR Borrowing, not later than 1:00 p.m., Local Time on the date of the proposed Borrowing provided, that, to request a Eurocurrency or ABR Borrowing on the Closing Date, the Borrower shall notify the Administrative Agent of such request by delivering a Borrowing Request not later than 2:00 p.m., Local Time, one Business Day prior to the Closing Date (or such later time as the Administrative Agent may agree). Each such request for a Borrowing shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower.

(b) Each such written notice and Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Revolving Facility Loans or Extended Revolving Loans, as applicable;

(ii) the aggregate amount of the requested Borrowing, which amount shall not result in the Revolving Facility Credit Exposure exceeding the Borrowing Base;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(vi) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

(c) Disbursement. The Borrower hereby irrevocably authorizes the Administrative Agent to disburse the proceeds of each Loan requested pursuant to this Section 2.03. The proceeds of each Loan requested under this Section 2.03 shall be disbursed by the Administrative Agent in Dollars in immediately available funds by wire transfer to such bank account as may be agreed upon by the Borrower and the Administrative Agent from time to time or elsewhere if pursuant to a written direction from the Borrower. If at any time any Loan is funded in excess of the amount requested by the Borrower, the Borrower agrees to repay the excess to the Administrative Agent promptly upon the earlier to occur of (a) the Borrower's discovery of the error and (b) notice thereof to the Borrower from the Administrative Agent or any applicable Lender.

Section 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans, in Dollars to the Borrower from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Commitment or (ii) the aggregate Revolving Facility Credit Exposure of all Revolving Lenders exceeding Maximum Availability; provided, that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Borrowing. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Borrowing, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request in writing (which may be via electronic mail or facsimile) (confirmed by a Swingline Borrowing Request by electronic means), not later than 12:00 p.m., Local Time, on the day of a proposed Swingline Borrowing. Each such notice and Swingline Borrowing Request shall be irrevocable and shall specify (i) the requested date (which shall be a Business Day) and (ii) the amount of the requested Swingline Borrowing. The Swingline Lender shall consult with the Administrative Agent as to whether the making of the Swingline Loan is in accordance with the terms of this Agreement prior to the Swingline Lender funding such Swingline Loan. The Swingline Lender shall make each Swingline Loan in accordance with Section 2.02(a) on the proposed date thereof by wire transfer of immediately available funds to the account of the Borrower (or, in the case of a Swingline Borrowing made to finance the reimbursement of an L/C Disbursement as provided in Section 2.05(e), by remittance to the applicable Issuing Bank).

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., Local Time, on any Business Day require the Lenders to acquire participations on such Business Day in all or a portion of the outstanding Swingline Loans made by it. Such notice shall specify the aggregate amount of such Swingline Loans in which the Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each such Lender, specifying in such notice such Lender's Revolving Facility Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent for the account of the Swingline Lender, such Lender's Revolving Facility Percentage of such Swingline Loan. Each Lender acknowledges and agrees that its respective obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement,

withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph (c), and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided, that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Administrative Agent, the Swingline Lender and the Lenders agree (which agreement shall not be for the benefit of or enforceable by the Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among them as to the Revolving Loans and the Swingline Loans and the Agent Advances shall take place on a periodic basis in accordance with the following provisions:

(i) The Administrative Agent shall request settlement (a "Settlement") with the Lenders on at least a weekly basis, or on a more frequent basis if so determined by the Administrative Agent, (A) on behalf of the Swingline Lender, with respect to each outstanding Swingline Loan, (B) for itself, with respect to each Agent Advance, and (C) with respect to collections received, in each case, by notifying the Lenders of such requested Settlement by facsimile, telephone, or other similar form of transmission, of such requested Settlement, no later than 12:00 noon, Local Time, on the date of such requested Settlement (the "Settlement Date"). Each Lender (other than the Swingline Lender, in the case of Swingline Loans, and the Administrative Agent, in the case of Agent Advances) shall make the amount of such Lender's Revolving Facility Percentage of the outstanding principal amount of the Swingline Loans and Agent Advances with respect to which Settlement is requested available to the Administrative Agent, to such account of the Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., Local Time, on the Settlement Date applicable thereto, which may occur before or after the occurrence or during the continuation of a Default or an Event of Default and whether or not the applicable conditions precedent set forth in Article IV have then been satisfied. Such amounts made available to the Administrative Agent shall be applied against the amounts of the applicable Swingline Loan or Agent Advance and, together with the portion of such Swingline Loan or Agent Advance representing the Swingline Lender's or Administrative Agent's Revolving Facility Percentage thereof, shall constitute Revolving Facility Loans of the Lenders. If any such amount is not made available to the Administrative Agent by any Lender on the Settlement Date applicable thereto, the Administrative Agent shall, on behalf of the Swingline Lender with respect to each outstanding Swingline Loan and for itself with respect to each Agent Advance, be entitled to recover such amount on demand from such Lender together with interest thereon at the Federal Funds Effective Rate for the first three days from and after the Settlement Date and thereafter at the interest rate then applicable to ABR Loans.

(ii) Notwithstanding the foregoing, not more than one Business Day after demand is made by the Administrative Agent (whether before or after the occurrence of a Default or an Event of Default and regardless of whether the Administrative Agent has requested a Settlement with respect to a Swingline Loan or Agent Advance), each Lender (A) shall irrevocably and unconditionally purchase and receive from the Swingline Lender or the Administrative Agent, as the case may be, without recourse or warranty, an undivided interest and participation in such Swingline Loan or Agent Advance equal to such Lender's Revolving Facility Percentage of such Swingline Loan or Agent Advance and (B) if Settlement has not previously occurred with respect to such Swingline Loans or Agent Advances, upon demand by the Swingline Lender or the Administrative Agent, as the case may be, shall pay to the Swingline Lender or Administrative Agent, as applicable, as the purchase price of such participation an amount equal to one hundred percent (100%) of such Lender's Revolving Facility Percentage of such Swingline Loans or Agent Advances. If such amount is not in fact made available to the Administrative Agent by any Lender, the Administrative Agent shall be entitled to recover such amount on demand from such Lender together with interest thereon at the Federal Funds Effective Rate for the first three days from and after such demand and thereafter at the interest rate then applicable to ABR Loans.

(iii) From and after the date, if any, on which any Lender purchases an undivided interest and participation in any Swingline Loan or Agent Advance pursuant to clause (ii) preceding, the Administrative Agent shall promptly distribute to such Lender such Lender's Revolving Facility Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Swingline Loan or Agent Advance.

(iv) Between Settlement Dates, to the extent no Agent Advances are outstanding, the Administrative Agent may pay over to the Swingline Lender any payments received by the Administrative Agent, which in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Swingline Lender's Revolving Loans or Swingline Loans. If, as of any Settlement Date, collections received since the then immediately preceding Settlement Date have been applied to the Swingline Lender's Revolving Loans, the Swingline Lender shall pay to the Administrative Agent for the accounts of the Lenders, to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Revolving Facility Percentage of the Revolving Loans. During the period between Settlement Dates, the Swingline Lender with respect to Swingline Loans, the Administrative Agent with respect to Agent Advances, and each Revolving Lender with respect to the Revolving Loans, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the actual average daily amount of funds employed by the Swingline Lender, the Administrative Agent and the Revolving Lenders.

Section 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of one or more letters of credit in U.S. Dollars issued for any lawful purposes of the Borrower and its Subsidiaries (such letters of credit issued for such purposes, "Letters of Credit") for its own account in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the Availability Period and prior to the date that is five Business Days prior to the Maturity Date; provided, that no Issuing Bank shall be required to issue any Letter of Credit other than standby Letters of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control; provided, that the Issuing Bank shall not be required to issue any Letter of Credit in its reasonable discretion if any Lender is at such time a Defaulting Lender hereunder, unless the Issuing Bank has entered into satisfactory arrangements with the Borrower or such Lender to eliminate the Issuing Bank's risk of full reimbursement with respect to such Letter of Credit.

(b) Notice of Issuance, Amendment, Renewal, Extension: Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal (other than an automatic extension in accordance with paragraph (c) of this Section) or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (three Business Days in advance of the requested date of issuance, amendment or extension or such shorter period as the Administrative Agent and the Issuing Bank in their sole discretion may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to issue, amend or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the total Revolving L/C Exposure shall not exceed the Letter of Credit Sublimit, (ii) the aggregate Revolving Facility Credit Exposure of all Revolving Lenders shall not exceed the total Revolving Commitments and (iii) the aggregate Revolving Facility Credit Exposure of all Revolving Lenders shall not exceed the Borrowing Base.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year (unless otherwise agreed upon by the Borrower and the Issuing Bank in their sole discretion) after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year (unless otherwise agreed upon by the Administrative Agent and the Issuing Bank in their sole discretion) after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date; provided, that any Letter of Credit with one year tenor may provide for automatic renewal or extension thereof for additional one year periods (which, in no event, shall extend beyond the

date referred to in clause (ii) of this paragraph (c)) so long as such Letter of Credit permits the Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof within a time period during such twelve-month period to be agreed upon at the time such Letter of Credit is issued; provided, further, that if the Issuing Bank and the Administrative Agent each consent in their sole discretion, the expiration date on any Letter of Credit may extend beyond the date referred to in clause (ii) above; provided, that (x) if any such Letter of Credit is outstanding or the expiration date is extended to a date that is later than five Business Days prior to the Maturity Date the Borrower shall Cash Collateralize each such Letter of Credit in an amount equal to the Minimum L/C Collateral Amount on or prior to the date that is five Business Days prior to the Maturity Date or, if later, such date of issuance and (y) each Lender's participation in any undrawn Letter of Credit that is outstanding on the Maturity Date shall terminate on the Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, such Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Revolving Facility Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, in Dollars, such Lender's Revolving Facility Percentage of each L/C Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the applicable Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such L/C Disbursement by paying to the Administrative Agent an amount in Dollars equal to such L/C Disbursement not later than 2:00 p.m., Local Time, on the first Business Day after the Borrower receives notice under paragraph (g) of this Section of such L/C Disbursement (or the second Business Day, if such notice is received after noon, Local Time), together with accrued interest thereon from the date of such L/C Disbursement at the rate applicable to ABR Loans; provided, that the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Borrowing or a Swingline Borrowing, as applicable, in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing or Swingline Borrowing. If the Borrower fails to reimburse any L/C Disbursement when due, then the Administrative Agent shall promptly notify the applicable Issuing Bank and each other Lender of the applicable L/C Disbursement, the payment then due from the Borrower in respect thereof and, in the case of a Lender, such Lender's Revolving

Facility Percentage. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent in Dollars its Revolving Facility Percentage of the payment then due from the Borrower in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for any L/C Disbursement (other than the funding of an ABR Borrowing for Revolving Loans or a Swingline Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such L/C Disbursement.

(f) Obligations Absolute. The obligation of the Borrower to reimburse L/C Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of set-off against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank, or any of the circumstances referred to in clauses (i), (ii) or (iii) of the first sentence; provided, that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are determined by a final and binding decision of a court of competent jurisdiction to have been caused by such Issuing Bank's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by electronic means) or electronic means of any such demand for payment under a Letter of Credit and whether such Issuing Bank has made or will make a L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and/or the Lenders with respect to any such L/C Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any L/C Disbursement, then, unless the Borrower shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Borrower reimburses such L/C Disbursement, at the rate per annum then applicable to ABR Loans; provided, that, if such L/C Disbursement is not reimbursed by the Borrower when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization Following Certain Events. If and when the Borrower is required to Cash Collateralize any Revolving L/C Exposure relating to any outstanding Letters of Credit pursuant to any of Section 2.11(b), 2.11(c), 2.22(a)(v) or 7.01, the Borrower shall deposit in an account with or at the direction of the Collateral Agent, in the name of the Collateral Agent and for the benefit of the Lenders, an amount in cash in Dollars equal to the Revolving L/C Exposure as of such date (or, in the case of Sections 2.11(b), 2.11(c) and 2.22(a)(v), the portion thereof required by such sections). Each deposit of Cash Collateral (x) made pursuant to this paragraph, (y) made by the Administrative Agent under Section 5.11(b)

during the continuation of an Event of Default or (z) made by the Administrative Agent pursuant Section 2.18(b) or 2.22(a)(ii), in each case, shall be held by the Collateral Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Collateral Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Such deposits shall not bear interest, other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of (i) for so long as an Event of Default shall be continuing, the Collateral Agent and (ii) at any other time, the Borrower, in each case, in Permitted Investments and at the risk and expense of the Borrower. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Collateral Agent to reimburse each Issuing Bank for L/C Disbursements for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender or the occurrence of a limit under Section 2.11(b) or (c) being exceeded, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status or the limits under Sections 2.11(b) and (c) no longer being exceeded, as applicable.

(k) Cash Collateralization Following Termination and Prepayment of the Facility. Notwithstanding anything to the contrary herein, in the event of the prepayment in full of all outstanding Revolving Loans and the termination of all Revolving Commitments by the Borrower pursuant to Section 2.08(b) (a "Facility Termination Event") in connection with which the Borrower notifies any one or more Issuing Banks that it intends to maintain one or more Letters of Credit initially issued under this Agreement in effect after the date of such Facility Termination Event (each, a "Continuing Letter of Credit"), then the security interest of the Collateral Agent in the Collateral under the Security Documents may be terminated in accordance with Section 9.18 if each such Continuing Letter of Credit is Cash Collateralized in an amount equal to the Minimum L/C Collateral Amount, which shall be deposited with or at the direction of each such Issuing Bank.

(l) Additional Issuing Banks. From time to time, the Borrower may by notice to the Administrative Agent designate any Lender each of which agrees (in its sole discretion) to act in such capacity and that is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(m) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank shall (i) provide to the Administrative Agent copies of any notice received from the Borrower pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of

Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and the Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised the Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any L/C Disbursement, the date of such L/C Disbursement and the amount of such L/C Disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

(n) No Liability of the Issuing Bank. The Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrower shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrower, to the extent of any direct, but not consequential, damages suffered by the Borrower that the Borrower proves were caused by (i) such Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank's willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided, that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the applicable Borrowing Request; provided, that ABR Loans and Swingline Borrowings made to finance the reimbursement of a L/C Disbursement and reimbursements as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with clause (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) the Federal Funds Effective Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to ABR Loans at such time. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(c) The foregoing notwithstanding, the Administrative Agent, in its sole discretion, may from its own funds make a Revolving Loan on behalf of the Lenders (including by means of Swingline Loans to the Borrower). In such event, the applicable Lenders on behalf of whom the Administrative Agent made the Revolving Loan shall reimburse the Administrative Agent for all or any portion of such Revolving Loan made on its behalf upon written notice given to each applicable Lender not later than 2:00 p.m., Local Time, on the Business Day such reimbursement is requested. On each such settlement date, the Administrative Agent will pay to each such Lender the net amount owing to such Lender in connection with such settlement, including amounts relating to Loans, fees, interest and other amounts payable hereunder. The entire amount of interest attributable to such Revolving Loan for the period from and including the date on which such Revolving Loan was made on such Lender's behalf to but excluding the date the Administrative Agent is reimbursed in respect of such Revolving Loan by such Lender shall be paid to the Administrative Agent for its own account.

Section 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings and Agent Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing (which may be via electronic mail or facsimile), by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such election request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request in the form of Exhibit E and signed by the Borrower.

(c) Each such election request and Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR

Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the date that is the earlier of (x) to the extent the Closing Date has not yet occurred on or prior to such date, the Outside Date and (y) the Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments; provided, that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of $250,000 and not less than $500,000 (or, if less, the remaining amount of the Revolving Commitments) and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11 and any Cash Collateralization of Letters of Credit in accordance with Section 2.05(j) or (k), the Revolving Facility Credit Exposure (excluding any Cash Collateralized Letter of Credit) would exceed Maximum Availability.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under clause (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided, that a notice of termination or reduction of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned on the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

Section 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan, Protective Advance and Overadvance to the Borrower on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain the Register pursuant to Section 9.04(b)(iv) in which shall be recorded (i) the amount of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to clause (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that (i) the Register shall control in the event of any conflict between the Register entries and any such account and (ii) the failure of any Lender or the Administrative Agent to maintain such accounts or the Register, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.10 Notice of Prepayment of Revolving Loans. Prior to any prepayment of any Revolving Loans pursuant to Section 2.11, the Borrower shall select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent in writing (which may be via electronic mail or facsimile) of such selection (a) in the case of an ABR Borrowing, not later than 10:00 a.m., Local Time at least one Business Day before the scheduled date of such prepayment and (b) in the case of a Eurocurrency Borrowing , not later than 2:00 p.m., Local Time at least three Business Days before the scheduled date of such prepayment; provided, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing shall be applied to the Revolving Loans included in the repaid Borrowing such that each Lender receives its ratable share of such repayment (based upon the respective Revolving Facility Credit Exposure of the applicable Lenders at the time of such repayment). Notwithstanding anything to the contrary in the immediately preceding sentence, prior to any repayment of a Swingline Loan hereunder, the Borrower shall select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent in writing (which may be via electronic mail or facsimile) of such selection not later than 12:00 p.m., Local Time, on the scheduled date of such repayment. Repayments of Eurocurrency Borrowings shall be accompanied by accrued interest on the amount repaid to the extent required by Section 2.13(d).

Section 2.11 Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10.

(b) Subject to Sections 2.01(b) and (c), in the event the aggregate amount of the Revolving Facility Credit Exposure exceeds Maximum Availability in effect at such time, then the Borrower shall promptly repay outstanding Revolving Loans and/or Cash Collateralize Revolving L/C Exposure in accordance with Section 2.05(j) in an aggregate amount equal to such excess.

(c) In the event and on such occasion as the Revolving L/C Exposure exceeds the Letter of Credit Sublimit, at the request of the Administrative Agent, the Borrower shall deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j) in an amount equal to such excess.

Section 2.12 Fees.

(a) The Borrower agrees to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the date that is five Business Days after the last Business Day of March, June, September and December in each year, and three Business Days after the date on which the Commitments of all the Lenders shall be terminated as provided herein, a commitment fee (a "Commitment Fee") on the daily amount of the Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. For the purpose of calculating any Lender's Commitment Fee, the outstanding Swingline Loans during the period for which such Lender's Commitment Fee is calculated shall be deemed to be zero. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Borrower from time to time agrees to pay (i) to each Lender (other than any Defaulting Lender), through the Administrative Agent, five Business Days after the last day of March, June, September and December of each year and three Business Days after the date on which the Commitments of all the Lenders shall be terminated as provided herein, a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements), during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Maturity Date or the date on which the Commitments shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Borrowings effective for each day in such period and (ii) to each Issuing Bank, for its own account (x) five Business Days after the last Business Day of March, June, September and December of each year and three Business Days after the date on which the Commitments of all the Lenders shall be terminated as provided herein, a fronting fee in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 1/8 of 1% per annum of the daily average stated amount of such Letter of Credit, plus (y) in connection with

the issuance, amendment or transfer of any such Letter of Credit or any L/C Disbursement thereunder, such Issuing Bank's customary documentary and processing fees and charges (collectively, "Issuing Bank Fees"). All L/C Participation Fees and Issuing Bank Fees that are payable in Dollars on a per annum basis shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrower agrees to pay the agency fees to the Administrative Agent, for the account of the Administrative Agent (the "Administrative Agent Fees") set forth in the Fee Letter, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein.

(d) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks. Once paid, such Fees shall not be refundable under any circumstances.

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; provided, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan and (ii) upon termination of the Commitments; provided, that (A) interest accrued pursuant to clause (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than an ABR Loan or Swingline Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBOR Rate or LIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) ~~(a)~~ (a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBOR Rate for such Interest Period; or

(b) (b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, ~~and~~ ~~(ii~~(ii) the Adjusted LIBOR Rate component shall no longer be utilized in determining the ABR, and (iii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that (i) the circumstance set forth in Section 2.14(a) above has arisen and such circumstance is unlikely to be temporary or (ii) the circumstance set forth in Section 2.14(a) has not arisen but the supervisor for the administrator of the LIBOR Rate, or the administrator of the LIBOR Rate, or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBOR Rate shall no longer be published or used for determining interest rates for loans, then (A) if the Administrative Agent and the Borrower reasonably determine that there exists a then prevailing market convention generally accepted for determining a reference rate of interest for syndicated loans in the United States as the successor to interest rates based on the LIBOR Rate, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) (and any such amendment described in this clause (A) shall, notwithstanding anything to the contrary in Section 9.08, immediately become effective), or (B) if the Administrative Agent and the Borrower are unable to reasonably determine that a then prevailing market convention for determining a rate of interest for syndicated loans in the United States as the successor to interest rates based on the LIBOR Rate does exist, the Administrative Agent and the Borrower shall enter into an amendment to this

Agreement to reflect an alternate rate of interest and such other related changes to this Agreement as may be applicable (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), in each case that are acceptable to the Borrower and the Administrative Agent (and any such amendment described in this clause (B) shall, notwithstanding anything to the contrary in Section 9.08, become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders (acting reasonably) have delivered to the Administrative Agent notice that such Required Lenders do not accept such amendment) (any such alternate rate described in the foregoing clauses (A) or (B), a "LIBOR Successor Rate"); provided that, for the avoidance of doubt, no fee shall be payable to the Administrative Agent or the Lenders in connection with an amendment to this Agreement pursuant to this Section 2.14; provided further that if the LIBOR Successor Rate shall be less than zero, such interest rate shall be deemed to be zero. If no LIBOR Successor Rate has been determined and the circumstances under clause (i) or (ii) above exist (as applicable), the Administrative Agent will promptly so notify the Borrower and the Lenders by telephone or electronic means as promptly as practicable thereafter and, thereafter (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, (ii) the Adjusted LIBOR Rate component shall no longer be utilized in determining the ABR and (iii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBOR Rate) or Issuing Bank;

(ii) subject any Lender to any Tax with respect to any Loan Document or any Eurocurrency Loan made by it (other than (i) Taxes indemnifiable under Section 2.17 or (ii) Excluded Taxes); or

(iii) impose on any Lender or Issuing Bank or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in clause (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error; provided, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's or Issuing Bank's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other borrowers which, as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrower thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered

pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBOR Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17 Taxes.

(a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if a Loan Party, the Administrative Agent or any other applicable withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes from such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirement of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions or withholdings been made. Whenever any Indemnified Taxes or Other Taxes are payable by a Loan Party, as promptly as possible thereafter, such Loan Party shall send to the Administrative Agent for its own account or for the account of a Lender, as the case may be, a certified copy of an official receipt (or other evidence acceptable to the Administrative Agent or such Lender, acting reasonably) received by the Loan Party showing payment thereof. Without duplication, after any payment of Taxes by any Loan Party or the Administrative Agent to a Governmental Authority as provided in this Section 2.17, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(b) The Borrower shall timely pay any Other Taxes.

(c) The Borrower shall indemnify and hold harmless the Administrative Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Each Lender shall deliver to the Borrower and the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Loan Document are subject to withholding of Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, any such withholding of Taxes in respect of any payments to be made to such Lender by any Loan Party pursuant to any Loan Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(e) Without limiting the generality of Section 2.17(d), each Foreign Lender with respect to any Loan made to the Borrower shall, to the extent it is legally eligible to do so:

(i) deliver to the Borrower and the Administrative Agent, prior to the date on which the first payment to the Foreign Lender is due hereunder, two copies of (A) in the case of a Foreign Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form) (together with a certificate (substantially in the form of Exhibit J hereto), such certificate, the "Non-Bank Tax Certificate") certifying that such Foreign Lender is not a bank for purposes of Section 881(c) of the Code, is not a "10-percent shareholder" (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a CFC related to the Borrower (within the meaning of Section 864(d)(4) of the Code), and that the interest payments in question are not effectively connected with the conduct by such Lender of a trade or business within the United States of America), (B) Internal Revenue Service Form W-8BEN, Form W-8BEN-E, Form W-8EXP or Form W-8ECI (or any applicable successor form), in each case properly

completed and duly executed by such Foreign Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on payments by the Borrower under this Agreement, (C) Internal Revenue Service Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in clauses (A) and (B) above, provided that if the Foreign Lender is a partnership, and one or more of the partners is claiming portfolio interest treatment, the Non-Bank Tax Certificate may be provided by such Foreign Lender on behalf of such partners) or (D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

Any Foreign Lender that becomes legally ineligible to update any form or certification previously delivered shall promptly notify the Borrower and the Administrative Agent in writing of such Foreign Lender's inability to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(e); provided that a Participant shall furnish all such required forms and statements to the person from which the related participation shall have been purchased.

In addition, each Agent shall deliver to the Borrower (x)(I) prior to the date on which the first payment by the Borrower is due hereunder or (II) prior to the first date on or after the date on which such Agent becomes a successor Administrative Agent pursuant to Section 8.09 on which payment by the Borrower is due hereunder, as applicable, two copies of a properly completed and executed IRS Form W-9 certifying its exemption from U.S. federal backup withholding or such other properly completed and executed documentation prescribed by applicable law certifying its entitlement to an available exemption from applicable U.S. federal withholding taxes in respect of any payments to be made to such Agent by any Loan Party pursuant to any Loan Document including, as applicable, an IRS Form W-8IMY certifying that the Agent is a U.S. branch and intends to be treated as a U.S. person for purposes of withholding under Chapter 3 of the Code pursuant to Section 1.1441-1(b)(2)(iv) of the Treasury Regulations, and (y) on or before the date on which any such previously delivered documentation expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent documentation previously delivered by it to the Borrower and from time to time if reasonably requested by the Borrower, two further copies of such documentation. Notwithstanding anything to the contrary, an Agent is not required to provide any documentation that it is not legally eligible to provide as a result of any change in Requirements of Law occurring after the date hereof.

(f) If any Lender or the Administrative Agent, as applicable, determines, in its sole discretion, that it has received a refund of an Indemnified Tax or Other Tax for which a payment has been made by a Loan Party pursuant to this Agreement or any other Loan Document, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Loan Party, then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in its sole discretion to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; provided, that the Loan Party, upon the request of the Lender or the Administrative Agent agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party in connection with this clause (f) or any other provision of this Section 2.17.

(g) If the Borrower determines that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts or indemnification payments, each affected Lender or Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request in challenging such Tax. The Borrower shall indemnify and hold each Lender and Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by the Borrower pursuant to this Section 2.17(g). Nothing in this Section 2.17(g) shall obligate any Lender or Agent to take any action that such person, in its sole judgment, determines may result in a material detriment to such person.

(h) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent two Internal Revenue Service Forms W-9 (or substitute or successor form), properly completed and duly executed, certifying that such U.S. Lender is exempt from United States federal backup withholding (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete or invalid, (iii) after the occurrence of a change in the U.S. Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(i) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(i), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(j) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable Requirement of Law" includes FATCA.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of L/C Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from any Loan Party (or proceeds from any Collateral) following an acceleration of the Obligations under this Agreement or any Event of Default under Section 7.01(h) or (i), to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees and other Obligations then due from the Borrower hereunder, such funds shall be applied, subject to any applicable intercreditor agreement: first, ratably, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, the Collateral Agent or any Issuing Bank from the Borrower (other than in connection with obligations in respect of Secured Cash Management Agreements or Secured Hedge Agreements); second, ratably, to pay interest due and payable in respect of any unreimbursed L/C Disbursements, Protective Advances and Overadvances; third, ratably to pay principal of unreimbursed L/C Disbursements, Protective Advances and Overadvances; fourth, ratably, to pay any fees, indemnities or expense reimbursements then due to the Lenders from the Borrower (other than in connection with obligations in respect of Secured Cash Management Agreements or Secured Hedge Agreements); fifth, ratably, to pay interest due and payable in respect of any Revolving Loans; sixth, ratably, to pay principal of Swingline Loans and Revolving Loans (other than Protective Advances and Overadvances) then due from the Borrower hereunder and any Pari Passu Secured Hedge Obligations and to Cash Collateralize Revolving L/C Exposure in accordance with the procedures set forth in Section 2.05(j); seventh, ratably, to the payment of any obligations in respect of Secured Cash Management Agreements and any other Secured Hedge Agreements that do not constitute Pari Passu Secured Hedge Obligations; eighth, ratably, to the payment of any other ~~Secured~~ Obligations due to the Agents or any Lender by the Borrower; and ninth, to the Borrower or as the Borrower shall direct.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Revolving Loans or participations in L/C Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in L/C Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender entitled to receive the same proportion of such payment, then the Lender receiving such greater proportion shall purchase participations in the Revolving Loans and participations in L/C Disbursements and Swingline Loans of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the principal amount of each such Lender's respective Revolving Loans and participations in L/C Disbursements and Swingline Loans and accrued interest thereon vis-à-vis the aggregate principal amount of all such Lenders' Revolving Loans and participations in L/C Disbursements and Swingline Loans and the aggregate accrued interest thereon; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Disbursements to any assignee or participant. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.05(d) or (e), 2.06(b) or (c), 2.18(d) or 2.21, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, the

Swingline Lender and the Issuing Bank, which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders (or, if such amendment waiver by its terms requires the consent of the Super Majority Lenders, the Super Majority Lenders) shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrower's request) assign its Loans and its Commitments (or, at the Borrower's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver, discharge or termination) hereunder to one or more assignees reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Bank (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (a) all Loan Obligations of the Borrower owing to such Non-Consenting Lender (including accrued Fees and any amounts due under Section 2.15, 2.16 or 2.17) being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and (c) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 one Business Day after the Borrower's request , compliance with Section 9.04 shall not be required to effect such assignment.

Section 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21 Incremental Commitments.

(a) The Borrower may, after the Closing Date, by written notice to the Administrative Agent from time to time, request Incremental Revolving Commitments in an amount not to exceed the Incremental Amount at the time such Incremental Revolving Commitments are established from one or more Incremental Revolving Lenders (which may include any existing Lender) willing to provide such Incremental Revolving Commitments in their own discretion; provided, that each Incremental Revolving Lender shall be subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld) unless such Incremental Revolving Lender is a Lender, an Affiliate of a Lender or an Approved Fund. Such notice shall set forth (i) the amount of the Incremental Revolving Commitments being requested (which shall be in minimum increments of $1,000,000 and a minimum amount of $5,000,000 or equal to the remaining Incremental Amount) and (ii) the date on which such Incremental Revolving Commitments are requested to become effective (the "Increased Amount Date"). All Incremental Revolving Commitments shall be commitments to make additional Revolving Loans (such additional Revolving Loans, the "Incremental Revolving Facility Loans") on the same terms as (and having the same guarantees as and ranking pari passu in right of payment and of security with), and forming a single Class with, the Revolving Loans made pursuant to the Commitments in effect on the Closing Date (the "Initial Revolving Facility Loans") or a then existing Class of Extended Revolving Commitments.

(b) The Borrower and each Incremental Revolving Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Revolving Commitment of such Incremental Revolving Lender. Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence of the Incremental Revolving Commitments evidenced thereby as provided for in Section 9.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, to the extent required by the relevant Incremental Assumption Agreement, the conditions set forth in clauses (b) and (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Borrower and (ii) the Administrative Agent shall have received customary legal opinions, board resolutions and other customary closing certificates and documentation as required by the relevant Incremental Assumption Agreement and, to the extent required by the Administrative Agent, consistent with those delivered on the Closing Date and such additional customary documents and filings (including amendments to the Mortgages and other Security Documents and title endorsement bringdowns) as the Administrative Agent may reasonably request to assure that the Loans in respect of Incremental Commitments are secured by the Collateral ratably with one or more Classes of the then existing Loans.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all Loans in respect of Incremental Commitments, when originally made, are included in each Borrowing of outstanding Revolving Facility Loans on a pro rata basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section 2.21), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Revolving Commitments, on a pro rata basis (based on the aggregate outstanding Revolving Commitments under such Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrower is hereby permitted to consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Commitments of such Class and to otherwise modify the terms of such Lender's Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including without limitation increasing the interest rate or fees payable in respect of such Lender's Commitments). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, in the case of an offer to the Lenders under any Class of Revolving Commitments, that all of the Revolving Commitments of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "Extension") agreed to between the Borrower and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Incremental Commitment for such Lender (such extended Revolving Commitment, an "Extended Revolving Commitment", and the Revolving Loans made thereunder "Extended Revolving Loans"). Each Pro Rata Extension Offer shall specify the date on which the Borrower proposes that the Extended Revolving Commitment shall be extended, which shall be a date not earlier than five Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(f) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Revolving Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Revolving Commitments; provided, that (i) except as to fees (which fees shall be determined by the Borrower and set forth in the Pro Rata Extension Offer), any Extended Revolving Commitment shall have (x) the same terms as an existing Class of Revolving Commitments or (y) have such other terms as shall be reasonably satisfactory to the Administrative Agent and (ii) any Extended Revolving Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Revolving Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Commitments, and with the consent of each Swingline Lender and Issuing Bank, participations in Swingline Loans and Letters of Credit shall be reallocated to lenders holding such Extended Revolving Commitments in the manner specified in such Incremental Assignment Agreement, including upon effectiveness of such Extended Revolving Commitment or upon or prior to the maturity date for any Class of Revolving Commitment.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Revolving Commitment will be automatically designated an Extended Revolving Commitment. For purposes of this Agreement and the other Loan Documents, such Extending Lender will be deemed to have an Incremental Commitment having the terms of such Extended Revolving Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Extended Revolving Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Revolving Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend all or any portion of its Revolving Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Revolving Commitment), (iv) there shall be no condition to any Extension of any Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Revolving Commitment implemented thereby pursuant to the applicable Incremental Assumption Agreement, (v) all Extended Revolving Commitments and all obligations in respect thereof shall be Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents and (vi) no Issuing Bank or Swingline Lender shall be obligated to provide Swingline Loans or issue Letters of Credit under such Extended Revolving Commitments unless it shall have consented thereto.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided, that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

Section 2.22 Defaulting Lender.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders or Super Majority Lenders, as applicable.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder, third, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(j), fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement, and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j), sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Banks or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) *Certain Fees*.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank and the Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's or the Swingline Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) *Reallocation of Participations to Reduce Fronting Exposure*. All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata Commitments (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.01 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 9.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) *Cash Collateral, Repayment of Swingline Loans*. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within one (1) Business Day following the written request of the (i) Administrative Agent or (ii) the Swingline Lender or any Issuing Bank, as applicable (with a copy to the Administrative Agent),

(vi) (x) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure and (y) second, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Swingline Lender and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of

the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Revolving Loans of the other Lenders or take such actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with their Revolving Commitments (without giving effect to Section 2.22(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swingline Loans / Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) the Issuing Banks shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

ARTICLE III

Representations and Warranties

On the Effective Date (with respect to Holdings only, and only with respect to the representations and warranties of Holdings set forth in Sections 3.01(a) and (d), 3.02(a) and (b)(i)(B), 3.03, 3.11, 3.22, the final sentence of 3.25(b) and the final sentence of 3.26), on the Closing Date, and on the date of each Credit Event, the Borrower (or in the case of representations and warranties made on the Effective Date, Holdings) represents and warrants to each of the Lenders that:

(j) Except as set forth in Schedule 5.10 (which, for the avoidance of doubt, shall override the applicable clauses of the definition of "Collateral and Guarantee Requirement" for the purposes of this Section 4.03) and subject to the grace periods and post-closing periods set forth in such definition, the Collateral and Guarantee Requirement shall be satisfied (or waived) as of the Closing Date.

(k) The Administrative Agent shall have received no later than the day before the Closing Date all documentation and other information required by Section 3.25(a), to the extent such information has been requested not less than ten (10) Business Days prior to the Closing Date.

For purposes of determining compliance with the conditions specified in this Section 4.03, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to the Lenders unless an officer of the Administrative Agent responsible for the transactions contemplated by the Loan Documents shall have received notice from such Lender prior to the Closing Date specifying its objection thereto.

ARTICLE V

Affirmative Covenants

The Borrower covenants and agrees with each Lender that, from and after the Closing Date and until the Termination Date, unless the Required Lenders shall otherwise consent in writing, the Borrower will, and will cause each of the Subsidiaries to:

Section 5.01 Existence; Business and Properties.

(a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of the Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise permitted under Section 6.05, and except for the liquidation or dissolution of Subsidiaries if the assets of such Subsidiaries to the extent they exceed estimated liabilities are acquired by the Borrower or a Wholly Owned Subsidiary of the Borrower in such liquidation or dissolution; provided, that Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries (except in each case as permitted under Section 6.05).

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, Intellectual Property, licenses and rights with respect thereto necessary to the normal conduct of its business, and (ii) at all times maintain, protect and preserve all property necessary to the normal conduct of its business and keep such property in good repair, working order and condition (ordinary wear and tear excepted), from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as permitted by this Agreement).

Section 5.02 Insurance.

(a) Maintain, with financially sound and reputable insurance companies, insurance (subject to customary deductibles and retentions) in such amounts and against such risks as are customarily maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations, cause the Collateral Agent to be listed as a co-loss payee on property and casualty policies and as an additional insured on liability policies. Notwithstanding the foregoing, the Borrower and the Subsidiaries may self-insure with respect to such risks with respect to which companies of established reputation engaged in the same general line of business in the same general area usually self-insure.

(b) Except as the Collateral Agent may agree in its reasonable discretion, cause all such property and casualty insurance policies to be endorsed or otherwise amended to include a "standard" or "New York" lender's loss payable endorsement, in form and substance reasonably satisfactory to the Collateral Agent, deliver a certificate of an insurance broker to the Collateral Agent; cause each such policy covered by this clause (b) to provide that it shall not be cancelled or not renewed upon less than 30 days' prior written notice thereof by the insurer to the Collateral Agent; deliver to the Collateral Agent, prior to or concurrently with the cancellation or nonrenewal of any such policy of insurance covered by this clause (b), a copy of a renewal or replacement policy (or other evidence of renewal of a policy previously delivered to the Collateral Agent), or insurance certificate with respect thereto, together with evidence satisfactory to the Collateral Agent of payment of the premium therefor, in each case of the foregoing, to the extent customarily maintained, purchased or provided to, or at the request of, lenders by similarly situated companies in connection with credit facilities of this nature.

(c) If any portion of any Mortgaged Property is at any time located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a special flood hazard area (each a "Special Flood Hazard Area") with respect to which flood insurance has been made available under the National Flood Insurance Act of 1968 (as now or hereafter in effect or successor act thereto), (i) maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) deliver to the Collateral Agent evidence of such compliance in form and substance reasonably acceptable to the Collateral Agent.

(d) In connection with the covenants set forth in this Section 5.02, it is understood and agreed that:

(i) none of the Collateral Agent, the Lenders, the Issuing Bank and their respective agents or employees shall be liable for any loss or damage insured by the insurance policies required to be maintained under this Section 5.02, it being understood that (A) the Loan Parties shall look solely to their insurance companies or any other parties other than the aforesaid parties for the recovery of such loss or damage and (B) such insurance companies shall

have no rights of subrogation against the Collateral Agent, the Lenders, any Issuing Bank or their agents or employees. If, however, the insurance policies, as a matter of the internal policy of such insurer, do not provide waiver of subrogation rights against such parties, as required above, then each of Holdings and the Borrower, on behalf of itself and on behalf of each of its Subsidiaries, hereby agrees, to the extent permitted by law, to waive, and further agrees to cause each of their Subsidiaries to waive, its right of recovery, if any, against the Collateral Agent, the Lenders and their agents and employees;

(ii) the designation of any form, type or amount of insurance coverage by the Collateral Agent (including acting in the capacity as the Collateral Agent) under this Section 5.02 shall in no event be deemed a representation, warranty or advice by the Collateral Agent or the Lenders that such insurance is adequate for the purposes of the business of Holdings, the Borrower and the Subsidiaries or the protection of their properties; and

(iii) the amount and type of insurance that the Borrower and its Subsidiaries has in effect as of the Closing Date satisfies for all purposes the requirements of this Section 5.02.

(e) within 90 days (or such later date as the Administrative Agent may agree in its reasonable discretion) after the beginning of each fiscal year (commencing with the fiscal year ending December 31, 2019), a consolidated annual budget for such fiscal year consisting of a projected consolidated balance sheet of the Borrower and its Subsidiaries as of the end of the following fiscal year and the related consolidated statements of projected cash flow and projected income (collectively, the "Budget"), which Budget shall in each case be accompanied by the statement of a Financial Officer of the Borrower to the effect that the Budget is based on assumptions believed by the Borrower to be reasonable as of the date of delivery thereof;

Any Collateral Audit conducted at the request of the Borrower in connection with a Material Increase Acquisition shall count as a Collateral Audit for purposes of the preceding sentence if such Collateral Audit is not primarily limited in scope to the assets acquired in such Material Increase Acquisition. The Borrower agrees to reimburse the Administrative Agent for its actual and documented out-of-pocket costs and expenses reasonably incurred in connection with the Collateral Audits referred to in this clause (b).

(l) (i) any Loan Document shall for any reason be asserted in writing by Holdings (prior to a Qualified IPO of the Borrower), the Borrower or any Subsidiary Loan Party not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Borrower or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities

pledged under the Collateral Agreement or to file Uniform Commercial Code continuation statements or take the actions described on Schedule 3.04 and except to the extent that such loss is covered by a lender's title insurance policy and the Collateral Agent shall be reasonably satisfied with the credit of such insurer, or (iii) a material portion of the Guarantees pursuant to the Security Documents by Holdings (prior to a Qualified IPO of the Borrower) or the Subsidiary Loan Parties guaranteeing the Obligations shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by Holdings (prior to a Qualified IPO of the Borrower) or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof); provided, that no Event of Default shall occur under this Section 7.01(l) if the Loan Parties cooperate with the Collateral Agent to replace or perfect such security interest and Lien, such security interest and Lien is replaced and the rights, powers and privileges of the Secured Parties are not materially adversely affected by such replacement;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans have been declared due and payable pursuant to clause (ii) above, demand Cash Collateral pursuant to Section 2.05(j); and in any event with respect to the Borrower described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails (or, but for the operation of this Section 7.02, would fail) to comply with the requirements of the Financial Performance Covenant, until the expiration of the 10th Business Day subsequent to the date the certificate calculating such Financial Performance Covenant is required to be delivered pursuant to Section 5.04(c), the Borrower shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions (collectively, the "Cure Right"), and upon the receipt by the Borrower of such cash (the "Cure Amount") pursuant to the exercise by the Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDAR shall be increased with respect to such applicable quarter (and, for the avoidance of doubt, no effect shall be given to any pro forma reduction to Indebtedness for such

applicable quarter resulting from the repayment thereof with the proceeds of such Permitted Cure Securities) and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this greement, by an amount equal to the Cure Amount; provided, that (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) the Cure Right shall not be exercised more than five times and (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant. If, after giving effect to the adjustments in this Section 7.02, the Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

Section 7.03 Treatment of Certain Payments. Any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrower under Section 7.01(h) or (i), in each case that is continuing, shall be applied in accordance with clauses first through ninth in Section 2.18(b).

ARTICLE VIII

The Agents

Section 8.01 Appointment.

(a) Each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or Issuing Bank's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02 Delegation of Duties. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects with reasonable care.

Section 8.03 Exculpatory Provisions. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful

misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.04 Reliance by Agents . Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem

and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05 Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07 Indemnification. The Lenders agree to indemnify each Agent and each Issuing Bank, in each case in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of such person to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank thereunder and the aggregate principal amount of Swingline Loans owing to the Swingline Lender shall be considered to be owed to the Revolving Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or such Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or any Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or such Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or such Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit or Swingline Loan participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent and Collateral Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent and Collateral Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or

delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and Collateral Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10 Arranger and Syndication Agent. Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the persons named on the cover page hereof as Bookrunner, Lead Arranger or Syndication Agent is named as such for recognition purposes only, and in its capacity as such shall have no rights, duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document, except that each such person and its Affiliates shall be entitled to the rights expressly stated to be applicable to them in Sections 9.05 and 9.17 (subject to the applicable obligations and limitations as set forth therein).

Section 8.11 Security Documents and Collateral Agent Under Security Documents and Guarantees. The Lenders authorize the Collateral Agent to release any Collateral or Guarantors in accordance with Section 9.18.

The Lenders hereby irrevocably authorize and instruct the Collateral Agent to, without any further consent of any Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Permitted Intercreditor Agreement or any other intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral that is permitted (including with respect to priority) under this Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The Lenders and the other Secured Parties by acceptance of the security granted under the Security Documents irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted and (y) any intercreditor agreement referred to in the foregoing sentence, entered into by the Collateral Agent, shall be binding on the Secured Parties, and each Lender and each other Secured Party by acceptance of the security granted under the Security Documents hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Permitted Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions. Furthermore, the Lenders (including in their capacities as potential Cash Management Banks and potential Hedge Banks) and the other Secured Parties by acceptance of the security granted under

the Security Documents hereby authorize the Administrative Agent and the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by clauses (c), (i), (j), (ii) and (ll) of Section 6.02 or Section 6.02(a) (if the Liens thereunder are of a type that is contemplated by any of the foregoing clauses) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property, and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower; provided, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent a certificate of a Responsible Officer of the Borrower certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that (A) such property is or has become Excluded Property and (B) if such property has become Excluded Property as a result of a contractual restriction, such restriction does not violate Section 6.09(c) and, if any restriction referred to in this clause (B) relates to property other than cash, Permitted Investments or joint venture interests, such restriction either existed at the time such property was acquired (and was not created in contemplation of such acquisition) or was permitted by Section 6.09(c)(Q).

Section 8.12 Right to Realize on Collateral and Enforce Guarantees. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers,

rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (b) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

Section 8.13 Secured Hedge Obligations.

(a) The Borrower and any Hedge Bank (the "Secured Hedge Counterparty") may from time to time designate the Hedging Agreement to which they are parties as being a "Secured Hedge Agreement" upon written notice (a "Designation Notice") to the Administrative Agent from the Borrower and the Secured Hedge Counterparty, in form reasonably acceptable to the Administrative Agent, which Designation Notice shall include (i) a description of such Hedging Agreement and (ii) the maximum amount (expressed in Dollars) of the Hedge Termination Value thereunder, if any, that is elected by the Borrower and the Secured Hedge Counterparty to constitute "Pari Passu Secured Hedge Obligations" and as to which an equal Reserve shall be taken against the Borrowing Base (each, a "Designated Pari Passu Amount" and the Obligations under such Secured Hedge Agreement (to the extent of such Designated Pari Passu Amount), "Pari Passu Secured Hedge Obligations"); provided that no such Designation Notice shall be effective and no such Designated Pari Passu Amount with respect to any Hedging Agreement shall constitute Pari Passu Secured Hedge Obligations (and no such Reserve shall be established by the Administrative Agent in connection therewith) to the extent that, at the time of delivery of the applicable Designation Notice and after giving effect to such Designated Pari Passu Amount (including to the Reserve for Pari Passu Secured Hedge Obligations to be established by the Administrative Agent in connection therewith), the Availability would be less than zero.

(b) The Borrower and the applicable Secured Hedge Counterparty may increase, decrease or terminate any Designated Pari Passu Amount in respect of a Hedging Agreement upon written notice to the Administrative Agent, in which case the Administrative Agent shall promptly make a corresponding adjustment to the reserve against the Borrowing Base with respect thereto; provided that any increase in a Designated Pari Passu Amount shall be deemed to be a new designation of a Designated Pari Passu Amount pursuant to a new Designation Notice and shall be subject to the limitations set forth in Section 8.13(a). For the avoidance of doubt, Obligations under any Hedging Agreement designated pursuant to this Section 8.13 in excess of the applicable Designated Pari Passu Amount shall constitute Obligations under a Secured Hedge Agreement but shall be entitled to a lesser priority of payment as set forth in Section 2.18(b).

Section 8.14 Withholding Tax . To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.14.

Section 8.15 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and ~~the Arranger and their respective Affiliates, and~~ not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(ii) if to any other Lender or Issuing Bank, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including electronic mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided, that the foregoing shall not apply to notices to any Lender or the Issuing Bank pursuant to Article II if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto, on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by facsimile or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto (and shall become effective with respect to the Borrower upon the Administrative Agent's receipt of the Borrower's joinder hereto), and thereafter shall be binding upon and inure to the benefit of Holdings, upon its joinder hereto, the Borrower, the Administrative Agent, each Issuing Bank and each Lender and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower, which consent will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after its receipt of any request for such consent; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or in the case of assignments during the primary syndication of the Commitments and Loans to persons identified to and agreed by the Borrower in writing prior to the Closing Date, or, if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan or Commitment to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the Swingline Lender and each Issuing Bank.

conditions:

(ii) Assignments shall be subject to the following additional

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date on which the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) the Assignee shall not be the Borrower or any of the Borrower's Affiliates or Subsidiaries.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of the Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person (or a holding company, investment vehicle or trust for, or owned by or for the primary benefit of, a single natural person). Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under

this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections)); provided, that an Assignee shall not be entitled to receive any greater payment pursuant to Section 2.17 than the applicable Assignor would have been entitled to receive had no such assignment occurred. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank, the Swingline Lender and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank, the Swingline Lender and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section, if applicable, and any written consent to such assignment required by clause (b) of this Section and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its applicable Commitment, and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of any Loan Party or any of its subsidiaries or the

performance or observance by any Loan Party or any of its subsidiaries of any of such person's obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.04, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) the Assignee will independently and without reliance upon the Agents, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) the Assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such Agent, by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and (vii) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities other than any Ineligible Institution (to the extent that the list of Ineligible Institutions has been made available to all Lenders) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clause (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (e)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; provided, that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form for U.S. federal income tax purposes or is otherwise required by applicable law. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which consent shall state that it is being given pursuant to this Section 9.04(d)(iii); provided, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08. Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any Lender or any Issuing Bank hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans; provided, that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Section 9.05 Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or the Collateral Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable fees, charges and disbursements of Cahill

Gordon & Reindel LLP, counsel to the Administrative Agent, the Collateral Agent and the Arranger, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld), of another firm of such for such affected person).

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, the Arranger, the Bookrunner, each Issuing Bank, each Lender, each of their respective Affiliates and each of their respective directors, officers, employees, agents and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit, (iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties, (y) arose from a material breach of such Indemnitee's or any of its Related Parties' obligations under any Loan Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or (z) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent or an Arranger, in its capacity as such). None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Fund, Holdings, the Borrower or any of their respective subsidiaries,

Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of Holdings (prior to a Qualified IPO), the Borrower or any Subsidiary against any of and all the obligations of Holdings (prior to a Qualified IPO) or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the

benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Agents, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agents, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in ~~Section~~Sections 2.14 and 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings (prior to a Qualified IPO), the Borrower and the Required Lenders, and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Agents and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the applicable Maturity Date (except as provided in Section 2.05(c)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that any amendment pursuant to Section 2.14 or any amendment to the definitions of "Borrowing Base", "Availability" and the related definitions and the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees or L/C Participation Fees of any Lender, without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender,

(iii) extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(iv) amend the provisions of Section 7.03 (including clauses first through ninth of Section 2.18(b) as used in Section 7.03) in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders", "Super Majority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders and the Super Majority Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date), except as provided in Section 9.08(e),

(vi) release all or substantially all of the Collateral, or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Guarantee Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender, or

(vii) change the definition of the term "Borrowing Base" or any component definition thereof if as a result thereof the amounts available to be borrowed by the Borrower would be increased (provided, that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves without the prior written consent of any Lenders), in each case without the prior written consent of the Super Majority Lenders;

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or an Issuing Bank hereunder without the prior written consent of the Administrative Agent, the Collateral Agent or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender or any Issuing Bank, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) [Reserved].

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Agents (but without the consent of any Lender) to the extent necessary (A) to cure any ambiguity, omission, defect or inconsistency or (B) to integrate any Incremental Revolving Commitments in a manner consistent with Section 2.21, including, with respect to Extended Revolving Loans, as may be necessary to establish such Extended Revolving Loans as a separate Class or tranche from the existing Loans or Commitments. The Administrative Agent and the Borrower shall modify the Loan Documents to include the commitments to make such Extended Revolving Loans (and any letter of credit and swingline exposure thereunder) in the definition of Required Lenders and Super Majority Lenders on substantially the same basis as the Loans are included on the Closing Date.

(f) With respect to the incurrence of any secured or unsecured Indebtedness (including any intercreditor agreement relating thereto), the Borrower may elect (in its discretion, but shall not be obligated) to deliver to the Administrative Agent a certificate of a Responsible Officer at least three Business Days prior to the incurrence thereof (or such shorter time as the Administrative Agent may agree), together with either drafts of the material

documentation relating to such Indebtedness or a description of such Indebtedness (including a description of the Liens intended to secure the same or the subordination provisions thereof, as applicable) in reasonably sufficient detail to be able to make the determinations referred to in this paragraph, which certificate shall either, at the Borrower's election, (x) state that the Borrower has determined in good faith that such Indebtedness satisfies the requirements of the applicable provisions of Sections 6.01 and 6.02 (taking into account any other applicable provisions of this Section 9.08), in which case such certificate shall be conclusive evidence thereof, or (y) request the Administrative Agent to confirm, based on the information set forth in such certificate and any other information reasonably requested by the Administrative Agent, that such Indebtedness satisfies such requirements, in which case the Administrative Agent may determine whether, in its reasonable judgment, such requirements have been satisfied (in which case it shall deliver to the Borrower a written confirmation of the same), with any such determination of the Administrative Agent to be conclusive evidence thereof, and the Lenders hereby authorize the Administrative Agent to make such determinations.

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process. (a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender, or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(a) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(b) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16 Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, any Parent Entity, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, any Parent Entity, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to Holdings, any Parent Entity, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16).

Section 9.17 Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Arranger will make available to the Lenders and the Issuing Bank materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information (or, in the case of a company that is not a public-reporting company, material information of a type that would not be reasonably expected to be publicly available if such company were a public-reporting company) with respect to Holdings, the Borrower or its Subsidiaries or any of their respective securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear

prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Arranger, the Issuing Bank and the Lenders to treat such Borrower Materials as solely containing information that is either (A) of a type that would reasonably be expected to be publicly available information if Holdings or the Borrower were a public reporting company or (B) not material (although it may be sensitive and proprietary) with respect to Holdings, the Borrower or its Subsidiaries or any of their respective securities for purposes of United States Federal and state securities laws (provided, however, that such Borrower Materials shall be treated as set forth in Section 9.16, to the extent such Borrower Materials constitute information subject to the terms thereof), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Arranger shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18 Release of Liens and Guarantees.

(a) The Lenders and the Issuing Banks hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released: (i) in full upon the occurrence of the Termination Date as set forth in Section 9.18(d) below; (ii) upon the Disposition of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Guarantee Agreement or clause (b) below (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vi) as provided in Section 8.11 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) and (vii) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, (i) the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Subsidiary Loan Party or otherwise becoming an Excluded Subsidiary (and the Collateral Agent may rely conclusively

on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) and (ii) immediately prior to the consummation of a Qualified IPO of the Borrower, the Guarantee incurred by Holdings of the Obligations shall automatically terminate and Holdings shall be released from its obligations under the Loan Documents, shall cease to be a Loan Party and any Liens created by any Loan Documents on any Equity Interests or other assets owned by Holdings shall automatically be released (unless the Borrower shall elect in its sole discretion that such release of Holdings shall not be effected).

(c) The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18, all without the further consent or joinder of any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimburse claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interest in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Obligations of the Borrower or any of the Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

Section 9.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other person who may be entitled thereto under applicable law).

Section 9.20 USA PATRIOT Act Notice Etc. Each Lender that is subject to the USA PATRIOT Act and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.21 Agency of the Borrower for the Loan Parties. Each of the other Loan Parties hereby appoints the Borrower as its agent for all purposes relevant to this Agreement and the other Loan Documents, including the giving and receipt of notices and the execution and delivery of all documents, instruments and certificates contemplated herein and therein and all modifications hereto and thereto.

Section 9.22 Acknowledgement and Consent to Bail-In of ~~EEA~~Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any ~~EEA~~Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of ~~an EEA~~the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by ~~an EEA~~the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an ~~EEA~~Affected Financial Institution; and

(b) the effects of any Bail-~~in~~In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such ~~EEA~~Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of ~~any EEA~~the applicable Resolution Authority.

Section 9.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes

subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

For the purposes of this Section 9.23:

"BHC Act Affiliate" of a party means an "affiliate' (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

(2) for purposes of clause (3) of the definition of "Benchmark Replacement," the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by (y) so long as the Initial Lender is a Lender, the Initial Lender and (z) otherwise, the Required Lenders and the Borrower, in each case, for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities;

The Required Lenders shall cooperate in good faith with the Administrative Agent so that the Administrative Agent may determine such Benchmark Replacement Conforming Changes.

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the date of the public statement or publication of information referenced therein; or

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer representative.

For the avoidance of doubt, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Unavailability Period" means the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.10 and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.10.

(vi) Loyalty Revenue Advance Transactions. Within three (3) Business Days of the receipt by the Parent or any of its Subsidiaries of any Net Proceeds from a Loyalty Revenue Advance Transaction, which Net Proceeds, together with the aggregate amount of Net Proceeds previously received from Loyalty Revenue Advance Transactions during the term of this Agreement, are in excess of an amount equal to the greater of (x) $750,000 and (y) 10% of the aggregate amount of Collateral Cash Flow received during the most recently ended DSCR Test Period that has been deposited into a Collateral Account, the Borrower shall prepay the Loans in an amount equal to 100% of such excess Net Proceeds.

(vii) Payment Events.

(A) The Loans shall be required to be repaid if the Debt Service Coverage Ratio with respect to any DSCR Determination Date is less than 1.50 to 1.00 or 1.25 to 1.00, as the case may be, as set forth in Section 6.17(c).

(B) After the occurrence and during the continuation of an Event of Default, the Loans shall be repaid in an amount equal to 100% of all Loyalty Program Revenue received thereafter, and the Parent and the Subsidiaries shall wire transfer daily such Loyalty Program Revenue to the Payment Account (from the Collection Account or otherwise) with all such amounts deposited into the Payment Account to be applied to the prepayment of any Loans then outstanding.

(C) If at any time (x) any Material Loyalty Program Agreement has a remaining term of less than two and a half (2.5) years (after giving effect to any Extension Agreement) or (y) Loyalty Program Agreements representing 90% of Loyalty Program Revenues (excluding revenues generated under any Loyalty Subscription Program) in the aggregate over the immediately preceding twelve (12) calendar month period then ended have remaining terms of less than two and a half (2.5) years (after giving effect to any Extension Agreement) (a "Term Trigger Event") and such Term Trigger Event is continuing, then the Loans shall be repaid in an amount equal to 100% of all Loyalty Program Revenue received thereafter and the Parent and the Subsidiaries shall wire transfer daily such Loyalty Program Revenue to the Payment Account (from the Collection Account or otherwise) with all such amounts deposited into the Payment Account to be applied to the prepayment of any Loans then outstanding.

(c) Notices. Each such notice pursuant to this Section shall be in the form of a written Prepayment Notice, appropriately completed and signed by a Responsible Officer of the Borrower, and must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) three (3) Business Days before the date of prepayment (which delivery may initially be by electronic communication including fax or email and shall be followed by an original authentic counterpart thereof). Each Prepayment Notice shall specify (x) the prepayment date and (y) the principal amount of the Loans or portion thereof to be prepaid. Each Prepayment Notice shall be irrevocable.

(d) Payments. Any prepayment of the Loans pursuant to this Section 2.06 shall be accompanied by accrued interest on the principal amount prepaid as set forth in Section 2.09(c).

SECTION 2.07 Reduction and Termination of Commitments. The Initial Lender's Commitment shall automatically and permanently be reduced by the amount of any Borrowing of a Loan. The Borrower may, upon not less than three (3) Business Days' notice to the Initial Lender and the Administrative Agent, terminate the Commitment or, from time to time, reduce the Commitment. Any such reduction in the Commitment shall be in an amount equal to $1,000,000 or a whole multiple thereof, and shall permanently reduce the Commitment.

SECTION 2.08 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Lenders the aggregate principal amount of all Loans outstanding on the Maturity Date.

SECTION 2.09 Interest.

(a) Interest Rates. Subject to paragraph (b) of this Section, the Loans shall bear interest at a rate per annum equal to the Adjusted LIBO Rate plus the Applicable Rate plus the Additional Tax Payer Protection Rate.

(b) Default Interest. If any amount payable by the Borrower under this Agreement or any other Loan Document (including principal of any Loan, interest, fees and other amount) is not paid when due, whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a rate per annum equal to the applicable Default Rate. Upon the request of the Required Lenders, while any Event of Default exists, the Borrower shall pay interest on the principal amount of all Loans outstanding hereunder at a rate per annum equal to the applicable Default Rate.

(c) Payment Dates. Accrued interest on each Loan shall be payable in cash in arrears on or before 12:00 noon (New York City time) on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that (i) interest accrued pursuant to paragraph (b) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (including mandatory prepayments under Section 2.06(b)), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) any PIK Interest Amount may be paid in kind in accordance with Section 2.09(e).

(d) Interest Computation. All interest hereunder shall be computed on the basis of a year of three hundred sixty (360) days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(e) Payment of Interest in Kind. By written notice to the Administrative Agent at least thirty (30) days prior to each Interest Payment Date, the Borrower may elect to pay all of the PIK Interest Amount in respect of such Interest Payment Date in cash on such Interest Payment Date. If the Borrower does not elect to pay any such PIK Interest Amount in cash as set forth in this clause, such PIK Interest Amount shall be paid by increasing the principal amount of the Loan by an amount equal to such PIK Interest Amount as of the applicable Interest Payment Date.

SECTION 2.10 Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, as notified by the Required Lenders to the Administrative Agent in writing, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders and the Administrative Agent by the Required Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document, so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent (after consultation with the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Initial Lender or the Required Lenders, as the case may be, will promptly notify the Administrative Agent, which will then promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (d) below and (iv) the commencement or conclusion of any Benchmark Unavailability Period. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by any Lender (or group of Lenders) or the Administrative Agent, if applicable, pursuant to this Section 2.10 including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.10. Notwithstanding anything in this Agreement to the contrary, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, any determination made by it in connection with the adoption of Benchmark Replacement Conforming Changes or for the impact of such Benchmark Replacement Conforming Changes, nor for the failure to adopt any Benchmark Replacement Conforming Changes due to the failure of the Required Lenders to cooperate in good faith in connection with the determination of any Benchmark Replacement Conforming Changes.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or USD LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the definition of "Interest Period" may be modified for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) used by the Administrative Agent or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the definition of "Interest Period" may be modified for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. During any Benchmark Unavailability Period, all calculations of interest by reference to a LIBO Rate hereunder shall instead be made by reference to the Alternate Base Rate.

SECTION 2.11 Evidence of Debt.

(a) Maintenance of Records. The Administrative Agent shall maintain the Register in accordance with Section 11.04(c). The entries made in the records maintained pursuant to this paragraph (a) shall be prima facie evidence absent manifest error of the existence and amounts of the obligations recorded therein. Any failure of the Administrative Agent to maintain such records or make any entry therein or any error therein shall not in any manner affect the obligations of the Borrower under this Agreement and the other Loan Documents.

(b) Promissory Notes. The Borrower shall prepare, execute and deliver to such Lender a promissory note of the Borrower payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in the form attached as Exhibit C hereto, which shall evidence such Lender's Loan.

SECTION 2.12 Payments Generally.

(a) Payments by Borrower. All payments to be made by the Borrower hereunder and the other Loan Documents shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all such payments shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, to the Administrative Account in immediately available funds not later than 12:00 noon (New York City time) on the date specified herein. All amounts received by a Lender or the Administrative Agent after such time on any date shall be deemed to have been received on the next succeeding Business Day and any applicable interest or fees shall continue to accrue. The Administrative Agent will promptly distribute to each Lender its ratable share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's applicable lending office (or otherwise distribute such payment in like funds as received to the Person or Persons entitled thereto as provided herein). If any payment to be made by the Borrower shall fall due on a day that is not a Business Day, payment shall be made on the next succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be; provided that, if such next succeeding Business Day would fall after the Maturity Date, payment shall be made on the immediately preceding Business Day. Except as otherwise expressly provided herein, all payments hereunder or under any other Loan Document shall be made in Dollars.

(b) Application of Insufficient Payments. Subject to Section 7.02, if at any time insufficient funds are received by and available to the Lenders or the Administrative Agent to pay fully all amounts of principal, interest, fees and other amounts then due hereunder, such funds shall be applied (i) first, to pay interest, fees and other amounts then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest, fees and other amounts then due to such parties, and (ii) second, to pay principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, but shall not be obligated to, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Notwithstanding the foregoing, the Administrative Agent is not required to make any payment to the Lenders until it is in possession of cleared funds from the Borrower.

(d) Deductions by Administrative Agent. If any Lender (other than the Initial Lender) shall fail to make any payment required to be made by it pursuant to Section 2.13 or 11.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for

the benefit of the Administrative Agent to satisfy such Lender's obligations to the Administrative Agent until all such unsatisfied obligations are fully paid or (ii) hold any such amounts in a segregated account as cash collateral for, and for application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

(e) Several Obligations of Lenders. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 11.03(c) are several and not joint. The failure of any Lender to make any Loan or to make any such payment on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 11.03(c).

SECTION 2.13 Sharing of Payments. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this paragraph shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

SECTION 2.14 Compensation for Losses. In the event of (a) the payment of any principal of the Loans other than on the last day of an Interest Period (including as a result of an Event of Default), (b) the failure to borrow or prepay the Loans (or any portion thereof) on the date specified in any notice delivered pursuant hereto, or (c) the assignment of the Loans (or any portion thereof) other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, for the date that would have been the applicable Interest Period), over (ii) the amount of interest that would

accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate promptly after receipt thereof.

SECTION 2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted LIBO Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any Loan or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) [Reserved].

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 2.16 Taxes.

(a) Defined Terms. For purposes of this Section, the term "Applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made. The Borrower acknowledges and agrees that, absent a Change in Law, the Borrower is not required to withhold or deduct from any such payments to the Initial Lender on account of any U.S. federal withholding taxes or Taxes imposed pursuant to FATCA.

(c) Payment of Other Taxes by Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Initial Lender, the Required Lenders or the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by Borrower. The Borrower shall indemnify each Recipient, within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent if such Lender is not the Initial Lender), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender (other than the Initial Lender) shall severally indemnify the Administrative Agent, within thirty (30) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.04(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any such Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender (other than the Initial Lender) hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders. (i) Any Lender (other than the Initial Lender) that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower (or, if such Lender is not the Initial Lender, the Administrative Agent) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender (other than the Initial Lender), if reasonably requested by the Borrower (or the Administrative Agent), shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower (or the Administrative Agent) as will enable the Borrower (or the Administrative Agent) to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (g)(ii)(A), (ii)(B) and (ii)(D) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender (other than the Initial Lender) that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI (or any successor forms) and, in the case of an Agent, a withholding certificate that satisfies the requirements of Treasury Regulation Sections 1.1441-1(b)(2)(iv) and 1.1441-1(e)(3)(v) as applicable to a U.S. branch that has agreed to be treated as a U.S. Person for withholding tax purposes;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit B-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-2 or Exhibit B-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender (other than the Initial Lender) under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so. Notwithstanding anything to the contrary in this Agreement, the Initial Lender shall be entitled to the benefits of this Section 2.16 and all related provisions under this Agreement without regard to whether it provides any documentation described in this Section 2.16(g).

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.17 [Reserved].

SECTION 2.18 [Reserved].

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.15, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.16, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with paragraph (a) of this Section, or if any Lender is a Non-Consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.04), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or Section 2.16) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.04;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.14) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with Applicable Law; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(b) Each account control agreement with respect to each Blocked Account shall require, after the occurrence and during the continuance of a Payment Event, the wire transfer no less frequently than once per Business Day (unless the Obligations are no longer outstanding), of all collected and available funds in such Blocked Account (net of such minimum balance, not to exceed $25,000, as may be required to be kept in the subject Blocked Account by the account bank), to an account in the name of the Borrower maintained by the Administrative Agent at The Bank of New York Mellon (the "Payment Account") or such other account as directed by the Administrative Agent. The Payment Accounts and the Blocked Accounts shall be non-interest bearing accounts. Funds on deposit in the Blocked Accounts and the Payment Accounts shall be uninvested. All amounts in the Blocked Account shall be conclusively presumed to be Collateral and proceeds of Collateral, and the Agents and the Lenders shall have no duty to inquire as to the source of the amounts on deposit in the Blocked Account. (c) The Payment Account shall at all times be under the sole dominion and control of the Collateral Agent and shall be subject to an account control agreement in form and substance satisfactory to the Appropriate Party. The Credit Parties hereby acknowledge and agree that (i) the Credit Parties have no right of withdrawal from the Payment Account, (ii) the funds on deposit in the Payment Account shall at all times be collateral security for all of the Obligations, and (iii) the funds on deposit in the Payment Account shall be applied to repay the Loans. All amounts in the Payment Account shall be conclusively presumed to be Collateral and proceeds of Collateral, and the Agents and the Lenders shall have no duty to inquire as to the source of the amounts on deposit in the Payment Account. In connection with an assignment of the Loans by the Initial Lender, upon the Administrative Agent's request, the Borrower and the Agents shall enter into an Administrative Agency Fee Letter. The provisions of this Article are solely for the benefit of the Agents and the Lenders, and the Borrower shall not have rights as a third-party beneficiary of any of such provisions. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (i) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the other Loan Documents and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

SECTION 8.02 Collateral Matters. Each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Credit Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and perform the other Loan Documents.

SECTION 8.03 Removal or Resignation of Administrative Agent. While the Initial Lender is a Lender, the Administrative Agent may be removed or give notice of its resignation subject to any conditions as separately agreed between the Initial Lender and the Administrative Agent. Any such resignation as Administrative Agent pursuant to this Section 8.03 shall also constitute its resignation as the Collateral Agent; provided that in the case of any collateral security held by the Collateral Agent on

behalf of the Lenders under any of the Loan Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed. Upon such removal or receipt of any such notice of resignation, the Initial Lender shall have the right to appoint a successor. After the Initial Lender is no longer a Lender, either Agent may resign at any time by notifying the Lenders and the Borrower in writing, and either Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and such Agent and signed by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default), to appoint a successor. If no successor shall have been so appointed by the Required Lenders (with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default)) and shall have accepted such appointment within 30 days after (i) the retiring Agent gives notice of its resignation or (ii) the Required Lenders deliver removal instructions, then the retiring or removed Agent may, on behalf of the Lenders (with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default)), appoint a successor Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding sentence, such Agent's resignation or removal shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders (with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default)) appoint a successor Administrative Agent and/or Collateral Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of its predecessor Agent, and its predecessor Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

SECTION 8.04 Exculpatory Provisions.

(a) The Agents shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents or as separately agreed between the Initial Lender and the Agents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing:

(i) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, except that The Bank of New York Mellon shall always have a fiduciary duty to Treasury while serving as its Agent in accordance with the provisions of the separate writing between The Bank of New York Mellon and Treasury;

(ii) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); and

(iii) except as expressly set forth herein and in the other Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity.

(b) Neither Agent shall be required to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or under any other Loan Document or in the exercise of any of its rights or powers. Notwithstanding anything in any Loan Document to the contrary, prior to taking any action under this Agreement or any other Loan Document, each Agent shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses in connection with taking such action. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Sections 7.01 and 11.02) or in the absence of its own gross negligence or willful misconduct as determined by the final non-appealable judgment of a court of competent jurisdiction. Notwithstanding the foregoing, no action nor any omission to act, taken by either Agent at the direction of the Required Lenders (or such other number of percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents) shall constitute gross negligence or willful misconduct. Neither Agent shall be deemed to have knowledge of any Default unless and until written notice thereof, conspicuously labeled as a "notice of default" and specifically describing such Default, is given to an Agent Responsible Officer by the Borrower or a Lender.

(c) Neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

(d) In no event shall either Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder or under any other Loan Document arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, epidemics, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services (it being understood that such Agent shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances).

(e) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it in good faith to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. Delivery of reports, information and documents to an Agent is for informational purposes only and an Agent's receipt of the foregoing will not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Borrower's compliance with any of its covenants hereunder. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reliance on the advice of any such counsel, accountants or experts. Any funds held by an Agent shall, unless otherwise agreed in writing with the Borrower, be held uninvested in a non-interest bearing account.

(f) Neither Agent shall have any obligation to calculate or confirm the calculation of any financial covenant contained herein.

(g) Notwithstanding anything to the contrary in any Loan Document, neither Agent shall be responsible for the existence, genuineness or value of any of the Collateral; for filing any financing or continuation statements or recording any documents or instruments in any public office or otherwise perfecting or maintaining the perfection of any security interest in the Collateral (except, in the case of possessory Collateral, for the Collateral Agent maintaining possession of any such Collateral received by it in accordance with the terms of the Loan Documents); for the validity, perfection, priority or enforceability of the Liens in any of the Collateral; for the validity or sufficiency of the Collateral or any agreement or assignment contained therein; for the validity of the title of any grantor to the Collateral; for insuring the Collateral; or for the payment of taxes, charges or assessments on the Collateral. The Collateral Agent agrees that it will check any possessory Collateral received by it against any itemized list in the Pledge and Security Agreement of Collateral to be delivered to it in accordance with the Pledge and Security Agreement.

SECTION 8.05 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, opinion, consent, statement, instrument, document or other writing believed by it in good faith to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. Delivery of reports, information and documents to an Agent is for informational purposes only and an Agent's receipt of the foregoing will not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Borrower's compliance with any of its covenants hereunder. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.06 Delegation of Duties. Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents or attorneys appointed by it and will not be responsible for the misconduct or negligence of any agent appointed with due care. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties.

SECTION 8.07 Non-Reliance on Agents and Other Lenders. Each Lender (other than the Initial Lender) acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender (other than the Initial Lender) also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Section 11.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

ARTICLE IX

GUARANTEE

SECTION 9.01 Guarantee of the Obligations. Each Guarantor jointly and severally hereby irrevocably and unconditionally guarantees to the Secured Parties, the due and punctual payment in full and performance of all Obligations (or such lesser amount as agreed by the Required Lenders in their sole discretion with respect to Obligations owed to the Lenders) when the same shall become due or required to be performed, whether at stated maturity, by required prepayment, declaration, acceleration, performance, demand or otherwise (including amounts that would become and any performance that would have been required to be taken due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the "Guaranteed Obligations").

SECTION 9.02 Payment or Performance by a Guarantor. Each Guarantor hereby jointly and severally agrees, in furtherance of the foregoing and the other terms of this Article IX and not in limitation of any other right which the Secured Parties may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of the Borrower to pay or perform any of the Guaranteed Obligations when and as the same shall become due or required to be performed, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), such Guarantor will pay, or cause to be paid, in cash, or perform, or cause to be performed, to the Secured Parties an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for the Borrower's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against the Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed or required to be performed to the Secured Parties as aforesaid.

SECTION 9.03 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment and performance in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guarantee is a guarantee of payment and performance when due and not merely of collection;

(b) either Agent and any of the other Secured Parties may enforce this Guarantee upon the occurrence of an Event of Default notwithstanding the existence of any dispute between the Borrower and the Secured Parties with respect to the existence of such Event of Default;

(c) a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against the Borrower or any other Guarantors and whether or not Borrower or such Guarantors are joined in any such action or actions;

(d) payment or performance by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any other Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid or performed;

(e) the Required Lenders, upon such terms as they deem appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment or performance of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or subordinate the payment of the same to the payment of any other obligations; (iii) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment or performance of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; and (iv) enforce its rights and remedies even though such action may operate to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against the Borrower or any security for the Guaranteed Obligations; and

(f) this Guarantee and the obligations of each Guarantor hereunder shall be legal, valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment or performance in full of the Guaranteed Obligations), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations, any impossibility in the performance of any of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, except for the payment and performance in full of the Guaranteed Obligations and to the fullest extent permitted by Applicable Law, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by: (i) any failure, delay or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy with respect to the Guaranteed Obligations, or with respect to any security for the payment and performance of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions hereof or any other Loan Document; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the Lender's consent to the change, reorganization or termination of the

corporate structure or existence of the Borrower or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (v) the release of, or any impairment of or failure to perfect or continue perfection of or protect a security interest in, any collateral which secures any of the Guaranteed Obligations; (vi) any defenses, set-offs or counterclaims which the Borrower or any Guarantor may allege or assert against either Agent or the Lenders in respect of the Guaranteed Obligations, including failure of consideration, lack of authority, validity or enforceability, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; (vii) any change in the corporate existence, structure or ownership of any Credit Party, or any insolvency, bankruptcy, reorganization, examinership or other similar proceeding affecting any Credit Party or its assets or any resulting release or discharge of any of the Guaranteed Obligations; (viii) the fact that any Person that, pursuant to the Loan Documents, was required to become a party hereto may not have executed or is not effectually bound by this Agreement, whether or not this fact is known to the Secured Parties; (ix) any action permitted or authorized hereunder; (x) any other circumstance, or any existence of or reliance on any representation by the Agents, any Secured Party or any other Person, that might otherwise constitute a defense to, or a legal or equitable discharge of, the Borrower, any Guarantor or any other guarantor or surety; and (xi) any other event or circumstance that might in any manner vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

SECTION 9.04 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Lender: (a) any right to require the Lender, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any Guarantor or any other Person; (ii) proceed against or exhaust any security in favor of the Lender; or (iii) pursue any other remedy in the power of the Agents or Secured Parties whatsoever or (b) presentment to, demand for payment or performance from and protest to the Borrower or any Guarantor or notice of acceptance; and (c) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof. The Agents and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure or exercise any other right or remedy available to them against the Borrower or any other Credit Party without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. To the fullest extent permitted by Applicable Law, each Credit Party waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Party against the Borrower or any other Credit Party, as the case may be, or any security.

SECTION 9.05 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Guaranteed Obligations shall have been paid in full, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against the Borrower or any other Guarantor or any of its assets in connection with this Guarantee or the performance by such Guarantor of its obligations hereunder, including without limitation (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against the Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that the Agents or the Secured Parties now has or may hereafter have against the Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by the Agents or the Secured Parties. In addition, until the Guaranteed Obligations shall have been paid in full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and paid in full, such amount shall be held in trust for the Secured Parties and shall forthwith be paid over to the Secured Parties to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

SECTION 9.06 Subordination. Any Indebtedness of the Borrower or any Guarantor now or hereafter and all rights of indemnity, contribution or subrogation under Applicable Law or otherwise, held by any Guarantor (the "Obligee Guarantor") are hereby subordinated in right of payment or performance to the Guaranteed Obligations until the Guaranteed Obligations is paid and performed in full. Any amount in respect of such indebtedness or rights collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Secured Parties and shall forthwith be paid over to the Secured Parties to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

SECTION 9.07 Continuing Guarantee. This Guarantee is a continuing guarantee and shall remain in effect until all of the Guaranteed Obligations shall have been paid and performed in full. Each Guarantor hereby irrevocably waives any right to revoke this Guarantee as to future transactions giving rise to any Guaranteed Obligations.

SECTION 9.08 Financial Condition of the Borrower. The Loans may be made to the Borrower without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrower at the time of such grant. Each Guarantor has adequate means to obtain information from the Borrower on a continuing basis concerning the financial condition of the Borrower and its ability to perform its obligations under the Loan Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations.

SECTION 9.09 Reinstatement. In the event that all or any portion of the Guaranteed Obligations are paid by the Borrower or any Guarantor, the obligations of any other Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from the Secured Parties as a preference, fraudulent transfer or otherwise must be so recovered or returned, and any such payments and amounts which are so rescinded, recovered or returned shall constitute Guaranteed Obligations for all purposes hereunder.

SECTION 9.10 Discharge of Guarantees. If, in compliance with the terms and provisions of the Loan Documents, (x) all of the Equity Interests of any Guarantor that is a Subsidiary of the Parent or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) to any Person (other than to the Parent or to any other Subsidiary of the Parent), the Guarantee of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any beneficiary or any other Person effective as of the time of such asset sale or (y) a Guarantor becomes an Excluded Subsidiary (other than as a result of a Guarantor becoming a non-Wholly Owned Subsidiary), the Borrower may request the release of the Guarantee of such Guarantor, whereupon the Guarantee of such Guarantor shall be discharged and released.

ARTICLE X

CARES ACT REQUIREMENTS

Notwithstanding anything in this Agreement to the contrary, the Credit Parties, on behalf of themselves and their Affiliates, represent, warrant, and agree with the Lenders that:

SECTION 10.01 CARES Act Compliance. Each Credit Party and its Subsidiaries are in compliance, and will at all times comply, with all applicable requirements under Title IV of the CARES Act, including any applicable requirements pertaining to the Borrower's eligibility to receive the Loans. The Parent, the Borrower and their Subsidiaries will provide any information requested by the Initial Lender or Agents to assess the Borrower's compliance with applicable requirements under Title IV of the CARES Act, its obligations under this Article X or its eligibility to receive the Loans under the CARES Act. The Borrower is not a "covered entity" as defined in Section 4019 of the CARES Act.

SECTION 10.02 Dividends and Buybacks.

(a) Until the date that is twelve (12) months after the date on which the Loans are no longer outstanding, neither any Borrower Eligible Business nor any of its Affiliates (other than an Affiliate that is a natural person) shall, in any transaction, purchase an equity security of any Borrower Eligible Business or of any direct or indirect parent company of a Borrower Eligible Business or of any Subsidiary of the Parent that, in each case, is listed on a national securities exchange, except to the extent required under a contractual obligation in effect as of the date of enactment of the CARES Act.

(b) Until the date that is twelve (12) months after the date on which the Loans are no longer outstanding, no Borrower Eligible Business shall pay dividends, or make any other capital distributions, with respect to the common stock of any Borrower Eligible Business, except that an S corporation or other tax pass-through entity that is a Borrower Eligible Business may make distributions to the extent reasonably required to cover its owners' tax obligations in respect of the Borrower Eligible Business's earnings.

SECTION 10.03 Maintenance of Employment Levels. Until September 30, 2020, each Borrower Eligible Business shall maintain its employment levels as of March 24, 2020, to the extent practicable, and in any case shall not reduce its employment levels by more than ten percent (10%) from the levels on March 24, 2020.

SECTION 10.04 United States Business. Each Borrower Eligible Business is created or organized in the United States or under the laws of the United States and has significant operations in and a majority of its employees based in the United States.

SECTION 10.05 Limitations on Certain Compensation.

(a) Beginning on the Closing Date, and ending on the date that is one (1) year after the date on which the Loans are no longer outstanding, each Borrower Eligible Business and its Affiliates shall not pay any of each Borrower Eligible Business's Corporate Officers or Employees whose Total Compensation exceeded $425,000 in calendar year 2019 or the Subsequent Reference Period (other than an Employee whose compensation is determined through an existing collective bargaining agreement entered into before March 1, 2020):

(i) Total Compensation which exceeds, during any twelve (12) consecutive months of the period beginning on the Closing Date and ending on the date that is one (1) year after the date on which the Loans are no longer outstanding, the Total Compensation the Corporate Officer or Employee received in calendar year 2019 or the Subsequent Reference Period; or

(ii) Severance Pay or Other Benefits in connection with a termination of employment with any Borrower Eligible Business which exceed twice the maximum Total Compensation received by such Corporate Officer or Employee in calendar year 2019 or the Subsequent Reference Period.

(b) Beginning on the Closing Date, and ending on the date that is one (1) year after the date on which the Loans are no longer outstanding, each Borrower Eligible Business and its Affiliates shall not pay any of each Borrower Eligible Business's Corporate Officers or Employees whose Total Compensation exceeded $3,000,000 in calendar year 2019 or the Subsequent Reference Period, Total Compensation which exceeds, during any twelve (12) consecutive months of such period, in excess of the sum of:

(c) For purposes of determining applicable amounts under this Section with respect to any Corporate Officer or Employee who was employed by any Borrower Eligible Business or any of their Affiliates for less than all of calendar year 2019, the amount of Total Compensation in calendar year 2019 shall mean such Corporate Officer's or Employee's Total Compensation on an annualized basis.

SECTION 10.06 Continuation of Certain Air Service. Until March 1, 2022, each Borrower Eligible Business shall comply with any applicable requirement issued by the Secretary of Transportation under section 4005 of the CARES Act to maintain scheduled air transportation service to any point served by any Borrower Eligible Business before March 1, 2020. The Borrower acknowledges that neither Treasury, nor any other actor, department, or agency of the Federal Government, shall condition the issuance of any Loan under this Agreement on the Borrower's implementation of measures to enter into negotiations with the certified bargaining representative of a craft or class of employees of the Borrower Eligible Business under the Railway Labor Act (45 U.S.C. 151 et seq.) or the National Labor Relations Act (29 U.S.C. 151 et seq.), regarding pay or other terms and conditions of employment.

SECTION 10.07 Treasury Access. The Borrower Eligible Business and its Affiliates will provide Treasury, the Treasury Inspector General, the Special Inspector General for Pandemic Recovery, and such other entities as authorized by Treasury timely and unrestricted access to all documents, papers, or other records, including electronic records, of the Borrower related to the Loans, to enable Treasury, the Treasury Inspector General, and the Special Inspector General for Pandemic Recovery to make audits, examinations, and otherwise evaluate the Borrower's compliance with the terms of this Agreement. This right also includes timely and reasonable access to the Borrower's and its Affiliates' personnel for the purpose of interview and discussion related to such documents.

"Corporate Officer" means, with respect to any Borrower Eligible Business, its president; any vice president in charge of a principal business unit, division, or function (such as sales, administration or finance); any other officer who performs a policy-making function; or any other person who performs similar policy making functions for the Borrower Eligible Business. Executive officers of subsidiaries or parents of any Borrower Eligible Business may be deemed Corporate Officers of the Borrower Eligible Business if they perform such policy-making functions for the Borrower Eligible Business.

"Employee" has the meaning given to the term in section 2 of the National Labor Relations Act (29 U.S.C. 152 and includes any individual employed by an employer subject to the Railway Labor Act (45 U.S.C. 151 et seq.), and for the avoidance of doubt includes all individuals who are employed by the Borrower Eligible Business who are not Corporate Officers.

"Severance Pay or Other Benefits" means any severance payment or other similar benefits, including cash payments, health care benefits, perquisites, the enhancement or acceleration of the payment or vesting of any payment or benefit or any other in-kind benefit payable (whether in lump sum or over time, including after March 24, 2022) by any Borrower Eligible Business or its Affiliates to a Corporate Officer or Employee in connection with any termination of such Corporate Officer's or Employee's employment (including, without limitation, resignation, severance, retirement, or constructive termination), which shall be determined and calculated in respect of any Employee or Corporate Officer of the Borrower Eligible Business in the manner prescribed in 17 C.F.R. 229.402(j) (without regard to its limitation to the five (5) most highly compensated executives and using the actual date of termination of employment rather than the last business day of the Borrower Eligible Business's last completed fiscal year as the trigger event).

"Subsequent Reference Period" means (i) for a Corporate Officer or Employee whose employment with the Borrower Eligible Business or an Affiliate started during 2019 or later, the twelve (12) month period starting from the end of the month in which the officer or employee commenced employment, if such officer's or employee's total compensation exceeds $425,000 (or $3,000,000) during such period and (ii) for a Corporate Officer or Employee whose Total Compensation first exceeds $425,000 during a 12-month period ending after 2019, the 12-month period starting from the end of the month in which the Corporate Officer's or Employee's Total Compensation first exceeded $425,000 (or $3,000,000).

"Total Compensation" means compensation including salary, wages, bonuses, awards of stock, and any other financial benefits provided by the Borrower Eligible Business or an Affiliate, as applicable, which shall be determined and calculated for the 2019 calendar year or any applicable twelve (12)-month period in respect of any Employee or Corporate Officer of the Borrower Eligible Business in the manner prescribed under paragraph e.5 of the award term in 2 C.F.R. part 170, App. A, but excluding any Severance Pay or Other Benefits in connection with a termination of employment.

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail, FpML, and Internet or intranet websites) pursuant to procedures approved by the Lenders and reasonably acceptable to the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Collateral Agent, the Parent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent, the Collateral Agent or a Lender otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, etc. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) The Borrower and the Lenders agree that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the other Lenders by posting the Communications on the Platform.

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Credit Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of communications through the Platform. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Credit Parties pursuant to any Loan Document or the transactions contemplated therein that is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through the Platform.

(e) Public Information. The Borrower hereby acknowledges that certain of the Lenders (each, a "Public Lender") may have personnel who do not wish to receive material non-public information with respect to the Borrower or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the materials and information provided by or on behalf of the Borrower hereunder and under the other Loan Documents (collectively, "Borrower Materials") that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC," which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrower or its securities for purposes of U.S. federal and state securities Laws (provided, however, that to the extent that such Borrower Materials constitute Information, they shall be subject to Section 11.12); (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information;" and (iv) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information". Each Public Lender will designate one or more representatives that shall be permitted to receive information that is not designated as being available for Public Lenders. Notwithstanding the foregoing, financial statements and related documentation, in each case, provided pursuant to Section 5.01(a) or 5.01(b) shall be deemed to be marked "PUBLIC", unless the Parent notifies the Administrative Agent promptly that any such document contains material non-public information.

SECTION 11.02 Waivers; Amendments.

(a) No Waiver; Remedies Cumulative; Enforcement. No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right remedy, power or privilege. The rights, remedies, powers and privileges of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the Loan Documents are cumulative and are not exclusive of any rights, remedies, powers or privileges that any such Person would otherwise have.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Credit Parties shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, (i) so long as the Initial Lender is a Lender, either the Initial Lender or, at the Initial's Lender's option, the Administrative Agent in accordance with Section 7.01 for the benefit of all the Lenders and (ii) if the Initial Lender is no longer a Lender, the Required Lenders or the Administrative Agent (acting at the direction of the Required Lenders) in accordance with Section 7.01 for the benefit of all the Lenders; provided that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacities as Administrative Agent and as Collateral Agent) hereunder and under the other Loan Documents, (ii) any Lender from exercising setoff rights in accordance with Section 11.08 (subject to the terms of Section 2.13) or (iii) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to a Credit Party under any Debtor Relief Law; provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (x) the Required Lenders shall have the rights otherwise provided to the Administrative Agent pursuant to Section 7.01 and (y) in addition to the matters set forth in clauses (ii) and (iii) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights or remedies available to it and as authorized by the Required Lenders.

(b) Amendments, Etc. Except as otherwise expressly set forth in this Agreement (including Section 2.10 and Section 8.01), no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower therefrom, shall be effective unless in writing executed by the Borrower and the Required Lenders, and acknowledged by the Administrative Agent, or by the Borrower and the Administrative Agent with the consent of the Required Lenders, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no such amendment, waiver or consent shall:

(i) extend or increase any Commitment of any Lender without the written consent of such Lender;

(ii) reduce the principal of, or rate of interest specified herein on, any Loan, or any fees or other amounts payable hereunder or under any other Loan Document, without the written consent of each Lender directly and adversely affected thereby (provided that only the consent of the Required Lenders shall be necessary (x) to amend the definition of "Default Rate" or to waive the obligation of the Borrower to pay interest at the Default Rate or (y) to amend any financial covenant (or any defined term directly or indirectly used therein), even if the effect of such amendment would be to reduce the rate of interest on any Loan or other Obligation or to reduce any fee payable hereunder);

(iii) postpone any date scheduled for any payment of principal of, or interest on, any Loan, or any fees or other amounts payable hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender directly and adversely affected thereby;

(iv) change Section 2.12(b) or Section 2.13 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly and adversely affected thereby;

(v) waive any condition set forth in Section 4.01 without the written consent of the Initial Lender; or

(vi) change any provision of this Section or the percentage in the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

provided, further, that no such amendment, waiver or consent shall amend, modify or otherwise affect the rights or duties hereunder or under any other Loan Document of either of the Agents, unless in writing executed by such Agent, in each case in addition to the Borrower and the Lenders required above.

In addition, notwithstanding anything in this Section to the contrary, (i) if the Borrower shall have identified an obvious error or any error or omission of a technical nature, in each case, in any provision of the Loan Documents, then, upon the delivery of a certificate of a Responsible Officer of the Borrower to the Administrative Agent identifying such error and directing the Administrative Agent to execute an amendment to correct such error, the Administrative Agent and the Borrower shall be permitted to amend such provision, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders to the Administrative Agent within ten (10) Business Days following receipt of notice thereof and (ii) that any Security Document may be amended, supplemented or otherwise modified with the consent of the applicable Grantor (as defined in the Pledge and Security Agreement) and the Administrative Agent to add assets (or categories of assets) to the Collateral covered by such Security Document, as contemplated by the definition of Additional Collateral, or to remove any assets or categories of assets (including after-acquired assets of that category) from the Collateral covered by such Security Document to the extent the release thereof is permitted by Section 6.17(b)(iii).

SECTION 11.03 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Initial Lender, the Administrative Agent, the Collateral Agent and their Affiliates (including the reasonable fees, charges and disbursements of any counsel for the Initial Lender, the Administrative Agent or the Collateral Agent), and shall pay all fees and time charges and disbursements for attorneys who may be employees of the Administrative Agent or the Collateral Agent, in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, the Loan Documents, any other agreements or documents executed in connection herewith or therewith or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent or any Lender (including the fees, charges and disbursements of any counsel for the Administrative Agent, the Collateral Agent or any Lender), and shall pay all fees and time charges for attorneys who may be employees of the Administrative Agent, the Collateral Agent or any Lender, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the Loan Documents, any other agreements or documents executed in connection herewith or therewith, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring, negotiations or enforcement in respect of this Agreement, the Loan Documents and other agreements or documents executed in connection herewith or therewith.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent and Collateral Agent (and any sub-agents thereof) and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, obligations,

penalties, fines, settlements, judgments, disbursements and related costs and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any Person (including the Parent) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Parent or any of its Subsidiaries, or any Environmental Liability related in any way to the Parent or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Parent, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee other than the Initial Lender, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. This paragraph (b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agents thereof) or any Related Party of any of the foregoing, each Lender (other than the Initial Lender) severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agents) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's Applicable Percentage at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agents), or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agents) in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.12(e).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, no Credit Party shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than five (5) days after demand therefor; provided that the terms of this Section shall not apply to the Initial Lender.

(f) Survival. Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the obligations hereunder and the resignation or removal of the Administrative Agent or the Collateral Agent.

SECTION 11.04 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any other attempted assignment or transfer by any party hereto shall be null and void), and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it); provided that any such assignment by any Lender (other than the Initial Lender) shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Loans at the time owing to it or contemporaneous assignments to and/or by related Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in paragraph (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $1,000,000, unless each of the Administrative Agent and, so long as no Default or Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans assigned.

(iii) Required Consents. No consent shall be required for any assignment by the Initial Lender. The consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned) shall be required for any assignment by any Lender other than the Initial Lender unless (x) a Default or Event of Default has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender or an Affiliate of a Lender; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person).

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 11.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender other than the Initial Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a Competitor, a natural person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties

hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent, the Collateral Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.03(b) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 11.02(b)(i) through (v) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.16 (subject to the requirements and limitations therein, including the requirements under Section 2.16(g) (it being understood that the documentation required under Section 2.16(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.16, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 11.05 Survival. All covenants, agreements, representations and warranties made by any Credit Party herein and in any Loan Document or other documents delivered in connection herewith or therewith or pursuant hereto or thereto shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery hereof and thereof and the making of the Borrowings hereunder, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as

long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied and so long as the Commitments have not expired or been terminated. The provisions of Sections 2.14, 2.15, 11.03, 11.15 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the payment in full of the Obligations, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 11.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Electronic Execution. The words "execution," "signed," "signature," and words of like import in this Agreement and in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Notwithstanding anything herein to the contrary, delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic means, or confirmation of the execution of this Agreement on behalf of a party by an email from an authorized signatory of such party shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11.07 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the due and unpaid Obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or its respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness. The

rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender (other than the Initial Lender) agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 11.09 Governing Law; Jurisdiction; Etc.

(a) Governing Law. This Agreement and the other Loan Documents will be governed by and construed in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the law of the State of New York applicable to contracts made and to be performed entirely within such State.

(b) Jurisdiction and Venue. Each of the Credit Parties and each Lender agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any civil action, suit or proceeding arising out of or relating to this Agreement, the Loan Documents, or the transactions contemplated hereby or thereby.

(c) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 11.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by Applicable Law.

SECTION 11.10 Waiver of Jury Trial. To the extent permitted by Applicable Law, each Credit Party and each Lender hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement, the Loan Documents or the transactions contemplated hereby or thereby.

SECTION 11.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 11.12 Treatment of Certain Information; Confidentiality. Each of the Agents and the Lenders (other than the Initial Lender) agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by Applicable Laws or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as (or no less restrictive than) those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; provided that, in each case under this clause (f)(ii), such actual or prospective party is not a Competitor; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the Loans or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans; (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to either Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower who did not acquire such information as a result of a breach of this Section.

For purposes of this Section, "Information" means all information received from the Parent or any of its Subsidiaries relating to the Parent or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Parent or any of its Subsidiaries; provided that, in the case of information received from the Parent or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 11.13 Money Laundering; Sanctions. The Borrower shall provide to the Administrative Agent, the Collateral Agent, and the Lenders information and documentation that the Lenders may reasonably request that identifies the Borrower and its Affiliates, which information may include the name and address of the Borrower and its Affiliates and other information regarding beneficial ownership of the Borrower and its Affiliates that will allow the Lenders to ensure compliance with Sanctions and the AML Laws. For purposes of determining whether or not a representation with respect to any indirect ownership is true or a covenant is being complied with under this Section 11.13, the Borrower shall not be required to make any investigation into (i) the ownership of publicly traded stock or other publicly traded securities or (ii) the ownership of assets by a collective investment fund that holds assets for employee benefit plans or retirement arrangements.

SECTION 11.14 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under Applicable Law (collectively, "charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with Applicable Law, the rate of interest payable in respect of such Loan hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. To the extent lawful, the interest and charges that would have been paid in respect of such Loan but were not paid as a result of the operation of this Section shall be cumulated and the interest and charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the amount collectible at the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate for each day to the date of repayment, shall have been received by such Lender. Any amount collected by such Lender that exceeds the maximum amount collectible at the Maximum Rate shall be applied to the reduction of the principal balance of such Loan or refunded to the Borrower so that at no time shall the interest and charges paid or payable in respect of such Loan exceed the maximum amount collectible at the Maximum Rate.

SECTION 11.15 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender (other than the Initial Lender) severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect.

SECTION 11.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) no fiduciary, advisory or agency relationship between any Credit Party and any of their respective Subsidiaries and the Administrative Agent, the Collateral Agent or any Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether the Administrative Agent, the Collateral Agent or any Lender has advised or is advising any Credit Party or any of their respective Subsidiaries on other matters, (ii) the lending and other services regarding this Agreement provided by the Administrative Agent, the Collateral Agent and the Lenders are arm's-length commercial transactions between Credit Parties and their Affiliates, on the one hand, and the Administrative Agent, the Collateral Agent and the Lenders, on the other hand, (iii) the Credit Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent that they has deemed appropriate and (iv) the Credit Parties are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; and (b) (i) the Administrative Agent, the Collateral Agent and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Credit Parties or any of their respective Affiliates, or any other Person; (ii) none of the Administrative Agent, the Collateral Agent and the Lenders has any obligation to the Credit Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Collateral Agent and the Lenders and their respective Affiliates may be engaged, in a broad range of transactions that involve interests that differ from those of the Credit Parties and their respective Affiliates, and none of the Administrative Agent, the Collateral Agent and the Lenders has any obligation to disclose any of such interests to the Credit Parties or any of their respective Affiliates. To the fullest extent permitted by Law, the Credit Parties hereby waive and release any claims that they may have against any of the Administrative Agent, the Collateral Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 11.17 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties, each party hereto (including each Credit Party) acknowledges that any liability arising under a Loan Document of any Credit Party that is an Affected Financial Institution, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority, and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising under any Loan Documents which may be payable to it by any Credit Party that is an Affected Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document, or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Each Grantor shall furnish to the Collateral Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Appropriate Party may request, all in such detail as the Appropriate Party may require.

(d) If any Collateral (or any portion thereof) constitutes a type of asset covered by an Applicable Annex, the Applicable Annex (and any security instrument referenced in any Applicable Annex) for such type of asset shall apply and be deemed to have been incorporated in its entirety into this Agreement as if such Applicable Annex (and/or the security instrument(s) referenced in any Applicable Annex) constituted a part of this Agreement.

SECTION 3. SECURITY FOR OBLIGATIONS; GRANTORS REMAIN LIABLE.

3.1 Security for Obligations

This Agreement secures, and the Collateral is collateral security for, the prompt and complete payment and performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under any Debtor Relief Law), of all Obligations and Guaranteed Obligations of the Borrower and each Grantor (collectively, the "**Secured Obligations**").

(a) It owns and has good and valid rights in all Collateral free and clear of any Lien except for Permitted Liens.

(b) Subject to applicable Privacy Laws, it has the full corporate power, authority and right to pledge, grant a security interest in, sell, assign or transfer the Collateral pursuant to, and as provided in, this Agreement.

(c) All information supplied by the Grantors with respect to Collateral, including Schedules 2.1 and 4.1, is true, correct and complete in all material respects; provided that the Grantors may, to the extent applicable, deliver to the Collateral Agent certified supplements to (or restated versions of) Schedules 2.1 and 4.1 and the Perfection Certificate in advance of any making of this representation.

(d) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein is true, correct and complete.

(e) This Agreement grants to the Collateral Agent for the benefit of the Secured Parties a legal, valid and enforceable security interest in all of the Collateral and, upon the filing, recording or registration of the applicable UCC financing statements and any other Required Filing, the security interest granted hereunder constitute a perfected first priority security interest in all of the Collateral, subject to no Liens other than Permitted Liens.

(f) The applicable UCC financing statements and the other Required Filings are all the financing statements, filings, recordings and registrations that are necessary to publish notice of, protect the validity of, and establish a legal, valid and perfected first priority security interest in favor of the Collateral Agent for the benefit of the Secured Parties with respect to, all Collateral, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration nor any other step or action is necessary in any jurisdiction in connection with the grant, perfection or first priority status of the security interest of the Collateral Agent in any Collateral, except as provided (x) under Applicable Law with respect to the filing of continuation statements and (y) expressly (by reference to this Section 4.1(f)) in any Applicable Annex.

(h) No authorization, approval, consent or other action by, and no notice to or filing with, any Person, Governmental Authority or regulatory body is required for either (A) the pledge or grant by any Grantor of the security interest purported to be created hereunder to be legal, valid and enforceable or (B) the exercise by the Collateral Agent of any rights or remedies with respect to any Collateral (whether specifically granted or created hereunder or created or provided for by Applicable Law), except (w) such as have been obtained, (x) the filing of UCC financing statements and filing or recordation of any other Required Filings, in each case, in favor of the Collateral Agent for the benefit of the Secured Parties, (y) any required continuation statements and (z) with respect to clause (B), to the extent expressly specified (by reference to this Section 4.1(h)) in any Applicable Annex.

SECTION 5. COVENANTS AND AGREEMENTS

5.1 Affirmative Covenants.

Each Grantor hereby covenants and agrees that:

(a) It shall have satisfied the Perfection Requirement (i) with respect to the Collateral now owned or existing, on or prior to the Closing Date or, in the case of an Additional Grantor or Additional Collateral, on the date of execution and delivery of a Pledge Supplement or the date such Additional Collateral becomes subject to the security interest created hereby, as applicable, (except that

the Perfection Requirement with respect to UCC financing statements and any FAA or International Registry filings may be satisfied by filing thereof by such Grantor on the Closing Date or such date of execution and delivery of a Pledge Supplement, or the date such Additional Collateral becomes subject to the security interest created hereby, as applicable, or, in each case, within one (1) Business Day thereafter) and (ii) with respect to any Collateral acquired or arising after the Closing Date requiring satisfaction of any Perfection Requirement that has not already been undertaken, as promptly as practicable after the date on which such Collateral was acquired or arose (in any event, unless any other timeframe is specifically provided, within thirty (30) days).

(b) On the Closing Date and at any time at which an additional Perfection Requirement is required to be satisfied with respect to any Collateral of any Grantor, such Grantor shall deliver opinions of counsel that are acceptable to the Appropriate Party, addressed to the Secured Parties and dated the Closing Date or the date at which such Perfection Requirement is required to be satisfied, as applicable, in form and substance satisfactory to the Appropriate Party with respect to the creation, validity and perfection of the Lien granted hereunder and under the other Security Documents in the applicable item(s) of Collateral, fulfillment of all Perfection Requirements, no governmental or third-party consents that have not been obtained, U.S. Bankruptcy Code Section 1110 treatment for any Aircraft and Engine Assets or Spare Parts, in each case, constituting Collateral, no contravention of agreements and such other matters relating to the Collateral as the Appropriate Party requests.

(c) Concurrently with the Appraisals and any Valuation Certificate required to be delivered under Section 5.16 of the Loan Agreement, it shall provide to the Collateral Agent:

(i) a certificate of a Responsible Officer of the applicable Grantor confirming that Schedules 2.1 and 4.1 (after giving effect to the supplements and restatements in clause (ii) below) remain true, correct and complete in all material respects; and

(ii) to the extent applicable, supplements to (or restated versions of) Schedules 2.1 and 4.1 and the Perfection Certificate (which supplements in connection with any Additional Collateral shall, for the avoidance of doubt, be approved by the Required Lenders).

(d) At the expense of such Grantor, it shall maintain the security interest created by this Agreement as a perfected first-priority security interest and shall defend such security interest against claims and demands of all Persons at any time claiming any interest therein and the priority of such security interest against any Lien (other than Permitted Liens). Without limiting the foregoing, the applicable Grantor, at its sole cost and expense, will cause the Required Filings to be prepared, duly authorized and executed (if applicable) and duly and timely filed and recorded.

(e) It shall provide to the Collateral Agent statements and schedules (or supplements thereto) further identifying and describing in detail the assets and property of such Grantor constituting Collateral and such other reports therewith as the Appropriate Party may request from time to time.

(g) Each Grantor shall remain liable, as between such Grantor and the relevant counterparty under each contract, agreement or instrument relating to the Collateral, to observe and perform all the conditions and obligations to be observed and performed by it under such contract, agreement or instrument, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the other Secured Parties from and against any and all liability for such performance.

5.2 Negative Covenants.

Each Grantor hereby covenants and agrees that:

(a) It shall not change the information provided in Schedule 2.1, Schedule 4.1 or the Perfection Certificate delivered to the Collateral Agent or the Lenders at any time unless (i) prior to such change or within the time period specified herein, it shall have satisfied all conditions and taken all actions, if not already satisfied and taken, necessary or advisable to maintain the continuous legality, validity, enforceability, perfection and the first priority (subject to Permitted Liens) of the Collateral Agent's security interest (for the benefit of the Secured Parties) in the Collateral (including making any and all filings under the UCC or any other Applicable Law that are required to have a valid, legal, perfected first-priority (subject to Permitted Liens) security interest in the Collateral and satisfying any applicable Perfection Requirement, any other action required under any Applicable Annex and any other actions requested by the Collateral Agent or an Appropriate Party in connection therewith) and (ii) in connection with a change at any time to remove any Collateral identified at that time on Schedule 2.1, Schedule 4.1 or the Perfection Certificate, such change shall have been made in connection with a release or disposition permitted under, and made in accordance with, Section 6.17(b)(iii) of the Loan Agreement or otherwise in accordance with the applicable Loan Documents.

(b) It shall not authorize the filing of any financing statements or other registrations, recordations or filings naming it as debtor covering all or any portion of the Collateral, except to cover security interests created hereunder or other Permitted Liens.

(c) It shall not move any Pledged Equipment or Pledged Tooling Inventory (other than Equipment or Inventory sold in the ordinary course of business) to any location (i) other than any location that is listed in Schedule 2.1, or to such other location designated by a Grantor in the supplements delivered pursuant to Section 5.1(c)(ii) and approved by the Required Lenders and (ii) unless, to the extent applicable with respect to such new location, such Grantor shall have complied, upon the request of the Required Lenders, with Section 5.3(a); provided that Pledged Equipment or Pledged Tooling Inventory may from time to time be temporarily relocated to other locations in order to perform maintenance, repair and overhaul of aircraft and engines, provided that such Pledged Equipment or Pledged Tooling Inventory must promptly be restored to one of the locations listed on Schedule 2.1 following such temporary relocation; provided, further that in no event shall any Pledged Equipment or Pledged Tooling Inventory be moved to any location outside of the United States. The supplement to the Perfection Certificate delivered pursuant to Section 5.1(c)(ii) shall include a description in reasonable detail of any Pledged Tooling Inventory (including the book value and current location thereof) that has been acquired, sold or otherwise disposed of, or moved from the location at which it was located, in each case since the date of the immediately preceding supplement (or the date of the Perfection Certificate, in the case of the first such supplement).

5.3 Other Actions.

In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Collateral:

(a) Each Grantor shall obtain, upon the request of the Required Lenders, with respect to each location where such Grantor maintains Spare Parts Assets, Pledged Equipment or Pledged Tooling Inventory, a collateral access agreement reasonably satisfactory to the Required Lenders or an acknowledged bailee waiver letter reasonably satisfactory to the Required Lenders, in each case in favor of the Collateral Agent.

SECTION 6. FURTHER ASSURANCES; ADDITIONAL GRANTORS.

6.1 Further Assurances.

(a) Each Grantor shall from time to time, at the sole expense of such Grantor, promptly execute and deliver, or cause to be executed and delivered, all further instruments and documents, and take or cause to be taken all further action, that may be necessary or advisable, or that the Appropriate Party or the Collateral Agent may request, in order to create or maintain the validity, perfection or priority of and protect any security interest granted hereby or to enable the Collateral Agent to obtain, preserve, exercise and enforce its rights and remedies hereunder with respect to any Collateral (including the satisfaction and completion of all conditions and steps constituting any applicable Perfection Requirement and any other steps required under any Applicable Annex). Without limiting the generality of the foregoing, each Grantor shall file or deliver to the Collateral Agent such Required Filings, or continuation statements or amendments thereto, and execute and deliver, or cause to be executed and delivered, such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or advisable, or as the Appropriate Party may request, in order to perfect and preserve the security interests granted or purported to be granted hereby.

(b) Each Grantor shall provide any information on the Collateral that the Appropriate Party or the Collateral Agent may request in order to ensure the Collateral Agent's security interest in all of the Collateral is perfected and is first priority.

(c) Notwithstanding anything herein to the contrary, with respect to pledges of, or grants of security interests in, assets acquired by a Grantor after the Closing Date or that cease to be an Excluded Asset and thereby become an item of Collateral after the Closing Date, unless any other timeframe is specifically provided, within thirty (30) days after the date of such acquisition (or after the date such assets cease to be Excluded Asset), the applicable Grantor shall satisfy the requirements of clause (a) above (including the satisfaction and completion of all conditions and steps constituting any applicable Perfection Requirement and any other action required under any Applicable Annex).

6.2 Additional Grantors; Additional Collateral

From time to time after the Closing Date, additional Persons may become parties hereto as additional Grantors (each, an "**Additional Grantor**") or assets eligible to be Additional Collateral may be added to the Collateral, in each case, by an Additional Grantor or applicable Grantor, as relevant, by executing a Pledge Supplement and, as applicable, satisfying the Perfection Requirements. Upon delivery of such Pledge Supplement to the Collateral Agent, notice of which is hereby waived by the Grantors, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto as a Grantor. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Collateral Agent (acting at the direction of the Required Lenders) not to

cause any Subsidiary of the Parent or any Grantor to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION 7. COLLATERAL AGENT APPOINTED PROXY ATTORNEY-IN-FACT.

7.1 Power of Attorney

Each Grantor hereby irrevocably appoints the Collateral Agent (such appointment being coupled with an interest and terminable only upon the payment in full of the Secured Obligations (other than contingent indemnification or reimbursement obligations not yet accrued and payable) as such Grantor's proxy and attorney-in-fact) with full authority in the place and stead of such Grantor and in the name of such Grantor, the Collateral Agent or otherwise, from time to time in the Collateral Agent's discretion to take any action and to execute any instrument that the Appropriate Party may deem necessary or advisable to accomplish the purposes of this Agreement, all of which shall be at the Grantors' expense and constitute Secured Obligations, including, the following:

(a) to prepare and file any UCC financing statements and any other Required Filing against such Grantor as debtor;

(b) to prepare, sign and file any documents with the United States Patent and Trademark Office, the United States Copyright Office or any Governmental Authority in any jurisdiction that the Collateral Agent deems appropriate in connection with the perfection, protection, priority or enforcement of the security interest on the Collateral, and to remove any ineffective filings;

(c) upon the occurrence and during the continuance of any Event of Default:

(i) to take any actions set forth in any Applicable Annex (or in any security instrument referenced in any Applicable Annex);

(ii) to do, at the Collateral Agent's option, at any time or from time to time, all acts and things that the Appropriate Party deems necessary or advisable to protect, preserve, perfect, establish the first priority of or realize upon the Collateral and the Collateral Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do, including any access to pay or discharge Taxes or Liens levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Collateral Agent (acting at the direction of the Required Lenders), any such payments made by the Collateral Agent to become obligations of such Grantor to the Collateral Agent, due and payable immediately without demand;

(iii) to exercise control in respect of any Deposit Account or Securities Account that is part of the Collateral, and issue instructions and entitlement orders to any bank or securities intermediary in respect thereof;

(iv) to obtain and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to the Loan Agreement;

(v) to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or with respect to any of the Collateral;

(vi) to receive, endorse and collect any drafts or other instruments, documents and chattel paper;

(vii) to file any claims or take any action or institute any proceedings that the Required Lenders may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Collateral Agent with respect to any of the Collateral;

(viii) to use information relating to the Collateral for purposes of Disposing or collecting the Collateral; provided that with respect to any information granted to a Grantor by a third party, the Collateral Agent shall comply with any of such Grantor's existing contractual obligations and restrictions that, in each case, such Grantor places the Collateral Agent on written notice of (in reasonable detail);

(ix) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral;

(x) to send verifications of Accounts Receivable to any Account Debtor;

(xi) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and

(xii) to Dispose, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, including to file any documents necessary or advisable to implement, effectuate or reflect the Disposition.

None of the rights granted in this Section 7.1 shall be construed as duties, and the Collateral Agent shall have no liability for omitting to take such actions.

7.2 No Duty on the Part of Collateral Agent or Secured Parties.

(a) The powers conferred on the Collateral Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. The failure to act in the absence of any duty to act shall not be deemed an act of gross negligence or willful misconduct.

(b) The Collateral Agent has been appointed to act as Collateral Agent hereunder by the Lenders and, by their acceptance of the benefits hereof, the other Secured Parties. The Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including any release or substitution of Collateral), solely in accordance with this Agreement and the Loan Agreement.

(c) Notwithstanding any rights granted to the Collateral Agent hereunder to file or make filings to perfect the security interest granted to the Collateral Agent herein, the Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Collateral; for filing any financing or continuation statements or recording any documents or instruments in any public office or otherwise perfecting or maintaining the perfection of any security interest in the Collateral (all of which shall be each Grantor's responsibility); for the validity, perfection, priority or enforceability of the Liens in any of the Collateral; for the validity or sufficiency of the Collateral or any agreement or assignment contained therein; for the validity of the title of any grantor to the Collateral; for insuring the Collateral; or for the payment of taxes, charges or assessments on the Collateral.

7.3 Standard of Care; Collateral Agent May Perform.

(a) Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or any income therefrom or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral.

(b) The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

(c) The Collateral Agent shall not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Collateral Agent in good faith, except to the extent that such liability arises from the Collateral Agent's gross negligence or willful misconduct.

(d) Neither the Collateral Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise Dispose of any Collateral upon the request of any Grantor or otherwise.

(e) If any Grantor fails to perform any agreement contained herein, the Collateral Agent may itself (but shall have no obligation to) perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by each Grantor in a manner consistent with Section 11.03 of the Loan Agreement.

(f) The Collateral Agent has been appointed by the Lenders under the Loan Agreement and has the benefit of the rights and protections set forth therein, including that, notwithstanding any discretion given to it in any Loan Document, the Collateral Agent need not exercise discretion, but shall act as directed by the Required Lenders.

SECTION 8. REMEDIES.

8.1 Generally.

(a) If any Event of Default shall have occurred and be continuing, the Collateral Agent may exercise (at the direction of the Required Lenders) with respect to the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the

rights and remedies that the Collateral Agent may have or that are afforded to a secured party under the UCC or any other Applicable Law to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously, subject to Applicable Laws, including applicable Privacy Laws:

(i) require any Grantor to, and each Grantor hereby agrees that it shall, at its expense and promptly upon request of the Appropriate Party or the Collateral Agent forthwith, (A) provide to the Appropriate Party or the Collateral Agent additional information concerning the Collateral and (B) assemble all or part of the Collateral as directed by the Appropriate Party or the Collateral Agent and make it available to the Collateral Agent at a place to be designated by the Collateral Agent;

(ii) enter onto the property where any Collateral is located, if applicable and take possession thereof with or without judicial process (to the extent possession is not otherwise granted to the Collateral Agent by the applicable Grantors), with or without prior notice or demand for performance and without liability for trespass to enter any premises where any Collateral may be located for the purposes of taking possession of or removing any Collateral; provided that the Collateral Agent shall take commercially reasonable measures to protect the confidentiality of any Trade Secrets and other confidential information contained thereon;

(iii) prior to the Disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for Disposition in any manner to the extent the Collateral Agent deems appropriate;

(iv) give notice of exclusive control or any other instruction under any control agreement, collateral access agreement or other similar agreement and take any action provided therein with respect to the applicable Collateral;

(v) seek the appointment of a receiver, keeper or any agent to take possession of the Collateral and enforce any of the Collateral Agent's remedies (for the benefit of the Collateral Agent and the Secured Parties) with respect to such appointment without prior notice or hearing as to such appointment;

(vi) subject to compliance with the terms of Section 8.1(f), without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or non-exclusive basis), sublicense or otherwise Dispose of the Collateral or any part thereof in one or more parcels at public or private sale or on any securities exchange, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem appropriate (provided that such direct licenses or sublicenses survive even when the Event of Default no longer exists);

(vii) require any applicable Grantor, and each applicable Grantor hereby agrees that it shall, in connection with any foreclosure, collection, sale or other enforcement of the Liens granted hereunder: (1) to cooperate with the Collateral Agent to obtain all regulatory licenses, consents and other governmental approvals necessary or advisable to conduct all aviation operations with respect to the Collateral, as applicable, (2) to continue to operate and manage the Collateral and maintain all applicable licenses until the Collateral Agent or its designee does so and (3) to cooperate with the transition of the operations to a new operator; and

(viii) take any other actions specified in any Applicable Annex (or in any security instrument referenced in any Applicable Annex).

(b) The Collateral Agent, the Administrative Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC, and the Collateral Agent, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Applicable Law) all rights of redemption, stay or appraisal which it now has or may at any time in the future have under any rule of Law now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by Law, at least ten (10) days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Collateral Agent to Dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any Disposition of the Collateral are insufficient to pay all the Secured Obligations, the Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Collateral Agent to collect such deficiency. Each Grantor further agrees that a breach of any of its covenants contained in this Section will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law with respect to such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Secured Parties hereunder.

(c) The Collateral Agent may sell the Collateral without giving any warranties as to the Collateral. The Collateral Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) To the maximum extent permitted by the Applicable Law, each Grantor absolutely and irrevocably waives (which waiver may not be withdrawn without the written consent of the Collateral Agent acting at the direction of the Required Lenders):

(i) all claims, damages, and demands against the Collateral Agent or any other Secured Party arising out of the repossession, retention or Disposition of the Collateral (after the occurrence of and during the continuance of an Event of Default), except such as arise out of the gross negligence or willful misconduct of the Collateral Agent or such Secured Party as finally determined by a court of competent jurisdiction; and

(ii) the benefit and advantage of, and covenants not to assert against the Collateral Agent or any other Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral (after the occurrence of and during the continuance of an Event of Default), made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise.

(e) The Collateral Agent shall have no obligation to marshal any of the Collateral.

(f) Each Grantor hereby grants each Secured Party a non-exclusive, irrevocable, worldwide, transferable license (or sublicense) to use, license, sublicense and otherwise exercise such Grantor's rights in or to any Intellectual Property and any data (in each case, (i) whether or not included in the Collateral, (ii) subject to Applicable Laws, including applicable Privacy Laws and (iii) to the extent not in conflict with such Grantor's contractual obligations (not otherwise overridden by the UCC or Applicable Law) that exist as of the Closing Date with third parties), without payment of royalty or other compensation to such Grantor, solely to enable the Collateral Agent to exercise its rights and remedies under Section 8 of this Agreement and under the Annex Remedies Section of any Applicable Annex (or in any security instrument referenced in any Applicable Annex) after the occurrence, and solely during the continuance, of an Event of Default. This license is in addition to the Secured Parties' other rights with respect to the Collateral and is subject to the following:

AIRLINE may charge a daily or annual membership fee paid by the users in an amount consistent with AIRLINE's practices in the United States of America or provide complimentary or reduced fee access to select customers and guests based on AIRLINE established criteria that are consistent with AIRLINE's practices in the United States of America.

2. MAC reserves the right to contract for the sale to the public of food, beverages (including alcoholic beverages), tobacco, merchandise, personal services, and business services within Terminal 1 and Terminal 2, and to charge for the privilege so to do. Subject to the conditions set forth below, AIRLINE hereby consents to allow any Concessionaires within the Airport, if so authorized by MAC, to deliver goods (food and alcohol included) to any customer located within AIRLINE's holdroom areas. This consent includes allowing the Concessionaires or MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires to enter the AIRLINE's holdroom area for the purpose of delivering goods to the customer and securing payment. AIRLINE also consents to allow vendors, deliveries, and the general public to have reasonable access, through its holdrooms, to any concessions space which requires such access. The foregoing consent is given subject to the following conditions:

    a. MAC shall not allow any use of AIRLINE's holdroom areas by any Concessionaire or MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires in any way that could, as reasonably determined by AIRLINE, adversely impact AIRLINE's conduct of its airline operations from such holdrooms. At AIRLINE's request, MAC shall limit or modify Concessionaire's or MAC-approved contractors' or subcontractors' providing delivery services on behalf of the Concessionaires activities in AIRLINE's holdroom areas if necessary to prevent interference with AIRLINE's operations in or from such areas.

b. Prior to allowing any Concessionaires or MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires to AIRLINE's holdroom areas for the purposes described in this Section III.B.2, MAC shall require such Concessionaires and MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires to indemnify AIRLINE to the same extent such Concessionaires indemnify MAC with respect to claims and damages that arise out of Concessionaires' and MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires operations in AIRLINE's holdroom areas and to add AIRLINE as an additional insured to Concessionaires' and the MAC-approved contractors' or subcontractors' providing delivery services on behalf of the Concessionaires liability insurance policies required under MAC's agreement with such parties.

c. AIRLINE shall not be obligated to indemnify, defend, or hold harmless the Indemnitees from or against the actions, negligence, or willful misconduct of any Concessionaire or MAC-approved contractors or subcontractors providing delivery services on behalf of the Concessionaires.

MAC shall not authorize any other activity by any Concessionaire or MAC-approved contractor or subcontractor providing delivery services on behalf of the Concessionaires within AIRLINE's holdroom area without first consulting with AIRLINE in good faith and giving AIRLINE a reasonable opportunity to voice any objections it may have to such activity. However, if such activity involves the construction of improvements or placement of property in the AIRLINE'S holdroom area, consent by AIRLINE will be required and may be granted or withheld in AIRLINE'S sole and absolute discretion.

3. MAC reserves the right to assess the following fees and charges to suppliers of goods and services:

a. MAC may charge suppliers, including Airlines, of in-flight food and beverages and vending unless the supplier is an Airline that is supplying itself or its Affiliated Airline or Alliance Partner, provided that such charge shall not exceed 5% of gross receipts and a reasonable annual administrative fee, for their right to provide such products and services to AIRLINE or Airlines.

b. MAC shall have the right to charge suppliers to AIRLINE of goods and services, fees and rentals for exclusive use of MAC property or improvements thereon leased or licensed by such entity from the MAC or, as to suppliers not under contract with AIRLINE, when their use is such as to constitute the performance of a commercial business at the Airport.

c. MAC shall have the right to charge ground transportation companies, including AIRLINE, or ground transportation companies under agreement with AIRLINE, if regularly engaged in ground transportation business, for ground transportation of passengers or others to or from the Airport.

4. AIRLINE shall take all reasonable steps within its control so as not to unreasonably interfere with the effectiveness or accessibility of the drainage and sewage system, electrical system, air conditioning system, fire protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located on or within the Premises or the Airport.

All such disposal shall comply with the applicable regulations of the United States Department of Agriculture and shall be in compliance with this Agreement.

7. AIRLINE shall not keep or store, during any 24-hour period, flammable liquids within the enclosed portion of the Premises in excess of AIRLINE's working requirements during said 24-hour period, except in storage facilities and containers especially constructed for such purposes in accordance with standards established by the National Board of Fire Underwriters and approved by a governmental agency with authority to inspect such facilities for safety compliance. Any such liquids having a flash point of less than 100ºF shall be kept and stored in safety containers of a type approved by the Underwriters Laboratories.

8. AIRLINE shall promptly remove and dispose of any of AIRLINE'S disabled aircraft that obstruct any part of the Airport, including any parts thereof, subject, however, to any requirements or direction by the National Transportation Safety Board, the FAA, or the Executive Director that such removal or disposal be delayed pending an investigation of an accident. AIRLINE consents: that, if AIRLINE has not removed or disposed of any of AIRLINE'S disabled aircraft as set forth above, the Executive Director may take any and all necessary actions to effect the prompt removal or disposal of any of AIRLINE'S disabled aircraft that obstructs any part of the Airport; and that any costs incurred by or on behalf of MAC for any such removal or disposal of any of AIRLINE'S aircraft shall be paid by AIRLINE to MAC; that any claim for compensation against MAC, and any of its officers, agents, or employees, for any and all loss or damage sustained to any such disabled aircraft, or any part thereof, by reason of any such removal or disposal is waived; and that AIRLINE shall indemnify, hold harmless, and defend MAC, and all of its officers, agents, and employees against any and all liability for injury to or the death of any person, or for any injury to any property arising out of such removal or disposal of said aircraft.

9. Unless otherwise authorized by this Agreement, AIRLINE shall not maintain or operate on the Airport a cafeteria, restaurant, bar, or cocktail lounge, stand, or any other facility for the purpose of providing (and AIRLINE shall not otherwise provide) food, beverages, tobacco, or merchandise for sale to the public. Notwithstanding the foregoing, during irregular operations, AIRLINE may provide its passengers with food and beverages at no charge.

10. MAC has provided for underground aircraft fueling facilities under agreements with Airlines and other users which agreements control as to installation, maintenance, and operation of the fueling facilities on the Terminal Apron and the Airport.

11. MAC may prohibit the use of the Airfield or Terminal Apron by any aircraft operated or controlled by AIRLINE which exceeds the design strength of the paving of the Airfield or Terminal Apron facilities, so long as such prohibition also extends to similar aircraft operated by other Airlines.

12. Except as otherwise authorized by this Agreement, AIRLINE shall not install, maintain or operate in Terminal 1 or Terminal 2, or authorize the installation, maintenance, or operation in Terminal 1 or Terminal 2, of any vending machine or device designed to dispense or sell food, beverages, tobacco, or merchandise of any kind.

13. Access to or egress from the Airport and the AIRLINE's Premises shall not be used, enjoyed, or extended to any person engaging in any activity or performing any act or furnishing any service for or on behalf of AIRLINE that is not authorized under the provisions of this Agreement unless expressly authorized by MAC.

14. Subject to AIRLINE's consent and AIRLINE's rights and obligations hereunder, MAC retains the right to install all public telephones, facsimile machines, and other telecommunications devices and conduit in the Premises leased to AIRLINE, and to collect the proceeds therefrom.

15. MAC may designate points at which all-cargo flights may load and unload.

16. Except as otherwise authorized by this Agreement, AIRLINE shall not sell, take orders for, or deliver duty free merchandise and international travel merchandise on any outbound flight from the Airport under a program in which AIRLINE solicits or accepts order for purchase by passengers of duty free merchandise at any time prior to the departure of AIRLINE's aircraft on the outbound flight from the Airport.

17. AIRLINE shall not contract to provide Ground Handling services and shall not permit the use of its Premises through a Ground Handling agreement except in accordance with the terms and conditions of this Agreement.

18. Except as otherwise provided in this Agreement, MAC reserves the right to place advertising or sponsorship displays in all areas of the Airport, except within AIRLINE's Exclusive Use Space or on any equipment owned by Airline; provided, however, that (a) any MAC advertising display shall not unreasonably interfere with the use of AIRLINE's Premises by AIRLINE, or its Affiliates or Alliance Partners, and (b) AIRLINE shall have the right to disapprove of any and all advertising proposed in its Preferential Use Space in AIRLINE's sole and absolute discretion, subject to the procedure herein. With respect to proposed advertisements in AIRLINE's Preferential Use Space, MAC shall provide AIRLINE with the location of the proposed advertising, drawings and specifications for the proposed advertising, and such other information as reasonably requested by AIRLINE to review such proposed advertising. Within 30 days' after AIRLINE's receipt of the foregoing information for such proposed advertising, AIRLINE shall respond whether it approves or disapproves, in its sole and absolute discretion, such advertising. AIRLINE's failure to respond shall be subject to notice and cure as and to the extent provided hereunder, but, in no event, shall AIRLINE be deemed to have approved any such advertising due to its failure to respond within the required time period. If AIRLINE does not expressly approve such proposed advertising, such proposed advertising shall not be installed in AIRLINE's Preferential Use Space. AIRLINE shall not sell any advertising space anywhere within the Airport, including but not limited to within its Leased Premises or on any information display equipment that AIRLINE may own, whether such equipment is located within AIRLINE's Leased Premises or not, unless otherwise agreed by MAC in its sole and absolute discretion.

C. USE OF THE INTERNATIONAL ARRIVALS FACILITY

MAC will control prioritization and utilization of the IAF and associated gates for international arrivals by Airlines and may develop prioritization procedures not inconsistent with the terms of this Agreement.

1. In order to use the International Arrivals Facility, AIRLINE must obtain and maintain all necessary government approvals to operate such international Flights. AIRLINE shall provide MAC all reasonably necessary information and copies of government approvals including scheduling, inter-line, code-share or other information, upon request. MAC retains the right to verify the status of AIRLINE to determine whether AIRLINE qualifies to use the IAF. Other than DELTA international Flights which shall be accommodated at Terminal 1 unless otherwise agreed to by DELTA, MAC will determine to which terminal to assign an international Flight. In making such determination, MAC will consider reasonable factors, including but not limited to:

    a. If such Airline is a Signatory Airline;

    b. If such Airline leases Exclusive Use Space or Preferential Use Space at Terminal 1;

    c. If such Airline has an inter-line or code-share agreement with a Signatory Airline operating at Terminal 1 on a Preferential Use gate;

d. If such Airline is providing International Regularly Scheduled Airline Service;

e. If such international Flight is seasonal or year-round;

f. Input from US Customs and Border Control; and

g. Gate, ramp, and ticket counter availability.

2. Gates G1 through G10 and associated passenger loading bridges, ramp access and lobby and baggage facilities on Concourse G currently leased by DELTA are available for access to the International Arrivals Facility based on the following priority of use:

a. International Regularly Scheduled Airline Service.

b. DELTA or a DELTA Affiliated Airline domestic arrivals and departures.

c. Non-scheduled irregular or delayed international charter arrivals when the expected delay for the flight to use the Terminal 2 facility will exceed 90 minutes and the use of an IAF gate will not interfere with the scheduled use of that gate. Such interference shall be defined as the overlap of the non-scheduled use with the scheduled use such that the scheduled flight will have to be relocated to another concourse for its operation or will have to wait for a gate due to the unavailability of any gate. DELTA has committed to MAC to designate an individual on site to give necessary approvals.

3. So long as DELTA leases gates G1-G10 or any supplemental or replacement gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC that it shall provide all Ground Handling at the IAF gates subject to either (i) air carrier self-handling rights contained in AIP grant assurances, at rates that do not exceed those specified in the applicable IATA ground handling agreement, or (ii) the authorized use of a third party ground handling company to provide Ground Handling at the IAF gates upon a requesting airline executing the memorandum of understanding included as Exhibit W. Further, so long as DELTA leases gates G1-G10 or any supplemental or replacement gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC to provide Airlines with reasonable access to DELTA data and communications systems at gates G1-G10; provided, however, that Airlines shall not have a right to utilize DELTA's computer equipment, make alterations to the gate holdroom or millwork, or use any system or equipment that DELTA reasonably determines may jeopardize or interfere with DELTA's operations.

4. So long as DELTA leases gates G1-G10, no Airline aircraft, other than a DELTA aircraft, will remain on gates G1-G10 over two hours if a narrow-body or three hours if a wide-body. So long as DELTA leases gates G1-G10 or any supplemental or replacement gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC that it will coordinate any moving of aircraft with MAC's operations department, FAA and appropriate federal inspections agencies.

5. AIRLINE, if it self-handles, or DELTA, if it provides Ground Handling to AIRLINE, on gates G1-G10, shall handle and dispose of all international waste on AIRLINE's aircraft in accordance with the requirements of the United States Department of Agriculture.

   So long as DELTA leases gates G1-G10 or any supplemental or replacement gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC that it will perform all maintenance, repair, and operation of MAC jet bridges provided by MAC as part of the IAF as and to the extent set forth in Section VIII.E. So long as DELTA leases gates G1-G10 or any supplemental or replacement gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC to make the MAC jet bridges available for use by all users of the IAF without charges in addition to those required to be paid hereunder.

6. The use by an Airline, including AIRLINE, if applicable, under this Section III. C. of a gate leased by DELTA shall be subject to the following conditions as well as applicable charges set forth herein:

   a. Any such Airline shall be responsible for the payment of all applicable fees and charges for its use of DELTA's premises pursuant to this Section III.C., including but not limited to appropriate IAF charges and overtime fees, and DELTA shall be released from any liability therefor.

   b. Except for Airlines landing under an emergency or other irregular operation, such Airline shall have an Airline Operating Agreement and Terminal Building Lease or other agreement with MAC. Such agreement shall include a provision that provides, in connection with such Airline's use of the premises of DELTA under this Section III.C.: (i) Airline shall indemnify, defend, release, and save harmless DELTA to the same extent that Airline indemnifies, defends, releases, and saves harmless MAC through its agreement for the period of use; (ii) the insurance and indemnification obligations therein shall inure to the benefit of the DELTA for the period of use; and (iii) Airline shall (A) ensure that its agents, employees, and contractors are properly qualified prior to operating any and all equipment, (B) secure jetway doors upon completion of use, and (C) be responsible for any cost DELTA or MAC incurs due to damage caused to DELTA's or MAC's premises or equipment (e.g. passenger boarding bridge) by Airline. DELTA shall be an intended third party beneficiary of such provision. If AIRLINE uses DELTA's premises under this Section III.C., AIRLINE hereby agrees, (i) it shall indemnify, defend, release, and save harmless DELTA to the same extent that AIRLINE indemnifies, defends, releases, and saves harmless MAC through this Agreement for the period of use, (ii) its insurance and indemnification obligations herein shall inure to the benefit of DELTA for the period of the use, and (iii) AIRLINE shall (A)

c. ensure that its agents, employees, and contractors are properly qualified prior to operating any and all equipment, (B) secure jetway doors upon completion of use, and (C) be responsible for any cost DELTA or MAC incurs due to damage caused to DELTA's or MAC's premises or equipment (e.g. passenger boarding bridge) by AIRLINE. DELTA is an intended third-party beneficiary of the foregoing sentence.

d. DELTA shall not be required to indemnify, defend, release, or save harmless MAC, its employees or agents with regard to any claim for damages or personal injury arising out of any other Airline's use of DELTA's premises under this Section III.C., except to the extent caused by the negligence or willful misconduct of DELTA.

e. DELTA shall not be liable to any Airline or any of its agents, employees, servants or invitees, for any damage to persons or property due to the condition or design or any defect in DELTA's premises used by any Airline under this Section III.C. which may exist or subsequently occur, and any such Airline, with respect to it and its agents, employees, servants and invitees shall be deemed to have expressly assumed all risk and damage to persons and property, either proximate or remote, by reason of the present or future condition or use of DELTA's premises under this Section III.C.

7. MAC shall ensure that any such Airline using DELTA's premises under this Section III.C. has in full force and effect MAC's required insurance coverages, except Airlines without a written agreement with the MAC.

D. USE OF COMMON USE SPACE AND PUBLIC AREAS

MAC shall have exclusive control and management of Common Use Space in accordance with this Agreement and MAC's Rules and Regulations and Ordinances. AIRLINE's, its Affiliates' and its Alliance Partners' passengers, employees, officers, invitees, contractors, subcontractors, agents, and representatives shall have the right to use the space, facilities and conveniences of the Airport provided by MAC for use by aircraft passengers and other persons, including, without limitation, the circulation space, restrooms, lobbies, concession space, and other like facilities; provided, however, that such use (1) shall be in common with others authorized to so use such facilities, space, and conveniences, (2) shall be only at the times, to the extent and in the manner for which they are made available for use, and (3) shall be subject to applicable security directives and requirements and MAC's Rules and Regulations and Ordinances.

expressly set forth herein, from MAC as to any matters concerning the MAC-Owned Systems and Equipment, and further agrees to assume all risk of loss, damage and injury arising out of, or alleged to have arisen out of, AIRLINE's use of the MAC-Owned Systems and Equipment except to the extent arising from the negligence or willful misconduct of MAC or any of its contractors, or subcontractors or any of their respective employees, agents, or representatives; provided, however, that if (a) AIRLINE suffers damages due to the negligence or willful misconduct of MAC or its employees in connection with the MAC-Owned Systems and Equipment, and (b) a Majority-In-Interest of Signatory Airlines disapprove the purchase of a policy under Section VI.M that would have provided insurance coverage for such damages and as a result such damages are not covered by insurance, AIRLINE hereby waives any claim it may have against MAC or its employees for such damages to the extent they would have been covered by the aforementioned insurance. AIRLINE hereby waives all claims to special, indirect, and consequential damages, which shall include but not be limited to, losses of use, income, profit, financing, business and reputation, that might be asserted by AIRLINE against MAC or its commissioners, officers, employees, or directors, in connection with MAC's providing or maintaining the MAC-Owned Systems and Equipment, except (a) to the extent such damages arise from the gross negligence or willful misconduct of MAC or its commissioners, officers, directors, or employees, in which case AIRLINE may recover from parties and in amounts in accordance with common law unaltered by this Agreement, or (b) damages recoverable under insurance policies described herein, or would have been so recoverable if insurance had been properly maintained in accordance with this Agreement. The foregoing shall not waive any rights or obligations under Minnesota Statutes Section 466.01 *et seq.* or limit any other form of immunity available to MAC or its commissioners, officers, employees, or directors under law or at equity. All content and data feeds on MAC-Owned Systems and Equipment shall be subject to MAC control and written approval, not to be unreasonably withheld, conditioned, or delayed; provided however, that the foregoing shall not be deemed to grant MAC any license or right to use AIRLINE's intellectual property without AIRLINE's authorization.    a. All partitions subject to MAC approval as to materials, methods of attachment and workmanship.

   b. All utilities, including cost of all roughing-in, and all electrical, mechanical and plumbing fixtures for exclusive use of AIRLINE, except as provided above (other than for the outbound baggage area (DELTA), which will be provided by the MAC).

   c. All furniture, equipment and fixtures necessary for the conduct of AIRLINE's business, including gate lobby seating, ticket counter inserts, AIRLINE owned jet bridges, scales and baggage handling equipment (other than for the outbound baggage area (DELTA), which will be provided by the MAC), including housings and doors as required, signs and flight schedules, which shall all be subject to approval of MAC, acting reasonably.

   d. All electrical energy consumed by AIRLINE, excluding lighting in baggage make-up area, gate lobbies, the outbound baggage area (DELTA) and mezzanine, to be metered separately and paid for by AIRLINE to the utilities company or MAC at rates not exceeding those published for equivalent power consumption at this location.

   e. Electricity for lighting in outbound baggage area (DELTA), baggage make-up area, gate lobbies, and mezzanine will be provided by MAC.

   f. All other services and supplies not provided in Paragraph 1 of this Section IV.B. All installations by AIRLINE shall conform with the requirements of applicable local, state and federal building standards, submitted for MAC approval prior to construction, and shall be performed by competent contractors acceptable to MAC, acting reasonably.

C. JOINT USE SPACE - BAG CLAIM AREAS

1. MAC will provide in the Joint Use Space - bag claim area, all on the ground floor, the following:

   a. Finished floors and ceiling, finished walls, for all space excepting porter's toilet.

b. Standard lighting and maintenance thereof including re-lamping.

c. Heating and mechanical ventilation of space.

d. Baggage claim carousels.

2. Airlines using the Joint Use Space - bag claim area will provide the following in the Joint Use Space—bag claim area, and shall pay the pro rata share of the cost thereof:

a. All furniture, equipment (other than baggage handling equipment) and fixtures necessary from time to time.

b. All other services and supplies not provided by MAC under Paragraph 1 above.

D. MEASUREMENT OF SPACE

In calculating the area of space to be added to or deleted from this Agreement, all measurements to determine the area of space leased or used in Terminal 1 shall be made from the primary interior surface of the exterior walls and from the centerline to centerline of each interior wall, or, in the absence of such interior wall, the point where such said centerline would be located if such interior wall existed.

E. ACCOMMODATION OF OTHER AIRLINES

1. Promptly upon request from MAC, AIRLINE shall provide MAC with a copy of its public schedule on file with the FAA and a gate plot showing all times when its aircraft are scheduled to be utilizing each gate within AIRLINE's Preferential Use Space ("Preferential Use Gates") or Common Use Space ("Common Use Gates") including aircraft type, projected arrival and departure times, and point of origin or destination, including activities by subtenants or airlines being accommodated.

2. In furtherance of the public interest of having the Airport's capacity fully and more effectively utilized, it is recognized by AIRLINE and MAC that from time to time during the Term of this Agreement it may become necessary for the AIRLINE to accommodate another Airline within its Premises or for MAC, acting reasonably and in accordance with the terms and conditions hereof, unilaterally to require AIRLINE to accommodate another Airline(s) within AIRLINE's Premises as required for the following:

a. To comply with any applicable rule, regulation, order or statute of any governmental entity that has jurisdiction over MAC, and to comply with federal grant assurances applicable to MAC.

b. To implement a Capital Project at the Airport.

c. To facilitate the providing of air services at the Airport by an Airline ("Requesting Airline") when (i) MAC does not have sufficient space available to accommodate the Requesting Airline at existing Common Use Gates or on unassigned gates, (ii) no other Airline serving the Airport is willing to accommodate the Requesting Airline's operational needs or requirements for facilities at reasonable costs or on other reasonable terms, and (iii) MAC has determined, in accordance with the terms of Section 4 below, that AIRLINE is underutilizing its facilities or has capacity available.

d. To accommodate, on a short-term basis, the irregular activity ("Irregular Need") of another Airline (an "Irregular Need Airline") when no other Airline serving the Airport is willing to accommodate the Irregular Need of Airline. Notwithstanding the foregoing, to the extent possible, AIRLINE shall accommodate its own Irregular Need on its Preferential Use Gate(s). When such activity may not be accommodated on AIRLINE'S Preferential Use Gate(s), AIRLINE shall seek accommodation from other Airlines on its own through coordination among such Airlines' supervisors and managers. In the event accommodation cannot be found on another Airline's premises, AIRLINE may seek assistance from MAC. MAC's options shall include assigning use of non-leased gate premises, assigning a remote parking location, or requiring accommodation for an Irregular Need Airline on another Airline's Preferential Use Gate or Common Use Gate.

e. To accommodate a flight that has declared an emergency and such flight shall have priority over all other flight scheduling.

3. In responding to a request for facilities from a Requesting Airline or an Irregular Need Airline, MAC shall first work with the Requesting Airline or Irregular Need Airline to use existing Common Use Space or unassigned space in the same terminal as Requesting Airline operates (if applicable), if any is available.

4. When necessary because MAC is not able to accommodate a Requesting Airline and no Airline serving the Airport is willing to accommodate the Requesting Airline's operational needs or requirements for facilities at reasonable costs or on other reasonable terms, MAC shall make a determination as to whether any Airline has underutilized facilities or capacity available. In making such determination MAC shall act reasonably. Such determinations by MAC shall take into consideration the following:

a. The then existing utilization of AIRLINE's Premises (including any requirements for spare gates and accommodation of AIRLINE's Affiliates), the existing utilization of other Airlines of their premises, and any bona fide plan of AIRLINE or any other Airline for the increased utilization of the AIRLINE's Premises or such Airline's premises to be implemented within twelve (12) months thereafter (any non-public information provided by AIRLINE regarding planned or proposed routes, schedules or operations shall be treated as confidential by MAC to the maximum extent permitted by law).

b. The need for compatibility among the current schedules and any bona fide plan of AIRLINE or another Airline to modify its schedule, including RON requirements, flight times, operations, operating procedures and equipment of AIRLINE (and its Affiliate(s)) or any other Airline and those of the Requesting Airline as well as the need for labor harmony, facilities, resources, and other relevant factors.

c. The following turn times and gate occupancy:

The Requesting Airline must vacate the Preferential Use Gate(s) at least 45 minutes before the Accommodating Airline needs to commence using the Preferential Use Gate for enplaning passengers. The maximum gate occupancy by domestic narrow body aircraft for a Requesting Airline or an Irregular Need Airline shall be 45 minutes for an arrival, 45 minutes for a departure, or 1 hour and 30 minutes for a combined turn. The maximum scheduled gate occupancy by domestic wide body aircraft for a Requesting Airline or an Irregular Need Airline shall be 1 hour for an arrival, 1 hour for a departure, or 2 hours for a combined turn. The maximum gate occupancy by international narrow body aircraft for a Requesting Airline or an Irregular Need Airline shall be 1 hour for an arrival, 1 hour for a departure, or 2 hours for a combined turn. The maximum scheduled gate occupancy by international wide body aircraft for a Requesting Airline or an Irregular Need Airline shall be 1 hour and 15 minutes for an arrival, 1 hour and 15 minutes for a departure, or 2 hours and 30 minutes for a combined turn.

5. If MAC determines, using the factors above, that AIRLINE should accommodate a Requesting Airline, the following procedures shall apply:

a. Before MAC accommodates a Requesting Airline within AIRLINE's Premises, MAC must give AIRLINE ten (10) business days prior written notice of its intent, describing the Requesting Airline's request and MAC's efforts to accommodate it. AIRLINE must accept accommodation or notify MAC within ten (10) business days after AIRLINE's receipt of such notice that it wishes to meet with MAC to show cause why the accommodation should not be made.

b. If, after providing notification and, if requested, meeting with AIRLINE, MAC, acting reasonably, requires AIRLINE to accommodate the Requesting Airline, AIRLINE shall determine which of AIRLINE's Preferential Use Gates and ticket counters (if needed) will be used for the accommodation and the accommodation shall continue until the earliest of the date: (i) the Requesting Airline discontinues the flight or no longer requires accommodation; (ii) a Common Use Gate or unassigned space becomes available during a time that will accommodate the Requesting Airline's requested aircraft and schedule; or (iii) another Airline is willing to accommodate the Requesting Airline.

c. Either the Requesting Airline or AIRLINE may, six months after an accommodation commences, and no more often than once every six months thereafter, request that MAC review whether a Common Use Gate, unassigned space, or another Airline's Preferential Use Gate is available during a time that will accommodate the Requesting Airline's requested aircraft and schedule. MAC will reconsider all the factors in Section 4 in reviewing this request to relocate the Requesting Airline's operation.

d. During an Irregular Need, AIRLINE'S scheduled operations will have priority over any Accommodated Airline on its Premises. Notwithstanding the foregoing, in the event an Irregular Need of AIRLINE prevents its accommodation of a Requesting Airline, AIRLINE shall accommodate the Requesting Airline on another Preferential Use Gate assigned to AIRLINE when one becomes available, provided, however that AIRLINE agrees to use reasonable efforts to select a gate in close proximity to the gate originally designated by AIRLINE for the accommodation.

6. In the event that any portion of AIRLINE's Premises are used to accommodate a Requesting Airline or an Irregular Need Airline (in each such case, an "Accommodated Airline"), the following provisions shall apply:

a. AIRLINE shall not be required to change its current or future flight schedule as published on the day MAC receives the request from the Accommodated Airline.

b. Any aircraft occupying a gate longer than the timeframes set forth in Section IV.E.4.c. above may be required by AIRLINE to vacate the gate to accommodate other operations. Should this occur, upon AIRLINE's request MAC will notify the Accommodated Airline as soon as MAC becomes aware of the requirement, but in any event no later than 15 minutes before the time that actual vacating is required. Failure to vacate shall result in the imposition of reasonable overtime fees by AIRLINE to the Accommodated Airline. If an Accommodated Airline does not vacate a gate as required, and AIRLINE requires the use of such gate, upon AIRLINE's request MAC shall instruct the Accommodated Airline to remove its aircraft to another location leased by the Accommodated Airline or to a remote location as designated by MAC's agent. If failure of the Accommodated Airline to remove its aircraft results in AIRLINE requiring remote parking from MAC, MAC shall invoice the Accommodated Airline for any remote parking fees that would be charged to AIRLINE, and AIRLINE shall have no liability therefor.

c. The Accommodated Airline shall be responsible for the payment of all applicable fees and charges for its use of AIRLINE's premises, including but not limited to appropriate FIS charges and overtime fees, and AIRLINE shall be released from any liability therefor.

d. For the use of a Preferential Use Gate, AIRLINE shall be authorized to charge the Accommodated Airline no more than the sum of: (a) the Terminal 1 Common Use Gate Fee, and (b) a reasonable administrative fee, not to exceed fifteen percent (15%) of (a). For space other than gates, AIRLINE shall be authorized to charge the Accommodated Airline the sum of (x) the Accommodated Airline's pro-rata share of the rent and fees paid by AIRLINE for the space, and (y) a reasonable administrative fee, not to exceed fifteen percent (15%) of (x).

e. Except for Irregular Need Airlines who are not Signatory Airlines or airlines landing under an emergency, MAC shall require the Accommodated Airline to execute an Airline Operating Agreement and Terminal Building Lease or other agreement with MAC. Such agreement shall include a provision that provides, in connection with Accommodated Airline's use of the premises of the Airline providing accommodations (the "Accommodating Airline"): (i) Accommodated Airline shall indemnify, defend, release, and save harmless the Accommodating Airline to the same extent that the Accommodating Airline indemnifies, defends, releases, and saves harmless MAC through its agreement for the period of accommodation, (ii) the insurance and indemnification obligations therein shall inure to the benefit of the Accommodating Airline for the period of accommodation, and (iii) Accommodated Airline shall (A) ensure that its agents, employees, and contractors are properly qualified prior to operating any and all equipment, (B) secure jetway doors upon completion of use, and (C) be responsible for any cost Accommodating Airline or MAC incurs due to damage caused to Accommodating Airline's premises or equipment (e.g. passenger boarding bridge) by the Accommodated Airline. Accommodating Airline shall be an intended third party beneficiary of such provision. If AIRLINE is or becomes an accommodated Requesting Airline or Irregular Need Airline, in connection with its use of the Accommodating Airline's premises, AIRLINE hereby agrees, (i) it shall indemnify, defend, release, and save harmless the Accommodating Airline to the same extent that AIRLINE indemnifies, defends, releases, and saves harmless MAC through this Agreement for the period of accommodation, (ii) its insurance and indemnification obligations herein shall inure to the benefit of the Accommodating Airline for the period of the accommodation, and (iii) Airline shall (A) ensure that its agents, employees, and contractors are properly qualified prior to operating any and all equipment, (B) secure jetway doors upon completion of use, and (C) be responsible for any cost Accommodating Airline or MAC incurs due to damage caused to Accommodating Airline's premises or equipment (e.g. passenger boarding bridge) by AIRLINE. Any such Accommodating Airline is an intended third-party beneficiary of the foregoing sentence. An Accommodating Airline shall not be required to accommodate an Airline if such Airline's insurance and indemnification obligations are not satisfied. This Section shall not apply to Airlines without a written agreement with the MAC including such an Irregular Need Airline that is not a Signatory Airline or does not otherwise have any agreement with MAC or that are landing at the Airport in the event of an emergency.

f. AIRLINE shall not be required to indemnify, defend, release, or save harmless MAC, its employees or agents with regard to any claim for damages or personal injury arising out of any Accommodated Airline's use of AIRLINE's premises, except to the extent caused by the negligence or willful misconduct of AIRLINE.

g. AIRLINE shall not be liable to any Accommodated Airline or any of its agents, employees, servants or invitees, for any damage to persons or property due to the condition or design or any defect in the Premises which may exist or subsequently occur, and such Accommodated Airline, with respect to it and its agents, employees, servants and invitees shall be deemed to have expressly assumed all risk and damage to persons and property, either proximate or remote, by reason of the present or future condition or use of AIRLINE'S Premises.

h. MAC shall be responsible for ensuring that such Accommodated Airline has in full force and effect MAC's required insurance coverages, except Airlines without a written agreement with the MAC which may include an Irregular Need Airline that is not a Signatory Airline or that are landing at the Airport in the event of an emergency.

i. No Accommodated Airline shall have the right to use AIRLINE's computer equipment or make physical alterations to the gate holdroom or millwork.

j. Without limiting any other provision of this Agreement, AIRLINE's duty to accommodate another Airline shall be conditioned on and subject to the satisfaction of all requirements of this Section IV.E.6 by the Accommodated Airline.

7. In the event of a labor stoppage or other event which results in the permanent cessation or substantial reduction in AIRLINE's flights at the Airport, AIRLINE will immediately take all reasonable efforts, including but not limited to, moving of aircraft or equipment, providing access to AIRLINE's holdrooms and jet bridges or anything else in AIRLINE's control, in order to accommodate the operations of other Airlines providing air service to the Airport; provided that: (a) AIRLINE at all times will have access to its Premises and equipment for operational reasons and (b) AIRLINE shall not be required to take any action which would interfere with its ability to re-institute service upon cessation of labor stoppage or other event. Subject to a mutually acceptable agreement between MAC and AIRLINE covering such use, AIRLINE shall have the right to charge the fees set forth in Section IV.E.6.d. above and to require reasonable advance payment for such use of AIRLINE's gates, holdroom areas, and loading bridges.

8. Except as expressly set forth herein, the foregoing shall not be deemed to abrogate, change, or affect any restrictions, limitations or prohibitions on assignment or use of the AIRLINE's Premises by others under this Agreement and shall not in any manner affect, waive or change any of the provisions thereof.

F. WIDE BODY AND BOEING 757 ACCESS

Notwithstanding any other provisions in this Agreement, so long as DELTA leases such gates and unless otherwise agreed by MAC and DELTA, DELTA has committed to MAC that it will accommodate the requirements of any Requesting Airline for scheduled wide body or Boeing 757 (or similarly sized aircraft) service at one of its gates within Terminal 1, provided that: (1) Requesting Airline must not be able physically to accommodate such wide body or Boeing 757 (or similarly sized aircraft) service on any of its own leased premises; and (2) MAC will make all reasonable efforts to provide access for any narrow body aircraft operated by DELTA which is displaced. Any such Airline accommodated by Delta shall be deemed an "Accommodated Airline" and shall be subject to the applicable provisions of Section IV.E.6. above.

G. ACCESS AND RELOCATION

MAC shall have the right at any time or times to (a) close, relocate, reconstruct, change, alter, or modify any means of access to or egress from the Airport or AIRLINE's Premises, and (b) relocate AIRLINE's Premises in connection with the OI Program or other MAC Commission-approved Capital Improvement Program, either temporarily or permanently; provided that MAC provides reasonable notice to AIRLINE and that a reasonably convenient and adequate means of access, ingress, and egress or replacement portion of Premises, as applicable, shall exist or be provided in lieu thereof. This right is subject to the following conditions:

1. There shall not be a net increase in AIRLINE's Premises without AIRLINE's consent.
2. MAC must consult with AIRLINE to take any Premises away from AIRLINE.
3. Reasonable replacement facility space shall be provided.
4. Cost of work including Capital Costs associated with reestablishing AIRLINE's "in-kind" facilities, shall be borne by MAC and allocated to the appropriate cost center.
5. MAC shall compensate AIRLINE for the unamortized cost of any leasehold improvements to the extent that such improvements cannot be reused by AIRLINE in AIRLINE's new or existing space at the Airport.
6. If loss of space is 60 days or less there shall be no rent adjustment. If loss of space is temporary but greater than 60 days, AIRLINE's rent will be proportionately abated and the amount of the rent abatement shall be allocated to the appropriate cost center. If the loss of space is permanent, the Premises and corresponding rent shall be adjusted by a written lease amendment executed by the parties.

H. SHORT TERM GATES

The holdrooms, aircraft parking positions and operations space associated with gates as shown on Exhibit V (hereinafter referred to as "Short Term Gates") shall be made available to Airlines on the following basis in order to promote Airport access on fair and reasonable terms:

1. AIRLINE shall lease Short Term Gate space under its control on the same basis as provided in this Agreement, except as provided in this Section.

2. MAC may, in its discretion, cancel the lease of a Short Term Gate leased by AIRLINE if an Airline is proposing to add additional air service and desires to lease a gate directly from MAC or MAC needs to convert a Short Term Gate to Common Use Space to accommodate such additional air service. The following procedures shall be followed before a Short Term Gate lease may be cancelled:

   a. If an Airline is proposing to add additional air service and desires to lease a gate directly from MAC, MAC may in its discretion issue a notice to AIRLINE cancelling the lease of the applicable Short Term Gate. Such notice may become effective no earlier than ninety (90) days after it is delivered.

   b. In the event of a decision to cancel a Short Term Gate, MAC will work with AIRLINE in good faith to accommodate AIRLINE's schedule pursuant to the procedures of Section IV.E.

   c. MAC may extend the time periods set forth in this provision for good cause, e.g. the unavailability of replacement jet bridges or other ground equipment.

3. In the event MAC cancels the lease of a Short Term Gate pursuant to this Section IV.H., it shall compensate AIRLINE for the unamortized cost of improvements made to the leased premises of a Short Term Gate. AIRLINE shall retain and remove AIRLINE property (e.g. jet bridge or other ground equipment, computers, inserts) or may negotiate their sale.

4. The appearance of a Short Term Gate shall be "generic" i.e. generic carpet, neutral wall finishes and no distinguishing colors on the podium or backwall except as to improvements existing as of the date of this Agreement. AIRLINE may hang corporate banners or posters and name identification signs so long as they can be detached without significantly damaging the premises or AIRLINE commits to restoring the premises without cost to MAC.

5. If AIRLINE is leasing only one gate, MAC will not cancel the lease on such gate until all other Short Term Gates (excluding B14, B16, D1, D5) have been reclaimed by MAC provided that AIRLINE has maintained for each of the previous twelve consecutive months, and continues to maintain in its published schedule, an Average Daily Utilization at least equal to three departures on such Short Term Gate and AIRLINE has not been in default on any rental, security deposit, PFC or other payment obligation to MAC under this Agreement during the prior twelve consecutive months. For purposes of this provision "Average Daily Utilization" shall mean the number of AIRLINE's and any Affiliated Airline's scheduled aircraft departures using the gate with aircraft of fifty or more seats in a calendar month, divided by the number of days in that calendar month; provided, however, that if AIRLINE's or the Affiliated Airline's actual flight activity differs by more than five percent (5%) from its published schedule in any calendar month, MAC shall use AIRLINE's or the Affiliated Airline's actual total departures for purpose of calculating Average Daily Utilization.

6. If AIRLINE is leasing three (3) or fewer holdrooms from MAC, MAC agrees to not cancel the lease of more than one Short Term Gate AIRLINE may be leasing in accordance with the procedures identified in Section IV.H.2. as long as AIRLINE has adhered to the payment and utilization requirements identified within Section IV.H.5. for all leased gates for the previous twelve (12) consecutive months.

7. With respect to DELTA's Short Term Gates, MAC shall have the right to designate (a) Gate B14 as a Short Term Gate in which case Gate D5 shall no longer be designated a Short Term Gate and the terms and conditions of this Section IV.H. shall no longer apply to Gate D5 and/or (b) Gate B16 as a Short Term Gate, in which case Gates D1 shall no longer be designated a Short Term Gate and the terms and conditions of this Section IV.H. shall no longer apply to Gate D1.

I. RELINQUISHMENT OF PREMISES

1. Notice of Intent to Relinquish Premises

   If AIRLINE desires to relinquish any of its Premises, AIRLINE shall provide written notice to MAC thirty (30) days in advance of such relinquishment and shall identify in such notice all areas it wishes to relinquish. MAC shall make its best efforts to lease such areas to another Airline, to the extent the proposed relinquished Premises is suitable for another Airline.

2. Non-Waiver of Responsibility

   AIRLINE shall continue to be solely responsible pursuant to this Agreement for the payment of all rents, charges and fees related to the Premises until another Airline commences payment for said Premises as provided below.

3. Reduction of Rents, Fees, and Charges

AIRLINE's rents, fees and charges related to that portion of the Premises taken by another Airline, pursuant to such Airline's agreement with MAC, shall be reduced in the amount of the rent, fees and charges paid by such other Airline. This reduction shall begin only when the Airline that contracted with MAC for its use of the Premises begins payment for the Premises and shall end if such Airline becomes delinquent in payment for the Premises.

J. OUTBOUND BAGGAGE AREAS

MAC will provide an outbound baggage area that will include a Joint Use Space outbound baggage area for shared Airline use and a Preferential Use Space outbound baggage area for Airline use that is not shared.

K. SURRENDER OF PREMISES

1. Upon termination of this Agreement in its entirety, whether by its terms or by earlier cancellation, AIRLINE's rights to use the Premises, facilities, rights, licenses, services and privileges hereby given shall cease, and AIRLINE shall forthwith surrender possession to MAC.

2. All structures, fixtures, improvements, equipment and other property bought, installed, erected or placed by AIRLINE on the Premises or elsewhere on the Airport, including without limiting the generality thereof storage tanks, pipes, pumps, wires, poles, machinery and air conditioning equipment, shall be deemed to be personal property and remain the property of the AIRLINE, and AIRLINE shall have the right to remove the same if AIRLINE is not then in default; provided that, if AIRLINE elects to remove such property, AIRLINE shall remove its property within a period of ninety (90) days after termination, and shall restore the Premises to substantially the same condition as its condition as of the commencement of the Term hereof, ordinary wear and tear or damage by the elements, fire, explosion and other casualty excepted, but including any environmental restoration required of AIRLINE hereunder.

3. If AIRLINE's property is not so removed and the Premises restored prior to the expiration of the aforesaid period of ninety (90) days MAC shall thereafter have the right, by giving AIRLINE written notice thereof, to remove and store such property at AIRLINE'S cost, provided that MAC may immediately remove any property that is materially interfering with Airport operations after giving AIRLINE a reasonable opportunity to remove such property. If AIRLINE does not reimburse MAC for the costs of such removal and storage within an additional ninety (90) days thereafter, MAC may take title to such property and (a) take possession of such property, or (b) alternatively, cause such property to be sold or otherwise disposed of as MAC may elect, and AIRLINE hereby constitutes MAC its agent for the purpose of such removal and sale, and authorizes MAC in its sole discretion to determine the method of disposition. AIRLINE shall be responsible for any and all reasonable costs incurred by MAC in the removal of AIRLINE's property from the Premises and the disposition

4. thereof and for restoration of the Premises to substantially the same condition as existed prior to such removal, reasonable wear and tear and damage by casualty excepted. MAC shall pay over to AIRLINE any amount received from disposition of AIRLINE's property in excess of the cost of removal, disposition, and restoration. Notwithstanding the foregoing, for any of AIRLINE'S aircraft, aircraft engines, and aircraft parts not so removed from the Premises within the aforesaid ninety (90) day period, MAC shall thereafter have the right, by giving AIRLINE prior written notice thereof, to cause such property to be removed and stored at AIRLINE'S cost and expense but MAC may not sell or take ownership of such property.

5. MAC reserves the right to make a reasonable rental charge covering the period following termination of the Agreement to the date of removal of AIRLINE's property or until MAC gives AIRLINE notice of taking title thereto, or removal thereof, as set out above, provided that no charge shall be made for the first thirty (30) days following termination of the Agreement.

L. TELECOMMUNICATIONS ROOMS AND FIBER/CABLING

MAC may provide AIRLINE access to MAC telecommunication rooms, fiber-optic cable and associated infrastructure, depending on availability, pursuant to a separate license agreement. To the extent AIRLINE uses MAC telecommunication rooms, fiber-optic cable and associated infrastructure, AIRLINE agrees to do so according to the terms and conditions set forth in a MAC provided license agreement that is reasonably acceptable to AIRLINE, which shall be executed by MAC and AIRLINE. To the extent AIRLINE installs fiber/cabling within the Airport, AIRLINE agrees to follow MAC's Design and Construction Standards for such installation.

M. MONTH TO MONTH PREMISES

AIRLINE and MAC agree that the month-to-month premises shown on Exhibit T attached hereto are leased to AIRLINE on a month-to-month term; and that all of the terms and conditions of this Agreement, other than Article II, shall apply to such month-to-month premises.

V. RENTS, FEES, AND CHARGES

A. GENERAL

For use of the Premises, facilities, rights, licenses, services and privileges granted hereunder, AIRLINE agrees to pay MAC during the Term of this Agreement the rents, fees and charges as hereinafter described. Other than landing fees and the charges specified under Section V.B.8.a through h., all rents, fees and charges under Articles V and VI of this Agreement shall apply only to AIRLINE's use of Terminal 1. AIRLINE's use of Terminal 2 shall be governed by Ordinance 115, as the same has been or may be amended, or any other applicable ordinance.

B. RENTS, FEES, AND CHARGES

1. Landing Fees

AIRLINE shall pay to MAC monthly landing fees to be determined by multiplying the number of 1,000-pound units of AIRLINE's Total Landed Weight during the month by the then-current landing fee rate. The landing fee rate shall be calculated according to procedures set forth in Article VI.

2. Common Use Space Charges.

AIRLINE shall pay for its use of the Common Use Space, calculated according to procedures set forth in Article VI.

3. Terminal Apron Fees

AIRLINE shall pay to MAC monthly Terminal Apron fees to be determined by multiplying the number of lineal feet of Terminal Apron Preferential Use Space that is leased to AIRLINE (excluding Concourses A and B) during the month by the then-current Terminal Apron rate. AIRLINE shall pay to MAC monthly Terminal Apron fees associated with the Terminal Apron Preferential Use Space that is leased to AIRLINE for Concourses A and B to be determined by multiplying the number of lineal feet at the rate of fifty percent (50%) of the lineal feet associated with the Terminal Apron of Concourses A and B during the month by the then-current Terminal Apron rate. The Terminal Apron rate shall be calculated according to the procedures set forth in Article VI hereof.

4. Terminal 1 Building Rents and Surcharge

AIRLINE shall pay to MAC monthly Terminal 1 rentals and the Terminal 1 Repair and Replacement Surcharge for its Exclusive Use Space (janitored and unjanitored), Preferential Use Space and Joint Use Space in Terminal 1. The Terminal 1 rental rates shall be calculated according to the procedures set forth in Article VI.

Terminal 1 rentals and Terminal 1 Repair and Replacement Surcharge for Joint Use Space (except the IAF) shall be prorated among Signatory Airlines using the Joint Use Formula.

Terminal 1 rentals for Preferential Use Space and Exclusive Use Space shall be determined by multiplying the square feet of the applicable space times the then current Terminal 1 rental rate according to the procedures set forth in Article VI.

The Terminal 1 Repair and Replacement Surcharge for Preferential Use Space and Exclusive Use Space shall be shall be determined by multiplying the applicable square feet of the space times the then current Terminal 1 Repair and Replacement Surcharge rate.

5. Carrousel and Conveyor Charges

AIRLINE shall pay to MAC monthly carrousel and conveyor charges based upon Operation and Maintenance Expenses and Debt Service. The carrousel and conveyor charges shall be calculated according to the procedures set forth in Article VI and shall be prorated among Signatory Airlines using the Joint Use Formula, provided however, that as long as DELTA operates and maintains the Inbound BHS and Outbound BHS, such costs incurred by DELTA will be charged to AIRLINE as specified in Sections VIII.C and VIII.D.

6. IAF Gate Fees

If AIRLINE does not lease the applicable IAF gate as Preferential Use Space, AIRLINE shall pay to MAC monthly IAF gate fees determined by multiplying the number of arrivals at the IAF by AIRLINE's propeller aircraft, narrow-body jet aircraft, and wide-body jet aircraft by $400, $800, and $1,200, respectively. MAC may reasonably increase these rates at any time with 60 days' advance written notice to AIRLINE.

7. IAF Use Fees

AIRLINE shall pay to MAC monthly IAF use fees determined by multiplying the number of AIRLINE's international passengers arriving at the IAF during the month by the IAF use fee rate. The IAF use fee rate shall be calculated according to procedures set forth in Article VI.

8. Other Fees and Charges

AIRLINE shall pay to MAC reasonable fees for the various other services provided by MAC to AIRLINE. These services include, but may not be limited to, the following:

a. Use of Terminal 2 and the Terminal 2 ramp at rates established from time to time by MAC.

1. Contents and Due Date

Without any demand therefor AIRLINE shall furnish MAC on or before the 10th day of each and every month, the IAF reports and an accurate written report of AIRLINE's operations during the preceding month, setting forth all data necessary to calculate the AIRLINE's fees and charges due under this Agreement. Said report shall be in a format prescribed by MAC and shall include the following: (a) AIRLINE's actual aircraft revenue flight arrivals at the Airport by type of aircraft, Maximum Certificated Gross Landing Weight of each type of aircraft, and Total Landed Weight; (b) the total number of Enplaned Passengers, Deplaned Passengers, and Non-Revenue Passengers and Through Passengers of AIRLINE at the Airport, breaking Enplaned Passengers into originating and connecting passengers; (c) the amount of domestic and international cargo, mail, and express packages (in pounds) enplaned and deplaned by AIRLINE at the Airport; (d) the total number of scheduled and nonscheduled aircraft operations at the Airport; and (e) a summary reflecting all of AIRLINE's actual flight activity by aircraft type for gates, and the IAF. MAC may require AIRLINE to submit such reports through a portal or other database prescribed by MAC.

AIRLINE shall also provide to MAC a separate report for each Affiliated Airline. AIRLINE shall provide to MAC additional reports MAC may reasonably request.

2. Failure to Report

If AIRLINE fails to furnish MAC with the monthly activity report by the due date, AIRLINE's landing fees, IAF gate fees, and IAF use fees, as provided for hereinafter, shall be determined by assuming that AIRLINE's activity factor, as appropriate for each fee, for such month was one hundred percent (100 percent) of its activity factor, as appropriate for each fee, during the most recent month for which such data are available for AIRLINE. Any necessary adjustment in such fees shall be calculated after an accurate report is delivered to MAC by AIRLINE for the month in question. Resulting surpluses or deficits shall be applied as credits or charges to the appropriate invoices in the next succeeding month.

3. Inspection and Maintenance of Records

AIRLINE shall maintain records, accounts, books and data with respect to its operations at the Airport sufficient to permit MAC to calculate and verify the rents, fees and charges due under this Agreement, which shall cover a period of not less than three (3) years beyond the end of AIRLINE's fiscal year in which such record was created. Such records shall be subject to inspection and audit by MAC at all reasonable times.

D. SECURITY DEPOSITS

1. Unless AIRLINE has provided regularly scheduled passenger, all cargo or combination flights to and from the Airport for the twelve (12) months immediately prior to AIRLINE's execution of this Agreement (or immediately prior to the assignment of this Agreement to AIRLINE) without an act or omission having occurred that would have been an event of default under Article XIV of this Agreement if this Agreement had been in effect during this period, AIRLINE shall provide MAC upon the execution of this Agreement (or upon the assignment of this Agreement to AIRLINE) with a contract bond, irrevocable letter of credit or other security acceptable to MAC ("Contract Security") in an amount equal to the total of three (3) months' estimated rents, fees and charges payable by AIRLINE under Article V of this Agreement plus three (3) months' estimated PFC collections under this Article V, to guarantee the faithful performance by AIRLINE of all of its obligations under this Agreement and the payment of all rents, fees, and charges due hereunder and of all PFCs due to MAC. Such Contract Security shall be in such form and with such company licensed to do business in the State of Minnesota as shall be acceptable to MAC within its reasonable discretion.

2. AIRLINE shall be obligated to maintain Contract Security in an amount equal to MAC's estimate of three months' rents, fees, and charges plus three (3) months' estimated PFC collections payable hereunder and to maintain this Contract Security in effect until the expiration of twelve (12) consecutive months (including any period prior to AIRLINE's execution of this Agreement during which AIRLINE provided regularly scheduled flights to and from the Airport) during which no event of default under Article XIV of this Agreement (and for any such prior period, no act or omission that would have been such an event of default hereunder) has occurred. If such Contract Security should be canceled, AIRLINE shall provide a renewal or replacement Contract Security for the period required pursuant to this Section. AIRLINE shall provide at least sixty (60) days prior written notice of the date on which any Contract Security expires or is subject to cancellation.

3. If an event of default, beyond any applicable notice and cure period, under Section XIV. A. 1, 2, or 5 of this Agreement shall occur, MAC shall have the right, by written notice to AIRLINE given at any time within ninety (90) days of such event of default, to impose or reimpose the requirements of this Section on AIRLINE. In such event, AIRLINE shall within ten (10) days from its receipt of such written notice provide MAC with the required Contract Security and shall thereafter maintain such Contract Security in effect until the expiration of the required period during which no event of default under Article XIV of this Agreement occurs. MAC shall have the right to reimpose the requirements of this Section on AIRLINE each time an event of default occurs during the Term of this Agreement. MAC's rights under this Section shall be in addition to all other rights and remedies provided it under this Agreement.

4. To the extent that AIRLINE holds any property interest in PFC funds collected for the benefit of MAC, AIRLINE hereby pledges to MAC and grants MAC a first priority security interest in such funds, and in any and all accounts into which such funds are deposited.

5. Affiliated Airlines are excluded from the Contract Security requirement in this Section V.D.

E. PAYMENT PROVISIONS

1. Terminal rentals for Exclusive Use Space and Preferential Use Space, fees per the Joint Use Formula, and Terminal Apron Fees shall be due and payable the first day of each month in advance without invoice from MAC.
2. Within ten (10) days following the last day of each month, AIRLINE shall transmit to MAC payment for the amount of landing fees, IAF gate fees, and IAF use fees incurred by AIRLINE during said month, as computed by AIRLINE without invoice from MAC.
3. For Common Use Space charges, AIRLINE shall transmit to MAC payment within ten (10) days following receipt of an invoice from MAC, for the charges incurred by AIRLINE during the previous month.
4. All other rents, fees, or charges set forth herein, including supplemental billings for year-end adjustments, if any, shall be due within thirty (30) days of the date of the invoice therefor.
5. The acceptance by MAC of any payment made by AIRLINE shall not preclude MAC from verifying the accuracy of AIRLINE's report and computations or from recovering any additional payment actually due from AIRLINE.
6. Any payment not received within thirty (30) days of the due date shall accrue interest at the rate of 1.5 percent per month measured from the due date until paid in full.
7. Payments shall be made to the order of the "Metropolitan Airports Commission." AIRLINE agrees to use electronic transfer of funds as the method of payment.
8. Any non-electronic payments shall be sent to the following address or such other place as may be designated by MAC from time to time:

   Metropolitan Airports Commission
   NW-9227 PO Box 1450
   Minneapolis, MN 55485

F. NET AGREEMENT

This is a net agreement with reference to rents, fees, and charges paid to MAC. AIRLINE shall pay all taxes, fees, or assessments of whatever character that may be lawfully levied, assessed, or charged by any governmental entity upon the property, real and personal, occupied, used, or owned by AIRLINE, or upon the rights of AIRLINE to

occupy and use the Premises, or upon AIRLINE's improvements, fixtures, equipment, or other property thereon, or upon AIRLINE's rights or operations hereunder. AIRLINE shall have the right at its sole cost and expense to contest the amount or validity of any tax or license as may have been or may be levied, assessed, or charged.

G. NO OTHER FEES AND CHARGES

Except as expressly provided for this Agreement, no further rents, fees, or similar charges shall be charged against or collected from AIRLINE by MAC for the Premises, facilities, rights and licenses expressly granted to AIRLINE in this Agreement. Further, except as expressly provided for in this Agreement, including but not limited to Section III.B.3., or MAC Rules and Regulations and Ordinances, no further rents, fees, or similar charges shall be charged against or collected from AIRLINE's shippers, and receivers of freight and express packages and its suppliers of goods and services, by MAC for the Premises, facilities, rights and licenses granted to AIRLINE in this Agreement.

H. PASSENGER FACILITY CHARGES

MAC expressly reserves the right to assess and collect PFCs in accordance with the PFC Regulations. The following shall apply to the collection of PFCs:

1. AIRLINE shall hold the net principal amount of all PFCs that are collected by AIRLINE or its agents on behalf of MAC in trust for MAC as and to the extent required by the PFC Regulations. For purposes of this Section, net principal amount shall mean the total principal amount of all PFCs that are collected by AIRLINE or its agents on behalf of MAC, reduced by all amounts that AIRLINE is permitted to retain pursuant to the PFC Regulations.

2. In the absence of additional regulations governing the treatment of refunds, any refunds of PFCs due to passengers as a result of changes of itinerary shall be paid proportionately out of the net principal amount attributable to such PFCs and the amount that AIRLINE was permitted to retain under the PFC Regulations attributable to such PFCs. AIRLINE hereby acknowledges that the net principal amount of all PFCs collected on behalf of MAC shall remain at all times the property of MAC, except to the extent of amounts refunded to passengers pursuant to the preceding sentence (which shall remain the property of MAC until refunded and become the property of the passenger upon and after refund) or are otherwise not considered property of the airport operator under the PFC Regulations. Other than the amounts that AIRLINE is entitled to retain pursuant to the PFC Regulations, AIRLINE shall be entitled to no compensation.

3. In the event AIRLINE fails to remit PFC revenues to MAC within the time limits required by the PFC Regulations, such event shall be an event of default subject to Article XIV of this Agreement.

I. NON-WAIVER

The acceptance of fees by MAC for any period or periods after a default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by AIRLINE, shall not be deemed a waiver of any right on the part of MAC to terminate this MSP Airline Agreement 1-1-19 VI. Calculations of Rents, Fees, and Charges Agreement for failure by AIRLINE to perform, keep or observe any of the terms, covenants or conditions of this Agreement.

J. NON-SIGNATORY LANDING FEES

The landing fee rate charged to any Airline that is not a Signatory Airline shall be in accordance with the rates established by ordinance from time to time by MAC.

K. AFFILIATED AIRLINES

Affiliated Airlines (including AIRLINE if it is an Affiliated Airline) shall not count for the purpose of apportioning the fixed (i.e. 20%) portion of the Joint Use Formula, but their Enplaned Passengers shall be included in assessing and apportioning the variable (i.e. 80%) portion of the Joint Use Formula to the Airline for which they are an Affiliate while flying as an Affiliate of such Airline at the Airport. If AIRLINE has designated an Airline as an Affiliated Airline, AIRLINE hereby unconditionally guarantees all rents, fees and charges including passenger facility charges of any Affiliated Airline so designated by AIRLINE while it is flying on behalf of AIRLINE at the Airport, and upon receipt of notice of payment default by such Affiliated Airline (with a copy to AIRLINE), AIRLINE will pay such amounts to MAC on demand pursuant to the payment provisions of this Agreement. AIRLINE must give MAC thirty (30) days advance written notice in order to designate an Airline as an Affiliated Airline or to revoke such status.

L. ALLIANCE PARTNERS

Alliance Partners shall not count for the purpose of apportioning the fixed (i.e. 20%) portion of the Joint Use Formula, but their Enplaned Passengers shall be included in assessing and apportioning their share of the variable (i.e. 80%) portion.

VI. CALCULATION OF RENTS, FEES, AND CHARGES

A. GENERAL

Each Fiscal Year, rents, fees, and charges will be reviewed and recalculated based on the principles and procedures set forth in this Article VI. The annual costs associated with each of the indirect cost centers shall be allocated to each of the applicable Airport Cost Centers based on the allocations as set forth in Exhibit M, Indirect Cost Center Allocation, which allocations may be reasonably adjusted from time to time by MAC and approved by a Majority-In-Interest of Signatory Airlines. Such approval may not be unreasonably withheld. Such allocation adjustment shall be deemed approved by a Majority-In-Interest of Signatory Airlines unless MAC receives, within forty-five (45) days after emailing or mailing such allocation adjustment: (a) written responses from a Majority-In-Interest of Signatory Airlines and such responses signify that a Majority-In-Interest of Signatory Airlines disapprove of such allocation adjustment or (b) a certificate from the chair of the MSP Airport Affairs Committee stating such disapproval, with supporting documentation establishing that a Majority-In-Interest of Signatory Airlines disapprove of such allocation adjustment.

B. CALCULATION/COORDINATION PROCEDURES

1. AIRLINE shall provide to MAC: (a) on or before August 1 of each year a preliminary estimate of Total Landed Weight and Enplaned Passengers for the succeeding calendar year of AIRLINE and each Affiliated Airline, unless separately reported to MAC by such Affiliated Airline; and (b) on or before October 1 of each year a final estimate of such weight. If the final estimate is not so received, MAC may continue to rely on the preliminary estimate for the MAC budgeting process. MAC will utilize the forecast in developing its preliminary calculation of Total Landed Weight and Enplaned Passengers for use in the calculation of rents, fees, and charges for the ensuing Fiscal Year.

2. On or before October 15 of each Fiscal Year, MAC shall submit to AIRLINE a preliminary calculation of rents, fees, and charges for the ensuing Fiscal Year. The preliminary calculation of rents, fees, and charges will include, among others, MAC's estimate of all revenue items, Operation and Maintenance Expenses, Debt Service, Capital Outlays, required deposits, including amounts necessary to be deposited in the Coverage Account in order to meet MAC's rate covenant under the Trust Indenture, and Rentable Space.

3. Within fifteen (15) days after receipt of the preliminary calculation of rents, fees, and charges, if requested by the Signatory Airlines, MAC shall schedule a meeting between MAC and the Signatory Airlines to review and discuss the proposed rents, fees, and charges.

4. MAC shall then complete a calculation of rents, fees, and charges at such time as the budget is approved, taking into consideration the comments or suggestions of AIRLINE and the other Signatory Airlines.

5. If, for any reason, MAC's annual budget has not been adopted by the first day of any Fiscal Year, the rents, fees, and charges for the Fiscal Year will initially be established based on the preliminary calculation of rents, fees, and charges until such time as the annual budget has been adopted by MAC. At such time as the annual budget has been adopted by MAC, the rents, fees, and charges will be recalculated, if necessary, to reflect the adopted annual budget and made retroactive to the first day of the Fiscal Year and any difference shall be charged, credited, or refunded to AIRLINE and paid or credited by AIRLINE or MAC, as applicable, within thirty (30) days thereafter.

6. If, during the course of the year, MAC believes significant variances exist in budgeted or estimated amounts that were used to calculate rents, fees, and charges for the then current Fiscal Year, MAC may after notice to Airlines adjust the rents, fees, and charges to reflect current estimated amounts.

C. LANDING FEES

MAC shall calculate the landing fee rate in the following manner and as illustrated in Exhibit N.

1. The total estimated "Airfield Cost" shall be calculated by totaling the following annual amounts:
    a. The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Airfield cost center.
    b. The estimated direct and allocated indirect Debt Service net of amounts paid from PFCs or grants allocable to the Airfield cost center.
    c. The cost of Runway 17/35 deferred and not yet charged will be charged through December 31, 2035 at $79,535.16 annually.
    d. The Landing Fee Repair and Replacement Amount.
    e. The amount of any fine, assessment, judgment, settlement, or extraordinary charge (net of insurance proceeds) paid by MAC in connection with the operations on the Airfield, to the extent not otherwise covered by Article X hereof.
    f. The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indentures, including, but not limited to, its Debt Service reserve funds directly or indirectly allocable to the Airfield cost center. MAC agrees to exclude from the calculation of landing fees the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Senior Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenants under the Trust Indentures.
2. The total estimated Airfield Cost shall be adjusted by the total estimated annual amounts of the following items to determine the "Net Airfield Cost":
    a. Service fees received from the military, to the extent such fees relate to the use of the Airfield;
    b. General aviation and non-signatory landing fees;
    c. Debt Service on the Capital Cost, if any, disapproved by a Majority-In-Interest of Signatory Airlines.
3. The Net Airfield Cost shall then be divided by the estimated Total Landed Weight (expressed in thousands of pounds) of the Signatory Airlines operating at the Airport to determine the landing fee rate per 1,000 pounds of aircraft weight for a given Fiscal Year.

D. TERMINAL APRON FEES

MAC shall calculate the Terminal Apron rate in the following manner and as illustrated in Exhibit N.

1. The total estimated "Terminal Apron Cost" shall be calculated by totaling the following annual amounts:
    a. The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Terminal Apron cost center.
    b. The estimated direct and allocated indirect Debt Service net of amounts paid from PFCs or grants allocable to the Terminal Apron cost center (excluding hydrant fueling repairs and modifications).
    c. The cost of Concourse A and B Apron Area deferred and not yet charged will be charged through December 31, 2035 at $159,950.19 annually.
    d. The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indentures, including, but not limited to, its Debt Service reserve funds directly or indirectly allocable to the Terminal Apron cost center. MAC agrees to exclude from the calculation of Terminal Apron fees the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Senior Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenants under the Trust Indentures.
    e. The Terminal Apron Repair and Replacement Amount.
2. The Terminal Apron Cost shall then be divided by the total estimated lineal feet of Terminal Apron, to determine the Terminal Apron rate per lineal foot for a given Fiscal Year. For the purposes of this calculation, lineal feet of Terminal Apron shall be computed as the sum of the following:
    a. Lineal feet of the Terminal Apron (excluding the Terminal Apron associated with Concourses A & B); and
    b. Fifty percent (50%) of lineal feet of the Terminal Apron associated with Concourse A & B.

E. TERMINAL 1 BUILDING RENTS

MAC shall calculate the Terminal 1 building rental rate for unjanitored and janitored space in the Terminal 1 building as set forth in subsections 1 and 2 of this Section VI.E.

1. MAC shall calculate the Terminal 1 building rental rate for unjanitored space in the Terminal 1 building in the following manner and as illustrated in Exhibit N.

   a. The total estimated Terminal Building Cost shall be calculated by totaling the following annual amounts:

      1) The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Terminal Building cost center.

      2) The estimated direct and allocated indirect Debt Service net of amounts paid from PFCs or grants allocable to the Terminal Building cost center.

      3) The cost of Concourse A, B, C and D deferred and not yet charged will be charged through December 31, 2035 at $2,910,547.40 annually.

      4) The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indentures, including, but not limited to, its Debt Service reserve funds directly or indirectly allocable to the Terminal 1 cost center. MAC agrees to exclude from the calculation of Terminal Rents the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Senior Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenants under the Trust Indentures.

   b. The total estimated Terminal Building Cost shall be reduced by the total estimated annual amounts of the following items to determine the “Net Terminal Building Cost”:

      1) Reimbursed expense:

         a) IAF Operation and Maintenance Expenses;

         b) Carrousel and conveyor Debt Service and Operation and Maintenance Expense;

         c) Ground power;

         d) Loading dock;

         e) Concession utilities, and

         f) Items described in Section VI.K. and VI.M. to the extent directly reimbursed.

2) Janitorial Operation and Maintenance Expenses incurred by MAC.

c. The Net Terminal Building Cost shall then be divided by the total estimated Rentable Space in the Terminal 1 building to determine the Terminal 1 building rental rate per square foot for unjanitored space for a given Fiscal Year. (See Initial Rentable Square Footage, Exhibit O).

2. MAC shall calculate the Terminal 1 building rental rate for janitored space by totaling the following rates and as illustrated in Exhibit N:

a. The Terminal 1 building rental rate per square foot for unjanitored space for a given Fiscal Year, as calculated in this Section; and

b. An additional rate per square foot, the janitored rate, calculated by dividing the total estimated direct Janitorial Operation and Maintenance Expenses, as determined by MAC, by the total janitored space in the Terminal 1 building (excluding MAC and mechanical space).

F. CARROUSEL AND CONVEYOR CHARGE

1. MAC shall calculate the carrousel and conveyor charge by totaling the following annual amounts: equipment charges associated with the carrousel and conveyor (if any), including annual Debt Service; Operation and Maintenance Expense; and service charge (if any).

2. MAC shall prorate the carrousel and conveyor charge among the Signatory Airlines using the Joint Use Formula.

3. Notwithstanding anything herein to the contrary, so long as DELTA operates and maintains the Inbound BHS and Outbound BHS, such costs incurred by DELTA will be charged to AIRLINE as specified in Sections VIII.C and VIII.D.

G. IAF USE FEES

The IAF use fee for use of the IAF shall be based upon:

1. The cost of the maintenance and operation of the International Arrivals Facility which may include, but is not limited to:

a. utilities;

b. cleaning:

c. maintenance (including the costs of maintaining the security equipment that existed as of April 1998);

d. police, fire, and administrative cost allocation;

e. costs of providing passenger baggage carts, if any;

f. costs of providing staff parking for federal inspections agency staff; and

g. $35,064 per month for recoupment for lost rental area in the G Concourse.

2. Costs associated with the operation of dual international arrivals facility locations at the Airport, based on the appropriate allocation of costs between the two facilities, not otherwise funded by the federal inspections agencies including, but not limited to additional personnel and equipment used by those agencies; and

3. Estimated direct and allocated indirect Debt Service, if any.

Each Fiscal Year, the IAF use fee shall be calculated by first summing the budgeted costs for items (1) through (3) above and then dividing by total estimated passengers arriving at the IAF. AIRLINE shall be billed for IAF use fees monthly, and such use fees shall be set annually at an estimated charge through MAC's budget process and then adjusted at year end for actual costs and actual passengers arriving at the IAF pursuant to certified audit by MAC's external auditors and such difference shall be charged, refunded, or credited to AIRLINE and paid or credited by AIRLINE or MAC within thirty (30) days thereafter.

On a monthly basis for compensation for use of gates G1-G10 for scheduled international aircraft arrivals, so long as the applicable gates are leased by DELTA, MAC shall pay DELTA, $400, $800 and $1,200, for each arrival by, respectively, propeller aircraft, narrow-body jet aircraft or wide-body aircraft at the IAF. MAC may reasonably increase these rates at any time with 60 day advance written notice to DELTA.

H. YEAR-END ADJUSTMENTS OF RENTS, FEES, AND CHARGES

1. As soon as practical following the close of each Fiscal Year, but in no event later than July 1, MAC shall furnish AIRLINE with an accounting of the costs actually incurred and revenues and credits actually realized during such Fiscal Year with respect to each of the components of the calculation of the rents, fees, and charges calculated pursuant to this Article broken down by rate making Airport Cost Center.

2. In the event AIRLINE's rents, fees, and charges billed during the Fiscal Year exceed the amount of AIRLINE's rents, fees, and charges required (as recalculated based on actual costs and revenues), such excess shall be refunded or credited to AIRLINE.

3. In the event AIRLINE's rents, fees, and charges billed during the Fiscal Year are less than the amount of AIRLINE's rents, fees, and charges required (as recalculated based on actual costs and revenues), such deficiency shall be charged to AIRLINE in a supplemental billing.

4. This section does not apply to Common Use Space charges. This provision shall survive an expiration or termination of this Agreement.

I. REVENUE SHARING

1. Subject to Section VI.J, in conjunction with its year-end adjustments of rents, fees and charges, MAC will rebate to AIRLINE a percentage of the Annual Gross Revenues for Selected Concessions for the most recent Fiscal Year under the following schedule ("Revenue Sharing").

    a. For Fiscal Years 2019 and 2020, if the Enplaned Passenger Growth Percentage for the most recent Fiscal Year is one percent or less, the Revenue Sharing percentage for that Fiscal Year shall be 31.00%. For Fiscal Years after 2020, if the Enplaned Passenger Growth Percentage for the most recent Fiscal Year is one percent or less, the Revenue Sharing percentage for that Fiscal Year shall be 33.00%.

    b. For Fiscal Years 2019 and 2020, if the Enplaned Passenger Growth Percentage for the most recent Fiscal Year is more than one percent, the Revenue Sharing percentage for that Fiscal Year shall be the sum of (i) 31.00% and (ii) one-half of the Enplaned Passenger Growth Percentage. For Fiscal Years after 2020, if the Enplaned Passenger Growth Percentage for the most recent Fiscal Year is more than one percent, the Revenue Sharing percentage for that Fiscal Year shall be the sum of (i) 33.00% and (ii) one-half of the Enplaned Passenger Growth Percentage.

2. The total Revenue Sharing rebate shall be allocated among the Signatory Airlines according to their pro rata share of Enplaned Passengers for the most recent Fiscal Year and shall be structured as a post-year-end rebate to AIRLINE issued by MAC no later than 240 days following each Fiscal Year, subject to correction following any applicable audit. If AIRLINE is in default, as specified in Section XIV.A., beyond any applicable notice and cure period, MAC shall have the right, (a) for monetary defaults, to set off against any Revenue Sharing rebate otherwise due AIRLINE under this Section the amounts, if any, then due and owing by AIRLINE to MAC under this Agreement, and (b) for non-monetary defaults for which damages can be reasonably estimated in MAC's reasonable discretion, to withhold from the Revenue Sharing otherwise due AIRLINE under this Section such amount that is reasonably necessary to cure the default and/or remedy the damage to MAC plus an additional 25 percent (25%) so long as such default remains uncured. Any amounts withheld may be withheld by MAC until the applicable default is cured; at which such time MAC shall rebate any amount withheld to AIRLINE, less any amounts actually incurred by MAC to cure such default and any amounts necessary to remedy financially calculable harm to MAC that actually occurred due to such default. Any offset or reduction in the total rebate payable to any Airline made pursuant to (a) above shall be retained by MAC. Any offset or reduction in the total rebate payable to any Airline made pursuant to (b) above (but not amounts merely withheld) shall be retained by MAC, less any amount rebated to AIRLINE. An Affiliated Airline of AIRLINE shall not be entitled to Revenue Sharing, however its Enplaned Passengers shall be included in the calculation of AIRLINE's share of Revenue Sharing. An EAS Airline shall not be entitled to Revenue Sharing.

3. Notwithstanding the foregoing, MAC shall have the right to reduce the amount of Revenue Sharing with respect to any Fiscal Year to the extent necessary so that the Net Revenues of the MAC taking into account the Revenue Sharing for such Fiscal Year will not be less than 1.25x of the total Debt Service of MAC for such Fiscal Year. In the event that the Revenue Sharing is reduced in any Fiscal Year by any amount (the "Deferred Revenue Sharing Amount") as a result of the operation of this Article VI, MAC will accrue the Deferred Revenue Sharing Amount and credit such amount to the Signatory Airlines in the subsequent Fiscal Year (or, if such amount may not be credited in accordance with this Article VI in such subsequent Fiscal Year, then such amount will be credited in the next succeeding Fiscal Year in which such credit may be issued in accordance with this Article VI).

J. REVERSION TO ALTERNATE RATE STRUCTURE

1. Notwithstanding anything in the Lease or any other agreement between MAC and AIRLINE, in the event AIRLINE is not in compliance with any payment obligation under any agreement with the MAC during the period following any applicable notice and cure period herein or therein and continuing until payment of any such amounts (the "Payment Default Period"), MAC will have the right, upon written notice to AIRLINE (provided that, if AIRLINE is in bankruptcy, no notice shall be required for the effectiveness of MAC's exercise of such right, in each case so long as AIRLINE is invoiced by MAC for the amounts payable pursuant to the Alternate Rate Structure instead of Section V.B and Article VI and all such invoices reference the additional amounts due as a result of such payment default and set forth the applicable rates that are then in effect as a result of such payment default), to: (i) have AIRLINE's payment obligations under the Lease during the Payment Default Period be governed by the Alternate Rate Structure instead of the rate structure set forth in Section V.B and Article VI, and (ii) apply the amount of any Rate Differential for AIRLINE during such period and the amount of any accrued and unpaid Revenue Sharing credits (if any) otherwise due to AIRLINE pursuant to Article VI for the Payment Default Period against any amounts owed by AIRLINE to MAC to the extent necessary to cure such payment defaults.

K. AIRLINE SERVICES PROVIDED BY MAC IN TERMINAL 1

1. Scope and Costs

In accordance with the terms of this Section VI.K, AIRLINE agrees to reimburse MAC for providing the services described in this Section that generally benefit the Signatory Airlines using Terminal 1 or that primarily benefit AIRLINE. Except as and to the extent set forth in Section VI.K.4. below, MAC is under no obligation to provide any of these airline services. However, if MAC agrees to provide the services it shall charge AIRLINE as specified in this Section VI.K.

2. Existing Services

For existing services historically provided by Airlines, the costs of providing such services will be recovered by MAC as follows: (a) if the services generally benefit the Airlines utilizing Terminal 1, the costs will be assessed using the Joint Use Formula; or (b) if the services primarily benefit a limited number of Airlines utilizing Terminal 1, MAC will directly bill those Airlines benefiting from the services their pro rata share based on Enplaned Passengers.

These airline services include but are not limited to porter services, security line management services, and technology related services such as flight information displays, ticket counter back wall monitors, and content management systems (but exclude future services, Employee Screening services, and services addressed elsewhere in this Agreement), the costs of which are not otherwise included in and recovered through the other rents, fees and charges assessed under this Article VI. Additionally, these airline services shall also include security costs for law enforcement officers within the ticketing or baggage claim or concourse areas of Terminal 1 to the extent these law enforcement officers are specifically requested by one or more Signatory Airlines and are in addition to the law enforcement officers MAC typically provides.

3. Future Services

For future related airline services provided by MAC, AIRLINE shall reimburse MAC for the costs of such services in the manner described in Section VI.K.2, unless such costs are disapproved by a Majority-In-Interest of the Terminal 1 Signatory Airlines in accordance with the procedures in Section VII.B.1. Majority-In-Interest review shall not be required any services that primarily benefit a limited number of Airlines if those Airlines agree to pay for and be directly billed for those services.

4. Terminal 1 Airline Employee Screening

Effective January 1, 2019, MAC shall begin performing (through a 3rd party contractor) the screening of AIRLINE's and its contractors' and subcontractors' employees who enter secure areas from within Terminal 1 ("Employee Screening."). This does not include AIRLINE employees entering secure, SIDA, or AOA areas from outside Terminal 1 such as the Airfield gates or other buildings at the Airport. The indemnification obligations of AIRLINE set forth in Section X.A. shall apply to this Section. MAC shall have sole and absolute discretion establishing Employee Screening locations and, subject to fulfilling its obligations in this Section, MAC makes no guarantee that existing AIRLINE or MAC screening locations will continue to be operated or available for screening functions; provided, however, that such locations shall be sufficient to perform the Employee Screening in a timely manner. Should MAC elect not to provide Employee Screening at an existing AIRLINE operated Employee Screening location, AIRLINE may continue to provide Employee Screening for its own

employees and contractors at its own cost and expense at such location, provided that MAC may require such location to be closed at any time, in MAC's sole discretion, and AIRLINE may elect to close such location at any time. Employee Screening will be performed at locations that screen employees of other tenants, contractors, and subcontractors at the Airport and/or MAC's and its contractors' and subcontractors' employees. At any time, MAC may elect to transfer responsibility for Employee Screening to the Transportation Security Administration (or successor agency) if and to the extent the Transportation Security Administration (or successor agency) is willing to assume such responsibility, and AIRLINE shall reasonably cooperate with MAC to facilitate such move. Any expense MAC incurs for Employee Screening attributed to Signatory Airlines will be prorated among the Signatory Airlines using the Joint Use Formula and AIRLINE's proportionate share shall be billed to AIRLINE directly. MAC may, upon 365 days' advance notice to AIRLINE, stop performing Employee Screening.

L. TERMINAL 1 COMMON USE SPACE CHARGES

Use of and charges for Common Use Space in Terminal 1 shall be governed under a Memorandum of Understanding between MAC and any Airline that desires to use such Common Use Space at Terminal 1. AIRLINE agrees that such Memorandum of Understanding will be superseded and no longer in effect if a MAC Ordinance and/or Rules or Regulations are adopted that governs use of and charges for Common Use Space at Terminal 1.

M. MAC-OWNED SYSTEMS AND EQUIPMENT AND UTILITIES INSURANCE COSTS

MAC may seek to procure certain insurance policies, additional coverages and/or additional limits for the benefit of MAC and/or Airlines that insure against losses incurred by MAC and/or Airlines related to the failure or outage of MAC-Owned Systems and Equipment and/or the failure or outage of utilities or services described in Section VIII.A.4 (such as power, water, gas, fiber, HVAC, etc.). In connection with such procurement, upon AIRLINE's timely request, AIRLINE shall have the opportunity to participate in the procurement and review of any such insurance policies (including the continuation of policies not yet in place as of the effective date of this Agreement if premiums will increase by more than 10%), and MAC shall consider, in good faith, AIRLINE's comments, position, and concerns regarding such procurement. If any such policies are procured, AIRLINE shall reimburse MAC for premiums and other related costs of such insurance policies in the manner described below, unless such insurance policies are disapproved by a Majority-In-Interest of Signatory Airlines in accordance with the procedures in Section VII.B.1 and as modified below, in which case MAC may still elect to procure such insurance policies, but may not charge such insurance premium costs directly to Airlines, but such insurance premium costs will be reasonably allocated by MAC to all Airport Cost Centers that benefit from such insurance policies. Eighty percent (80%) of the premium costs for such insurance policies that are not disapproved by a Majority-In-Interest of Signatory Airlines (except that, for purposes of disapproval under this section, the MII rules will be altered by replacing references to a majority of all Signatory Airlines with reference to a majority of all Signatory Airlines responding to the notice) shall be allocated on a reasonable basis by MAC to Terminal 1 and Terminal

2, and twenty percent (20%) of such premium costs shall be reasonably allocated to other Airport Cost Center(s) that benefit from such insurance policies. Such insurance premium costs allocated to Terminal 1 will be charged to Terminal 1 Signatory Airlines using the Joint Use Formula. Such allocated insurance premium costs allocated to Terminal 2 will be included in Terminal 2 rates and charges prescribed by MAC Ordinance. Notwithstanding anything herein to the contrary, any insurance policies procured under this Section VI.M. shall be primary with respect to any damages covered thereby and respond prior to any insurance AIRLINE is required to maintain hereunder, provided that where more than one party is at fault each party's insurance shall be primary with respect to that party's portion of the liability.

VII. CAPITAL EXPENDITURES

A. GENERAL

1. Subject to the provisions of Sections B and D of this Article, MAC may incur costs to plan, design, and construct Capital Projects to preserve, protect, enhance, expand, or otherwise improve the Airport System, or parts thereof, at such time or times as it deems appropriate, and may recover through airline rents, fees, and charges the costs of such Capital Projects.

2. MAC will use its best efforts to obtain and maximize federal and state grants, including MNDOT and AIP grants.

3. Subject to the provisions of this Article, MAC may pay the Capital Cost associated with any Capital Project using funds lawfully available for such purposes as it deems appropriate, and may issue Airport Bonds and Other Forms of Indebtedness in amounts sufficient to finance any Capital Project.

4. Nothing in this Agreement, including this Article VII, shall be interpreted: (a) to impair the authority of MAC to (i) impose a Passenger Facility Charge or (ii) use the Passenger Facility Charge revenue as required by the PFC legislation or PFC Regulations; (b) to restrict MAC from financing, developing or assigning new capacity at the Airport with Passenger Facility revenue if and to the extent such restriction would not violate the PFC legislation or PFC Regulations; (c) to preclude MAC from funding, developing, or assigning new capacity at the Airport with PFC revenue in any manner required by the PFC legislation or the PFC Regulations; or (d) to prevent MAC from exercising any other right it is required to retain by the PFC legislation or PFC Regulations if and to the extent it is so required to be retained by the PFC legislation or PFC Regulations.

5. Annually MAC shall submit to each Signatory Airline a report on the Capital Projects that MAC plans to commence during a Fiscal Year. MAC may from time to time amend or supplement such report for the then-current Fiscal Year by providing supplementary notice to each Signatory Airline. The report (or supplemental report) shall contain the following information:

    a. A description of each Capital Project, together with a statement of the need for and benefits to be derived from each Capital Project.

b. A schedule of estimated project costs and proposed funding sources for each Capital Project.

c. A notice requesting MII approval of the Capital Projects, if any, that are subject to MII review.

6. If MAC determines that it is in the Airport's interest to purchase improvements, equipment or to make other capital expenditures which are outside the scope of this Agreement but which may benefit an Airline, MAC may enter into a supplemental agreement with the affected Airline to provide for the payment of the costs of such purchase.

B. CAPITAL PROJECTS SUBJECT TO MII REVIEW

MAC may not recover through airline rents, fees, or charges the Capital Costs, including the Off-Airport Aircraft Noise Costs, of any Capital Project in the Airfield Cost Center whose gross project costs exceed five million dollars ($5,000,000) without being approved by a Majority-in-Interest of Signatory Airlines.

1. Each Capital Project, which is subject to this Section B, shall be deemed to be "Approved by a Majority-In-Interest of Signatory Airlines" unless MAC receives, within forty-five (45) days after emailing or mailing the report specified in Section A of this Article, either: (a) written responses from a Majority-In-Interest of Signatory Airlines and such responses signify that a Majority-In-Interest of Signatory Airlines disapprove such Capital Project or (b) a certificate from the chair of the MSP Airport Affairs Committee, with supporting documentation establishing that a Majority-In-Interest of Signatory Airlines disapprove such Capital Project.

2. MAC may proceed with any Capital Project that was disapproved by a Majority-In-Interest of Signatory Airlines; provided, however, that MAC may not recover through airline rents, fees, or charges the Capital Costs, including the Off-Airport Aircraft Noise Costs, of any disapproved Capital Project.

C. CAPITAL PROJECTS NOT SUBJECT TO MII REVIEW

Without the prior approval of a Majority-In-Interest of Signatory Airlines, MAC may incur costs to plan, design, and construct at such time or times as it deems appropriate, and may recover through airline rents, fees, and charges the costs of the following Capital Projects:

1. Any Capital Project that is not in the Airfield Cost Center.

2. Any Capital Project in the Airfield Cost Center that is necessary to comply with a rule, regulation, or order of any governmental agency, other than an ordinance of MAC, which has jurisdiction over the operation of the Airport.

3. Any Capital Project in the Airfield Cost Center that is necessary to satisfy a final judgment against MAC rendered by a court of competent jurisdiction.

4. Any Capital Project in the Airfield Cost Center that is necessary to repair casualty damage, the cost of which exceeds the proceeds of applicable insurance; provided that the MAC may recover the Capital Cost of such repair only to the extent that the cost of reconstruction or replacement exceeds the insurance proceeds available for such purposes.

D. MAJORITY-IN-INTEREST WAIVER

AIRLINE agrees that MAC may include in its capital improvement program up to $72 million per Fiscal Year (in 2018 dollars) for miscellaneous Capital Projects ("Contingency Projects") as determined by MAC. Notwithstanding any other provision of this Agreement, these Contingency Projects may include at MAC's discretion projects to be included in the Airfield Cost Center, and this Agreement shall be deemed to be AIRLINE'S approval (if required) of any such Capital Project without any requirement for Majority-In-Interest review.

E. TERMINAL 1 OPERATIONAL IMPROVEMENTS PROGRAM

MAC is the in the process of planning and implementing the OI Program. The OI Program is a series of projects through 2023 to completely overhaul Terminal 1 arrivals and departures level, for the benefit of passengers and the entire Airport community. AIRLINE acknowledges that elements of the OI Program, including but not limited to the following, will materially impact and change AIRLINE's operations both during and after the construction of the program:

1. Remodeling and relocation of airline ticket offices and baggage service offices.
2. Installation of ticket counter backwall monitors, which will be owned and maintained by MAC. Implementation of content management system to operate ticket counter backwall monitors.
3. Installation of automated bag drop devices throughout the ticket lobby.
4. Installation of new inbound baggage system.

AIRLINE agrees to cooperate with MAC in good faith to ensure the efficient and timely completion of the OI Program and acknowledges that such cooperation may require reasonable accommodation of other Airlines within AIRLINE's Preferential Use Space and Exclusive Use Space in accordance with Section IV.E. The drawings and the estimated timelines associated with the various phases of each project associated with the OI Program are available to AIRLINE upon request of MAC. MAC shall cooperate with AIRLINE and the other Signatory Airlines and shall use commercially reasonable efforts to minimize, to the greatest extent possible, the adverse impact of the OI Program on AIRLINE's operations.

F. CONCOURSE G PROJECT

Subject to finalization of plans and financing therefor, MAC intends to improve the customer experience at Concourse G of Terminal 1 by expanding, modernizing, and reallocating square footage in Concourse G intended to improve circulation, holdroom, concession, and Airline Club space to support the current Flight activities and anticipated future Flight activities at Concourse G (collectively, the "Concourse G Project"), and

AIRLINE acknowledges that MAC intends to undertake the Concourse G Project; provided, however, that AIRLINE's acknowledgement shall in no way limit MAC's rights or obligations under the MAC Board of Commissioners-adopted Capital Improvement Program (CIP); a copy of the most recent CIP is available on the MAC website.

VIII. INSTALLATION, MAINTENANCE, AND UTILITIES

A. OBLIGATIONS OF MAC

1. MAC shall maintain and operate the Airport in conformance with all rules and regulations of the FAA and any other governmental agency having jurisdiction thereover, provided that nothing herein contained shall be deemed to require MAC to enlarge the Airport, to make expansions or additions to the landing areas, runways or taxiways, or other appurtenances of the Airport. In limitation of the foregoing, it is expressly agreed that if funds for the provision, maintenance and operation of the control tower, instrument landing system, ground control approach and/or other air navigation aids or other facilities required or permitted by the United States and needed by AIRLINE for AIRLINE's operation at the Airport, which are now, or may hereafter be furnished by the United States, are discontinued MAC shall not be required to furnish such facilities; provided, however, that if AIRLINE cannot operate from the Airport or its operations are materially impaired due to such services no longer being provided, AIRLINE shall have the right to seek rent abatement from MAC during such period.

2. Except as otherwise specifically provided herein, MAC during the Term of this Agreement shall, in accordance with acceptable FAA standards, and other applicable statutes or regulations, operate, maintain, and keep in good repair the Airport, including vehicular parking spaces, and all appurtenances, facilities and services therein, including, without limiting the generality hereof, all field lighting and other appurtenances, facilities and services which MAC is to furnish hereunder, Common Use Space, Joint Use Space, and public space. MAC shall make repairs thereto, though caused by negligence of AIRLINE or its employees, agents, or invitees. MAC may recover from AIRLINE such portion of the cost of such repairs caused by negligence of AIRLINE or its employees, agents, or invitees as is not recoverable through MAC's insurance on such damaged or destroyed structures or facilities.

3. It is further agreed that nothing in this Agreement shall prevent MAC from making such commitments to the Federal Government or to the State of Minnesota as may be required in order to qualify for the expenditure of Federal or State funds on the Airport. Such commitments shall be without prejudice to AIRLINE's right to claim damages therefrom. In furtherance of the foregoing, MAC shall:

    a. Keep the Airport reasonably free from obstructions, including the removal and clearing of snow, grass, stone, or other foreign matter as necessary and with reasonable promptness from the runways, taxiways and loading areas, and areas immediately adjacent thereto in order to insure the safe, convenient, and proper use of the Airport by AIRLINE and others.

b. Keep public areas of Terminal 1 and Terminal 2 adequately supplied, equipped, furnished and decorated, and operate and maintain a public address system and adequate directional signs in Terminal 1 and Terminal 2 and throughout the Airport, including but not limited to signs indicating the location of public restaurants, restrooms, newsstands, telephones, telegraph, baggage counters, and all other facilities for passenger or public use in Terminal 1 and Terminal 2 or elsewhere on the Airport.

4. MAC shall:

Provide and supply adequate heat, conditioned air, water and adequate lighting for Terminal 1 and Terminal 2 and loading ramps, and adequate field lighting on or for the Airport (See Section IV.B. for certain obligations), and provide reasonable access to existing sewer, water, heating/cooling, electrical and other available utilities in Terminal 1 and Terminal 2, with cost of connection to be borne by Airlines. MAC shall make diligent and commercially reasonable efforts to supply AIRLINE with these services; provided, however, that if MAC makes such diligent and commercially reasonable efforts, but fails to provide any of said utilities or services, said failure shall not constitute a constructive eviction. Further, MAC shall not be liable to AIRLINE for, and AIRLINE expressly releases and discharges MAC from, any and all claims, demands and causes of action that the AIRLINE may now or hereafter have against MAC, and any reduction in rents, fees and charges, arising or alleged to have arisen out of any interruption of utility services (i) to the extent any utility shall become unavailable from any public utility company, public authority, or any other independent person or entity supplying or distributing such utility except to the extent caused by the negligence or willful misconduct of MAC, its contractor, or subcontractor or any of their respective employees, agents, or representatives, or (ii) for any interruption in any service hereunder (including, without limitation, any heating, ventilation or air-conditioning) caused by the making of any necessary repairs or improvements except to the extent caused by the negligence or willful misconduct of MAC, its contractor, or subcontractor or any of their respective employees, agents, or representatives, or (iii) which results from any cause beyond the MAC's reasonable control and not caused by the negligence or willful misconduct of MAC, its contractor, or subcontractor or any of their respective employees, agents, or representatives; provided, however, that if (a) AIRLINE suffers damages due to the negligence or willful misconduct of MAC or its employees in connection with utilities, and (b) a Majority-In-Interest of Signatory Airlines disapprove the purchase of a policy under Section VI.M that would have provided insurance coverage for such damages and as a result such damages are not covered by insurance, AIRLINE hereby waives any claim it may have against MAC or its employees for such damages to the extent they would have been covered by the aforementioned insurance.

AIRLINE hereby waives all claims to special, indirect, and consequential damages, which shall include but not be limited to, losses of use, income, profit, financing, business and reputation, that might be asserted by AIRLINE against MAC or its commissioners, officers, employees, or directors, in connection with MAC's providing or maintaining utilities, except (a) to the extent such damages arise from the gross negligence or willful misconduct of MAC or its commissioners, officers, directors, or employees, in which case AIRLINE may recover from parties and in amounts in accordance with common law unaltered by this Agreement, or (b) damages recoverable under insurance policies described herein, or would have been so recoverable if insurance had been properly maintained in accordance with this Agreement. The foregoing shall not waive any rights or obligations under Minnesota Statutes Section 466.01 *et seq.* or limit any other form of immunity available to MAC or its commissioners, officers, employees, or directors under law or at equity. All content and data feeds on utility systems shall be subject to MAC control and written approval, not to be unreasonably withheld, conditioned, or delayed; provided, however, the foregoing shall not be deemed to grant MAC any license or right to use AIRLINE's intellectual property without AIRLINE's authorization.

a. Provide janitors and other cleaners necessary to keep the areas outlined in Exhibit P, the unleased Rentable Space, and the field and runway areas of the Airport at all times safe, clean, neat, orderly, sanitary, and presentable. AIRLINE may provide janitorial services in its Preferential Use holdroom areas if in the judgment of MAC's Executive Director the level of cleaning meets MAC's consistently applied standards.

b. Provide space in Terminal 1 and Terminal 2 and arrange for the professional operation of restaurants for the purpose of selling food, beverages, and merchandise to the public.

5. MAC shall perform maintenance in Terminal 1, Terminal 2, and surrounding areas in compliance with Exhibit P and as further defined in this Article. Any changes to that responsibility must be incorporated as an amendment to this Agreement.

6. MAC by its authorized officers, employees, agents, contractors, subcontractors, or other representatives, shall have the right (at such times as may be reasonable under the circumstances and with as little interruption of AIRLINE's operation as is reasonably practicable) to enter AIRLINE's Exclusive Use Space, Preferential Use Space, Joint Use Space, or Common Use Space for the following purposes:

a. To inspect such space to determine whether AIRLINE has complied and is currently in compliance with the terms and conditions of this Agreement.

b. Upon reasonable notice to perform such maintenance, cleaning, or repair as MAC's Executive Director deems necessary, if AIRLINE fails to perform its obligations under this Article VIII, and to recover the reasonable cost of such maintenance, cleaning, or repair from AIRLINE.

7. With regard to the IAF, MAC shall:

   a. Operate, maintain, and keep the IAF space in good condition and repair and shall keep it adequately supplied, equipped, furnished and decorated, and operate and maintain adequate directional signs.

   b. Provide janitors and other cleaners reasonably necessary to keep the IAF space, including Federal office space, safe, clean, neat, orderly, sanitary, and presentable.

B. OBLIGATIONS OF AIRLINE

1. Subject to MAC or its contractor providing janitorial and cleaning services as specified in Section VIII.A.4 and Exhibit P and MAC's other express obligations herein, AIRLINE shall, in accordance with Exhibit P, attached hereto, be responsible for and shall perform or cause to be performed janitorial, maintenance, and repair of its Preferential Use Space and its Exclusive Use Space such that it is in a neat and orderly condition and shall repair or replace as needed all improvements, installations, fixtures and equipment to be initially installed by it hereunder. Where damage is caused by the negligence or willful misconduct of MAC, its officers, agents, or employees, AIRLINE may recover from MAC the cost of repairs to that extent but, except as set forth in Section VI.M., only to the extent that the cost of such repairs is not recoverable through insurance of AIRLINE on such improvements, installations, fixtures and equipment. AIRLINE shall not commit nor permit any waste of or to the Premises or to apron areas adjacent to AIRLINE's holdroom. Explicitly in furtherance of the foregoing the AIRLINE shall:

   a. Whether alone or in conjunction with other Airlines at the Airport provide sufficient porter service and common bag claim service in the area designated for the convenience of AIRLINE's passengers, and

   b. Not permit the accumulation in its Preferential Use Space or Exclusive Use Space or on the apron area adjacent to its holdroom of rubbish, debris, waste material, or anything detrimental to health or unsightly or likely to create a fire hazard, but shall make prompt disposition thereof.

2. Subject to MAC's Rules and Regulations and Ordinances and MAC Design and Construction Standards, AIRLINE may, from time to time, install additional facilities and improvements and modify or expand existing facilities or improvements in its Exclusive Use Space and Preferential Use Space, including, without limitation, installing carpet in holdrooms, updating wall finishes, and making other cosmetic changes. Before entering into any contract for such work, or commencing work with its own personnel, AIRLINE shall first submit to MAC for its prior written approval a request (in a form reasonably prescribed by MAC) accompanied by a set of complete construction plans and specifications for the proposed work. The work shall not unreasonably interfere with the operation of the Airport and Flights to and from the same on a 24 hours per day, 7 days per week basis. In completing the work approved the AIRLINE shall:

   a. If requested by MAC (but only to the extent required by law), require the contractor and any subcontractor to furnish a performance bond and payment bond, approved as to form and substance by MAC.

b. Deliver to MAC "as built" drawings, if applicable, of the work actually performed by it and shall keep such drawings current showing any changes or modification made in or to its Exclusive Use Space and Preferential Use Space.

3. With regard to the IAF, AIRLINE is responsible for handling and disposing of all international waste on AIRLINE's aircraft in accordance with the applicable requirements of the United States Department of Agriculture.

C. OPERATION AND MAINTENANCE OF OUTBOUND BHS

1. MAC owns the Outbound BHS. As a matter of efficiency, MAC desires DELTA to operate and maintain the Outbound BHS. In consultation with DELTA, MAC will provide the technology infrastructure necessary to host the system, including physical rooms, network and server/storage equipment. Therefore, notwithstanding anything to the contrary contained in this Agreement, but subject to the terms of this Section, DELTA and MAC have agreed that DELTA will, in accordance with acceptable FAA and TSA standards, and other applicable statutes or regulations, operate, maintain and keep in good repair the Outbound BHS. In performing such services:

   a. DELTA and MAC have agreed that DELTA will train its personnel or cause its contractors to train their personnel in proper baggage system maintenance procedures.

   b. DELTA and MAC have agreed that DELTA will operate, maintain and repair (or cause its contractor to operate, maintain and repair) the Outbound BHS according to manufacturer's specifications, if any, and in accordance with industry practices.

   c. DELTA and MAC have agreed that DELTA records of such training and maintenance will be kept by DELTA and summaries of this information will be made available to MAC as requested. Such maintenance reports will include activities related to predictive (*i.e.,* replacement of wear parts) and preventative (*i.e.,* lubrication, exercise, etc.) maintenance as well as any corrective maintenance.

   d. Except with respect to the Baggage Re-Controls Project being constructed by DELTA on MAC's behalf, no equipment modifications or additions will be made to the Outbound BHS without MAC's advance written consent.

   e. DELTA and MAC have agreed that DELTA's operation and maintenance responsibilities for the Outbound BHS shall include purchase of any necessary maintenance parts and supplies as well as spare part replacement; provided, however, MAC shall make available to DELTA for performance of these services the spare parts from initial construction of the Outbound BHS and shall assist DELTA and its contractor in enforcing warranty claims against the supplier and installation contractor for the Outbound BHS.

f. Except with respect to the Baggage Re-Controls Project being constructed by DELTA on MAC's behalf, DELTA and MAC have agreed that DELTA's operation and maintenance responsibilities for the Outbound BHS shall not include any obligation to incur Capital Costs or to undertake any Capital Project in connection with the Outbound BHS; provided, however, for purposes of the Outbound BHS, a "Capital Project" shall include without limitation the performance of any extraordinary, non-recurring major maintenance of the Outbound BHS, provided that any single item of the foregoing has a Capital Cost of $30,000 or more and a useful life in excess of three years.

g. MAC and DELTA have agreed to cooperate on the information technology roles required by each party to accomplish the responsibilities set forth in this Section.

2. MAC shall reimburse DELTA for its actual costs, without markup, of operating and maintaining the Outbound BHS as follows:

a. On or about September of each year, DELTA and MAC have agreed that DELTA will submit to MAC for MAC's approval, which approval shall not be unreasonably withheld, conditioned, or delayed, a maintenance schedule and budget for the Outbound BHS for the upcoming Fiscal Year. The budget will include DELTA's estimate of amounts to be paid to DELTA's contractors and employees (at fully-loaded rates) for performing the services. The budget will also include a pass-through of all rental and other charges assessed by MAC to DELTA for storage space that is used exclusively in connection with DELTA's operation and maintenance services for the Outbound BHS for such Fiscal Year (initially estimated at 3,500 square feet). The budget, as approved by MAC for a Fiscal Year, is referred to herein as the "Outbound BHS Budgeted Cost."

b. The Outbound BHS Budgeted Cost for a Fiscal Year shall be prorated between DELTA, on the one hand, and the other Airlines that use the Outbound BHS, on the other hand, on the basis of that proportion which the number of DELTA's Enplaned Passengers at Terminal 1 (on the one hand) and the other Airlines Enplaned Passengers at Terminal 1 (on the other hand) for such Fiscal Year bears to the total number of Enplaned Passengers of all such Airlines (DELTA and other Airlines) at Terminal 1 for such Fiscal Year.

c. MAC shall pay DELTA, or credit against DELTA's rents, fees and charges owed by DELTA to MAC under DELTA'S Lease, on a quarterly basis, the other Airlines' share (as determined in Section VIII.C.2.b above) of the Outbound BHS Budgeted Cost. MAC shall allocate the other Airlines' share (as determined in Section VIII.C.2.b above) of the Outbound BHS Budgeted Cost to the other Airlines by using the Joint Use Formula (omitting DELTA and its Enplaned Passengers from the calculation) and collect such amounts directly from the other Airlines.

d. If a Signatory Airline fails to pay its share of the Outbound BHS Budgeted Cost in a timely fashion, such costs may be added to an appropriate Airport Cost Center, at MAC's sole discretion.

e. DELTA and MAC have agreed that DELTA will report to MAC no later than March 1 of each year DELTA's actual costs, without markup, of operating and maintaining the Outbound BHS during the previous Fiscal Year ("Outbound BHS Actual Cost"). DELTA and MAC have agreed that such report will be supported by back-up documentation to the reasonable satisfaction of MAC. The Outbound BHS Actual Cost will be reconciled against the Outbound BHS Budgeted Cost for such Fiscal Year and all payments based thereon shall be adjusted according to Section VI.H.

3. For and in consideration of DELTA's agreement to provide the operation and maintenance services for the Outbound BHS, AIRLINE hereby waives all claims to special, indirect, and consequential damages that might be asserted by AIRLINE against DELTA, MAC or their respective officers, directors, contractors, employees or agents in connection with the maintenance and operation of the Outbound BHS. AIRLINE agrees that DELTA is an express third party beneficiary of such waiver.

4. Notwithstanding anything to the contrary contained in this Lease, if an event of default occurs under Section VIII.C of DELTA's lease due to DELTA's failure to perform its operation and maintenance obligations with respect to the Outbound BHS, MAC's sole remedy shall be for actual, direct damages and/or to terminate DELTA's right and obligation to operate and maintain the Outbound BHS.

5. Notwithstanding anything to the contrary contained in the Agreement, DELTA may elect at a time upon no less than 180 days' advance notice to MAC to cease performing operation and maintenance services with respect to the Outbound BHS.

6. If DELTA ceases to operate and maintain the Outbound BHS pursuant to Section VIII.C.4 or VIII.C.5 above, MAC shall appoint such other contractor or Airline to perform such services as MAC deems appropriate. Thereafter, DELTA's share (calculated as described in Section VIII.C.2.b) of MAC's or such third-party provider's actual costs of operating and maintaining the Outbound BHS shall be included in DELTA's rents, fees and charges under this Lease and MAC's payment obligation under Section VIII.C.2.c shall terminate.

7. Except as stated in this Section VIII.C, in no event shall MAC have any affirmative duty to operate, maintain, or repair the Outbound BHS, or pay for its operation, maintenance, or repair.

8. Future upgrades to the Outbound BHS may become necessary over time and MAC and DELTA have agreed to meet and mutually negotiate the scope and funding of those upgrades which will be subject to MAC Board approval.

9. Notwithstanding DELTA's or other MAC contractor's operation and maintenance of the Outbound BHS, if AIRLINE's operations unreasonably interfere with the operation of the Outbound BHS as determined by MAC in its sole yet reasonable discretion, MAC shall provide a warning to AIRLINE the first time this occurs in a twelve (12) month period. For any subsequent unreasonable interference in a twelve (12) month period, $1,000 shall be assessed to AIRLINE as liquidated damages for each such unreasonable interference. The liquidated damages calculated pursuant to this Section are not intended as a penalty. The liquidated damages above are in addition to any other remedy available to MAC under this Agreement, at law, or in equity. Any liquidated damages collected pursuant to this Section VIII.C.9. shall be applied to reduce the carrousel and conveyor charges or, if DELTA is maintaining the Outbound BHS, shall be provided to DELTA to reduce the overall Outbound BHS cost.

D. OPERATION AND MAINTENANCE OF INBOUND BHS

1. MAC owns the Inbound BHS. As a matter of efficiency, MAC desires DELTA to operate and maintain the Inbound BHS. Effective January 1, 2019, or another date mutually agreed to by MAC staff and DELTA, subject to the terms of this Agreement, DELTA and MAC have agreed that DELTA will, in accordance with acceptable FAA and TSA standards, and other applicable statutes or regulations, operate, maintain and keep in good repair the Inbound BHS. In performing such services:

    a. DELTA and MAC have agreed that DELTA will train its personnel or cause its contractors to train their personnel in proper baggage system maintenance procedures.

    b. DELTA and MAC have agreed that DELTA will operate, maintain and repair (or cause its contractor to operate, maintain and repair) the Inbound BHS according to manufacturer's specifications, if any, and in accordance with industry practices.

    c. DELTA and MAC have agreed that DELTA that computerized records of such training and maintenance will be kept by DELTA and summaries of this information will be made available to MAC as requested. Such maintenance reports will include activities related to predictive (*i.e.,* replacement of wear parts) and preventative (*i.e.,* lubrication, exercise, etc.) maintenance as well as any corrective maintenance.

d. Except as expressly set forth herein, no equipment modifications or additions will be made to the Inbound BHS without MAC's advance written consent.

e. DELTA and MAC have agreed that DELTA's operation and maintenance responsibilities for the Inbound BHS will include purchase of any necessary maintenance parts and supplies as well as spare part replacement; provided, however, MAC shall make available to DELTA for performance of these services the spare parts from initial construction of the Inbound BHS and MAC shall assist DELTA and its contractor in enforcing warranty claims against the supplier and installation contractor for the Inbound BHS.

f. DELTA's operation and maintenance responsibilities for the Inbound BHS shall not include any obligation to incur Capital Costs or to undertake any Capital Project in connection with the Inbound BHS; provided, however, for purposes of the Inbound BHS, a "Capital Project" shall include without limitation the performance of any extraordinary, non-recurring major maintenance of the Inbound BHS, provided that any single item of the foregoing has a Capital Cost of $30,000 or more and a useful life in excess of three years.

2. MAC shall reimburse DELTA for its actual costs, without markup, of operating and maintaining the Inbound BHS as follows:

a. On or about September of each year, DELTA and MAC have agreed that DELTA will submit to MAC for MAC's approval, which approval shall not be unreasonably withheld, conditioned, or delayed, a maintenance schedule and budget for the Inbound BHS for the upcoming Fiscal Year. The budget will include DELTA's estimate of amounts to be paid to DELTA's contractors and employees (at fully-loaded rates) for performing the services. The budget will also include a pass-through of any rental and other charges assessed by MAC to DELTA for storage space that is used exclusively in connection with DELTA's operation and maintenance services for the Inbound BHS. The budget, as approved by MAC for a Fiscal Year, is referred to herein as the "Inbound BHS Budgeted Cost."

b. The Inbound BHS Budgeted Cost for a Fiscal Year shall be allocated among the Airlines at Terminal 1 using the Joint Use Formula for such Fiscal Year.

c. MAC shall pay DELTA, or credit against DELTA's rents, fees and charges owed by DELTA to MAC under DELTA'S Lease, on a quarterly basis, the other Airlines' share (as determined in Section VIII.D.2.b above) of the Inbound BHS Budgeted Cost.

d. If any Signatory Airline fails to pay its share of the Inbound BHS Budgeted Cost in a timely fashion, such costs may be added to an appropriate Airport Cost Center, at MAC's sole discretion.

e. DELTA and MAC have agreed that DELTA will report to MAC no later than March 1 of each Fiscal Year DELTA's actual costs, without markup, of operating and maintaining the Inbound BHS during the previous Fiscal Year ("Inbound BHS Actual Cost"). Such report shall be supported by back-up documentation to the reasonable satisfaction of MAC. The Inbound BHS Actual Cost will be reconciled against the Inbound BHS Budgeted Cost for such Fiscal Year and all payments based thereon will be adjusted according to Section VI.H. Any Inbound BHS Actual Costs that are not paid by a Signatory Airline, plus any costs incurred by MAC for the Inbound BHS, may be added to an appropriate cost center, at MAC's sole discretion.

3. For and in consideration of DELTA's agreement to provide the operation and maintenance services for the Inbound BHS, AIRLINE hereby waives all claims to special, indirect, and consequential damages that might be asserted by AIRLINE against DELTA, MAC or their respective officers, directors, contractors, employees or agents in connection with the maintenance and operation of the Inbound BHS. AIRLINE agrees that DELTA is an express third party beneficiary of such waiver.

4. Notwithstanding anything to the contrary contained in this Agreement, if an event of default occurs under Section VIII.D of DELTA's lease due to DELTA's failure to perform its operation and maintenance obligations with respect to the Inbound BHS, MAC's sole remedy shall be for actual, direct damages and/or to terminate DELTA's right and obligation to operate and maintain the Inbound BHS.

5. Notwithstanding anything to the contrary contained in this Agreement, DELTA may elect at any time upon no less than 180 days' advance notice to MAC to cease performing operation and maintenance services with respect to the Inbound BHS.

6. As part of DELTA's operation and maintenance of the Inbound BHS, DELTA has agreed, after consulting with MAC and other Terminal 1 Airlines, to assign and/or allocate the baggage carrousels and other related belts and components in a reasonable and nondiscriminatory manner so that the Inbound BHS functions as intended and provides all Deplaning Passengers at Terminal 1 with checked baggage with reasonable access to the Inbound BHS. DELTA has agreed to reasonably cooperate with MAC and other Terminal 1 Airlines to develop procedures to assign and/or allocate the baggage carrousels and other related belts and components. To the extent AIRLINE uses the Inbound BHS, AIRLINE agrees to reasonably cooperate with MAC and DELTA regarding assignment and allocation of the baggage carrousels and other related belts and components.

a. If MAC or another Terminal 1 Airline believes DELTA is not assigning and/or allocating the baggage carrousels and other related belts and components in the manner described above or DELTA is not following any applicable baggage carrousel assignment or allocation procedures, such Airline or MAC, as applicable, must first attempt to cooperate with

DELTA to address its concerns. If, after a reasonable attempt by MAC or such Airline and DELTA to cooperate to address such concerns, MAC shall investigate the alleged issue (if it hasn't already) and MAC may, but it not required to either: (a) (i) request DELTA assign or allocate the baggage carrousels and other related belts and components in a specific manner to address such concerns, and (ii) if DELTA agrees with such assignment or allocation, DELTA agrees to implement such direction from MAC in such manner, or (b), if DELTA does not agree with such assignment or allocation, MAC may, after sixty (60) days' notice take over responsibility from DELTA for allocating and/or assigning the baggage carrousels and other related belts and components, and DELTA agrees to relinquish such responsibility to MAC in such case, provided that (x) MAC shall assign and/or allocate the baggage carrousels and other related belts and components in a reasonable and nondiscriminatory manner so that the Inbound BHS functions as intended and provides all Deplaning Passengers at Terminal 1 with checked baggage with reasonable access to the Inbound BHS, and (y) MAC shall reasonably cooperate with DELTA and other Terminal 1 Airlines to develop procedures to assign and/or allocate the baggage carrousels and other related belts and components.

b. MAC may, if approved by a Majority-In-Interest of the Terminal 1 Signatory Airlines (excluding Affiliated Airlines) in accordance with the procedures in Section VII.B.1, implement a dynamic baggage allocation system in the Inbound BHS. In such event, DELTA shall integrate the dynamic baggage allocation system into operations consistent with the general requirements of this provision and MAC, DELTA, and other Terminal 1 Airlines will cooperate to develop the dynamic baggage allocation system procedures, rules, and parameters.

7. If DELTA ceases to operate and maintain the Inbound BHS pursuant to Section VIII.D.4 or VIII.D.5 above, MAC shall appoint such other contractor or Airline to perform such services as MAC deems appropriate. Thereafter, DELTA's share (calculated as described in Section VIII.D.2.b) of MAC's or such third-party provider's actual costs of operating and maintaining the Inbound BHS shall be included in DELTA's rents, fees and charges under this Lease and MAC's payment obligation under Section VIII.D.2.c shall terminate.

8. Except as stated in this Section VIII.D, in no event shall MAC have any affirmative duty to operate, maintain, or repair the Inbound BHS, or pay for its operation, maintenance, or repair.

E. PASSENGER BOARDING BRIDGES (PBBs)

1. Provision or Replacement of PBBs

   AIRLINE acknowledges that MAC may, at its discretion, provide or replace AIRLINE-owned or MAC-owned passenger boarding bridges and associated equipment where required (e.g. 400 Hz power, pre-conditioned air, luggage lifts, etc.) ("PBB(s)") within Terminal 1.

2. Ownership and Disposal

   a. As of the date of this Agreement, MAC owns the PBBs within Terminal 1 as shown below identified by the PBBs gate number. PBBs not shown below are owned either by AIRLINE or other Signatory Airlines at the Airport. Concourse A gates, Concourse B gates, C1-C8, C11-C27, D1, D5, D6, E1-E6, E11, E13, E15, F5, F8, F10-F16, G1, G2, G4, G5, G6A/B, G8, G9, G19, G20, G22.

   b. If MAC replaces an AIRLINE-owned PBB, AIRLINE agrees to transfer the existing PBB, without warranty of any kind, to MAC at no charge and MAC agrees to dispose of the existing PBB and incorporate any salvage value into the PBB replacement project. AIRLINE shall provide MAC with a Bill of Sale or Transfer Agreement in a form reasonably acceptable to MAC and AIRLINE.

   c. Where applicable and as directed by AIRLINE, AIRLINE agrees to remove and relocate an existing PBB at no cost to MAC. Existing PBBs may be designated for refurbishment instead of being disposed.

   d. MAC will pay for and own all PBBs that it elects to replace per this Section E.

3. Maintenance and Operation

   AIRLINE is responsible for all maintenance, repair, and operation of PBBs that AIRLINE owns, and shall pay all costs of maintaining, repairing and operating the PBBs that AIRLINE owns.

   For Terminal 1 only, AIRLINE is responsible for all maintenance, repair, and operation of PBBs owned by MAC that AIRLINE uses, and shall pay all costs of maintaining, repairing and operating those PBBs; and shall comply with the following conditions relating to equipment training, maintenance and potential equipment modification needs.

a. AIRLINE will train its personnel in proper PBB maintenance procedures in accordance with the recommendations and requirements noted in the training section of the O & M manuals that come with each bridge.

b. AIRLINE will operate and maintain the PBB according to the manufacturer's specifications as again outlined in the associated O & M manual(s), or as modified by mutual agreement with MAC. Purchase of any necessary maintenance parts and supplies as well as spare part replacement shall be the responsibility of the AIRLINE. Computerized records of such training and maintenance will be kept by the AIRLINE and summaries of this information will be made available to MAC on an as requested basis. Such maintenance reports shall include activities related to predictive (i.e. replacement of wear parts) and preventative (i.e. lubrication, exercise, oil changes, etc.) maintenance as well as any corrective maintenance.

c. Air conditioning units shall be considered as appurtenances integral to the PBB, and will be operated and maintained by the AIRLINE under the same O & M conditions as outlined in this Agreement.

d. No equipment modifications or additions will be made without MAC's advance written consent as outlined in the standard MAC construction permit process.

e. On or about July 1 of each year, AIRLINE shall submit to MAC for MAC's approval, which approval shall not be unreasonably withheld or denied, a 12-month maintenance schedule for each MAC-owned PBB being maintained by AIRLINE.

f. AIRLINE shall report to MAC no later than March 1 any repair and maintenance completed on each PBB within the past Fiscal Year, and the cost expended for all repairs and maintenance.

g. AIRLINE shall make the MAC owned PBB's available for use by other airlines that use AIRLINE's gates without additional charge.

In the event that AIRLINE fails, after the applicable notice and cure period, to meet its responsibilities under this Section VIII.E.3, MAC shall have the right, but no obligation, to perform any such responsibilities. AIRLINE shall reimburse MAC upon demand for any costs incurred by MAC plus an administrative fee of fifteen percent (15%) of such costs.

Notwithstanding anything to the contrary, AIRLINE's operation and maintenance responsibilities for MAC owned PBBs shall not include any obligation to incur Capital Costs or to undertake any Capital Project in connection with the PBBs unless such Capital Project is a direct result of AIRLINE not maintaining such PBB in accordance with this Section; provided, however, for purposes of the PBBs, a "Capital Project" shall include without limitation the performance of any extraordinary, non-recurring major maintenance of the PBBs, provided that any single item of the foregoing has a Capital Cost of $30,000 or more and a useful life in excess of three years.

4. Insurance and Indemnification

   AIRLINE agrees to indemnify and hold harmless MAC for the use and operation of any PBBs by AIRLINE, its Affiliated Airlines or its subtenants as and to the extent required by the general indemnity set forth in Section X.A.

5. Accessibility

   AIRLINE is responsible for the provision of accessible facilities related to the use of both AIRLINE-owned and MAC owned PBBs used by AIRLINE to individuals with disabilities, if and to the extent required by applicable federal laws and regulations, including 49 CFR 27 and applicable Americans with Disabilities Act rules of the Department of Transportation and Department of Justice for airport operators. AIRLINE is responsible for the provision of accessible services related to the use of all PBBs used by AIRLINE to individuals with disabilities, if and to the extent required by applicable federal laws and regulations, including applicable Air Carrier Access Act rules for carriers.

IX. DAMAGE OR DESTRUCTION OF PREMISES

A. DAMAGE OR DESTRUCTION

1. If any building of MAC in which AIRLINE occupies Premises hereunder shall be partially damaged by fire, explosion, the elements, the public enemy, or other casualty, but shall not be rendered thereby untenantable, the same shall be repaired with due diligence by MAC. If the damage shall be so extensive as to render such building untenantable in whole or in part but capable of being repaired in ninety (90) days, the same shall be repaired with due diligence by MAC and the rent payable hereunder with respect to the portion of AIRLINE's Premises so rendered untenantable shall be proportionately paid up to the time of such damage and shall thence forth cease and be abated until such time as such untenantable portion of such building shall be fully restored to tenantable condition.

2. If any such building is completely destroyed by fire, explosion, the elements, the public enemy, or other casualty, or be so damaged that the same cannot reasonably be repaired with due diligence by MAC within ninety (90) days of such casualty, MAC shall, within sixty (60) days of such casualty give AIRLINE written notice that it intends or does not intend to repair or reconstruct such building, as follows:

   a. If MAC elects to repair and reconstruct the building, then the same shall be repaired with due diligence by MAC and the rent payable h'ereunder with respect to the portion of AIRLINE's Premises rendered untenantable as a result of such casualty shall be proportionately paid up to the time of such casualty and shall thenceforth cease and be abated until such time as such untenantable portion of such building shall be restored to tenantable condition.

b. If MAC determines not to repair or reconstruct such building (whether by delivery of notice to said effect or by deemed notice as hereinafter described), then this Agreement shall be deemed terminated as to the portion of the AIRLINE's Premises rendered untenantable as a result of such casualty with respect to such portion, and rent payable hereunder with respect to such portion shall be proportionately paid through the date of such casualty and shall thenceforth cease.

If no written notice of intention to repair and restore is timely received by AIRLINE within the above-referenced sixty (60) day period, then MAC shall be deemed to have elected not to repair or reconstruct the building. Except as expressly set forth in this Article IX, MAC shall have no obligation to repair or rebuild any of the facilities at the Airport in the event of damage by the elements, fire, explosions or other casualty or causes beyond the control of MAC.

c. Proceeds of any insurance maintained by MAC payable with respect to such casualty shall be applied to such repair or reconstruction or shall be credited to the appropriate Airport Cost Centers.

B. FORCE MAJEURE

Except as expressly provided in this Agreement, neither MAC nor AIRLINE shall be deemed to be in default hereunder if either party is prevented from performing any of the obligations, other than payment of rents, fees and charges hereunder, by reason of strikes, boycotts, labor disputes, embargoes, shortages of energy or materials, acts of the public enemy, terrorism, weather conditions and the results of acts of nature, riots, rebellion, sabotage, or any other similar circumstances for which it is not responsible or which are not within its control.

X. INDEMNITY AND LIABILITY INSURANCE

A. INDEMNIFICATION

1. AIRLINE agrees to indemnify, defend, save and hold harmless MAC and its Commissioners, officers, and employees (collectively, "Indemnitees") from and against any and all liabilities, losses, damages, suits, actions, claims, judgments, settlements, fines or demands of any person other than an Indemnitee arising by reason of injury or death of any person, or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to attorneys' fees, court costs, and expert fees), of any nature whatsoever arising out of or incident to (a) the use or occupancy of, or operations of AIRLINE at or about the Airport (unless such use or occupancy or operations are pursuant to another agreement with MAC that provides for indemnification under its terms in which case those terms shall apply), or (b) the acts or omissions of AIRLINE's officers, agents, employees, contractors, subcontractors, licensees, or invitees,

regardless of where the injury, death or damage may occur (unless such acts or omissions are pursuant to another agreement with MAC that provides for indemnification under its terms in which case those terms shall apply), unless such injury, death or damage is caused by (i) the negligent act or omission or willful misconduct of an Indemnitee whether separate or concurrent with negligence of others, including AIRLINE or (ii) the breach by an Indemnitee of this Agreement. MAC shall give AIRLINE reasonable notice of any such claims or actions. In indemnifying or defending MAC, AIRLINE shall use legal counsel reasonably acceptable to MAC and shall control the defense of such claim or action.

2. AIRLINE further agrees that if a prohibited incursion into the Air Operations Area occurs, or the safety or security of the Air Operations Area, the Airfield, or other sterile area safety or security is breached by or due to the negligence or willful act or omission of any of AIRLINE's employees, agents, or contractors and such incursion or breach results in a civil penalty action being brought against the MAC by the U.S. Government, AIRLINE agrees to reimburse MAC for all expenses, including attorney fees, incurred by MAC in defending against the civil penalty action and for any civil penalty or settlement amount paid by MAC as a result of such incursion or breach of airfield or sterile area security; provided, however, MAC shall allow AIRLINE to participate in both the defense of, and any settlement discussions to resolve, such civil penalty. MAC shall notify AIRLINE of any allegation, investigation, or proposed or actual civil penalty sought by the U.S. Government for such incursion or breach. Civil penalties and settlement and associated expenses reimbursable under this Paragraph include but are not limited to those paid or incurred as a result of violation of 49 CFR 1542, "Airport Security," FAR Part 108, "Airplane Operator Security," or FAR Part 139, "Certification and Operations: Land Airports Serving Certain Air Carriers."

3. The provisions of this Article shall survive the expiration of this Agreement with respect to matters arising before such expiration or before early termination or before relinquishment of Premises.

B. LIABILITY INSURANCE

1. AIRLINE shall provide, without cost or expense to MAC, and maintain in force throughout the full Term hereof the following insurance coverages as appropriate, insuring AIRLINE and MAC against the liabilities set forth in Subsection A next above:

   a. Aircraft liability insurance and comprehensive general public liability insurance for claims of property damage, bodily injury, or death allegedly resulting from AIRLINE's activities into, on, and leaving any part of the Airport, in an amount not less than four hundred million dollars ($400,000,000) per occurrence for Airlines operating aircraft over one hundred (100) seats, and not less than two hundred million dollars ($200,000,000) for Airlines operating aircraft with ninety-nine (99) or fewer seats, and not less than one hundred million dollars ($100,000,000) for Airlines operating aircraft with fifty-nine (59) or fewer seats. For purposes of this Section, the number of seats is determined based upon the largest aircraft in AIRLINE's fleet.

b. Liquor liability insurance for any facility of AIRLINE serving alcoholic beverages on the Airport in an amount not less than ten million dollars ($10,000,000).

c. Hangarkeepers liability insurance in an amount adequate to cover any non-owned property in the care, custody and control of AIRLINE on the Airport, but in any event in an amount not less than ten million dollars ($10,000,000).

d. Automobile liability insurance in an amount adequate to cover vehicles operating on the Airport in an amount not less than five million dollars ($5,000,000) combined single limit.

2. Notwithstanding anything to the contrary in this Article, MAC may allow the insurance coverage required herein to be provided through a self-insurance plan established by AIRLINE. The self-insurance plan may consist of a combination of primary, excess umbrella insurance and self-insurance protection and must be no less than the limits stated in the Article. The self-insurance plan must be approved in writing by MAC prior to becoming effective at the Airport. If AIRLINE requests MAC's approval of a self-insurance plan, it must submit a copy of its self-insurance plan current financial statements annually showing the limits of its established self-insurance retention and proof of the primary and excess umbrella insurance, provided AIRLINE shall not be required to submit such financial statements if such financial statements are available at no charge through public sources. If the self-insurance plan is approved by the MAC and becomes effective, AIRLINE shall not increase the self-insurance retention levels stated in the self-insurance plan approved by MAC.

3. MAC, in operating the Airport, will carry and maintain comprehensive general liability insurance in such amounts as would normally be maintained by public bodies engaged in carrying on similar activities. MAC presently carries three hundred million dollars ($300,000,000) of comprehensive general liability insurance.

4. MAC reserves the right to reasonably adjust the limits of coverage required hereunder from time to time throughout the period of this Agreement. In such event, MAC shall provide AIRLINE with written notice of such adjusted limits and AIRLINE shall comply within sixty (60) days of receipt thereof to the extent such coverage is available on commercially reasonable terms to AIRLINE.

5. All policies of insurance required herein shall be with companies reasonably acceptable to MAC that are licensed, authorized, eligible, or admitted to conduct business with in the State of Minnesota and having a current A.M. Best Key Rating of at least A- VII or its international equivalent and shall name MAC as an additional insured to the extent AIRLINE is required to indemnify MAC

pursuant to Subsection A above. AIRLINE shall provide a copy of the additional insured endorsement to such policy at MAC's request. Each such policy shall provide that such policy may not be materially changed (e.g., coverage limits reduced below the minimum specified in this Agreement) or otherwise materially altered, or cancelled by the insurer during its term without first giving at least thirty (30) days written notice to MAC. Certificates of valid policies of insurance with required coverages shall be delivered to MAC. AIRLINE agrees to allow MAC to inspect, at AIRLINE's headquarters, any insurance policies required of AIRLINE under this Agreement upon reasonable notice to AIRLINE if reasonably necessary in MAC's capacity as an additional insured (or if MAC was required to be an additional insured hereunder and AIRLINE failed to include MAC as an additional insured, in connection with a claim against MAC); provided, however, that an AIRLINE representative shall have the right to be present at such inspection and neither MAC nor its employees, contractors, or representatives, may take any photographs, make any copies, or otherwise reproduce, in whole or in part, any portion of the policies nor shall such persons or entities disclose the contents thereof outside of MAC unless such disclosure is required due to pursuit of a claim by or against MAC under such insurance in its capacity as an additional insured. MAC and AIRLINE understand and agree that MAC is obligated to protect trade secret data in accordance with the Minnesota Government Data Practices Act and further, that MAC shall give AIRLINE reasonable opportunity to demonstrate the trade secret status of any data relating to AIRLINE's insurance, and to procure a court order protecting the same, prior to MAC's release of the same.

6. Before the expiration of any then current policy of insurance, AIRLINE shall deliver to MAC evidence that such insurance coverage has been renewed.

7. If at any time AIRLINE shall fail to obtain or to maintain in force the insurance required herein, MAC may notify AIRLINE of its intention to purchase such insurance for AIRLINE's account. If AIRLINE has not delivered evidence of insurance to MAC before the date on which the current insurance expires, MAC may provide such insurance by taking out policies in companies satisfactory to it. Such insurance shall be in amounts no greater than those stipulated herein or as may be in effect from time to time. The amount of the premiums paid for such insurance by MAC shall be paid by AIRLINE upon receipt of MAC's billing therefor, with interest at the prime interest rate announced by a major money center bank.

8. MAC shall cause Terminal 1 and Terminal 2 including the loading piers, but exclusive of improvements, facilities and fixtures constructed or installed by AIRLINE and concessionaires as their separate leasehold improvements, to be insured throughout the Term of the Agreement for not less than 90 percent of its and their full insurable value against perils of fire, extended coverage, vandalism, and malicious mischief. MAC shall also carry boiler and pressure vessel explosion, sprinkler leakage and glass breakage insurance. AIRLINE shall be relieved from liability under this Article X and Commission waives all right of recovery from AIRLINE hereunder for damage or destruction of its property insured hereunder to the extent but not beyond the extent that such cost of repair is recoverable through such insurance provided, however, that AIRLINE shall reimburse the Commission for any increase in premium resulting from inclusion therein of a waiver of subrogation endorsement.

9. AIRLINE shall cause all improvements, installations, fixtures and equipment installed by it hereunder to be insured throughout the Term of the Agreement for not less than 90 percent of their full insurable value against perils of fire, extended coverage, vandalism and malicious mischief, and with pressure vessel coverage.

C. OTHER INSURANCE

Subject to Section VI.M., MAC may carry additional insurance in such amounts and of such types as would normally be maintained by public bodies engaged in carrying on similar activities.

D. ENVIRONMENTAL LIABILITY

1. Indemnification

AIRLINE hereby indemnifies and agrees to defend, protect, and hold harmless, MAC and its Commissioners, officers, employees and agents, and their respective successors (hereafter "Environmental Indemnitees"), from and against any and all losses, liabilities, fines, damages, injuries, penalties, response costs, or claims of any and every kind whatsoever paid, incurred or asserted against, or threatened to be asserted against, any Environmental Indemnitee, relating to or regarding the release of any Environmentally Regulated Substances or violation of Environmental Laws arising out of or as a result of AIRLINE'S use or Lease of the Premises, including both within the Premises and on the Airport, (hereinafter "Environmental Claims") including, without limitation: (a) all consequential damages; (b) the reasonable costs of any investigation, study, removal, response or remedial action, as well as the preparation and implementation of any monitoring, closure or other required plan or response action (i) as and to the extent required under applicable Environmental Laws for the current use of the affected portions of the Airport, as directed by the MPCA or other regulating authority, or (ii) as to the extent required by applicable Environmental Laws or the MPCA to allow for a Planned Future Use; (c) all reasonable costs and expenses incurred by any Environmental Indemnitee in connection therewith, including but not limited to, reasonable attorneys' fees and reasonable fees for professional services or firefighting or pollution control equipment related to spills, releases or unintended discharges; and (d) any costs arising from any inaccuracy, incompleteness, breach or misrepresentation under Subsections D.2. of this Article and Section XVI.B.4. of this Agreement. This indemnification, and AIRLINE's obligations hereunder, shall survive the cancellation, termination or expiration of the Term of this Agreement with respect to matters arising prior thereto. This indemnity and not the general indemnity shall govern AIRLINE's indemnification, defense, and hold harmless obligations for Environmental Claims.

2. Claims Relating to Environmentally Regulated Substances

AIRLINE represents and warrants that subsequent to November 1, 1989, to the best of AIRLINE's actual knowledge, except as previously disclosed to the MAC or any applicable regulatory body as required, (a) no enforcement, investigation, cleanup, removal, remedial or response action or other governmental or regulatory actions have been asserted against AIRLINE with respect to the Premises, pursuant to any Environmental Laws or relating to Environmentally Regulated Substances; (b) no violation or noncompliance with Environmental Laws has occurred with respect to AIRLINE's past or present operations conducted on the Premises; (c) no claims have been made or been threatened by any third party against the AIRLINE with respect to the Premises relating to Environmental Laws or Environmentally Regulated Substances, including by any governmental entity, agency or representative (collectively "Governmental Entity").

3. Testing and Reports

AIRLINE shall provide to MAC within ten (10) business days of request, a copy of any notice regarding violation of any Environmental Law arising out of AIRLINE's past or present operations on the Premises, a copy of any inquiry regarding violations by Environmental Law arising out of AIRLINE's past or present operations on the Premises by any Governmental Entity, a copy of any reports required by the Environmental Laws regarding violation of any Environmental Law arising out of AIRLINE's past or present operation of the Premises, or a copy of any notice of the emission or release of Environmentally Regulated Substances in violation of any Environmental Law arising out of AIRLINE's past or present operations on the Premises. If MAC has a reasonable basis to believe that AIRLINE is not meeting the obligations of Section XVI.B.3. of this Agreement, MAC may by notice require AIRLINE to conduct a reasonable review of its records for such documents as MAC reasonably believes have not been provided and submit any such documents as required.

4. Notification

AIRLINE shall notify MAC in writing within fifteen (15) business days of any matter that AIRLINE obtains knowledge of that may give rise to an indemnified claim under Subsection D.1. of this Article or that constitutes any emission or release or any threatened emission or release of any Environmentally Regulated Substance in, on, under or about the Premises or the Airport arising out of AIRLINE's past or present operations which is or may be in violation of the Environmental Laws. AIRLINE shall promptly follow the notification procedures outlined in the MSP Integrated Spill Response and Coordination Plan ("Integrated Plan") regarding any spills, releases or accidental discharges that occur on the Airport. AIRLINE shall use commercially reasonable efforts to notify MAC of any spill of Environmentally Regulated Substances at the Premises or at the Airport which requires notification to a regulatory agency pursuant to any applicable Environmental Law.

5. Right to Investigate

Subject to Subsections D.3. and D.6. of this Article, upon reasonable notice to AIRLINE, MAC shall have the right, but not the obligation or duty, at any time from and after the date of this Agreement, to investigate, study and test the Premises (at MAC's own expense, unless otherwise provided herein) during normal business hours , except under emergency circumstances, to determine whether Environmentally Regulated Substances are located in, on or under the Premises or the Airport, or were emitted or released therefrom, which are not in compliance with Environmental Laws. In conducting such investigation, MAC shall not unreasonably interfere with AIRLINE'S operations on and use of the Premises. AIRLINE shall be entitled to have a representative present during such investigation. Upon the reasonable request of MAC, AIRLINE shall provide a list of any and all Environmentally Regulated Substances used by AIRLINE at the Airport that are required to be listed in the MSP NPDES permit.

6. Right to Take Action

MAC shall have the right, but not the duty or obligation, to take whatever reasonable action it deems appropriate to protect the Premises from any material impairment to its value resulting from any escape, seepage, leakage, spillage, discharge, deposit, disposal, emission or release of Environmentally Regulated Substances from the Premises or the Airport which is not in full accordance with any Environmental Law and arises out of AIRLINE's past or present operations during the Term of this Agreement. The MAC shall notify the AIRLINE of its intention to take such action in writing thirty (30) days before proceeding under this Subsection D.6. Within that thirty (30) day period, AIRLINE shall have the opportunity to take whatever reasonable action is deemed appropriate by MAC or provide MAC a binding commitment to do so within a reasonable time. If AIRLINE does not take such action or provide a binding commitment within the thirty (30) day period, MAC may proceed under the terms of this Subsection D.6. MAC shall not be obligated to provide such 30 days' advance notice if doing so may reasonably result in material harm to person or property, but, in such circumstance, MAC shall provide as much advance notice as reasonably practicable under the circumstances. All costs associated with any action by the MAC in connection with this provision, including but not limited to reasonable attorneys' fees, shall be subject to Subsection D.1. of this Article.

7. Environmental Responsibility

a. Spill Coordination and Responsibility

AIRLINE agrees to implement the Integrated Plan. AIRLINE is obligated to ensure that it has adequate resources to respond to a discharge, including retaining a discharge recovery contractor and providing the necessary equipment to respond to a discharge, in accordance with the Integrated Plan. AIRLINE agrees to supply, upon request by MAC, a copy of AIRLINE'S Spill Prevention, Control and

Countermeasure ("SPCC") plan, if AIRLINE is required to maintain by MPCA or EPA, which details the steps and measures AIRLINE intends to take to prevent spills from occurring on the Airport, the spill preparedness and training that AIRLINE has in place, the response actions AIRLINE intends to take and the notification procedures to be implemented by AIRLINE in the event of a spill at the Airport (caused by AIRLINE) in accordance with the Integrated Plan.

Annually, AIRLINE shall verify to MAC that it is complying with this Section D.7 and the Integrated Plan as detailed in the plan.

Subject to all other terms of this Agreement, if MAC incurs costs related to a spill or other environmental expenses related to Environmentally Regulated Substances as a result of its exercise of its rights pursuant to Section D.6 above, unless due to the gross negligence of MAC, MAC will bill AIRLINE for all MAC's actual third party costs incurred, plus a fifteen percent (15%) administrative fee on such incurred costs, provided that such administrative fee cannot exceed $200,000 per incident. AIRLINE shall pay MAC within thirty (30) days of AIRLINE'S receipt of the invoice. AIRLINE may then determine which AIRLINE, AIRLINE agent, AIRLINE clientele or other party, is responsible for such costs and AIRLINE may seek reimbursement from such parties at AIRLINE's expense.

b. Minnesota Pollution Control Agency ("MPCA") Permits

AIRLINE agrees to make application as a co-permittee on and comply with the MSP NPDES Permit.

AIRLINE (i) shall only conduct vehicle and aircraft maintenance in accordance with the applicable terms and conditions of the MSP NPDES Permit, and (ii) shall only store waste materials outside in accordance with the applicable terms and conditions of the MSP NPDES permit. AIRLINE shall ensure its dumpsters are covered at all times except when being filled with waste and shall prevent its equipment from having releases to stormwater.

AIRLINE is prohibited from, to the extent in violation of the MSP NPDES permit, discharging wash waters with detergents or containing Environmentally Regulated Substances to stormwater, except as provided below. For products containing Environmentally Regulated Substances that may be exposed to stormwater as part of AIRLINE'S operation on the Premises (e.g. pavement deicers, rubber removal chemicals, detergents, etc.), AIRLINE use shall be limited to those products which are approved by the Minnesota Pollution Control Agency (MPCA).

c. Tanks

AIRLINE shall own and hold title to any aboveground storage tanks installed at any time by AIRLINE at the Premises, and shall apply for and obtain in AIRLINE's or any affiliated company's name any permits required by applicable laws in connection with such tanks. Installation of any underground tanks by AIRLINE shall be prohibited, and any installation of any above ground tanks shall require the written approval of MAC. AIRLINE and MAC acknowledge and agree that any tanks installed on the Premises by AIRLINE during the Term of this Agreement will remain under the ownership and control of AIRLINE until such tanks are removed from the Premises by AIRLINE or AIRLINE no longer leases the premises containing such tanks, whichever is earlier. With respect to tanks closed after January 1, 2019, at the expiration or termination of this Agreement, AIRLINE is required to remove all tanks which it installed within the Premises in accordance with applicable Environmental Laws and provide information to MAC which adequately demonstrates that the tanks have been closed and removed in accordance with applicable Environmental Laws; provided, however, that in the event AIRLINE demonstrates to the reasonable satisfaction of MAC that removal of any such tank is impractical, infeasible or unreasonably costly relative to the benefits of removal, such tank may be closed in place in accordance with applicable Environmental Laws. Provided further, that AIRLINE's obligation to remove or close any tank under this subsection may be waived upon written consent from MAC, which consent may be withheld, conditioned or delayed in its sole yet reasonable discretion. Should a release from any tank installed or operated by AIRLINE be discovered, AIRLINE shall be required to conduct all remediation or corrective action required to bring the Premises into compliance with applicable Environmental Laws or as required pursuant to Section X.D.1 above.

d. Miscellaneous Environmental Operating Conditions

AIRLINE agrees to take steps to implement, maintain and comply with the then-applicable MPCA approved plans or procedures including the Integrated Spill Plan, Recovered Fuels Plan, Oil/Water Separator Plan, and any required procedures as required by the then-applicable MPCA AST program or other MPCA regulations.

XI. ASSIGNMENT, SUBLETTING, AND GROUND HANDLING

A. ADVANCE APPROVAL

Except as provided in this Article, and except with respect to arrangements in effect on the date of execution of this Agreement for which the consent of MAC has previously been obtained, AIRLINE shall have no right to assign or sublease this Agreement, without the prior written consent of MAC, which rights of consent are granted to MAC by MAC Ordinance No. 58 §11(a), and which rights are absolute and expressly reserved to the MAC hereby.

1. AIRLINE, when requesting an approval of an assignment or sublease under this Article, shall include with its request a copy of the proposed agreement, if prepared, or a detailed summary of the material terms and conditions to be contained in such agreement. Any proposed agreement or detailed summary thereof shall provide the following information:

   a. The Premises to be assigned, sublet or used;

   b. The terms;

   c. If a sublease, the rentals and fees to be charged; and

   d. All material terms and conditions of the assignment or sublease that MAC may reasonably require.

   If the agreement is subsequently executed, AIRLINE shall submit a fully executed copy of such agreement to MAC promptly upon the execution thereof.

2. MAC shall have the right to examine the terms of any agreement or arrangement submitted to it for approval pursuant to this Article and determine whether such agreement or arrangement is most appropriately characterized as an assignment or sublease, regardless of AIRLINE's characterization of such agreement or arrangement.

3. If AIRLINE fails to obtain written approval from MAC prior to the effective date of any such assignment or sublease, MAC, in addition to the rights and remedies set forth in Article XIV, shall have the right to refuse to recognize such agreement, and the assignee or sublessee Airline shall acquire no interest in this Agreement or any rights to use the Premises.

B. ASSIGNMENT

1. AIRLINE shall not assign this Agreement, in whole or part, without the advance written approval of MAC.

2. It shall not be unreasonable for MAC to disapprove or condition an assignment of the Agreement under any or all of the following circumstances, among others:

   a. MAC determines that the proposed assignee is not substantially as creditworthy as the AIRLINE, unless AIRLINE agrees to guarantee the obligations of the proposed assignee.

   b. The proposed assignment is either (1) for less than the entire Premises or (2) for less than the remainder of the Term, or both (1) and (2).

c. The proposed assignment does not require the assignee to accept and comply with all provisions of the Agreement, including but not limited to accepting Signatory Airline status.

3. Notwithstanding the foregoing, this Section shall not be interpreted to preclude the assignment of this Agreement in whole and AIRLINE's rights and obligations hereunder to a parent, subsidiary, or merged company; provided that, such parent, subsidiary, or merged company conducts an Air Transportation Business at the Airport and that such parent, subsidiary, or merged company assumes all rights and obligations hereunder. Written notice of such assumption shall be provided by the parent, subsidiary, or merged company prior to the effective date of such assignment.

C. SUBLEASE AGREEMENT

1. AIRLINE shall not sublet its Premises, except to an Affiliated Airline or Alliance Partner, in whole or part, without the advance written approval of MAC. AIRLINE may sublet or license the Premises to an Affiliated Airline or an Alliance Partner without the advance written approval of MAC.

2. It shall not be unreasonable for MAC to disapprove or condition a sublease of AIRLINE's Premises if the proposed sublessee is not an Air Transportation Company and MAC reasonably concludes that the space can be used by another Air Transportation Company.

3. AIRLINE may, subject to a sublease approved by MAC, charge a sublessee of its Premises:

   a. A reasonable charge for any services provided by AIRLINE;

   b. A reasonable charge for any AIRLINE-owned property provided by AIRLINE or actual costs other than rentals incurred by AIRLINE; and

   c. Reasonable rentals not to exceed one hundred fifteen percent (115%) of AIRLINE's rentals for such portion of the Premises.

4. AIRLINE shall remain fully and primarily liable during the Term of this Agreement for the payment of all rents, fees, and charges due and payable to MAC for the Premises that are subject to a sublease agreement, and the AIRLINE shall remain fully responsible for the performance of all of its other obligations hereunder, unless otherwise agreed to by MAC.

D. GROUND HANDLING AGREEMENT

1. AIRLINE shall be entitled to provide Ground Handling services to other Airlines in Terminal 1 and Terminal 2 and Terminal Ramp, subject to MAC's Rules and Regulations and Ordinances and Section III.C of this Agreement, if applicable.

2. AIRLINE shall not contract with other companies, excluding Signatory Airlines for Ground Handling services in Terminal 1 and Terminal 2 and Terminal Ramp for AIRLINE's aircraft, without advance written approval of MAC, which shall not be unreasonably withheld, conditioned, or delayed so long as such Ground Handling service provider has executed a permit or other agreement reasonably required by MAC to provide such services at the Airport.

3. AIRLINE shall remain fully and primarily liable during the Term of this Agreement for the payment of all rents, fees, and charges due and payable to MAC for the Premises that are subject to a Ground Handling agreement, and the AIRLINE shall remain fully responsible for the performance of all of its other obligations hereunder, unless otherwise agreed to by MAC.

4. MAC reserves the right to charge third parties other than Airlines a reasonable Ground Handling fee not to exceed 5% of gross receipts and a reasonable annual administrative fee, and require such third party to enter into a license agreement with MAC for their right to provide Ground Handling services to AIRLINE or Airlines. Notwithstanding the previous sentence, a third party that is a wholly owned subsidiary of AIRLINE, shall not be charged the Ground Handling fee for Ground Handling services provided to AIRLINE, but shall still be charged the annual administrative fee and the Ground Handling fee for Ground Handling services provided to other Airlines.

5. Ground Handling rights outside Terminal 1 and Terminal 2 will be addressed in separate agreements between MAC and the affected airlines.

E. BANKRUPTCY

Any receiver, trustee, custodian, or other similar official appointed pursuant to any proceeding relating to bankruptcy, reorganization, or other relief as set forth in Section XIV.A.8., herein shall agree to:

1. Perform promptly every obligation of AIRLINE under this Agreement until this Agreement is either assumed or rejected under the Federal Bankruptcy Code;

2. Pay on a current basis all rents, fees and charges set forth in this Agreement;

3. Reject or assume this Agreement within sixty (60) days of filing a petition under the Federal Bankruptcy Code;

4. Cure or provide adequate assurance of a prompt cure of any default of the AIRLINE under this Agreement;

5. Provide to MAC such adequate assurance of future performance under this Agreement as may be requested by MAC, including the procurement of a bond from a financially reputable surety covering any costs or damages incurred by MAC in the event that MAC, within five (5) years after assumption or assignment of this Agreement, exercises its rights to relet the Premises.

6. In addition to the other rights of MAC hereunder, to the extent necessary, to effect its rights under Section VI.J of the Lease in any future bankruptcy involving AIRLINE pursuant to the doctrines of setoff and/or recoupment.

XII. DISPUTE RESOLUTION

Except in respect to proceedings in unlawful detainer, in the event of any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, the parties shall use their best efforts to settle the dispute by negotiation. If MAC and AIRLINE are still unable to resolve their dispute, each agrees to consider submitting such dispute to mediation or other acceptable form of alternate dispute resolution.

XIII. [INTENTIONALLY OMITTED]

XIV. EVENTS OF DEFAULT; REMEDIES

A. EVENTS OF DEFAULT

The occurrence and continuation of any one or more of the following shall constitute an event of default:

1. AIRLINE fails to make payment in full when due of any rents, fees, charges or any other amount payable hereunder within five business days after its receipt of written notice thereof from MAC;

2. AIRLINE shall fail to make any PFC remittance to MAC in a timely fashion and does not remedy such failure within five business days after its receipt of written notice thereof from MAC, or shall fail to timely comply with its PFC reporting requirements to the MAC and does not remedy such failure five business days after its receipt of written notice thereof from MAC, or any other entity, in connection with PFCs collected on behalf of MAC;

3. AIRLINE fails to submit a Monthly Activity Report to MAC on or before the 10th day of each month and does not submit such report within five business days after notice of such failure from MAC;

AIRLINE shall make or permit any unauthorized assignment or transfer of this Agreement, or any interest herein, or of the right to use or possession of the Premises, or any part thereof, and AIRLINE does not remedy such situation five business days after its receipt of written notice thereof from MAC;

4. Any insurance required by the terms hereof shall at any time not be in full force or effect;

5. Failure of AIRLINE to perform, comply with, or observe, in any material respect, any other term, condition or covenant of this Agreement not identified elsewhere in Section A of this Article within thirty (30) days after receipt of notice from MAC of such failure, or for such longer period of time as may be reasonably necessary to cure the event of default, but only for such longer period if: (a) AIRLINE is reasonably capable of curing the event of default and (b) AIRLINE promptly and continuously undertakes to cure and diligently pursues the curing of the event of default at all times until such event of default is cured;

6. Any representation or warranty of a material fact made by AIRLINE herein or in any certificate or statement furnished to the MAC pursuant to or in connection with this Agreement proves untrue in any material and adverse respect as of the date of issuance or making thereof;

7. (a) AIRLINE shall commence any case, proceeding or other action (i) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to AIRLINE, or seeking to adjudicate AIRLINE a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, liquidation, dissolution, composition or other relief with respect to AIRLINE or any of its debts, or (ii) seeking appointment of a receiver, trustee, custodian or other similar official for AIRLINE or for all or any substantial part of any of its property; or (b) AIRLINE shall make a general assignment for the benefit of its creditors; or (c) there shall be commenced against AIRLINE any case, proceeding or other action of nature referred to in clause (a) above or seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of any of its property, which case, proceeding or other action results in the entry of an order for relief or remains undismissed, unvacated, undischarged and unbonded for a period of sixty (60) days; or (d) AIRLINE shall take any action consenting to or approving of any of the acts set forth in clause (a) or (b) above; or (e) AIRLINE shall generally not, or shall be unable to, pay its debts as they become due or shall admit in writing its inability generally to pay its debts as they become due;

8. Any unappealable money judgment, writ or warrant of attachment or similar process, or any combination thereof, that may reasonably materially and adversely impact AIRLINE’s operations hereunder and involves an amount in excess of $50,000,000 shall be entered or filed against the AIRLINE or any of its assets and shall remain undischarged, unvacated, unbonded and unstayed for a period of sixty (60) days or in any event later than five (5) days prior to the date of any proposed sale or execution thereunder;

9. Any act occurs that deprives AIRLINE permanently of any material right, power or privilege necessary for the conduct and operation of its Air Transportation Business; or

10. If AIRLINE ceases to provide scheduled air service at the Airport for a period of thirty (30) consecutive days or abandons or fails to use its Exclusive Use Space for a period of thirty (30) consecutive days, except when such cessation or abandonment is due to the default of MAC or the circumstances described in Section IX.B.

B. REMEDIES

If an event of default occurs hereunder, MAC, at its option, may at any time thereafter, do one or more of the following as MAC in its sole discretion shall elect, to the extent permitted by, and subject to compliance with any mandatory requirements of, applicable law then in effect:

1. Declare all rents, fees and other charges payable hereunder, whether currently or hereafter accruing, to be immediately due and payable;

2. Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by AIRLINE of the applicable covenants and terms of this Agreement or to recover damages for the breach thereof;

   Enter and take possession of the Premises, (and remove and store at AIRLINE'S cost any property including aircraft owned by parties other than AIRLINE) and/or the rights of the AIRLINE hereunder without such re-entry terminating AIRLINE's obligations for the full Term hereof, which remedy shall be in addition to all other remedies at law or in equity, including action for forcible entry and lawful detainer, for ejectment or for injunction;

3. Terminate all rights of AIRLINE under this Agreement (without terminating the continuing obligation of AIRLINE to fulfill its past and future obligation hereunder) and in such case AIRLINE further agrees to indemnify and hold harmless MAC against all loss in rents, fees, and charges and other damages which MAC shall incur by reason of such termination, including, without limitation, costs of restoring and repairing the Premises and putting the same in rentable condition, costs of reletting the Premises to another Airline (including without limitation AIRLINE improvement costs and related fees), loss or diminution of rents and other damage which MAC incurs by reason of such termination, and all reasonable attorneys' fees and expenses incurred in enforcing the terms of this Agreement;

4. In the event of any default hereunder, AIRLINE shall reimburse MAC for all reasonable fees and costs incurred by MAC, including reasonable attorneys' fees, relating to such default and/or the enforcement of MAC's rights hereunder; and

5. Apply all Contract Security granted by AIRLINE to any unpaid obligations of AIRLINE hereunder.

XV. TERMINATION

A. TERMINATION BY MAC

This Agreement may be terminated by MAC pursuant to the provisions of Article XIV above and as otherwise specified in this Agreement.

B. TERMINATION BY AIRLINE

1. If MAC shall fail to perform, comply with, or observe, in any material respect, any term, condition or covenant of this Agreement within thirty (30) days after receipt of notice from AIRLINE of such failure, or for such longer period of time as may be reasonably necessary to cure the event of default but only for such longer period if: (a) MAC is reasonably capable of curing the event of default and (b) MAC promptly and continuously undertakes to cure and diligently pursues the curing of the event of default at all times until such event of default is cured, then AIRLINE, if not then in default beyond any applicable notice and cure period, may, without limiting any of its other rights and remedies against MAC, at its option cancel this Agreement and thereby terminate this Agreement.

2. It is further understood and agreed that, at any time when AIRLINE is not then in default, it may cancel this Agreement on sixty (60) days' notice in writing to MAC upon the happening of any one of the following events:

   a. Issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof essential for AIRLINE's operations hereunder and the remaining in force of such injunction for a period of at least ninety (90) days. Inability of the AIRLINE to use the Airport or any part thereof essential for AIRLINE's operations hereunder for a period of not less than ninety (90) days because of fire, explosion, earthquake, or other casualty or acts of God or the public enemy, unless within sixty (60) days of the casualty, MAC gave AIRLINE written notice of its intention to repair or reconstruct, as provided in Section IX.A. herein.

   b. The lawful assumption by the United States of America or any authorized agency thereof of the operation, control, or use of the Airport and the facilities thereon or any substantial part or parts thereof, in such manner as substantially to restrict AIRLINE for a period of not less than ninety (90) days from operating thereon for the carrying of passengers, cargo, express, property, and United States mail.

   c. Termination or the suspension or substantial modification for a period of not less than ninety (90) days of the operating authority of the AIRLINE to serve the Minneapolis-St. Paul metropolitan area through the Airport by final order of the DOT or other governmental agency, federal or state, having jurisdiction over the AIRLINE.

3. If any of the foregoing continues for a period of less than ninety (90) days, AIRLINE shall have the right upon written notice to MAC to abatement of rents, fees and charges to the extent and for the period that AIRLINE is unable to carry on its operations hereunder.

C. TERMINATION BY GOVERNMENT TAKING

If the Premises, or any portion thereof, shall be taken by governmental authority through exercise of its power of eminent domain or other authority justifying such taking, the Agreement shall terminate with respect to such portion of the Premises and the rents, fees and charges in respect to the Premises shall cease as of the date possession is taken by the taking authority, and MAC shall be entitled to all damages payable by reason of taking, subject to the claim of AIRLINE for the value of its leasehold, which claim or claims as to validity and amount shall be a matter for determination between AIRLINE and MAC, and if AIRLINE and MAC cannot reach a determination, then by the court having jurisdiction of such proceeding, provided that nothing herein contained shall preclude AIRLINE from asserting any claims or rights it may have against such governmental authority as to its separate property, leasehold improvements, and trade fixtures.

XVI. GENERAL PROVISIONS

A. INTERPRETATION

Nothing herein shall be construed or interpreted in any manner whatsoever as limiting, relinquishing or waiving MAC's right of control over the operation of the Airport, and it is understood and agreed that this Agreement is entered into in recognition of the aforesaid rights and functions of MAC. Subject to the foregoing, this Agreement and the rights of the parties hereunder shall be interpreted in the light of the following:

1. Severability

   If any covenant, condition or provision herein is held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, such covenant, condition or provision shall be deemed amended to conform to applicable laws so as to be valid or enforceable or, if it cannot be so amended without materially altering the intention of the parties, it shall be stricken. If stricken, all other covenants, conditions and provisions of this Agreement shall remain in full force and effect provided that the striking of such covenants, conditions or provisions does not materially prejudice either MAC or AIRLINE in either of their respective rights and obligations contained in the valid covenants, conditions or provisions of this Agreement.

2. No Oral Agreements

   All agreements related to the conditions, agreements, and understandings between the parties concerning the use and occupancy of the Airfield, Terminal Apron, Terminal 1, and Terminal 2 shall be in writing, duly authorized and executed by the respective parties and may not be amended, changed, modified, or altered without the written consent of the parties hereto. Nothing herein shall preclude the adoption and enforcement of MAC Rules and Regulations and Ordinances and MAC Policies including but not limited to, Ordinance 115, MSP Field Rules, and Terminal 2 Operating Procedures.

B. COMPLIANCE WITH LAW

1. AIRLINE shall not use the Airport or any part thereof, or knowingly permit the same to be used by any of its employees, officers, agents, subtenants, invitees, or licensees for any illegal purposes. AIRLINE shall, at all times during the Term of this Agreement, comply with all applicable regulations, ordinances, and laws of any Municipal, County, or State government or of the U.S. Government, and of any political division or subdivision or agency, authority, or commission thereof which may have jurisdiction to pass laws or ordinances or to make and enforce rules or regulations with respect to the uses hereunder of the Premises (and, to the extent not in conflict with the foregoing, MAC's Rules and Regulations and Ordinances). AIRLINE agrees to indemnify, defend, and hold MAC harmless from any and all costs incurred by MAC with respect to AIRLINE's failure to comply with any applicable lawful regulations, ordinances, and laws of any Municipal, County, or State government or of the U.S. Government, and of any political division or subdivision or agency, authority, or commission thereof which may have jurisdiction to pass laws or ordinances or to make and enforce rules or regulations with respect to the uses hereunder of the Premises (and, to the extent not in conflict with the foregoing, MAC's Rules and Regulations and Ordinances) as and to the extent required under the general indemnity set forth in Section X.A. hereof. Notwithstanding the foregoing, nothing in this Agreement is intended to waive AIRLINE'S right to challenge the authority or legality of a law, ordinance or regulation.

2. At all times during the Term of this Agreement, AIRLINE shall, in connection with its activities and operations at the Airport:

   a. Comply with and conform to all present and future applicable lawful statutes and ordinances, and regulations promulgated thereunder, of all Federal, State, and other government bodies of competent jurisdiction that apply to or affect, either directly or indirectly, AIRLINE or AIRLINE's operations and activities under this Agreement. AIRLINE shall comply with all applicable provisions of the Americans with Disabilities Act of 1990, 42 U.S.C. Section 12101 and federal regulations promulgated thereunder 28 C.F.R. parts 35, 36, and 37.

   b. Make, at its own expense, all non-structural improvements, repairs, and alterations to its Exclusive Use Space and Preferential Use Space (subject to prior written approval of MAC), equipment, and personal property that are required to comply with or conform to any of such statutes and ordinances.

c. Reimburse MAC for AIRLINE's proportionate share of all non-structural improvements, repairs, and alterations to its Joint Use Space that are required to comply with or conform to any of such statutes and ordinances.

d. At all times during the Term of this Agreement, AIRLINE shall be an independent contractor.

e. AIRLINE shall be solely and fully responsible for ensuring that Airline's operations, wherever they may occur at the Airport, and any improvements made by AIRLINE pursuant to this Agreement, shall comply with the applicable provisions of Title II and Title III of the Americans with Disabilities Act, 42 U.S.C. §§ 12101 et seq., as amended from time to time ("ADA"), and the Air Carrier Access Act, 49 U.S.C. § 41705, as amended from time to time ("ACAA"), including without limitation any obligation to provide boarding and deplaning assistance at the Airport. In the event of a violation of or non-compliance with the applicable provisions of Title II or III of the ADA or the ACAA, AIRLINE shall develop a work plan to correct such violation or non-compliance. MAC's approval of or acceptance of any aspect of AIRLINE's activities under this Agreement shall not be deemed or construed in any way as a representation that such item, activity or practice complies with the ADA or the ACAA. MAC shall comply with the ADA and the ACAA as applicable to any facilities constructed by MAC and any improvements made by MAC at the Airport as well as any operations, services, or procedures offered or controlled by MAC.

3. Compliance with Environmental Laws

AIRLINE shall keep and maintain and shall conduct its operations on the Airport in connection with this Agreement, in full compliance with all applicable Environmental Laws. AIRLINE shall further ensure that its employees, agents, contractors and subcontractors occupying or present on the Airport in connection with this Agreement, and any other invitees or persons conducting any activities on the Airport under the control of AIRLINE in connection with this Agreement comply with all applicable Environmental Laws. By virtue of its operational control of the Premises, AIRLINE shall be fully responsible for obtaining in AIRLINE'S name all necessary permits or other approvals under the Environmental Laws and shall have full responsibility for signing and submitting any necessary applications, forms, documentation, notifications or certifications relating thereto. Upon request of MAC, AIRLINE shall provide copies to MAC of any such applications, forms, documents, notifications or certifications.

C. ADDITIONAL FEDERAL REQUIREMENTS

1. General Civil Rights Provisions

AIRLINE agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If AIRLINE transfers its obligation to another, the transferee is obligated in the same manner as AIRLINE.

This provision obligates AIRLINE for the period during which the property is owned, used or possessed by AIRLINE and the Airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. Compliance with Nondiscrimination Requirements

During the performance of this Agreement, AIRLINE, for itself, its assignees, and successors in interest (hereinafter referred to as the "AIRLINE") agrees as follows:

a. Compliance with Regulations: AIRLINE (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.

b. Nondiscrimination: AIRLINE, with regard to the work performed by it during the Agreement, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. AIRLINE will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

c. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by AIRLINE for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by AIRLINE of AIRLINE'S obligations under this Agreement and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

d. Information and Reports: AIRLINE will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by MAC or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of AIRLINE is in the exclusive possession of another who fails or refuses to furnish the information, AIRLINE will so certify to MAC or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance: In the event of AIRLINE'S noncompliance with the nondiscrimination provisions of this Agreement, MAC will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

1) Withholding payments to AIRLINE under the Agreement until AIRLINE complies; and/or

2) Cancelling, terminating, or suspending the Agreement, in whole or in part.

f. Incorporation of Provisions: AIRLINE will include the provisions of subparagraphs (a) through (f) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. AIRLINE will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if AIRLINE becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, AIRLINE may request MAC to enter into any litigation to protect the interests of MAC. In addition, AIRLINE may request the United States to enter into the litigation to protect the interests of the United States.

3. Title VI Clauses for Transfer of Real Property Acquired or Improved Under the Airport Improvement Program

a. AIRLINE, for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:

1) In the event facilities are constructed, maintained, or otherwise operated on the property described in this Agreement for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, AIRLINE will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Pertinent List of Nondiscrimination Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

b. With respect to this Agreement, in the event of breach of any of the above Nondiscrimination covenants, MAC will have the right to terminate the Agreement and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the (lease, license, permit, etc.) had never been made or issued.

4. Clauses for Construction/Use/Access to Real Property Acquired Under the Activity, Facility or Program

   a. AIRLINE, for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the lessee will use the premises in compliance with all other requirements imposed by or pursuant to the List of Nondiscrimination Acts and Authorities.

   b. With respect to this Agreement, in the event of breach of any of the above nondiscrimination covenants, MAC will have the right to terminate the lease and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said Agreement had never been made or issued.

5. Title VI List of Pertinent Nondiscrimination Acts and Authorities

6. AIRLINE, by accepting this Agreement, agrees for itself and its successors and assigns that it will not make use of the Airport premises in any manner which might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event the aforesaid covenant is breached, MAC reserves the right to enter upon the Airport premises and cause the abatement of such interference at the expense of AIRLINE.

7. AIRLINE, by accepting this Agreement, expressly agrees for itself and its successors and assigns that it will not erect nor permit the erection of any structure or object, nor permit the growth of any tree on the Airport premises, above the main sea level elevation that would exceed FAR Part 77 standards or elevations affecting the Airport navigable airspace. In the event the aforesaid covenants are breached, MAC reserves the right to enter upon the permitted premises and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of AIRLINE.

D. ECONOMIC NONDISCRIMINATION

AIRLINE agrees to furnish service on a reasonable, and not unjustly discriminatory basis to all users thereof, and to charge reasonable, and not unjustly discriminatory prices for each unit or service, provided that AIRLINE may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

E. GRANTING OF MORE FAVORABLE TERMS

MAC covenants and agrees not to enter into any lease, contract, or agreement with any other Airline making use of the Airport with more favorable terms, rates or charges or which unjustly discriminates against AIRLINE's use of the Airport, unless the same rights, privileges, terms, rates, charges and concessions are concurrently and automatically made available to AIRLINE. Without limiting the generality thereof, the foregoing shall not be construed to limit the right of MAC to enter into agreement with any other Airline at varying terms, rates, and conditions for leasing hangars and ground areas.

F. CONSENTS, APPROVALS, AND NOTICES

1. Wherever in this Agreement the consent or approval of MAC or AIRLINE is required, such consent or approval shall mean the consent or approval of the Executive Director in writing on behalf of MAC and a representative designated by AIRLINE in writing on behalf of AIRLINE.

2. All notices required by this Agreement shall be in writing and shall be given by registered or certified mail by depositing the same in the U.S. mail in the continental United States, postage prepaid, return receipt requested, or by personal or courier delivery or by reputable overnight courier or by email with proof of delivery or receipt. Either party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. Notice shall be given to:

   a. MAC:

      Director of Commercial Management and Airline Affairs Metropolitan
      Airports Commission
      6040 28th Avenue South
      Minneapolis MN 55450

      If by email, to the email address of the current Director of Commercial Management and Airline Affairs.

b. AIRLINE:

[as set forth below
in AIRLINE's
signature page hereto]

If by email, to the email address of the employee designated by AIRLINE.

c. If notice is given in another manner or place, it shall also be given at the place and in the manner specified above.

d. The effective date of such notice, consent, or approval shall be the date of the receipt as shown by the U.S. Postal Service Return Receipt or the courier receipt, the email confirmation, or the date personal delivery is certified, unless provided otherwise in this Agreement.

G. WAIVER

1. Waiver of any provision of this Agreement by either party shall not be deemed binding unless such waiver is in writing, signed by the party making the waiver and addressed to the other party, nor shall any custom or practice which may evolve between the parties in the administration of the terms of this Agreement be construed to waive or lessen the right of either party to insist upon the performance of the other party in strict accordance with the terms of this Agreement.

2. Waiver by either party of breach of any covenant, condition, or agreement herein by the other party shall not operate as a waiver of any subsequent breach by such other party or release such other party from its obligation under the terms of the Agreement.

H. APPLICABLE LAW AND FORUM SELECTION

1. This Agreement shall be governed by and construed and enforced in accordance with the applicable laws of the State of Minnesota, and the Rules and Regulations and Ordinances of MAC as well as applicable federal law.

2. Subject to Article XII, any cause of action, claim, suit, demand, or other case, or controversy arising from or related to this Agreement shall only be brought in a state district court located in the county of Hennepin, Minnesota or in a federal district court located in Minnesota. The parties irrevocably admit themselves to, and consent to, the jurisdiction of either or both of said courts. The provisions of this Section shall survive the termination of this Agreement.

I. SUCCESSORS

All covenants, stipulations, and agreements in this Agreement shall extend to and bind the legal representatives, successors, and assigns of the respective parties hereto.

J. INSPECTION

1. MAC shall have the right, but not the obligation or duty, to inspect AIRLINE's operations at all reasonable times and upon reasonable prior written notice to AIRLINE, for any purpose connected with this Agreement, in the exercise of MAC's governmental functions, for the purpose of determining whether AIRLINE is fulfilling the obligations imposed on it under the provisions of this Agreement.
2. If inspection reveals that AIRLINE is not fulfilling such obligations or any thereof, and MAC has sent AIRLINE written notice to that effect, and AIRLINE has not within thirty (30) days proceeded to the fulfillment thereof, MAC may proceed to do the work necessary to such fulfillment, and AIRLINE shall reimburse MAC in the amount of the cost thereof plus a 15 percent administrative charge.
3. The failure of MAC to inspect or monitor or give AIRLINE notice of a default or a notice of a hazardous or unsafe condition with respect to AIRLINE's operations under this Agreement shall not release AIRLINE from its liability to perform its obligations under this Agreement or impose any liability on MAC.
4. AIRLINE shall have the right to inspect the Airport or any part thereof at any reasonable time, upon request to the Executive Director and the granting of such request by the Executive Director, such request not to be unreasonably denied, and the Executive Director or the Executive Director's representative shall accompany AIRLINE's representative on any and all inspections.

K. QUIET ENJOYMENT

So long as AIRLINE is not in default in its obligations hereunder, MAC covenants and agrees that AIRLINE shall have, hold and enjoy peaceful and uninterrupted possession of all of the Premises and of its rights to operate in, to and from the Airport as hereby granted.

L. NON-LIABILITY OF AGENTS AND EMPLOYEES

1. No member, officer, agent, director, or employee of MAC or AIRLINE shall be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or because of any breach thereof or because of its or their execution or attempted execution.

2. AIRLINE expressly agrees that MAC shall not be liable to AIRLINE, its contractors, agents, officers, employees, passengers, or invitees for personal injury or for any loss or damage to real or personal property occasioned by flood, fire, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, aircraft, smoke, vandalism, malicious mischief, or acts of civil authority, or other casualty except to the extent caused by the negligence or willful misconduct of MAC, its contractors, subcontractors, agents or any of their employees or officers.

3. MAC expressly agrees that AIRLINE shall not be liable to MAC, its contractors, agents, officers, employees, or invitees for personal injury or for any loss or damage to real or personal property occasioned by flood, fire, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, aircraft, smoke, vandalism, malicious mischief, or acts of civil authority, or other casualty except to the extent caused by the negligence or willful misconduct of AIRLINE, its contractors, subcontractors, agents or any of their employees or officers.

4. The provisions of this Section shall survive the termination of this Agreement.

M. NO PARTNERSHIP OR AGENCY

Nothing contained in this Agreement is intended or shall be construed in any respect to create or establish any relationship other than that of lessor and lessee, and nothing herein shall be construed to establish any partnership, joint venture or association or to make AIRLINE the general representative or agent of MAC for any purpose whatsoever.

N. SECURITY

In conjunction with AIRLINE's operations at Airport, reasonable access shall be made available for both persons and vehicles to AIRLINE's aircraft parked in designated parking areas via Terminal 1 or Terminal 2 doors, field access gates, passenger loading bridges, and the ramp gates to the SIDA, AOA, or other defined security area. In order to maintain the security of restricted areas on Airport, AIRLINE will be responsible for the control of persons and vehicles entering the SIDA via the ramp gates to and from AIRLINE's aircraft. AIRLINE agrees to implement and maintain security measures with respect to access control to and from AIRLINE's aircraft and with respect to the use of the SIDA, as required by federal regulations. Such security measures shall be reduced to writing and be provided to the Airport Security Coordinator. AIRLINE agrees to implement and maintain, as a minimum, the following security measures concerning access control to and from the SIDA:

1. During all hours, access points to the SIDA shall be secured and locked.

2. AIRLINE and its agents shall challenge any persons not recognized as being authorized to have access to the SIDA from AIRLINE's operations.

3. AIRLINE and its agents shall restrict the activities of its employees who are authorized to be in the SIDA to that portion of the SIDA in which AIRLINE is authorized to operate.

4. AIRLINE and its agents are responsible for ensuring that personnel are trained in the security procedures described in this Agreement and in all other security procedures, Rules and Regulations and Ordinances developed by MAC. MAC may require attendance at courses conducted by MAC.

5. AIRLINE and its agents shall not allow any unescorted person into the SIDA unless that person has a valid Airport identification badge. Identification badges shall not be considered valid unless the color code of the badge corresponds with the location in which such person may enter, as designated by MAC. People who do not have valid identification badges to be present on the SIDA shall be escorted at all times they are present on the SIDA by a person with a valid identification badge and valid escort endorsement. Issuance of AOA SIDA identification badges shall be made only by MAC and shall be at the sole discretion of MAC. Airport identification badges shall be denied to people not meeting security requirements.

6. AIRLINE and its agents shall abide by the Airport's security program and comply with applicable security procedures including, but not limited to, the wearing of security identification badges by AIRLINE's and its agents' personnel and clearly identifying each of AIRLINE's vehicles by placing AIRLINE's company or agent's name on each vehicle, and fully comply with any vehicle identification or licensing system adopted by MAC.

7. AIRLINE and its agents shall immediately notify the Airport Police of any suspicious activities observed in or about the SIDA.

8. Any unresolved questions concerning Airport security shall be directed to the Airport Security Coordinator.

9. AIRLINE further agrees to reimburse MAC for any penalties or fines levied against MAC by the FAA, Transportation Security Administration, or Customs and Border Patrol due to AIRLINE's or its agents' failure to abide by any applicable security measures.

10. The Airport Security Coordinator or his or her designated alternate will periodically evaluate compliance with this Section. Failure of AIRLINE to fully comply with the procedures set forth in this Section shall be sufficient grounds for MAC to immediately take any and all necessary corrective measures until security that is acceptable to MAC is restored. AIRLINE shall pay any costs of such corrective measures, plus an administrative fee of fifteen percent (15%) of such costs.

11. AIRLINE must immediately return each MAC-issued security identification badge to the airport badging office upon expiration of badge or upon termination of badgeholder's employment or contract. Further, AIRLINE must promptly report any loss or theft of an individual's MAC-issued security identification, the termination of any badgeholder whose security identification is not recovered; or the suspension of any badgeholder.

12. AIRLINE must comply within established timelines with any security audits conducted by the MAC including audits of airport-issued security badges.

13. AIRLINE and AIRLINE contractors must comply with the applicable provisions of MAC Ordinance 117 (or as amended).

O. SUBORDINATION TO AGREEMENTS WITH THE U.S. GOVERNMENT

This Agreement shall be subordinate and subject to the terms of any existing or future agreement between MAC and the United States, relative to the development, operation, or maintenance of the Airport, including but not limited to "Sponsor's Grant Assurances" or like agreement that has been or may be furnished by MAC to the United States of America, its boards, commissions, or agencies, including without limitation the FAA, or any other agreement that is required by applicable laws as a condition precedent to receiving Federal financial assistance for development of the Airport and other Airport programs and activities. In the event that the FAA or its successors require any modifications or changes in this Agreement as a condition precedent to the granting of funds for the further improvement of the Airport or otherwise complying with the MAC's assurances or like agreements, AIRLINE shall not withhold its consent to such amendments, modifications, revisions, supplements or deletions of any of the terms, conditions or requirements of this Agreement as may reasonably be required to obtain such funds. MAC agrees to provide AIRLINE with advance written notice of any provisions that would adversely modify the material terms of this Agreement.

This Agreement and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may acquire affecting the control, operation, regulation, and taking over of said Airport or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

P. PFC ACT AND ASSURANCES

1. Notwithstanding anything to the contrary in this Agreement, no provision of this Agreement shall impair the authority of MAC to impose a Passenger Facility Charge or to use the Passenger Facility Charge revenue as provided in the Aviation Safety and Capacity Expansion Act of 1990, 49 U.S.C. § 40117 (the "PFC Act").

2. AIRLINE acknowledges that MAC has given to the United States of America, acting by and through the FAA, certain assurances set forth in the PFC Act and implementing regulations at 14 C.F.R. Part 158 ("PFC Assurances"), and AIRLINE agrees that this Agreement shall be subordinate and subject to the PFC Assurances.

3. In the event that the FAA or its successors require any modifications or changes in this Agreement as a condition precedent to the collection of PFCs or otherwise complying with the PFC Act, AIRLINE shall not withhold its consent to such amendments, modifications, revisions, supplements or deletions of any of the terms, conditions or requirements of this Agreement as may reasonably be required to collect PFCs or comply with the PFC Act. MAC agrees to provide AIRLINE with advance written notice of any provisions that would adversely modify material terms of this Agreement.

Q. NO EXCLUSIVE RIGHT

Nothing herein contained shall be deemed to grant to AIRLINE any exclusive right or privilege within the meaning of Section 308 of the Federal Aviation Act for the conduct of any activity on the Airport.

R. CONCERNING DEPRECIATION AND INVESTMENT CREDIT

Neither AIRLINE nor any successor of AIRLINE under this Agreement may claim depreciation or an investment credit under the Internal Revenue Code of 1986, as amended (the "Code"), with respect to the Premises. AIRLINE represents as an irrevocable election under Code Section 142(b)(1)(B) that it will not claim such depreciation or investment credit with respect to the Premises. MAC acknowledges this AIRLINE representation and election as part of its books and records.

S. ATTORNEYS' FEES

In any action brought by either party for the enforcement of any provisions of this Agreement, the party prevailing in said action shall be entitled to recover reasonable attorney's fees from the other party, unless the court shall otherwise award.

T. SAVINGS

MAC and AIRLINE acknowledge that they have thoroughly read this Agreement, including all exhibits thereto, and have sought and received whatever competent advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations herein. MAC and AIRLINE further acknowledge that this Agreement is the result of extensive negotiations between them and that this Agreement shall not be construed against either party by reason of that party's preparation of all or part of this Agreement.

U. MASTER TRUST INDENTURES

1. Subordination of Facilities Construction Credits

The obligations of MAC under this Agreement, if any, which constitute Facilities Construction Credits or other forms of rental credits, are made subject and subordinate to the terms and payment provisions of the MAC revenue obligations issued pursuant to Minnesota Statutes, § 473.608, Subd. 12a., and the terms and provisions of Senior Trust Indenture which controls the issuance of such obligations, including MAC's obligation to meet its rate covenants under the Trust Indentures.

2. Airline Cooperation

   a. The AIRLINE agrees that it will cooperate with MAC, the underwriters and their counsel to satisfy any ongoing disclosure requirements necessary under applicable law in order to market the MAC revenue obligations, including provision of annual reports of AIRLINE or any parent.

   b. AIRLINE shall cooperate with MAC and the underwriters of MAC's revenue obligations so that the provisions of Rule 15c2-12 of the Securities Exchange Act of 1934, as amended, are complied with.

Memorandum of Understanding
For Ground Handling on Terminal 1 FIS Gates

This Memorandum of Understanding ("MOU") is made the _____ day of_____, 20XX, between the Metropolitan Airports Commission, a public corporation of the State of Minnesota ("MAC"), (insert airline name) authorized to do business in the State of Minnesota ("AIRLINE"), and Delta Air Lines, Inc., a Delaware corporation authorized to do business in the State of Minnesota ("Delta").

WHEREAS, the parties to this MOU desire to establish the terms and conditions by which AIRLINE permitted to contract with a 3rd party for the provision of ground handling services while operating from Terminal 1 of the Minneapolis-St. Paul International Airport ("Airport).

NOW, THEREFORE, in consideration of the foregoing and mutual promises and covenants set forth, the parties hereby agree as follows:

1. Background Information

AIRLINE has requested from MAC the ability to contract with a 3rd party ground handling company ("Ground Handling Company") for the provision of below-wing ground handling services for its international operations which occur on Gates G1-G10 of Terminal 1 (the "Gates").

1. Airline Operating Agreement & Terminal Building Lease

Pursuant to the Airline Operating Agreement and Terminal Building Lease ("Airline Agreement") that both AIRLINE and Delta have separately entered into with the MAC, Airlines operating on the Gates have the option to either self-handle or utilize Delta for below-wing ground handling services. However, MAC, AIRLINE, and Delta would like to establish alternate terms and conditions by which AIRLINE is permitted to contract with a Ground Handling Company for the provision of below-wing ground handling services at the Gates without amending the Airline Agreement.

3. Effective Date & Term

The effective date of this MOU shall be_____.

This MOU is terminable by any party providing 90 days advance written notice to the other two parties in accordance with this MOU.

4. MAC Commitments

A. Ensure the Ground Handling Company selected by AIRLINE executes and adheres to all of the requirements of MAC's Limited Commercial Services License. This License establishes the insurance, indemnification, environmental, and financial requirements for operating at the Airport consistent with AIP grant assurances.

B. Assist AIRLINE and Delta with ensuring the Ground Handling Company operates within the parameters established by this MOU and the Limited Commercial Services License.

C. Assist with ensuring AIRLINE is provided access to FIS accessible gates in accordance with the Airline Agreement.

D. In the event an aircraft is not able to depart the gate within the two hour limit for narrow-body aircraft and the three hour limit for wide-body aircraft identified in Section 5.D. and Delta is requiring use of the gate, MAC shall to the best of its ability assist AIRLINE in relocation of the aircraft to either another gate location designated by Delta or to a remote parking area designated by MAC or MAC's agent.

E. Establish ticket counters for AIRLINE and the Ground Handling Company independent of ticket counters occupied by Delta.

5. AIRLINE Commitments

A. Provide in advance Delta and MAC with AIRLINE's schedule on a monthly basis and the specific time in advance of the aircraft arrival that AIRLINE requests the Ground Handling Company to be allowed to stage equipment on the Delta designated gate. In most cases, Gate TBD shall be the gate designated by Delta; however this gate assignment is subject to change by Delta based on the operating conditions of any given day.

B. Provide Delta with as much notice as possible of aircraft arrival and departure time changes that occur for various reasons on a day-to-day basis to ensure proper access to gates and the FIS bag room.

C. To the best of AIRLINE's ability, ensure only ground handling equipment incidental to the servicing of its aircraft operations may be positioned on the ramp adjacent to the applicable gate. Equipment may be staged on the gate no more than 20 minutes in advance of aircraft arrival and must be removed promptly upon departure of the aircraft.

D. To the best of AIRLINE's ability, ensure its aircraft does not remain on the gate after arrival any longer than two hours for narrow-body aircraft and three hours for wide-body aircraft. In the event an aircraft is not able to depart the gate within the applicable two or three hour limit and Delta is requiring use of the gate, AIRLINE shall relocate the aircraft to either another gate location designated by Delta or to a remote parking area designated by MAC or MAC's agent. AIRLINE shall be responsible for the cost of parking its aircraft on another gate designated by Delta or within a remote parking area designated by MAC.

E. AIRLINE assumes responsibility for its above-wing operations through use of AIRLINE's employees or a 3rd party handler.

F. AIRLINE shall secure ticket counter and outbound baggage areas from MAC and shall be responsible for all costs relating to the use of or construction of such areas.

G. AIRLINE shall pay MAC all fees related to its use of a gate and the FIS facility as required by the Airline Agreement.

H. In the event Airline exercises its rights pursuant to Section III.C.3 of the Agreement, AIRLINE agrees to indemnify, defend, save and hold harmless MAC and Delta and their respective Commissioners, officers, and employees (collectively, "Indemnitees") from and against any and all liabilities, losses, damages, suits, actions, claims, judgments, settlements, fines or demands of any person other than an Indemnitee arising by reason of injury or death of any person, or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to attorneys' fees, court costs, and expert fees), of any nature whatsoever arising out of or incident to the use or occupancy of, or operations of AIRLINE at or about the Gates unless such injury, death or damage is caused by (i) the negligent act or omission of an Indemnitee whether separate or concurrent with negligence of others, including AIRLINE. MAC and Delta shall give AIRLINE reasonable notice of any such claims or actions. In indemnifying or defending MAC and Delta, AIRLINE shall use legal counsel reasonably acceptable to MAC and Delta and shall control the defense of such claim or action.

6. Delta's Commitments

A. AIRLINE will have gate access in accordance with Article III.C. of the Airline Agreement.

B. To the best of Delta's ability, the gate designated for AIRLINE's operation shall be clear of Delta's equipment and accessories 30 minutes in advance of the AIRLINE's scheduled arrival.

C. To the best of Delta's ability, neither Delta nor its equipment shall prevent the Ground Handling Company from reasonable use of and access to the FIS bag room in accordance with this MOU.

7. Notices

All notices and other communications under this Agreement shall be effective two (2) business days after deposit with the United States Postal Service, first class, postage prepaid, or when hand delivered or transmitted by Email, and shall be in writing and addressed to the parties at the following addresses:

To Delta:	Delta Air Lines, Inc. 1030 Delta Blvd. Atlanta, GA 30320 Email: hank.moody@delta.com
To AIRLINE:	_____ _____ _____ _____
To MAC:	Metropolitan Airports Commission 6040 28th Avenue South Minneapolis, MN 55450 Attn: Director, Commercial Management & Airline Affairs

Either party may change the address at which notice is to be made by providing notice of the change to the other party, in writing, in the manner provided for in this Section 6.

8. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Minnesota.

9. Integration; Amendment and Modification

This Agreement embodies the entire agreement between the parties hereto relative to the subject matter hereof and shall not be modified, changed or altered in any respect except in writing.

10. Counterparts

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which shall constitute one agreement.

EXHIBIT Y

Alternate Rate Structure

Pursuant to Section VI.J of the Agreement, in the event that MAC elects to exercise its rights under that section, MAC shall use the "Alternate Section V.B." and "Alternate Article VI" below to calculate rates and charges. Capitalized terms in this Exhibit Y shall have the meanings given to them in the Agreement.

ALTERNATE SECTION V.B. RENTS, FEES, AND CHARGES

B. RENTS, FEES, AND CHARGES

1. **Landing Fees**. AIRLINE shall pay to MAC monthly landing fees to be determined by multiplying the number of 1,000-pound units of AIRLINE's Total Landed Weight during the month by the then-current landing fee rate. The landing fee rate shall be calculated according to procedures set forth in Article VI.

2. **Common Use Space Charges**. AIRLINE shall pay for its use of the Common Use Space, calculated according to procedures set forth in Article VI.

3. **Terminal Apron Fees**. AIRLINE shall pay to MAC monthly Terminal Apron fees to be determined by multiplying the number of lineal feet of Terminal Apron Preferential Use Space that is leased to AIRLINE (excluding Concourses A and B) during the month by the then-current Terminal Apron rate. AIRLINE shall pay to MAC monthly Terminal Apron fees associated with the Terminal Apron Preferential Use Space that is leased to AIRLINE for Concourses A and B shall be determined by multiplying the number of lineal feet at the rate of fifty percent (50%) of the lineal feet associated with the Terminal Apron of Concourses A and B during the month by the then-current Terminal Apron rate. The Terminal Apron rate shall be calculated according to the procedures set forth in Article VI hereof.

4. **Terminal 1 Building Rents**. AIRLINE shall pay to MAC monthly Terminal 1 rentals for its Exclusive Use Space (janitored and unjanitored), Preferential Use Space and Joint Use Space in Terminal 1. The Terminal 1 rental rates shall be calculated according to procedures set forth in Article VI.

   Terminal 1 rentals for Joint Use Space (except the IAF) shall be prorated among Signatory Airlines using the Joint Use Formula.

   Terminal 1 rentals for Preferential Use Space and Exclusive Use Space shall be determined by multiplying the square feet of the space times the then current Terminal 1 rental rate in accordance with the procedures of Article VI.

5. **Carrousel and Conveyor Charges**. AIRLINE shall pay to MAC monthly carrousel and conveyor charges based upon Operation and Maintenance Expenses and direct depreciation and interest costs. The carrousel and conveyor charges shall be calculated according to the procedures set forth in Article VI and shall be prorated among Signatory Airlines using the Joint Use Formula, provided however, that as long as DELTA operates and maintains the Inbound BHS and Outbound BHS, such costs incurred by DELTA will be charged to AIRLINE as specified in Sections VIII.C and VIII.D.

6. **IAF Gate Fees**. If AIRLINE does not lease the applicable IAF gate as Preferential Use Space, AIRLINE shall pay to MAC monthly IAF gate fees determined by multiplying the number of arrivals at the IAF by AIRLINE's propeller aircraft, narrow-body jet aircraft, and wide-body jet aircraft by $400, $800, and $1,200, respectively. MAC may reasonably increase these rates at any time with 60 day advance written notice to AIRLINE.

7. **IAF Use Fees**. AIRLINE shall pay to MAC monthly IAF use fees determined by multiplying the number of AIRLINE's international passengers arriving at the IAF during the month by the IAF use fee rate. The IAF use fee rate shall be calculated according to procedures set forth in Article VI.

8. **Other Fees and Charges**. AIRLINE shall pay to MAC reasonable fees for the various other services provided by MAC to AIRLINE. These services include, but may not be limited to, the following:

   a. Use of Terminal 2 and the Terminal 2 ramp at rates established from time to time by MAC.

   b. Use of valet parking for AIRLINE's employees at rates set forth in MAC Policies.

   c. Use of designated employee parking facilities by AIRLINE's employees at rates established from time to time by MAC.

   d. Nonroutine Terminal Apron cleaning and other special services requested by AIRLINE at rates that reflect the costs incurred by MAC.

   e. Security and personnel identification badges for AIRLINE's personnel at rates established from time to time by MAC.

   f. Charges for the cost of separately metered water and sewer and other such utilities not otherwise included in the calculation of rents, fees, and charges.

   g. Other charges as described in Section VI.M.

   h. Other charges as described in Section VI.K.

ALTERNATE ARTICLE VI. CALCULATION OF RENTS, FEES, AND CHARGES

A. GENERAL

Each Fiscal Year, rents, fees, and charges will be reviewed and recalculated based on the principles and procedures set forth in this Article VI. The annual costs associated with each of the indirect cost centers shall be allocated to each of the applicable Airport Cost Centers based on the allocations as set forth in Exhibit M, Indirect Cost Center Allocation, which allocations may be reasonably adjusted from time to time by MAC and approved by a Majority-In-Interest of Signatory Airlines. Such approval may not be unreasonably withheld. Such allocation adjustment shall be deemed approved by a Majority-In-Interest of Signatory Airlines unless MAC receives, within forty-five (45) days after emailing or mailing such allocation adjustment: (a) written responses from a Majority-In-Interest of Signatory Airlines and such responses signify that a Majority-In-Interest of Signatory Airlines disapprove of such allocation adjustment or (b) a certificate from the chair of the MSP Airport Affairs Committee stating such disapproval, with supporting documentation establishing that a Majority-In-Interest of Signatory Airlines disapprove of such allocation adjustment.

B. CALCULATION/COORDINATION PROCEDURES

1. AIRLINE shall provide to MAC: (a) on or before August 1 of each year a preliminary estimate of Total Landed Weight for the succeeding calendar year of AIRLINE and each Affiliated Airline, unless separately reported to MAC by such Affiliated Airline; and (b) on or before October 1 of each year a final estimate of such weight. If the final estimate is not so received, MAC may continue to rely on the preliminary estimate for the MAC budgeting process. MAC will utilize the forecast in developing its preliminary calculation of Total Landed Weight for use in the calculation of rents, fees, and charges for the ensuing Fiscal Year.

2. On or before October 15 of each Fiscal Year, MAC shall submit to AIRLINE a preliminary calculation of rents, fees, and charges for the ensuing Fiscal Year. The preliminary calculation of rents, fees, and charges will include, among others, MAC's estimate of all revenue items, Operation and Maintenance Expenses, depreciation and imputed interest, Capital Outlays, required deposits, including amounts necessary to be deposited in the Coverage Account in order to meet MAC's rate covenant under the Trust Indenture, and Rentable Space. The calculation of depreciation and imputed interest will be based on MAC's determination of the useful life of each asset and the weighted average cost of capital, respectively, under generally accepted accounting principles, except that unless specifically prohibited by generally accepted accounting principles applicable to a particular project, (a) Terminal 1 projects involving building or structural changes added to the rate calculation after January 1, 1999 and which would otherwise have been depreciated over 20-25 years shall be depreciated over 30 years, and (b) ramp and runway projects involving replacement concrete or ramp work added to the rate calculation after January 1, 1999 and which would otherwise have been depreciated over 20-25 years shall be depreciated over 30 years.

3. Within fifteen (15) days after receipt of the preliminary calculation of rents, fees, and charges, if requested by the Signatory Airlines, a meeting shall be scheduled between MAC and the Signatory Airlines to review and discuss the proposed rents, fees, and charges.

4. MAC shall then complete a calculation of rents, fees, and charges at such time as the budget is approved, taking into consideration the comments or suggestions of AIRLINE and the other Signatory Airlines.

5. If, for any reason, MAC's annual budget has not been adopted by the first day of any Fiscal Year, the rents, fees, and charges for the Fiscal Year will initially be established based on the preliminary calculation of rents, fees, and charges until such time as the annual budget has been adopted by MAC. At such time as the annual budget has been adopted by MAC, the rents, fees, and charges will be recalculated, if necessary, to reflect the adopted annual budget and made retroactive to the first day of the Fiscal Year and any difference shall be charged, credited, or refunded to AIRLINE and paid or credit by AIRLINE or MAC, as applicable, within thirty (30) days thereafter.

6. If, during the course of the year, MAC believes significant variances exist in budgeted or estimated amounts that were used to calculate rents, fees, and charges for the then current Fiscal Year, MAC may after notice to Airlines adjust the rents, fees, and charges for future reports to reflect current estimated amounts.

C. LANDING FEES

MAC shall calculate the landing fee rate in the following manner:

1. The total estimated Airfield Cost shall be calculated by totaling the following annual amounts:

a. The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Airfield cost center.

b. The estimated direct and allocated indirect depreciation and imputed interest on the net Capital Cost (after grants and PFCs) allocable to the Airfield cost center. MAC agrees to defer the start of recovery through landing fees of depreciation and imputed interest on $49.683 million of project costs included in the Runway 17/35 Program from their original date of beneficial occupancy to 2006. Carrying costs for such projects during this deferral period shall be calculated with the amount added to the original project cost (which, if debt funded, includes the allocated portion of capitalized interest, debt service reserve funds, issuance costs, and other such cost elements related to such debt) for recovery through the project's depreciation and imputed interest calculations starting in 2006. Depreciation and imputed interest on these projects shall be recovered over the depreciation periods set forth in Section VI.B.2.

c. The estimated imputed interest (net of grants and PFCs) on the historical cost of MAC's investment in land.

d. The total estimated direct and allocated indirect cost (net of grants and PFCs) of Capital Outlays allocable to the Airfield cost center.

e. The amount of any fine, assessment, judgment, settlement, or extraordinary charge (net of insurance proceeds) paid by MAC in connection with the operations on the Airfield, to the extent not otherwise covered by Article X.

f. The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indenture, including, but not limited to, its debt service reserve funds allocable to the Airfield cost center. MAC agrees to exclude from the calculation of landing fees the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenant under the Trust Indenture.

2. The total estimated Airfield Cost shall be adjusted by the total estimated annual amounts of the following items to determine the Net Airfield Cost:

a. Service fees received from the military, to the extent such fees relate to the use of the Airfield;

b. General aviation and nonsignatory landing fees; and

c. Depreciation and imputed interest on the Capital Cost, if any, disapproved by a Majority-In-Interest of Signatory Airlines.

3. The Net Airfield Cost shall then be divided by the estimated Total Landed Weight (expressed in thousands of pounds) of the Signatory Airlines operating at the Airport to determine the landing fee rate per 1,000 pounds of aircraft weight for a given Fiscal Year.

D. TERMINAL APRON FEES

MAC shall calculate the terminal apron rate in the following manner:

1. The total estimated Terminal Apron Cost shall be calculated by totaling the following annual amounts:

a. The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Terminal Apron cost center.

b. The estimated direct and allocated indirect depreciation and imputed interest on the net Capital Cost (after grants and PFCs) allocable to the Terminal Apron cost center (excluding hydrant fueling repairs and modifications).

c. The total estimated direct and allocated indirect cost (net of grants and PFCs) of Capital Outlays allocable to the Terminal Apron cost center.

d. The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indenture, including, but not limited to, its debt service reserve funds allocable to the Airfield cost center. MAC agrees to exclude from the calculation of landing fees the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenant under the Trust Indenture.

2. The Terminal Apron Cost shall then be divided by the total estimated lineal feet of Terminal Apron, to determine the terminal apron rate per lineal foot for a given Fiscal Year. For the purposes of this calculation, lineal feet of Terminal Apron shall be computed as the sum of the following:

a. Lineal feet of the Terminal Apron (excluding the Terminal Apron associated with Concourses A & B); and

b. Fifty percent (50%) of lineal feet of the Terminal Apron associated with Concourse A & B.

E. TERMINAL 1 RENTS

MAC shall calculate the Terminal 1 rental rate for unjanitored and janitored space in Terminal 1 as set forth in Subsections 1 and 2 of this Section.

1. MAC shall calculate the Terminal 1 rental rate for unjanitored space in Terminal 1 in the following manner and as illustrated in Exhibit N.

a. The total estimated Terminal Building Cost shall be calculated by totaling the following annual amounts:

1) The total estimated direct and allocated indirect Operation and Maintenance Expenses allocable to the Terminal 1 cost center.

2) The estimated direct and allocated indirect depreciation and imputed interest on the net Capital Cost (after grants and PFCs) allocable to the Terminal 1 cost center. MAC agrees to defer the start of recovery through Terminal 1 rents of depreciation and imputed interest on $121.574 million of project costs included in the Green Concourse Extension Program from their original date of beneficial occupancy to 2006. Carrying costs for such projects

during this deferral period shall be calculated with the amount added to the original project cost (which, if debt funded, includes the allocated portion of capitalized interest, issuance costs, and other such cost elements related to such debt) for recovery through the project's depreciation and imputed interest calculations starting in 2006. Depreciation and imputed interest on these projects shall be recovered over the depreciation periods set forth by in Section VI. B. 2.

3) The total estimated direct and allocated indirect cost (net of grants and PFCs) of Capital Outlays allocable to the Terminal 1 cost center.

4) The amounts required to be deposited to funds and accounts pursuant to the terms of the Trust Indenture, including, but not limited to, its debt service reserve funds allocable to the Airfield cost center. MAC agrees to exclude from the calculation of landing fees the amounts which it may deposit from time to time to the maintenance and operation reserve account and the Coverage Account established and maintained pursuant to the Trust Indenture except for such amounts which are necessary to be deposited to the Coverage Account in order for MAC to meet its rate covenant under the Trust Indenture.

b. The total estimated Terminal Building Cost shall be reduced by the total estimated annual amounts of the following items to determine the Net Terminal Building Cost:

1) Reimbursed expense:

a) IAF Operation and Maintenance Expenses;

b) Carrousel and conveyor Capital cost and Operation and Maintenance Expense;

c) Ground power;

d) Loading dock;

e) Concession utilities, and

f) Items described in Section VI.K and VI.M. to the extent directly reimbursed.

2) Janitorial Operation and Maintenance Expenses, as incurred by MAC.

c. The Net Terminal Building Cost shall then be divided by the total estimated Rentable Space in the Terminal 1 to determine the Terminal 1 rental rate per square foot for unjanitored space for a given Fiscal Year. (See Initial Rentable Square Footage, Exhibit O).

2. MAC shall calculate the Terminal 1 rental rate for janitored space by totaling the following rates:

a. The Terminal 1 rental rate per square foot for unjanitored space for a given Fiscal Year, as calculated in this Section; and

b. An additional rate per square foot, the janitored rate, calculated by dividing the total estimated direct janitorial Operation and Maintenance Expenses, as determined by MAC, by the total janitored space in the Terminal 1 (excluding MAC and mechanical space).

F. CARROUSEL AND CONVEYOR CHARGE

1. MAC shall calculate the carrousel and conveyor charge, by totaling the following annual amounts: equipment charges associated with the carrousel and conveyor, including annual depreciation and imputed interest, Operation and Maintenance Expense, and service charge.

2. MAC shall prorate the carrousel and conveyor charge among the Signatory Airlines using the Joint Use Formula.

3. Notwithstanding anything herein to the contrary, so long as DELTA operates and maintains the Inbound BHS and Outbound BHS, such costs incurred by DELTA will be charged to AIRLINE as specified in Sections VIII.C and VIII.D.

G. IAF USE FEES

The IAF use fee for use of the IAF and any associated gates shall be based upon:

1. The cost of the maintenance and operation of the International Arrivals Facility which may include, but is not limited to:

a. utilities;

b. cleaning:

c. maintenance (including the costs of maintaining the security equipment that existed as of April 1998), repair and replacement cost allocation;

d. police, fire, and administrative cost allocation;

e. costs of providing passenger baggage carts, if any;

f. costs of providing staff parking for federal inspections agency staff; and

g. $35,064 per month for recoupment for lost rental area in the G Concourse.

2. Costs associated with the operation of dual international arrivals facility locations at the Airport, based on the appropriate allocation of costs between the two facilities, not otherwise funded by the federal inspections agencies including, but not limited to additional personnel and equipment used by those agencies; and

3. Excess construction and financing costs, if any.

Each Fiscal Year, the IAF use fee shall be calculated by first summing the budgeted costs for items (1) through (4) above and then dividing by total estimated passengers arriving at the IAF. AIRLINE shall be billed for IAF use fees monthly, and such use fees shall be set annually at an estimated charge through MAC's budget process and then adjusted at year end for actual costs and actual passengers arriving at the IAF pursuant to certified audit by MAC's external auditors and such difference shall be charged, refunded, or credited to AIRLINE and paid or credited by AIRLINE or MAC within thirty (30) days thereafter.

On a monthly basis for compensation for use of gates G1-G10 for scheduled international aircraft arrivals, MAC shall pay DELTA, $400, $800 and $1,200, for each arrival by, respectively, propeller aircraft, narrow-body jet aircraft or wide-body aircraft at the IAF. MAC may reasonably increase these rates at any time with 60 day advance written notice to DELTA.

H. YEAR-END ADJUSTMENTS OF RENTS, FEES, AND CHARGES

1. As soon as practical following the close of each Fiscal Year, but in no event later than July 1, MAC shall furnish AIRLINE with an accounting of the costs actually incurred and revenues and credits actually realized during such Fiscal Year with respect to each of the components of the calculation of the rents, fees, and charges calculated pursuant to this Section broken down by rate making Cost Center.

2. In the event AIRLINE's rents, fees, and charges billed during the Fiscal Year exceed the amount of AIRLINE's rents, fees, and charges required (as recalculated based on actual costs and revenues), such excess shall be refunded or credited to AIRLINE.

3. In the event AIRLINE's rents, fees, and charges billed during the Fiscal Year are less than the amount of AIRLINE's rents, fees, and charges required (as recalculated based on actual costs and revenues), such deficiency shall be charged to AIRLINE in a supplemental billing.

4. This section does not apply to Common Use Space charges. This provision shall survive an expiration or termination of this Agreement.

I. [INTENTIONALLY OMITTED]

J. [INTENTIONALLY OMITTED]

K. AIRLINE SERVICES PROVIDED BY MAC IN TERMINAL 1

1. **SCOPE AND COSTS**

In accordance with the terms of this Section VI.K, AIRLINE agrees to reimburse MAC for providing the services described in this Section that generally benefit the Signatory Airlines using Terminal 1 or that primarily benefit AIRLINE. Except as and to the extent set forth in Section VI.K.4. below, MAC is under no obligation to provide any of these airline services. However, if MAC agrees to provide the services it shall charge AIRLINE as specified in this Section VI.K.

2. **EXISTING SERVICES**

For existing services historically provided by Airlines, the costs of providing such services will be recovered by MAC as follows: (a) if the services generally benefit the Airlines utilizing Terminal 1, the costs will be assessed using the Joint Use Formula; or (b) if the services primarily benefit a limited number of Airlines utilizing Terminal 1, MAC will directly bill those Airlines benefiting from the services their pro rata share based on Enplaned Passengers.

These airline services include but are not limited to porter services, security line management services, and technology related services such as flight information displays, ticket counter back wall monitors, and content management systems (but exclude future services, Employee Screening services, and services addressed elsewhere in this Agreement), the costs of which are not otherwise included in and recovered through the other rents, fees and charges assessed under this Article VI. Additionally, these airline services shall also include security costs for law enforcement officers within the ticketing or baggage claim or concourse areas of Terminal 1 to the extent these law enforcement officers are specifically requested by one or more Signatory Airlines and are in addition to the law enforcement officers MAC typically provides.

3. **FUTURE SERVICES**

For future related airline services provided by MAC, AIRLINE shall reimburse MAC for the costs of such services in the manner described in Section VI.K.2, unless such costs are disapproved by a Majority-In-Interest of the Terminal 1 Signatory Airlines in accordance with the procedures in Section VII.B.1. Majority-In-Interest review shall not be required any services that primarily benefit a limited number of Airlines if those Airlines agree to pay for and be directly billed for those services.

4. **TERMINAL 1 AIRLINE EMPLOYEE SCREENING**

Effective January 1, 2019, MAC shall begin performing (through a 3rd party contractor) the screening of AIRLINE's and its contractors' and subcontractors' employees who enter secure areas from within Terminal 1 ("Employee Screening."). This does not include AIRLINE employees entering secure, SIDA, or AOA areas from outside Terminal 1 such as the Airfield gates or other buildings at the Airport. The indemnification obligations of AIRLINE set forth in Section IX.A shall apply to this Section. MAC shall have sole and absolute discretion establishing Employee Screening locations and, subject to fulfilling its obligations in this Section, MAC makes no guarantee that existing AIRLINE or MAC screening locations will continue to be operated or available for screening functions; provided, however, that such locations shall be sufficient to perform the Employee Screening in a timely manner. Should MAC elect not to provide Employee Screening at an existing AIRLINE operated Employee Screening location, AIRLINE may continue to provide Employee Screening for its own employees and contractors at its own cost and expense at such location, provided that MAC may require such location to be closed at any time, in MAC's sole discretion, and AIRLINE may elect to close such location at any time. Employee Screening will be performed at locations that screen employees of other tenants, contractors, and subcontractors at the Airport and/or MAC's and its contractors' and subcontractors' employees. At any time, MAC may elect to transfer responsibility for Employee Screening to the Transportation Security Administration (or successor agency) if and to the extent the Transportation Security Administration (or successor agency) is willing to assume such responsibility, and AIRLINE shall reasonably cooperate with MAC to facilitate such move. Any expense MAC incurs for Employee Screening attributed to Signatory Airlines will be prorated among the Signatory Airlines using the Joint Use Formula and AIRLINE's proportionate share shall be billed to AIRLINE directly. MAC may, upon 365 days' advance notice to AIRLINE, stop performing Employee Screening.

L. TERMINAL 1 COMMON USE SPACE CHARGES

Use of and charges for Common Use Space in Terminal 1 shall be governed under a Memorandum of Understanding between MAC and any Airline that desires to use such Common Use Space at Terminal 1. AIRLINE agrees that such Memorandum of Understanding will be superseded and no longer in effect if a MAC Ordinance and/or Rules or Regulations are adopted that governs use of and charges for Common Use Space at Terminal 1.

M. MAC-OWNED SYSTEMS AND EQUIPMENT AND UTILITIES INSURANCE COSTS

MAC may seek to procure certain insurance policies, additional coverages and/or additional limits for the benefit of MAC and/or Airlines that insure against losses incurred by MAC and/or Airlines related to the failure or outage of MAC-Owned Systems and Equipment and/or the failure or outage of utilities or services described in Section VIII.A.4 (such as power, water, gas, fiber, HVAC, etc.). In connection with such procurement, upon AIRLINE's timely request, AIRLINE shall have the opportunity to participate in the procurement and review of any such insurance policies (including the continuation of policies not yet in place as of the effective date of this Agreement if premiums will increase by more than 10%), and MAC shall consider, in good faith, AIRLINE's comments, position, and concerns regarding such procurement. If any such policies are procured, AIRLINE shall reimburse MAC for premiums and other related costs of such insurance policies in the manner described below, unless such insurance policies are disapproved by a Majority-In-Interest of Signatory Airlines in accordance with the procedures in Section VII.B.1 and as modified below, in which case MAC may still elect to procure such insurance policies, but may not charge such insurance premium costs directly to Airlines, but such insurance premium costs will be reasonably allocated by MAC to all Airport Cost Centers that benefit from such insurance policies. Eighty percent (80%) of the premium costs for such insurance policies that are not disapproved by a Majority-In-Interest of Signatory Airlines (except that, for purposes of disapproval under this section, the MII rules will be altered by replacing references to a majority of all Signatory Airlines with reference to a majority of all Signatory Airlines responding to the notice) shall be allocated on a reasonable basis by MAC to Terminal 1 and Terminal 2, and twenty percent (20%) of such premium costs shall be reasonably allocated to other Airport Cost Center(s) that benefit from such insurance policies. Such insurance premium costs allocated to Terminal 1 will be charged to Terminal 1 Signatory Airlines using the Joint Use Formula. Such allocated insurance premium costs allocated to Terminal 2 will be included in Terminal 2 rates and charges prescribed by MAC Ordinance. Notwithstanding anything herein to the contrary, any insurance policies procured under this Section VI.M. shall be primary with respect to any damages covered thereby and respond prior to any insurance AIRLINE is required to maintain hereunder, provided that where more than one party is at fault each party's insurance shall be primary with respect to that party's portion of the liability.
