Sun Country will use, and will cause the Sun Country Providers to use, all commercially reasonable efforts to minimize costs and expenses pursuant to which Amazon has a direct or indirect reimbursement obligation under this Agreement.

2.7 Fuel.

2.7.1 Fuel Purchasing. Sun Country will purchase aircraft fuel and into-plane services from on-field fuel suppliers, distributors and into-plane providers to support the Services provided by the Carriers pursuant to the Agreement. Sun Country will facilitate the establishment and maintenance of agreements and customer accounts between the Carriers and fuel suppliers, distributors and into-plane providers that are qualified by the Carriers at such locations and will arrange for the purchase of aircraft fuel and into-plane services in conjunction with the departure times and days specified in the Flight Schedule. Sun Country will cause or arrange for the fuel suppliers, distributors and into-plane providers to invoice the Carriers directly for aircraft fuel and into-plane services. Notwithstanding the foregoing, Amazon may, by providing written notice to Sun Country, elect to purchase fuel for the Aircraft at one or more locations. The Parties acknowledge and agree that any fuel provided to a Carrier by Amazon is provided "as is" and without warranty of any kind, including the warranties of merchantability and fitness for a particular purpose, by, through or under Amazon, and that no warranties by, through or under Amazon will be implied by Law, provided, however, that the Carrier will have the right to approve any fuel supplier selected by Amazon (such approval not to be unreasonably conditioned, delayed, or withheld).

2.7.2 Fuel Reconciliation. Each month each Carrier will prepare a fuel reconciliation log (with copies of the aircraft log book as support) on a weekly basis that will reflect the actual fuel used by the Aircraft in the provision of the Services, which Sun Country will use to prepare invoices for fuel reimbursement under Exhibit D to this Agreement, as applicable. Sun Country will also promptly provide a copy of the fuel reconciliation log to Amazon upon request. When an Aircraft begins being utilized in the performance of Services under a Carrier Work Order, Amazon will reimburse Sun Country for the cost of fuel on board the Aircraft prior to its first departure flight in the provision of such Services. The per gallon fuel price for the above calculations will be the price per gallon paid at the last refuel of the Aircraft.

2.8 Ground Handling; ULDs.

2.8.1 Ground Handling Functions Provided by Amazon; Sun Country Provision of Services by Contract with Sun Country Providers. Amazon will be responsible for providing, at its cost, all ground handling and cargo handling functions except as and to the extent provided by a Sun Country Provider under one or more separate Ground Services Work Orders, pursuant to which a Sun Country Provider will be bound by the provisions of this Agreement with respect to such Ground Services Work Orders and Sun Country will remain jointly and severally responsible

for the provision of Services notwithstanding the contracting of Services to the Sun Country Provider. Any such "Ground Services Work Order" will reflect the following: (a) mutually agreed pricing to be assessed on per turn basis; (b) a mutually agreed bonus/penalty structure based on key performance indicators; and (c) reimbursement by Amazon of rent, utilities, taxes, insurance, and other reasonable, documented, out of pocket costs directly incurred by Sun Country in providing the Ground Services (for clarity, such reimbursement will be on a pro rata basis for shared facilities). To the extent ground handling services are provided by Amazon through a subcontractor, the Carriers will enter into an IATA Standard Ground Handling Agreement with such subcontractor and Amazon (as the "Management Company") ("SGHA").

2.8.2 Personnel Training and Qualifications. Unless ground handling is being provided by a Sun Country Provider under a Ground Services Work Order as described in Section 2.8.1, Amazon will ensure and require that all Personnel performing such ground handling and cargo handling functions are fully trained and qualified, and that all required training and evaluations are current and documented, in accordance with the relevant the Carrier's FAA-approved programs and, further, that all equipment employed in providing such functions is serviceable, as determined in accordance with applicable FAA requirements and the Carrier's FAA-approved programs. For purposes of this Section 2.8.2, Amazon's obligation to ensure compliance with applicable FAA requirements and the Carrier's FAA-approved program will apply only to the extent the Carrier has provided a copy of such FAA-approved program and FAA requirements at least [***] days in advance of Amazon performing any such functions to enable Amazon to timely train and meet such program and requirements. The Carrier will provide a copy of any program (or amendment) for which FAA approval is required at the same time such program (or amendment) is submitted to the FAA and will advise Amazon in writing immediately upon receipt of approval and provide a copy of the final approved program (or amendment) and any conditions attached to such approval.

2.8.3 Delegation of Security Functions. To the extent necessary for Amazon to fulfill its obligations under this Agreement or any Work Order, each Carrier will delegate to Amazon, and Amazon will accept the delegation of, the cargo security inspection functions mandated by the TSA, including as prescribed in the Full All-Cargo Aircraft Operator Standard Security Program and the Carrier's FAA-approved programs (collectively, "Security Programs"), provided that the Carrier will have provided Amazon with written notice of the delegation and a copy of the Carrier's Security Programs at least [***] days' prior to Amazon performing any such functions to enable Amazon to timely train and meet such program and standards. Amazon will prepare and maintain logs of any such inspections in accordance with and to the extent required by, the Security Program.

In such capacity, Amazon and its Personnel will be governed by and will act in compliance with the GOM, Security Programs, and applicable Law. Amazon's obligation to comply with the GOM and Security Programs (or any amendments to same) will apply only to the extent the Carrier has provided Amazon a copy of such GOM and Security Programs (or amendment, as applicable) at least [***] days' prior to Amazon's obligation to comply to enable Amazon to timely train and meet such program and standards. Amazon and its Personnel will be authorized to act as an agent for each Carrier in determining whether to cause any materials or goods to be transported by the Carrier or to cause such materials or goods to be transported by any other air carrier on an interline or any other basis. Such authorization will include the power to complete and deliver interline manifests, airbills, or other required transportation documents. In such capacity, Amazon Personnel will meet or exceed the legal and regulatory requirements applicable to the Carrier in regard to employee training and qualifications for weight and balance, Hazardous Materials recognition, alcohol and drug testing, employee background checks, and similar matters, in accordance with applicable Laws for employees in safety sensitive positions.

2.8.5 Procedures Under the GOM. To the extent Amazon Personnel are performing the loading (including with respect to Hazardous Materials), weight and balance calculations, ramp operations, and fueling operations required by the FAA to be performed in connection with the ground handling functions, including the requirements under the GOM: (a) the Carrier will be entitled, upon [***] Business Days' prior written notice to Amazon, to audit such employees, agents, and contractors as necessary to comply with FAA requirements; and (b) Amazon's Personnel will not become the employees of the Carrier as a consequence thereof, but will be acting as agents for the Carrier when performing such loading, weight and balance, ramp operations, and fueling operations or calculations. Any Personnel not qualified or capable of performing such work will be identified to Amazon by the Carrier within [***] Business Days following any such audit, and if requested to do so by the Carrier, such Personnel will be promptly removed from doing such work.

2.8.6 Transportation of Hazardous Materials. Amazon will have the right to tender for transport on the Aircraft cargo of a dangerous, hazardous, or offensive nature if: (a) such cargo is properly identified, packed, marked, labeled, and placarded in accordance with applicable IATA and ICAO/FAA dangerous goods and hazardous materials regulations; (b) such transportation is in compliance with the GOM and all other applicable Laws; and (c) the Carrier is authorized by the FAA to carry such cargo.

2.8.7 Aircraft Payload; Limitations. The maximum cargo payload for each flight of the Aircraft will be in accordance with applicable FAA-approved Aircraft limits. The actual cargo payload capable of being carried on the Aircraft will be limited by either the weight or volume depending on which is exhausted first. Operating conditions or applicable FAA requirements may result in an increase or decrease in payload weight or volume limit.

2.8.8 Payload Reports. The Carriers will provide to Amazon: (a) preliminary maximum payload figures for each flight at least [***] hours prior to the scheduled departure time set forth in the Flight Schedule, and (b) final maximum payload figures for each flight at least [***] hours prior to the scheduled departure time set forth in the Flight Schedule. This information will be communicated to Amazon operations via email at the email address provided by Amazon and updated from time to time, and will use the most recent aviation forecasts for the scheduled departure time of the flight.

2.8.9 Tender of Cargo. Cargo will be tendered by Amazon or any Amazon designee under the Carrier's air waybills, prepared, labeled, securely packaged, and ready for transportation by the Aircraft along with the: (a) shipment destination; (b) name and address of the recipient; (c) nature of the cargo; (d) particular marks/numbers used; (e) weight, quantity, volume, and dimensions of cargo; and (f) any special circumstances or handling information, and otherwise in accordance with all applicable Laws.

2.8.10 Refusal to Transport. The Carrier may reasonably refuse to transport any cargo that: (a) cannot be transported in accordance with Sections 2.8.6, 2.8.7, or 2.8.9; or (b) would otherwise reasonably endanger the safety of flight.

2.8.11 USPS Cargo. Amazon has entered into an agreement and may enter into additional agreements (the "USPS Prime Contracts") with the United States Postal Service ("USPS") for the air transportation of USPS cargo on flights performed by Carriers under this Agreement. In connection with same, Sun Country has reviewed and agrees that the Sun Country Providers and their respective Personnel will comply, to the extent applicable for the Services being performed by Sun Country, with all of the requirements provided in this Agreement, including those listed in Exhibit G.

2.9 Training Provided by the Carrier. Each Carrier will, at the request of Amazon upon [***] Business Days' written notice to such Carrier, provide, or cause to be provided not more than once each quarter during any Contract Year, training classes to qualify Amazon trainers to provide training to Amazon Personnel engaged in, providing security, ground handling, and cargo handling functions in connection with the Services provided by the Carrier, including training in the Carrier's Security Programs, GOM, and other FAA-approved programs (collectively, "Training"). The Training will be held at a mutually agreed location and be provided at no charge to Amazon Personnel, except that if the Training is provided somewhere besides Eagan, Minnesota, Amazon will be responsible for the reasonable and documented travel expenses of Carrier Personnel that are required to provide the Training in accordance with Amazon's standard travel policies.

2.10 Schedule; Modifications.

2.10.1 Flight Schedule. The Parties will mutually agree on the initial flight schedule prior to the Services Commencement Date for the first Committed Aircraft (as subsequently amended in accordance with Section 2.10.2, the "Flight Schedule"). The Parties agree that the Flight Schedule for the calendar month of [***]will not exceed an average of [***]per Aircraft then subject to a Carrier Work Order.

2.10.2 Amendments to the Flight Schedule. Subject to the Scheduling Constraints, the Flight Schedule may be amended or replaced by Amazon in its sole discretion at any time. Amazon will provide the relevant Carrier with: (a) [***] days' prior written notice of a proposed amendment to the Flight Schedule that does not require the opening of a new station where Sun Country does not have current flight operations or an increase of greater than [***] percent in the number of Flight Crews (in the aggregate) assigned to the then current Flight Schedule or two Flight Crews, whichever is greater; (b) [***] days' prior written notice of a proposed amendment to the Flight Schedule that requires the opening of a new station where Sun Country does not have current flight operation; and (c) [***] days' prior written notice of a proposed amendment to the Flight Schedule that requires an increase of greater than [***] percent in the number of Flight Crews (in the aggregate) assigned to the then current Flight Schedule or [***] Flight Crews, whichever is greater. Such amendments will be incorporated into a revised Flight Schedule beginning [***] days (in the case of clause (a)), [***] days (in the case of clause (b)), or [***] days (in the case of clause (c)) after receipt of such notice from Amazon, as applicable, except that to the extent that the Carrier does not begin operating according to the amended Flight Schedule at that time, Amazon will be credited $[***] for each day of delay on the next Monthly Invoice. Upon Amazon's request, the Carrier will provide Amazon data and documentation supporting the number of required Flight Crews that must be acceptable to Amazon (such acceptance not to be unreasonably withheld). A Carrier may only reject or request a change to Amazon's proposed amendments to the Flight Schedule on the basis that such proposed amendments do not comply with Scheduling Constraints, and, simultaneously with any such rejection or request for change, such Carrier must provide a reasonably detailed written justification for such rejection or request for change, including references to the specific language of the Carrier's collective bargaining agreement with its flight crewmembers and/or the applicable FAA regulations and supporting data and documentation, that must be acceptable to Amazon (such acceptance not to be unreasonably withheld). The applicable Carrier must notify Amazon if it determines that any Flight Schedule is outside of the above parameters within [***] Business Days of receipt of the Flight Schedule from Amazon, otherwise Carrier will be deemed to have accepted the Flight Schedule and waived any notice or other requirements hereunder. Changes to the Flight Schedule will be documented in sequentially numbered versions signed by Amazon and the Carrier(s). For any substantial Flight Schedule amendments in concurrence with a new network execution plan (estimated to be approximately [***] times annually) Amazon will endeavor to provide Sun Country: (y) a copy of the preliminary flight schedule at least [***] days in advance of the effective date of such flight schedule for the purpose of soliciting Carrier feedback on maintenance bases, block times, crew availability, and other relevant factors; and (z) additional opportunities to review same in the event of any significant changes. In both circumstances, Carriers will provide their feedback as soon as

reasonably possible. For clarity, notwithstanding the foregoing, the final Flight Schedule (whether amended in concurrence with a network execution plan or otherwise) will be subject to the requirements otherwise provided in this Section 2.10.2. Provided that Amazon does not then have a right to terminate this Agreement or any individual Work Orders based on Sun Country's Arrival Performance pursuant to Section 4.2.2, if, in the time period that is less than [***] but more than [***] in advance of the effective date of a new Flight Schedule, Amazon: (a) [***]; and (b) [***], then Amazon will reimburse Sun Country [***] ("Change Fee") in accordance with Section 2.6, except that Amazon will not be required to pay Sun Country a Change Fee until [***] in any Contract Year.

2.10.3 Temporary Changes to the Flight Schedule. Amazon may, subject to the Scheduling Constraints, request temporary changes in the departure time, the scheduled air routes, the frequency, Availability Windows, or the destinations or stops outlined in the Flight Schedule without amending the Flight Schedule (such a change without amendment to the Flight Schedule a "Temporary Schedule Change"). Amazon will provide the relevant Carrier with prior written notice of each Temporary Schedule Change (including via email) and the Carrier will implement each Temporary Schedule Change as soon as reasonably practicable and will minimize any additional associated costs. The Carrier will promptly provide Amazon with its estimate of incremental costs that would arise from each proposed Temporary Schedule Change and, if Amazon determines to proceed with such Temporary Schedule Change after receiving such estimate, Amazon will reimburse Sun Country for any incremental reasonable, documented out of pocket costs actually incurred by the Carrier arising from a Temporary Schedule Change in accordance with Section 2.6 and Exhibit D of this Agreement, up to the amount of such estimate. For clarity, any change included in the Flight Schedule pursuant to Section 2.10.2 will not be considered a Temporary Schedule Change under this Section 2.10.3 regardless as to the duration of such change.

2.10.4 Unscheduled Stops. The Carriers will make any Unscheduled Stops, subject to: (a) the Flight Operations Requirements; (b) the requirements of the relevant Carrier's collective bargaining agreement; (c) or applicable Law. Amazon will reimburse Sun Country for any incremental reasonable, documented out of pocket costs actually incurred by such Carrier arising from an Unscheduled Stop in accordance with Section 2.6 and Exhibit D of this Agreement.

2.11 Aircraft Operations.

2.11.1 Substitute Aircraft. The Carriers may substitute for operation of the Flight Schedule any aircraft having the aggregate capacity and other performance characteristics reasonably necessary to handle the payload and timing requirements for such flights ("Substitute Aircraft"), except that: (a) such substitution will not interfere with performance of Services in compliance with this Agreement and the corresponding Carrier Work Order; (b) the Carriers will only provide such a Substitute Aircraft if Amazon approves of the substitution in writing (which will not be unreasonably withheld, delayed, or conditioned); and (c) the Carriers will reimburse Amazon for any landing fees or other costs (including incremental fuel burn, ferry flights and Variable Charges) in excess of those that Amazon would have incurred under Section 2.6 had the flights been operated with the affected Aircraft.

2.11.2 Spare Aircraft. The Carriers may provide and operate one or more spare aircraft having the aggregate capacity and other performance characteristics reasonably necessary to handle the payload, flight schedule, and timing requirements for Carrier's flights with the Aircraft ("Spare Aircraft") in substitution for an Aircraft that is unavailable to perform the Services under the Flight Schedule due to a Carrier Delay. In addition, each Carrier may make one or more Spare Aircraft available at Amazon's request ("Amazon Spare Request"): (a) to perform flights that are not part of the Flight Schedule; or (b) to substitute for an Aircraft that is unavailable due to a reason that is not attributable to a Carrier Delay. Amazon will compensate the relevant Carrier at an agreed upon rate per day, or portion thereof, for the use of a Boeing 737 model Spare Aircraft (by payment to Sun Country) when the Carrier provides a Spare Aircraft at Amazon's request. In the event that an Aircraft is unavailable due to a Carrier Delay and the Carrier provides a Spare Aircraft, the Carrier will reimburse Amazon for any landing fees, or other costs (including incremental fuel burn, ferry flights and Variable Charges) in excess of those that Amazon would have incurred under Section 2.6 had the flights been operated with the affected Aircraft. In the event that a Spare Aircraft is unavailable to substitute for an Aircraft that is unavailable due to a Carrier Delay, then the resulting cancellation or delay will be factored into the calculation of Arrival Performance for the relevant period, except that such availability will not be taken into account to the extent that a Spare Aircraft is unavailable because it has already been provided to support an Amazon Spare Request. Except for the cost reimbursement and fee described in this Section 2.11.2, a Carrier's performance of the Services utilizing a Spare Aircraft in accordance with this Section will otherwise be subject to the terms and conditions of this Agreement. For clarity, the Parties acknowledge that Sun Country does not have a Spare Aircraft available as of the Effective Date.

2.11.3 Network Spares. Amazon may, in its sole discretion, designate one or more Aircraft on the Flight Schedule to be available to provide backup or supplementary lift in support of Amazon's network (each, a "Network Spare") except that Amazon may not be able to designate an Aircraft as a Network Spare until [***]. Sun Country, at its sole cost and expense, may use a Network Spare as a Substitute Aircraft or Spare Aircraft except that: (a) such use will not interfere with the performance of Services in compliance with this Agreement; (b) Sun Country will only use a Network Spare as a Substitute Aircraft or Spare Aircraft if an Amazon Leadership Representative provides prior written consent (which may be granted or withheld in Amazon's sole discretion); (c) Sun Country will reimburse Amazon for any landing fees, or other costs (including incremental fuel burn, ferry flights and Variable Charges) in excess of those that Amazon would have incurred under Section 2.6 had the flights been operated by the affected Aircraft; and (d) Section 2.11.1 (Substitute Aircraft) and Section 2.11.2 (Spare Aircraft) will otherwise apply to Sun Country's use of a Network Spare as a Substitute Aircraft or a Spare Aircraft. If a Network Spare is not available during an Availability Window due to a Carrier Delay (for clarity, not including a situation in which such Network Spare is unavailable because it is being used by a Carrier as a Spare Aircraft to support an Amazon Spare Request), then, for each day that such Network Spare remains unavailable, Sun Country will pay to Amazon an amount equal to [***] of the Fixed Monthly Charge for the Network Spare.

2.11.4 Intermediate Landings; Flight Disruptions. If a Carrier determines that an intermediate landing is necessary due to Force Majeure, the Carrier will invoice and Amazon will reimburse reasonable and documented additional costs incurred by the Carrier (including added Variable Charges, fuel, landing, maintenance turn costs, aircraft handling costs, and ground handling costs) in accordance with Section 2.6 and Exhibit D of this Agreement. Any additional costs with respect to such Force Majeure intermediate landings or arising from a mechanical problem or technical failure of the Aircraft or any failure to meet the Compliance Requirements (including a diversion of the Aircraft or return of the Aircraft to the origin station) will be for the account of the Carrier, in which case Amazon will pay only the Variable Charges and fuel charges as if the flight had been non-stop and according to the Flight Schedule so long as the flight is completed within [***] hours of the arrival time set forth in the Flight Schedule, and the Carrier will pay the added fuel charges, landing fees, positioning and repositioning expenses, and other costs associated with such intermediate landing, except that the Carrier will be responsible for all Variable Charges and fuel charges to the extent that the flight is not completed within [***] hours of the arrival time set forth in the Flight Schedule. For clarity, Amazon will not be responsible for any Variable Charges with respect to Aircraft returning to the ramp before take-off caused by act or omission of the relevant Carrier, including mechanical problems or technical failure of the Aircraft or any failure to meet the Compliance Requirements and all other costs such as Aircraft handling charges arising from such circumstances will be borne by the Carrier.

2.12 Operations for Third Parties. Until such time [***], the Carriers may use the Aircraft to provide air cargo transportation services to third parties so long as: (a) such usage does not interfere in any material respect with the Carrier's performance of the Services; (b) the Carrier is not then in default under this Agreement; and (c) an Amazon Leadership Representative provides prior written consent (which may be granted or withheld in in Amazon's sole discretion). If a Carrier arranges and provides air cargo transportation services to or for third parties using the Aircraft pursuant to a charter, wet lease, or any other arrangement (such services hereinafter referred to as "Supplemental Flying"), then the Carrier will pay Amazon an agreed upon rate per day, or portion thereof, that the Carrier uses a Boeing 737-800 model Aircraft for Supplemental Flying, which fee will be payable as described in Section 2.12.1. Except as set forth herein, all revenue from such Supplemental Flying will inure to the benefit of the relevant Carrier. The Carrier is solely responsible for all of its operating costs with respect to or associated with Supplemental Flying. For clarity, Supplemental Flying only includes air transportation services that are arranged solely by the Carrier and does not include any of the flights referenced in Section 2.12.2.

2.12.1 On the final invoice for each month provided in accordance with the invoicing and payment provisions of Exhibit D to this Agreement, Sun Country will provide to Amazon a detailed statement setting forth the utilization of any Aircraft for Supplemental Flying during the prior month and a credit in the amount of the fees owing to Amazon related to such utilization. For clarity, the amounts payable to Amazon under this Section 2.12 will not be prorated and will apply regardless as to the portion of the day an Aircraft is used for Supplemental Flying.

2.12.2 Amazon may, from time to time, present the Carriers with potential opportunities to charter the Aircraft to third parties ("Charters"). In such event, Amazon may, in its sole discretion, act as an agent of either the Carrier or such third party Charter customer in accordance with applicable Law. The Carrier and Amazon will negotiate in good faith regarding the allocation of the percentage of the total Charter price to be paid by the third party Charter customer that will be shared between Amazon and the Carrier. For clarity: (a) the third party Charter customer will be responsible in all cases for compliance with all applicable Laws and contract requirements; (b) Amazon will have no responsibility to provide, procure, or coordinate any services in relation to the Charters whatsoever; and (c) the Carrier will, in its commercially reasonable discretion, determine in each case whether to: (i) accept such Charters; (ii) or to accommodate ad hoc flights for USPS or with respect to which Amazon is acting as an indirect air carrier that are not part of the Flight Schedule, in each case based on the availability of supporting resources (excluding the Aircraft). For clarity, clause (c)(ii) does not apply to any scheduled flights that are included on the Flight Schedule.

2.13 Force Majeure. The obligations of a Party under any Work Order may be suspended during the period and to the extent that such Party is prevented from complying with such obligations as a direct result of any of the following causes (in each case, only to the extent beyond such Party's reasonable control): severe weather preventing flight operations, damage or destruction of flight equipment, riots or civil commotions, military emergency, terrorism, war or hazards, or damages incident to a state of war, strikes, lockouts, industrial disturbances, or other labor disputes, but not including Carrier Delays (each, a "Force Majeure"); except that in each case nothing in this Section 2.13 will relieve a Party of any obligation due to an event that was reasonably foreseeable, whose material adverse effects could reasonably have been avoided or that otherwise could have reasonably been prevented by such Party, except that a Party's obligations will be suspended only to the extent that: (a) as soon as reasonably possible (but in any event within [***] hours of occurrence of the event) such affected Party gives written notice of suspension to the other Party describing the time, date, extent and cause of the Force Majeure, and remediation plan for such suspension with reasonable detail; and (b) as soon as reasonably possible (but in any event within [***] days of occurrence of such event) such affected Party submits adequate evidence of the occurrence of such Force Majeure (which may be in the form of newspaper articles, government notices, insurance reports, sworn statements, and other evidence that objectively documents the severity of the event) that supports the material adverse effect such identified Force Majeure has had on the Party's ability to fulfill its obligations under this Agreement. If a Force Majeure affects Sun Country's or a Sun Country Provider's ability to provide all or part of the Services required under this Agreement, Amazon will have the right, but not the obligation, to arrange for another party to provide such Services until such time as the Force Majeure can be cured and for a reasonable period thereafter; provided that except as otherwise provided for herein, Sun Country or such Sun Country Provider will be reinstated as soon as is reasonable under the circumstances. The daily portion of the Fixed Monthly Charge will not be payable for any day that a Carrier's obligations are suspended under Force Majeure (other than the day of a Force Majeure Event due solely to severe weather preventing flight operations) and the Fixed Monthly Charge will be prorated as applicable for any partial months of such suspension. Any Party whose obligations are suspended under this Agreement will use commercially reasonable efforts to minimize the impact of the suspension and resume the performance of its obligations as soon as reasonably possible. If Sun Country's or a Sun Country Provider's obligations are suspended for more than [***] days out of any [***]-day period under this Section 2.13, Amazon may thereafter immediately terminate the affected Work Order(s) by giving notice of such termination to Sun Country without paying any termination fee or other charges.

2.14 Unavailability. In the event that the non-availability of the Aircraft due to a Carrier Delay will result in a delay of [***] hours or more from the scheduled arrival time set forth in the Flight Schedule for a flight at its original point of departure, then the relevant Carrier will promptly notify Amazon of such delay and Amazon will be entitled to determine, in its sole discretion (within [***] hours of being so notified by the Carrier), whether to proceed with the flight as soon as reasonably practicable or to cancel the flight. In either event, Amazon will be entitled to an invoice credit against the Fixed Monthly Charge as follows:

2.14.1 $[***] if the Aircraft is operated but arrives more than [***] hours but less than [***] hours late at one or more of its scheduled destinations on the Flight Schedule for that day; or

2.14.2 $[***] if either: (a) the Aircraft is operated but arrives [***] hours or more late at one or more of its scheduled destinations on the Flight Schedule for that day; or (b) Amazon elects to cancel the flight.

Any credit against the Fixed Monthly Charge will apply to each of the inbound and outbound flights of the Aircraft on a given day, to the extent set forth on the Flight Schedule, such that the total credit due to Amazon for a given day will be the sum of the above credit amounts incurred on each of such inbound and outbound flights that day. For clarity, only one credit in the amount set forth above will apply to each inbound and outbound flight even if the Aircraft arrives late at more than one scheduled destination on the Flight Schedule for that day. For purposes of this Section 2.14, "unavailability of the Aircraft" includes the Aircraft being unavailable due to a Carrier Delay and the lateness of the Aircraft will be calculated in the same manner as provided for in Section 4.2 of Exhibit C.

2.15 Destruction or Casualty Loss of Aircraft. Notwithstanding anything contrary contained in this Agreement, if an Aircraft is destroyed or otherwise suffers a casualty occurrence that would constitute a total loss or a constructive total loss under the terms of the hull insurance required by Section 9.1.4 of this Agreement with respect to such Aircraft, then the affected Carrier Work Order will terminate with respect to such Aircraft and no Party will have any further obligation or liability to the other with respect to such Aircraft except that Sun Country will use commercially reasonable efforts to coordinate alternate lift arrangements to cover any network capacity lost. For clarity, Amazon will have no obligation to pay any Carriers any fee, charge, compensation, damages, or other amount upon the expiration or termination of such Carrier Work Order, other than preexisting payment obligations then due and owing, and obligations for Services that have already been performed by the Carrier but that have not been billed in accordance with the affected Carrier Work Order and Exhibit D.

2.16 Sustainability; Fuel Conservation. Sun Country, the applicable Sun Country Providers and Amazon agree to pursue fuel conservation and sustainability efforts as follows:

2.16.1 Fuel Optimization. Sun Country and the applicable Sun Country Providers will implement the Fuel Optimization Program throughout the term of this Agreement, except that the Parties will work together to develop reasonable plans and programs to maximize each Carrier's fuel efficiency and minimize Amazon's fuel cost in the Carrier's operations for Amazon under this Agreement.

2.16.2 Fuel Tankering. Sun Country and the applicable Sun Country Providers will use commercially reasonable efforts to maximize fuel purchases at optimized locations based on the Flight Schedule in order to avoid paying a higher price at down-line locations.

2.16.3 Fuel Burn Optimization – In-flight Operations. Each Carrier will use best efforts to develop, implement, and maintain operating policies that minimize excessive fuel burns while in flight. Without limiting the foregoing, the Carriers will (to the extent in compliance with applicable Law): (a) create and implement a landing fuel policy that will set a specific target for reserve fuel upon arrival at destination and only deviate from that policy for specific enumerated reasons, including weather; (b) create and implement guidance for pilots to minimize flap usage on approach and reverse thrust on landing to the extent consistent with safe operations; (c) adjust the fuel planning methodology to round fuel to units of 100 lbs.; and (d) review specific city pair taxi times to more accurately estimate fuel required for specific city pairs.

2.16.4 Third Party Audit. By no later than the anniversary of each Contract Year, Sun Country and the Sun Country Providers, at Amazon's election and at its sole cost and expense, will undergo a third party audit of the fuel conservation practices described in this Section 2.16 to be performed by a recognized industry auditor that is reasonably acceptable to Sun Country. Amazon will promptly provide Sun Country with a copy of the results of such audit. The Carriers will cooperate with Amazon in implementing procedures that will result in greater overall fuel efficiency, including using all commercially reasonable efforts to implement the recommendations of such audit in accordance with applicable Law.

2.16.5 Sustainability. Each Carrier will use commercially reasonable efforts to minimize carbon emissions and participate in other sustainability efforts as may be requested by Amazon, taking into account the Aircraft, the Flight Schedule, and the Fuel Optimization Program described in this Section 2.16.

2.17 Reports, Audits and Record Retention. Sun Country will provide to Amazon Reports and Electronic Communications in accordance with the requirements set forth in Exhibit D at no additional charge. Sun Country and each Sun Country Provider will keep true and accurate books and records relating to this Agreement and the Services (collectively "Records") in accordance with generally accepted accounting principles during the term of this Agreement and for a rolling period of [***] years thereafter. At Amazon's request during the term of this Agreement and for [***] years thereafter, Sun Country and each Sun Country Provider will: (a) enable Amazon and any designee, at its cost and expense, to reasonably conduct a reasonable invoicing, service, and performance audit no more than [***] per calendar year (except during the occurrence of any Event of Default by Sun Country or a Sun Country Provider, in which event Amazon's audit rights will not be limited) to determine if such Party is meeting its obligations under this Agreement, including providing access to and electronic copies of all relevant Records in a satisfactory mode and format that enables Amazon and its designee to conduct such audit; and (b) permit Amazon and any designee, at its cost

and expense, to conduct no more than [***] per calendar year (except during the occurrence of any Event of Default by Sun Country or a Sun Country Provider, in which event Amazon's audit rights will not be limited) a reasonable on-site inspection of the facilities, processes, systems, and working conditions applicable to the provision of the Services to determine if such Party is in compliance with this Agreement, including, specifically the Compliance Requirements. To the extent that any such amount is not subject to a good faith dispute, Sun Country will reimburse Amazon for the full amount of any overcharge identified in the audit within [***] days from receipt of the audit results. If an audit identifies an overcharge by Sun Country or any Sun Country Provider, in the aggregate, for the period audited in excess of [***] of the total expenditure under this Agreement for the period audited, Sun Country will also promptly reimburse Amazon for all reasonable and documented out of pocket expenses including the cost associated with the use of third parties to perform such audit.

2.18 Access to Information Technology Systems. The Carriers will provide Amazon with real-time read-only access to information technology systems relating to the maintenance and operation of the Aircraft with (to the extent available) the following information: (a) graphical flight schedule interface including planned and current flight schedules; (b) crew duty times; (c) ramp status; (d) weight and balance; (e) Aircraft maintenance data, including current maintenance status, Flight Crew and maintenance log pages, and ACARS data, in each case including data extraction capability; and (f) maximum payload figures. The Carriers will be responsible to ensure that the software for such information technology systems remains current and up to date.

2.19 Designated Point of Contact. The Sun Country Providers will provide one designated senior management point of contact (for clarity, in addition to the availability of the Presidents of each Sun Country Provider and each Carrier's technical operations team to their Amazon counterparts during normal business hours) on all shifts that: (a) is fully apprised of and responsible for all aspects of the Amazon operation; (b) has immediate access to all relevant information and the ability to make real-time decisions on behalf of the Sun Country Providers; and (c) is available for resolution of any operational matters. At such time is Sun Country is providing Services for [***] or more Aircraft, the aforementioned point of contact will be fully dedicated to Amazon's operations. The Sun Country Providers will also provide senior management points of contact to whom Amazon may reach out directly for an escalation in each of the following areas: (w) ground handling operations (e.g., set-up, deicing, fueling, lavatory, etc.); (x) scheduling and planning; (y) systems operations; and (z) regulatory compliance.

2.20 Continuous Improvement. Each Carrier will meet with Amazon on a quarterly basis in Seattle to review operations under this Agreement and propose synergies, solutions, and ideas to lower costs and increase operational efficiency. Each Carrier will provide: (a) financial and operational reports in form and substance reasonably acceptable to the Parties; and (b) other information related to the Services that may be reasonably requested by Amazon no less than [***] Business Days in advance of each such meeting.

2.21 Aircraft Maintenance Technician. The Carriers will provide, at Amazon's request, an appropriately certified and rated aircraft maintenance technician as a flight mechanic on each flight operated by the applicable Carrier for the first [***] days (extended to [***] days if any material service, reliability, or other issues are noted during the initial [***] days) after the entry into service of an Aircraft under this Agreement that is new or freshly converted. Amazon will pay to Carrier a per day rate of $[***] for each day that an aircraft maintenance technician is provided by a Carrier under this Section 2.21.

2.22 IATA BSP; Electronic Data Interchange. The Sun Country Providers will implement Electronic Data Interchange invoicing within [***] days of Amazon's written request and will implement IATA's Billing and Settlements Program (BSP) or other similar platform if mutually agreed.

2.23 Maintenance Process. Sun County will be responsible for all technical aspects of scheduled and unscheduled shop level maintenance including, but not limited to, scheduling, management workscope development and technical (engineering) specifications. Such specifications and workscopes will be provided to Amazon for review and approval (such approval not to be unreasonably withheld). All Heavy Maintenance will be performed by an FAA-approved maintenance provider that, to the extent it is the responsibility of Amazon under this Agreement, will be selected and contracted directly by Amazon. All other maintenance will be performed by an FAA-approved maintenance provider to be selected by Sun Country and reasonably acceptable to Amazon (such approval not to be unreasonably withheld).

3. PAYMENT

3.1 Fixed Monthly Charge; Variable Charges. Amazon will pay to Sun Country each month (or portion thereof) the Fixed Monthly Charge specified in the Price Schedule for each Aircraft during the term of each Carrier Work Order (the "Carrier Work Order Term"). In addition, subject to the provisions of any applicable Work Order, Amazon will pay to Sun Country the Variable Charge Per Block Hour for each Block Hour (or portion thereof) flown by an Aircraft during such month and the Variable Charge Per Cycle for each Flight Cycle flown by an Aircraft during such month. Amazon will not have any separate payment obligation to any Sun Country Provider with respect to the performance of the Services other than that specified in this Agreement. Neither Sun Country nor any Sun Country Provider is entitled to other fees, costs, accessorials, additional expenses, charges, surcharges, tariffs or other compensation or reimbursement for the Services other than as provided in this Agreement and the relevant Work Order. All pricing components in the Price Schedule [***] will be subject to an annual increase of [***] per Contract Year starting on December 13, 2020.

3.2 Startup Costs. Amazon will pay Sun Country $[***] towards start-up costs to be used in Sun Country's sole discretion, including for: (a) pilot, dispatcher, mechanic, and ground handler training; (b) IT integration; (c) flight simulator time; (d) legal and consulting support; (e) technical due diligence; (f) manual development; and (g) hiring in advance of operations. Such amount will be paid by Amazon in [***] installments[***].

3.3 Payment for Cancellation of Flights. Except as otherwise provided in this Agreement, Amazon will pay the Fixed Monthly Charge without adjustment notwithstanding any cancellation of flights during the corresponding Work Order Term, except that Amazon will otherwise not be subject to any charges with respect to any cancelled flights.

3.4 Invoices and Payment. The terms of Exhibit D will govern the rights and obligations of the Parties with respect to invoices and payment and all other subject matter addressed therein.

4. TERM AND TERMINATION

4.1 Term; Renewal Option. The term of this Agreement will begin as of the Effective Date and, unless earlier terminated in accordance with this Section 4, will continue until the Scheduled Termination Date. Amazon will have the option to renew this Agreement for [***] additional [***] terms in its sole discretion, subject to Amazon providing Sun Country with at least [***] days' prior written notice before the expiration of the then-current term.

4.2 Amazon Terminations.

4.2.1 Amazon may terminate this Agreement for convenience at any time by providing Sun Country with [***] days' prior written notice, except that Amazon may not provide notice of its intent to terminate this Agreement during the first [***] months after the Effective Date. In the event that Amazon terminates this Agreement for convenience, Amazon will pay Sun Country a termination fee of $[***] million per Aircraft that is then subject to a Carrier Work Order [***] (the "Amazon Termination Fee").

4.2.2 Amazon may terminate this Agreement or any individual Work Orders at any time that the Carriers fail to maintain a collective Arrival Performance of at least [***]% in either: (a) each of any [***] consecutive months; or (b) each of any [***] months (whether or not consecutive) within any trailing 12-month period, in either event occurring after [***]. Any election under this Section 4.2.2 shall not require payment of an Amazon Termination Fee and such election shall be made no later than [***] days following the last occurrence of such event. The sole and exclusive remedy in respect of the foregoing circumstances shall be termination pursuant to this Section 4.2.2.

4.3 Payment of Amazon Termination Fee. In the event of an Amazon termination for convenience pursuant to Section 4.2, Amazon will pay to Sun Country the Amazon Termination Fee on or before the date of termination of this Agreement, in addition to any other amounts due under this Agreement to Sun Country as of the date of termination (whether or not such amounts are yet invoiced or payable), and Amazon will have no further obligations or liabilities to Sun Country under this Agreement following such termination. The Amazon Termination Fee will be deemed liquidated damages and not a penalty. For clarity, any amounts due under this Agreement to Amazon as of the date of termination (whether or not such amounts are yet invoiced or payable) will remain due. The Amazon Termination Fee applies only in the case of the termination of this Agreement, and not the termination of one or more Work Orders, however, in the event that Amazon terminates enough Carrier Work Orders for convenience pursuant to Section 4.7(a) such that there are less than [***] active Carrier Work Orders, Sun Country may deem this an Amazon termination for convenience by providing written notice to Amazon within [***] days of Sun Country's receipt of Amazon's

most recent termination notice. If Sun Country provides such notice, this Agreement will terminate on the [***] day after Amazon's receipt of such notice and Amazon will pay the applicable Amazon Termination Fee on or before such termination date. For clarity, the reduction in the number of any Carrier Work Orders due to Force Majeure or the total or constructive total loss of an Aircraft as described in Section 2.15 will not trigger Sun Country's right to deem such reduction an Amazon termination for convenience under this Section 4.3.

4.4 Sun Country Termination for Convenience. Sun Country may terminate this Agreement for its convenience at any time by providing Amazon with [***] days' prior written notice, except that Sun Country may not provide notice of its intent to terminate this Agreement during the first [***] months after the Effective Date. In the event that Sun Country terminates this Agreement for convenience, Sun Country will pay Amazon a termination fee of $[***] per Aircraft that is then subject to a Carrier Work Order. The termination fee will be paid on or before the date of termination of this Agreement, in addition to any other amounts due under this Agreement to Amazon as of the date of termination (whether or not such amounts are yet invoiced or payable), and Sun Country will have no further obligations or liabilities to Amazon under this Agreement following such termination. For clarity, any amounts due under this Agreement to Sun Country as of the date of termination (whether or not such amounts are yet invoiced or payable) will remain due. Following any termination under Section 4.2 or 4.4 and payment of any related termination fees (if any), neither Party will have any further obligation under this Agreement save for such obligations which arose prior to termination and those which expressly survive termination of this Agreement.

Amazon and Sun Country will, at Amazon's sole option and upon its prior written request, make all commercially reasonable efforts to enter into an interim agreement in anticipation of the expiration of this Agreement for Sun Country to assist Amazon in the transition from this Agreement ("Post-Expiration Agreement"). The Parties will comply with the terms of any nondisclosure agreement between Sun Country and Amazon, as may be amended, superseded or otherwise modified from time to time ("NDA"). In the case of any Third Party Carrier, Sun Country will procure from such Third Party Carrier an executed nondisclosure agreement using Amazon's form. The existence of this Agreement, its terms and conditions, and any other information obtained from Amazon in connection with this Agreement or related to the Services that is identified as confidential or proprietary or that, given the nature of such information or the manner of its disclosure, reasonably should be considered confidential or proprietary (including information relating to the contents and recipients of packages, parcels and other cargo or transportation units, Amazon's technology, customers, business plans, marketing activities, and finances) will be confidential information subject to the NDA. and (c) will return all such written information to Amazon promptly upon the termination of this Agreement by expiration or otherwise. All such information will remain the exclusive property of Amazon, and Sun Country and the applicable Sun Country Providers will not have any right to use such information except as expressly provided in this Agreement and the NDA. Notwithstanding the foregoing, in the event that Sun Country determines that it required by applicable Law to file this Agreement with the U.S. Securities and Exchange Commission, it will promptly notify Amazon of such determination in writing and the Parties will reasonably cooperate in seeking confidential treatment of the Agreement to the maximum extent permitted by such applicable Law and Sun Country will be entitled to file such agreed version of this Agreement with the U.S. Securities and Exchange Commission. For clarity, Sun Country and the Sun Country Providers acknowledge and agree that this Section 6.1 strictly prohibits Sun Country Personnel from engaging in any speculative discussion relating to Amazon's technology, customers, business plans, marketing activities, or finances at industry conferences or similar public events without the prior written authorization of an Amazon Leadership Representative (to be granted or withheld in Amazon's sole discretion).

6.2 Publicity Restriction. If Sun Country or a Sun Country Provider delivers or is required to deliver to Amazon any work product in connection with the Services, Amazon owns, or upon assignment by the creator will own, all right, title and interest (including, all copyrights and any other intellectual property rights) in such work product. The work product has been specially ordered and commissioned by Amazon as "work made for hire" for copyright purposes; or, to the extent such deliverable does not so qualify, Sun Country or such Sun Country Provider (as applicable) hereby assigns to Amazon, its successors and assigns, all right, title and interest in and to the work product.

6.4 Personal Information. Neither Sun Country nor any Sun Country Provider will use any personally identifiable information it receives concerning Amazon customers, suppliers, or Personnel, including names, addresses, e-mail addresses, and telephone numbers (collectively "Personal Information"), except solely for purposes of providing Services under this Agreement. Neither Sun Country nor any Sun Country Provider will transfer, rent, barter, trade, disclose, or sell such information and none of them will develop lists of or aggregate such information. To the extent permitted by Law, Sun Country and each Sun Country Provider will delete all instances (including backups and other copies) of Personal Information associated with each shipment within [***]days after completing the shipment. If Sun Country or a Sun Country Provider is required by Law to maintain records more than [***] days after shipment, Sun Country or such Sun Country Provider will delete the Personal Information as soon as it is permitted. Before disposing of any hardware, media or software (including any sale or transfer of such material or any disposition of Sun Country's or such Sun Country

Provider's business) that contains or previously contained Personal Information, Sun Country or such Sun Country Provider will perform a complete forensic destruction of the Personal Information (which may include a physical destruction, preferably incineration, or secure data wipe) such that no such information can be recovered or retrieved.

7. DEFENSE/INDEMNITY

7.1 To the fullest extent permitted by applicable Law, Sun Country, jointly together with each Sun Country Provider, and each Sun Country Provider, jointly with Sun Country but severally among other Sun Country Providers with respect to Services performed by such other Sun Country Providers, hereby releases and will indemnify, defend and hold harmless Amazon, each of its Affiliates, and their respective directors, officers, Personnel, shareholders, successors, and assigns of the foregoing (the "Amazon Indemnified Parties"), from and against any loss, claim, damage, suit, judgment, settlement, cost, expense, interest, fees, fines, penalties, government investigation or inquiry, remediation, and mitigation efforts regardless of whether required by Law and any other liability and costs and expenses relating thereto (including reasonable attorneys' fees, expert fees and court costs) arising out of, in connection with, or related to any third party allegation or claim (collectively, "Claims") based on or relating to: (a) the death of or injury to any Person whomsoever, including Personnel of the Amazon Indemnified Parties or the Sun Country Indemnified Parties, loss of, damage to, delay or destruction of any goods or property whatsoever, including cargo, the Aircraft and any property of the Sun Country Indemnified Parties or the Amazon Indemnified Parties or third parties, in any case caused by, arising out of or in connection with an act or omission by Sun Country, a Sun Country Provider, or any of their respective Affiliates or Personnel in connection with the performance of the Services or its possession, use, operation or maintenance of the Aircraft, including any equipment, machinery, spare engines and spare parts utilized to provide such Services including indemnification claim arising under Section 10 of any Aircraft Sublease (provided that to the extent an operational indemnity arises hereunder and would be covered by Section 10 of an Aircraft Sublease, the limitations for such indemnity set forth in Section 10 of the Aircraft Sublease will apply); (b) Sun Country or any Sun Country Provider's breach of any term of this Agreement, including any penalties, fines, or other costs associated with any government investigation relating thereto; (c) any infringement or misappropriation of any Proprietary Right; (d) any theft, embezzlement, forgery, fraud or other criminal act of Sun Country or its Affiliates or any of their respective Personnel; or (e) any allegation or claim of gross negligence, willful misconduct or strict liability by or of Sun Country or a Sun Country Provider arising from an act or omission by Sun Country, a Sun Country Provider, or any of the respective Personnel of the foregoing. However, the foregoing indemnification obligation does not apply to an Amazon Indemnified Party to the extent such Claim: (i) results solely from the gross negligence or willful misconduct of such Amazon Indemnified Party; or (ii) is governed by Section 8 of this Agreement, in which case Section 8 will control with respect to the Claim.

7.2 Sun Country's and each Sun Country Provider's duty to defend is independent of its duty to indemnify. Sun Country's and each Sun Country Provider's obligations under this Section 7 are independent of all of its other obligations under this Agreement. Sun Country and the applicable Sun Country Provider will use counsel reasonably satisfactory to Amazon to defend each Claim, and Amazon will reasonably cooperate (at Sun Country's or Sun Country Provider's

expense, as the case may be) in the defense. Neither Sun Country nor any Sun Country Provider will consent to the entry of any judgment or enter into any settlement without Amazon's prior written consent, which may not be unreasonably withheld, delayed, or conditioned. Subject to the foregoing, Amazon will have the additional right to participate at any time and at its own expense in any indemnification action or related settlement negotiations using counsel of its own choice. The Parties agree that this Section 7 does not apply to claims for loss or damage under Section 8.

7.3 To the fullest extent permitted by applicable Law, Amazon will indemnify and hold Sun Country, each Sun Country Provider (with respect to Services performed by such Sun Country Provider), each of their respective Affiliates, and the respective directors, officers, Personnel, successors, and assigns of the foregoing (collectively, the "Sun Country Indemnified Parties"), harmless from any Claim based on or relating to: (a) the death of or injury to any Person whomsoever, including Personnel of the Amazon Indemnified Parties or the Sun Country Indemnified Parties, loss of, damage to, delay or destruction of any goods or property whatsoever, including cargo, the Aircraft and any property of the Sun Country Indemnified Parties or the Amazon Indemnified Parties or third parties, in any case caused by, arising out of or in connection with an act or omission by Amazon, or any of its Affiliates or Personnel in connection with the performance with ground handling functions performed by Amazon pursuant to Section 2.8.1; or (b) cargo tendered directly by Amazon for transportation under this Agreement; (c) Amazon's breach of any term of this Agreement, including any penalties, fines, or other costs associated with any government investigation relating thereto; (d) any infringement or misappropriation of any Proprietary Right; (e) any theft, embezzlement, forgery, fraud or other criminal act of Amazon; or (f) any allegation or claim of gross negligence, willful misconduct or strict liability by or of Amazon arising from an act or omission by Amazon or its Personnel of the foregoing. However, the foregoing indemnification obligation does not apply to a Sun Country Indemnified Party to the extent such Claim results: (y) solely from the gross negligence or willful misconduct of such Sun Country Indemnified Party; or (z) with respect to clause (b) from a violation of applicable Law with respect to such cargo by such Sun Country Indemnified Party. For any Claim under this Section 7.3 that may be covered under the applicable SGHA, the Carrier must first pursue all rights and remedies available under such SGHA.

7.4 Amazon's duty to defend is independent of its duty to indemnify. Amazon's obligations under this Section 7 are independent of all of its other obligations under this Agreement. Amazon will use counsel reasonably satisfactory to Sun Country to defend each Claim, and Sun Country and any applicable Sun Country Indemnified Party will reasonably cooperate (at Amazon's expense) in the defense. Amazon will not consent to the entry of any judgment or enter into any settlement without Sun Country's prior written consent, which may not be unreasonably withheld, delayed, or conditioned. Subject to the foregoing, the applicable Sun Country Indemnified Party will have the additional right to participate at any time and at its own expense in any indemnification action or related settlement negotiations using counsel of its own choice. The Parties agree that this Section 7 does not apply to claims for loss or damage under Section 8.

8. LOSS OR DAMAGE TO GOODS

8.1 Liability Limit. Neither Sun Country nor any Sun Country Provider will be liable for any loss, theft or damage to goods for any action: (a) unrelated to Sun Country's performance of the Services, (b) arising solely as a result of Force Majeure, (c) that is reasonable wear and tear or (d) relating solely to ground equipment or functions that Amazon is performing under Section 2.8 (to the extent not provided by a Sun Country Provider under a Ground Services Work Order) ("Excluded Claims"). To the extent that there is any loss, theft or damage to goods for any action unrelated to Excluded Claims Sun Country and the applicable Sun Country Provider's liability will be limited to $[***] per package (subject to a limitation of $[***] per shipment), except (i) to the extent such loss or damage is directly attributable to the gross negligence or misconduct of Sun Country, any Sun Country Providers, or their respective Personnel or (ii) as such amounts may be increased pursuant to Section 8.2. For purposes of this Section 8.1, a "shipment" refers to all of the packages to be transported together on any given flight. For all purposes hereunder, a "package" refers to an individual sellable unit, which may be shipped by a Carrier as part of a larger transportation unit containing multiple packages.

8.2 Additional Coverage. With respect to any shipment(s) or class(es) of shipments, Amazon, Sun Country, and each Sun Country Provider (all acting in good faith), with the concurrence of Sun Country's or the Sun Country Provider's insurers (as applicable), may reasonably agree on a special compensation to be paid by Amazon to increase the liability of the Sun Country or the Sun Country Provider in excess of the amount per package specified above in case of any loss, theft or damage to goods, effective upon mutual written agreement of authorized representatives of the Parties (including via email) indicating the shipment(s) or class(es) covered, the increased limit of Sun Country's or the Sun Country Provider's liability and the special compensation payable.

8.3 Claims. Subject to the limitations in Section 8.1, each Sun Country Provider will be responsible for all loss or damage to packages while in the possession, care, or control of such Sun Country Provider and all of their respective Personnel and will pay claims at Amazon's actual cost, including replacement cost of goods and direct costs associated with packaging, handling and shipping. Claims for lost or damaged packages may be based upon Amazon's manifest and any other materially relevant information, may be initiated electronically (including via e-mail), and may be filed at any time within [***] days after the item was tendered to such Sun Country Provider. The Sun Country Provider will acknowledge claims within [***] days of receipt and will process all claims to conclusion and pay Amazon or credit its account, to the extent applicable, within [***] days of receipt.

8.4 Cooperation. Sun Country and each Sun Country Provider agrees to cooperate as reasonably requested at their respective expense with Amazon loss prevention and investigative personnel in the conduct of investigations and preparation of reports related to loss, damage, fraud, shrinkage, mis-delivery, theft and other matters of mutual concern.

9.1.4 Aircraft Hull and Hull War insurance that, on or prior to the Services Commencement Date, each Carrier will maintain (or cause to be maintained) in full force and effect, on terms substantially similar to and no less favorable than insurance carried by the Carrier on similar aircraft in its fleet, all risk-ground and flight aircraft hull insurance covering the Aircraft including coverage of the engines and parts while temporarily removed from or not installed on the Aircraft and not replaced with similar components in amounts denominated and payable in United States Dollars not less than, in respect of the Aircraft, the Agreed Value, and with respect to any engines or parts while removed from the Aircraft on a replacement value basis. The Carrier will maintain such insurance covering any loss or damage arising from: (a) war, invasion, acts of foreign enemies, hostilities (whether ware be declared or not), civil war, rebellion, revolution, insurrection, martial law, military or usurped power, or attempts at usurpation of power; (b) strikes, riots, civil commotions, or labor disturbances; (c) any act of one or more persons, whether or not agents of a sovereign power, for political or terrorist purposes and whether the loss or damage resulting therefrom is accidental or intentional; (d) any malicious act or act of sabotage; (e) confiscation, nationalization, seizure, restraint, detention, appropriation, requisition for title, or use by or under the order of any Governmental Entity; and (f) hijacking or any unlawful seizure or wrongful exercise of control of the Aircraft or any airframe on which any engine is installed or crew in flight (including any attempt at such seizure or control) made by any person or persons on board the Aircraft or such airframe acting without the consent of the insured.

9.1.5 Sun Country and each Sun Country Provider, as applicable, covenants that all policies and subsequent policies taken out in accordance with this Section 9.1.5 will: (a) be issued by insurance companies or underwriters of internationally recognized standing in the aviation industry; (b) with respect to the insurance required under Section 9.1.4, be endorsed to name Amazon (and as directed by Amazon, Amazon's Aircraft lessor and any other party with an interest in the Aircraft as may be reasonably requested by Amazon), as the loss payee and/or contract party to the extent of its interests in respect of hull claims that become payable on the basis of a total loss and will provide that any other loss will be settled (net of any relevant policy deductible) with Amazon as may be necessary to repair the Aircraft unless otherwise agreed in writing; (c) provide that insurers will waive all rights of subrogation as against Amazon and each of its Affiliates and their officers, directors, employees, lessors and any other parties as reasonably requested by Amazon ("Amazon Parties"); (d) waive any right of the insurers to any setoff, counterclaim or other deduction against the Amazon Parties; (e) with respect to the insurance required under Section 9.1.4, contain a 50/50 claims funding clause in the form of Lloyd's standard provision AVS103 in the event of a dispute as to which policy will pay in the event of a loss; and (f) have deductibles (not applicable in case of a total, constructive total and/or arranged total loss) standard in the industry which do not exceed, per occurrence, the lesser of (i) $[***] and (ii) such amounts carried by the Carrier with respect to other aircraft similar to the Aircraft and operated on similar routes or which are otherwise reasonably acceptable to, and approved in writing by Amazon, except that any deductibles will be assumed by and at the sole risk of Sun Country or the Sun Country Provider and, to the extent applicable, will be paid by Sun Country or such Sun Country Provider, except that Amazon will pay any deductible to the extent that it was due and payable (for clarity, and not subject to a good faith dispute) to a Carrier by one of Amazon's subcontractors and is more than [***] days past due.

9.1.6 All insurance coverage will be subject to Endorsement AVN67B (or a comparable endorsement); and

9.1.7 Cargo legal liability insurance with limits sufficient to cover the Carrier's obligations per Section 8, but in no event less than $[***] per loss. Any excess liability above the amounts specified above (including amounts to "declare" values of a shipment) shall be for the account of Amazon.

9.2 Additional Policy Requirements. All such policies will also cover Sun Country's and a Sun Country Provider's (as applicable) liability under this Agreement for any acts by subcontractors and will afford coverage for the Aircraft both in flight and not in flight, as applicable. In the event that any insurance on the Aircraft which is required by this Section 9 is invalidated or is otherwise not in effect for any reason, the Aircraft must not be used to perform the Services until such time as the insurance is again valid and in full force and effect; except that such lapse in insurance will not excuse a breach of the Carrier's obligations under this Agreement. Sun Country and the Sun Country Provider (as applicable) will not permit its insurance policy coverage limits to be reduced below the minimum amounts set forth above or any such policy to be cancelled or allowed to expire without at least [***] days ([***] days for nonpayment of premiums and [***] days, or such other period as is then customarily obtainable in the industry, in the case of any hull war and allied perils coverage) prior written notice to Amazon (provided that such notice will be a lesser period customary in the commercial

aviation insurance industry with respect to war risk coverage). Sun Country and each Sun Country Provider (as applicable) will cause Amazon and each of its Affiliates and their officers, directors, employees, lessors and any other parties required by Amazon, at Amazon's reasonable request, ("Additional Insureds") to be named as additional insureds and coverage will be primary, without right of contribution from the Additional Insureds or their insurers on the policies required pursuant to this Section 9.1.1 and 9.1.2 and will submit certificates of insurance for the coverage required under this Section 9 at commencement of the Services and at Amazon's request. The Carrier will send certificates of insurance via email to [***]. Amazon's knowledge or approval of any of Sun Country's or a Sun Country Provider's insurance policies does not relieve or limit any of Sun Country's or such Sun Country Provider's obligations under this Agreement, including liability under Section 7 or Section 8 for claims exceeding required insurance limits. The requirements described in this Section 9 are collectively referred to as the "Insurance Requirements".

9.3 Amazon Insurance. Throughout the term of this Agreement, and as otherwise required herein, Amazon (including its Affiliates, as applicable), will carry at its expense: (a) Commercial General Liability insurance with limits of not less than $[***] per occurrence and $[***] in the aggregate, (b) Worker's Compensation insurance, or similar, in all jurisdictions in the United States where Amazon Personnel perform services under this Agreement as required by law; and Employer's Liability insurance with a limit of not less than $1 million per occurrence, and (c) Business Automobile Liability insurance as required by law with a combined single limit of not less than $[***] per occurrence. Amazon will provide certificates of insurance for the coverage required under this Section 9.3 upon the commencement of the Services in such jurisdictions and at Sun Country's request.

10. PERSONNEL; INDEPENDENT CONTRACTORS

10.1 Relationship of the Parties. Each of Sun Country and Amazon are independent contractors. Nothing in this Agreement is to be construed as creating an agency, partnership, or joint venture relationship between or among any of the Parties, and no Party will be entitled to act on behalf of or bind the other in any manner, except to extent expressly set forth in this Agreement or any Work Order (if at all).

10.2 Personnel. All Personnel furnished by a Party to provide Services are employees, agents, or subcontractors of such Party and are not employees, agents, or subcontractors of the other Party. Each Party has: (a) exclusive responsibility for and exclusive control over its Personnel, its labor and employee relations, and its policies relating to wages, hours, working conditions, and other employment conditions; (b) the exclusive right to hire, transfer, suspend, layoff, recall, promote, discipline, discharge, and adjust grievances with its respective Personnel; and (c) responsibility for all salaries and other compensation of their respective Personnel, all deductions and withholdings from the salaries and other compensation of its respective Personnel and for paying all contributions, taxes and assessments. Each Party's Personnel are not eligible to participate in any employment benefit plans or other benefits available to the other Party's employees. Each Party will ensure that its respective Personnel comply with the other Party's rules and policies while on the other Party's premises (to the extent that the other Party has informed the Party of such rules and policies with reasonable

prior notice), and, for transportation to or from the premises of a customer, supplier, or other business relation of the other Party, each Party will ensure that their respective Personnel comply with such third party's rules and policies while on such third party's premises (to the extent such Party has received reasonable prior notice of the rules and policies). Neither Party's Personnel has any authority to bind the other Party to any agreement or obligation.

10.3 Subcontractors. Notwithstanding the existence or terms of any subcontract or any contracting of Services as described in Section 10.3, Sun Country and each Sun Country Provider will remain jointly and severally responsible for the full performance of the Services in accordance with the Performance Standards and the other requirements of this Agreement. Sun Country and each Sun Country Provider will remain responsible for the full performance of the Services in accordance with the Performance Standards and other requirements of this Agreement and any applicable Work Order to the extent such Sun Country Provider is party to such Work Order. The terms and conditions of this Agreement and any and all Work Orders are binding upon Sun Country Providers, their Affiliates and their respective Personnel, to the extent a Sun Country Provider is party to such Work Orders. To extent a Sun Country Provider is party to any Work Orders, such Sun Country Provider will: (a) ensure that such entities and individuals comply with this Agreement and such Work Orders; and (b) be responsible for all acts, omissions, negligence and misconduct of such entities and individuals. Such Sun Country Provider will also ensure that all subcontractors effectively and irrevocably waive, to the fullest extent permitted by Law, any lien upon (or other right with respect to) the packages, parcels and other cargo or transportation units transported, regardless of whether such subcontractor would otherwise be entitled to such lien or other rights under contract or applicable Law (or if and to the extent any such lien may not be waived under applicable Law, agree not to assert such lien), and waive any claim (including for amounts owed for delivery services) against Amazon and any recipient. Without in any way limiting any of Sun Country's or any Sun Country Provider's obligations or Amazon's rights under Section 7, if any subcontractor asserts any claim, demand, suit, or action ("Sun Country Subcontractor Claim") against Amazon or any of its Affiliates and Sun Country or a Sun Country Provider, as the case may be, is then undergoing any bankruptcy proceeding, then Amazon may at its sole discretion, but is not obligated to, defend or settle such Sun Country Subcontractor Claim at the cost and expense of Sun Country, except that, for clarity, if Amazon incurs or pays any loss, damage, settlement, cost, expense, or any other liability (including reasonable attorneys' fees) relating to such Sun Country Subcontractor Claim, Amazon may set off such amounts in full against any amounts Amazon owes to Sun Country or demand immediate full reimbursement from Sun Country or such Sun Country Provider. Amazon will remain responsible for the full performance if its obligations under this Agreement. To extent Amazon subcontracts any of its obligations under this Agreement, Amazon will: (a) ensure that such entities and individuals comply with this Agreement; and (b) be responsible for all acts, omissions, gross negligence and willful misconduct of such entities and individuals. Without in any way limiting any of Amazon's obligations or Sun Country's or any Sun Country Provider's rights under Section 7, if any subcontractor asserts any claim, demand, suit, or action ("Amazon Subcontractor Claim") against Sun Country or any Sun Country Provider, as the case may be, is then undergoing any bankruptcy proceeding, then Sun Country may at its sole discretion, but is not obligated to, defend or settle such Amazon Subcontractor Claim at the cost and expense of Amazon, except that, for clarity, if Sun Country or any Sun Country Provider incurs

or pays any loss, damage, settlement, cost, expense, or any other liability (including reasonable attorneys' fees) relating to such Amazon Subcontractor Claim, Sun Country and the Sun Country Providers may set off such amounts in full against any amounts Sun Country owes to Amazon or demand immediate full reimbursement from Amazon.

11. TAXES

Sun Country and the Sun Country Providers are liable for, and agree to pay, all income, gross receipts, franchise, or similar taxes (including interest and penalties) associated with this Agreement or the Services provided under this Agreement that are imposed upon, as applicable, Sun Country or the Sun Country Providers ("Income Taxes").

Sun Country and each Sun Country Provider (as applicable) may charge and Amazon will be responsible for and will pay applicable national, state, or local sales or use taxes, excise or value added taxes that Sun Country or such Sun Country Provider is legally obligated to charge ("Transfer Taxes"), if those Transfer Taxes are stated on the original invoice that Sun Country or such Sun Country Provider provides to Amazon and Sun Country's or such Sun Country Provider's invoices state those Transfer Taxes separately and meet the appropriate tax requirements for a valid tax invoice. Amazon may provide Sun Country or the applicable Sun Country Provider an exemption certificate or equivalent information acceptable to the relevant taxing authority, in which case Sun Country or such Sun Country Provider will not collect (or, as applicable will charge a reduced rate) the Transfer Taxes covered by such certificate. Amazon may deduct or withhold any taxes that Amazon may be legally obligated to deduct or withhold from any amounts payable to Sun Country or the Sun Country Providers under this Agreement, and payment to Sun Country or a Sun Country Provider as reduced by such deductions or withholdings will constitute full payment and settlement to Sun Country or such Sun Country Provider of amounts payable under this Agreement. Throughout the term of this Agreement, Sun Country and each Sun Country Provider will provide or will cause Amazon to be provided with any forms, documents, or certifications as may be required for Amazon to satisfy any information reporting or withholding tax obligations with respect to any payments under this Agreement.

In the event that Sun Country, any Sun Country Provider, or Amazon fails to pay the Income Taxes or the Transfer Taxes (collectively, the "Taxes") that it is responsible for under this Section 11 and such Taxes are levied upon, assessed against, collected from or otherwise imposed upon another party, the party responsible for such Taxes under this Section 11 will immediately indemnify, defend, and hold the other harmless from and against all such indemnified Taxes, including any interest or penalties associated with such Taxes. As between Amazon and Sun Country, the provisions of Article 10 of each Aircraft Sublease shall not apply and the sole tax indemnity that either Party may look to for reimbursement is this Article 11.

12. CARRIER WORK ORDERS AND AIRCRAFT SUBLEASES

12.1 Committed Aircraft. Provided that this Agreement remains then in effect and no Sun Country Event of Default has occurred and is continuing, Amazon and Carrier will enter into a Carrier Work Order in the form of Exhibit B and an Aircraft Sublease in the form of Exhibit E concurrently with the Services Commencement Date for each of the Committed Aircraft.

12.2 Additional Aircraft. Subject to the Services Commencement Date being mutually agreed by the Parties, Sun Country will be prepared to provide Services with respect to Additional Aircraft owned by Amazon or leased to Amazon by a third party lessor to be operated under this Agreement. In such event, the Parties will enter into a Carrier Work Order in the form attached as Exhibit B and an Aircraft Sublease in the form of Exhibit E concurrently with the Services Commencement Date for the Additional Aircraft.

12.3 Delivery Process; Modifications. Amazon and Sun Country will mutually agree on arrangements for overseeing the conversion, modification, delivery conditions, managing Amazon's technical acceptance and delivery, Sun Country's delivery under an Aircraft Sublease, and, as applicable, ferrying the Aircraft from China to the United States, including the possible use of third party service providers. Aircraft will be modified to reflect the specifications and condition provided Exhibit H at Amazon's expense (for clarity, except for those items marked "preferred" in Section 2 of Exhibit H, which, to the extent accomplished at Sun Country's request, will be at Sun Country's expense) prior to entry into service under a Carrier Work Order, provided that Sun Country will not be responsible for any delays with respect to the Service Commencement Date due to circumstances outside of its reasonable control. Sun Country will make all commercially reasonably efforts to: (a) cooperate with Amazon with respect to same at no additional cost to Amazon, including drafting engineering orders as may be requested by the conversion or maintenance facility; and (b) sell-off any surplus Aircraft parts or components with a market value of $[***] or more, excluding customer specific items, that may exist following the modifications described in this Section 12.3, with the amount of the proceeds to be credited to Amazon on the next Monthly Invoice. The Parties will develop a mutually agreed conformity list for each aircraft that [***].

13. GENERAL

13.1 Assignment or Change of Control by Sun Country Providers. Except as otherwise permitted in accordance with Section 2.3, the Parties acknowledge and agree that they have a strong and special personal and confidential relationship and trust in each Party's abilities and integrity in connection with the critical and difficult services contemplated under this Agreement and that neither Sun Country nor any Sun Country Provider may assign or otherwise transfer this Agreement (in whole or in part, directly, indirectly or by operation of Law), or subcontract or delegate any of their respective obligations, duties, or rights under this Agreement, without Amazon's prior written consent. Sun Country may assign this Agreement in its entirety in connection with an internal reorganization that does not constitute a Change of Control with Amazon's prior written consent (which consent will not be unreasonably withheld, delayed, or conditioned). Any attempt to assign, subcontract or delegate by Sun Country or a Sun Country Provider in violation of this Section 13.1 will be void in each instance. Sun Country or a Sun Country Provider (as applicable) will give Amazon prompt written notice of any Change of Control including, within [***] Business Days of Amazon's request but in no event less than [***] Business Days prior to the closing of the Change of Control transaction, a certification to Amazon by the acquiring or surviving entity (including

such other documentation as may be reasonably requested by Amazon), that it will continue providing the Services and that it will not otherwise discontinue, deprioritize or make business changes that will adversely impact Amazon's operations for the duration of the Term pursuant to the terms and conditions of this Agreement, the sufficiency of such documentation will be determined in Amazon's reasonable discretion. [***]Subject to the foregoing in this Section 13.1, this Agreement will be binding upon, and inure to the benefit of, the Parties and their respective permitted successors and assigns.

13.2 Assignment by Amazon. Amazon may assign this Agreement or any Work Order to an Affiliate or in connection with any merger, reorganization, sale of all or substantially all of its assets, or any similar transaction without the consent of Sun Country.

13.3 Governing Law/Venue. The internal laws of the State of New York, excluding its conflicts of law rules, govern this Agreement. Amazon, Sun Country, and each Sun Country Provider irrevocably submit to the exclusive personal jurisdiction and venue in the federal and state courts in New York County, New York for any dispute arising out of this Agreement and waives all objections to jurisdiction and venue of such courts.

13.4 Notices. Notices under this Agreement are sufficient only if made in writing and delivered by personal delivery, certified mail, nationally-recognized overnight courier service, or email with confirmed read receipt, in each case in accordance with this Section 13.4. Such notice will be deemed effective: (a) when delivered personally; (b) three Business Days after sent by certified mail (return receipt requested) to the applicable address(es) set forth in the signature blocks below or in the applicable Work Order; (c) on the next business day after being sent by a nationally recognized courier service to the applicable address(es) set forth in the signature blocks below; or (d) on the day acknowledged in writing (email or otherwise) by the recipient Party when delivered by email, but only to the extent such email notice has been sent to an employee of the recipient Party having knowledge of the matter contained in the notice (and, in the case of notice to Amazon, with a copy to [***]) and is conspicuously identified as a notice under this Agreement. Any notice to Amazon must include an additional copy to: Amazon.com, Inc. Attn: General Counsel P.O. Box 81226 Seattle, WA 98108-1226.

13.5 Amendment and Waiver. Except as set forth in this Section 13.5, this Agreement may not be amended, suspended, superseded or otherwise modified except by a written instrument, expressly identifying the modifications made and signed by the authorized representative of each of the Parties provided that, except as expressly provided in or with respect to any Work Order or exhibit, in each instance in this Agreement where reference has been made to establishing or deviating from the terms of this Agreement as "mutually agreed" (or with substantially similar terms), the Parties may so agree solely by written instrument signed by both Parties explicitly modifying this Agreement. No waiver will be effective under this Agreement except by a written instrument, expressly identifying the rights waived and signed by the authorized representative of each Person to be bound thereby. A waiver regarding any breach or default will not constitute a waiver with respect to any different or subsequent default unless expressly provided in such waiver instrument. Without limiting the generality of the foregoing, a Party will not be deemed to modify any term or waive any right or remedy under this Agreement by failing to insist on compliance with any of the terms of this Agreement or by failing in one or more instances to exercise any right under this Agreement.

13.6 Remedies. The rights and remedies of the Parties under this Agreement are cumulative, and any Party may enforce any of its rights or remedies under this Agreement or other rights and remedies available to it at law or in equity, except that the Parties will not be entitled to any double recovery. Sun Country and the Sun Country Providers acknowledge that any material breach of this Agreement by Sun Country or the Sun Country Providers would cause Amazon irreparable harm for which Amazon has no adequate remedies at Law. Accordingly, Amazon is entitled to specific performance of this Agreement or injunctive relief for any such breach. Each Party waives all claims for damages by reason of the wrongful issuance of an injunction and acknowledges that their only remedy in that case is the dissolution of that injunction.

13.7 Construction. Each Work Order, addendum, exhibit and schedule associated with this Agreement is hereby incorporated by reference, as if fully set forth herein, and each reference to an exhibit in this Agreement will include all subsections or portions of such exhibit, except that a Work Order or Work Orders may be referenced separately as context requires. If any provision of this Agreement is determined to be unenforceable in any jurisdiction, the Parties intend that this Agreement be enforced in such jurisdiction as if the unenforceable provisions were not present and that any partially valid and enforceable provisions be enforced in such jurisdiction to the extent that they are enforceable, and further agree to substitute for the invalid provision a valid provision (with respect to such jurisdiction) which most closely approximates the intent and economic effect of the invalid provisions. The section headings of this Agreement are for convenience only and have no interpretive value. References to currency or "$" in this Agreement refer to the United States of America Dollar unless otherwise expressly noted. Unless the context otherwise requires, as used in this Agreement, all terms used in the singular will be deemed to refer to the plural as well, and vice versa. The use of the word "including" and similar terms in this Agreement will be construed without limitation. References in this Agreement to "Business Days" will refer to each day other than a Saturday or Sunday or a day that commercial banking institutions in Seattle, Washington or Eagan, Minnesota are authorized or required by Law to remain closed and "days" means consecutive calendar days. Each Party and its counsel has reviewed and jointly participated in the establishment of this Agreement. No rule of strict construction or presumption that ambiguities will be construed against any drafter will apply. Except as expressly set forth in Sections 13.8 and 13.9, the terms and conditions of this Agreement will apply solely for the benefit of the Parties (including their permitted successors and assigns), and nothing under this Agreement will give any other third party any benefit, right or remedy under this Agreement.

13.8 Third Party Shippers. Amazon may from time to time designate one or more third parties to ship items for, on behalf of, or at the request of Amazon (including items purchased through any e-commerce website operated in whole or in part by Amazon) under this Agreement (a "Third Party Shipper"), with it being understood and agreed that: (a) all Third Party Shipper transactions and accounts will be governed by this Agreement; (b) the terms, conditions, rights, obligations, and rates hereunder will extend to such Third Party Shippers as

beneficiaries hereunder; and (c) upon prior written notice to Sun Country, the Parties will enter into a mutually agreed addendum to this Agreement with respect to a Third Party Shipper. For clarity, any third party in relation to which Amazon has acted as an indirect air carrier with respect to the transportation of items on the Aircraft will not constitute a Third Party Shipper.

13.9 Work Orders. This Agreement governs each Work Order. If any provision of any Work Order conflicts with the terms of this Agreement, then the terms of the Work Order will prevail to the extent necessary to resolve the conflict (but with such modification limited solely to the scope of the Work Order effecting such modification). Amazon and any of its Affiliates will have the right to enter into Carrier Work Orders and Ground Services Work Orders with Sun Country or Sun Country Providers pursuant to this Agreement, and this Agreement will apply to each such Work Order as if the Amazon Affiliate was a signatory to the Agreement. With respect to such Work Orders, such Amazon Affiliate becomes a Party to this Agreement and references to Amazon in this Agreement are deemed to be references to such Affiliate unless otherwise specified. Each Work Order is a separate obligation of the Amazon Affiliate that executes such Work Order, and no other Amazon Affiliate has any liability or obligation under such Work Order. Each Amazon Affiliate receiving Services under this Agreement is an express intended third party beneficiary of this Agreement and will be entitled to enforce this Agreement as if an original signatory hereto. Sun Country will remain jointly and severally responsible for the provision of Services notwithstanding any contracting of Services to any Sun Country Provider or any Work Orders entered into by a Sun Country Provider.

13.10 Hazardous Materials Notifications. Sun Country or the applicable Sun Country Provider will notify Amazon's dangerous goods compliance department (at the phone number or email address designated by Amazon for this purpose) promptly (and in any event within [***] hours) after Sun Country or such Sun Country Provider has actual knowledge of or becomes aware in the course of performing the Services of any: (a) injury to persons, property damage, environmental damage, fire, breakage, spillage, leakage, or any other accident or incident involving any product defined, designated, or classified as hazardous material, hazardous substance, or dangerous good (including for clarity, limited and excepted quantities, consumer commodity, ORM-D, lithium batteries, and radioactive and magnetic materials) under any applicable Law and transported or likely to be transported by a Carrier under this Agreement (collectively, "Hazardous Materials"); (b) event or circumstance involving Hazardous Materials that violates or is reasonably likely to violate any applicable Law, or (c) investigation of any shipment containing Hazardous Materials by any Governmental Entity.

13.11 Counterparts. Each Party may effect the execution and delivery of this Agreement and any Work Order, amendment or addendum hereto or thereto by facsimile or electronic transmission (including in portable document format or by electronic signature) of one or more signed counterparts that together will constitute one and the same instrument.

13.12 LIMITATION OF LIABILITIES. Under no circumstances will any Party be liable for any special, incidental, consequential, or indirect damages arising from or in relation to this Agreement, regardless as to the cause of action and however alleged or arising. [***].

13.13 Entire Agreement. This Agreement amends and restates the Original Agreement in its entirety. This Agreement, together with the NDA and all other documents referenced in this Agreement (including without limitation any then-effective Work Orders and Aircraft Sublease Agreements), constitutes the complete and final agreement of the parties pertaining to the Services and supersedes the parties' prior agreements, understandings, communications and discussions, oral or written, relating to the subject matter hereof. In the event of a conflict between an Aircraft Sublease and this Agreement solely with respect to which Party is responsible for any costs (including costs in connection with the maintenance, operation and return condition of any Aircraft), expenses, payments, indemnification, or remedies, this Agreement shall prevail to the extent necessary to resolve the conflict. As between the Parties with respect to each Aircraft Sublease: (a) Section 4.6 of each Aircraft Sublease will not apply to any payments made directly to Amazon under the Aircraft Sublease; (b) to the extent a Carrier provides Amazon a Replacement Engine under Section 6.2.2 of an Aircraft Sublease that is in better operating condition and has a better value and utility as the replaced engine (and Amazon has agreed to same in advance), the Parties will mutually agree on reasonable compensation for such incremental value; (c) Amazon will be responsible for the cost of any Heavy Maintenance and Airworthiness Directives that are the responsibility of Amazon pursuant to Sections 2.6.11 or Section 2.6.12 of this Agreement and required so that the Aircraft meets the Return Condition Requirements (as defined in the Aircraft Sublease) (provided that Sun Country will still be responsible to manage or perform such Heavy Maintenance as requested by Amazon) and, if applicable, the incremental, reasonable, documented, out of pocket cost of storing an Aircraft following Return (as defined in the Aircraft Sublease); (d) the Return Condition Requirements of the Aircraft Sublease will be deemed amended to account for any deviations from the Delivery Condition Requirements (as defined in the Aircraft Sublease) approved by Amazon; (e) the following remedies provisions of each Aircraft Sublease will not apply: (i) Sections 16.2.2 and 16.4 (both to the extent relating to costs, expenses and damages); (ii) Sections 16.2.5 (b), (c) (solely to the extent relating to Amazon), (d) and (e); and (iii) Section 16.3; and (f) Amazon will not be entitled to the benefits of an indemnitee under Section 8 of the Aircraft Sublease.

13.14 Cooperation. Each Party will cooperate with the other Party in good faith in the performance of its respective activities contemplated by this Agreement through, among other things, making available, as reasonably requested by the other Party, such management decisions, information, approvals and acceptances in order that the provision of the Services under this Agreement may be accomplished in a proper, timely and efficient manner. Except as expressly provided otherwise, where agreement, approval, acceptance, or consent of a Party is required by any provision of this Agreement, such action will not be unreasonably withheld or delayed.

13.15 Further Assurances. The Parties agree to execute and deliver such other instruments and documents as another Party reasonably requests to evidence or effect the transactions contemplated by this Agreement.

13.16 Priority Over Standard Forms. The Parties may use standard business forms, including bills of lading, waybills, proof of delivery documents and invoices, but use of such forms is for convenience only and does not alter the provisions of this Agreement or any Work Order even if signed by any Party. THE PARTIES WILL BE BOUND BY, AND EACH SPECIFICALLY OBJECTS TO, ANY PROVISION THAT IS DIFFERENT FROM OR IN ADDITION TO THIS AGREEMENT (WHETHER PROFFERED ORALLY OR IN ANY WRITING, INCLUDING ANY QUOTATION, INVOICE, SHIPPING DOCUMENT, BILL OF LADING, WAYBILL, ACCEPTANCE, CONFIRMATION, CORRESPONDENCE, TARIFF, OR CIRCULAR).

Exhibit B
Form of Carrier Work Order

This WORK ORDER No. [●] (this "Work Order") is effective as of [●] ("Work Order Effective Date") and entered into and made a part of the Air Transportation Services Agreement between Sun Country, Inc. ("Sun Country") and Amazon.com Services, Inc. ("Amazon"), effective as of December [●], 2019 (the "Agreement"), to apply to the Amazon entity signatory hereto (solely for the purposes of this Work Order, "Amazon") and the Carrier entity signatory hereto (solely for the purposes of this Work Order, "Carrier") for the Services described below. Carrier and Amazon hereto each hereby joins the Agreement with respect to all rights and obligations under this Work Order. Nothing in this Work Order will relieve Amazon or Sun Country of their respective responsibilities for the performance of any obligations under the Agreement. All capitalized terms not defined in this Work Order have the respective meanings set forth in the Agreement. In the event of a conflict between any term in the Agreement and any term in this Work Order, the term in this Work Order will prevail to the extent necessary to resolve the conflict.

1. SUBLEASE OF WORK ORDER AIRCRAFT; PROVISION OF SERVICES

1.1 Carrier and Amazon acknowledge that Amazon and Carrier have entered into an "Aircraft Sublease Agreement (MSN [●])," dated [●] (the "Aircraft Sublease"), under which Carrier subleases from Amazon one 737-800 aircraft bearing Manufacturer's Serial Number [●] and Registration Number N[●] (the "Work Order Aircraft").

1.2 Carrier will operate the Work Order Aircraft in the performance of the cargo flights set forth in the Flight Schedule. The flights described in the Flight Schedule and the other Services performed by Carrier hereunder will, for purposes of this Work Order, be referred to as the "Work Order Services".

2. EQUIPMENT AND SERVICES; REIMBURSABLE EQUIPMENT AND SERVICES

Exhibit C
Performance Standards

1. Services.

1.1 The Carrier will meet the flight availability commitments set forth in the Flight Schedule.

1.2 The Carrier will in no circumstances alter any information on the label provided by Amazon on any package provided by Amazon or any third party for shipment as part of the Services.

2. Reports and Electronic Communications. The Carrier will provide daily electronic reports including (a) performance and exception reports, (b) electronic summary reports itemizing volume on a periodic basis determined by Amazon, (c) such other reports described in this Agreement and (d) such other reports reasonably requested by Amazon, in the formats Amazon provides.

3. Service Disruption. If the Carrier experiences any material stoppage or disruption that generally diminishes its capacity to transport and deliver parcels, it will allocate its remaining available cargo capacity to Amazon's account on terms no less favorable than those granted to any other of the Carrier's customers.

4. Arrival Performance Incentive/Disincentive.

4.1 Amazon will pay to Sun Country a monthly financial incentive bonus (the "Monthly Incentive Bonus") for achieving an Arrival Performance (as defined in the following paragraph) greater than or equal to [***] during such month. Alternatively, Sun Country will provide Amazon with a credit (the "Monthly Disincentive Credit") against amounts owed by Amazon to Sun Country hereunder as a financial disincentive for achieving an Arrival Performance less than [***] during such month. The Monthly Incentive Bonus and the Monthly Disincentive Credit to which Sun Country may be entitled or subject to each month, are set forth in the table below. For clarity, payment to Sun Country of a Monthly Incentive Bonus or Monthly Disincentive Credit will not cure a Sun Country or Carrier Event of Default. [***]

4.2 For purposes of this Agreement and the Carrier Work Orders, including for the purpose of determining the Monthly Incentive Bonus and the Monthly Disincentive Credit under this Agreement, the term "Arrival Performance" means, the percentage of all flights flown in performing the Services under this Agreement (including cancelled flights due to Carrier Delay but excluding cancelled flights relating to delayed implementation of an amended Flight Schedule for which a payment was made under Section 2.10.2), in any given calendar month which arrive within not more than [***] whole minutes after the scheduled arrival time for each flight. If a secondary flight (*i.e.*, any flight leg in a rotation subsequent to the initial flight leg) is delayed following earlier delayed flight leg(s) in the same rotation in the prior [***] hour period, the scheduled arrival time of the delayed secondary

flight will be deemed to be extended by the length of the delay(s) that were experienced by such prior flight legs within the rotation, except that if the period between: (a) a flight's actual arrival time and the next departure time for the Aircraft as reflected on the Flight Schedule exceeds [***] minutes; or (b) the arrival time and the departure time for the Aircraft's next flight as reflected on the Flight Schedule exceeds [***] hours, then delays from prior flight legs will not be taken into account and there will be no such deemed extension.

4.3 In determining whether a flight has arrived within not more than [***] whole minutes after its scheduled arrival time, (a) only delays that are attributable to circumstances that are within the reasonable control of the Carrier will be taken into account, including: (i) the mechanical breakdown of an Aircraft, (ii) the unavailability of an Aircraft due to regular scheduled maintenance, (iii) the acts or omissions of a Flight Crew (except with respect to actions required for safety, security, or compliance with Law), (iv) the unavailability of an Aircraft and (v) flight planning, flight following or dispatch issues (collectively, "Carrier Delays");and (b) no flight directly affected by Force Majeure will be deemed to be delayed to the extent the delay is caused by Force Majeure, regardless of its arrival time. Notwithstanding the foregoing, the delay codes labeled as Carrier Controllable in the below table are presumed to represent delay situations that are within the reasonable control of a Carrier. For clarity, although the table is intended to be comprehensive, it may not cover all circumstances that could give rise to delays that are within the reasonable control of a Carrier.

Exhibit D
Invoices; Payments; Deposits; Weekly Statement

1. Invoices. Sun Country will provide monthly electronic invoices to Amazon as set forth in this Exhibit D. Each such invoice will reflect the relevant charges due from Amazon to Sun Country for the relevant period on a consolidated basis for Sun Country and all Sun Country Providers providing Services under the Agreement during that period.

2. Monthly Deposits by Amazon. On or before the [***] day of each month (or the subsequent business day if the [***] is not a business day) during which Services are provided under the Agreement, Amazon will provide to Sun Country, without demand, [***] of the total expected amount due to Sun Country for the month set forth in the Price Schedule then in effect (including estimated fuel reimbursements per Section 2.6 of the Agreement). With respect to Network Spares, Amazon will pay [***]% of the applicable Fixed Monthly Costs listed in the Price Schedule for each Network Spare but no assumed usage will apply.

3. Weekly Activity Statements Provided by Sun Country. Sun Country will provide to Amazon a weekly statement of activity under the Agreement (a "Weekly Activity Statement") within [***] Business Days following the end of the preceding week to the extent Services were performed during the preceding week under the Work Order. Each such Weekly Activity Statement will contain an identification of the flights performed, the date of performance, the Carrier and Amazon reference identification numbers, and flight origin and destination, reflecting the number of Block Hours and Flight Cycles actually flown by all Carriers under this Agreement during the previous calendar week.

4. Monthly Invoice; Reconciliation. Within [***] Business Days following the end of each calendar month during which Services are provided under the Agreement, Sun Country will provide to Amazon an invoice with respect to the preceding calendar month (a "Monthly Invoice") reflecting the following with respect to the preceding month.

(a) Reconciliation of Fixed Monthly Charge. A statement reconciling (1) the amount of the estimated Fixed Monthly Charge deposited with Sun Country under the monthly deposit during the preceding calendar month with (2) the Fixed Monthly Charge actually payable under the Agreement for the preceding calendar month, together with a statement of any additional amount due from Amazon to Sun Country or any credit due from Sun Country to Amazon as a result of that reconciliation;

(b) Reconciliation of Variable Charges. A statement reconciling (1) the amount of the estimated Variable Charges deposited with Sun Country under the monthly deposit during the preceding calendar month with (2) the actual Variable Charges payable by Amazon under the Agreement for the preceding calendar month, together with a statement of any additional amount due from Amazon to Sun Country or any credit due from Sun Country to Amazon as a result of that reconciliation;

(c) Reconciliation of Fuel Charges. A statement reconciling (1) the amount of the estimated fuel charges deposited with Sun Country under the monthly deposit during the preceding calendar month with (2) the actual fuel charges payable by Amazon under the Agreement for the preceding calendar month, together with a statement of any additional amount due from Amazon to Sun Country or any credit due from Sun Country to Amazon as a result of that reconciliation;

(d) Reconciliation of Aircraft Sublease Rent. A statement reconciling (1) the amount of reimbursable rent under the Aircraft Subleases deposited with Sun Country under the monthly deposit during the preceding calendar month with (2) the actual amount of rent reimbursable under the Aircraft Subleases for the preceding calendar month, together with a statement of any additional amount due from Amazon to Sun Country or any credit due from Sun Country to Amazon as a result of that reconciliation;

(e) Reconciliation of Maintenance Fuel. A statement reconciling the Maintenance Fuel used during the preceding calendar month including details of the dates, locations and applicable APU and/or engine hours when Maintenance Fuel was used.

(f) Performance Incentive or Disincentive. A statement showing the calculation of the Arrival Performance achieved by the Carriers under the Agreement during the preceding calendar month covered by the Monthly Invoice together with a statement of the Monthly Incentive Bonus or Monthly Disincentive Credit, if any, payable or due with respect to the preceding calendar month;

(g) Other Amounts Payable or Reimbursable. A statement of any other amounts payable or reimbursable by Amazon to Sun Country or creditable from Sun Country to Amazon under the Agreement; and

(h) Amount Payable or Credit Due. A statement of the sum total amount due from Amazon to Sun Country or the total credit due from Sun Country to Amazon with the Monthly Invoice.

5. Payment of Monthly Invoice. If the Monthly Invoice shows a sum total amount payable by Amazon to Sun Country, that amount will be paid within [***] days following Amazon's receipt of the Monthly Invoice. If the Monthly Invoice shows a sum credit due to Amazon from Sun Country, that credit will be applied first against any amount then remaining unpaid under any Monthly Invoice, from oldest to newest, and then against the Fixed Monthly Charge next payable by Amazon to Sun Country hereunder.

6. Invoice Data. Sun Country will provide each Monthly Invoice in a manner that complies with all requirements of applicable tax laws and accounting standards and which, together with the Weekly Activity Statements and supporting documentation for the calendar month covered by that invoice, provides sufficient information for Amazon to determine the accuracy of the amounts invoiced thereon. Sun Country and the Carriers will retain copies of relevant documentation supporting the invoiced amounts for a period of [***] years from the date of the Monthly Invoice to which such documentation relates and, during that [***] year period, Amazon may inspect and audit such documentation upon request to Sun Country.

7. Segregating Accounts. At Amazon's election from time to time, Sun Country will promptly create separate accounts and issue separate invoices for Amazon and each Amazon Affiliate for which it provides Services and, to the extent applicable, each Third Party Shipper. The payment obligation under each such separate account and invoice is a separate obligation solely of Amazon, the Amazon Affiliate, or the Third Party Shipper as applicable, to which the invoiced Services were provided, and no other Person will have any obligation with respect to such account or under such invoice

8. Payment; Disputes. Amazon will pay undisputed portions of Sun Country's properly submitted invoices within [***] days of receipt of the relevant invoice. Disputed invoices, payments, credits or other amounts will be rejected, challenged or short paid (as applicable) with appropriate explanation of the discrepancy. In the event that any invoice, payment, credit or other amount is reasonably disputed, the disputing Party will notify the other Party of such dispute on or before the date that such invoice, payment or credit is due to be paid or issued (the "Disputed Notice Date"). The notification of a dispute will not relieve the disputing Party of its obligations with respect to any non-disputed amounts. As soon as possible after receipt of notification of a dispute, the Parties will convene their responsible managers in order to resolve such dispute in good faith and through the application of reasonable commercial efforts. In the event that the responsible managers are unable to resolve such dispute within [***] days after the Disputed Notice Date (in which case the settled amount will be paid within [***] days of such resolution), then such dispute will be escalated to an Amazon Leadership Representative and the CFO of Sun Country for resolution. In the event that the Amazon Leadership Representative and CFO of Sun Country are unable to resolve the dispute or the disputing Party has not paid the disputed amount within [***] days after the Disputed Notice Date (in which case the settled amount will be paid within [***] days of such resolution), then the Parties may pursue their respective rights in accordance with Section 13.3 of the Agreement. Sun Country and each Carrier will be entitled to refuse to pick up any further parcels under Work Orders if Amazon fails to cure any payment default (which default, for clarity, does not include non-payment of a disputed invoice, payment, credit or other amount) within [***] Business Days after receiving written notice of such delinquency, except that Sun Country and each Sun Country Provider will: (A) continue to provide Services under the Agreement and Work Orders through the notice period; and (B) deliver all parcels that have been picked up through such notice period. Notwithstanding the foregoing, Amazon has no obligation to pay any fees or expenses invoiced more than [***] months after the relevant Service was performed, except that the deadline for individual expenses will be extended to [***] (or, in the event of contested invoices, such later period as reasonably approved by Amazon) if: (a) the expense was for a third party reimbursable expense; (b) the delay is solely due to the actions of the third party and not reasonably avoidable by a Sun Country Provider; and (c) Sun Country gives reasonable notice to Amazon of the delayed invoice from the third party.

9. In all cases, payments to Sun Country will be made in U.S. Dollars and will be sent at Amazon's expense via irrevocable wire transfer in immediately available funds to the following account:

10. Interest on Overdue Amounts. Any payment or credit not made when due will bear interest at a rate equal to the 3-month LIBOR plus [***] percent, from the date which is [***] Business Days after the Party that owes the past due payment or credit receives written notice thereof until Sun Country or Amazon receives the applicable payment or credit, as applicable.

At all times during the Term, full legal title to the Aircraft will remain vested in Head Lessor to the exclusion of Sublessor and Sublessee, notwithstanding the Delivery to, and the use of the Aircraft by, Sublessee. In furtherance of the foregoing, Sublessor and Sublessee confirm their joint intent that this Agreement will constitute a lease for tax purposes.

3.7.1 Subject to the Head Lease, Sublessee shall inspect the Aircraft under this Sublease (including such rights as Sublessor has under the Head Lease to be present and inspect, on an ongoing basis, the conversion of the Aircraft and including a demonstration flight under normal operating conditions, which shall be undertaken for the benefit of Sublessee at no expense to Sublessee) (the "Inspection") to determine whether the Aircraft fulfills the Delivery Condition Requirements

3.7.3 If Sublessor notifies Sublessee that neither it nor Head Lessor intends to correct the Discrepancy, either party may terminate the Sublease. In the event of such a termination, all obligations of each party under the Sublease will end on the date of such notice. Sublessee will remain obligated under its indemnity set forth in Section 3 of Appendix G.

3.8 Technical Acceptance. Upon the completion of the Inspection and, subject to Section 3.6.2, the performance by Sublessor of all corrections required to bring the Aircraft into conformity with the Delivery Condition Requirements (except to the extent that such corrections are deferred by Sublessee as described in Section 3.6.2), Sublessee will execute and deliver to Sublessor a Technical Acceptance Certificate substantially in the form of Appendix D (the "Technical Acceptance Certificate"). 4.3 Basic Rent Payments.

4.3.1 The first payment of Basic Rent will be made on or prior to the Delivery Date, as a condition of the Delivery, in an amount equal to the product of: (a) the Basic Rent multiplied by (b) a fraction (i) whose numerator is the number of days from and after the Delivery Date remaining in the month which includes the Delivery Date and (ii) whose denominator is the total number of days in such month.

4.3.2 On each Basic Rent Date following the Delivery Date (through the time set forth in Section 4.2.1) Sublessee will pay the Basic Rent to Sublessor as required by Section 4.2.1.

4.4 Due Date Not on Business Day. In the event any payment required under this Agreement is due on a day that is not a Business Day, then such payment will be made on or before the next succeeding Business Day.

4.5 No Abatement. Sublessee's obligations to pay Basic Rent will be absolute and unconditional and will not be affected by any circumstances occurring from and after the Delivery Date, including any set-off, counterclaim, recoupment, defense or other right Sublessee may have against Sublessor. Provided the ATSA is in effect with respect to the Aircraft, the provisions of the ATSA will control with respect to Sublessee's responsibility (including through one of Sublessee's Affiliates), if any, under the ATSA should the Aircraft (or any component thereof) become unavailable for use. There will be no abatement of Basic Rent for any period when the Aircraft will be rendered unfit for use, grounded, unserviceable for any reason whatsoever, hijacked, confiscated, seized, requisitioned, restrained, or appropriated.

4.6 Interest on Overdue Amounts. Any amount that is more than [***] days overdue pursuant to this Agreement will bear interest at the Interest Rate indicated on Appendix B, calculated from the [***] day following the due date of such payment. At or before Delivery, this Agreement (absent the provisions of Appendix B) and such other documents as Sublessor may direct, will be filed with the Aviation Authority and with any other Governmental Entity registrar or international registrar as provided by this Agreement, including the International Registry. All costs and expenses (including the legal fees charged by Special FAA Counsel but not including the legal fees charged by Sublessor's counsel) relating to each of such filings will be paid as set forth in Section 20.3.

6. **Possession, Use and Operation of the Aircraft; Risk of Loss or Damage.**

All of Sublessee's obligations under the Sublease will continue to the same extent as if such activation had not occurred, including, the prohibition on subleasing. Any provisions of the Sublease to the contrary notwithstanding, if there is use of the Aircraft pursuant to the CRAF Program and/or CRAF Program activation, Sublessor agrees that the insurance the Sublessee is required to maintain pursuant to terms thereof may be supplemented or replaced by insurances provided under Title XIII of the Federal Aviation Act of 1958, and/or U.S. Government indemnification (which Title XIII insurances and indemnification will be, as to the Aircraft, in an amount not less than the Agreed Value amount for the

Aircraft and, as to all other insurances, in amounts not less than those required by the terms of the Sublease); provided, however, that Sublessee will remain responsible for full compliance with all the provisions of the Sublease, to the extent Title XIII and/or the U.S. Government indemnification do not satisfy Sublessee's obligations under the Sublease, including as to scope of coverage or additional insureds covered.

(a) If there is use of the Aircraft pursuant to the CRAF Program and/or CRAF Program activation, there will be no limitation on the geographic area in which the Aircraft may be operated so long as, taken as a whole, Sublessee's insurance, the Title XII insurance and/or the indemnification provided by the U.S. Government shall fully cover (without any geographic exclusions) the insurance requirements set forth herein.

(b) If an Event of Default occurs and Sublessor elects to pursue its remedies in accordance with the provisions of the Sublease, Sublessor will so notify the U.S. Government by sending a written communication with a copy to Sublessee as follows:

Headquarters Air Mobility Command

AMC Contracting Office – XOKA

Scott Air Force Base, Illinois 62225-5007

Sublessee hereby authorizes Sublessor to contact and deal directly with CRAF Program representatives, including the Air Mobility Command, during the occurrence and continuance of an Event of Default, in connection with the exercise of any and all remedies provided under the Sublease, including to arrange for repossession of the Aircraft directly from the Air Mobility Command, payments under the CRAF Program to be made directly to Sublessor and the termination of the Aircraft's participation in the CRAF Program.

(c) So long as no Event of Default has occurred and is continuing all payments received by Sublessor or Sublessee from any Governmental Entity in connection with the use of the Aircraft under the CRAF Program will be paid over to or retained by Sublessee. If an Event of Default has occurred and is continuing, Sublessor may direct the Governmental Entity to make all payments to Sublessor (or its designee) and all payments received by Sublessor (or its designee) or Sublessee from such Governmental Entity in connection with the use of the Aircraft under the CRAF Program may be used by Sublessor and applied to the payment obligations as and when due and payable under the Sublease in such order and in such amount as Sublessor may elect in its sole discretion.

6.1.3 Sublessee may transfer possession of any Engine or any Part to any person or entity as permitted in Section 6.2.

6.2 Possession of Engines and Parts.

Sublessee shall obtain from any person to whom possession of an Engine is given, and from the lessor of any airframe on which an Engine is installed and from any holder of a Lien in any airframe on which an Engine is installed, an agreement in writing (which agreement, in the case of a lease or Lien, may be contained in the applicable lease or Lien agreement covering such airframe) that such Person will respect the interests of Head Lessor as owner and Sublessor as lessor, respectively, and of the Financing Parties, in such Engine and will not acquire or claim any rights, title or interest in such Engine as a result of such Engine being installed on such other airframe at any time while such Engine is subject to the Sublease. In the event Sublessee shall have received from a lessor of or a secured party holding a Lien in any airframe leased to Sublessee or owned by Sublessee a written agreement pursuant to the foregoing sentence and the lease or Lien covering such airframe also covers an engine or engines owned by the lessor under such lease or subject to such Lien in favor of the secured party under such Lien, Sublessor hereby agrees for the benefit of such lessor or secured party that Sublessor will respect the interest of such lessor or secured party and will not acquire or claim as against such lessor or secured party, any rights, title or interest in any such engine as a result of such engine being installed on the Airframe at any time while such engine is subject to such lease or Lien and owned by such lessor or subject to a Lien in favor of such secured party. Sublessor further agrees that in respect of the interest of and for the benefit of a spare engine owner, lessor or secured party pursuant to a Lien whose engine has been installed on the Airframe in accordance with Section 6.2.4 hereof, it will not acquire or claim as against such owner, lessor or secured party any rights, title or interest in any such spare engine as a result of such spare engine being installed on the Airframe. Sublessee will ensure that any Engine or Part not installed on the Aircraft (or an aircraft permitted by Section 6.2.3) is properly and safely stored and insured and kept free of Liens.

6.2.2 Permanent Replacement: Sublessee may, with prior written notice to Sublessor of at least [***]days, and subject to the satisfaction of the terms and conditions of this Section permanently replace an Engine that has not suffered a Total Loss or a Part. Where Sublessee permanently replaces an Engine or a Part:

(a) in the case of an Engine, it must be a Replacement Engine;

(b) in the case of a Part, the replacement part must be an Manufacturer approved Part (except as set forth in Section 6.3), be in good operating condition, must not have been involved in any accident or incident, must not have been installed on an aircraft registered on a military aircraft register, must have as much useful life available until the next expected maintenance procedure, must be of the same or a more advanced Manufacturer configuration status, make and model as the Part it is replacing and it must otherwise be of an equivalent value and utility as the Part it is replacing;

(c) the Replacement Engine or replacement part must have become and remain, until replaced in accordance with this Section 6.2, the property of Head Lessor free from Liens (other than Permitted Liens), and subjected to the lien of any applicable Financing Documents and the rights of any Financing Parties;

(d) Sublessee must have full details of the source and maintenance records of the Replacement Engine or replacement part. In the case of replacement serialized parts, documentation shall be back to birth and in the case of serialized rotable parts, shall include a complete service history; and

(e) Sublessee shall comply with the requirements of Section 6.2.6, and at Sublessor's expense, any requirements under the Financing Documents in connection with any such replacement including to provide such legal opinions and other documents as may be required under such Financing Documents.

6.2.3 Other Aircraft. An Engine or Part may be installed on an aircraft which Sublessee owns or leases, which is insured to Sublessor's satisfaction, if:

(a) no Event of Default has occurred and is continuing;

(b) Sublessee has operational control over the aircraft;

(c) Head Lessor keeps the ownership of the Engine or Part concerned (and any interest of any Financing Parties in such Engine or Part remains unaffected) until replaced in accordance with Section 6.2.2;

(d) the Engine or Part does not become subject to a Lien (except a Permitted Lien) and the applicable airframe is not subject to any Lien except a Permitted Lien or a lease or Lien described in Section 6.2.1 above, and in case of an Engine, the Sublessor has received the recognition of rights agreement provided for in Section 6.2.1; and

(e) the Engine or Part is replaced in accordance with Section 6.2.2 and is removed from the aircraft as soon as practicable under Sublessee's engine rotation program but not later than the Expiration Date;

6.2.4 Temporary Replacement: Sublessee may install any engine or part on the Aircraft as a temporary replacement if:

(a) no Event of Default has occurred and is continuing;

(b) in the case of a temporary engine, such engine is of the same manufacturer and is otherwise suitable for installation and use on the Airframe without impairing the utility of the Airframe and is compatible with the remaining installed Engine(s);

(c) in the case of a temporary part, such part must be Manufacturer approved (except as set forth in Section 6.3), be in good operating condition, be of the same (or better) utility, must not have been involved in an incident or accident, must not have been installed on an aircraft registered on a military aircraft register and be of the same or a more advanced Manufacturer configuration status, make and model as the Part that it is replacing on a temporary basis;

(d) either (x) there is not available an engine or part complying with the requirements of the Sublease for a Replacement Engine or Part; or (y)it would result in an unreasonable disruption of the operation of the Aircraft or the business of Sublessee to have the Aircraft grounded until such time as an engine or part complying with the requirements of the Sublease for a Replacement Engine or Part becomes available for installation;

(e) as soon as practicable (under Sublessee's engine rotation program in the case of an engine) after an engine or part is installed on the Aircraft, but before the earlier of [***] days after such temporary replacement or the Expiration Date, Sublessee removes that engine or part and replaces it with the original Engine or Part (or by an engine or part which is allowed by Section 6.2.2); and

(f) the Insurance for the Aircraft is not adversely affected.

6.2.5 Pooling/Interchange: Sublessee shall not subject any Engine to any pooling, interchange, lease or similar arrangement unless Sublessee obtains Sublessor's prior written consent thereto, which consent shall not be unreasonably withheld.

6.2.6 Title to Removed Engines or Parts. Any Engine or Part at any time removed from the Aircraft will remain the property of Head Lessor (and subject to the interest of any Financing Party) unless and until a replacement has been effected in accordance with Section 6.2.1, and title to that Replacement Engine or Part has been transferred to Head Lessor subject to the Head Lease and Sublease (and any Financing Documents), free from all Liens (other than a Permitted Lien and the lien of any Financing Party), whereupon title to the replaced Engine or Part will, provided no Event of Default has occurred and is continuing, be transferred to Sublessee, in accordance with Section 6.2.1.

6.3 Pooling of Parts. Any Part removed from the Aircraft as provided in Section 7 may be subjected by Sublessee to normal interchange or pooling agreements or arrangements customary in the airline industry and entered into by Sublessee with other licensed air carriers or aviation parts suppliers in the ordinary course of its business, except that the part permanently replacing such removed Part will be incorporated or installed in or attached to the Aircraft in accordance with Section 7 promptly upon the removal of such removed Part. In addition, any replacement part, when incorporated or installed in or attached to the Aircraft in accordance with

Section 7, may be owned by another such air carrier or aviation parts supplier subject to such pooling arrangement, except that the Part so removed remains the property of Head Lessor and subject to this Agreement and that Sublessee, at its expense, promptly thereafter either (a) causes title to such replacement part to vest in Head Lessor free and clear of Liens other than Permitted Liens, in accordance with Section 7; or (b) replaces such replacement part by incorporating, installing, or attaching to the Aircraft a further replacement part owned by Sublessee free and clear of all Liens other than Permitted Liens, and causes title to such further replacement part to vest in Head Lessor and causes such replacement part to become subject to this Agreement.

6.4 [Reserved]

6.5 Commercial Operations. Sublessee will not use or permit the Aircraft to be operated except: (a) in commercial operation for which Sublessee is duly authorized by the Laws of the Governmental Entity having jurisdiction(s) to whose Laws the operation of the Aircraft is subject; and (b) flights that are ancillary to the commercial flights referenced in Section 6.5, including ferry and maintenance flights and such flights required for the aircrew to maintain their currency.

6.6 Lawful and Safe Operations. Sublessee will operate the Aircraft for commercial purposes from the Delivery Date until the Return from a base within the Habitual Base, provided always that Sublessee must not use or operate the Aircraft or suffer or permit the Aircraft to be used or operated:

6.6.1 in violation of any applicable Regulations or in a manner causing Sublessor, Head Lessor, Owner Participant, any Financing Party or [***] to be in violation of any applicable Regulations; provided that an Event of Default shall not be deemed to occur under this sentence for any isolated extraordinary emergency event beyond Sublessee's control that Sublessee is diligently trying to rectify, which does not involve any risk of criminal liability or any material risk of sale, forfeiture or loss of the Aircraft, and Sublessee causes the Aircraft to be removed from the sphere of influence of such event and for Sublessee to be in compliance with this Section as soon as practicable;

6.6.2 for any purpose for which the Aircraft was not designed or which is illegal;

6.6.3 to carry potentially dangerous cargo on the Aircraft unless handled and carried per ICAO's Technical Instructions for the Safe Transportation of Dangerous Good by Air to the extent applicable to an operator located in the same jurisdiction as Sublessee;

6.6.4 in any circumstances or place where the Aircraft is not covered by insurance required by Section 11; provided that the failure of Sublessee to comply with this sentence shall not constitute an Event of Default unless such failure shall continue for in excess of [***] days where such failure is attributable to a hijacking, medical or weather emergency, equipment malfunction navigational error or other isolated extraordinary event beyond Sublessee's control so long as Sublessee is diligently proceeding to rectify such failure as soon as practicable during such [***] day period; or

6.6.5 for purposes of training, qualifying or re-confirming the status of cockpit personnel except for the benefit of Sublessee's cockpit personnel, and then only if the use of the Aircraft for such purpose is not disproportionate to the use for such purpose of other aircraft of the same type operated by Sublessee.

AS BETWEEN SUBLESSEE AND THE INDEMNITEES, SUBLESSEE ACKNOWLEDGES AND AGREES THAT SUBLESSEE IS SOLELY RESPONSIBLE FOR THE DETERMINATION AND IMPLEMENTATION OF ALL SECURITY MEASURES AND SYSTEMS NECESSARY OR APPROPRIATE FOR THE PROPER PROTECTION OF THE AIRCRAFT AND SUBLESSOR AND THE INDEMNITEES SHALL HAVE ABSOLUTELY NO RESPONSIBILITY THEREFOR.

6.7 Maintenance. Sublessee will maintain, overhaul and repair the Aircraft, so that:

6.7.1 the Aircraft is kept in as good operating condition and repair as the condition of the Aircraft at Delivery and after giving effect to any post-Delivery modifications, repairs or maintenance paid for or otherwise provided by or on behalf of Sublessor;

6.7.2 Sublessee has a current certificate of airworthiness (issued by the Aviation Authority in the appropriate public transport category) for the Aircraft;

6.7.3 the Aircraft complies with all applicable Laws and Regulations and the standards stipulated by FAR Part 121 and in a manner to maintain all warranty and service life policies and the requirements of all ADs and all service bulletins designated as "mandatory," which are required to be carried out before the Return Date or within the AD Compliance Period;

6.7.4 all maintenance is carried out according to the Maintenance Program and shall be performed, and the Aircraft shall be maintained, overhauled and repaired, in at least the same manner and with at least the same care, including maintenance scheduling, modification status and technical condition, as is the case with respect to similar aircraft owned or otherwise operated by Sublessee. No change shall be made to the Maintenance Program without first giving reasonable written notice to Sublessor of such change; and

6.7.5 all repairs and Parts associated with such repairs must meet the applicable Manufacturer standard and specifications (approved or recommended by the Manufacturer, as the case may be); provided, however, that non-Manufacturer parts may be used in the repair of airframe furnishings, including cargo loading systems. Whether non-Manufacturer parts will be acceptable in connection with an Equipment Change will be determined pursuant to Section 6.6.2.

6.8 Net Lease. The Sublease is a net lease. Sublessee's obligation to pay Basic Rent and to perform all of its other obligations under the Sublease is absolute and unconditional no matter what happens and no matter how fundamental or unforeseen the event, including any of the following:

(a) any right of set-off, counterclaim, recoupment, defense or other right which either party to the Sublease may have against the other (including any right of reimbursement) or which Sublessee may have against any Manufacturer, any manufacturer or seller of or any Person providing services with respect to the Aircraft, any Engine or any Part or any other Person, for any reason whatsoever;

(b) any unavailability of the Aircraft following the Delivery Date for any reason, including a requisition of the Aircraft or any prohibition or interruption of or interference with or other restriction against Sublessee's use, operation or possession of the Aircraft (whether or not the same would, but for this provision, result in the termination of the Sublease by operation of Law);

(c) any lack or invalidity of title or any other defect in title, airworthiness, merchantability, fitness for any purpose, condition, design, or operation of any kind or nature of the Aircraft for any particular use or trade, or for registration or documentation under the Laws of any relevant jurisdiction, or any Total Loss in respect of or any damage to the Aircraft;

(d) any insolvency, bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, liquidation or similar proceedings by or against Head Lessor, Sublessor, Sublessee or any other Person;

(e) any invalidity or unenforceability or lack of due authorization of, or other defect in, the Head Lease or the Sublease;

(f) any Liens or Taxes; and/or

(g) any other cause or circumstance which but for this provision would or might otherwise have the effect of terminating or in any way affecting any obligation of Sublessee under the Sublease. Sublessee acknowledges and agrees that it has inspected and accepted the Aircraft, and that Sublessor is not a manufacturer of or dealer in aircraft and that Sublessor has all of the rights and benefits of a lessor under a lease to which Section 2A-407 of the Uniform Commercial Code of the State of New York applies as provided in such Section 2A-407.

Except as expressly set forth elsewhere in the Sublease, Sublessee hereby waives, to the extent permitted by applicable Law, any and all right which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, abate, cancel, quit, reduce, defer, suspend or surrender the Sublease or the Aircraft or any obligation imposed upon Sublessee under the Sublease (including payment of Basic Rent).

Each payment of Basic Rent made by Sublessee shall be final. Sublessee will not seek to recover all or any part of any payment of Basic Rent for any reason whatsoever except manifest error.

If for any reason whatsoever the Sublease shall be terminated in whole or in part by operation of Law, except as specifically provided in the Sublease, Sublessor waives all rights (if any) to demand return and surrender of the Aircraft and Sublessee waives all rights (if any) to any termination or diminution in its Basic Rent obligations under the Sublease and nonetheless agrees to pay to Sublessor, an amount equal to each Basic Rent payment at the time such payments would have become due and payable in accordance with the terms of the Sublease had the Sublease not been

terminated in whole or in part and so long as such payments are made and all other terms and conditions of the Sublease are complied with by Sublessee, Sublessor and Sublessee will deem the Sublease to remain in full force and effect and Sublessee shall continue in possession of the Aircraft and Sublessor and Sublessee will continue to have the same rights and obligations under the terms and conditions of the Sublease.

6.9 Risk of Loss or Damage. SUBLESSEE WILL BE RESPONSIBLE FOR ALL RISKS ASSOCIATED WITH (I) THE USE AND OPERATION OF THE AIRCRAFT AND (II) ANY LOSS OF OR DAMAGE TO THE AIRCRAFT FROM THE DELIVERY DATE UNTIL POSSESSION OF THE AIRCRAFT IS RETURNED TO SUBLESSOR ON RETURN AND SUBLESSOR EXECUTES AND DELIVERS THE ACKNOWLEDGEMENT CONTEMPLATED BY SECTION 16.4. If the Aircraft is requisitioned by any Governmental Entity during the Term, then, unless and until the Aircraft becomes a Total Loss: (a) the Term will continue, and Sublessee will continue to fulfill all its obligations under this Agreement; and (b) Subject to Section 19, Sublessee will, during the Term, be entitled to all requisition hire paid to Sublessor or to Sublessee on account of such requisition. The parties agree that Sublessor is not obligated under this Sublease to supply a substitute aircraft, engine or part if the Aircraft, the Airframe, any Engine or any Part suffers a Total Loss or is otherwise damaged, rendered unfit for use, grounded, hijacked, confiscated, seized, requisitioned, restrained or appropriated, including at any time during which the ATSA is in effect with respect to the Aircraft. The ATSA will control with respect to Sublessor's ultimate responsibility (including through one of Sublessor's Affiliates), if any, in connection with any such event.

6.10 Subordination. This Sublease is subject and subordinate to the Head Lease in all respects, and the rights of the Sublessee hereunder are subject and subordinated in all respects to the rights of the Head Lessor, the Owner Participant and the Financing Parties. Prior to Delivery, Sublessee agrees and confirms that its rights to possession of the Aircraft will terminate immediately upon the termination or cancellation of the Head Lease, and that it will redeliver the Aircraft to Head Lessor upon notification from Head Lessor that an Event of Default under the Head Lease has occurred and is continuing, and that Head Lessor has, as a result thereof, terminated or cancelled Sublessor's right to possession of the Aircraft under the Head Lease. Head Lessor, Owner Participant and any Financing Party will be a third-party beneficiary of this Section 6.10.

6.11 Notwithstanding any of the provisions of this Article 6, nothing in this Sublease will act to shift from Sublessor to Sublessee, or vice versa, any of the financial obligations relating to maintenance obligations assumed by Sublessor and Sublessee, respectively, under the ATSA.

7. **Maintenance and Modifications.**

7.1 Maintenance of the Aircraft; ADs.

7.1.1 General. From and after the Delivery and until the Return Date, except as otherwise set forth in this Agreement (or, with respect to expense, the ATSA), Sublessee, will service, repair, maintain, overhaul, check or cause the same to be done to the Aircraft, by an Authorized Maintenance Provider in accordance with the Maintenance Program and in such operating condition as may be necessary to enable the airworthiness certification

of the Aircraft to be maintained in good standing at all times pursuant to the requirements of the applicable Aviation Authority. The cost and expense of any such work will be for Sublessee to the extent the responsibility for such expense is not allocated to Sublessor under the ATSA.

7.1.2 AD Compliance. From and after the Delivery and until the Return Date, Sublessee will ensure that the Aircraft complies with all applicable Regulations and the standards stipulated by FAR Part 121 and in a manner to maintain all warranty and service life policies, and Sublessee will also ensure that, at Sublessor's cost, the Aircraft complies with the requirements of all ADs and all service bulletins designated by the state of design or State of registry as "mandatory," which are required to be carried out from and after the Delivery and until the Return Date or within the AD Compliance Period. The cost and expense of any such compliance will be for Sublessee to the extent the responsibility for such expense is not allocated to Sublessor under the ATSA.

7.2 Maintenance of the Aircraft Documents.

7.2.1 From the Delivery until the Return Date, Sublessee, at its own expense, will maintain and update (or will cause to be maintained and updated), in the English language, all Aircraft Documents created from and after the Delivery Date as required by applicable Laws and by the Regulations of the applicable Aviation Authority. Sublessee will at all times cause the Aircraft Documents to be stored at a location disclosed to and reasonably acceptable to Sublessor and shall provide access to them to the Sublessor (such access to be provided online to the extent applicable). Sublessee acknowledges and agrees that the Aircraft Documents, including all additions, supplements and replacements thereto or thereof constitute part of the Aircraft, are leased to Sublessee hereunder and are the sole and exclusive property of the Head Lessor.

7.2.2 When incorporating ADs, service bulletins, modifications, repairs, or any other engineering changes to the Aircraft, Sublessee will revise (or cause to be revised) the customized documentation for the Aircraft in order to incorporate and reflect such ADs, service bulletins, modifications, or repairs, as applicable. These changes may be incorporated by methods such as external supplements, or other means acceptable to the applicable Aviation Authority for operational purposes.

7.3 Authorized Maintenance Provider. All maintenance on the Airframe, Engines and Parts will be performed by an Authorized Maintenance Provider.

7.4 Equipment Changes.

7.4.1 Sublessee will not make any modification or addition to the Aircraft (each an "Equipment Change"), except for an Equipment Change which:

(a) is expressly permitted or required by the Sublease; or

(b) (A) has the prior written approval of Sublessor (which shall not be unreasonably withheld) if it is a "major change" (as defined in the FAR) and (B) in all events does not diminish the condition, utility, airworthiness or value of the Aircraft.

7.4.2 So long as no Event of Default has occurred and is continuing, Sublessee may, subject to any applicable Regulations, remove or reverse any Equipment Change provided that the Equipment Change is not required pursuant to the terms of the Sublease or to maintain the insurance required by Section 11 and removal or reversal does not diminish the value, utility, airworthiness or condition of the Aircraft assuming that such Equipment Change was not made and that the Aircraft is maintained in accordance with the Sublease. Furthermore, Sublessor may require (at Sublessor's expense) Sublessee to remove or reverse any Equipment Change prior to Return so that, on the Expiration Date the Aircraft is restored to the condition it was in prior to that Equipment Change. Any Equipment Change not so removed or reversed becomes the property of Head Lessor at the Expiration Date.

7.4.3 Title on an Equipment Change. Title to any equipment that is installed on the Airframe shall, except in the case of an engine or a temporary replacement of a Part in accordance with Section 6.2.4, vest in Head Lessor solely by virtue of its attachment to the Airframe or an Engine and it shall then be subject to the Head Lease, the Sublease and, if applicable, the Financing Documents, as if it were attached to the Aircraft at Delivery. In the case of any replacement of an Engine, and otherwise if so requested by Sublessor, Sublessee will provide a properly executed bill of sale or similar instrument to evidence the vesting of good and marketable title, free and clear of any Lien (except Permitted Liens), to any such Replacement Engine or other equipment in Sublessor and all documents required under the Financing Documents and will take such steps as Sublessor may request to record and perfect such interests. After Sublessor has determined that Sublessee has permanently replaced an Engine in accordance with Section 6.2.2 and this Section 7.4.3, Sublessor will, without recourse or warranty (except as to the absence of Sublessor's Liens), transfer to Sublessee all of Sublessor's rights to the engine that has been replaced, on an AS IS, WHERE IS basis, and will at Sublessee's expense provide a bill of sale or similar instrument as Sublessee may reasonably request to evidence such transfer. The parties will execute, deliver and file as appropriate amendments and supplements to the Sublease and Financing Documents required to evidence any replacement of an Engine and, where the Cape Town Convention applies, cooperate with the prompt registration of the transfer of titles at the International Registry. Sublessee shall indemnify Head Lessor, Sublessor, Owner Participant and each other Tax Indemnitee for all fees, expenses and Taxes incurred by Head Lessor, Sublessor, Owner Participant or any other Tax Indemnitee in connection with any such transfer.

7.5 Summary of Flight Hours, Cycles; Technical Information.

7.5.1 Sublessee, at its own expense, will, within [***] Business Days after the end of each calendar month of the Term and on the Return, provide (or cause to be provided) to Sublessor written summaries (the "Written Summaries") of the Flight Hours and Cycles accrued on the Airframe and Engines occurring during the previous calendar month, in the form reasonably required by Sublessor.

7.5.2 Sublessee will give Sublessor not less than [***] days' prior written notice of the anticipated time and location of all partial or complete Major Checks or scheduled Engine shop visits.

7.5.3 provide Sublessor with such other information concerning the location, condition, use and operation of the Aircraft as Sublessor may from time to time reasonably request;

7.5.4 promptly notify Sublessor of the removal of any Engine from the Airframe for a period of more than one week or for the purpose of Engine Refurbishment;

7.5.5 All information furnished by Sublessee to Sublessor concerning monetary amounts (whether in the Written Summaries or otherwise) will be denominated in Dollars.

7.6 Access; Inspections.

7.6.1 Sublessee will permit Head Lessor's, Sublessor's, Owner Participant's and the Financing Parties' representatives access to the Aircraft at any reasonable time. Unless a Default has occurred and is continuing, any such Person will give Sublessee at least [***] days' prior notice and will seek to ensure that it does not result in an unreasonable disruption to the scheduled operation of the Aircraft. Sublessee shall comply with the reasonable requests of Head Lessor's, Sublessor's, Owner Participant's and the Financing Parties' representative. Such inspection may include the opening of panels or bays so long as they can be opened without the removal of bolts.

7.6.2 As between the requesting party and the Sublessee, the cost of conducting a visit shall be borne by the requesting party, unless an Event of Default has occurred and is continuing, in which case such cost shall be borne by Sublessee.

7.6.3 No liability or obligation will be incurred by Head Lessor, Sublessor, Owner Participant, Financing Parties' Representative or the Financing Parties, as the case may be, by reason of non-exercise by any of them of the rights referred to in this Section 7.6.3. Any inspection of the Aircraft or an Engine by Head Lessor, Sublessor, Owner Participant, Financing Parties' Representative or the Financing Parties, as the case may be, shall be for such Person's benefit only, and there shall be no inference or implication therefrom that Sublessee is complying with its obligations under the Sublease, and a failure by Sublessor, Owner Participant, Financing Parties' Representative or the Financing Parties, as the case may be, to notify Sublessee of any non-compliance of its obligations that may be observed during any such inspection shall not constitute a waiver of any Default or Event of Default arising from such non-compliance.

7.6.4 Sublessor agrees to exercise its right to inspect the Aircraft no more frequently than once per year, excluding inspections related to any (i) Default; (ii) potential transfer under Section 12.2; (iii) damage to the Aircraft or (iv) maintenance work which is likely to be the subject of a claim for a Sublessor cost contribution.

7.6.5 Sublessee will reasonably assist any person designated by Sublessor to conduct any inspection pursuant to this Section 7.6. Sublessor or any person entitled to do so pursuant to this Section 7.6 will not incur any liability or obligation by reason of not making an inspection and no failure by Sublessor to make such inspection will lessen any obligation of Sublessee under this Agreement, including Sublessee's obligations under this Section 7. In addition, Sublessee will permit one of Sublessor's technical representatives to be present at any heavy maintenance being conducted on the Aircraft or Engines, subject to compliance with the applicable maintenance facility's security requirements and provided such presence does not interfere with or delay the performance and completion of such maintenance.

7.6.6 Records. Sublessee will keep all Aircraft Documents in a manner that meets the requirements of applicable Laws (including FAR 91.417) and the Maintenance Program, and Sublessee shall provide access to them to Sublessor (such access can be online to the extent applicable). Sublessee acknowledges and agrees that the Aircraft Documents, including all additions, supplements and replacements thereto or thereof constitute part of the Aircraft, are leased to Sublessee hereunder and are the sole and exclusive property of the Head Lessor.

7.6.7 Sublessor Not Obligated. Except as otherwise expressly provided in this Agreement or in the ATSA, Sublessor will have no obligation whatsoever under this Sublease to service, repair, maintain, check, or cause the same to be done to the Aircraft, or to keep the Aircraft in an airworthy condition after the Delivery and until the Return Date.

8. **Taxes.**

8.1 General:

8.1.1 Except as provided in Section 8.3, Sublessee will on demand pay and indemnify each Tax Indemnitee against any and all Taxes levied or imposed against or upon or payable by such Tax Indemnitee or Sublessee and arising from, with respect to or in connection with the transactions pursuant to the Sublease, including all Taxes relating or attributable to Sublessee, the Sublease or the Aircraft, directly or indirectly, in connection with the importation, exportation, registration, ownership (but only to the extent relating to or attributable to or arising as a result of the possession, operation, use or maintenance of the Aircraft by Sublessee), leasing, sub-leasing, purchase, delivery, possession, use, operation, repair, maintenance, modification, overhaul, transportation, landing, storage, presence, sale or other transfer or redelivery of the Aircraft or any part thereof or any rent, receipts, insurance proceeds, income, indemnification payment or other amounts arising therefrom, or the making of any Equipment Change or the permanent replacement of any Engine, except to the extent that such Taxes are Sublessor Taxes, (collectively, "Sublessee Taxes").

8.1.2 All Taxes indemnified pursuant to this Section 8.1 shall be paid by Sublessee directly to the appropriate taxing authority (to the extent permitted by applicable Law) at or before the time prescribed by applicable Law or if not so permitted, to the applicable Tax Indemnitee. After any payment by Sublessee of any Tax directly to a taxing authority, Sublessee shall furnish to Sublessor, on request, a copy of a receipt for

Sublessee's payment of such Tax (certified by a responsible officer of Sublessee) or if such receipt is not available, such other evidence of payment of such Tax as is reasonably obtainable by Sublessee and reasonably acceptable to Sublessor, which evidence may be provided by certification of such payment by a responsible officer of Sublessee.

8.1.3 Any amount payable by Sublessee to a Tax Indemnitee pursuant to this Section 8 shall be paid within [***] days after receipt of a written demand therefore from the relevant Tax Indemnitee accompanied by a written statement describing in reasonable detail the basis for such indemnity and the computation of the amount so payable, provided that if an amount of any indemnified Tax is being contested in accordance with Section 8.4 and Sublessee shall have duly performed (and shall continue to perform) all its obligations under Section 8.4 with respect to such contest, then payment of the indemnity with respect to such Tax under this Section 8.1 shall, at Sublessee's election, be deferred until the date the contest has been completed.

8.2 Sales and Use Taxes:

8.2.1 Without limiting Section 8.1 above, Sublessee shall pay to Sublessor (or, if permitted by applicable Law and if requested by Sublessor, Sublessee shall pay to the relevant tax authority for the account of Sublessor):

(a) all sales, use, rental, value added, turnover, goods and services and similar taxes except to the extent that such Taxes are Sublessor Taxes ("Sales Taxes") required to be paid to the applicable tax authority of the relevant jurisdiction in which the Delivery Location and/or the Habitual Base is located and/or the state of incorporation of the Head Lessor, with respect to the lease of the Aircraft to Sublessee pursuant to the Sublease unless Sublessee delivers to Sublessor on or prior to the Delivery Date such exemption certificate or other document as may be required by applicable Law to evidence Sublessor's entitlement to exemption from all Sales Taxes imposed by each such jurisdiction with respect to the lease of the Aircraft pursuant to the Sublease; and

(b) all Sales Taxes required to be paid to the tax authority of any jurisdiction in which the Aircraft may be used, operated or otherwise located from time to time except to the extent Sublessee is exempt from Sales Taxes and delivers to Sublessor such exemption certificates or other documents as may be required by applicable Law to evidence Sublessee's entitlement to exemption from all Sales Taxes imposed by such jurisdiction with respect to the lease of the Aircraft pursuant to the Sublease.

(c) Sublessee will cooperate with Sublessor in connection with the preparation and filing of any exemption application or similar document that is reasonably necessary or desirable under applicable Law to avoid the imposition of any Sales Taxes with respect to the transactions contemplated by the Sublease;

(d) The specific obligations with respect to sales and use taxes set forth in this Section 8.2 are in addition to, and are not in substitution for, Sublessee's obligation to indemnify for sales and use taxes pursuant to Section 8.

8.3 Sublessor Taxes. Sublessee is not required to indemnify Sublessor or Owner Participant under Section 8.1 or 8.2 to the extent that the Tax arises because of:

8.3.1 the fraud, bad faith, willful misconduct or gross negligence of any Tax Indemnitee;

8.3.2 a Sublessor's Lien;

8.3.3 a Tax liability imposed on or payable by any Tax Indemnitee has which would have arisen even if the Sublease had not been entered into;

8.3.4 a Tax liability charged on any Tax Indemnitee's net income, profits or gains by any Governmental Entity in the United States or any jurisdiction where any Tax Indemnitee is resident for Tax purposes; but excluding any Tax that is a Sales Tax or that is imposed by any government or taxing authority of any jurisdiction if and to the extent that such Tax results from (x) the use, operation, presence, registration or location of the Aircraft, the Airframe, any Engine or any Part in the jurisdiction imposing the Tax, or (y) the situs of organization, any place of business or any activity of Sublessee or any other Person not related to such Tax Indemnitee having use, possession or custody of the Aircraft, the Airframe, any Engine or any Part in the jurisdiction imposing the Tax;

8.3.5 a Tax liability charged with respect to the period, or an event occurring, (x) prior to the Delivery Date (except where the Aircraft has been purchased from Sublessee (or an Affiliate of Sublessee) and is to be leased back to Sublessee under the Sublease) or (y) after the Expiration Date unless such Tax is attributable to any act, omission, event or circumstance which occurred during the Term and would not have constituted a Sublessor Tax had it arisen during the Term;

8.3.6 a Tax liability imposed as a result of any connection between any Tax Indemnitee and the jurisdiction imposing the Tax that is unrelated to the transactions contemplated by the Sublease or the use or operation of the Aircraft by Sublessee or any other Person not related to such Tax Indemnitee, or the location or registration of the Aircraft by Sublessee or any other Person not related to such Tax Indemnitee and for which the jurisdictional connection necessary for the imposition of the Tax would have existed even if the transactions contemplated by the Sublease had not been entered into;

8.3.7 a Tax liability imposed in connection with the voluntary sale, transfer, assignment (whether legal or equitable) or other disposition (including an involuntary disposition pursuant to a bankruptcy or similar proceeding involving such Tax Indemnitee) by any Tax Indemnitee or any or all of its rights, title and interest in or with respect to the Aircraft, the Airframe, any Engine or any Part, the Sublease or any other Operative Document, except in connection with or resulting from an Event of Default or Total Loss;

8.3.8 a Tax liability imposed on such Tax Indemnitee due to the failure of any Tax Indemnitee to file any relevant tax return or tax computation that such Tax Indemnitee was obliged to file by the applicable Law in its jurisdiction of incorporation unless relating to a Tax otherwise indemnified pursuant to this Section 8.3 and imposed as a result of Sublessee's breach of Section 8.4.4;

8.3.9 a change by any Tax Indemnitee of its principal place of business, participating office, jurisdiction of organization or tax residence;

8.3.10 a Tax liability imposed on or payable by any Tax Indemnitee that would not have been imposed or payable but for the existence of any loan or financing provided by the Financing Parties and any security documents entered into in connection therewith except Taxes imposed as a result of (A) the fraud, bad faith, gross negligence or willful misconduct of Sublessee or any other user of the Aircraft, or (B) a breach by Sublessee of any of its representations, warranties or covenants under the Sublease; or

8.3.11 is a Tax for which Sublessor or any other Tax Indemnitee has expressly agreed to be responsible under any other Operative Document.

(collectively "Sublessor Taxes").

8.4 Tax Contest.

8.4.1 If any Tax Indemnitee receives a written claim for any Tax for which Sublessee would be required to pay an indemnity pursuant to Section 8.1 or 8.2, such Tax Indemnitee shall notify Sublessee promptly of such claim, provided that any failure to provide such notice will not relieve Sublessee of any indemnification obligation pursuant to Section 8.1 or 8.2. If requested by Sublessee in writing within [***] days after receipt of such notice, the Tax Indemnitee shall, upon receipt of indemnity satisfactory to it and an opinion of independent tax counsel selected by the Tax Indemnitee and reasonably satisfactory to Sublessee, that a reasonable basis exists for such contest, and at the expense of Sublessee (including all costs, expenses, legal including tax counsel referred to above and accountants' fees and disbursements, and penalties, interest and additions to tax incurred in contesting such claim) in good faith contest or (if permitted by applicable Law and the contest does not relate to income Taxes) permit Sublessee to contest such claim by (i) resisting payment thereof if practicable and appropriate, (ii) not paying the same except under protest if protest is necessary and proper, or (iii) if payment is made, using reasonable efforts to obtain a refund of such Taxes in appropriate administrative and judicial proceedings. A Tax Indemnitee shall determine the method of any contest conducted by it and (in good faith consultation with Sublessee) control the conduct thereof. Sublessee shall determine the method of any contest conducted by Sublessee and (in good faith consultation with a Tax Indemnitee) control the conduct thereof. Sublessee shall pay in full all payments of Basic Rent and other amounts payable pursuant to the Sublease, without reduction for or on account of any Tax, while such contest is continuing. A Tax Indemnitee shall not be required to contest, or to continue to contest, a claim for Taxes under this Section 8.4 if (w) in the case of a contest related to income Taxes, the amount of Taxes at issue is less than $[***], or (x) such contest would (or could reasonably be

expected to) result in a risk of criminal penalties or a material risk of a sale, forfeiture or loss of, or the imposition of a Lien (other than a Permitted Lien) on, the Aircraft, or (y) Sublessee shall not have furnished, at Sublessee's expense, the opinion of independent tax counsel referred to above, or (z) a Default or an Event of Default shall be continuing. If a Tax Indemnitee contests any claim for Taxes by making a payment and seeking a refund thereof, then Sublessee shall advance to such Tax Indemnitee, on an interest-free basis, an amount equal to the Taxes to be paid by the Tax Indemnitee in connection with the contest and shall indemnify the Tax Indemnitee on an after-Tax basis for any material adverse tax consequences to the Tax Indemnitee of such interest-free advance. Upon the final determination of any contest pursuant to this Section 8.4 in respect of any Taxes for which Sublessee shall have made an advance to a Tax Indemnitee in accordance with the immediately preceding sentence, the amount of Sublessee's obligation shall be determined as if such advance had not been made; and any indemnity obligation of Sublessee to the Tax Indemnitee under this Section 8.4 and the Tax Indemnitee's obligation to repay the advance will be satisfied first by setoff against each other, and any difference owing by either party shall be paid within [***] days after such final determination.

8.4.2 Each Tax Indemnitee agrees that it shall, as soon as reasonably practicable after it becomes aware of any circumstances which shall, or could reasonably be expected to, become the subject of a claim for indemnification by such Tax Indemnitee pursuant to Section 8.1 or 8.2 or require Sublessee to indemnify or pay an amount under Section 8.9 or make an increased payment pursuant to Section 5.6, notify Sublessee in writing accordingly, provided that a failure to so notify will not diminish, or relieve Sublessee of, any obligations hereunder or diminish the rights of the Tax Indemnitee. Similarly, Sublessee shall, as soon as reasonably practicable after it becomes aware of any circumstances which shall, or would reasonably be expected to, result in a claim for indemnification under Sections 8.1 or 8.2 or require Sublessee to indemnify or pay an amount under or Section 8.9 or make an increased payment pursuant to Section 8.8, notify Sublessor in writing accordingly. Provided no Event of Default is then continuing, Sublessor and Sublessee shall then consult with one another in good faith, for a period of up to [***] days in order to determine what action (if any) may reasonably be taken to mitigate or avoid the incidence of the relevant Taxes (and Sublessee shall pay Sublessor's reasonable and documented out of pocket expenses (including legal fees) in relation to any such consultations). Sublessor shall then take such steps as it agreed during such consultation to take for that purpose, provided always that (A) it is fully indemnified by Sublessee to Sublessor's satisfaction (acting reasonably) for so doing, (B) it shall not be required to take, or omit to take, any action, if the effect of such action or omission would reasonably be expected to adversely affect Sublessor or would be contrary to applicable Law, (C) Sublessor shall not be responsible for or obliged to achieve any particular result from the taking of such steps and (D) nothing in this Section 8.4.2 shall require Sublessor to disclose or interfere with its tax affairs.

8.4.3 If any Tax Indemnitee obtains a refund or reimbursement of all or any part of any Taxes for which a full indemnity was paid by Sublessee, the Tax Indemnitee shall pay Sublessee the amount of such refund or reimbursement, reduced by any Taxes imposed on it on receipt or accrual of such refund or reimbursement and increased by any Taxes saved by it by reason of the deductibility of such payment by such Tax Indemnitee. If, in

addition to such refund or reimbursement, a Tax Indemnitee receives an amount of interest on such refund or reimbursement, the Tax Indemnitee shall pay to Sublessee the portion of such interest which is fairly attributable to such refund, reduced by any Taxes imposed on the Tax Indemnitee on receipt or accrual of such interest and increased by any Taxes saved by reason of the deductibility of such payment by the Tax Indemnitee. A Tax Indemnitee shall not be required to make any payment to Sublessee pursuant to this Section 8.4 if, and for so long as, a Default or an Event of Default shall have occurred and be continuing. So long as a Default or an Event of Default shall not have occurred and be continuing, Sublessee shall be entitled set off any such amount owed by Sublessor to Sublessee against any amounts then owed by Sublessee to Sublessor. A Tax Indemnitee shall, following the cure by Sublessee or waiver by Sublessor in writing of any Default or Event of Default that was continuing when the Sublessor was otherwise obligated to make a payment to Sublessee pursuant to this Section 8.4, such payment shall be made to Sublessee or Sublessee shall be entitled to set off any such amount owed to it by Sublessor.

8.4.4 Any Tax Indemnitee in its sole discretion (by written notice to Sublessee) may waive its rights to indemnification pursuant to Section 8.1 or 8.2 with respect to any claim for any Tax and may refrain from contesting or continuing the contest of such claim, in which event Sublessee shall have no obligation to indemnify such Tax Indemnitee for the Taxes that are the subject of such claim. If any Tax Indemnitee agrees to a settlement of any contest conducted pursuant to this Section 8.4 without the prior written consent of Sublessee, which consent shall not be unreasonably withheld, then such Tax Indemnitee shall be deemed to have waived its rights to the indemnification provided for in Section 8.1 or 8.2 with respect to the Tax liability accepted in such settlement.

8.4.5 Information:

(a) If Sublessee is required by any applicable Law, or by any third party, to deliver any report or return in connection with any Taxes for which Sublessee would be obligated to indemnify a Tax Indemnitee under the Lease, Sublessee will complete the same and, on request, supply a copy of the report or return to Sublessor.

(b) If any report, return or statement is required to be made by a Tax Indemnitee with respect to any Tax for which there is an indemnity obligation of Sublessee under the Lease, and Sublessee knows of, or reasonably should have known of, such return, report or statement, Sublessee will promptly notify Sublessor of the requirement and:

(i) if permitted by applicable Law, make and timely file such report, return or statement (except for any report, return or statement that Sublessor has notified Sublessee that a Tax Indemnitee intends to prepare and file), prepare such return in such manner as will show Sublessor as sublessor of the Aircraft and the beneficial ownership of the Aircraft in Owner Participant if required or appropriate, and provide Sublessor upon request a copy of each such report, return or statement filed by Sublessee, or

(ii) if Sublessee is not permitted by applicable Law to file any such report, return or statement, Sublessee will prepare and deliver to Sublessor a proposed form of such report, return or statement within a reasonable time prior to the time such report, return or statement is to be filed.

8.4.6 Sublessee will provide such information and documents as Sublessor may reasonably request to enable any Tax Indemnitee to comply with its tax filing, audit and litigation obligations. A Tax Indemnitee will provide such information or documents, at Sublessee's expense, that Sublessee does not otherwise have or that Sublessee may reasonably request and which are necessary to enable Sublessee to comply with its obligations under the Sublease (including Sections 8.1, 8.2 and 8.8 of this Sublease).

8.5 Sublessee's Indemnities Payable on After-Tax Basis; Payments in Respect of Tax Benefits. Sublessee agrees that, with respect to any payment or indemnity to Sublessor under this Section 8, Sublessee's indemnity obligations will include an amount necessary to hold Sublessor harmless from all Sublessee Taxes required to be paid by Sublessor with respect to the receipt or accrual of such payment or indemnity (including any payment by Sublessor of any Sublessee Taxes in respect to any indemnity payments received or receivable under this Section 8). If: (a) any Taxes are required to be deducted or withheld by Sublessee from any amounts due to Sublessor under this Agreement and (b) Sublessee is required to indemnify Sublessor against such Taxes pursuant to this Section 8, then Sublessee will, at the time of paying the amounts due to Sublessor, pay to Sublessor such additional amounts as may be necessary in order that the net amount of such payment, after deduction or withholding for such Taxes, will be equal to the amount Sublessor would have received if such Taxes had not been deducted or withheld.

8.6 Payment of Tax. Any amount payable by Sublessee pursuant to Section 8 will be paid to Sublessor or, if so directed by Sublessor, directly to the relevant taxing authority, within [***] days after receipt by Sublessee of a written demand for same from Sublessor accompanied by a written statement describing in reasonable detail the Taxes that are the subject of and basis for such payment or indemnity, as applicable, and the computation of the amount so payable.

8.7 Tax Exemptions, Rebates, and Credits. Sublessor and Sublessee agree to provide any assistance reasonably requested by the other Party in obtaining tax exemptions, rebates, or credits for any Taxes.

8.8 Withholding and Tax Credit

8.8.1 Withholding. Sublessee shall not deduct any amount from any of its payments under the Sublease, for or on account of any Taxes, unless it is required by Law to do so, in which case Sublessee shall notify Sublessor and shall:

(a) deduct the minimum amount necessary to comply with the Law;

(b) without duplication of clause (iii) below, pay Sublessor an extra amount so that Sublessor receives a net amount on the relevant payment date that is equal to the amount that it would have received if the deduction had not been made. The amount of any such payment to Sublessor shall be made so that Sublessor shall be in no worse position than it would have been if the deduction had not applied in the first place;

(c) pay the Tax to the relevant taxing authority according to the relevant Law; and

(d) where available, provide a receipt from the relevant taxing authority (or if such receipt is not available, such other evidence of withholding and payment of the Tax reasonably acceptable to Sublessor).

8.8.2 Tax Credit. If Sublessor or any Indemnitee, in good faith, determines that it has realized a tax benefit (by way of deduction, credit or otherwise) as a result of any payment for which Sublessee is liable under Section 8.8.1, Sublessor or such Indemnitee shall pay to Sublessee as soon as practicable after the tax benefit has been realized (but not before Sublessee has made all payments and indemnities to Sublessor required under this Section 8.8.2) an amount which will ensure that (after taking account of the payment itself) Sublessor or such Indemnitee is in no better and no worse position than it would have been if the deduction had not applied. Nothing in this Section 8.8.2 shall:

(a) interfere with the right of Sublessor or any Indemnitee to arrange its tax affairs in whatever manner it thinks fit in accordance with applicable Law; or

(b) oblige Sublessor or any Tax Indemnitee to disclose any information relating to its Tax affairs or any Tax computations, except to a nationally recognized public accounting firm, mutually agreed between Sublessor and Sublessee, solely to the extent necessary to demonstrate the calculation of such Tax credit.

8.9 Value Added Tax.

8.9.1 For the purposes of this Section 8.9:

(a) "VAT" means value added tax and any goods and services, sales, use, or turnover tax, imposition or levy of a like nature; and

(b) "supply" includes anything on or in respect of which VAT is chargeable.

8.9.2 Sublessee will pay to Sublessor or the relevant taxing authority (without duplication) and indemnify Sublessor against the amount of any VAT chargeable in respect of any supply for VAT purposes under the Sublease. Sublessee shall provide evidence to Sublessor, if available, in respect of any payment it makes of such VAT, and where evidence of payment from the relevant taxing authority is not available, such evidence may be provided by certification of such payment by a responsible officer of Sublessee. The amount of any such payment to Sublessor shall be made so that Sublessor shall be in no worse position than it would have been if the payment had not made in the first place;

8.9.3 Each amount stated as payable by Sublessee under the Sublease is exclusive of VAT (if any).

9. **Liens.**

9.1 Permitted Liens. During the Term, Sublessee will not create or suffer to exist any Lien upon or against the Aircraft or any of its rights under this Agreement, other than the following ("Permitted Liens"):

9.1.1 any lien for Taxes not assessed or, if assessed, not yet due and payable, or being diligently contested in good faith by appropriate proceedings;

9.1.2 any lien of a repairer, mechanic, hangar-keeper, airport, air navigation authority or other similar lien arising in the ordinary course of business by operation of Law in respect of obligations which are not overdue or are being diligently contested in good faith by appropriate proceedings;

9.1.3 liens or other Liens (other than liens for Taxes) arising out of any judgment or award (i) for [***] days after the entry of such judgment or award, or (ii) during an appeal or review regarding such judgment or award with respect to which there shall have been secured a stay of execution pending such appeal or review;

9.1.4 any Lien arising from the Sublease or "Operative Documents" as defined under the Head Lease;

9.1.5 any Sublessor's Lien; and

9.1.6 the rights of others under any parts pooling arrangements or other arrangements to the extent expressly permitted under Section 6.2;

but only if (in the case of (a), (b) and (c)) (i) adequate reserves have been provided for by Sublessee for the payment of such Taxes, obligations or judgment; and (ii) such proceedings, or the continued existence of the lien, do not give rise to any material risk of the sale, detention, forfeiture or other loss of the Aircraft or any interest therein or of criminal liability or material civil liability on the part of Head Lessor, Sublessor or Owner Participant.

9.2 Other Liens. All Liens excepted above under Section 9.1.1, 9.1.2 and 9.1.3 will be cleared by Sublessee promptly in the ordinary course of business and not later than the Return. If at any time during the Term a Lien (other than a Permitted Lien) will be created or suffered to exist by Sublessee, or be levied upon or asserted against the Aircraft, or if any person or entity should assert any Lien (other than a Permitted Lien) on any right of Sublessee under this Agreement, Sublessee will notify Sublessor, and Sublessee will cause such Lien forthwith to be discharged by bond or otherwise unless Sublessor will have otherwise consented in writing. If Sublessee fails to discharge any Lien (other than Permitted Liens), Sublessor may do so, and Sublessee will pay to Sublessor on demand the amount paid by Sublessor in connection with such discharge, together with Sublessor's losses, costs, and expenses, including reasonable legal fees and expenses. The obligations set forth in this Section 9 will survive the Expiration or Termination of this Agreement.

10. **Indemnification.**

10.1 GENERAL INDEMNITY. EXCEPT AS PROVIDED IN SECTION 10.2 BELOW, SUBLESSEE AGREES TO ASSUME LIABILITY AND PAY FOR AND TO INDEMNIFY EACH OF THE INDEMNITEES AGAINST AND AGREES TO PAY ON DEMAND ANY AND ALL LOSSES WHICH AN INDEMNITEE MAY SUFFER OR INCUR AT ANY TIME, WHETHER DIRECTLY OR INDIRECTLY, ARISING OUT OF, RELATED TO OR IN ANY WAY CONNECTED WITH:

10.1.1 THE OWNERSHIP, MAINTENANCE, REPAIR, POSSESSION, SALE OR OTHER TRANSFER OF OWNERSHIP OR POSSESSION, IMPORT, EXPORT, REGISTRATION, STORAGE, MODIFICATION, LEASING (INCLUDING SUB-LEASING OR WET LEASING), INSURANCE, INSPECTION, TESTING, DESIGN, USE, OPERATION, CONDITION, SECURITY INTERESTS (OTHER THAN SUBLESSOR'S LIENS) OR OTHER MATTERS RELATING TO THE AIRCRAFT, ANY ENGINE OR PART OR THE SUBLEASE (REGARDLESS OF WHETHER IN THE AIR OR ON THE GROUND, AND REGARDLESS OF WHETHER SUCH LOSSES ARE BASED ON STRICT LIABILITY IN TORT, ANY ACT OR OMISSION, INCLUDING THE NEGLIGENCE, OF ANY INDEMNITEE, OR OTHERWISE); OR

10.1.2 ANY BREACH BY SUBLESSEE OF ANY OF ITS OBLIGATIONS UNDER THE SUBLEASE; OR

10.1.3 THE DESIGN, TESTING OR USE OF ANY ARTICLE OR MATERIAL IN THE AIRCRAFT, ANY ENGINE OR ANY PART OR ITS OPERATION, INCLUDING ANY DEFECT IN DESIGN AND REGARDLESS OF WHETHER IT IS DISCOVERABLE, AND ANY INFRINGEMENT OF PATENT, COPYRIGHT, TRADEMARK, DESIGN OR OTHER PROPRIETARY RIGHT CLAIMED BY ANY PERSON OR A BREACH OF ANY OBLIGATION OF CONFIDENTIALITY CLAIMED TO BE OWED TO ANY PERSON.

FOR THE AVOIDANCE OF DOUBT, THE REFERENCE TO "OWNERSHIP" IN SECTION (i) SHALL NOT REQUIRE SUBLESSEE TO INDEMNIFY ANY INDEMNITEE IN RESPECT OF (Y) ANY DEFECT IN HEAD LESSOR'S TITLE TO THE AIRCRAFT OR (Z) ANY DECLINE IN RESIDUAL VALUE OF THE AIRCRAFT IF SUBLESSEE SHALL HAVE FULLY COMPLIED WITH ITS OBLIGATIONS UNDER THE SUBLEASE.

10.2 Exceptions. Sublessee is not required to indemnify any particular Indemnitee (provided that each Indemnitee and their Affiliates, officers, directors and employees shall be treated as a single Indemnitee) under this Section 10, to the extent a particular Loss is:

10.2.1 caused solely by the gross negligence or willful misconduct of that Indemnitee, other than gross negligence imputed to that Indemnitee by reason of its interest in the Aircraft or the Sublease;

10.2.2 caused solely by any Indemnitee's material breach of the Sublease or other Operative Documents to which it is a party which does not result from a Default;

10.2.3 related to any Taxes (but without prejudice to any Indemnitee's rights under any other provision of the Sublease or the ATSA relating to Taxes);

10.2.4 caused solely by an event which occurs before the commencement of the Term (except where (aa) the Loss is suffered during the Term as a result of a pre-Delivery defect in or otherwise arises out of or relates to or is any way connected with the manufacture or design, of the Aircraft or (bb) the Aircraft has been purchased from Sublessee (or an Affiliate of Sublessee) and is to be leased back to Sublessee under the Sublease);

10.2.5 caused solely by an event that occurs after the redelivery of the Aircraft to Sublessor in compliance with the Sublease and is not attributable to any act, omission, event or circumstance occurring prior to such redelivery;

10.2.6 caused solely as a result of any sale, assignment, transfer or other disposition (whether voluntary or involuntary) by such Indemnitee of the Aircraft or any Engine or any interest therein that is not a replacement thereof under the Sublease or is otherwise not contemplated under the Sublease, and unless such sale, assignment, transfer or other disposition has resulted from or occurred following an Event of Default;

10.2.7 consists of normal administrative costs and expenses or usual operating and overhead costs and expenses of such Indemnitee (but excluding any such costs or expenses resulting from the occurrence of any Default);

10.2.8 consists of costs or expenses for which Sublessor has expressly agreed to be responsible under any other provision of the Sublease or the ATSA;

10.2.9 is a Loss for which Sublessor or any other Indemnitee has expressly agreed to be responsible under any other provision of this Agreement or any other Operative Document; or

10.2.10 is indemnified against elsewhere in this Agreement or any other Operative Document.

10.3 Continuance. The indemnities contained in the Sublease will continue in full force and effect following the Expiration Date notwithstanding any breach or repudiation by Sublessor or Sublessee of the Sublease or any termination or cancellation of the leasing of the Aircraft.

11. **Insurance.**

11.1 Aviation Third Party Legal Liability Insurance. As of the Delivery Date and continuing for a period of [***] following the Return Date, Sublessee will carry at its expense (or will cause to be carried) through the London or New York insurance markets with insurers of internationally recognized standing, aviation legal liability insurance in respect of the Aircraft in amounts not less than the Minimum Liability Coverage combined single limit for bodily injury and property damage each occurrence (and in the aggregate as respects aviation products/completed operations and third party liability war and allied perils), and subject to customary sub-limits for non-aviation coverages. Such insurance will include third party legal

liability including passenger liability, liability war and allied perils (in the scope provided by AVN52E as in effect on the Delivery Date), property damage liability (including cargo, and mail liability), premises liability, products/completed operations liability, and contractual liability insurance in the amounts set forth in Appendix B. All such insurance will be in form and substance reasonably satisfactory to Sublessor. Sublessee covenants that any insurance policies carried in accordance with this Section 11.1 and any policies taken out in substitution or replacement for any of such policies will: (a) be endorsed to name each Indemnitee and such other parties as Sublessor may from time to time reasonably designate by notice to Sublessee as additional insureds for their respective interests, each as to itself only, no operational interest (without imposing on any such Person any obligation imposed on the insured, including liability to pay any calls, commissions or premiums) with respect to the Aircraft (hereinafter each an "Additional Insured"); (b) provide that in respect of the interests of any Additional Insured in such policies, the insurance will not be invalidated by any act or omission of Sublessee (including misrepresentation and non-disclosure), except that the Additional Insured so protected has not caused, contributed to or knowingly condoned the said act or omission; (c) provide that insurers waive all rights of subrogation against the Additional Insureds; (d) provide that, if such insurance is canceled or allowed to lapse for any reason whatsoever, or if any material change is made in such insurance that adversely affects the interest of any Additional Insured, such cancellation, lapse or change will not be effective as to any Additional Insured for [***] days ([***] days for nonpayment of premiums and [***] days, or such other period as is then customarily obtainable in the industry, in the case of any war and allied perils liability coverage) after the giving of written notice from such insurers or Sublessee's appointed insurance broker to Sublessor; (e) be primary without right of contribution from any other insurance maintained by any Additional Insured; (f) provide a severability of interests provision applicable to each insured and Additional Insured under the policy such that all of the provisions of the insurance required under this Agreement, except the limits of liability, will operate in the same manner as if there were a separate policy covering each insured and Additional Insured; (g) waive any right of the insurers to any setoff, counterclaim or other deduction against the Additional Insureds but for any outstanding premiums due and owing with respect to the Aircraft; (h) provide for worldwide coverage, subject to such limitations and exclusions as may be expressly set forth in the certificates of insurance delivered pursuant to Section 11.4 provided such limitations and exclusions are not applicable to the territories where the Aircraft is operated by Sublessee, or as Sublessor may otherwise agree in writing; and (i) be denominated in Dollars.

11.2 Aircraft Hull Insurance.

11.2.1 On or prior to the Delivery Date and throughout the Term, Sublessee will maintain (or cause to be maintained) in full force and effect, at its expense and on terms substantially similar to and no less favorable than insurance carried by Sublessee on similar aircraft in its fleet, all-risk ground and flight aircraft hull insurance covering the Aircraft including coverage of the Engines and Parts while temporarily removed from or not installed on the Aircraft and not replaced with similar components in amounts denominated and payable in Dollars not less than, in respect of the Aircraft, the Agreed Value, and with respect to any Engines or Parts while removed from the Aircraft, on a replacement value basis. Sublessee will maintain such hull war and allied perils insurance covering any loss or damage arising from hull war and allied perils:

(a) war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, martial law, military or usurped power or attempts at usurpation of power;

(b) strikes, riots, civil commotions or labor disturbances;

(c) any act of one or more persons, whether or not agents of a sovereign power, for political or terrorist purposes and whether the loss or damage resulting therefrom is accidental or intentional;

(d) any malicious act or act of sabotage;

(e) confiscation, nationalization, seizure, restraint, detention, appropriation, requisition for title or use by or under the order of any government (whether civil, military or de facto) or public or local authority; and

(f) hijacking or any unlawful seizure or wrongful exercise of control of the Aircraft or any Engine or any Airframe on which any Engine is installed or crew in flight (including any attempt at such seizure or control) made by any person or persons on board the Aircraft or such Airframe acting without the consent of the insured.

11.2.2 The hull war and allied perils insurances will be in accordance with Lloyd's Aviation Underwriters Association Standard Policy Form LSW 555D or equivalent unless otherwise approved by Sublessor in writing. Sublessee covenants that all policies and subsequent policies taken out in accordance with this Section 11.2 will: (a) be issued by insurance companies or underwriters of internationally recognized standing in the aviation industry; (b) be endorsed to name Sublessor or its designee as loss payee (each to the extent their interest may appear) (collectively, "Loss Payee") Head Lessor, Owner Participant, any Financing Parties, Sublessor and its designees as Additional Insureds to the extent of each of their interests in respect of hull claims that become payable on the basis of a total loss and will provide that any other loss will be settled (net of any relevant policy deductible) with such parties as may be necessary to repair the Aircraft unless otherwise agreed in writing after consultation among the insurers, Head Lessor, Sublessor and Sublessee (it being agreed that where the loss is not expected to exceed $[***] and, unless Sublessor has notified the insurers to the contrary, such loss will be settled with and paid to Sublessee); (c) provide that, in respect of the interest of any Loss Payees in such policies, the insurance will not be invalidated by any act or omission, except that such Loss Payee so protected has not caused, contributed to or knowingly condoned the said act or omission; (d) provide that none of the Loss Payees (other than Sublessee), will have responsibility for the payment of premiums or any other amount payable under such policies; (e) provide that insurers waive all rights of subrogation as against the Loss Payees; (f) provide that, if such insurance is canceled or allowed to lapse for any reason whatsoever, or if any material change is made in such insurance which adversely affects the interest of a Loss Payee, such cancellation, lapse or change will not be effective as to any Loss Payee for [***] days ([***] days for nonpayment of premiums and [***] days, or such other period as is then customarily obtainable in the industry, in the case of any hull war and allied perils

coverage) after the giving of written notice from such insurers or Sublessee's appointed insurance broker to Sublessor; (g) waive any right of the insurers to any setoff, counterclaim or other deduction against the Loss Payees but for any outstanding premiums due and owing with respect to the Aircraft; (h) provide for worldwide coverage, subject to such limitations and exclusions as may be set forth in the certificates of insurance delivered pursuant to Section 11.4 provided such limitations and exclusions are not applicable to the territories where the Aircraft is operated (or caused to operated) by Sublessee, or as Sublessor may otherwise agree in writing; (i) contain a 50/50 claims funding clause in the form of Lloyd's standard provision AVS103 (or a replacement for such clause) in the event of a dispute as to which policy in respect of the hull insurance set forth in this Section 11.2 will pay in the event of a loss; (j) provide that if any Engine is installed on an aircraft other than the Aircraft, the agreed value of that other aircraft shall be automatically increased by the replacement value of such Engine(s) (or the Agreed Value for such Engine, if any is specified from time to time) while so installed; this shall be noted on the insurance certificate for the Aircraft; (k) confirm that the insurers are not entitled to replace the Aircraft in case of an insured Total Loss and (l) have deductibles not greater than the maximum deductible amount set forth in Appendix B.

11.2.3 All insurance coverage will, among other things:

(a) Be maintained in accordance with best industry practice for comparable operators

(b) be subject to Airline Finance/Sublease Contract Endorsement AVN67B (or equivalent coverage). Sublessee may procure endorsements to the relevant insurance or reinsurance policies required to be maintained so as to incorporate the terms of Lloyd's Form AVN67B (or equivalent coverage) into such insurance or reinsurance policies, in which event, to the extent that any provisions of such Lloyd's Form AVN67B (or any revised form) endorsement conflicts or is otherwise inconsistent with the requirements of any provision of this Agreement relating to insurance or reinsurance then (so long as it will remain general aviation insurance practice to insure aircraft financed or leased by financial institutions on the basis of such endorsement), such conflicting or inconsistent provision of this Agreement will be of no further force and effect and such endorsement will be deemed to satisfy the requirements of each such conflicting or inconsistent provision of this Agreement;

(c) operate on a worldwide basis;

(d) contain a provision entitling any Indemnitee to initiate a claim under any policy in the event of the refusal or failure of Sublessee to do so;

(e) accept and insure the indemnity provisions of the Sublease to the extent of the risks covered by the policies;

(f) be maintained through the London or New York insurance markets or in any other leading insurance markets. Insurers shall be of internationally recognized responsibility and rated A-, or better by AM Best.

11.2.4 For the purposes of this Section 11, the definition of Aircraft will not include the Aircraft Documents.

11.3 Spares Insurance. Sublessee will carry spares insurance at a level reasonably considered by Sublessor to be appropriate to Sublessee's operations.

11.4 Default. If Sublessee defaults in effecting, keeping or maintaining any insurance or if any insurance for any reason becomes void, Sublessor may (but without any obligation to do so and without prejudice to Sublessor's other rights and remedies under this Agreement) effect, keep up or maintain such insurance and, subject to the terms of the ATSA, Sublessee will promptly upon demand repay or cause to be repaid to Sublessor all premiums and other moneys from time to time paid or payable by Sublessor in respect of such insurance.

11.5 Certificates. Not less than [***] Business Days before the Delivery Date, unless otherwise approved by Sublessor in writing, and promptly upon each renewal thereafter, Sublessee will furnish to Sublessor certificates of insurance written in English from an authorized representative of the insurers providing the insurance required under this Agreement and certificates of reinsurance from reinsurance brokers (together with a letter of undertaking from each of such representative and such reinsurance brokers stating that such insurance and reinsurance complies with the terms of this Agreement) describing in detail the insurance and reinsurance carried and maintained on the Aircraft. Such certificates of insurance will be in form and substance reasonably satisfactory to Sublessor. Failure of Sublessee to furnish certificates of insurance or procure and maintain the insurance required herein or the failure of Sublessor to request such certificates will not constitute a waiver of Sublessee's obligations under this Agreement.

11.6 Reinsurance. If the Aircraft is registered in a jurisdiction other than the United States, United Kingdom, Canada or a member state of the European Union, reinsurance may be required by Sublessor if it is customary for international aircraft lessors to require reinsurance in such jurisdictions, and such reinsurance shall:

(i) be on the same terms as the original insurance and will include the provisions of this Section 11;

(ii) provide that notwithstanding any bankruptcy, insolvency, liquidation, dissolution or similar proceedings of or affecting the reinsured that the reinsurers' liability will be to make such payments as would have fallen due under the relevant policy of reinsurance if the reinsured had (immediately before such bankruptcy, insolvency, liquidation, dissolution or similar proceedings) discharged its obligations in full under the original insurance policies in respect of which the then relevant policy of reinsurance has been effected; and

(iii) contain a "cut-through" clause in the following form (or otherwise satisfactory to Sublessor):

"The Reinsurers and the Reinsured hereby mutually agree that in the event of any claim arising under the reinsurances in respect of a total loss or other claim made between Sublessor and Sublessee such claim is to be paid to the person named as sole loss payee under the primary insurances, the Reinsurers will in lieu of payment to the Reinsured, its successors in interest and assigns pay to the person named as sole loss payee under the primary insurances effected by the Reinsured that portion of any loss due for which the Reinsurers would otherwise be liable to pay the Reinsured (subject to proof of loss), it being understood and agreed that any such payment by the Reinsurers will (to the extent of such payment) fully discharge and release the Reinsurers from any and all further liability in connection therewith"; subject to such provisions not contravening any Law of the state of incorporation of the Sublessee;

11.7 Premiums. Sublessee agrees to pay (or cause to be paid) the premiums (or installments of the premiums) as required by the terms of such policies.

11.8 Claims. After a Total Loss, in relation to the Aircraft, has occurred and so long as an Event of Default will not have occurred and be continuing, Sublessee may pursue any and all claims against the insurers in respect of the insurance with respect to the Aircraft, subject to consultation with Sublessor, except that no settlement or compromise of any claim with respect to such Total Loss may be made without the approval of Sublessor. Should an Event of Default have occurred and be continuing and any claim be made under any of the insurance policies, Sublessor will have full power to make, enforce, settle or compromise all claims with the insurers in respect of the insurance (other than the liability insurance) or for compensation and to sue for, recover, receive and give discharge for all moneys payable by virtue of such claim, to be held and applied in accordance with Section 11.2, provided all such power will be exercised by Sublessor reasonably and in good faith and Sublessee will be notified simultaneously of the exercise by Sublessor of any such power. Sublessee will irrevocably and unconditionally assign or cause to be assigned the insurance to Sublessor if such an assignment is advisable for the purpose of the preceding sentence. Sublessee will do or cause to be done all things reasonably necessary and provide or cause to be provided all documents, evidence and information to enable the assignee or loss payee referred to above to collect or recover any moneys due or to become due in respect of the insurance.

11.9 Application of Payments During Continuation of an Event of Default. Any amount referred to in Section 11.2 which is payable to or retainable by Sublessee will not be paid to or retained by Sublessee if, at the time of such payment or retention, an Event of Default will not have occurred and be continuing but will be held by or paid over to Sublessor as security for the obligations of Sublessee under this Agreement. Upon the earlier of: (a) such time as there will not be continuing any such Event of Default; or (b) the Return Date, such amount will be paid to Sublessee to the extent not previously applied in accordance with the terms of this Agreement.

11.10 Maintenance. Sublessee will maintain the Insurance in full force during the Term, and thereafter as expressly required in this Agreement, which shall be in accordance with best industry practice of persons operating similar aircraft in similar circumstances. The insurance required hereunder shall in any event meet the requirements set forth in this Section 11 which may be amended from time to time by Sublessor so that the scope and level of cover is maintained, and the interests of Sublessor and each Indemnitee are prudently protected in line with best industry practice.

11.11 Insurance Undertakings and Information.

Sublessee will:

11.11.1 comply with the terms and conditions of each policy of any Insurance and not do, consent or agree to any act or omission that:

(a) invalidates or may invalidate any Insurance; or

(b) renders or may render void or voidable the whole or any part of any insurance required under this Section 11; or

(c) brings any particular liability within the scope of an exclusion or exception to any insurance required under this Section 11;

11.11.2 not take out without the prior written approval of Sublessor any insurance or reinsurance in respect of the Aircraft which may adversely affect the scope of the coverage required under the Sublease. The insured value for the Aircraft shall be the Agreed Value;

11.11.3 commence renewal procedures at least [***] days prior to expiry of any insurance required under this Section 11 and provide to Sublessor:

(a) promptly upon request from Sublessor, a report (which may be in the form of a telephone call) regarding renewal negotiations prior to each expiry date;

(b) facsimile or e-mail confirmation of completion of renewal prior to each policy expiry date; and

(c) on request, provide to Sublessor copies of documents or other information evidencing the Insurance, excluding any premium related information; and

(d) provide any other insurance and reinsurance related information, or assistance, in respect of the Insurance as Sublessor may reasonably require.

12. **Assignment.**

12.1 Assignment by Sublessee. SUBLESSEE WILL NOT ASSIGN, DELEGATE OR OTHERWISE TRANSFER (VOLUNTARILY, INVOLUNTARILY, BY OPERATION OF LAW OR OTHERWISE) ANY OF ITS RIGHTS OR OBLIGATIONS UNDER THIS SUBLEASE OR CREATE OR PERMIT TO EXIST ANY SECURITY INTEREST OTHER THAN ANY PERMITTED LIEN OVER ANY OF ITS RIGHTS UNDER THIS SUBLEASE, AND ANY ATTEMPT TO DO SO SHALL BE NULL AND VOID.

12.2 Assignment by Sublessor.

12.2.1 Sublessor may, at its own expense and without the prior consent of Sublessee, assign or transfer all of its rights and obligations under this Agreement to an Affiliate of Sublessor or to any Person in connection with any merger, reorganization, sale of all or substantially all of its assets or any similar transaction upon providing prior written notice of such assignment to Sublessee, provided that such assignment or transfer does not increase Sublessee's costs or obligations, it being understood and agreed that any assignment or transfer by Sublessor to any of its Affiliates will not be deemed to increase Sublessee's costs or obligations. Upon: (a) any such assignment becoming effective; and (b) the assignee assuming all of Sublessor's obligations under this Agreement, Sublessor will be released of any further obligations under this Agreement.

12.2.2 After written notice from Sublessor of any assignment or transfer of all or any of Sublessor's rights and obligations under this Agreement, and at Sublessor's expense, Sublessee will, as soon as practicable, execute any agreements or other instruments that may be reasonably requested by Sublessor in order to allow, give effect to, or perfect any assignment or transfer of Sublessor's rights and obligations under this Agreement.

12.2.3 In any instance where a transfer or assignment effected by Sublessor is to more than one person, such transferees or assignees will select an agent who will act on behalf of all such transferees or assignees and with whom Sublessee may deal exclusively and notify Sublessee of such agent.

12.3 Assignment of Sublease. Sublessor may assign this Sublease, as security, to Head Lessor (or its nominee) for Sublessor's obligations under the Head Lease. Sublessee agrees to acknowledge and agree to such assignment pursuant to an agreement reasonably acceptable to Head Lessor, provided that reasonably sufficient notice is given and any costs (including but not limited to reasonable legal fees) shall be at Sublessor's cost.

12.4 Assignment of Warranties.

12.4.1 With effect from Delivery and for the duration of the Term, subject to any required consent of any manufacturer or cargo conversion provider, Sublessor shall make available or cause to be made available to Sublessee and authorize Sublessee or cause Sublessee to be authorized to exercise the benefit of all manufacturers' warranties in relation to the repair or remedy of any defect in the Aircraft (including compensation for loss of use of the Aircraft), any Engine or any Part and other product support for the Aircraft that has been assigned to it to the extent it is permitted to do so. In furtherance of the

foregoing, Sublessor shall take such actions, at Sublessor's cost and expense, as Sublessee may reasonably request to make such warranties available to Sublessee. Sublessee will give Sublessor prompt written notice of any warranty claim that is settled with Sublessee on the basis of a cash payment in excess of the Damage Notification Threshold.

12.4.2 If an Event of Default has occurred and is continuing, Sublessor may: immediately recover from Sublessee the proceeds of any warranty claim previously paid to Sublessee to the extent that such claims relate to any defect in the Aircraft not fully and completely rectified by Sublessee before such Event of Default occurred and Sublessor may:

(a) retain for its own account any such proceeds previously paid to Sublessor which would have been remitted to Sublessee under this Section 12 in the absence of such Event of Default; and

(b) withdraw the warranty and support benefits from Sublessee and cause any proceeds of any pending claims to be paid to Sublessor, rather than Sublessee.

12.4.3 Sublessee will take all steps as are necessary (i) to ensure that all work done on the Aircraft during the Term is covered by customary warranties which, if still in effect, would be transferable to Sublessor (or Sublessor's nominee) at the end of the Term and (ii) at the end of the Term to ensure that the benefit of any and all warranties relating to the Aircraft to which this Section 12 applies and which have not expired is vested in Sublessor.

15.1.6 Sublessee will not at any time: (a) represent or, except to the extent of the external livery of the Aircraft, hold out Owner Participant, Head Lessor, Sublessor or any Financing Party as carrying goods or passengers on the Aircraft or, except in accordance with applicable Laws, as being in any way connected or associated with any business activities and/or operation or carriage (whether for hire or reward or gratuitously) which may be undertaken by Sublessee; or (b) pledge the credit of Sublessor.

15.1.7 Sublessee will not attempt, or hold itself out as owning, including for Tax treatment or other purposes, or having any power, to sell, lease or otherwise dispose of the Aircraft, except as provided in Section 6.

15.1.8 Sublessee will, at its cost and expense, perform and comply with all of its agreements, undertakings and covenants in this Agreement at all times during the Term, and will take such steps as are reasonably necessary to ensure that no person acts in a manner inconsistent with such agreements, undertakings and covenants.

(b) promptly after Sublessee has knowledge thereof, notify Sublessor of the occurrence of any Default or Event of Default;

(c) within [***] Business Days after receipt by Sublessee of a request by Sublessor (or such shorter period as may be set forth in any written request by any Governmental Entity for information or documents), Sublessee shall furnish in writing to Sublessor such information or documents within its possession or which are reasonably available to it (or copies thereof certified as correct by an authorized officer of Sublessee) regarding the Aircraft as may reasonably be requested by Sublessor or as may be required to enable Head Lessor, Sublessor or Owner Participant to file any report or document required to be filed by it with any Governmental Entity because of Head Lessor's ownership interest in the Aircraft, the Airframe or the Engines;

(d) promptly after receipt thereof, provide Sublessor with a copy of any letter, notice, claim or threat of suit, that relates to the Aircraft, the Sublease and/or is related to any matter which is reasonably likely to result in the Aircraft (or any part of it) being detained, seized and/or sold; and

(e) promptly after Sublessor's request, provide Sublessor with such information as is reasonably required so that Head Lessor, Sublessor, Owner Participant or any Financing Party is able to comply with "know your customer" identification procedures, checks and requirements ("KYC").

15.1.10 General. Sublessee will:

(a) maintain its business (as an airline, if applicable on the Delivery Date), preserve its corporate existence and maintain all rights, privileges, licenses and franchises material thereto or material to performing its obligations under the Sublease;

(b) ensure that the Habitual Base remains the habitual base of the Aircraft;

(c) not operate, maintain, insure or deal with, or keep records with respect to, the Aircraft in a manner which discriminates against the Aircraft adversely insofar as Sublessor's, Head Lessor's, Owner Participant's or Financing Parties' interests are concerned, when compared with the manner in which Sublessee operates, maintains, insures or deals with, or keep records with respect to, similar aircraft, engines or parts in Sublessee's fleet;

(d) provide Sublessor with notice of any change of (i) its jurisdiction of organization or (ii) its location (as defined in Section 9-307 of the UCC) as set forth in this Agreement, within [***] Business Days of such change;

(e) not liquidate or dissolve;

(f) comply with all applicable Environmental Laws that are applicable to the Aircraft, the Sublessee and the person operating or possessing the Aircraft;

(g) for so long as and to the extent required under Section 1110 of Title 11 of the United States Code in order that Sublessor continue to be entitled to the benefit of such Section 1110 with respect to the Aircraft, remain a Certificated Air Carrier;

(h) remain a Citizen of the United States

15.1.11 Protection. Sublessee will:

(a) take all actions reasonably requested by Sublessor (at Sublessor's cost, except as otherwise provided herein) that are within Sublessee's control to keep the Aircraft registered with the FAA in the name of Head Lessor and subject to a first priority Lien (subject to Permitted Liens) in favor of any Financing Party and, where applicable, comply with the Geneva Convention;

(b) record on each relevant register that Head Lessor is the owner of the Aircraft and, if such facilities exist (i) file the Sublease and the Head Lease (or respective particulars thereof) with the Aviation Authority, (ii) at Sublessor's cost file the Financing Documents or notices as to the interests of the Financing Parties (if any);

(c) make any and all filings reasonably requested by Sublessor (or its designee), any Financing Party, Head Lessor or Owner Participant to be made with the registry of the Aviation Authority that are within its control and take all other actions within its control that are necessary or advisable by the local counsel to reflect on the FAA registry any change in the ownership of the Aircraft, or in the interests of Sublessor, any Financing Party, Head Lessor or Owner Participant in this Agreement, the Head Lease or the Aircraft, any modification to the Aircraft (such as the permanent replacement of any Engine or Part in accordance with the Sublease) or as a result of any change in applicable Regulation. Sublessor will bear any costs incurred as a consequence of Sublessor's obligation to any Financing Party or a transfer in accordance with Section 12.2 and any other costs incurred in complying with this Section 15.1.11(c), including in connection with the replacement of any Engine;

(d) from time to time, at the request of the Sublessor, to take any actions which the Sublessor reasonably determines should be taken to ensure that the Cape Town Convention is (and continues to be) applicable to the Sublease and that the interests of the Sublessor, Head Lessor and/or any Financing Party in relation to each Airframe and Engine are effectively registered at the International Registry. This would include, in particular, promptly consenting to and co-operating with the Sublessor, Head Lessor, Owner Participant and/or any Financing Party, so that as soon as practicable from time to time registrations are made to permit the interests of the Sublessor, Head Lessor and/or any Financing Party in connection with each Airframe and Engine and any associated rights to be perfected and registered as International Interests under the Cape Town Convention and to remove or discharge interests where the Sublessor so requires;

(e) execute and deliver such other instruments and documents as Sublessor reasonably requests to protect the interest of Sublessor, Head Lessor or the Financing Parties.

15.1.12 Charges. Sublessee will pay all navigation charges, air traffic control charges, landing charges or other amounts of any nature imposed by any Government Entity with respect to Sublessee, the Aircraft and/or the Sublease except to the extent that, in the reasonable opinion of Sublessor, such payment is being contested in good faith by appropriate proceedings in respect of which adequate reserves have been provided by Sublessee and non-payment of which does not give rise to any material likelihood of the Aircraft or any interest therein being sold, forfeited or otherwise lost or of criminal liability on the part of Head Lessor, Sublessor or Owner Participant.

15.2 Sublessor's Covenants. Sublessor hereby covenants with Sublessee that during the Term, Sublessor will fully comply with and perform the following obligations.

15.2.1 Sublessor will preserve its existence and maintain all rights, privileges, licenses, and franchises necessary to its business or material to its performance of its obligations under this Agreement.

15.2.2 Sublessor will not do or knowingly permit to be done or omit or knowingly permit to be omitted any act or thing which might reasonably be expected to jeopardize the rights of Sublessee as an insured or loss payee under the insurance required under Section 11, it being understood and agreed by Sublessee that any such act or omission by Sublessee, an Affiliate of Sublessee or their representatives will not be deemed an act or omission of Sublessor.

15.2.3 Sublessor's Covenant of Quiet Enjoyment. Subject to Section 6.10, Sublessor hereby covenants with Sublessee that, during the Term (not including any Extended Term), so long as an Event of Default will not have occurred and be continuing, neither Sublessor, Head Lessor, Owner Participant or any Financing Party or any Person

acting on such Person's behalf or in such Person's stead, any predecessor or successor in interest of Sublessor, Head Lessor, Owner Participant or any Financing Party nor any person claiming an interest in the Aircraft by or through Sublessor, Head Lessor, Owner Participant or any Financing Party, will interfere with Sublessee's rights under this Agreement or Sublessee's quiet and undisturbed use and enjoyment of the Aircraft; except that this Section 15.2.3 will not limit Sublessor's right of inspection as set forth in this Agreement. Should such an interference occur, Sublessor will promptly, with respect to itself, and will promptly use commercially reasonable efforts with respect to such other Persons to, eliminate the cause of such interference upon becoming aware of same in any manner, including by receipt of notice from Sublessee.

16. Default; Remedies.

16.1 Events of Default.

16.1.1 An "Event of Default" means the occurrence and continuance of any of the following events (and such events shall constitute a "default" under the Cape Town Convention):

(a) Sublessee fails to make any payment of Basic Rent within [***] Business Days of the relevant due date at the place and in the funds required under this Agreement.

(b) Sublessee fails to make any other payment due within [***] days of the later of the relevant due date or Sublessor's written demand at the place and in the funds required under this Agreement.

(c) Sublessee fails to carry and maintain insurance on or in respect of the Aircraft (or to cause such insurance to fail to be carried or maintained) in accordance with Section 11 or operates (or allows the operation of) the Aircraft without such insurance coverage being in full force and effect with regard to such operation.

(d) Any representation or warranty made by Sublessee herein was incorrect in any material respect at the time made or deemed to be made.

(e) Any event of default or termination event, howsoever described, occurs under any Other Sublease Agreement.

(f) Sublessee fails to return possession of the Aircraft and the Aircraft Documents to Sublessor at the Return Location upon the Expiration.

(g) Sublessee fails to perform or observe any other covenant, condition or agreement to be performed or observed by it, and such failure continues unremedied for a period of [***] days after written notice by Sublessor, except that such failure will not constitute an Event of Default if: (i) such failure is not capable of being cured within the [***]-day period following such notice from Sublessor; and (ii) a cure is diligently pursued by Sublessee thereafter, except that in any event such failure will constitute an Event of Default if it continues for more than [***] days following such notice from Sublessor.

(h) Sublessee fails to satisfy any of the conditions precedent under Section 2.1 (and expressly excluding a failure of Sublessor or the Aircraft to conform to the requirements of Section 2.2) and, as a direct result of such failure, the Aircraft will not have been delivered to and accepted by Sublessee within [***] days after the Anticipated Delivery Month.

(i) (i) Sublessee commences a voluntary case under Title 11 of the United States Code or the corresponding provisions of any successor Laws; (ii) anyone commences an involuntary case against Sublessee under Title 11 of the United States Code or the corresponding provisions of any successor Laws and either (1) the case is not dismissed by midnight at the end of the [***] day after commencement or (2) the court before which the case is pending issues an order for relief or similar order approving the case; (iii) a court of competent jurisdiction appoints, or Sublessee makes an assignment of all or substantially all of its assets to, a custodian (as that term is defined in Title 11 of the United States Code or the corresponding provisions of any successor Laws) for its company or all or substantially all of its assets; or (iv) Sublessee fails generally to pay its debts as they become due (unless those debts are subject to a good-faith dispute as to liability or amount) or acknowledges in writing that it is unable to do so.

(j) Sublessee creates or suffers to exist any Lien for taxes of any kind or arising out of a judgment or award against Sublessee which Lien does not constitute a Permitted Lien and is not being contested by Sublessee in good faith by appropriate procedures.

16.2 Remedies. If an Event of Default occurs, Sublessor may at its option (and without prejudice to any of its other rights and remedies under the Sublease, at law, in equity and/or otherwise), at any time thereafter while such Event of Default is continuing (without notice to Sublessee except as required under applicable Law) and subject to compliance with non-waivable mandatory requirements of applicable Law:

16.2.1 accept such repudiation and by notice to Sublessee and with immediate effect cancel and/or terminate the leasing of the Aircraft and/or the Sublease whereupon all rights of Sublessee under the Sublease shall cease (but without prejudice to the continuing obligations of Sublessee that survive under the Sublease, including, obligations to provide Insurance, maintain and repair the Aircraft and/or redeliver the Aircraft in conformity with the Return Condition Requirements); and/or

16.2.2 proceed by appropriate court action or actions to enforce performance of the Sublease or to recover damages, including consequential damages, sustained by Sublessor by reason of Sublessee's breach of the Sublease, and all other amounts payable by Sublessee to Sublessor or to any Indemnitee pursuant to the terms of the Sublease; and/or

16.2.3 to the extent permitted by applicable Law, take possession of and/or seize the Aircraft, for which purpose and to the extent permitted by applicable Law, Sublessor (or its nominee) may enter any premises belonging to or in the occupation of or under the control of Sublessee where the Aircraft may be located; and/or

16.2.4 by serving notice, require Sublessee to ground the Aircraft and/or redeliver the Aircraft in conformity with the Return Condition Requirements at the time and on the date designated by Sublessor in its sole and absolute discretion and at the Return Location (or such other location as Sublessor may require), provided that if the Aircraft is not redelivered in conformity with the Return Condition Requirements, Sublessee shall reimburse Sublessor for all costs and expenses incurred to conform the Aircraft with the Return Condition Requirements; and/or

16.2.5 require that Sublessee pay to Sublessor, and Sublessee shall be liable for and immediately pay to Sublessor, and/or proceed by appropriate court action or actions to recover any or all of the following amounts, but in any case, without duplication:

(a) all Basic Rent and other amounts which are or become due and payable under the Sublease prior to the earlier to occur of the date Head Lessor sells or Sublessor re-leases the Aircraft or receives payment of the amount calculated pursuant to clause (ii) below;

(b) an amount equal to Sublessor's reasonably anticipated Enforcement and Remarketing Costs and Aircraft Condition Damages;

(c) all amounts indemnified by Sublessee pursuant to Section 16.3;

(d) such additional amount, if any, as may be necessary to place Sublessor in the same economic position as Sublessor would have been in if Sublessee had timely performed each of its obligations under the Sublease; and

(e) all reasonable attorney's fees, costs and expenses incurred to enforce the Sublease or Sublessor's rights and/or remedies or as a result of Sublessee's default under the Sublease or failure to comply with the obligations under the Sublease.

It being understood that, to the extent that any of the foregoing amounts represents an estimate by Sublessor of losses, damages, costs or expenses which Sublessor expects to incur, (x) Sublessor shall adjust the amount thereof as needed to reflect the actual amount of such losses, damages, costs or expenses incurred by Sublessor when substantially all of such amounts become known to Sublessor, but Sublessee shall nevertheless be obligated to pay the amount demanded by Sublessor (subject to such subsequent adjustment), and (y) notwithstanding the amount specified in such demand, Sublessor shall be entitled to claim such other (and greater or additional) amount in any action against Sublessee under the Sublease, subsequent demand and/or any other damages that Sublessor may sustain; and/or require Sublessee to pay, and Sublessee shall pay to Sublessor, interest on all unpaid amounts at a rate of the lesser of [***]% and the maximum amount permitted by Law, from the due date until the date of payment in full.

No remedy referred to in this Section 16.2, is intended to be exclusive, but, to the extent permissible under the Sublease or under applicable Law, each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Sublessor at Law or in equity and in Sublessor's sole and absolute discretion; and the exercise by Sublessor of any one or more of such remedies shall not preclude the simultaneous or later exercise by Sublessor of any or all of such other remedies. No waiver by Sublessor of any Default or Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent Default or Event of Default.

16.3 Costs and Expenses; Default Indemnity.

16.3.1 Sublessee agrees to pay to Sublessor, upon demand, all reasonable and documented costs, expenses and disbursements (including reasonable attorney's fees, legal fees and expenses) incurred by Sublessor in exercising its rights or remedies under this Agreement following an Event of Default.

16.3.2 Sublessee will indemnify Sublessor on demand against any Loss which Sublessor may sustain or incur directly or indirectly as a result of any Event of Default, including, the non-delivery of the Aircraft by reason of failure of Sublessee to satisfy any conditions to that delivery. Sublessor will use reasonable endeavors to mitigate such Losses, but (i) Sublessor shall not be obliged to consult with Sublessee concerning any proposed course of action or to notify Sublessee of the taking of any particular action, and (ii) this provision is without prejudice to Head Lessor's, Owner Participant's or Sublessor's rights to cause the sale of the Aircraft, provided that Sublessee's indemnity obligations hereunder shall be without duplication of the amounts recovered by Sublessor pursuant to Section 16.1.1(j) or Section 10.

16.4 International Interests. If an Event of Default occurs and is continuing, Sublessee will, subject to its rights under applicable Law, at the request of Sublessor take all steps necessary to enable the Aircraft to be redelivered to Sublessor in accordance with the Sublease, including but not limited to discharge of any applicable International Interests relating to the Sublease, where applicable, registered on the International Registry, if action by Sublessee is required for such discharge.

16.5 Waiver of Defenses to Repossession. Neither Sublessee, nor anyone claiming through or under it, shall set up, claim, invoke or seek to take advantage of any applicable Law now or hereafter in force in any jurisdiction in which the Aircraft may be situated in order to prevent, hinder or delay any effort on the part of Sublessor to regain possession of the Aircraft, or re-export the Aircraft from any jurisdiction in which the Aircraft may be situated upon the occurrence of an Event of Default under Section 16.1 or the comparable clause under any Other Sublease Agreement and/or the Expiration Date and both prior and subsequent to entry of a final award or judgment, and Sublessee, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may be lawful so to do, the benefit of all such applicable Law (including any rights it may have, if any, to avail itself of the protection provided by the Convention of 1933 on the Unification of Certain Rules Relating to the Precautionary Arrest of Aircraft, or any other similar law, treaty or convention applicable to Sublessee or the Aircraft

which would limit the ability of Sublessor to repossess or otherwise recover the Aircraft upon the occurrence and continuance of an Event of Default and/or the expiration or termination of the Sublease and prior and subsequent to entry of a final award or judgment). Sublessee and anyone claiming through or under it, hereby consents to an order or judgment compelling redelivery or permitting Sublessor to take possession of the Aircraft upon the occurrence of an Event of Default and/or the expiration or termination of the Sublease, and whether prior or subsequent to the entry of a final judgment, in any action or proceeding.

16.6 Power of Attorney. Sublessee hereby appoints Sublessor as the attorney-in-fact of Sublessee, with full authority in the place and stead of Sublessee and in the name of Sublessee or otherwise, for the purpose of carrying out the provisions of the Sublease and taking any action and executing any instrument that Sublessor may deem necessary or advisable to accomplish the purposes of the Sublease; provided, however, that Sublessor may only take action or execute instruments under this Article 16 after an Event of Default has occurred and is continuing. Sublessee hereby declares that the foregoing powers are granted for valuable consideration, constitute powers granted as security for the performance of the obligations of Sublessee under the Sublease and are coupled with an interest and shall be irrevocable. Without limiting the generality of the foregoing or any other rights of Sublessor under the Sublease, upon the occurrence and during the continuation of an Event of Default, Sublessor shall have the sole and exclusive right and power to (i) settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to or pertaining to the Aircraft, Airframe or any Engine, or the Sublease, (ii) make proof of loss, appear in and prosecute any action arising from any policy or policies of insurance maintained pursuant to the Sublease, and settle, adjust or compromise any claims for loss, damage or destruction under, or take any other action in respect of, any such policy or policies and (iii) take any actions, including to execute and deliver any documentation, to make any filing with the Aviation Authority or to discharge any applicable International Interest, for and on behalf of the Sublessee, in connection with the matters provided for in Section 16.4.

16.7 Administration Order. If an administrator appointed in respect of Sublessee obtains an order of the court (the "order") pursuant to any insolvency Law authorizing the sale or other disposal of the Aircraft, then in addition to (and without prejudice to Sublessee's obligation to pay) other amounts under the Sublease, Sublessee will, immediately upon such order being made, to the extent permitted by applicable Law, pay to Sublessor or its designee the net proceeds of sale of the Aircraft, together with such additional amounts as may be required to pay to Sublessor or its designee an amount equal to the Agreed Value of the Aircraft, plus any sum which the court determines may be required to make good the deficiency referred to in such insolvency Law.

17. **Return of Aircraft.**

17.1 Return, Place and Time of Return. Sublessee will return (or cause to be returned) the Aircraft by delivering the same to Sublessor at the Return Location on the Expiration Date or promptly upon the earlier Termination Date, except where Termination occurs pursuant to Section 19 as a result of a Total Loss.

17.2 Aircraft Return Condition Requirements. The Aircraft upon the Return to Sublessor will satisfy all of the return condition requirements described in Section 18 and Appendix H (the "Return Condition Requirements"), subject to Sublessor's obligations to bear the cost of certain maintenance events pursuant to the ATSA.

17.3 Return Receipt. Promptly upon the Return of the Aircraft in compliance with the Return Condition Requirements, Sublessor and Sublessee will execute a Return Receipt. Sublessee and Sublessor will additionally execute such additional documents as the other Party may reasonably require to evidence the termination of this Agreement.

17.4 Specific Performance. Timely Return upon the Expiration at the Return Location is of the essence of this Agreement and if the Aircraft is not returned upon the Expiration at the Return Location (other than as a result of a force majeure, requisition as provided in Section 6.9, or an act or omission by Sublessor or an Affiliate of Sublessor), Sublessor may obtain a court order requiring Sublessee to immediately return the Aircraft at the Return Location.

17.5 Sublessee's Obligations Continue.

17.5.1 In the event the Return is not effected at the time and location specified herein, then the obligations of Sublessee under this Agreement will continue until the Aircraft is actually returned to Sublessor. In particular (except to the extent that a delay in the Return is attributable to acts or a failure to act on the part of Sublessor or an Affiliate of Sublessor), until Sublessee has complied with the Return Condition Requirements, Sublessee will continue to pay Basic Rent to Sublessor, will continue to insure the Aircraft pursuant to Section 11 and will be responsible for all storage fees for the Aircraft (with such storage being effected pursuant to all requirements of the Maintenance Program).

17.5.2 Neither the continued performance by Sublessee of any of its obligations after the end of the Term nor the acceptance by Sublessor of payments of Basic Rent or otherwise made by Sublessee will be considered a renewal or novation of the terms of this Agreement or a waiver of any right of Sublessor, and Sublessee will not be entitled to the quiet enjoyment of the Aircraft or any part thereof.

18. **Return Condition Requirements.**

18.1 Return. Sublessee acknowledges that the Aircraft is likely to be leased or sold to another Person at the end of the Term and as time and condition are likely to be important terms of such lease or sale, Sublessor needs the Aircraft redelivered on time and in the agreed condition. On the Expiration Date or redelivery of the Aircraft or cancellation or termination of the leasing of the Aircraft under the Sublease, Sublessee will, unless a Total Loss has occurred, redeliver the Aircraft and the Aircraft Documents at Sublessor's expense to Sublessor at the Return Location, in accordance with the procedures and in compliance with the conditions set forth in Appendix H, free and clear of all Liens (other than Sublessor's Liens), in a condition suitable for immediate operation under FAR Part 121 or as otherwise agreed by Sublessor and Sublessee and, in any case, qualifying for and having a valid and fully effective certificate of airworthiness issued by the Aviation Authority. If requested by Sublessor, Sublessee shall use commercially reasonable efforts to assist Sublessor in deregistration of the Aircraft by the Aviation Authority.

18.2 Non-Compliance. If at the time of Final Inspection, Sublessee has not fully complied with any of its obligations under the Sublease (including Appendix H), or Sublessee fails to make the Aircraft available to Sublessor on a timely basis for inspection and redelivery pursuant to Section 18.1 and Appendix H (whether such failure is due to any act or omission of Sublessee or any other circumstance whatsoever), the Term shall be extended until the time when the Aircraft has been redelivered to Sublessor in full compliance with the Sublease, for the sole purpose of enabling such non-compliance or failure to be promptly rectified, and during such extension period:

18.2.1 Sublessee shall not use the Aircraft in flight operations except those related directly to the redelivery of the Aircraft to Sublessor;

18.2.2 all Sublessee's obligations and covenants under the Sublease will remain in full force until Sublessee so redelivers the Aircraft; and

18.2.3 Sublessee shall pay Extended Term Rent to Sublessor, calculated on a per diem basis and payable on the earlier to occur of (i) Sublessee's compliance with the redelivery obligations under the Sublease or (ii) the day in each calendar month after the Expiration Date that corresponds with the Expiration Date.

Any such extension shall not prejudice Sublessor's right to treat such non-compliance or failure as an Event of Default at any time, and to enforce such rights and remedies as may be available to Sublessor in respect thereof under the terms of the Sublease or applicable Law. Without limiting the generality of the foregoing, Sublessee's Basic Rent obligation under paragraph (c) above shall be without prejudice to Sublessor's rights to cancel or terminate the leasing of the Aircraft and to indemnification under this Agreement.

Sublessor may elect (either on first tender of the Aircraft by Sublessee or at any time during the said extension period) to accept redelivery of the Aircraft notwithstanding non-compliance with Section 18.1 or Appendix H, in which case Sublessee will indemnify Sublessor and provide cash to Sublessor (in an amount satisfactory to Sublessor) as security for that indemnity in respect of the cost to Sublessor of putting the Aircraft into the condition required by the Sublease.

18.2.4 Redelivery. Upon request of Sublessor, at redelivery Sublessee will provide to Sublessor all documents necessary to export the Aircraft from the Habitual Base (including a valid and subsisting export license and export certificate of airworthiness for the Aircraft) or required in relation to the deregistration of the Aircraft with the Aviation Authority.

18.2.5 Acknowledgement. Provided Sublessee has complied with its obligations under Section 18 and Appendix H, following redelivery of the Aircraft by Sublessee to Sublessor at the Return Location, Sublessor will deliver to Sublessee an acknowledgement confirming that Sublessee has redelivered the Aircraft to Sublessor in accordance with the Sublease which acknowledgement shall be without prejudice to Sublessor's accrued and continuing rights under the Sublease or arising by Law.

18.2.6 Storage. If Sublessor so requests, Sublessee shall provide up to [***] days storage for the Aircraft following the last day of the Term at Sublessor's risk and expense.

19. **Total Loss.**

19.1 Total Loss of the Aircraft.

19.1.1 If a Total Loss occurs prior to Delivery of the Aircraft, the Sublease relating to such Aircraft will immediately terminate and except as expressly stated in the Sublease none of the parties will have any further obligation in respect of such Aircraft, other than pursuant to Section 16.3 and Section 3 of Appendix G.

19.1.2 If a Total Loss occurs after Delivery, Sublessee will pay the Agreed Value to Sublessor or its designee on or prior to the earlier of (i) [***] days after the Total Loss and (ii) the date of receipt of insurance proceeds in respect of that Total Loss.

19.1.3 Subject to the rights of any insurers and reinsurers or other third party, upon irrevocable payment in full to Sublessor or its designee of the Agreed Value and all other amounts which may be or become payable to Sublessor under the Sublease, and Sublessor will without recourse or warranty (except as to the absence of Sublessor's Liens) transfer to Sublessee or its designee title to the Aircraft, on an AS IS, WHERE IS basis, and will at Sublessee's expense, execute and deliver such bills of sale and other documents and instruments as Sublessee may reasonably request to evidence (on the public record or otherwise) such transfer, free and clear of all rights of Head Lessor, Owner Participant, Sublessor and Sublessor's Liens. Sublessee shall indemnify Head Lessor, Owner Participant, Sublessor and each other Tax Indemnitee for all fees, expenses and Taxes incurred by Head Lessor, Owner Participant, Sublessor or any other Tax Indemnitee in connection with any such transfer.

19.2 Requisition. During any requisition for use or hire of the Aircraft, any Engine or Part which does not constitute a Total Loss:

19.2.1 the Basic Rent and other charges payable under the Sublease will not be suspended or abated either in whole or in part, and Sublessee will not be released from any of its other obligations (other than operational obligations with which Sublessee is unable to comply solely by virtue of the requisition); and

19.2.2 so long as no Default or an Event of Default has occurred and is continuing, Sublessee will be entitled to any compensation paid by the requisitioning authority in respect of such authority's use of the Aircraft, such Engine or such Part during the Term. Sublessee will, as soon as practicable after the end of any such requisition, cause the Aircraft to be put into the condition required by the Sublease. Sublessor will be entitled to all compensation payable by the requisitioning authority in respect of any change in the structure, state or condition of the Aircraft arising during the period of requisition, and Sublessor will apply such compensation in reimbursing Sublessee for the cost of complying with its obligations under the Sublease in respect of any such change, but, if any Default or an Event of Default has occurred and is continuing, Sublessor may apply the compensation in or towards settlement of any amounts owing by Sublessee under the Sublease and/or under any Other Sublease Agreement.

20. **Miscellaneous.**

20.1 Entire Agreement. This Agreement and, with respect to Sections 4.5, 6.9, 6.96.11, 7.1, 7.6.7, 10.2.3, 10.2.8, 11.4 and 17.2, together with the ATSA constitutes the entire agreement between Sublessor and Sublessee with respect to the Aircraft and supersedes any and all previous understandings, commitments, agreements or representations whatsoever, whether oral or written, including any and all terms sheets, letters of intent or similar documents.

20.2 Illegality; Severability.

20.2.1 Subject to Section 20.2.2, if it is or becomes unlawful in any jurisdiction for Sublessor to give effect to any of its obligations as contemplated by this Agreement or to continue its obligations under this Agreement, Sublessor may by notice in writing to Sublessee terminate the leasing of the Aircraft, such termination to take effect on the latest date (the "Illegality Date") on which Sublessor may continue such leasing and such obligations without being in breach of applicable Regulations, and Sublessee will forthwith redeliver the Aircraft to Sublessor in accordance with Section 18. Without prejudice to the foregoing, Sublessor will consult in good faith with Sublessee up to the Illegality Date as to any steps that may be taken (at no cost to Sublessor) to restructure the transaction to avoid such unlawfulness but will be under no obligation to take any such steps.

20.2.2 Severability. If a provision of the Sublease is or becomes illegal, invalid or unenforceable in any jurisdiction, that will not affect:

(a) the legality, validity or enforceability in that jurisdiction of any other provision of this Agreement; or

(b) the legality, validity or enforceability in any other jurisdiction of that or any other provision of this Agreement.

20.3 Amendment and Waiver. This Agreement may not be amended, suspended, superseded or otherwise modified except by a written instrument, expressly identifying the modifications made and signed by the authorized representative of both Parties. No waiver will be effective under this Agreement except by a written instrument, expressly identifying the rights waived and signed by the authorized representative of the relevant Party to be bound by the waiver. A waiver regarding any breach or Default will not constitute a waiver with respect to any different or subsequent Default unless expressly provided in such waiver instrument. Without limiting the generality of the foregoing, a Party will not be deemed to modify any term or waive any right or remedy under this Agreement by failing to insist on compliance with any of the terms of this Agreement or by failing in one or more instances to exercise any right under this Agreement.

20.4 Governing Law; Jurisdiction; WAIVER OF JURY TRIAL.

20.4.1 THE PARTIES HERETO AGREE THAT THE SUBLEASE AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THE SUBLEASE, AND ALL ISSUES CONCERNING THE RELATIONSHIP OF THE PARTIES AND THE ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE

WITH, THE GOVERNING LAW WITHOUT REGARD TO ANY CONFLICTS OF LAW PRINCIPLES, EXCEPT SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WHICH THE PARTIES HERETO AGREE APPLY TO THIS AGREEMENT. THE PARTIES AGREE THAT THE SUBLEASE WAS DELIVERED IN THE STATE OF NEW YORK.

20.4.2 Pursuant to and in accordance with Section 5-1402 of the New York General Obligations Law, Sublessee and Sublessor each agree that the United States District Court for the Southern District of New York and any New York state court sitting in the County of New York, New York, and all related appellate courts, are to have non-exclusive jurisdiction to settle any disputes arising out of or relating to the Sublease and submits itself and its property to the non-exclusive jurisdiction of the foregoing courts with respect to such dispute.

20.4.3 Without prejudice to any other mode of service, each of Sublessee and Sublessor consents to service of process by facsimile or prepaid mailing by air mail, certified or registered mail of a copy of the process to the other at the facsimile number or address, as applicable, set forth in this Agreement or as otherwise notified to the other pursuant to this Agreement.

20.4.4 Each of Sublessee and Sublessor:

(a) waives to the fullest extent permitted by Law any objection which it may now or hereafter have to the courts referred to in Section 20.4.2 on grounds of inconvenient forum or otherwise as regards proceedings in connection with the Sublease;

(b) waives to the fullest extent permitted by Law any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to the Sublease brought in the courts referred to in this Section 20.4; and

(c) agrees that a judgment or order of any court referred to in Section 20.4.2 in connection with the Sublease is conclusive and binding on it and may be enforced against it in the courts of any other jurisdiction as if made by the highest court in that other jurisdiction and accordingly Sublessee will not seek to, nor be entitled to, contest and/or delay and/or obstruct registration or enforcement of any such judgment and/or award and/or order on grounds of public policy or otherwise.

(d) This Section 20.4 shall survive, continue to take full effect and not merge in any order or judgment and nothing in this Section 20.4 limits the right of either party to bring proceedings against the other in connection with the Sublease:

(i) in any other court of competent jurisdiction; or

(ii) concurrently in more than 1 jurisdiction.

20.4.5 Each of Sublessee and Sublessor irrevocably and unconditionally:

(a) agrees that if the other brings legal proceedings against it or its assets in relation to the Sublease no sovereign or other immunity from such legal proceedings (which will be deemed to include suit, court jurisdiction, attachment prior to judgment, attachment in aid of execution of a judgment, other attachment, the obtaining of judgment, execution of a judgment or other enforcement or legal process or remedy) will be claimed by or on behalf of itself or with respect to its assets;

(b) waives any such right of immunity which it or its assets now has or may in the future acquire and agrees that the foregoing waiver shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States of America and is intended to be irrevocable for the purposes of such act; and

(c) waives any requirement, of any kind whatsoever, for Sublessor to provide any form of security in respect of the payment of any damages, costs, expenses or any other financial obligation resulting from the commencement or prosecution of proceedings or the making of or service of any order and Sublessee undertakes (x) not to challenge the validity of any proceedings or the making of any orders without any requirement for the provision of such security (y) to advise any court upon Sublessor's request that Sublessee requires no such security and (z) to provide security itself for any third party claims arising out of or in connection with such proceedings and/or orders.

20.4.6 EACH OF SUBLESSEE AND SUBLESSOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY AND ALL RIGHTS TO A JURY TRIAL IN RESPECT OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE SUBLEASE OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THE TRANSACTIONS CONTEMPLATED THEREBY OR THE SUBLESSOR/SUBLESSEE RELATIONSHIP BEING ESTABLISHED, INCLUDING, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND OTHER COMMON LAW AND STATUTORY CLAIMS. EACH OF SUBLESSOR AND SUBLESSEE REPRESENTS AND WARRANTS THAT EACH HAS REVIEWED AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH ITS LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THE SUBLEASE. IN THE EVENT OF LITIGATION, THIS SECTION 20.4 MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

20.5 Legal Costs and Expenses. Sublessor and Sublessee each will bear the cost of their own legal fees, inspection and appraisal fees, and related expenses associated with the negotiation, preparation and execution of this Agreement, and Sublessor and Sublessee will split evenly the fees and expenses charged by Special FAA Counsel (and otherwise incurred) in performing the filings and registrations required in Section 5.

20.6 DISCLAIMER OF DAMAGES. EXCEPT FOR LOSSES, DAMAGES, OR LIABILITIES: (A) ARISING UNDER A PARTY'S INDEMNIFICATION OBLIGATIONS PURSUANT TO SECTION 10; (B) TO THE EXTENT ARISING OUT OF ANY BREACH OF A PARTY'S OBLIGATIONS UNDER THE NDAS (AS DEFINED IN THE ATSA); OR (C) CAUSED BY A PARTY'S GROSS NEGLIGENCE OR WILLFUL, FRAUDULENT OR CRIMINAL MISCONDUCT, UNDER NO CIRCUMSTANCES WILL ANY PARTY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, LOST PROFITS, OR INDIRECT DAMAGES ARISING FROM OR IN RELATION TO THIS AGREEMENT, REGARDLESS AS TO THE CAUSE OF ACTION AND HOWEVER ALLEGED OR ARISING.

20.7 Further Assurances. 20.9 Counterparts. Each Party may effect the execution and delivery of this Agreement, any Appendix, any Schedule, or any amendment or addendum to same by facsimile or electronic transmission (including in portable document format or by electronic signature) of one or more signed counterparts that together will constitute one and the same instrument.

20.10 Brokers.

20.10.1 No Brokers. Each of the Parties hereto represents and warrants to the other that it has not employed any brokers or sale agents in the creation of or the negotiations relating to this Agreement, nor has it given any brokers or sales agents such broad powers as to encompass the transactions described in this Agreement, and each Party will indemnify and hold harmless the other Party by reason of any breach or alleged breach by such Party of its representation and warranty under this Section 20.10.1.

20.10.2 Indemnity. Without duplication of Sublessee's indemnification obligations hereunder, the Sublessee agrees to indemnify and hold the Sublessor harmless from and against any and all claims, suits, damages, costs and expenses (including, reasonable legal fees and expenses) asserted by any agent, broker or other third party for any commission or compensation of any nature whatsoever based upon the Sublease or the Aircraft, if such claim, suit, damage, cost or expense arises out of any breach by the indemnifying party, its employees or agents of Section 20.10.

20.11 Financing Parties. Sublessee understands and acknowledges that: (a) the Sublessor is party to the Head Lease whereby it leases the Aircraft from the Head Lessor; (b) the Aircraft may be subject to one or more security interests from time to time as the result of Head Lessor, Owner Participant or an Affiliate of Head Lessor or Owner Participant borrowing funds from one or more Financing Parties, and (c) as a result, Head Lessor may be required to collaterally assign part or all of its interest in the Aircraft and in and under this Agreement to secure the performance of its repayment and other obligations owing to the Financing Parties. Sublessee agrees that, upon the written direction of Sublessor and provided that reasonable notice has been provided, it will consent to any such collateral assignment of Head Lessor's or Sublessor's rights under this Agreement if such collateral assignment is in form and substance satisfactory to Sublessee acting reasonably, except that Sublessor will reimburse Sublessee for any reasonable and documented out-of-pocket expenses associated with complying with this Section 20.11 (including Sublessee's attorney's fees) and such collateral assignment will not increase Sublessee's obligations or reduce Sublessee's rights under this Agreement or under the ATSA. Head Lessor, Owner Participant and any Financing Parties shall be third party beneficiaries of the terms of this Sublease.

20.12 Early Termination Option. Sublessor shall have the option to terminate the leasing of the Aircraft under this Sublease at any time (the last day of such term as set forth in the Termination Notice, the "Early Termination Date"); provided that:

(a) Sublessor shall give Sublessee notice in writing (the "Termination Notice") of exercise of such option not less than [***] months prior to the Early Termination Date (or immediately if the "Carrier Work Order" (as such term is defined in the ATSA) for the Aircraft is terminated for any reason), which Termination Notice shall be irrevocable;

(b) With effect from the receipt by Sublessee of the Termination Notice, the Sublease shall be automatically amended so that the Expiration Date is the Early Termination Date, but all other provisions of the Sublease shall remain in full and unvaried force and effect.

20.13 Construction. Each appendix and schedule associated with this Agreement is hereby incorporated by reference, as if fully set forth herein, and each reference to an "Appendix" or "Schedule" in this Agreement will include all subsections or portions of such appendix or schedule, as same may be amended, restated, or supplemented from time to time. If any provision of this Agreement is determined to be unenforceable in any jurisdiction, the Parties intend that this Agreement be enforced in such jurisdiction as if the unenforceable provisions were not present and that any partially valid and enforceable provisions be enforced in such jurisdiction to the extent that they are enforceable, and further agree to substitute for the invalid provision a valid provision (with respect to such jurisdiction) which most closely approximates the intent and economic effect of the invalid provisions. The section headings of this Agreement are for convenience only and have no interpretive value. References to currency or "$" in this Agreement refer to the Dollar unless otherwise expressly noted. Unless the context otherwise requires, as used in this Agreement, all terms used in the singular will be deemed to refer to the plural as well, and vice versa. The use of the word "including" and similar terms in this Agreement will be construed

without limitation. References in this Agreement to "Business Days" will refer to each day other than a Saturday or Sunday or a day that commercial banking institutions in Seattle, Washington and New York, New York are authorized or required by Law to remain closed and "days" means consecutive calendar days. Each Party and its counsel has reviewed and jointly participated in the establishment of this Agreement.

20.14 Cooperation. Each Party will cooperate with the other Party in good faith in the performance of its respective activities contemplated by this Agreement through, among other things, making available, as reasonably requested by the other Party, such management decisions, information, approvals, and acceptances in order that such activities may be accomplished in a proper, timely and efficient manner. Except as expressly provided otherwise, where agreement, approval, acceptance, or consent of a Party is required by any provision of this Agreement, such action will not be unreasonably withheld or delayed.

Appendix G to
Aircraft Sublease Agreement (MSN [●])

PRE-DELIVERY PROCEDURES AND DELIVERY CONDITION REQUIREMENTS

1. Licenses

(a) It is the responsibility of Sublessee to obtain all licenses, permits or approvals necessary to export or transport the Aircraft from the Delivery Location (although Sublessor agrees to cooperate with Sublessee in obtaining the same) at Sublessor's (or Head Lessor's) cost.

(b) Sublessor will provide Sublessee with any required data and information relating to the Aircraft or Sublessor as are reasonably available to Sublessor for the purposes of obtaining any such licenses, permits or approvals.

2. Inspection

(a) Subject to any applicable purchase agreement, Sublessee shall inspect the Aircraft. To check that the Aircraft fulfils those Delivery Condition Requirements which cannot be checked on the ground, Sublessor will arrange a demonstration flight at its, or previous operator's, cost. This flight would be performed in line with Manufacturer's recommendations for in-service aircraft (subject to then state of registry and state of operator requirements) with up to[***]representatives of Sublessee on board as observers.

(b) If Sublessee's inspection of the Aircraft shows that the Aircraft does not fulfil the Delivery Condition Requirements, Sublessor will correct any Discrepancy and make the Aircraft available for re-inspection by Sublessee provided that, in Sublessor's reasonable opinion, it is not impracticable or prohibitively expensive to correct the Discrepancy.

(c) If Sublessor notifies Sublessee that it does not intend to correct the Discrepancy, either party may terminate the Sublease. In the event of such a termination, all obligations of each party under the Sublease will end on the date of such notice. Sublessee will remain obligated under its indemnity set forth in Section 3 of Appendix G.

(d) Sublessee will carry out the inspections contemplated by Appendix I (*Cargo Aircraft Cabin Interior Standard*). Sublessor will arrange for replacements, repairs or repainting required per Appendix I to be done at Sublessor's cost prior to Delivery. If any such task is not completed prior to Delivery or if there are any Discrepancies agreed by the parties at Delivery, which have not been remedied by Sublessor, but which do not affect the airworthiness or operation of the Aircraft, then these will be noted on the Certificate of Acceptance. Sublessee may remedy those Discrepancies after Delivery at a time convenient to Sublessee during the Term and Sublessor will reimburse Sublessee for the reasonable costs (as mutually agreed in advance) incurred in performing that work. Reimbursement would be subject to receipt by Sublessor of an invoice from Sublessee with supporting documentation for the costs incurred and confirming completion of the work.

3. Indemnity

SUBLESSEE IS RESPONSIBLE FOR AND WILL INDEMNIFY EACH INDEMNITEE AGAINST ALL LOSSES ARISING FROM DEATH OR INJURY TO ANY OBSERVER, REPRESENTATIVE OR ANY EMPLOYEE OF SUBLESSEE (BUT NOT OF ANY INDEMNITEE) IN CONNECTION WITH THE INSPECTION OF THE AIRCRAFT WHETHER OR NOT SUCH LOSSES ARISE OUT OF OR ARE ATTRIBUTABLE TO ANY ACT OR OMISSION, NEGLIGENT OR OTHERWISE, OF ANY INDEMNITEE.

4. DELIVERY CONDITION REQUIREMENTS

THE DELIVERY CONDITION REQUIREMENTS DESCRIBED IN THIS APPENDIX G ARE SOLELY A DESCRIPTION OF THE CONDITION THE AIRCRAFT MUST BE IN FOR SUBLESSEE TO BE OBLIGED TO ACCEPT THE DELIVERY OF THE AIRCRAFT UNDER THE SUBLEASE AND SHALL NOT BE CONSTRUED AS A REPRESENTATION, WARRANTY OR AGREEMENT OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, BY SUBLESSOR WITH RESPECT TO THE AIRCRAFT OR ITS CONDITION, ALL OF WHICH HAVE BEEN DISCLAIMED BY SUBLESSOR AND WAIVED BY SUBLESSEE AS SET FORTH IN THE SUBLEASE.

The definitions used in this Appendix G are as defined below:

Engine Thrust Setting:	[***]
Minimum APU Limit:	[***]
Minimum Component Calendar Life:	[***]
Minimum Component Cycles:	[***]
Minimum Component Flight Hours:	[***]
Minimum Engine Cycles:	[***]
Minimum Engine LLP Cycles:	[***]
Minimum Engine Flight Hours:	[***]
Minimum Landing Gear Calendar Time:	[***] Months
Minimum Landing Gear Cycles:	[***]
Required EGT Margin:	Each Engine will have sufficient EGT margin to achieve the Minimum Engine Hours and Minimum Engine Cycles at full take-off thrust on flat rated seal level day but not less than [***] degrees.

Sublessee will check for the following Delivery Conditions Requirement:

4.1 **General**

The Aircraft:

(a) has been thoroughly cleaned prior to Delivery and is in the configuration agreed herein;

(b) has installed the full complement of equipment, parts, accessories, furnishings, required markings and loose equipment as are normally installed in the Aircraft for continued regular service and the Aircraft (including the Aircraft Documents) is in a condition suitable for immediate operations under IR-OPS or FAR Part 121 (as applicable), without waiver or restriction;

(c) has a valid certificate of airworthiness;

(d) complies with the Manufacturer's original specifications, except for example as modified by any previous operator in accordance with service bulletins, ADs or similar requirements;

(e) has undergone, immediately prior to Delivery, the Airframe check provided herein as a Delivery Condition Requirement;

(f) (i) complies with all outstanding ADs affecting that model of Aircraft issued prior to the Anticipated Delivery Month and within the AD Compliance Period (for this purpose: compliance will be by terminating action if the latest date permitted by the AD for required compliance by terminating action falls within the AD Compliance Period and references in this sub-clause (f) to "AD Compliance Period" refer to time after Delivery, not after the Expiration Date) and (ii) is not subject to any time extensions, waivers, deviations or alternative means of compliance with any ADs or other Regulations that are non-transferable by previous operator;

(g) has installed all applicable vendor's and manufacturer's service bulletin kits received free of charge by previous operator related to the Aircraft or, to the extent not installed, that those kits will be furnished free of charge to Sublessee;

(h) is in such external livery as agreed herein;

(i) has all signs and decals clean, secure and legible;

(j) meets ICAO requirements then in effect for the noise certification of the Aircraft, without waiver or restriction;

(k) has no open, deferred, continued, carry over or placarded log book items or watch items and that all log book discrepancies have been cleared;

(l) has had any damage repaired to a permanent repair standard with no additional inspections or other action required in relation to such repairs. If such a repair is not achievable, then the repair shall be to a permanent repair standard, subject to Manufacturer required supplemental inspections of the highest achievable initial inspection threshold and repeat intervals. If a permanent repair with supplemental inspections has been performed and a related inspection would be required to be carried out within [***] Cycles after Delivery, then immediately prior to Delivery, that the inspection has been carried out to clear the Aircraft for the maximum time then achievable. If there are repairs to any fatigue critical structure, requiring damage tolerance analysis, one of the following Manufacturer approvals shall be provided:

(1) approval providing an initial threshold for inspections and which is valid until that threshold is reached (sometimes termed by an airframe manufacturer as a stage 2 approval) and with a minimum of [***]Cycles remaining to that threshold; or

(2) approval (which is not time limited) setting out the inspection requirements, including the repeat interval and inspection method (sometimes termed by an airframe manufacturer as a stage 3 approval) with a minimum of [***] Cycles remaining until the next such inspection is required.

(m) has all its systems serviceable and fully operational for their intended functions in accordance with the Manufacturer's maintenance manual specifications;

(n) has no leaks exceeding the limits specified in the Manufacturer's maintenance manual; and

(o) no longer has the previous operator's logos, branding and other identifying marks.

4.2 **Components**

(a) Each Flight Hour and Cycle controlled Hard Time Component (other than the APU itself – but including components of the APU) has not less than the Minimum Component Flight Hours and/or the Minimum Component Cycles (whichever is more restrictive) of life remaining to the next scheduled removal, in accordance with the previous operator's maintenance program and is supported by documentation certifying date of installation, TSO and CSO (if overhaul is the mandatory action required by the Maintenance Program) or TSR/CSR with a EASA Form 1, FAA form 8130-3 or equivalent; in this sub-paragraph "Hard Time Component" means any component which has a limited on-wing life in accordance with previous operator's maintenance program and which can have life fully restored through appropriate maintenance;

(b) Each calendar-limited component including safety equipment has not less than its Minimum Component Calendar Life remaining to the next scheduled removal in accordance with the previous operator's maintenance program and is supported by documentation indicating date of installation and by appropriate certification documentation indicating date of manufacture (where applicable) and date of overhaul in the form of EASA Form 1, FAA Form 8130-3 or equivalent as applicable;

(c) Each "on-condition" and "condition-monitored" component is serviceable;

(d) Each Airframe Life-Limited Component has not less than the Minimum Airframe Life Limited Component Flight Hours and the Minimum Airframe Life Limited Component Cycles remaining to next scheduled removal and is supported by documentation necessary to demonstrate accumulated Cycles. The certification to consist of a release certificate from the overhaul agency reflecting last repair or overhaul applicable or required by the Maintenance Program with supporting documentation listing part number, serial number, accumulated Cycles and last operator for each installed Airframe-Life Limited Component; for this purpose, "Airframe-Life Limited Component" means a component with an ultimate life which cannot be restored through appropriate maintenance.

4.3 **Engines**

(a) Each Engine is installed on the Aircraft and has not less than Minimum Engine Flight Hours and Minimum Engine Cycles expected life remaining to the next expected removal.

The expected life remaining is to be determined by inspection and checks accomplished before Delivery taking account, where available, of:

(i) full borescope inspection;

(ii) analysis of trend data;

(iii) SLOATL assessment or minimum last [***] qualifying flights (excluding the first flight of the day);

(iv) maximum power assurance ground runs;

(v) technical log analysis for a minimum of the previous [***] months of operation;

(vi) previous shop visit assessment (if applicable); and

(vii) in accordance with manufacturer's maintenance manual.

(b) Following the demonstration flight provided for by Section 2 of this Appendix G, each Engine has just completed at the Delivery Location a complete video borescope inspection of all Engine gas path modules (that inspection performed at Sublessor's expense) and a power assurance run (performed at Sublessor's expense) in accordance with Manufacturer's maintenance manual, in each case Sublessor shall use commercially reasonable efforts to ensure that Sublessee may have one representative present to witness the inspections. Any Discrepancies discovered exceeding the Engine manufacturer's in-service limits have been corrected at Sublessor's expense. Sublessor shall have provided a DVD (or other electronic media) of the borescope inspections it had performed to Sublessee. No Engine is on "watch" for any reason requiring any special or out of sequence inspection. Each Engine complies with the operations specification of the previous operator without waiver or exceptions and there being no items beyond the Engine manufacturer's in-service limits;

(c) Each Engine Life-Limited Part has not less than the Minimum Engine LLP Cycles remaining in accordance with the manufacturer's then current limitations for the part number in question, and is supported by certification documentation necessary to demonstrate Back-To-Birth Traceability; for this purpose, "Life Limited Part" means a component with an ultimate life which cannot be restored through appropriate maintenance approved by the State of Design of the manufacturer;

(d) Each Engine is in a condition to operate at a maximum rated take-off power at sea level under corner point or flat rate conditions and with the Required EGT Margin; and

(e) Each Engine is rated at the Engine Thrust Setting (all delivery conditions of this paragraph being based on such Engine Thrust Setting).

4.4 **Fuselage, Windows and Doors**

(a) The fuselage is free of dents and abrasions exceeding the limits specified in the Manufacturer's maintenance manual or structural repair manual;

(b) Cockpit windows are free of delamination exceeding the limits specified in the Manufacturer's maintenance manual or structural repair manual;

(c) Cabin windows are substantially free of blemishes and crazing and properly sealed;

(d) Doors are free moving, correctly rigged and fitted with serviceable seals; and

(e) Sublessor has supplied a survey or map of the Airframe identifying the specific location of each repair and allowable damage (e.g. dents and scratches) with a reference to the applicable approved data, accomplishment records and (if applicable) next inspection threshold.

4.5 **Wings and Empennage:** Leading edges are free from damage in excess of the limits specified in the Manufacturer's maintenance manual or structural repair manual.

4.6 **Landing Gear; Tires and Brakes**

(a) The Landing Gear and wheel wells are clean and repaired as necessary;

(b) Each installed Landing Gear has not less than the Minimum Landing Gear Flight Hours and the Minimum Landing Gear Cycles and the Minimum Landing Gear Calendar Time to the next scheduled overhaul or removal, as the case may be, in accordance with the then current Manufacturer's Maintenance Planning Document;

(c) The tyres and brakes have not less than half of their useful life remaining; and

(d) The Landing Gears have full Back-To-Birth traceability such that the Aircraft Documents contain the following information since new in relation to each Landing Gear: the aircraft upon which the Landing Gear was installed, the duration of such installation and the identity of each relevant aircraft operator, the origin of each Part (when new) installed on the Landing Gear, details of expired life and particulars of all maintenance undertaken to the Landing Gear.

RETURN CONDITION REQUIREMENTS

On Return, Sublessee will redeliver the Aircraft to Sublessor in accordance with the procedures and in the condition set out below.

FINAL INSPECTION

Immediately prior to Return, Sublessee will make the Aircraft available to Sublessor and its designees for inspection ("Final Inspection") to verify that the condition of the Aircraft complies with the Sublease. The Final Inspection will include, and be long enough to permit Sublessor and its designees to:

(a) inspect the Aircraft Documents;

(b) inspect the Aircraft, any uninstalled Parts and the APU (including a complete video borescope inspection). The inspection may include examining compartments and bays, so Sublessee will open or remove panels as reasonably required by Sublessor.

(c) inspect the Engines, including (i) a complete video borescope inspection of (A) the low pressure and high-pressure compressors and (B) turbine area, including combustors, and (ii) engine condition runs, including full take-off power engine run-up performed in accordance with the performance test in the Manufacturer's maintenance manual, and the Engines shall not exceed corrected limits for all parameters using temperature corrected charts, and power assurance runs; and

(d) observe a [***] hour demonstration flight performed by Sublessee at Sublessee's cost (with Head Lessor's, Owner Participant's and Sublessor's representatives as on-board observers).

Sublessee acknowledges that a purchaser or the next operator of the Aircraft may need to inspect the Aircraft, the Engines and the Aircraft Documents prior to redelivery. Sublessee agrees to cooperate reasonably upon reasonable prior written notice at all times during normal business hours during the Term with Sublessor and such purchaser or next operator to coordinate, assist and grant access for such inspections and/or meetings; provided that any such inspection shall not result in an unreasonable disruption to Sublessee's business operations or to the scheduled operation of the Aircraft.

As between Sublessor and Sublessee, Sublessor is responsible for and will indemnify Sublessee against all Losses arising from the death or injury to any observer or any employee of Head Lessor, Owner Participant or Sublessor, as the case may be, in connection with the Final Inspection of the Aircraft.

When Sublessor takes redelivery, the amount of fuel on the Aircraft will be checked and compared with the amount of fuel noted in the Certificate of Acceptance at Delivery. If the Aircraft is redelivered with more fuel than at Delivery, Sublessor will pay Sublessee for the difference. If the Aircraft is redelivered with less fuel than at Delivery, Sublessee will pay Sublessor for the difference. In each case the payment will be calculated using the prevailing cost at redelivery of fuel at the Return Location.

USPS Provisions

A. Ground Services.

1. Personnel Screening. Sun Country Providers will comply with the USPS's personnel screening requirements, in addition to any air carrier or TSA security program requirements, for any Personnel with "access to the mail." Access to the mail refers to ground handling, scanning, transporting, sorting, loading, and unloading mail, and includes supervisory duties in directing these activities. USPS screening requirements include a criminal background check, fingerprinting, drug screening, and US citizenship or documented work authority. Sun Country Provider Personnel will be required to complete various forms and certifications that will be submitted to the Postal Service Security Investigations Service Center for review. Access to the mail will be permitted only after all required checks are completed, except that interim access will be provided pending USPS completion of the criminal history check.

2. Security. Sun Country Providers will comply with the USPS requirements with respect to security and segregation of USPS cargo.

3. Hazardous Materials. Without limiting their obligations under the Agreement with respect to Hazardous Materials, Sun Country Providers will, as applicable, participate in the completion and submission of information into the *Mail Piece Incident Reporting Tool (MIRT)*, the USPS intranet tool for the collection of information on leaking and other non-mailable items or through completion of Form 1770 – Mail Piece Spill or Leak Incident Report. Any incident which occurs while on board an aircraft will require completion of DOT Form F-5800 (01-2004), *Hazardous Materials Incident Report*, and any other reporting requirements, as applicable.

4. Electronic Data Interchange (EDI) and Reporting. Sun Country Providers will use the EDI methods specified by Amazon to transmit and receive volume, tender, possession scan, load scan, and delivery scan information from its system to Amazon and the USPS, as directed by Amazon. In addition, Sun Country Providers will satisfy all requirements relating to the content, timing, and format of any reports or data reasonably required by Amazon to meet the requirements of the USPS Prime Contracts, including daily reports with truck arrival times and unscanned volume (including a detailed reason the cargo wasn't scanned).

5. Repossession of Mail by USPS. USPS or Amazon may at any time take possession of, or require Sun Country Providers to return, any or all mail in the possession of a Sun Country Provider.

6. USPS Customer Address Information. Sun Country Providers will not use any information or customer information it may obtain from operations concerning the USPS under the Agreement for marketing or any other purposes. Sun Country Providers and any of their Personnel in possession of address information or information concerning USPS customers may not disclose such information to any personnel that do not have a need to know such information and under no circumstances disclose any such information to any personnel involved in marketing activities.

7. USPS Employees Allowed Access. Sun Country Providers will allow escorted USPS employees showing proper credentials access to all buildings, field areas, and ground equipment being used to sort, stage, or transport mail. Sun Country Providers will notify Amazon of all such requests for access as soon as possible. Government regulations (*i.e.* TSA) will supersede this provision.

8. Damages for Delayed, Damaged, Stolen, Lost, or Non-Scanned Mail. Subject to the limitations set forth in Section 8 of the Agreement, Sun Country and the Sun Country Providers will be liable to Amazon for any reduced payments, losses, damages, investigative costs, or other claims asserted by USPS relating to delayed, damaged, stolen, or lost mail, or other performance failures (e.g., untimely performance, failure to obtain required container scans), for which Sun Country Providers or their Personnel are responsible. In the event that Sun Country or a Sun Country Provider disagrees with any reduced payments, losses, damages, investigative costs, or other claims asserted by USPS relating to delayed, damaged, stolen or lost mail or other performance failures, it may challenge the claim in accordance with Section C(1).

B. USPS Standard Clauses. The following requirements arise from the USPS standard terms and conditions. The full text of each clause specified below is incorporated by reference and can be found in the USPS *Supplying Principles and Practices* manual. The brief summary appearing after the clause name is for the convenience of the parties and does not necessarily set out all of its components or requirements. Sun Country will comply, and will cause each of the Sun Country Providers to comply, with each clause to the extent the terms of the clause applies to subcontractors and, in that case, interpreted as modified by the prime contractor-subcontractor relationship.

1. "Privacy Protection (October 2014)," USPS Clause 1-1, requiring, among other things, the protection and non-disclosure of address information and adherence to the USPS Privacy Policy.

2. "Other Contracts (March 2006), USPS Clause B-45, requiring subcontractors to cooperate fully with any other suppliers and Postal Service employees, and carefully fit in its own work as may be directed by the Contracting Officer. Subcontractors must not commit or permit any act that will interfere with the performance of work by any other supplier or by USPS employees.

3. "Protection of the Mail (March 2006), USPS Clause B-77 (Tailored), requiring, among other things, subcontractors to protect and safeguard the mail from loss, theft, or damage while it is in a Sun Country Provider's custody or control and prevent unauthorized persons from having access to the mail.

4. "Equal Opportunity (March 2006)," USPS Clause 9-7, requiring compliance with Executive Order 11246, as amended. Subcontractors agree not to discriminate against any employee or applicant because of race, color, religion, sex, or national origin; to have approved affirmative action plans when 50 or more employees are located in one facility; and to annually submit Standard Form EEO-1.

5. "Service Contract Act (March 2006)," USPS Clause 9-10. Subcontractors agree to pay any employees who are directly engaged in the performance of service under this Agreement, in whole or in part, not less than the hourly wages and fringe benefit required under the applicable Area Wage Determinations issued by the Wage & Hour Division of the U.S. Department of Labor under the Service Contract Act or applicable DOL approved Collective Bargaining Agreement. Subcontractors agree to allow inspection of its records to determine compliance.

6. "Information or Access by Third Parties (March 2006)," USPS Clause B-81. All requests by non-postal individuals (including employees of subcontractors) about mail matter in the custody of a subcontractor or for access to mail in the custody of a subcontractor or Amazon must be referred to the contracting officer or his or her designee.

7. "Access by Officials (March 2006)," USPS Clause B-82 (Tailored). Subcontractors will deny access to the cargo compartment of a vehicle or aircraft containing mail therein to state or local officials except at a postal facility and in the presence of a postal employee or Postal Inspection Service officer, unless to prevent damage to the aircraft, vehicle or their contents. If authorized Federal law enforcement seeks access to the cargo compartment of aircraft or vehicles containing mail therein, subcontractors will notify the Postal Inspection Service before permitting access, unless to prevent immediate damage to the aircraft, vehicle or their contents.

8. "Advertising of Contract Awards (February 2013)," USPS Clause B-25. Subcontractors will not refer in its public statements or commercial advertising to the fact that it is performing a subcontract under a USPS contract or imply in any manner that USPS endorses its products.

9. "Use of Former Postal Service Employees (March 2006)," USPS Clause 1-12. Subcontractor must identify any former USPS employees it proposes to be engaged, directly or indirectly, in contract performance. Such individuals may not commence performance without the contracting officer's prior approval. If the contracting officer does not provide such approval, the supplier must replace the proposed individual former employee with another individual equally qualified to provide the services.

This requirement does not apply to former USPS employees paid on an hourly basis (e.g., drivers, clerks, letter carriers, mail handlers); former USPS employees who supervised such hourly workers: and former USPS employees who last worked for USPS more than three years from the commencement of this contract. Subcontractor will not hire any former USPS employee to be directly engaged in contract performance who it knows has been separated from USPS for cause (e.g., poor performance, personal conduct, etc.).

10. *If the value of this Agreement exceeds $10,000*:

"Certification of Nonsegregated Facilities" (Provision 4-3, D.3.). Subcontractor is required to furnish a Certification of Nonsegregated Facilities as prescribed by the terms of Provision 4-3.

"Affirmative Action for Handicapped Workers (March 2006)," USPS Clause 9-13, requiring, among other things, subcontractors not to discriminate against any employee or applicant because of physical or mental disability; and to have an approved affirmative action plan if applicable.

"Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era, and Other Eligible Veterans (February 2010)," USPS Clause 9-14, requiring, among other things, subcontractors not to discriminate against the individual because the individual is a special disabled veteran, a veteran of the Vietnam era, or other eligible veteran regarding any position for which the employee or applicant for employment is qualified; and to have an approved affirmative action plan if applicable.

12. *If the value of this Agreement exceeds $1,000,000:*

"Small, Minority, and Woman-owned Business Subcontracting Requirements (February 2018)," USPS Clause 3-1, requiring subcontractors (if subcontractor is not a small business) to have an approved written subcontracting plan that includes goals for utilization of small, minority-owned, and woman-owned business concerns.

C. Disputes.

1. Any controversy, dispute, difference, disagreement, or claim between Amazon and Sun Country or a Sun Country Provider relating to this Agreement that arises from any USPS cause, act, or omission may be processed under the applicable USPS Prime Contract's "Claims and Disputes" clause. Sun Country and the Sun Country Providers agree to cooperate with Amazon in such process and be bound by the result obtained. Sun Country and the Sun Country Providers will allow a reasonable time for Amazon to consider and forward to them claims and related communications and materials from USPS. Amazon may, at its option, present a Sun Country Provider's claim as part of its own claim or allow the Sun Country Provider to present its claim to USPS in Amazon's name when permitted to do so. Amazon may invoke on behalf of a Sun Country Provider, or allow a Sun Country Provider to invoke, the dispute provisions in the applicable USPS Prime Contract, but Amazon is not required to advance or certify a claim when it cannot do so, after diligent investigation, in good faith. Sun Country and each Sun Country Provider, at its own expense, will furnish all documents, statements, witnesses, and other information required by Amazon and will retain and pay legal counsel of its own choosing (but in any event reasonably acceptable to Amazon) and at its sole expense, and will pay or reimburse all reasonable costs incurred by Amazon in connection with the dispute. Payments under this section will be adjusted by a Sun Country Provider's allocable share of funds recovered and/or paid on account of such claim.

AMENDMENT NO. 1 TO AIR TRANSPORTATION SERVICES AGREEMENT

This Amendment No. 1 to Air Transportation Services Agreement ("Amendment No. 1"), dated as of June 30, 2020 ("Amendment No. 1 Effective Date"), will amend that certain Air Transportation Services Agreement dated as of December 13, 2019 ("Agreement") by and between Sun Country, Inc., a Minnesota corporation ("Sun Country"), and Amazon.com Services LLC (successor to Amazon.com Services, Inc.), a Delaware company ("Amazon"). Sun Country and Amazon are also referred to collectively herein as the "Parties" or each, individually, as a "Party".

RECITALS

Pursuant to the Agreement, Sun Country provides air cargo transportation services to Amazon; and

The Parties have agreed to further amend the Agreement as described in this Amendment No. 1.

NOW, THEREFORE, for and in consideration of the mutual terms and conditions set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. Defined Terms. All capitalized terms used herein and not otherwise defined will have the meanings given to those terms in the Agreement.

2. Amendment. As of the Amendment No. 1 Effective Date, the Agreement is amended as follows:

   2.1 Section 2.10.1 is amended by striking the following sentence capping the number of Block Hours in March 2021: "The Parties agree that the Flight Schedule for the calendar month of March 2021 will not exceed an average of 220 Block Hours per Aircraft then subject to a Carrier Work Order."

   2.2 Exhibit A is amended by adding two additional Committed Aircraft with Services Commencement Dates in October 2020 and November 2020. For clarity, no additional start-up costs will be payable by Amazon to Sun Country under Section 3.2 of the Agreement or otherwise with respect to such Committed Aircraft. The updated Exhibit A is attached hereto as Attachment 1.

2.3 Exhibit F is amended by reducing the Fixed Monthly Charge to [***], provided that: (a) Amazon will continue to pay Sun Country the current Fixed Monthly Charge of [***] for the first 10 Committed Aircraft listed on Exhibit A (the "**Initial Committed Aircraft**") between the Amendment No. 1 Effective Date and the date on which Sun Country takes delivery of the 12th Committed Aircraft under an Aircraft Sublease (the "**Holdback Period**"); and (b) Sun Country will credit Amazon an amount equal to difference between (i) the aggregate Fixed Monthly Charges of [***] that Amazon will have paid Sun Country for the Initial Committed Aircraft during the Holdback Period and (ii) the aggregate amount of Fixed Monthly Charges of [***] that Amazon would have otherwise paid Sun Country for the Initial Committed Aircraft during the Holdback Period, on the next Monthly Invoice (the "**Credit Amount**"), provided that, in any case, the Credit Amount will not exceed [***]. The updated Exhibit F is attached hereto as Attachment 2.

3. December 2020 Block Hours. Subject to Section 2.3 of the Agreement, Amazon estimates the Flight Schedule will include an average of approximately 254 Block Hours per Aircraft for the month of December 2020.

4. Ratification. All of the terms and provisions of this Amendment No. 1 are incorporated by reference into the Agreement as appropriate and as indicated as if such terms and provisions were set forth in full in the Agreement. The Agreement is, and will continue to be, in full force and effect and is ratified and confirmed by the Parties in all respects.

5. No Limitation. Nothing contained in this Amendment No. 1 will in any way limit, waive, modify or terminate any of the liabilities or obligations of either Party under the Agreement except as expressly provided in this Amendment No. 1.

6. Counterparts. Each Party may effect the execution and delivery of this Amendment No. 1 by facsimile or electronic transmission (including in portable document format or by electronic signature) of one or more signed counterparts that together will constitute one and the same instrument.

7. Governing Law. The internal laws of the State of New York, excluding its conflicts of law rules, govern this Amendment No. 1. The Parties irrevocably submit to the exclusive personal jurisdiction and venue in the federal and state courts in New York County, New York for any dispute arising out of this Amendment No. 1 and waive all objections to jurisdiction and venue of such courts.

SCA ACQUISITION HOLDINGS, LLC
WARRANT TO PURCHASE SHARES

This Warrant is issued to Amazon.com NV Investment Holdings LLC (the "***Holder***") by SCA Acquisition Holdings, LLC (the "***Company***"). The Holder is entitled to exercise this Warrant to purchase equity of the Company (the "***Warrant Shares***") as more particularly described in ***Exhibit A*** hereto (the "***Schedule of Terms***"), on the terms provided herein and in the Schedule of Terms. The Warrant Shares will vest and become exercisable in accordance with the vesting terms provided in the Schedule of Terms, and this Warrant is non-forfeitable with respect to vested Warrant Shares.

1. Exercise of Warrant

1.1 Exercise Period. This Warrant may be exercised by the Holder, in whole or in part, at any time during the Exercise Period (as defined in the Schedule of Terms); provided, however, that if such exercise would result in the Holder acquiring beneficial ownership of Warrant Shares (together with all other equity of the Company owned by the Holder at such time) with a value of or in excess of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "***HSR Act***"), notification threshold applicable to the Holder (the "***HSR Threshold***"), and no exemption to filing a notice and report form under the HSR Act is applicable, then only such portion of this Warrant, which when exercised does not exceed the HSR Threshold, shall be exercised and the applicable Notice of Exercise shall be deemed to relate only to such portion of this Warrant, and the exercise of the remaining portion of this Warrant in excess of the HSR Threshold shall not occur until the expiration or early termination of the applicable waiting periods or receipt of applicable approval. The Exercise Period will be stayed during any waiting period imposed by the HSR Act or any other applicable antitrust or competition law.

1.2 Method of Exercise. The Holder may exercise this Warrant by delivering to the Company (a) this Warrant, (b) the Notice of Exercise attached as ***Exhibit B*** hereto, duly executed by the Holder, indicating whether the Holder elects to purchase Warrant Shares for cash or if the Holder elects to exercise on a net issuance basis and (c) if the Holder is not then a party thereto, a joinder to the Company's Amended and Restated Limited Liability Company Agreement, as may be amended and restated from time to time (the "***Company LLCA***") and Amended and Restated Stockholders' Agreement, as may be amended and restated from time to time (the "***Company SHA***"); provided, that (a) the Holder shall not be bound by or subject to any term in the Company LLCA and/or the Company SHA that would (i) in any way, directly or indirectly, restrict, limit, impair, or restrain, or impose any requirement in respect of, the conduct and operation of the businesses of Amazon.com, Inc. or its affiliates, or permit any restriction, limitation, impairment, or restraint on, or the imposition of any requirement in respect of, the conduct and operation of the businesses of Amazon.com, Inc. or its affiliates, (ii) restrict the Holder from transferring any Warrant Shares to Amazon.com, Inc. or any of its affiliates or (iii) result in the grant of any proxy or power of attorney by the Holder, and (b) in the event that the Company LLCA or Company SHA contains a come-along or drag-along right with respect to a sale of the Company binding on the Holder with respect to its Warrant Shares, such come-along or drag-along right shall be subject to the following requirements: (1) all Warrant Shares held by the Holder are entitled to receive the same form and amount of consideration with respect to such shares upon consummation of the proposed transaction (the "***Drag-Along Transaction***") as all other holders of shares of the same class as the Warrant Shares are entitled to receive with respect to their shares upon consummation of the Drag-Along Transaction; (2) any representations and warranties to be made by the Holder in connection with the Drag-Along Transaction are limited to representations and warranties related to authority, ownership of the Warrant Shares held by the Holder and the ability to convey title to such Warrant Shares; (3) the Holder shall not be required to enter into any indemnity agreement or otherwise be liable for the inaccuracy or breach of any representation or warranty made by any other person in connection with the Drag-Along Transaction (except for payments from an escrow covering such breach or inaccuracy by (A) the Company or (B) other shareholders of the Company with respect to identical representations and warranties provided by all shareholders), and the Holder's aggregate liability in connection with the Drag-Along Transaction is pro rata in proportion to, and does not exceed, Holder's net proceeds actually received in such Drag-Along Transaction; (4) the Holder shall not be required to enter into any covenant, obligation, or release, except, in the case of a release, solely to the extent the release is limited to claims arising in the Holder's capacity as a stockholder of the Company; (5) the Drag-Along Transaction shall have been approved by the Board (as defined below); (6) all other equityholders of the Company are required to participate in such Drag-Along Transaction or shall have agreed to participate in such Drag-Along Transaction, in each case on terms no more beneficial to them than those set forth in this Section 1.2; and (7) the Company shall have complied with its obligations under the section titled "Right of First Notice" in the Schedule of Terms.

1.3 Cash Exercise. If the Holder elects to exercise this Warrant to purchase Warrant Shares for cash, the Holder will make payment by check or wire transfer, in the amount of the Exercise Price (as defined in the Schedule of Terms, subject to adjustment as provided herein) multiplied by the number of Warrant Shares for which this Warrant is being exercised. The Exercise Price is the product of an arms'-length negotiation and is intended to reflect the present fair market value of the Warrant Shares.

1.4. Net Issuance. If the Holder elects to exercise this Warrant on a net issuance basis, the Holder will not be required to make a cash payment, and the Company will issue to the Holder a number of Warrant Shares computed using the following formula:

$$X = \frac{(A - B) \times C}{A}$$ where:

X = the number of Warrant Shares to be issued to the Holder;

A = the Fair Market Value of one Warrant Share on the date of net issuance exercise;

B = the Exercise Price (as adjusted to the date of such calculation); and

C = the number of Warrant Shares issuable under this Warrant or, if only a portion of this Warrant is being exercised, the number of Warrant Shares as to which the Holder elects to exercise.

2. Delivery of Certificates; No Fractional Shares

Within five days after exercise of this Warrant, the Company will at its expense issue and deliver to the Holder (a) a certificate or certificates for the number of Warrant Shares to which the Holder is entitled upon such exercise or, if the Company does not issue certificates for its securities, an electronic certificate or other evidence of the valid issuance of the number of Warrant Shares to which the Holder is entitled upon such exercise, and (b) if applicable, a new warrant with terms identical to this Warrant to purchase that number of Warrant Shares as to which this Warrant has not been exercised. The Holder will for all purposes be deemed to have become the holder of record of such Warrant Shares on the date this Warrant is exercised, irrespective of the date of delivery of certificate(s) representing the Warrant Shares. No fractional shares or scrip will be issued upon the exercise of this Warrant. In lieu of a fractional share or scrip, the Company will pay the Holder an amount in cash equal to the Fair Market Value of the fractional share on the date of exercise.

3. Representations, Warranties, and Covenants

3.1 The Company represents and warrants that it is duly organized, validly existing, and in good standing under the laws of its jurisdiction of formation. Assuming the accuracy of the representations of the Holder under Section 9, the Company represents and warrants that all corporate actions, approvals, and consents on the part of the Company, its officers, directors, equityholders, and any third party, necessary for the sale and issuance of this Warrant and the Warrant Shares have been taken, including the reservation of sufficient Warrant Shares.

3.2 The Company represents and warrants that the capitalization table attached as ***Exhibit C*** hereto accurately and completely reflects the Company's authorized and issued equity capital as of the Issue Date. All of the outstanding shares of equity of the Company have been duly authorized, are fully paid and nonassessable, and were issued in compliance with applicable law.

3.3 The Company covenants that at all times during the Exercise Period there will be reserved for issuance such number of shares as is necessary for exercise in full of this Warrant. All Warrant Shares issued pursuant to the exercise of this Warrant will, upon their issuance, be validly issued and outstanding, fully paid and nonassessable, free and clear of all liens and other encumbrances or restrictions on sale, and free and clear of all preemptive rights, and such Warrant Shares will be issued free from all taxes, liens, and charges with respect to the issuance thereof.

3.4 The Company will not, directly or indirectly, by charter amendment or by reorganization, sale or transfer of assets, consolidation, merger, dissolution, issuance or sale of securities, or any other voluntary action (excluding for this purpose ordinary course operation of the Company's business), (a) except as otherwise permitted by the terms of this Warrant, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times and in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights and interests of the Holder against impairment, or (b) take any action which is adverse to the rights and interests granted to the Holder in this Warrant without making appropriate provision to preserve such rights and interests or otherwise conflicts with the provisions hereof in a manner adverse to the Holder. The Company will not amend the Warrant Agreement, dated as of April 11, 2018, by and between the Company and AP VIII (SCA Warrant AIV), L.P. in a manner that is adverse to the rights and interests granted to the Holder in this Warrant without making appropriate provision to preserve such rights and interests.

4. Certain Events

4.1 Change of Control. Subject to, for the avoidance of doubt, the Schedule of Terms, in the event of (i) a Change of Control (as defined below) or (ii) a Significant Minority Event during the Exercise Period in which the consideration to be received by the Company or the stockholders of the Company, as the case may be, consists solely of cash (a "***Cash Sale***") and at the time of such Change of Control or Significant Minority Event the Holder has not exercised this Warrant in full prior to consummation of such Cash Sale, and if the Fair Market Value of one Warrant Share (as of the closing date of such Cash Sale) is greater than the Exercise Price, then, in the case of such a Change of Control, or in the case of such a Significant Minority Event at the election of the Holder in its sole

discretion (it being understood that any such election shall apply only to such Significant Minority Event and not to any other Change of Control or Significant Minority Event), this Warrant will be deemed automatically exercised with respect to each vested Warrant Share (including any Warrant Shares that vest immediately prior to the consummation of such Cash Sale in accordance with the Schedule of Terms) pursuant to a net issuance exercise under Section 1.4 (even if not surrendered) immediately before the consummation of such Cash Sale, and the Holder shall have the right to receive a portion of the proceeds payable in the Cash Sale equal to the amount payable to holders of the same number and class of shares as the Holder is entitled to receive pursuant to such exercise. This Warrant will automatically terminate (without relieving the Company or its successor of any obligations arising from a prior breach or non-compliance) with respect to such vested Warrant Shares following the payment of the amounts due to the Holder in connection with such Cash Sale. If any Warrant Shares are not vested at the consummation of any Cash Sale (taking into account any Warrant Shares that vest immediately prior to the consummation of such Cash Sale), and if the Fair Market Value of one Warrant Share (as of the closing date of such Cash Sale) is greater than the Exercise Price, then the Company will cause the acquiring, surviving, or successor person to assume the obligations of this Warrant with respect to such then-unvested Warrant Shares, and this Warrant will thereafter be exercisable with respect to such then-unvested Warrant Shares for securities of the acquiring, surviving, or successor person (and in any such case, appropriate adjustment shall be made in the application of the provisions of this Warrant with respect to the rights and interests of the Holder after such Cash Sale such that the provisions of this Warrant shall be applicable after that event, as near as reasonably may be, in relation to any securities deliverable after that event upon the exercise of this Warrant) and any reference herein to "Warrant Shares" shall include any other securities of the acquiring, surviving or successor person. If there is a Change of Control during the Exercise Period in which the consideration to be received by the stockholders of the Company consists of securities or other non-cash property (such Change of Control, a "***Non-Cash Sale***"), then the Company will cause the acquiring, surviving, or successor person to assume the obligations of this Warrant, and this Warrant will thereafter be exercisable for the same securities or other property that a holder of the same class of shares as the Warrant Shares would have been entitled to receive in connection with such transaction if such holder held the same number of shares as were purchaseable under this Warrant if this Warrant had been exercised immediately before the consummation of such Non-Cash Sale, subject to further adjustment from time to time in accordance with the provisions of this Warrant. For purposes of this Warrant, the term "***Significant Minority Event***" means any transaction or series of related transactions in which 30% or more of the Company's voting power is transferred to a person or group (within the meaning of the Exchange Act) other than the Company's equityholders or their affiliates immediately prior to such transaction or series of transactions.

4.2. Listing Event.

(a) In the event that the Company undertakes a Listing Event (as defined below), the Company will provide the Holder with notice prior to filing or submitting a registration statement (including a draft registration statement) that includes disclosure of beneficial owners of the Company's equity in connection with a Listing Event (a "***Listing Event Notice***"). The Listing Event Notice must be provided at least 14 days prior to the earlier of (i) the "as of" date used by the Company for disclosure of beneficial owners and (ii) the date on which a Listing Event occurs.

(b) In the event that the Company determines that this Warrant or the terms hereof are required to be disclosed in connection with the Listing Event, the Company will provide the Holder with prompt written notice and an opportunity to comment on the proposed disclosure before such disclosure is made and, if reasonably requested by the Holder, will use commercially reasonable efforts (in cooperation with the Holder) to redact, seek a protective order or confidential treatment, or take other appropriate action to avoid such disclosure.

(c) Notwithstanding anything in this Warrant to the contrary: (i) from and after Holder's receipt of a Listing Event Notice properly provided pursuant to Section 4.2(a), the Company will not honor any exercise of this Warrant, and the Holder will not have the right to exercise any portion of this Warrant, to the extent that, after giving effect to an attempted exercise set forth on the applicable Notice of Exercise, the Holder (or any of its affiliates and other persons whose beneficial ownership of the relevant securities would be aggregated with Holder's for purposes of Section 13(d) or Section 16 of the Exchange Act) would beneficially own in excess of 4.999% of any class of voting equity securities subject to the Exchange Act, calculated in accordance with Section 13(d) of the Exchange Act and the related rules and regulations and after giving effect to the exercise of this Warrant; (ii) none of the limitations of clause (i) will be taken into account when determining the amount of securities or other non-cash property subject to the assumed Warrant or the amount of cash the Holder is entitled to receive in the event of a Change of Control or Significant Minority Event; (iii) if a Listing Event Notice is not properly provided, the limitations of clause (i) will go into effect immediately prior to the "as of" date used by the Company for disclosure of beneficial owners in any registration statement; (iv) the provisions of this sentence should be construed and implemented in a manner otherwise than in strict conformity with the terms of this sentence to correct this sentence (or any portion hereof) which may be defective or inconsistent with the intended beneficial ownership limitation of clause (i) or to make changes or supplements necessary or desirable to properly give effect to such limitation; and (v) the limitations in clause (i) may be waived or amended by the Holder, in its sole discretion, upon written notice to the Company, which waiver or amendment will not be effective until the 61st day after such notice is delivered by the Holder to the Company.

(d) In the event that there is an initial public offering or listing of shares on a national or foreign exchange of one of the Company's equityholders, the Company will make appropriate provision so that the Holder will thereafter be entitled to receive, upon exercise of this Warrant, securities of such equityholder (and in any such case, appropriate adjustment shall be made in the application of the provisions of this Warrant with respect to the rights and interests of the Holder such that the provisions of this Warrant shall be applicable after that event, as near as reasonably may be, in relation to any securities deliverable after that event upon the exercise of this Warrant).

4.3 Automatic Exercise before Expiration. To the extent this Warrant is not previously exercised as to all of the Warrant Shares issuable hereunder, and if the Fair Market Value of one Warrant Share (at such measurement date) is greater than the Exercise Price, this Warrant will be deemed automatically exercised pursuant to a net issuance exercise under Section 1.4 (even if not surrendered) immediately before its expiration. To the extent this Warrant or any portion thereof is deemed automatically exercised pursuant to this Section, the Company agrees promptly to notify the Holder in writing of the number of Warrant Shares, if any, the Holder is to receive by reason of such automatic exercise.

5. Adjustments

5.1 Reorganization. Upon any reorganization, reclassification, capital reorganization, or change in the capital stock of the Company (other than a Change of Control transaction covered by Section 4.1) affecting the same class of shares as the Warrant Shares, the Company will make appropriate provision so that the Holder will thereafter be entitled to receive, upon exercise of this Warrant, the number and type of securities or other property that a holder of the same class of shares as the Warrant Shares would have been entitled to receive in connection with such transaction if such holder held the same number of shares as were purchaseable under this Warrant if this Warrant had been exercised immediately before such reorganization, reclassification, reorganization, or change.

5.2 Adjustments for Stock Splits, Dividends. If the Company, directly or indirectly, issues any shares of the same class as the Warrant Shares as a stock dividend, or subdivides or combines such class of shares in a stock split, or issues any shares, options, warrants or other securities to the Company's equityholders or their affiliates that are not on arms-length terms, then the Exercise Price in effect before such dividend, subdivision, combination or issuance will be proportionately decreased or increased, as applicable, and the number of Warrant Shares at that time issuable pursuant to the exercise of this Warrant will be proportionately increased or decreased, as applicable. Each adjustment in the number of Warrant Shares issuable will be to the nearest whole share and each adjustment of the Exercise Price will be calculated to the nearest cent. Any adjustment under this Section will become effective at the close of business on the date the subdivision or combination or issuance becomes effective, or as of the record date of such dividend.

5.3 Anti-Dilution Protection. If any shares of the same class as the Warrant Shares are entitled, under the Company's constituent documents or any contract to which the Company is a party, to an adjustment in the event of dilutive issuances of equity, then the Warrant Shares will be entitled to the same adjustment.

5.4 Certificate as to Adjustments. If any adjustment is required to be made in the Exercise Price or number and type of securities issuable upon exercise of this Warrant, the Company will promptly give written notice to the Holder in the form of a certificate signed by an officer of the Company, setting forth the adjustment in reasonable detail.

6. Registration Rights; Information Rights

6.1 Registration Rights. All Warrant Shares issuable upon exercise of this Warrant will be subject to customary registration rights to be agreed upon by the Holder, the Company, and, to the extent applicable, the Company's then-existing equityholders, promptly following the initial exercise of this Warrant (and, in any event, prior to consummation of any Listing Event). The Company shall not provide to the Holder any registration rights that are less favorable to the Holder than any registration rights that the Company has provided to any of its other equityholders holding an equal or smaller percentage equity interest in the Company at such time (provided, that all Warrant Shares issuable upon exercise of this Warrant, whether vested or unvested, will be taken into account in the determination of the Holder's equity interest in the Company at such time).

6.2 Information Rights.

(a) The Company will deliver to the Holder:

(ii) reasonably cooperate (at no out of pocket cost to the Company) in preparing for any audit of, or dispute with a tax authority regarding any tax return of, the Holder or any of its affiliates relating to the Company or any of its affiliates.

(c) Information received by the Holder pursuant to this Section 6.2 will be used by the Holder and its affiliates for purposes of permitting the Holder and its affiliates to comply with their respective financial reporting and tax obligations (and any similar requirements of any governmental authority) and will be treated as confidential in accordance with the terms of the applicable non-disclosure agreement between the Holder and its affiliates and the Company.

(iii) if neither of the above clauses applies, the Fair Market Value will be the price for a share of the same class as the Warrant Shares that the Company could obtain from an arms'-length buyer who is not a current or former employee, officer, or director of the Company or its affiliates (such price to be exclusive of any control or other similar premium), as determined in good faith by the Company's board of directors (or equivalent governing body) (the "***Board***"). The Company will promptly provide the Holder a written summary of such determination.

(e) "***Listing Event***" means any of the following: (i) the closing of the Company's initial public offering of securities pursuant to an effective registration statement filed under the Securities Act in which the securities are listed on a national securities exchange, or the listing of the Company's shares on a stock exchange outside of the United States; or (ii) the registration of the Company's securities under Section 12 of the Securities Exchange Act of 1934, as amended (the "***Exchange Act***"), or any successor statute, in connection with its initial public offering, or the occurrence of any other event that results in the Warrant Shares becoming a class of "equity security," as such term is defined in Rule 13d-1(i) under such Act.

(f) "***person***" means any individual, corporation, partnership, trust, joint venture, limited liability company, association, organization, other entity, or governmental or regulatory authority.

10.5 Governing Law; Severability; Jurisdiction; Venue. This Warrant will be governed by and construed under the laws of the State of Delaware without regard to principles of conflict of laws. If any Section or provision of this Warrant is found or be held to be illegal, invalid, or unenforceable, the remainder of this Warrant will be valid and enforceable and the parties in good faith will negotiate a substitute, valid, and enforceable provision that most nearly effects the parties' intent in entering into this Warrant. This Warrant and all rights hereunder are transferable by the Holder, (a) in whole or in part, to any affiliate of the Holder, or (b) in whole to any non-affiliate of the Holder with the prior written consent of the Company (not to be unreasonably withheld or delayed), provided that the rights of the Holder described under the headings "Right of First Notice" and "Additional Terms" of the Schedule of Terms are non-transferrable except to an affiliate of the Holder, in each case upon surrender of this Warrant properly endorsed or accompanied by written instructions of transfer attached as ***Exhibit D*** hereto, and the Company will issue a new warrant reflecting such transfer but otherwise identical to this Warrant. The Company may not assign this Warrant or its obligations under this Warrant without the prior written consent of the Holder. The terms and conditions of this Warrant will inure to the benefit of, and be binding on, the respective successors and permitted assigns of, the Company and the Holder, respectively.

10.7 Income Tax Treatment. The parties acknowledge that this Warrant is not being issued in connection with the performance of services within the meaning of Section 83 of the Code, the Holder will control the valuation of this Warrant for all relevant tax purposes, and the issuance of this Warrant represents a closed transaction for income tax purposes. Commercial Agreement related to Warrant (the "Commercial Agreement"):	Air Transportation Services Agreement, dated as of the date hereof, by and between Sun Country, Inc. and Amazon.com Services, Inc., as the same may be amended, modified, supplemented or replaced from time to time.
Right of First Notice:	In the event the Company or the direct or indirect equityholders of the Company propose to initiate a process to explore a Change of Control, or to accept any offer from any person for, or enter into negotiations with any person with respect to, a Change of Control (each such proposed Change of Control, and negotiations with respect thereto, a "***Proposed Sale***"), the Company will provide to the Holder written notice thereof (a "***Sale Notice***") at least 30 days prior to entering into any definitive agreement or binding letter of intent with respect to such Proposed Sale, stating in reasonable detail the terms and conditions of such Proposed Sale, and the Holder will have the right to enter into non- exclusive, good faith negotiations with the Company and the direct or indirect equityholders of the Company in respect of the Proposed Sale or another similar transaction, and the Company and the direct or indirect equityholders of the Company will not be permitted to enter into any definitive agreement or binding letter of intent with respect to such Proposed Sale before the expiration of such period (such period, as may be extended by the occurrence of an Adverse Change (as defined below), the "***Negotiation Period***"). In the event of any price decrease or other changes to the terms and conditions set forth in the Sale Notice which are materially more favorable to the person making the offer for a Proposed Sale (such decrease or change, an "***Adverse Change***"), the Company and the direct or indirect equityholders of the Company will not be permitted to enter into any definitive agreement or binding letter of intent with respect to such Proposed Sale unless the Company has first provided a new Sale

Notice to the Holder with at least 10 calendar days' advance notice. In the event that the Holder makes an offer with respect to a Proposed Sale or another similar transaction during any period contemplated by this paragraph that the Company and its equityholders do not accept, the Company and its equityholders may only consummate a Proposed Sale with a third party at a price that is greater than that contained in such offer from the Holder. If the Company or its equityholders do not execute a definitive agreement with respect to a Proposed Sale within 6 months of the expiration of the Exclusivity Period, the Company and its equityholders shall be required to again comply with the requirements of this paragraph with respect to a Proposed Sale.

Additional Terms:

Board Director or Observer:

For so long as the (i) Holder holds the Warrant or any Warrant Shares issued upon exercise of the Warrant and (ii) the Commercial Agreement remains in effect, prior to a Change of Control (other than a Non-Qualifying Change of Control) (it being understood that in connection with any such Change of Control, the Company and the Board shall use commercially reasonable efforts to request the prospective acquirer to continue the Holder's director and observer rights as set forth herein), but subject to any applicable stock exchange or listing rules, the Company agrees that the Holder will have the right, but not the obligation, to designate (or, following a Listing Event, nominate) at the Holder's option (i) an individual to serve on the Board (the "***Holder Director***") or (ii) an individual to attend meetings of the Board (any such individual, a "***Holder Observer***"). The Holder Director will have the same protections and rights as other directors of the Company, including voting rights, indemnification, exculpation, and advancement of expenses. The Holder Observer will have full rights to participate in meetings of the Board as an observer and to receive notice and all materials and information in respect thereof at the same time as members of the Board, but will not have the right to vote at any such meeting or act on behalf of the Board. The Company will reimburse the reasonable out-of- pocket expenses incurred by the Holder Director and/or the Holder Observer in connection with any of the foregoing matters in accordance with the terms of the Company LLCA (if applicable). The Company acknowledges any Holder Observer shall not owe any fiduciary duties or any other similar obligations or duties, including in law or equity, to the Company, its subsidiaries or its stockholders, and may act all times in the best interests of the Holder and its affiliates. The Company shall prepare and provide, or cause to be prepared and provided to the Holder Director and/or the Holder Observer, as applicable, any materials or other

information generally prepared for or given to other members of the Board, as and when prepared for or given to such other members, as well as any other materials or other information relating to the management, operations, and finances of the Company, as and when generally provided to members of the Board or as and when reasonably requested by the Holder Director and/or Holder Observer, as applicable; provided that the failure to deliver or make available one or more of the items described in this sentence to the Holder Observer shall not affect the validity of any action taken by the Board; provided, further, that the Company shall not be required to provide to the Holder Observer any such information, the provision of which the Company determines based on advice from external counsel would reasonably be expected to jeopardize an attorney-client or similar privilege or cause a loss of attorney work product protection (provided, however, that the Company withholds only such portion of the information that is subject to the privilege or protection, and provides the Holder Observer with any portions of such information that would not reasonably be expected to jeopardize an attorney-client or similar privilege or cause a loss of attorney work product protection); provided, further, that the Company will not be obligated to provide access to, or to disclose, and may withhold, and the applicable Holder Director and/or Holder Observer shall not be entitled to attend and otherwise participate in, or observe such meetings or portions thereof if Board determines in good faith that such information (i) relates to the Company's relationship to the Holder and its affiliates under the Commercial Agreement or this Warrant, and (ii) poses a genuine conflict of interest between the Company, on the one hand, and the Holder and its affiliates, on the other.

Management Meetings:

From time to time during the Exercise Period, and no less than once per fiscal quarter of the Company, the Company's senior management will meet with representatives of the Holder and its affiliates, at such times and places as are mutually agreed upon by the Holder and the Company, to assess their existing business relationship.

Additional Issuances of Certain Securities:

If, at any time prior to the second anniversary of the Issue Date of this Warrant, the Company shall, directly or indirectly, issue or be deemed to have issued (i) any options or warrants to purchase or rights to subscribe for shares of any class of capital stock of the Company, or (ii) any securities or instruments that by their terms are convertible into or exchangeable for shares of any class

of capital stock of the Company, or options or warrants to purchase or rights to subscribe for any such convertible or exchangeable securities or instruments, in each case, to a customer or commercial partner of the Company or its affiliates in connection with such customer or partner relationship (clauses (i) and (ii) collectively, "***Covered Securities***"), then the Company shall not provide to the holder of any such Covered Securities any rights, benefits, or other terms that are more favorable to such holder than the rights, benefits, and terms provided to the Holder under this Warrant unless, in any such case, this Warrant has been amended (or is amended concurrently with the issuance of such Covered Securities) to provide the Holder with such favorable rights, benefits, and terms.

HEADQUARTERS FACILITY LEASE AGREEMENT

TABLE OF CONTENTS

METROPOLITAN AIRPORTS COMMISSION
HEADQUARTERS FACILITY LEASE AGREEMENT

This Agreement ("Agreement" or "Lease") date for reference purposes as the 19th day of February, 2019, by and between the Metropolitan Airports Commission, a public corporation of the State of Minnesota ("MAC") and MN Airlines, LLC d/b/a Sun Country Airlines ("Tenant" or "Sun Country"). MAC and Tenant may hereinafter be referred to as a "Party" or collectively as the "Parties."

WHEREAS, MAC owns and operates Minneapolis-St. Paul International Airport ("Airport");

WHEREAS, Tenant has a need for facility space to accommodate its headquarters function; and

WHEREAS, MAC and Tenant have entered into an Airline Operating Agreement and Terminal Building Lease for Minneapolis-St. Paul International Airport dated January 1, 2019, as defined below ("Airline Agreement").

NOW, THEREFORE, in consideration of the foregoing and mutual promises and covenants set forth, the Parties hereby agree as follows:

1. DEFINITIONS

A. Affiliate or Affiliated Airline. Any "Affiliated Airline" as defined in the Airline Agreement, of Sun Country.

B. Air Transportation Business. "Air Transportation Business" as defined in the Airline Agreement.

C. Airline Agreement. Airline Operating Agreement and Terminal Building Lease for Minneapolis-St. Paul International Airport dated January 1, 2019, as the same has been or may be amended, superseded or replaced.

D. Airport. Minneapolis-St. Paul International Airport.

E. Executive Director. MAC's Executive Director/CEO or such other person designated by the Executive Director to exercise functions with respect to the rights and obligations of MAC under this Agreement.

F. Fixtures. An article used by an airline in the usual course of its Air Transportation Business (such as a trade fixture) that was once personal property, but has been attached to the land or building in a permanent manner so that it is regarded in law as part of the real estate.

G. MAC. The Metropolitan Airports Commission, which owns and operates Minneapolis-St. Paul International Airport. Where this Agreement speaks of approval or consent by MAC or the commission, such approval or consent means action by MAC's Executive Director or designated representative.

H. Preferential Use Aircraft Parking Area. Preferential Use Aircraft Parking Area is designated as preferential use, meaning that Tenant and its Affiliates have the primary right and opportunity to use the Preferential Use Aircraft Parking Area that is part of the Leased Premises under this Agreement. For avoidance of doubt, to the extent Tenant desires to use such area, Tenant shall always have the primary right to do so, even to the extent the exercise of such rights shall requires the movement of other aircraft from the area.

I. Project. The construction project necessary to remodel the facility to accommodate Sun Country's headquarters function, as further described in Exhibit D.

J. TSA. Transportation Security Administration or any successor agency responsible for Airport security.

K. Vice President of Management & Operations. Person responsible for operation of the Airport or that person's designated representative.

2. LEASED PREMISES

MAC leases to Tenant the premises as shown on the attached Exhibit A, collectively called "Leased Premises". Such Leased Premises shall be used by Tenant to accommodate the operation of Tenant at the Airport as described herein.

A. Exclusive Ground Area

MAC leases to Tenant approximately 365,625 square feet of exclusive use premises as shown on **Exhibit A,** as follows:

Landside Parking Area:	260,897 s.f.
Building Lease Area:	89,543 s.f.
Airside Parking Area:	15,185 s.f.
TOTAL:	**365,625 s.f.**

B. Preferential Use Leased Premises

MAC leases to Tenant, on a Preferential Use basis, the use of approximately **85,795** square feet as shown on **Exhibit A** ("Preferential Use Aircraft Parking Area"). Tenant shall be granted priority to utilize such Preferential Use Aircraft Parking Area, even to the extent the exercise of such rights shall requires the movement of other aircraft from the area. The use of the Preferential Use Aircraft Parking Area by third party airlines is expressly limited to the temporary parking of aircraft on such area, and is subject and subordinate to Tenant's rights granted herein.

The Preferential Use Aircraft Parking Area shall be used by Tenant for its own aircraft and for aircraft of its Affiliates.

Tenant agrees that such use and assignment of Preferential Use Aircraft Parking Areas shall be consistent with FAA criteria to enable such Preferential Use Aircraft Parking Areas to remain eligible for Federal AIP grant and other funding.

3. TERM

A. Term

The Term of this Agreement shall be for approximately 10 years commencing February 19, 2019, (the "Effective Date"), and expiring at 11:59 p.m. on February 28, 2029 ("Term"). The Term may be extended for two additional five year terms, by written agreement of both Tenant and MAC. Tenant shall give at least twelve (12) month prior written notice to the other party in each instance where it looks to exercise its extension right. Both parties will make commercially reasonable efforts to come to written agreement to terms within six (6) months from the date of written notice.

B. Restoration at Termination

The parties acknowledge and agree that if Tenant should terminate the Lease prior to the natural expiration of the Lease for any reason, the damages would be impossible or very difficult to accurately estimate, for reasons relating to, but not limited to, the uncertain and fluid nature of the competitive bidding process, both temporally and financially. Thus, the parties agree that upon the early termination of the Lease due to Tenant default or pursuant to Section 3E, Tenant shall pay MAC an additional $500,000 ("Restoration Fee") to restore the building to its previous condition as an aircraft hangar. In addition, in the event this Agreement is terminated due to a default of Tenant, MAC, subject to the limitations of applicable law, may pursue all available remedies at law or equity including, but not limited to, payment of the remaining Ground Rent, Building Rent, and Tenant Improvement Rent through the remaining Term.

Upon the natural expiration of the Lease Term, Tenant shall be obligated to immediately pay MAC a partial payment of $250,000 (the "Pre-Payment") towards the actual cost to restore the hangar portion of the Leased Premises to a functional use as it was originally intended for regional jets (the "Restoration Work"), with the remainder of the actual cost incurred (if any) to be paid by Tenant to MAC following MAC's completion of the Restoration Work and delivery to Tenant of final invoices for the work actually undertaken. MAC may authorize a Pre-Payment of less than $250,000 in its sole and absolute discretion. In the event the actual costs MAC so incurs for the Restoration Work are less than the amount of the Pre-Payment, then MAC shall refund such excess to Tenant following completion of the Restoration Work, which shall be completed within two years after the expiration of the Lease Term.

C. Holdover Tenant

In the event that Tenant shall hold over and remain in possession of the Leased Premises after the expiration of this Agreement without written renewal, any holding over shall not be deemed to operate as a renewal or extension of this Agreement but shall only create a month-to-month tenancy. Either party may terminate upon thirty (30) days written notice. During the Term of any such holding over, Tenant shall remain bound by all terms of this Agreement.

D. MAC Guaranteed Loan

Within three months after the execution of this Agreement, Tenant will endeavor to secure a loan from a third party lender ("Loan"), for which such Loan MAC agrees to provide a guarantee of $600,000 ("MAC Guarantee") pursuant to a loan agreement and guarantee agreement on reasonable and customary terms that are acceptable to MAC acting reasonably and in all good faith. All proceeds from the Loan will be used in a manner to directly benefit the Premises. In exchange for the MAC Guarantee, Tenant will pay MAC a yearly administrative fee of $750 as long as the MAC Guarantee is in place. Notwithstanding the foregoing, MAC shall have no obligation to provide the MAC Guarantee if terms conforming to the requirements of this provision are not presented to MAC in proposed final form within the first three months of this Agreement.

E. Lease Buyout Right

Tenant is hereby granted the right and option to terminate this Lease (the "Lease Buyout Right") upon at least ninety (90) days prior written notice to MAC (the "Buyout Notice"), which notice shall specify the "Early Termination Date" (which Early Termination Date must be at least ninety days after the date of MAC's receipt of the Buyout Notice). In the

event Tenant exercises the Lease Buyout Right, then within sixty (60) days after delivery of the Buyout Notice, Tenant shall pay to MAC an amount equal to all Ground Rent, Building Rent, Tenant Improvement Rent, and Restoration Fee that would have accrued after the Early Termination Date through the remaining Term, had this Lease not been terminated pursuant to the Lease Buyout Right (the "Accelerated Rent"). Tenant must also satisfy any and all obligations guaranteed by MAC and satisfy all financed, secured, or other financial obligations that may attach to the Premises or Project. Provided that Tenant timely pays the Accelerated Rent, then this Lease shall terminate on the Early Termination Date as if the same were the natural expiration of the Lease Term.

F. MAC Termination Option

In the event that Tenant, for any reason, fails to remain a Signatory Airline, as defined in the Airline Agreement, throughout the Term, then upon such a failure, the sole remedy available to MAC is to terminate this Agreement by providing notice to Tenant of MAC's intent to terminate this Agreement effective not less than one (1) year following such notice to Tenant. This remedy may be exercised within the sole discretion of MAC, and in the event it is so exercised, Tenant shall not have any obligation to pay the Restoration Fee, but Tenant shall pay for the Restoration Work as described in Section 3.B. Failure to by Tenant to remain a Signatory Airline shall not constitute an event of default under this Agreement nor shall failure to remain a Signatory Airline render Tenant liable to MAC for any damages under this Lease.

4. AUTHORIZED USE OF PROPERTY

A. Leased Premises

The Exclusive Ground Area portion of the Leased Premises shall only be used by Tenant for the uses set forth in this Lease, including, remodeling to convert space throughout the Leased Premises into office and associated support space supporting Sun Country's headquarters operations; vehicular parking; commissary and cargo functions; general office use; airline operations management; maintenance, operation, repair and storage of vehicles and equipment; and employee training functions.

Upon written request made no more often than monthly, Tenant will provide MAC with written monthly reports of any maintenance done on air carrier type aircraft owned, leased or operated by air carriers other than Tenant.

5. FEES AND CHARGES

Monthly rental obligations are made up of four essential components: Ground Rent, Building Rent, Tenant Improvement Rent, and Additional Rent, all of which constitute the rental obligations of Tenant and commence as of the Effective Date. Failure to pay any of the four components of rent is a default under the Agreement.

A. Ground Rent

Tenant shall pay the monthly ground rent set forth below in advance on the first day of each month, without demand or invoice, subject to Article 5 .E.

LEASE AREA	AREA	RATE	MONTHLY	ANNUALLY
Exclusive Ground Area	365,625	$0.28	$ 8,531.25	$102,375.00
Preferential Ramp Area	85,795	$0.28	$ 2,001.88	$ 24,022.60
TOTAL:	**451,420**	**$0.28**	**$10,533.13**	**$126,397.60**

B. Building Rent

Tenant shall pay the monthly building rent set forth below in advance on the first day of each month, without demand or invoice.

DESCRIPTION	AREA	RATE	MONTHLY	ANNUALLY
Building Rent	89,543	$6.75	$50,367.94	$604,415.2

Notwithstanding the foregoing, building rent for the first six months following the Effective Date shall be one-half the monthly amount and equal $25,183.97 each month.

C. Tenant Improvement Rent

To accommodate remodeling the building to convert it from an aircraft maintenance hangar to an office and support facility capable of accommodating Sun Country Airline's headquarters functions, MAC is making available up to $5.4 million of tenant improvement dollars to assist with funding the cost of such conversion. MAC and Tenant have agreed to have Tenant repay the $5.4 million over the course of 114 months, with monthly payments starting as of the first day of the seventh month following the Effective Date as follow:

DESCRIPTION	AMOUNT	INTEREST RATE	MONTHLY	ANNUALLY
TI Rent	$5,400,000	5.75%	$61,588.58	$739,062.97

The Tenant Improvement Rent is subject to adjustment based upon the final amount of tenant improvement dollars MAC actually funds, not to exceed $5.4 million. In the event this Lease terminates (for a reason other than a default by Tenant or Tenant's exercise of the Lease Buyout Right) prior to the expiration of the aforesaid 114 months, then Tenant's obligation to continue to pay the Tenant Improvement Rent on a monthly basis to MAC through the conclusion of said 114 month period shall cease and not survive the termination of this Agreement.

D. Additional Rent

Additional Rent is as fully set forth in Section S.D. Roof and HVAC system – Additional Rent.

E. Revision of Ground Rent

In conjunction with Ordinance 121 and its revisions any time after January 1, 2021, and no more frequent than every fifth year during the remainder of the Term of the Agreement, MAC reserves the right to amend ground rent upward. Ground rent shall be adjusted downward during the Term in accordance with Ordinance 121 and any revisions thereto. MAC shall rely upon appraisals obtained from one or more qualified, independent

appraisers chosen by MAC. It is understood, consistent with Minnesota Statutes, that any revision or changes in rents shall be reasonable and uniform covering Tenant's lease rights with those charges to other users at the Airport in the same class of users as Tenant.

F. Snow Removal, Maintenance and Repair

MAC shall be responsible for snow removal, routine maintenance, operation, repair and replacement on the Preferential Use Aircraft Parking Area of the Leased Premises and common use taxilanes in accordance with **Exhibit B** (Maintenance Responsibility Matrix). Tenant shall pay the actual costs for MAC performing such snow removal, routine maintenance, operations and repair on the Preferential Use Aircraft Parking Area of the Leased Premises and its pro-rata share of such costs for common use taxilanes/areas as billed by MAC. MAC will use its best efforts to minimize the snow removal costs to Tenant by requiring one half inch of snow accumulation on the ramp prior to calling out the snow removal contractors. At the discretion of MAC's maintenance staff there may be situations or particular snow conditions that will warrant a waiver to this standard in order to maintain Tenant's aircraft operations. Tenant hereby grants to MAC the right to access the Preferential Use Aircraft Parking Area for the purpose of performing snow removal, maintenance, operational activities and repairs as MAC determines appropriate. MAC shall use reasonable efforts not to interfere with Tenant's business operations when performing such obligations. MAC shall provide equipment and labor to fulfill these responsibilities in keeping with Tenant's operational needs in a reasonable manner.

Tenant shall be responsible for the snow removal from all areas of the Leased Premises with the exception of the Preferential Use Aircraft Parking Areas as described above and as further described in Article 8.A.

Notwithstanding the above, Tenant shall be responsible for snow removal on the Preferential Use Aircraft Parking Areas only to the extent that Tenant shall remove snow from such areas that are immediately adjacent to Tenant's building, Tenant's airside building doors, and other appurtenances which cannot be reasonably efficiently reached by routine airfield snow removal equipment utilized by MAC.

G. Late Fee

Any payment not received within thirty (30) days of the due date shall accrue interest at the rate of 1.5 percent per month measured from the due date until paid in full.

H. Taxes and Other Charges

Tenant will pay all taxes, assessments, license fees, or other charges that may be levied or assessed during the Term of this Agreement upon or against any leasehold interests, improvements, or associated equipment on the Leased Premises, or on account of the transacting of business thereon by Tenant, it being understood that Tenant retains the right to contest any taxes so levied or assessed. Taxes levied by reason of occupancy hereunder shall be in addition to rent paid to MAC under this Agreement. Tenant shall obtain and pay for all permits, licenses, or other authorizations required by authority of law in connection with the operation of its business at said Airport.

I. Utilities

Tenant agrees to promptly pay all fees, in addition to its Ground Rent, Building Rent, Tenant Improvement Rent, and Additional Rent hereunder, for all water, sewer, gas, electric, trash removal, and other service facilities supplied to or consumed by Tenant relative to Tenant's operations on the Leased Premises.

6. DILIGENCE BY TENANT

Tenant shall have all the rights and privileges to conduct all business operations authorized under the terms of this Agreement, provided, however, that this Agreement shall not be construed in any manner to grant Tenant the exclusive right to provide its services throughout the Airport.

7. LEASEHOLD IMPROVEMENTS/CONSTRUCTION/FINANCING & REIMBURSEMENT

A. Installation/Construction

Leased Premises shall be delivered to Tenant in its current condition at the time of delivery. All improvements required to accommodate Tenant's operations will be the responsibility of Tenant and must be in compliance with MAC's Design and Construction Standards.

Tenant is responsible for obtaining the necessary building permits for the Project from the MAC Building Official. The MAC Building Official can be reached at 612-467-0426. The cost of installation of the Tenant's equipment and any alterations approved by MAC to the Leased Premises, including electrical, shall be made at Tenant's sole cost and expense. All installations and alterations shall comply with: (1) MAC's Design and Construction Standards as interpreted and administered by the MAC Building Official; and (2) shall be submitted for written review and approval by the MAC Building Official, which approval shall not be unreasonably withheld, conditioned or delayed. No changes or installations shall be made to the Leased Premises without a MAC issued construction permit. Tenant is responsible for all clean-up of construction materials, debris and packaging associated with Tenant's construction or installations.

B. Permits

Tenant shall maintain in force and effect all permits, licenses, agreements and similar authorizations required to use the Leased Premises. Tenant's failure to maintain such permits, licenses, agreements and similar authorizations shall not relieve Tenant from the performance of its obligations under this Agreement.

C. Liens

Tenant shall: 1) keep the Airport and the Leased Premises free and clear from all liens for labor performed and materials furnished on behalf of Tenant under this Agreement; and 2) defend, at Tenant's cost, each and every lien asserted or filed against the Airport and the Leased Premises or against this Agreement and any improvement on behalf of Tenant on the Leased Premises and pay each and every judgment resulting from such lien to the extent such lien is claimed by, through or under Tenant and is related to Tenant's operations hereunder.

D. Title to Improvements and Structural Alterations

All improvements and alterations to the Leased Premises (including the building thereon) that are made by Tenant will be paid for by Tenant and shall become the property of MAC upon the expiration or termination of the Lease. During the Term, all such improvements and alternations to the Leased Premises shall be property of Tenant. All of Tenant's trade fixtures, equipment, and personal property now or hereafter located on the Leased Premises

remain the property of Tenant. Tenant shall within thirty (30) days from the expiration or termination of this Agreement, remove its trade fixtures, equipment, and personal property from the Leased Premises. Any trade fixtures, equipment, and personal property that remains on the Leased Premises after this time shall become the property of MAC.

E. Construction

All construction and remodeling will be completed by Tenant in accordance with MAC Design and Construction Standards, and subject to the following provisions:

1. Tenant shall be responsible for the management, design and construction of the Project. Tenant shall procure all design and construction services through selection by competitive qualification, proposal or bid process with a minimum of three (3) bids or proposals from general contractors. Any changes to the Project scope beyond that set forth in this Agreement shall be approved in advance in writing by the MAC Executive Director. MAC understands that Tenant has not fully completed the Project design and will work in good faith with Tenant to accommodate all reasonable and necessary design changes in order to best meet project timelines.

2. Tenant shall submit for approval by MAC a complete set of construction plans and specifications for the Project (the "Plans"), in accordance with MAC's procedures for approval of tenant work, which may include 45%, 90%, and final submissions. MAC's approval of Tenant's Plans shall not be unreasonably withheld, conditioned, or delayed, and in any event MAC shall provide Tenant with each approval (or disapproval with explanatory comments) of Tenant's Plans at the 45% and 90% point within ten (10) business days after submission by Tenant, and within ten (10) business days after final submission by Tenant. Tenant's submission by email is acceptable so long as it is submitted to a designated representative of MAC. MAC may also provide Tenant with its approval or disapproval by email. Tenant shall obtain all necessary permits/approvals prior to commencement of construction. All bid documents and contracts for construction associated with the Project shall include provisions reasonably acceptable to MAC, including the payment of prevailing wages, use of targeted group businesses, Women's Economic Security Act, Certificate of Compliance, performance and payment bonds, insurance, prompt payment of subcontractors, and maximum allowable retainage.

3. Tenant shall provide MAC a payment and performance bond, each for an amount equal to 100% of the project cost, in a form and with a surety satisfactory to MAC in accordance with Minnesota Statutes Section 574.26. Tenant may fulfill its obligation to provide such payment and performance bonds through such bonds provided by its general contractor, provided MAC must be listed as additional obligee.

4. Prior to commencement of construction, Tenant shall provide MAC evidence of insurance for the work at limits and terms reasonably acceptable to MAC.

5. Tenant shall consult with MAC throughout the construction of the Project and shall permit MAC or its agents access to the Project site at all times upon reasonable prior notice and provided that such access does not unreasonably interfere with such construction activities. Tenant will supply partial electronic "as-built" drawings prior to final payment and final electronic "as-built" drawings within ninety (90) days of Project completion.

The Project shall be performed in a good and workmanlike manner, in compliance with all applicable codes, laws, and regulations.

F. Financing & Reimbursement

1. MAC will reimburse Tenant for all reasonable and necessary costs (excluding bonding, interest, insurance, furniture, broker fees, and financing costs) incurred by Tenant from third parties in connection with the design and construction of the Project; provided, however, that the reimbursement provided by MAC shall not exceed $5.4 million. If the cost of the Project exceeds that amount it shall be Tenant's sole responsibility to reduce the Project cost or provide such additional monies needed to fund the remaining portion of the Project. In the event MAC rejects any request for reimbursement submitted by Tenant, whether in whole or in part, MAC shall provide Tenant with a detailed explanation for the reason for such rejection. MAC shall withhold 5% retainage from each reimbursement, which is payable upon approval of final payment.

2. Tenant shall submit any requests for reimbursement on a monthly basis in a format reasonably acceptable to MAC. Tenant shall provide copies of all invoices and all necessary schedule and cost reports for review, including but not limited to consultant or contractor pay requests with all attachments and signed receipts or other proof of payment for expenditures. Tenant shall make no markup for its administrative costs associated with managing the Project.

3. Within forty-five (45) days after receipt of an invoice and supporting documentation, MAC will pay Tenant the amount of the approved invoice, minus any amount for which adequate documentation has not been supplied or which is not otherwise payable by MAC under the terms of this Agreement. In the event MAC rejects any request for reimbursement submitted by Tenant, whether in whole or in part, MAC shall provide Tenant with a detailed explanation for the reason for such rejection.

4. Tenant shall maintain all documents and records associated with the construction of the Project as well as all reports required by MAC pursuant to this Agreement for a period of six (6) years and shall permit MAC unrestricted access to all records associated with the Project during Tenant's business hours, Monday through Friday, holidays excepted, with advance notice. MAC reserves the right to audit all Project Costs at its expense at the completion of the Project or at any time within six (6) years thereafter.

5. Tenant shall defend, at its own cost and expense, each and every claim or lien asserted or filed in connection with the Project and pay each and every judgment made or given as a result thereof except, in each case, to the extent caused by or resulting from the MAC's negligence or intentional misconduct. Further, Tenant shall indemnify and hold MAC harmless from and against any and all third party claims (other than those described in Section 7F.l. hereof) incurred by MAC arising out of the negligent design and construction of the Project, including the payment of MAC's reasonable attorney's fees in conjunction with any litigation arising out of or in connection with the design and construction of the Project, except in any of the foregoing circumstances to the extent caused by or resulting from the MAC's negligence or intentional misconduct. MAC shall give notice to Tenant promptly after MAC has actual knowledge of any claim as to which indemnity may be sought hereunder, and shall permit Tenant to assume the defense of any such claim or any litigation resulting therefrom using counsel selected by

Tenant that is reasonably acceptable to MAC with respect to any claims brought against MAC. MAC may participate in such defense at its sole expense; provided, however, that Tenant shall bear the expense of such defense of MAC if representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest (as determined in good faith by MAC's legal counsel). The failure of MAC to give notice as provided herein shall not relieve Tenant of its obligations under this Agreement unless the failure to do so materially prejudices Tenant. Tenant shall not, in the defense of any such claim or litigation for which indemnification by Tenant is required hereunder, except with the consent of the MAC, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to the MAC of a release from all liability in respect to such claim or litigation.

8. MAINTENANCE OBLIGATIONS

A. Maintenance by MAC and Tenant

Tenant will be responsible for providing all maintenance of the Leased Premises as defined in **Exhibit B** and Article 2 except as otherwise provided in this Agreement or shown as a MAC responsibility on **Exhibit B**.

Tenant shall provide all maintenance and snow removal for the MAC constructed access road labeled "site access" on Exhibit A, which connects the Leased Premises to Cargo Road.

For items not specifically identified on Exhibit B, Tenant shall be responsible for maintenance, repair and replacement of the following: 1) other systems and equipment serving the Leased Premises exclusively; 2) alterations to the Leased Premises whether installed by MAC or Tenant; 3) improvements to the Leased Premises whether installed by MAC or Tenant; 4) all other repairs, replacements, renewals and restorations, interior and exterior, ordinary and extraordinary, foreseen and unforeseen; and 5) all other work performed by or on behalf of Tenant pursuant to this Agreement.

Any alterations, improvements or additions performed by MAC to the Leased Premises (i) shall be at MAC's cost, (ii) shall be subject to Tenant's prior written approval, not to be unreasonably withheld, (iii) shall not materially alter the layout or interior improvements Tenant makes to the building, (iv) shall not block Tenant's reasonable access to the building or the Leased Premises, (v) shall not unreasonably effect Tenant's ability to continuously operate its system operations center or its airline headquarters, and (vi) shall be undertaken in a manner to reasonably avoid interfering with the operation of Tenant's business.

B. Maintenance and Testing of Fire Suppression System

Tenant is required to test the existing fire sprinkler system per NFPA 25 Inspection, Testing and Maintenance of Water Based Fire Protection Systems (the most current edition) and any modifications to the system shall comply with NFPA Standards and MAC Building, Construction, Design and Permitting Standards. Tenant shall have the right to disable the foam component of the fire sprinkler system from operation during the Term, but Tenant shall keep the foam component otherwise in good condition and repair throughout the Term.

C. Repair and Condition of Leased Premises

Tenant at all times at its own costs and expense shall take good care of the Leased Premises and the buildings, structures or improvements located thereon and shall keep and maintain them in safe and good order and repair and in a clean and neat condition, and perform all repair, maintenance, and restoration required thereto during the Term, except as otherwise expressly set forth herein to the contrary. Tenant shall not suffer or permit any waste or nuisance on the Leased Premises or anything thereon that shall interfere with the rights of other airlines or MAC in connection with the use of portions of the Airport not leased to Tenant. At the expiration of the Term of the Agreement or upon any sooner termination thereof, without the necessity or demand therefore by MAC, Tenant shall surrender possession of the Leased Premises peaceably, quietly and in good order and condition, fire, casualty, and reasonably unavoidable causes and reasonable wear and tear excepted.

D. Roof and HV AC System – Additional Rent

Tenant is responsible for the maintenance of the roof and HVAC systems of the building. MAC will replace the roof (the "Roof Cost") no earlier than January 1, 2024, unless the roof becomes beyond economic repair before 2024 or otherwise is requiring repeated repairs at intervals which indicate that the replacement thereof is commercially reasonable under the circumstances. When the HVAC systems have reached the end of their useful life or otherwise are requiring repeated repairs at intervals which indicate that the replacement thereof is commercially reasonable under the circumstances, MAC will replace HVAC system (the "HVAC Cost"). Enhancements necessary to improve any HVAC systems in the building for the needs of the Project, shall be paid by Tenant, and not serve as a reason to request MAC to replace the HVAC system earlier than necessary.

Following payment of the Roof Cost or the HVAC Cost (each, generically, a "Cost") by MAC, such Cost shall be amortized on a straight-line basis over a period of fifteen (15) years commencing with the date of such payment, using a reasonable interest rate and Tenant shall repay to MAC, on a monthly basis as Additional Rent, solely the amortized costs applicable to the remainder of the Term of the Lease, including the period of any renewal or other extension of the Lease Term.

E. Structural

Subject to the provisions of Section 9, Tenant is only responsible for any structural issues caused by Tenant including Tenant's use, and completion of the Project. In the event any repairs, replacements, or maintenance is required to any portion of the structure of the building due to a latent or patent defect therein, MAC shall be solely responsible for undertaking the same at its sole cost.

9. DAMAGE TO OR DESTRUCTION OF LEASED PREMISES

A. Repair

(i) All damage or injuries to the Leased Premises and to fixtures, appurtenances, and equipment by: (1) Tenant, moving property in or out of the Leased Premises or by installation, removal of furniture, fixtures, equipment, or other property by Tenant; or (2) resulting from any other cause of any other kind or nature whatsoever due to carelessness, omission, neglect, improper conduct, or other causes of Tenant, or its subtenants, invitees, agents, or employees shall be repaired, restored, or replaced promptly by Tenant. Should the Leased Premises, or any part of them, be damaged as a result of the negligent or willful act or omission of Tenant, or any of its subtenants, invitees, agents, or employees, they shall in all instances, unless approved by MAC, be repaired or replaced by Tenant whether or not such damage is covered by insurance.

(ii) If MAC and/or its employees, or agents damage the Leased Premises through their sole negligence or intentional act, MAC will be solely responsible for the repairs, replacement, or restoration within fifteen (15) days after the occurrence thereof, if such repair, replacement, or restoration is reasonably possible within this time allotment. If MAC fails to repair, replace or restore within such time or as is reasonably possible, then Tenant may make the repairs, replace or restore the damage and render a bill to MAC for all reasonable costs and expenses associated therewith or abate rent until Tenant is made whole.

B. Casualty Damage

(i) All provisions hereof to the contrary notwithstanding, in the event any fire, casualty, or other event renders such damage to the Leased Premises that is reasonably estimated to require more than twelve months from the date of such event to restore the Leased Premises or such damage completely destroys the same (collectively, "Casualty Damage"), and such Casualty Damage was not caused by the negligence or willful misconduct of Tenant or such Casualty Damage is not covered by the insurance required to be maintained by Tenant hereunder, then in that event MAC or Tenant shall have the right to terminate this Lease without payment of any penalty or Accelerated Rent upon notice to MAC or Tenant given within sixty days after the date of such casualty. All property insurance proceeds from Tenant's insurance policy attributable to the building and the leasehold improvements on the Leased Premises shall be paid to MAC, and all such proceeds attributable to Tenant's personal property and equipment shall be paid to Tenant.

(ii) All provisions hereof to the contrary notwithstanding, in the event of Casualty Damage, and such Casualty Damage is caused by the negligence or willful misconduct of Tenant or any of its subtenants, invitees, agents, or employees, then in that event MAC shall have the right to terminate this Lease upon notice to Tenant given within sixty days after the date of such casualty. All property insurance proceeds from Tenant's insurance policy attributable to the building and the leasehold improvements on the Leased Premises shall be paid to MAC, and all such proceeds attributable to Tenant's personal property and equipment shall be paid to Tenant.

(iii) In the event of any Casualty Damage for which Tenant or MAC has not timely exercised its termination right (if any) as aforesaid, Tenant shall proceed to repair and restore the Leased Premises with all due diligence, subject to delays due to force majeure, settling and adjusting the insurance claim, and receipt of insurance proceeds, and the insurance proceeds from Tenant's insurance policy attributable to the leasehold improvements shall be paid to Tenant and held in trust for the repair of the Leased Premises and those proceeds attributable to Tenant's personal property shall be paid to Tenant. MAC shall refund Tenant for its insurance deductible amounts paid pursuant to any Casualty Damage to the proportionate extent such Casualty Damage was caused by the intentional or negligent acts of MAC, or its employees, agents or contractors. Tenant shall collaborate in good faith with MAC in the design, development, repair, and reconstruction of the Leased Premises hereunder (including but not limited to providing MAC with access to meetings and draft plans and access to Tenant's decision-making) and shall comply with the provisions and procedures set forth in Section 7 of this Lease in the performance of the repair and restoration of the Leased Premises following such Casualty Damage.

(iv) If any Casualty Damage occurs that is not the fault of Tenant, or any of their subtenants, invitees, agents, or employees in any way making the Leased Premises substantially unusable, rent and all other charges shall be abated on a per day pro-rated basis during the time the Leased Premises are substantially unusable. No rent shall abate if damage resulted from any act of Tenant or their subtenants, invitees, agents or employees.

C. Application of Insurance Proceeds

Whenever MAC repairs the damage, proceeds, if any, of Tenant's and MAC's property insurance on the Leased Premises and leasehold improvements shall be applied to the cost of the repairs and replacement of the Leased Premises and leasehold improvements. Tenant is responsible for payment of all repair and replacement costs and expenses exceeding insurance proceeds for all of Tenant's personal property, and for all structural and non-structural portions of the Leased Premises only in the event the damage resulted from Tenant's negligent or intentional act or omission, provided this provision does not waive any claims against Tenant. If MAC is not required to and elects not to repair or replace the Leased Premises, the proceeds of all applicable insurance policies maintained in force by MAC shall be paid over to MAC. Tenant will name MAC as loss payee on all applicable property insurance policies covering the Leased Premises.

D. Exceptions from Liability

Except as set forth herein, MAC shall not be liable or responsible to Tenant for any damage or destruction to Tenant's property from any cause other than its own intentional or negligent acts.

10. ADMINISTRATIVE CHARGES

The failure of Tenant to adhere to MAC's operating standards, specifically signage violations or placement of items or operation of vehicles or equipment in areas or roadways not authorized by MAC may result in inconvenience to the public, facility tenants, and may adversely affect the operation of the Airport, necessitating that MAC take administrative action to assess Tenant's failure and notify Tenant of the need to correct the failure. Quantification of the resulting costs of such administrative action is difficult. The Parties agree that the administrative charges set forth below are reasonable estimates of the actual administrative charges that would be incurred by the MAC for the specified breaches of the foregoing operating standards, and Tenant agrees to pay to MAC such charges in accordance with this section.

The charges required by this section are solely for the administrative costs the parties anticipate MAC will incur in connection with the list of specific violations below; payment does not relieve Tenant of responsibility for physical damage, personal injury, or other harm or damage to MAC or to any other person or entity caused by Tenant, or its employees, agents or contractors.

For non-monetary defaults under this Agreement, MAC in its reasonable discretion may determine if a violation of this Agreement has occurred and may impose the following charges. MAC shall provide written notice of each offense to Tenant. Failure to pay assessment within thirty (30) days of such notice shall constitute default under this Agreement.

The first offense in any category will result in a warning letter. The second offense and any subsequent offense will require Tenant to pay to MAC administrative charges in the amount listed below. Tenant agrees that said amounts are fair compensation to MAC for said costs. MAC in no way waives its rights under this Agreement, such as default and termination, or other remedies as prescribed by law through the imposition of administrative charges.

2nd Offense and Subsequent Offenses	**$500.00**

11. INDEMNIFICATION AND INSURANCE

A. Indemnification

To the fullest extent permitted by law, Tenant does hereby covenant and agree to protect, indemnify, defend and hold completely harmless MAC and its Commissioners, officers, agents and employees (collectively "Indemnitees") from and against any and all liabilities, losses, damages, suits, actions, claims, charges, judgments, settlements, fines or demands of any person arising by reason of injury or death of any person, or damage to any property, or any allegation or claim of such property damage, including all reasonable costs for investigation and defense thereof (including, but not limited to, attorney's fees, investigative fees, court costs and expert fees) of any nature whatsoever arising out of or as a result of Tenant's operation at or about the Leased Premises and the Airport in connection with its operations under this Agreement, or the acts or omissions of Tenant's officers, agents, employees, contractors, subcontractors, licensees or invitees related to Tenant's operations under this Agreement, regardless of where the injury, death or damage may occur; provided, however, the indemnification and defense obligations under this Section shall not apply to the extent the claims arise wholly from the negligent act or omission of an Indemnitee. Notwithstanding the foregoing, Tenant's indemnification obligations with respect to environmental matters shall be governed by Section 12 B of this Agreement.

MAC shall give Tenant reasonable notice of any such claim or action. In indemnifying or defending an Indemnitee, Tenant shall use legal counsel and experts selected by Tenant who are reasonably acceptable to MAC. MAC, at its option and at its sole expense, shall have the right to select its own counsel and experts for the defense of claims. Tenant, at their expense, shall provide to MAC all information, records, statements, photographs, video, or other documents reasonably necessary to defend the parties on any claims.

This provision shall survive expiration or earlier termination of this Agreement. The furnishing of the required insurance hereunder shall not be deemed to limit Tenant's obligations under this Agreement.

As a distinct and separate indemnification obligation, Tenant shall protect, defend, indemnify and hold completely harmless the Indemnitees from any claims or liabilities arising out of Tenant's failure or alleged failure to procure and to keep in force the insurance required as part of this Agreement.

Tenant shall not use or authorize the Leased Premises to be used in any manner that would void Tenant or MAC's insurance or increase the insurance risk. Tenant shall comply with all reasonable requirements imposed by the insurers for MAC and Tenant.

B. Property Insurance on Buildings

Tenant will keep all buildings, contents and leasehold improvements on the Leased Premises continuously insured via a property insurance policy on a form commonly known as a "special causes of loss" with insurance underwriters licensed or admitted in Minnesota and having an A.M. Best rating, or its equivalent, of at least A-VII acceptable to MAC during the Term of this Agreement, covering fire and other risks of physical loss insurable under such coverage, for an aggregate amount equal to 100 percent of their replacement value. Such policies shall be in a form satisfactory to MAC and name MAC as a loss payee as its interest may appear. The policy or policies shall contain a waiver of subrogation by endorsement or terms and conditions of the policy(s) in favor of MAC. Tenant shall keep evidence of such insurance using the standard ACORD form insurance certificate per Minnesota Statute 60A.39 or a form of certificate or memorandum from the licensed insurance broker per Subd. 5 of this Statute.

To the extent MAC maintains property insurance on the Leased Premises, MAC's coverage (or ability to recover under such coverage) shall be limited to the excess value of any property loss after exhaustion of amounts payable under Tenant's property insurance associated with the loss. For the avoidance of doubt, MAC may grant its insurance carriers with rights of subrogation, specifically including but not limited to instances in which MAC's insurance coverage is in excess of amounts payable under Tenant's policies.

In the event of damage or destruction to any buildings or improvements on the Leased Premises, all insurance proceeds shall be used to repair, rebuild and/or restore the buildings and improvements on the Leased Premises unless otherwise mutually agreed in writing by both MAC and Tenant.

C. Insurance

Tenant shall obtain and maintain with insurance underwriters licensed or admitted in Minnesota and having an A.M. Best rating of at least A-VII or equivalent, acceptable to MAC, a standard policy, or policies for protection from claims against it under worker's compensation acts, claims for damages because of bodily injury including personal injury, sickness or disease or death of any and all employees or of any person other that such employees, and from claims for damages against it because of injury to or destruction of property including loss of use resulting therefrom.

Tenant shall carry with insurance underwriters licensed or admitted in Minnesota and having an A.M. Best rating of at least A-VII or equivalent acceptable to MAC, premises operations liability insurance and aircraft liability insurance, hangarkeepers liability on each aircraft engaged in air carrier activities which is owned, operated or under the care, custody or control by Tenant at the Airport. All such insurance shall be in at least the following amount, shall include MAC as an additional insured by endorsement to the policy or policies or terms and conditions of the policy(s) and shall be in form reasonably acceptable to MAC. Tenant shall keep evidence of such insurance using the standard ACORD form insurance certificate per Minnesota Statute 60A.39 or a form of certificate or memorandum from the licensed insurance broker per Subd. 5 of this Statute. MAC reserves the right and Tenant agrees to commercially reasonable revisions upwards or downwards in the minimum insurance requirements hereinafter set forth either by field rule or ordinance of MAC, provided, however, that any such revision shall be nondiscriminatory. If any of the aforementioned insurance is written on a claims made basis, the tenant warrants that continuous coverage will be maintained, or an extended discovery period will be exercised, for a period of three years from the time this Lease expires.

1. Aviation Liability Policy for Contractual liability, Bodily injury and Property Damage - $100 million, combined single limit, each occurrence, aggregate where applicable.

2. Owned and Non-Owned Aircraft Bodily Injury and Property Damage Liability including Passenger Liability - $100 million, combined single limit, each occurrence, aggregate where applicable.

Workers' Compensation to statutory limits and employer's liability to at least $1,000,000 bodily injury by accident, $1,000,000 policy limit each accident bodily injury by disease, $1,000,000 each employee. The policy or policies shall contain a waiver of subrogation by endorsement or terms and conditions of the policy(s) in favor of MAC.

Such indemnification and Tenant's obligations hereunder, shall survive cancellation, termination, or expiration of the Term of this Agreement. Upon request of MAC, Lessee shall provide copies to MAC of any such applications, forms, documents, notifications or certifications.

Tenant shall notify MAC in writing within a reasonable amount of time after learning of any matter that might give rise to an Environmental Claim, or if Tenant obtains knowledge of any release, threatened release, discharge, disposal or emission of any Environmentally Regulated Substance related to the operations of the Leased Premises in, on, under or around the Leased Premises or the Airport which are not in full and complete compliance with all applicable Environmental Laws. Tenant shall promptly follow the notification procedures outlined in the MSP Integrated Spill Response and Coordination Plan ("Integrated Plan") regarding any spills, releases or accidental discharges that occur on the Airport.

E. Right to Take Action

MAC shall have the right, but not the obligation or duty, to join or participate in, including if it so elects as a formal party, any legal or administrative or equitable proceedings or actions initiated by any person or entity in connection with any Environmentally Regulated Substance, Environmental Law, Environmental Claim arising out of Tenant's operations of the Leased Premises, whether occurring within the Leased Premises and on the Airport, or if Tenant is not fulfilling its obligations under Section 12.B. above, and in such case to have its reasonable attorneys' fees and costs incurred in connection therewith paid by Tenant to the extent provided pursuant to Section 12B.

F. Right to Investigate

MAC shall have the right, but not the obligation or duty, anytime from and after the date of this Agreement, upon reasonable advance notice to Tenant, in an non-emergency situation, to investigate, study and test to determine whether Environmentally Regulated Substances related to Tenant's operations of the Leased Premises are located in, on or under the Leased Premises or the Airport, or were emitted or released therefrom, which are not in compliance with applicable Environmental Laws. In conducting such investigation, MAC shall use reasonable efforts to avoid disrupting Tenant's operations in the Leased Premises. Upon the reasonable request of MAC, Tenant shall provide a list of any and all Environmentally Regulated Substances related to Tenant's operations of the Leased Premises which are used in, on or under the Leased Premises or the Airport, certified as true and correct, and specifying how such Environmentally Regulated Substances are used, stored, treated, or disposed.

Annually, Tenant shall verify to MAC that it is complying with this Section 12.G.l and the Integrated Plan as detailed in the plan.

If MAC incurs costs related to a spill or other environmental expenses related to Environmentally Regulated Substances as a result of Tenant's operations of the Leased Premises, unless due to the gross negligence of MAC, MAC will bill Tenant for all MAC's actual costs, plus a fifteen percent (15%) administrative fee. Tenant shall pay MAC within thirty (30) days of Tenant's receipt of the invoice. Tenant may then determine which Tenant, Tenant Agent, Tenant Clientele or other party, is responsible for such costs.

2. Minnesota Pollution Control Agency ("MPCA") Permits

If applicable, Tenant agrees to make application to be included on and comply with the MSP NPDES Permit or, if the MAC is in agreement, apply for and comply with an individual stormwater permit issued to Tenant.

Tenant (i) shall only conduct vehicle and aircraft maintenance in accordance with the applicable terms and conditions of the MSP NPDES Permit, and (ii) shall only store waste materials outside in accordance with the applicable terms and conditions of the MSP NPDES permit.

Tenant is prohibited from having any discharges of wash waters with detergents or Environmentally Regulated Substances to stormwater. For products containing Environmentally Regulated Substances (e.g. pavement deicers, rubber removal chemicals, detergents, etc.) that may be exposed to stormwater as part of Tenant's operation on the Leased Premises, Tenant use shall be limited to those products which are approved by the Minnesota Pollution Control Agency (MPCA).

Installation of any underground tanks shall be prohibited, and any installation of any above ground tanks shall require the written approval of MAC, not to be unreasonably withheld, conditioned, or delayed. MAC represents and warrants to the best of its knowledge and belief, that the Leased Premises do not contain any underground storage tanks as of the date MAC constructed the building.

Tenant and MAC acknowledge and agree that any tanks installed on the Leased Premises by Tenant during the Term of this Agreement remain under the ownership and control of Tenant until such tanks are removed from the Leased Premises by Tenant. At the expiration or termination of this Agreement, Tenant is required to remove all tanks from the Leased Premises in accordance with applicable Environmental Laws and provide information to MAC which adequately demonstrates that the tanks have not resulted in environmental contamination to the Leased Premises in violation of applicable Environmental Laws. Should contamination from any tank installed and operated by Tenant be discovered, Tenant shall be required to conduct all remediation or corrective action required to bring the Leased Premises into compliance with applicable Environmental Laws.

14. MAC TO OPERATE AIRPORTS

MAC shall properly maintain, operate, and manage the Airport at all times and in a safe manner not dissimilar to generally accepted good practices for airports of similar size and character. If for any reason beyond the control of MAC (including but not limited to war, strikes, riots, and civil commotion), MAC shall fail to properly maintain, operate and manage the Airport, such failure shall not operate as a breach of this Agreement or render MAC liable in damages. In such case Tenant will be able to cancel this Agreement upon one hundred eighty (180) days written notice and rent will abate during the time of non-use.

15. PUBLIC DATA

The parties agree that this Agreement is subject to the Minnesota Government Data Practices Act.

16. FUTURE LEASES

17. SIGNS

Tenant shall be allowed to erect suitable advertising signs on the Leased Premises to advertise its business at the Airport, subject to the prior written approval of MAC as to the form, type, size, location and method of installation so as to be consistent with the current version at time of design and installation of the following: 1) MAC's Exterior Signage and Promotional Activities Policy, 2) Airport Facility Guidelines for Minneapolis-St. Paul International Airport, and 3) MAC Ordinance 94 (MSP Building Code Ordinance) as amended or changed.

18. COMPLIANCE WITH LAWS

A. Compliance with Laws

Tenant, at its sole expense, shall promptly comply with and conform to all applicable present and future laws, ordinances, regulations, and requirements of federal, state, county, and other government bodies of competent jurisdiction that apply to or affect, either directly or indirectly, Tenant's use and occupation of the Leased Premises and its operations and activities under this Agreement, and with any lawful order or direction of any public officer relating thereto. MAC shall have the right to and shall adopt and enforce reasonable rules and regulations with respect to the use of the Airport, Leased Premises, and MAC-owned property and related facilities, which Tenant must observe and obey. Subject to the limitations herein, MAC retains the right, but not the duty, to enter and inspect the Leased Premises to determine if Tenant is complying with applicable laws upon reasonable notice to Tenant.

B. Notices of Violation

Tenant shall notify MAC within five (5) business days (Monday – Friday excluding national holidays) after receipt of any notices of violation of any laws, ordinance, rule, regulation or order specifically concerning the Leased Premises.

19. SECURITY REQUIREMENTS

A. Airport Security

All employees, agents, and/or subcontractors of Tenant must meet the requirements of the Airport Police Department with regard to security badging access. All security badging questions must be referred to the Airport Police Department Badging Office at 612-467-0623. All necessary badging shall be Tenant's sole expense.

Tenant agrees to be familiar with the physical layout and general operating conditions at the Airport.

Tenant at its own expense shall abide by all Transportation Security Administration ("TSA") or MAC security requirements, ordinances or security directives, including but not limited to, security badge qualifications, access, display, and use, restrictions on sale of dangerous items and limited security area access abilities.

The security of the airport environment, especially in the sterile area, requires constant vigilance and control by MAC. Pursuant to TSA requirements, MAC is only allowed to permit access to the sterile area to individuals who have a business purpose inside the area. Because of this requirement on MAC, security badges issued to Tenant, Tenant's subcontractors, or independent contractors may be deactivated at the end of the day of termination of the Agreement.

B. Penalties Assessed by the TSA

Tenant understands and agrees that in the event the TSA assesses a civil penalty or fine against MAC for any violation of Transportation Security Regulation or other federal statute as a result of any act or failure to act on the part of Tenant, its subtenants, or subcontractors hereunder, Tenant will reimburse MAC in the amount of the civil penalty assessed plus any costs for defending the civil penalty, including reasonable attorneys' fees. MAC will provide Tenant notice of the allegation, investigation or proposed or actual civil penalty. Failure of Tenant to reimburse MAC within one hundred twenty (120) days of receipt of written notice of the assessed civil penalty shall be an event of default.

20. BANKRUPTCY

Adequate assurance of future performance as provided by Section 365 of the Bankruptcy Code as amended, includes, but is not to be limited to:

A. Adequate assurance of the reliability of the source of all of the rentals, fees, charges, and other consideration due under this Agreement after the assumption or assignment of this Agreement.

B. Adequate assurance that neither the assumption or assignment of this Agreement nor the exercise of rights hereunder by the party assigning or the assignee will breach any provision in any other agreement to which MAC is bound, any federal or state statute, rule or regulation affecting MAC or the Airport, or any rule, regulation, or ordinance made by MAC.

C. Adequate assurance that the assumption or assignment of this Agreement will not disrupt the operation of the Airport.

E. Adequate assurance that the Leased Premises will be used to provide the aviation services permitted by this Agreement.

21. DEFAULT

A. Events of Default

Any of the following shall constitute a default of this Agreement by Tenant.

1. Tenant is in arrears in the payment of rent for a period of fifteen (15) days after written notice of default from MAC.

2. Tenant fails to operate the Leased Premises as required under this Agreement, or Tenant fails or neglects to do or perform or observe any of the covenants contained herein on its part to be kept and performed and such failure or neglect shall continue for a period of not less than thirty (30) days after MAC has notified Tenant in writing of Tenant's default hereunder and Tenant has failed for reasons other than those beyond Tenant's control to cure such default within said thirty (30) day period, plus such additional time as is reasonable under the circumstances in the event such default, by its nature, cannot reasonably be cured within said thirty day period and the default under this Lease in no way impacts use of the

airport and its facilities by MAC, its tenants and/or other airport users, provided that Tenant commences such cure within said thirty days and thereafter diligently processes such cure to completion. It is agreed that such thirty (30) day notification period shall not be construed to apply to any default in payment of rent.

3. Tenant shall be declared to be bankrupt or insolvent according to law, or if any assignment of its property shall be made for the benefit of creditors, or Tenant is placed in receivership.

4. Tenant is in default under the any loan or financing relating to the Leased Premises or Project that may result in a lien or encumbrance against the Leased Premises, including any loans in which MAC may have guaranteed.

B. MAC's Rights Upon Default

Subject to Section 21A.6, MAC, or those having an estate in the Leased Premises, may take any of the remedies set forth in the following subsections upon the occurrence of an event of default described in Section 21A above.

1. Immediately, or at any time thereafter, via judicial process including summary eviction proceedings where required, to re-enter into or upon the Leased Premises or any part thereof and take possession of the same fully and absolutely without such re-entry working a forfeiture of the rents or other charges to Tenant for the full Term of this Agreement, and in the event of such re-entry, MAC may proceed for the collection of the rents or other charges to be paid under this Agreement or for properly measured damages; or

2. MAC may, at its election, terminate this Agreement upon written notice in the manner hereinafter provided and via judicial process including summary eviction proceedings where required, re-enter Leased Premises as of its former estate therein, and Tenant covenants in case of such termination to remain responsible to MAC for all loss of rents and expense including reasonable attorneys' fees which MAC has suffered or paid by reason of termination, during the residue of the Term; or

3. MAC shall further have all other rights and remedies including injunctive relief, ejectment or summary proceedings in unlawful detainer, and all such remedies shall be cumulative.

4. No judicial process is needed or required should Tenant abandon the Leased Premises. Further, if Tenant rejects the Agreement as part of a bankruptcy proceeding, no further judicial process is needed for MAC to recover the Leased Premises.

22. RIGHT OF ENTRY

MAC, its officers, agents, and employees shall have the right, without limitation but upon reasonable prior notice (except in emergency in which event no notice shall be required) and at

reasonable times, throughout the Term of this Agreement to enter upon the Leased Premises for any lawful purpose, including the purpose of determining whether Tenant is complying with its obligations herein, provided however that in all events except pursuant to an emergency, in consideration of Tenant's security concerns and confidentiality of Tenant's customer information, MAC will undertake such entry only during business hours, and that neither MAC nor its employees, agents, representatives or contractors shall be permitted to enter portions of the building containing confidential business or personnel information except when accompanied by an authorized representative of Tenant.

MAC by its authorized officers, employees, agents, contractors, subcontractors, or other representatives, will have the right (at such times as may be reasonable under the circumstances and with as little interruption of Tenant's operation as is reasonably practicable) to enter the Leased Premises for the following purposes:

A. To inspect such space to determine whether Tenant has complied and is currently in compliance with the terms and conditions of the Lease.

B. Upon reasonable notice to perform such maintenance, cleaning, or repair as MAC's Executive Director deems necessary, if Tenant fails to perform its obligations under the agreement, and to recover the reasonable cost of such maintenance, cleaning, or repair from Tenant, which will include a 15% administrative fee.

Such entry by MAC shall not be deemed to excuse Tenant's performance of any promise, term, condition, or covenant required of it by this Agreement, and shall not be deemed to constitute waiver thereof by MAC.

23. QUIET ENJOYMENT

So long as Tenant is not in default in their obligations hereunder beyond any applicable period for notice and cure granted hereunder, MAC covenants and agrees that Tenant shall have, hold and enjoy peaceful and uninterrupted possession of all of the Leased Premises and of its rights to in, to, and from the Airport as herein granted.

24. CIVIL RIGHTS & NONDISCRIMINATION

In satisfaction of the requirements of the FAA Advisory Circular, the provisions of Exhibit E are included in this Lease. However, the requirements contained within Exhibit E remain subject to the limitations of and notice and cure provisions of Section 21.A.2. MAC agrees that it shall enforce the provisions of Exhibit E against Tenant solely in a manner which is reasonable and non-discriminatory.

25. GENERAL PROVISIONS

A. Headquarters Covenant

During the Term of this Lease, and any extensions or holdover periods Sun Country hereby covenants and agrees to maintain its "headquarters" in the metropolitan areas of Minneapolis and Saint Paul within the state of Minnesota. As the sole remedy for breach of this covenant, Building Rent shall become $828,049.92 annually ($69,004.16 monthly), commencing with the first day of the particular month in which Sun Country violates the Headquarters Covenant (and, in the event any such violation continues for thirty-six consecutive months, the higher Building Rent will be in effect permanently thereafter through the remaining Term of the lease). MAC's failure to comply with FAA Grant Assurances with regard to the allocation and use of terminal facilities with respect to Sun Country shall relieve Sun Country's obligations under this Headquarters Covenant

The term “headquarters” means the corporate office which constitutes (i) the principal office of Sun Country (or any assignee holding all or substantially all (i.e., ninety-five percent (95%) or more) of the stock or assets of Sun Country) from which its business is conducted, and (ii) the principal office of Sun Country’s or such assignee entity’s CEO, CFO, and majority of its other senior management team members.

B. Sublease or Assignment

Tenant shall not sublease the Leased Premises, or transfer or assign this Lease, (collectively, a “Transfer”) without MAC’s prior written consent, at its sole discretion. This Agreement is binding on all legal representatives, successors or assigns. Consent is subject to payment of all rents and the performance of all covenants, conditions and terms contained in this Agreement by Tenant. It shall not be unreasonable for MAC to disapprove a sublease or assignment of the Leased Premises if the proposed sublease or assignee is not an Air Transportation Business.

Notwithstanding the foregoing, this Section shall not be interpreted to preclude a Transfer of Tenant’s rights and obligations hereunder to any person or entity (a) controlling, controlled by, or under common control with Tenant, or (b) that is Tenant’s successor through purchase, merger, reorganization, conversion, or consolidation, or (c) that acquires all or substantially all of the stock or assets of Tenant (collectively, a “Permitted Transferee”); provided that such Permitted Transferee conducts an Air Transportation Business in the Premises and assumes all rights and obligations hereunder. Written notice of such assumption shall be provided by the Tenant and Permitted Transferee prior to the effective date of such Transfer. It is expressly understood that Tenant intends to convert its corporate structure from that of a limited liability company to that of a corporation after the Execution Date hereof, and MAC has no consent rights thereover.

C. Minnesota Law and Jurisdiction

The laws of the State of Minnesota shall govern this Agreement. Tenant further consents to the personal jurisdiction of and venue in the Minnesota state courts.

D. Severability

If any term, condition, or provision of the Agreement or the application thereof to any person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder thereof and the application of such terms, provisions, and conditions to persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and the Agreement and all the terms, provisions, and conditions hereof shall, in all other respects, continue to be effective and to be complied with to the full extent permitted by law.

E. Right to Amend

In the event the FAA, or its successors, or the TSA requires modifications or changes in this Agreement as a condition precedent to the granting of funds for the improvement of the Airport, MAC and Tenant agree to consent to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions, or requirements of this Agreement as may be reasonably required to obtain such fund; provided, however, that in no event will Tenant be required, pursuant to this subsection, to agree to an increase in the rent or other charges. Tenant and MAC will consult with each other and negotiate in good faith to avoid Tenant’s use of the Leased Premises being materially affected.

F. Accord and Satisfaction

No payment by Tenant of a lesser amount than the rent or other payments required in this Agreement shall be deemed an accord and satisfaction. MAC shall accept such payment without prejudice to MAC's rights to recover the balance of rent and/or payments due or to pursue any other remedy.

G. Attorneys' Fees and Costs

In the event of any suit or proceeding to enforce the terms of the Agreement, each party shall bear its own attorney's fees and costs.

H. Relationship of Parties

It is understood and agreed that nothing in this Agreement is intended or shall be construed as in any way creating or establishing the relationship of co-partners hereto, or as constituting Tenant as the agent, representative or employee of MAC for any purpose or in any manner whatsoever. Tenant is to be and shall remain an independent Tenant with respect to all services performed under this Agreement.

I. Headings

The headings incorporated in the Agreement are for convenience in reference only and are not a part of the Agreement and do not in any way limited or add to the terms and provisions hereof.

J. Waiver

The waiver of breach by Tenant or MAC of any term of this Agreement must be in writing to be effective, and shall not be deemed a waiver of any subsequent breach of the same term or any other term of this Agreement.

K. Condemnation

If it shall be in the public interest, MAC shall have the power to condemn the property interests created by this Agreement provided that this provision shall not be construed as a waiver by MAC or Tenant of their rights to contest the validity of any such condemnation.

Upon taking by MAC and without limitation to the preceding paragraph, (1) in the event of a taking by MAC of the Agreement or any portion of the Leased Premises or other property of MAC or Tenant, MAC's and Tenant's awards shall be limited solely and exclusively to their relocation expenses and those relating to a permanent taking of their personal property, and (2) in no event shall MAC or Tenant be entitled to any award relating to the value of any expired portion of the Term of this Agreement, the leasehold improvements, any fixture located on or about the Leased Premises, or any loss, damage or diminution of Tenant's business. Tenant hereby waives all provisions of applicable law, which is or may be inconsistent with this section.

L. Subordination to Agreements with the U.S. Government

This Agreement shall be subordinate to the provisions of and requirements of any existing or future agreement between MAC and the United States, relative to the development, operation or maintenance of the Airport.

This Agreement and all provisions hereof shall be subject to whatever right the United States Government now has or in the future may have to acquire affecting the control, operation, regulation and taking over of said Airport or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

M. Parking

No parking privileges (on areas of the Airport other than the Leased Premises) are provided as part of this Agreement. All such parking must be coordinated with MAC's Landside Operations Department.

N. Force Majeure

If performance of any of the provisions of this Agreement is rendered impossible or is delayed by reason of strikes, fire, flood, explosion, civil commotion, riot, insurrection, terrorism, or act of God, then such performance shall be excused if impossible, or postponed for the period of such delay, if delayed.

O. Entire Agreement

This represents the entire agreement between the Parties. This Agreement may only be modified if done in writing and executed by both Parties.

P. Existing Lease

METROPOLITAN AIRPORTS COMMISSION

MINNEAPOLIS-SAINT PAUL INTERNATIONAL AIRPORT
WOLD-CHAMBERLAIN FIELD

October 1, 2013

NOTICE TO: ALL AIRPORT USERS

FROM: DIRECTOR MSP OPERATIONS

SUBJECT: FIELD RULE: AIRCRAFT DEICING

The Metropolitan Airports Commission, in consideration of aircraft flight safety during winter operations and to comply with NPDES stormwater permit requirements, is issuing an AIRCRAFT DEICING FIELD RULE.

Aircraft deicing is mandated by Code of Federal Regulations- Federal Aviation Regulations Part 121. Contaminant discharge to receiving waters from MSP is regulated by the Minnesota Pollution Control Agency (MPCA) under National Pollution Discharge Elimination System (NPDES) permit #MN000210l. Per procedures listed in this FIELD RULE, the MAC and its tenants will implement Best Management Practices (BMPs) and best available technologies within aviation safety and operational considerations.

The following rules for aircraft deicing operations are effective this date, [revise date] October 1, 2013

LOCATIONS

Aircraft deicing at Minneapolis-Saint Paul International Airport (MSP) will be conducted at locations that fall under one of the following three categories:

1. Dedicated deice pads with associated containment facilities.
2. Apron areas where drainage is controlled by a “plug and pump” system.
3. Non-contained apron areas provided that the tenant makes a provision for the prevention of discharge into the storm drain system (i.e. storm drain covers, MAC approved inserts, etc), augmented by immediate recovery of spent fluids by a Glycol Recovery Vehicle (GRV). These provisions must comply with Chapter 7, Sections 1.14 through 1.24 in the MSP NPDES Permit.

MSP deicing tenants shall utilize the dedicated deicing pads to the extent possible, as required in Chapter 7, Section 1.7 of the MSP NPDES Permit.

PROCEDURES

1. MSP tenants shall submit for approval a deicing plan to the MAC Airside Operations Department on an annual basis prior to September 15th. The plan must include deicing procedures for each location category (as described above) that a tenant expects to utilize. Tenants without an approved deicing plan for a specific location category will be prohibited from deicing at that location. THERE WILL BE NO EXCEPTIONS TO THIS PROVISION.
2. Approved methodologies for containment of spent deicing fluids at MSP:
    - Dedicated deicing pads that may be used by all tenants.
    - The current system of plugging and pumping the storm sewers at selected locations will be continued, but not expanded beyond the existing contained gates at the Terminal 1-Lindbergh and Terminal 2-Humphrey aprons.
    - Aircraft deicing may be accomplished on tenant leasehold areas PROVIDED THAT:
        1. All storm sewer inlets likely to receive spent deicing fluids are covered, or equipped by other approved means, to prevent discharge of spent deicing fluid into the storm drain system.
        2. Glycol Recovery Vehicles are used immediately after each aircraft is deiced to recover spent deicing fluids.

3. Recovered product is transported to a dedicated GRV remote holding tank or the MAC Glycol Management Facility for processing.
4. Deicing operations by tenants do not impact the safety and operations of nearby leaseholders or the general public.
5. All procedures are conducted in a manner compliant with Chapter 7, Sections 1.14 through 1.24 of the MSP NPDES Permit.

3. Aircraft deicing operations on aircraft movement area surfaces will be strictly limited to areas with containment facilities or where drainage is controlled by a plug and pump system. Glycol dispensing vehicles are authorized to operate on designated movement area surfaces contingent on the requirement that the vehicles are operated by properly trained and licensed personnel, that entry onto a movement area surface is for the express purpose of aircraft deicing, and that prior notification was made to the MAC Airside Operations department. Glycol Recovery Vehicles are not authorized to operate on any open movement area surfaces.

4. To ensure maximum environmental protection for the storage and use of glycol at MSP, the following fluid management measures are required:

- Aircraft Deicing Fluid shall not be used for pavement deicing
- Glycol storage tank(s) including all pipes and valves, will either (i) be within a permanent or portable secondary containment area with the capacity to hold 110% of largest tank volume, or (ii) the storage tanks/tank systems will be double walled, and will incorporate at least one of the following: 1) be constructed with all product fill and removal hoses/pipes on the top of the tank; 2) have breakaway fail-safe valves; 3) have double-walled piping systems; or 4) other similar containment protection as approved by MAC.
- Filler hoses, unless equipped with end caps or closure valves; must be placed in a contained bucket or in the contained area, when not in use; to reduce leaking from the nozzle.
- Each glycol tank will be labeled with the type of fluid, the tank capacity and the phone number for MAC Communications (612-726-5577) to facilitate rapid emergency response.
- If glycol trucks are stored during the non-deicing season with fluid in the tanks, secondary containment measures must be in place.
- All spills or unintended releases of aircraft deicing fluid must be reported to MAC Communications regardless of whether spill/release occurred in a contained location. Recovery procedures shall be initiated as appropriate.
- Appropriate best management practices (BMPs) must be implemented for glycol storage and handling by the tank owner and all users. These BMPs shall be documented within their Stormwater Pollution Prevention Plan (SWPPP), as required by the MSP NPDES Permit.

5. In order to comply with NPDES Permit limits, deicing may be limited or prohibited at any airport location, including tenant leasehold areas. Accordingly, this Field Rule may be modified as necessary due to NPDES Permit requirements, or as necessary for safety or aircraft/airfield operational requirements.

This FIELD RULE contains provisions for safe, efficient aircraft deicing and environmentally responsible containment of spent deicing fluids. It is essential that each company emphasize the need to comply with the FIELD RULE to their employees.

Civil Rights & Nondiscrimination

1. General Civil Rights Provisions

The Tenant agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If the Tenant transfers its obligation to another, the transferee is obligated in the same manner as the Tenant.

This provision obligates the Tenant for the period during which the property is owned, used or possessed by the Tenant and the Airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. Title VI Clauses for Compliance with Nondiscrimination Requirements

During the performance of this contract, the Tenant, for itself, its assignees and successors in interest (hereinafter referred to as the "Tenant") agrees as follows:

A. **Compliance with Regulations:** The Tenant will comply with Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

B. **Nondiscrimination:** The Tenant, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of sub-contractors, including procurement or materials and leases of equipment. The Tenant will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CPR part 21.

C. **Solicitations for Subcontracts, including Procurement of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the Tenant for work to be performed under a subcontract, including procurement of materials, or leases of equipment, each potential sub-contractor or supplier will be notified by the Tenant of the Tenant's obligations under this contract and the Nondiscrimination Acts and Authorities.

D. **Information and Reports:** The Tenant will provide all information and reports required by the Nondiscrimination Acts and Authorities and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by MAC or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a Tenant is in the exclusive possession of another who fails or refuses to furnish this information, the Tenant will so certify to MAC or the Federal Aviation Administration, as appropriate, and shall set forth what efforts it has made to obtain the information.

E. **Sanctions for Noncompliance:** In the event of the Tenant's noncompliance with non-discrimination provisions of this contract, MAC shall impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

1. Withholding payments to the Tenant under the contract until the Tenant complies; and/or

2. Cancelling, terminating, or suspending a contract, in whole or in part.

F. **Incorporation of Provisions:** The Tenant will include the provisions of Section 2, subsections A–F in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Nondiscrimination Acts and Authorities. The Tenant will take action with respect to any subcontract or procurement as MAC or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Tenant becomes involved in, or is threatened with litigation by a sub-contractor, or supplier because of such direction, the Tenant may request the MAC to enter into any litigation to protect the interests of the MAC. In addition, the Tenant may request the United States to enter into such litigation to protect the interests of the United States.

3. Title VI Clauses for Transfer of Real Property

A. The Tenant for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:

1. In the event facilities are constructed, maintained, or otherwise operated on the property described in this lease for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Pertinent List of Nondiscrimination Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

4. Title VI Clause for Use of Real Property

The Tenant for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that: (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Tenant will use the premises in compliance with all other requirements imposed by or pursuant to the Nondiscrimination Acts and Authorities.

FNBO may, at its option and in its sole discretion, discontinue marketing in general or through any specific channel at any time based on administrative, compliance, or reputational concerns.

(b) Although FNBO may choose to do so, FNBO is under no obligation to solicit each and every person listed on any Customer List or Hot List. Co-Brand Partner shall be the sole and exclusive owner of the Customer Lists and Hot Lists. Co-Brand Partner grants FNBO and its Affiliates a non-exclusive and royalty free license to use the Customer Lists and Hot Lists during the Term. Co-Brand Partner agrees to indemnify and hold FNBO harmless against any claims (including court costs, attorney's fees and the cost of enforcing this indemnity provisions) that Co-Brand Partner's authorizing FNBO to use the Customer Lists and Hot Lists is unauthorized, improper or illegal.

(c) The initial Marketing Plan (defined below in Section 2.10) prepared by the Parties will provide for Co-Brand Partner to conduct all solicitations of FNBO's Cards to individuals on the Customer List and Hot List during an initial two (2) month period, which shall begin no later than March 31, 2014. (a) FNBO will provide, at FNBO's expense, a reasonable quantity of customized take-one applications and materials for airline counter solicitations. Co-Brand Partner agrees not to use any Promotional Materials or other references pertaining to FNBO or any of FNBO's credit cards, products or services without FNBO's prior written authorization and approval of the form, content, specifications and quality thereof. FNBO agrees to provide Promotional Materials containing Co-Brand Partner's Marks to Co-Brand Partner for Co-Brand Partner's prior approval (such approval not to be unreasonably withheld). FNBO may consider Co-Brand Partner's failure to respond within five business days to be an approval. If Co-Brand Partner requests non-standard solicitations or special inserts, FNBO may request prior to the production of such materials that Co-Brand Partner reimburse FNBO for any additional cost which may be incurred. Upon termination of this Agreement, Co-Brand Partner shall: (a) promptly return all Promotional Materials and all other solicitation materials whatsoever that FNBO supplied to Co-Brand Partner or that Co-Brand Partner has in its possession; and (b) delete, discontinue and cease all Electronic Solicitations.

(b) Co-Brand Partner and FNBO will, at Co-Brand Partner's sole cost and expense (including any incremental postage costs) and subject to Applicable Law, FNBO's policies (including privacy policies) and FNBO system requirements and, FNBO operational limitations, mutually agree to the content, targeting, and method of distribution of Cardholder inserts ("**Inserts**") and statement messaging. Co-Brand Partner will be responsible for producing inserts and statement messaging that are recommended for inclusion by Co-Brand Partner. Notwithstanding the foregoing, any insert or statement message that FNBO reasonably determines is necessary to comply with Applicable Law or Network Rules shall be the responsibility of FNBO in all respects and shall take precedence over any Co-Brand Partner inserts or statement messages. The content and distribution of the Inserts and statement messages shall be subject to the prior written approval of FNBO, such approval not to be unreasonably withheld, delayed or conditioned. FNBO will advise Co-Brand Partner if it reasonably believes that the content of statement inserts or messages proposed by Co-Brand Partner for distribution to Cardholders would conflict with Applicable Law, Network Rules, product offerings, FNBO policies (including privacy policies) or system requirements of FNBO or any Affiliate or its reputation and the parties shall work in good faith to modify the content so

it does not conflict with Applicable Law, Network Rules, product offerings, FNBO policies (including privacy policies), system requirements or reputation of FNBO or its Affiliates. In the event, FNBO and Co-Brand Partner are not able to reach mutual agreement on the content and targeting of any Insert or statement message, FNBO may at its sole discretion, refuse to include such Insert or statement message in a mailing and such refusal shall not be deemed to be a breach of this Agreement.

(c) For any given month, Co-Brand Partner will bear all incremental costs of postage incurred from Inserts that exceed FNBO's standard size and weight requirements for Inserts, excluding incremental costs associated with additional material inserted by FNBO to comply with requirements of law; provided, that FNBO shall notify Co-Brand Partner of any such incremental costs prior to mailing the Inserts and obtain Co-Brand Partner's prior written approval to proceed with the mailing. The foregoing shall not be construed to prohibit Co-Brand Partner from providing Co-Brand Partner's customers with debit cards or engaging in or obtaining merchant processing activities. Co-Brand Partner may, after termination of this Agreement, offer current Cardholders the opportunity to participate in another credit card program that Co-Brand Partner endorses, provided Co-Brand Partner does not make such offer only to such Cardholders, but rather as a part of a general solicitation to Co-Brand Partner's customers or other persons identified independently of their status as Cardholders and provided further that no such existing Cardholders are directly or indirectly identified as Cardholders or offered incentives different from that offered to Co-Brand Partner's customers or other persons who are not Cardholders; *provided,* that the foregoing restriction shall not apply to Accounts transferred to Co-Brand Partner (or the Nominated Purchaser or the Alternative Nominated Purchaser as applicable) as a result of the exercise by Co-Brand Partner of the Purchase Option and the completed sale of Program Assets by FNBO. For clarity, Co-Brand Partner may not target Cardholders whose Accounts were not sold or transferred to Co-Brand Partner (or the Nominated Purchaser or Alternative Nominated Purchaser as applicable) as a result of the exercise by Co-Brand Partner of the Purchase Option and the completed sale of Program Assets by FNBO; provided that the foregoing will not limit Co-Brand Partner's right to market generally to the Customer List or to the members of the Rewards Program.

2.7 Rewards Program. Co-Brand Partner shall offer a Rewards Program to the Cardholders, and shall contain at least those terms set forth on Schedule 2.7 under the heading "Mandatory Terms." To the extent that any such Mandatory Terms are not in effect as of Execution Date, Co-Brand Partner shall cause such Mandatory Terms to become effective as soon thereafter as reasonably practicable but no later than the Effective Date. The Rewards Program shall be operated in accordance with the terms set forth on Schedule 2.7 under the heading "Administration of Rewards Program." Subject to any additional requirements on Schedule 2.7, Co-Brand Partner may also add, change, or modify other terms of the Rewards Program so long as such additions, changes, or modifications do not conflict with the Mandatory Terms. No such change may impose additional or altered obligations on FNBO without its consent, except to provide additional information that is readily available, may lawfully be provided subject to FNBO's internal policies and procedures, and is no more burdensome to provide than any such information already being provided. Co-Brand Partner will notify FNBO of material changes in the Rewards Program in advance of the effective date of such material change, but in any event no less than 90 days in advance of the earlier of when Cardholders are notified thereof or the effective date of the change. Other terms for the Rewards Program include, but are not limited to, the terms set on Schedule 2.7 under the heading "Discretionary Terms." Terms and Conditions for the Rewards Program (for purposes of disclosure to Cardholders) shall be established by Co-Brand Partner, but subject to FNBO's approval, which shall not be unreasonably withheld. For avoidance of doubt, Co-Brand Partner and FNBO hereby acknowledge and agree that the Rewards Program is administered, owned, managed and maintained solely by Co-Brand Partner and, other than timely reporting of Credit Card Rewards Points based on Qualified Credit Card Transactions by Cardholders as outlined in this Agreement, FNBO is not responsible for any aspect or function of the Rewards Program, including, but not limited to, Co-Brand Partner's products, services, decisions, or Co-Brand Partner's refusal to honor Rewards Point redemption requests. Notwithstanding anything to the contrary in this Agreement, FNBO shall have full authority to cease participation in the Rewards Program based on administrative, compliance, or reputational concerns upon thirty (30) days' notice to Co-Brand Partner. In the event that FNBO ceases its participation in the Rewards Program, either party may terminate this Agreement upon sixty (60) days written notice to the other party; *provided,* that in the event Co-Brand Partner exercises its Purchase Option, the Termination Date shall be extended as necessary to match the Purchase Date. For the avoidance of doubt, FNBO's decision to cease participation in the Rewards Program, or any other termination of the Program, shall not change (a) FNBO's obligation to pay compensation pursuant to Section 5.1 and Schedule 5.1 or (b) Co-Brand Partner's obligation to honor all Rewards Points validly credited to Rewards Accounts prior to the effective date of such cessation or termination, subject to the terms and conditions of the Rewards Program.

2.8 Joint Marketing Steering Committee. Co-Brand Partner and FNBO shall establish a committee (the "Joint Marketing Steering Committee") for the purpose of creating Marketing Plans (as defined below), proposed revisions to Marketing Plans, rewards programs and other matters regarding marketing of the Program. The Joint Marketing Steering Committee shall be comprised of at least two management-level employees representing Co-Brand Partner and at

As an example, the Marketing Plan prepared in the first quarter shall set forth strategies to be implemented in the third quarter. Each Marketing Plan should include proposed solicitation, activation and retention strategies and communication methods (i.e.-direct mail campaigns, statement inserts, statement messages, Electronic Solicitations, Co-Brand Partner employee incentive programs, and activation premium promotions (e.g., merchandise or other incentives provided to prospective Cardholders for completing applications for Accounts), etc.). Each Marketing Plan should also include a marketing calendar setting forth the proposed dates for completing the proposed marketing initiatives. Subject to Applicable Law, system limitations, Network Rules and FNBO's procedures and policies (including privacy policies), FNBO and Co-Brand Partner agree to use commercially reasonable efforts to collaborate and develop strategies that are mutually agreed to by both parties and are designed to make account acquisition offers competitive within the context of a mutually agreed upon product and market definition. Notwithstanding anything to the contrary herein, both parties acknowledge and agree that the development and implementation of strategies designed to make account acquisition offers competitive within the context of a mutually agreed upon product and market definition is an aspirational goal and failure to reach mutual agreement on market definition or the development or implementation of such strategies shall not constitute a breach of this Agreement by either party.

2.11 Mutual Participation. (a) Co-Brand Partner and FNBO agree to jointly implement and participate in the agreed-upon Marketing Plans.

(b) Co-Brand Partner agrees not to use any Promotional Materials or other references pertaining to FNBO without FNBO's prior written authorization and approval of the form, content, specifications and quality thereof. d. Respond to ninety percent (90%) of all customer care written correspondence, excluding returned mail, within five (5) business days or less;

e. Acknowledge all customer care email inquiries within one (1) business day;

f. Issue a new credit card to ninety-five percent (95%) of Cardholders by first class mail within three (3) business days upon approval of the application; and

g. Maintain annual uptime of its website ninety-eight percent (98%) of the time, excluding planned downtime and regular maintenance, subject to the provisions of Section 11 of this Agreement.

Notwithstanding anything to the contrary, the foregoing service levels are targets only. Failure to achieve any service level shall not constitute a breach of the Agreement by FNBO. If any one of these service levels is not met in any calendar month period, FNBO will notify Co-Brand Partner and communicate the efforts FNBO is making to improve the deficiency, and FNBO shall have one calendar month thereafter to return the deficient service level or levels to the target. If a deficient service level has not returned to or exceeded the target in the month following notification of Co-Brand Partner, the matter shall be escalated to Joint Marketing Steering Committee for resolution.

FNBO's performance on these service levels will be excused if FNBO cannot meet the service levels due to events or occurrences beyond the reasonable control of FNBO or its Affiliates. In such an event, FNBO shall use commercially reasonable and good faith efforts to quickly meet the service levels described in this Section 3.5.

3.6 Merger. In the event: (a) Co-Brand Partner sells or exchanges substantially all of its assets; (b) Co-Brand Partner consummates a consolidation, reorganization, recapitalization, reclassification of its existence or merger; or (c) there is a change in the ownership interests in Co-Brand Partner in a single transaction or a related series of transactions that constitutes a change of 51% or more of the outstanding ownership interest of Co-Brand Partner (any of the foregoing, a "**Change of Control**"), then FNBO may terminate this Agreement upon 60 days written notice to Co-Brand Partner made within 30 days of the later of FNBO receiving written notice of such Change of Control or the effective date of such Change of Control. If any of the events listed in the preceding sentence occur and FNBO does not terminate this Agreement

within such 30 day period, subject to the following sentence, (i) this Agreement shall remain in full force and effect as the obligation of the Co-Brand Partner, FNBO and their respective successors and permitted assigns; (ii) any credit card program to which the acquiring or merging entity is a party shall not constitute a breach of Section 2.6; and (iii) if any credit card program to which such acquiring or merging entity is a party has a longer term, the Term of this Agreement shall be extended to be co-terminus with such program. If this Agreement would constitute a breach under any credit card program to which the acquiring or merging entity is a party, such acquiring or merging entity may terminate this Agreement upon 60 days written notice to FNBO, in which event the Purchase Option shall not apply.

3.7 Purchase Option. If this Agreement is terminated for any reason other than by FNBO pursuant to Section 9.2, Co-Brand Partner shall have a one-time option to purchase the Program Assets pursuant and subject to (a) Applicable Law; (b) Network Rules; and (c) the terms of this Agreement and the Purchase Option Schedule. Co-Brand Partner acknowledges that if it exercises its Purchase Option, the Accounts shall be subject to the terms and conditions governing such Accounts at the time of transfer. Subject to Applicable Law and Network Rules and regulations, FNBO acknowledges and agrees that it will not change the terms and conditions governing the Accounts during the last two Contract Years of the term without the prior written consent of Co-Brand Partner, other than changes which apply across all of FNBO's credit card programs.

SECTION 4: TERM

4.1 Extension Term. The Extension Term of this Agreement shall commence on July 1, 2018 and extend for a period of seven (7) years and shall end on June 30, 2025.

4.2 Renewals. Thereafter, this Agreement shall automatically renew for successive Renewal Terms of three (3) years each unless terminated as provided herein.

SECTION 5: COMPENSATION

5.1 Compensation. FNBO agrees to pay Co-Brand Partner Compensation set forth in Schedule 5.1, the Compensation Schedule effective as of July 1, 2018. In addition, no later than fourteen (14) calendar days following the receipt by FNBO of a fully executed copy of this Agreement, FNBO shall pay to Co-Brand Partner a one-time signing bonus in the amount of One Million Dollars ($1,000,000) to an account designated by Co-Brand Partner; provided, that if the Termination Date occurs prior to July 1, 2025, Co-Brand Partner shall refund to FNBO a pro rata portion of such signing bonus for the curtailed portion of the Extension Term.

5.2 Payments. Compensation will be calculated and paid on a calendar year quarterly basis and accompanied by FNBO's standard reports. Any difference in Compensation payable to Co-Brand Partner in Section 5.1 for the period from July 1, 2018 to the Execution Date of this Agreement shall be reconciled and settled with Co-Brand Partner no later than thirty (30) days following the Execution Date.

5.3 Effect of Termination. Termination of this Agreement for any reason shall terminate Co-Brand Partner's right to receive Compensation, provided that previously accrued and unpaid Compensation shall be reconciled and paid to the date of termination.

5.4 No Duplicate Compensation. FNBO shall not pay Co-Brand Partner any duplicate Compensation if Accounts on which such Compensation is calculated represent substitute or alternative accounts, including, but not limited to, Accounts established: (a) due to the loss or theft of a Cardholder's credit card; (b) as a result of former joint Cardholders requesting individual accounts; (c) due to an upgrade of an existing Account; (d) as subaccounts of an Account; or (e) multiple cards issued under a single Account.

5.5 Subcontractors. Notwithstanding anything in this Agreement to the contrary, in no event will FNBO have any obligation to pay any Compensation, expenses, fees or any other amounts whatsoever to any Subcontractor.

5.6 Interchange. In the event that the Interchange Rate is decreased by at least fifteen percent (15%) for a period of at least six (6) months due to a change in Applicable Law or Network requirements, FNBO may provide written notice to Co-Brand Partner requesting a renegotiation of the Compensation paid to Co-Brand Partner. Such notice shall specify the reduction in the Interchange Rate, the resulting reduction in FNBO revenue and the reduction in Compensation sought by FNBO. Following such notice the Joint Marketing Steering Committee will meet within fifteen (15) business days to discuss and evaluate changes to the Program, including reductions in Compensation. If the Joint Marketing Steering Committee fails to reach agreement on changes to the Program within thirty (30) days of its first meeting, FNBO shall have the right to terminate the Program.

SECTION 6: INTELLECTUAL PROPERTY

6.1 Marks. Each party retains all rights and interests in its own Marks. No party shall have any right or interest in the other party's Marks except as specifically provided in this Agreement. Neither party shall use the Marks of the other party except as provided herein. Co-Brand Partner acknowledges the Network's ownership of its Marks.

6.2 License. Each party hereby grants to the other party and its Affiliates for the Term and for such additional period as is set forth in this Agreement after the Term, a non-exclusive and royalty-free license to use granting party's name and Marks for the purposes set forth in this Agreement. In the event of any change in the granting party's name or Marks, the granting party shall bear the expense of and promptly reimburse the other party for any additional expenses such other party incurs in connection with the use of the changed name or altered Marks to the extent the granting party requests a change in the use of the changed name or altered Marks.

6.3 Representations and Warranties. Each Party represents and warrants that during the Term, and for such additional period as is set forth in this Agreement after the Term with respect to the Marks in which it is granting a license pursuant to Section 6.2: (a) such granting party shall be the sole and exclusive owner of its Marks and has the exclusive authority to license its Marks for the uses detailed in this Agreement; (b) the granting party's Marks do not infringe the rights of any third party; (c) the granting party's Marks are validly and duly registered, filed, approved and certified by the applicable federal and state agencies and authorities; (d) the license and use of the granting party's Marks pursuant to this Agreement will not violate or breach any other contracts; and (e) the granting party will not enter into any other contracts which would

limit the license or use of Co-Brand Partner's Marks hereunder or cause a breach of this Agreement or future contracts. Co-Brand Partner further represents and warrants that it is lawfully using the d/b/a "Sun Country Airlines," and that Co-Brand Partner has completed any registration of its d/b/a "Sun Country Airlines" that is required by state or federal law. A breach of any of the representations and warranties contained in this Section 6.3 shall constitute a material breach of the Agreement. Each party shall immediately notify the other party upon the breach of any of the representations and warranties contained within this Section 6.3.

6.4 Proprietary Rights.

(a) No provision of this Agreement shall be construed to grant Co-Brand Partner any right, title, interest, or license in, to or under the FNBO Proprietary Rights (which shall be the sole and exclusive property of FNBO or an Affiliate of FNBO). FNBO Proprietary Rights shall be considered FNBO's confidential and proprietary information and FNBO's trade secret. Without FNBO's prior written approval, Co-Brand Partner shall not attempt to assemble or compile any list of Cardholders or persons holding Accounts to be used for any purpose other than as strictly related to this Agreement.

(b) No provision of this Agreement shall be construed to grant FNBO any right, title, interest, or license in, to or under the Co-Brand Partner Proprietary Rights (which shall be the sole and exclusive property of Co-Brand Partner or an Affiliate of Co-Brand Partner). Co-Brand Partner Proprietary Rights shall be considered Co-Brand Partner's confidential and proprietary information and Co-Brand Partner's trade secret. Without Co-Brand Partner's prior written approval, FNBO shall not attempt to assemble or compile any list of Customers or members of the Rewards Program to be used for any purpose other than as strictly related to this Agreement.

SECTION 7: CONFIDENTIALITY

7.1 Use and Confidentiality of Confidential Information. Recipient: (a) shall use Discloser's Confidential Information solely for performing its obligations under this Agreement; (b) shall not sell, rent, lease or otherwise directly or indirectly disclose Discloser's Confidential Information to any third party; (c) shall take all reasonable steps to protect the confidentiality of Discloser's Confidential Information, using the same standard of care used to protect its own confidential information, but in no event using a standard of care considered less than reasonable under the circumstances; (d) shall give access to Discloser's Confidential Information only to those employees, officers or agents who have a need to know in connection with the performance of Recipient's obligations under this Agreement; (e) shall not copy or duplicate Discloser's Confidential Information except as necessary to fulfill its obligations under this Agreement; (f) shall comply with privacy laws and regulations applicable to its business; and (f) shall not store or allow access to Confidential Information outside of the United States. If Recipient is permitted to retransmit any Confidential Information under the terms of this Agreement, the mode of retransmission must be at least as secure as the mode by which Discloser transmitted Confidential Information to Recipient. Upon request by Discloser, Recipient shall promptly destroy Discloser's Confidential Information or return Discloser's Confidential Information to Discloser in the same format as Discloser provided Confidential Information to Recipient. Nothing herein shall be construed to grant Recipient any rights, title or interest in or to any of Discloser's Confidential Information.

7.2 Exclusions. The confidentiality obligations in this Confidentiality Section do not apply to Confidential Information that: (a) is, at the time of disclosure to Recipient, or thereafter becomes, through no act or omission of Recipient, a part of the public domain (except that Nonpublic Personal Information remains subject to such obligations regardless of its availability in the public domain); (b) was in Recipient's lawful possession without an accompanying secrecy obligation prior to the disclosure, as documented in Recipient's written records; (c) is hereafter lawfully disclosed to Recipient by a third party without an accompanying secrecy obligation or breach of any duty or agreement by which such third party is bound; or (d) is independently developed by Recipient.

7.3 Confidentiality of Agreement. Both parties agree that the terms and conditions of this Agreement shall be treated as Confidential Information and that no reference to the terms and conditions of this Agreement or to activities pertaining thereto can be made in any form without the prior written consent of the other party; provided, however, that the general existence of this Agreement shall not be treated as Confidential Information. Either party may disclose the terms and conditions of this Agreement: (a) as required by any court or other governmental body; (b) as otherwise required by law including a party's obligations under applicable securities laws; (c) to legal counsel of the parties; (d) in confidence to accountants, Networks, banks, proposed investors, and financing sources and their advisors; (e) in confidence in connection with the enforcement of this Agreement or rights under this Agreement; or (1) in confidence in connection with a merger or acquisition or proposed merger or acquisition, or the like.

7.4 PCI DSS; FFIEC. Prior to FNBO providing Co-Brand Partner access to Nonpublic Personal Information in connection with the Program, Co-Brand Partner shall certify to FNBO that it is level two Payment Card Industry Data Security Standard validated, provide FNBO evidence of such validation in the form of a Report on Compliance conducted by a Payment Card Industry Security Standards Council approved Qualified Security Assessor or the Attestation of Compliance executed by the Qualified Security Assessor (and thereafter provide such evidence annually as reasonably requested), and comply with the Payment Card Industry Data Security Standard, FFIEC and any Network Rules related to protecting any information concerning Consumers If such validation is required, Co-Brand Partner is required to pay all expenses associated with maintaining such Payment Card Industry Data Security Standard validation including, but not limited to, the costs of the penetration testing associated therewith. In the event that a Subcontractor possesses, stores, processes or transmits Nonpublic Personal Information in connection with the Program, FNBO may require, as a condition precedent to such Subcontractor possessing, storing, processing or transmitting Nonpublic Personal Information: (a) that such Subcontractor be PCI DSS validated; (b) provide evidence of such validation to Co-Brand Partner at least annually and upon request; (c) comply with any rules and regulations of the Network related to protecting Nonpublic Personal Information; and (d) upon request by FNBO from time to time, Co-Brand Partner will provide FNBO with PCI DSS validation of Subcontractors. Prior to FNBO providing Co-Brand Partner access to Nonpublic Personal Information in connection with the Program, Co-Brand Partner will perform a penetration test of all systems in which Nonpublic Personal Information relating to the Program is processed or stored and will notify FNBO if any vulnerabilities or issues are identified by such

penetration tests that result in the system being noncompliant with FFIEC or PCI DSS. All such vulnerabilities or issues will be remediated by Co-Brand Partner to FNBO's satisfaction within an industry acceptable time frame, but no longer than thirty (30) days after the vulnerabilities or issues are identified; provided that if such vulnerability or issue is not reasonably capable of being resolved within such thirty (30) day period, with in such longer period as may be required so long as Co-Brand Partner is diligently seeking to resolve such vulnerability or issue but no later than sixty (60) days after the vulnerabilities or issues have been identified. Co-Brand Partner will conduct penetration testing to validate such remediation and will provide FNBO with a copy of such penetration test results within ten (10) business days after request. Co-Brand Partner shall thereafter perform such a test annually. If Co-Brand Partner is unable to remediate such vulnerabilities or issues, FNBO may terminate this Agreement without penalty with thirty (30) days prior written notice; *provided,* that in the event Co-Brand Partner exercises its Purchase Option, the Termination Date shall be extended as necessary to match the Purchase Date.

7.5 Exceptions. This Confidentiality Section shall not be deemed to prohibit disclosures: (a) required by Applicable Law, regulation, court order or subpoena, provided that prior notice of any such disclosure has been given to Discloser in order to permit Discloser to take legal action to prevent the disclosure or seek an appropriate protective order; (b) as required in the course of an examination by governmental regulators with jurisdiction over Recipient; (c) to Recipient's professional auditors and counsel, provided that such advisors are obligated to maintain the confidentiality of the information they receive; or (d) to the applicable Network. If Recipient is permitted under the terms of this Agreement to provide Confidential Information to a third party, Recipient is responsible for ensuring that such third party is subject to binding confidentiality obligations with respect to Confidential Information which are at least as restrictive as those contained in this Section.

7.6 Information Security and Disposal Standards. Recipient agrees to implement a comprehensive written information security program that includes appropriate administrative, technical and physical safeguards to: (a) ensure the safety and confidentiality of Discloser's Nonpublic Personal Information; (b) protect against unauthorized access to and use of Discloser's Nonpublic Personal Information; (c) protect against anticipated threats or hazards to the security or integrity of Discloser's Nonpublic Personal Information; and (d) properly dispose of Discloser's Nonpublic Personal Information. Such measures shall be designed to be appropriate to meet the objectives of the Interagency Guidelines Establishing Information Security Standards (12 CFR Part 30—Appendix B, as amended from time to time). Recipient shall implement a written security and disaster recovery plan consistent with the standards and practices of Recipient's industry. Recipient further agrees to cooperate in Discloser's monitoring of Recipient's compliance with the foregoing obligations as reasonably requested by Discloser from time to time, including, without limitation, by providing Discloser with an opportunity to review and obtain copies of relevant audits, test results, reports and similar materials that Recipient might prepare or have prepared for it from time to time, to the extent the same may affect Discloser's Nonpublic Personal Information.

7.7 Notification of Breach. Recipient agrees to take appropriate actions to address any Breach, including to notify Discloser as soon as possible but no later than twenty four (24) hours after Recipient has concluded that a Breach or any of the following has occurred or is about to occur: (a) unauthorized access to or disclosure of Discloser's Confidential Information; (b) breach of this Confidentiality Section; or (c) any breach or attempted breach of its security related to areas, locations or computer systems which contain any of Discloser's Nonpublic Personal Information, including without limitation any instance of theft, unauthorized access by fraud, deception or other malfeasance or inadvertent access. Recipient shall stop the Breach immediately, but in any event not more than twenty four (24) hours after discovery of the breach. In the event of any such breach of this Confidentiality Section, unauthorized access, disclosure or breach or attempted breach of security, Recipient shall further provide to Discloser, in writing, such details concerning the incident in question as Discloser may request. Recipient shall, within an industry acceptable time frame, but no longer than thirty (30) days, after notice of such Breach and at its sole expense, implement an action plan to correct the Breach and prevent the continuation of such Breach, and shall promptly notify Discloser of the corrective action and measures taken.

7.8 Red Flags. To the extent applicable, Co-Brand Partner shall establish and maintain reasonable policies and procedures designed to detect, prevent and mitigate the risk of identity theft relating to Consumers, including but not limited to policies and procedures to detect patterns, practices, or specific activities that indicate the possible existence of identity theft, and shall ensure that any services are conducted in accordance with such policies and procedures. At present, the Parties agree that such policies and procedures are not currently applicable, but if the Parties agree that a subsequent change in program triggers such requirement, then, upon request by Co-Brand Partner, FNBO will provide suggestions to Co-Brand Partner related to such policies and procedures. If requested by FNBO, Co-Brand Partner shall promptly notify FNBO of any such patterns, practices, or specific activities that indicate the possible existence of identity theft and reasonably cooperate in FNBO's investigation of such matter

7.9 Breach. Breach of this Confidentiality Section shall give rise to irreparable injury, inadequately compensable in damages. Accordingly, Discloser may seek injunctive relief against the breach or threatened breach by Recipient of this Confidentiality Section, in addition to such legal remedies as may be available, including the recovery of damages.

7.10 Audit. FNBO agrees to maintain a current SSAE 16 SOC2 audit or equivalent (i.e. 3rd party audit such as AT501, SOX, Verizon report, ISO certification) and provide such audit to Co-Brand Party upon request. Co-Brand Partner agrees to cooperate with assisting FNBO in complying with its standard Co-Brand Partner due diligence obligations under applicable law. If FNBO provides Nonpublic Personal Information to Co-Brand Partner, Co-Brand Partner agrees to provide FNBO (including its internal and external auditors and governmental authorities) with reasonable access to its facilities, books and records and personnel in order to conduct an examination to verify performance by Co-Brand Partner of its obligations with respect to Nonpublic Personal Information. In the event that FNBO's audit reveals any vulnerabilities or issues, Co-Brand Partner shall remediate such vulnerabilities and issues within an industry acceptable time frame, but no longer than thirty (30) days after notice to Co-Brand Partner; provided that if such vulnerability or issue is not reasonably capable of being resolved within such thirty (30) day period, with in such longer period as may be required so long as Co-Brand Partner is diligently seeking to resolve such vulnerability or issue but no later than sixty (60) days after the vulnerabilities or issues have been identified. If Co-Brand Partner is unable to remediate such vulnerabilities or issues, FNBO may terminate this Agreement upon notice without penalty with thirty (30) days prior written notice; *provided,* that in the event Co-Brand Partner exercises its Purchase Option, the Termination Date shall be extended as necessary to match the Purchase Date.

SECTION 8: INDEPENDENT CONTRACTORS

8.1 Relationship of the Parties. The parties intend for their relationship to be that of independent contractors. Neither party shall be deemed a joint venturer with, or an agent, partner or employee of the other and neither party shall have the power or authority to bind the other.

8.2 Cardholder Notices. Without limiting the generality of the foregoing and except for matters related to the Rewards Program as set forth in Section 2.7 and expressly provided for in Schedule 2.7, Co-Brand Partner acknowledges that Co-Brand Partner has no right or authority to receive on FNBO's behalf notices or other communications (including, without limitation, billing error notices) from Cardholders related to the Accounts. Partner shall promptly forward to FNBO any such notices received by Co-Brand Partner.

SECTION 9: TERMINATION

9.1 Notice. Either party may terminate this Agreement upon the expiration of the Extension Term or any Renewal Term by giving the other party written notice of termination at least 180 days prior to the end of the Extension Term or any Renewal Term. Subject to survival of obligations as set forth in Section 11.9, all of the parties obligations to each other with respect to Accounts, Compensation and Cardholders shall cease after the termination of this Agreement.

9.2 Breach. In the event that either party materially breaches this Agreement, the non-breaching party may provide notice of the breach to the breaching party, who shall then have 30 days to cure the breach. If the breach is not cured, the non-breaching party may terminate this Agreement effective upon 30 days written notice; *provided,* that if FNBO is the breaching party and Co-Brand Partner desires to exercise its Purchase Option, the Termination Date shall be deferred for such period of time as is reasonably necessary to permit Co-Brand Party to exercise its rights in Schedule 3.7.

9.3 Material Change. If any material change in any federal, state or local law, statute, rule or regulation, or Network requirement makes the continued performance of this Agreement under the then current terms and conditions unduly burdensome to FNBO, FNBO shall have the right to terminate this Agreement upon 90 days advance written notice to Co-Brand Partner. Such written notice shall include a detailed explanation and evidence of the burden imposed as a result of such change.

SECTION 10: REPRESENTATIONS AND WARRANTIES

10.1 Website Representations and Warranties. Each party represents and warrants that any material, product, information, Mark or data provided or made available by a party or any material presented by a party on any website produced, maintained or published by that party: (a) does not infringe in any manner any copyright, patent, trademark, name, trade secret or any other intellectual property right of any third party; (b) does not contain any material or

information that is obscene, defamatory, libelous or slanderous; (e) does not violate any law or regulation; (d) does not violate or breach any duty toward, or rights of any person or entity, including without limitation, rights or publicity, privacy or personality; and (e) has not resulted in any consumer fraud, product liability, tort, breach of contract, injury, damage or harm of any kind to any person or entity.

10.2 Legal Standing and Contract Authority. Each party represents and warrants that it is a duly incorporated legal entity in good standing and has full power and authority to enter into and perform this Agreement and that there is no contract, agreement, judicial or regulatory order, or understanding with any other person, entity, or corporation which would interfere with the obligations assumed by each party hereunder.

10.3 Laws and Regulations. Each party represents and warrants that the performance by it of its obligations under this Agreement and the Program will not be in material violation of any Applicable Law, rule or regulation and all permits and permissions required to perform such obligations, if any, have been obtained. FNBO shall ensure that the Program shall comply, in all material respects, with all applicable laws, rules and regulations.

10.4 Liability. EXCEPT TO THE EXTENT SUCH DAMAGES ARISE FROM A PARTY'S BREACH OF SECTIONS 7, 2.13, 2.14, 6.3 OR ARE A PART OF A PARTY'S INDEMNIFICATION OBLIGATIONS UNDER THIS SECTION 10, NEITHER PARTY SHALL BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES, REGARDLESS OF WHETHER SUCH PARTY WAS INFORMED OF THEIR POSSIBILITY. EXCEPT AS PROVIDED IN THIS AGREEMENT, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WHATSOEVER WITH RESPECT TO (A) INTERRUPTIONS OR INOPERABILITY OF SUCH PARTY'S WEBSITES OR SYSTEMS; (B) INTERACTION OR INTERCONNECTION OF SUCH PARTY'S WEBSITES OR SYSTEMS WITH THE OTHER PARTY'S WEBSITES OR SYSTEMS; OR (C) UNAUTHORIZED ACCESS TO, OR THEFT, ALTERATION, LOSS OR DESTRUCTION OF THE OTHER PARTY'S WEBSITES OR SYSTEMS, EVEN IF SUCH ACCESS, THEFT, ALTERATION, LOSS OR DESTRUCTION OCCURRED THROUGH THE USE OF SUCH PARTY'S WEBSITES OR SYSTEMS.

10.5 Auditing. (a) Each party shall cooperate with the other party (including its internal audit staff and external auditors, regulators, and other representatives) in the conduct of reasonable audits, assessments, inspections, and monitoring in order to verify performance of this Agreement, which shall include providing reasonable access to facilities, books and records and personnel subject of Applicable Law and audited party's on-site policies and procedures. Such audits shall be conducted only upon at least twenty calendar days' notice and at the audited party's relevant locations during normal business hours at times reasonably convenient for the audited party. An audit shall not unreasonably interfere with the audited party's normal business operations, and the auditing party shall be responsible for its own expenses incurred in connection with the audit. Audit results are Confidential Information of the audited party, and shall be provided to the audited party within a reasonable time after completion of the audit and compilation of the results.

(b) Co-Brand Partner shall notify FNBO upon receiving notice of litigation, regulatory inquiry or complaint with respect to the Program, FNBO, Accounts, Cards, applications, Promotional Materials or any duties performed by Co-Brand Partner pursuant to this Agreement. A scanned copy of such document received by Co-Brand Partner shall accompany each notice and be sent by secure email transmission to FNBO within 48 hours of receipt by Co-Brand Partner. Co-Brand Partner agrees to cooperate with FNBO to the extent necessary for FNBO to adequately respond to such litigation, inquiry or complaint.

(c) Co-Brand Partner acknowledges and agrees that Co-Brand Partner must and shall, at its expense, monitor the activity of each and every Subcontractor in order to ensure that such Subcontractor is complying with Co-Brand Partner's duties, obligations and warranties under the Agreement, as well as FNBO requirements and Applicable Law in the exercise and performance by Subcontractor of any Program related duties, activities, services or responsibilities. Upon request by FNBO from time to time, Co-Brand Partner will provide FNBO with: (i) its policies, procedures and internal controls used with Subcontractors; (ii) the policies, procedures and internal controls used by Subcontractors; (iii) the results of monitoring of Subcontractors; (iv) all audits and monitoring reports of Subcontractors; and (v) any corrective action made to its policies, procedures or internal controls as a result of such monitoring. Co-Brand Partner shall be and will remain liable for all acts and omissions of each and every Subcontractor. Upon written notice from FNBO specifying due cause, Co-Brand Partner shall cease using a Subcontractor as soon as commercially practicable.

10.6 Indemnification.

(a) Co-Brand Partner shall indemnify, defend and hold FNBO harmless from and against any and all Claims by third parties to the extent arising or resulting from: (i) material breach by Co-Brand Partner of any agreement, representation or warranty of Co-Brand Partner contained in this Agreement; (ii) Co-Brand Partner's actual or alleged gross negligence or intentional misconduct related to its duties or obligations under this Agreement; (iii) material violation by Co-Brand Partner of any Applicable Law or Network Rule; (iv) infringement of copyright, trademark, trade secret or other proprietary rights relating to Co-Brand Partner Marks; (v) breach by Co-Brand Partner of its obligations with respect to Confidential Information; (vi) Co-Brand Partner authorizing FNBO to use the Customer Lists or Customer Information as authorized and for the purposes specified herein; (vii) the actions or failure to act of Subcontractors; (viii) duties, obligations and liabilities between Co-Brand Partner and Subcontractors related to duties such Subcontractors are performing under the Program on behalf and at the direction of Co-Brand Partner; (ix) any claims, suits or actions brought against FNBO by Subcontractors with respect to the Program that are not directly attributable to the actions or failures to act by FNBO and (x) breach by Co-Brand Partner of its obligations with regard to the instant issuance of Accounts.

(b) FNBO shall indemnify, defend and hold Co-Brand Partner harmless from and against any and all Claims by third parties to the extent arising or resulting from: (i) material breach by FNBO of any agreement, representation or warranty of FNBO contained in this Agreement; (ii) FNBO's actual or alleged gross negligence or intentional misconduct related to its duties or obligations under this Agreement; (iii)material violation by FNBO of any Applicable Law or Network Rule; (iv) infringement of copyright, trademark, trade secret or other proprietary rights relating to FNBO Marks; (v) breach by FNBO of its obligations with respect to Confidential

Information; (vi) the actions or failure to act of FNBO subcontractors related to duties under the Program provided on behalf and at the direction of FNBO; (vii) any action, suit or demand by a subcontractor or Affiliate of FNBO against Co-Brand Partner that is not directly attributable to the actions or failures to act by Co-Brand Partner; (viii) duties, obligations and liabilities between FNBO and its subcontractors related to duties such subcontractors are performing under the Program on behalf and at the direction of FNBO; (ix) any claims, suits or actions brought against Co-Brand Partner by any subcontractors of FNBO with respect to the Program that are not directly attributable to the actions or failures to act by Co-Brand Partner and (x) breach by FNBO of its obligations with regard to instant issuance of Accounts.

(c) If a party receives notice of any third party Claim for which indemnification or defense may be required under this Agreement, such party shall promptly give written notice to the other party; provided, however, that the failure to provide or a delay in providing such notice shall not relieve the Indemnifying Party of its obligation to indemnify except to the extent the Indemnifying Party is materially prejudiced by such failure or delay. Upon request, the Indemnified Party shall reasonably cooperate with and assist the Indemnifying Party and its counsel in the defense of any Claim and any reasonable direct costs and expenses associated with such cooperation or assistance shall be paid by the Indemnifying Party.

(d) The Indemnifying Party shall pay for and also have the right to assume and control the defense of any third party Claim and shall reasonably defend such Claim with diligence. In the event of an assumption of the defense by the Indemnifying Party, the Indemnified Party shall continue to have the right to employ its own counsel, at its expense. The Indemnifying Party shall not be entitled to settle or compromise any Claim that does not include a full and unconditional release of the Indemnified Party or that imposes obligations on the Indemnified Party except after (i) having fully disclosed to the Indemnified Party the proposed terms and conditions of such settlement or compromise; and (ii) having obtained the Indemnified Party's prior written consent thereto, which consent shall not be unreasonably withheld

10.7 Monitoring. Co-Brand Partner acknowledges and agrees that FNBO must monitor the activity of Co-Brand Partner and each of Co-Brand Partner's employees that interact with Cardholders, Card applicants or potential applicants in connection with the Program ("Sales Employees") with respect to Co-Brand Partner's duties under the Program. Co-Brand Partner agrees to allow reasonable monitoring by FNBO. Co-Brand Partner agrees to use commercially reasonable efforts to monitor its Sales Employees in order to ensure that all such employees are complying with FNBO requirements and Applicable Law in the exercise and performance of Co-Brand Partner's rights and duties under this Agreement, as notified by FNBO to Co-Brand Partner from time to time, including, without limitation, by ensuring that its Sales Employees provide all required disclosures and documentation at the time and in the manner reasonably required by FNBO. Upon request by FNBO from time to time, Co-Brand Partner will provide FNBO with: (a) its policies, procedures and internal controls used with its Sales Employees; (b) the results of monitoring of its Sales Employees; and (c) any corrective action made to its policies, procedures or internal controls as a result of such monitoring.

10.8 Training. Co-Brand Partner agrees to perform its duties under this Agreement and the Program pursuant to the requirements, instructions, training and documentation regarding Applicable Law as provided and directed by FNBO. Co-Brand Partner shall use commercially reasonable efforts to ensure that each Sales Employee or Subcontractor periodically: (a) receives training on all Applicable Laws applicable to Co-Brand Partner's duties and responsibilities under the Program; (b) completes FNBO's applicable training with respect to the services Co-Brand Partner provides under the Program; and (c) is made aware of the applicable Co-Brand Partner responsibilities with respect to the services such Sales Employee or Subcontractor provides on Co-Brand Partner's behalf. Administration of Rewards Program:

1. The parties agree that Accounts established pursuant to this Agreement shall be eligible to earn Rewards Points redeemable through the Rewards Program. Co-Brand Partner will fund and be liable for the redemption of all points earned on the Accounts and shall administer the Rewards Program at its own expense. FNBO shall have no obligation to fund or administer the Rewards Program.

2. Accounts will earn and accumulate Credit Card Rewards Points as specified in the Mandatory Terms. FNBO will track such Credit Card Rewards Points from both Co-Brand Partner and non-Co-Brand Partner purchases and, subject to Applicable Law, report (in a manner mutually agreed to by the parties), accrued Credit Card Rewards Points information on an Account-basis to Co-Brand Partner at the completion of each billing cycle. Upon receipt of such information, Co-Brand Partner will promptly convert the Credit Card Rewards Points into Rewards Points and make such Rewards Points available for redemption by the Cardholders of such Accounts in accordance with the terms and conditions of the Rewards Program.

3. For each Credit Card Rewards Point that FNBO reports to Co-Brand Partner for a Cardholder, Co-Brand Partner shall make 1 Rewards Point available for redemption by that Cardholder in the Rewards Program. So long as Co-Brand Partner is not at the time in material breach of the Agreement, it may exercise its Purchase Option by providing FNBO the Purchase Notice prior to the expiration of the Option Period. Co-Brand Partner may only exercise its Purchase Option one-time. The completion of the Purchase following the exercise of the Purchase Option shall require the execution of a mutually agreeable Purchase Agreement between FNBO and Co-Brand Partner (or the Nominated Purchaser or Alternative Nominated Purchaser) for a purchase price of at least the Fair Market Value, all as provided in Sections 5 and 6 of this Schedule 3.7. Simultaneously with the closing of the Purchase Agreement, this Agreement shall be terminated. Following delivery of the Purchase Notice, FNBO and Co-Brand Partner (or the Nominated Purchaser, as applicable) will negotiate a mutually agreeable market standard Purchase Agreement between for a purchase price equal to the Fair Market Value. The Purchase Agreement will specify the Purchase Date, which shall be the Termination Date, unless otherwise mutually agreed upon by the parties, *provided, however*, that in the event the Option Period commences pursuant to clause (b) of the definition thereof, the Purchase Date shall be 90 calendar days after the designation of the Nominated Purchaser, unless otherwise mutually agreed upon by the parties. Notwithstanding anything in the Agreement to the contrary, in the event that Co-Brand Partner exercises the Purchase Option, to the extent necessary the Term of the Agreement shall be extended until the Purchase Date.

5. Determination of Fair Market Value. Upon receipt of the Purchase Notice, Co-Brand Partner (or the Nominated Purchaser, as applicable) and FNBO shall enter into good faith negotiations for a period not to exceed 25 calendar days to determine the Fair Market Value of the Program Assets. In the event the parties are not able to agree on the Fair Market Value within such 25 calendar day period, then FNBO (at its expense) and Co-Brand Partner (at its expense) shall each retain an independent appraisal firm of national standing within 15 calendar days following the conclusion of such 25 calendar day period. FNBO shall provide identical sets of information to the appraisers as is necessary to permit the appraisers to provide a valuation of the Program Assets. Each appraisal firm shall provide its appraisal, expressed as a percentage of the Receivables, to both parties within 30 calendar days from the date of engagement. If the difference between the appraisals provided by the two firms is not greater than 300 basis points, then the Fair Market Value shall be the average of the two appraisals (i.e., if the appraisals are 115% and 118%, respectively, then the difference between the appraisals would be 300 basis points and the Fair Market Value would be 116.5%, the average of the two appraisals). 6. Purchase Agreement. The Purchase Agreement shall, among other things, include the following terms: (a) a sale by FNBO without recourse as to credit liability and collectability (but with standard indemnities for misrepresentations and breaches of warranties and covenants); (b) standard representations, warranties and covenants for credit card portfolio purchase agreements; (c) Card plastics issued by FNBO will be replaced with plastics issued by Co-Brand Partner (or the Nominated Purchaser or Alternative Nominated Purchaser, as applicable) upon earlier of the scheduled expiration of each Card or 180 days after the Purchase Date; (d) the assumption by Co-Brand Partner (or the Nominated Purchaser or Alternative Nominated Purchaser, as applicable), as of the Purchase Date, of all of FNBO's obligations and liabilities with respect to the Program Assets; (e) either (i) the conversion of the Program Assets to Co-Brand Partner's platform, Nominated Purchaser's (or Alternative Nominated Purchaser's) platform or a third party servicer's platform on the Purchase Date, or (ii) if conversion is not feasible on the Purchase Date, an interim servicing period pursuant to an interim servicing agreement to be negotiated between FNBO and Co-Brand Partner (or the Nominated Purchaser, or Alternative Nominated Purchaser as applicable) wherein Co-Brand Partner and/or the Nominated Purchaser or Alternative Nominated Purchaser agree to bear the costs associated with such interim servicing; (f) Co-Brand Partner shall be responsible for and promptly reimburse FNBO for the reasonable and customary costs and expenses (including third party costs and expenses) associated with the conversion of the Program Assets. In the event FNBO and the Nominated Purchaser initially designated by the Co-Brand Partner are unable to agree on the terms and conditions of a Purchase Agreement, Co-Brand Partner may designate another credit card issuer provided that such credit card issuer is legally and contractually able to purchase the Program Assets ("Alternative Nominated Purchaser"). In this event both parties agree that: (a) the Alternative Nominated Purchaser shall complete all due diligence activities based on the due diligence materials produced for the original Nominated Purchaser; and (b) if Fair Market Value was established during negotiations with the Nominated Purchaser pursuant to the appraisal process described in Section 5 of this Schedule 3.7, such Fair Market Value shall be binding on the Alternative Nominated Purchaser. If FNBO and the Alternative Nominated Purchaser are also unable to reach agreement on the terms and conditions of a Purchase Agreement, this Agreement shall terminate and FNBO shall have no further obligation with respect to the sale of the Program Assets.

7. Fair Market Value Assumptions. In determining the Fair Market Value, the appraisal firms shall assume the following: (a) all of the Accounts that comprise the Program Assets shall be purchased; (b) value the Program Assets as a going concern, subject to a new five year joint marketing agreement of the existing Program with a credit card issuer willing to extend credit to the same credit population segment and include the residual value of the portfolio after the endorsement expires; (c) the economics of the Program between the Co-Brand Partner and the credit card issuer remains the same as delineated in this Agreement (including any then-existing value proposition, compensation, funding as provided by the parties, Program revenue, rewards program funding and incentives) shall remain in effect for the duration of the five year joint

marketing agreement; (d) the level of support from Co-Brand Partner remains at the same level as required under this Agreement for the duration of the five year joint marketing agreement; (e) assume the economics of the program between Co-Brand Partner and the credit card issuer remains the same using the direct costs associated with the Program but excluding the indirect costs for the duration of the five year joint marketing agreement; (f) operating expenses will be industry standard marginal servicing costs for a credit card portfolio; and (g) that Program interchange revenue and marketing support from the Network(s) remains at the same level as of the commencement of the Option Period for the duration of the five year joint marketing agreement. The appraisal firms shall also consider historical performance of the portfolio while also considering market and portfolio trends.

8. Costs and Expenses. Except as otherwise provided in this Purchase Option Schedule, each party shall bear all of its own direct and indirect costs and expenses in connection with the negotiation of the Purchase Agreement (and an interim servicing agreement, if necessary).

"Term" means the term of this Agreement as defined in main body of Agreement.

"Unscheduled Removal" means the removal of a Component from an Aircraft due to a confirmed or suspected failure of such Component.

Inventory Maintenance; Basis for Provisioning

Delta will maintain an inventory of Components to support the Aircraft within the program performance measures as more fully defined in the paragraph below entitled “Performance Measures”. Delta intends to provide Component support to the Aircraft which shall include maintaining a supply and inventory management and tracking function for Components, and providing Components to MN Airlines on an exchange basis, as described below. The Components used to Support Aircraft shall be integrated into Delta’s existing inventory for use on both Delta aircraft and MN Airlines’s Aircraft.

Supply Response Times

When a Component requires removal from an Aircraft and MN Airlines does not have a replacement Component available, MN Airlines will notify Delta Front Desk and, within thirty minutes of receiving any such notice, Delta will: (i) acknowledge receipt of the request; (ii) advise MN Airlines whether a replacement Component is in stock or must be obtained from another source; and (iii) either give MN Airlines complete shipping information for the replacement Component or advise MN Airlines of when such information will become available. Delta will ship a Component to MN Airlines’ home base at MSP as soon as possible; but in any event, to comply with program performance measures, all Components will be shipped within twenty-four (24) hours of Delta’s receipt of a request at least ninety percent (90%) of the time in the case of Airframe and Engine Components and APU Components. Such percentages will be calculated on twelve-month rolling averages. If either such rolling average falls below the program performance measures, Delta and MN Airlineswill identify the reasons for the program performance shortfall. Upon such identification, Delta and MN Airlines will take prompt action to ensure that the Components arc either stocked or sourced in sufficient quantities to meet the program performance measures stated in this Annex. Notwithstanding the preceding sentences, Delta will ship Components using the same degree of expediency for a MN Airlines AOG situation that Delta generally uses for a Delta AOG situation. If Delta’s general AOG handling methods arc not sufficient in a particular situation, then at Sun Country’s request, Delta will arrange for unique shipping methods, such as the hiring of private aircraft to ship the Component, all at MN Airlines’ cost and expense.

If a Common Component can not be provided to MN Airlines in accordance with the program performance measures and Sun Country has an Aircraft that is AOG for such Component, and Delta is not currently in compliance with the twelve-month rolling average for performance measures, Delta will provide a credit to MN Airlines against future services, for an amount equal to the substantiated loan charges incurred by MN Airlines for the loan of a No Go Component when such No Go Component can not be provided by Delta to MN Airlines at a Common Station and MN Airlines has an Aircraft that is unable to complete a scheduled revenue flight due to the lack of such No Go Component. Delta’s obligation for such loan borrow charges shall only be for the time period such component was unavailable from Delta and only for the actual components required to satisfy the AOG requirement.

Configuration Management

Delta shall have configuration management responsibility for Components. MN Airlines shall cooperate with Delta to ensure that Component configuration is maintained in accordance with FAA regulatory requirements.

Reliability Monitoring & Tracking

Delta shall provide to MN Airlines, an Unscheduled Removal report for Components as removed from Delta's 737-NG aircraft. This report shall be provided quarterly to aid in monitoring Component reliability trends, and failures. MN Airlines shall provide to Delta, an Unscheduled Removal report for Components removed from Aircraft. This report shall be provided quarterly to aid in monitoring Component reliability trends, and failures.

Delta will utilize its existing reliability tracking program to track Components operated on Delta aircraft only. The systems to be tracked, the calculations to be made and the performance standards against which the systems arc measured will be in accordance with Delta's reliability program requirements. Data required to support such a tracking program will be supplied to Delta by MN Airlines as requested by Delta. MN Airlines will co-operate with Delta to further develop acceptable data models and methods of data transmission. For Components operating on Delta aircraft, Delta will periodically review the trend analysis and implement corrective action if reliability falls below Delta's established statistical limits. Delta will not track the reliability of Components operating on MN Airlines Aircraft. MN Airlines will utilize its existing reliability tracking program to track Components operated on MN Airlines. The systems to be tracked, the calculations to be made and the performance standards against which the systems are measured will be in accordance with MN Airlines' reliability program requirements. For Components operating on MN Airlines Aircraft, MN Airlines and Delta will periodically review the trend analysis and implement corrective action if reliability falls below Delta's established statistical limits.

Inventory Management

Delta shall utilize its existing inventory management system to manage, order, and track Components.

Maintenance and Repair

Delta will maintain the Components in accordance with current manufacturer's standard practice and component maintenance manuals and Delta's continuous airworthiness maintenance program. Each Component shipped by Delta will have attached to it a Delta Air Lines approved return to service tag (e.g. 8130, Pick List, Pass Parts Tag) indicating that the Component is airworthy with respect to the work performed.

Misuse or Abuse of Components

Repair and replacement of Components damaged due to MN Airlines' use of such Components outside of the manufacturer's recommendations, improper operation/maintenance, consequential damage, foreign object damage, abuse, negligence or accidental damage shall be repaired by Delta at Delta T&M Rates, or if replacement is necessary, shall be replaced at the then current manufacturer's list price. Delta shall bear all costs for the replacement of all Components deemed beyond economic repair (BER) due to normal wear and tear.

No Fault Found (NFF) Components

For all Components returned to Delta for Service under the PBTH Rate, if Delta cannot confirm a failure of such Component after inspection or testing, or such inspection or testing shows the Component to be in serviceable condition ("NFF"), then Delta will notify and provide inspection and testing results to MN Airlines. For NFF Components, MN Airlines will pay to Delta, $500 for testing and recertification of NFF Component(s). If testing and recertification is accomplished by a Delta vendor, MN Airlines will pay Delta's substantiated cost plus eight percent (8%). The preceding notwithstanding, MN Airlines will not be charged a NFF fee if the removal of the Component was based on a troubleshooting recommendation by Delta that such Component be removed. For Delta tested and re-certified NFF Component(s), if such Component(s) is subsequently removed with a confirmed failure within one hundred (100) Flight Hours of installation for the same reason as identified on the prior removal, then Delta will repair such Component and, in addition, will either: (i) issue MN Airlines a credit against an unpaid Delta invoice issued for a NFF charge, or (ii) credit to MN Airlines the amount paid by MN Airlines for the NFF charge.

Airworthiness Directives (ADs).

Delta will, as part of the Services, review, analyze and issue engineering documentation for the incorporation of Airworthiness Directives (AD) into Components. The actual accomplishment of any AD on Components will be charged to MN Airlines at Delta Time & Material Rates. For Components, only the amount of such Components delivered with MN Airlines' Aircraft that did not comply with the particular AD shall be charged for AD incorporation. The amount of labor charged for accomplishing any AD will be those number of man-hours specified in the AD, or if the AD fails to specify the number of man-hours, then such information will be obtained from the relevant equipment manufacturer. If the manufacturer specifics the number of man-hours, then not more than such number will be invoiced by Delta. If the manufacturer docs not supply such information, Delta will estimate the labor required to accomplish the AD and notify MN Airlines. Delta will track and invoice MN Airlines for the actual labor necessary to accomplish the AD, advising of any substantive changes, if they occur, that would significantly alter the estimate. Any labor expended on Services not required to accomplish the AD will be allocated as appropriate either to the PBTH Rate or to the Delta Time & Material Rate as provided elsewhere herein. The material part of the Delta Time & Material Rate charge will be for only that material necessary to complete the AD per the information in the AD. If the AD fails to provide the list of materials necessary to accomplish the AD, such information will be obtained from the relevant equipment manufacturer. If that information is not available, Delta will estimate the material required to accomplish the AD. Delta will track and invoice for the actual material necessary to accomplish the AD. If the only reason for removing a Component from an Aircraft was to accomplish an AD, Delta will invoice for, and MN Airlines will pay to Delta, all the costs required for the Services associated with the accomplishment of the AD and other Services required by the Maintenance Program to return the Component to serviceable condition at Delta Time & Material Rates. Any other work performed during such a shop visit to enhance any performance or life of the Component will be borne by Delta. To the extent allowed by the time limits of the AD, Delta will make all reasonable efforts to accomplish ADs in conjunction with other scheduled maintenance on such Component.

Service Bulletins (SBs)

As deemed necessary by Delta, Delta will from time to time, as part of the Services, review, analyze and issue engineering documentation for the incorporation of SBs into Components. For

Components requiring incorporation of a SB to meet Delta modification standard, Delta will incorporate that SB at the time Delta performs other Services on such Components, in accordance with the following:

SBs Costing No More Than $1,200

If Delta reasonably estimates the incorporation of an SB into a Component will cost no more than $1,200, when calculated at Delta Time & Material Rates, then such SB will be incorporated into the Component as part of the Services provided under the PBTH Rate. Such SB may be automatically incorporated without MN Airlines permission so long as MN Airlines is provided with notice and the SB does not change the fit, form or function of the Component. In the event the SB will change the fit, form or function of the Component, then Delta shall provide MN Airlines with a written copy of Delta Engineering Order (EO) for such change.

SBs Costing More than $1,200

If Delta reasonably estimates the incorporation of an SB into a Component will cost more than $1,200, when calculated at Delta Time & Material Rates, then such SB will be incorporated at MN Airlines's expense at Delta Time & Material Rates, but only for the number of such Components delivered with MN Airlines's Aircraft that do not have the particular SB incorporated. In the event that the Component manufacturer or some other person compensates Delta for the incorporation of the SB, then MN Airlines shall not be charged to the extent such compensation reduces Delta's cost for incorporating the SB below $1,200.

Determining the Cost of SBs

The determination of the time and material elements of Delta Time & Material Rates for incorporation of SBs provided for above will be calculated in accordance with this Section. The markup on materials will be based on the current list price. The labor part of the Delta Time & Material Rate charge will be only for that number of man-hours specified in the SB, or if the SB fails to specify the number of man-hours, then such information will be obtained from the relevant equipment manufacturer. If the manufacturer specifies the number of man-hours, then not more than such number will be invoiced by Delta. If the manufacturer does not supply such information, Delta will estimate the labor required to accomplish the SB and notify MN Airlines. Delta will track and invoice for the actual labor necessary to accomplish the SB, advising of any substantive changes if they occur that would significantly alter the estimate. The material part of the Delta Time & Material Rate charges will be for only that material necessary to complete the SB per the information in the respective SB. If the SB fails to provide the list of material necessary for accomplishment of the SB, such information will be obtained from the appropriate equipment manufacturer. Using the bill of material specified either in the SB or by the manufacturer, Delta will flat-rate the material for the SB at the then-current prices. If that information is not available, Delta will estimate the material required to accomplish the SB. Delta will track and invoice for the actual material necessary to accomplish the SB. Labor expended on Services not required by the accomplishment will be allocated as appropriate either to the PBTH Rate or the Delta Time & Material Rate as provided elsewhere herein. If the only reason for removing a Component from an Aircraft is to accomplish the performance of an SB, Delta will invoice for, and MN Airlines will pay to Delta, all the costs required for the Services associated with the accomplishment of the SB and other Services required to return the Component to serviceable condition at Delta Time & Material Rates.

Modification Compatibility

If MN Airlines chooses not to accept a Component modification that Delta is performing on Components for Delta's fleet and such decision causes such Component to become a NonCommon Component, MN Airlines agrees to amend this Agreement to remove such Component from the support obligations of this Agreement.

MN Airlines, at its' own cost and expense, will create or revise all MN Airlines documentation and equipment, including task cards, Illustrated Parts Catalogs, test equipment and Aircraft, that are affected or necessitated by all such EOs, ADs, and SBs related to Common Components.

Undocumented Components or Repairs

If, in performing any Services, Delta finds any undocumented Component or repair, then Delta will promptly notify MN Airlines along with providing documentation of the undocumented Component and/or repair. MN Airlines shall then substantiate such Component within three (3) Business Days of Delta's notice. If MN Airlines is unable to substantiate such Component, Delta will not accept the undocumented Component for Services or remedy the undocumented repair at Delta Time & Material Rates.

Return of Components

MN Airlines will return each Component removed from an Aircraft accompanied by all required data to Delta's Technical Operations Facility at 1775 Aviation Boulevard or other such facility as directed by Delta Front Desk within five (5) Days of receipt of requested serviceable Component. MN Airlines will arrange for all such shipments except in those instances when Delta or a Delta subcontractor actually removes and replaces an Component. In such instances within the United States, Delta will pack, ship and track shipment of such Component. In such instances outside the United States, MN Airlines' maintenance control center will be responsible for coordinating the return of the unserviceable Component.

Shipment Methods and Costs; Packing; Required Records

Method of Shipment and Costs.

For any Component which requires Services, MN Airlines will provide for shipment of such Component at its own cost and expense via any reasonable method that will meet the Component return time requirement.

Proper Packaging.

Delta will normally deliver all serviceable Components in reusable Category l containers (as defined in ATA Specification 300). MN Airlines will return each removed Component in the same or equivalent container as the one in which the replacement was shipped. If that container or its equivalent is not returned to Delta, MN Airlines will be charged for its replacement. Each Component shipped by Delta will have attached to it a tag indicating serviceability under the standards of FAR Part 121. Regardless of the method of shipment, MN Airlines shall be responsible for ensuring that Components arc properly prepared, packaged, labeled and documented under applicable ATA 300 and hazardous goods regulations. In the event Delta receives a Component from MN Airlines that is not properly packaged under applicable ATA 300 and hazardous goods regulations, Delta will so notify MN Airlines in order for MN Airlines to provide a proper package for use by Delta in returning the Component to MN Airlines. In the event MN Airlines fails to provide the proper packaging, Delta may provide such packaging required under the applicable ATA 300 and hazardous good regulations and MN Airlines shall compensate Delta for such packaging at Delta Time & Material Rates.

Records and Reports.

ln order for a Component to be accepted for Service by Delta, MN Airlines will furnish the following data with each Component offered for Services: the Aircraft's registration and serial number that the Component was removed from; the Component name, model, and serial number; the number of Flight Hours and cycles the Component accumulated on the Aircraft; the dates the Component was installed and removed, and the reason for removal. Concurrent with shipment of serviceable Components Delta will provide data on each such Component, including, as available, aggregate flight hours and cycles accumulated, serial number, the Component name, model and serial number; the total number of hours and cycles on the Component.

At end of Term or in case of early termination, MN Airlines shall provide Delta with a written list, by serial number, part number, and nomenclature, of Components eligible for Service that arc installed on MN Airlines Aircraft. Upon receipt of such written list, Delta shall provide MN Airlines with all available records for such Components.

Warranty Administration

On behalf of MN Airlines, Delta will administer all claims against manufacturers of removed Components on which a warranty is in effect. Delta will retain any and all warranty related compensation. To achieve this purpose, MN Airlines will cause the assignment to Delta of all warranty rights related to the Components. If MN Airlines has not made reasonable efforts for such assignment before a warranted Component must be repaired, MN Airlines will be charged for such repair at T&M. All assignments of warranty rights to Delta pursuant to this Section will expire immediately upon termination or expiration of this Agreement and such rights will revert to MN Airlines.

Project Manager; Customer Representatives

Delta will assign an employee with experience in project management to coordinate all aspects of the Services and to be the primary liaison with MN Airlines during the term of the Agreement. MN Airlines will designate one or more representatives who at all times during the term of this Agreement will have the authority to accept or reject work performed by Delta. MN Airlines will furnish to Delta's Project Manager a list of its personnel, with contact information, who are responsible for the subjects covered by this Agreement. Delta will furnish to MN Airlines a list of its personnel, with contact information, who are responsible for the subjects covered by this Agreement.

N806SY	B737-800	28215	08/02/98	CFM56-7B26	131-9B

In the event MN Airlines adds additional aircraft to the fleet of Aircraft, Delta reserves the right to adjust the PBTH Rate in accordance with the rates listed in Annex A2, Component Repair & Management - Cost per Flight Hour & Rate Adjustment section.

ANNEX A2

Charges & Payments

Component Access and Exchange - Flat Rate per Aircraft

Delta will charge MN Airlines and MN Airlines will pay to Delta a flat monthly fee for Component access and exchange to include support at Common Stations. Such fee will be computed monthly by multiplying the number of aircraft covered under this Agreement times a flat fee of $7,500.00 USD per aircraft. Such payment will be made in accordance with Section 3.2. The rate for Component access and exchange will be calculated on the last day of each month. For Aircraft introduced into or removed from MN Airlines' fleet during any particular month, the number of Aircraft considered in operation for that particular month shall be pro-rated based on the percentage of days that month such Aircraft has spent in service. Use of an Aircraft for any portion of a calendar day, local Aircraft time, constitutes use of the Aircraft for that day, for purposes of this section. The Aircraft is considered used if it is operated for any purpose, whether revenue, charter, training, promotional or non-revenue flying.

Component Repair & Management - Cost per Flight Hour & Rate Adjustment

MN Airlines will pay to Delta, as compensation for Services which are described herein, as being provided on a power-by-the-hour basis for each calendar month until the expiration or termination of this Agreement, an amount equal to the product of the Power-by-the-Hour (PBTH) Rate times the total number of Flight Hours for all Aircraft during such month. The CY 2003 PBTH Rate shall be as shown in the table below and such rate is subject to an annual escalation as provided in Annex A3 of this Agreement. MN Airlines will report to Delta by no later than the third business day of each month the total number of Flight Hours for all Aircraft for the preceding month. MN Airlines will allow Delta representatives to inspect its operating records with respect to the Aircraft to verify the accuracy of the Flight Hour information. The PBTH rate for each Aircraft shall be adjusted based on the age of the aircraft as follows:

Aircraft Age, months from OEM delivery	PBTH Rate
0 to 36	$ 55
37 to 60	$ 115
>60	$ 150

Delta reserves the right to amend the rates specified above in the event of unusual circumstances surrounding Aircraft introduced into this Agreement after the Effective Date. In addition, should Delta and MN enter into an agreement for the provisioning of engine maintenance services on MN's cfm56-7 aircraft engines by Delta on an exclusive basis, Delta will, in good faith, re-evaluate the above rate in an effort to provide MN with a more favorable rate.

Time & Material Rates (Delta T&M)

MN Airlines will pay Delta for Services performed on a Delta Time & Material Rate basis at the following rates:

- $72.00 per hour for mechanics and inspectors.*
- $115.00 per hour for engineers and analysts. *
- New material at Delta's cost plus twelve (12) percent with a per item cap on the markup of $1,250.00 and a per line item cap on the markup of $2,500.00*
- Used/serviceable material at 75% of manufacturer's then-current list price with no markup.
- MN Airlines-supplied parts at 5% of MN Airlines's cost up to a maximum of $250.00 No-charge parts or kits would not be subject to this handling fee.*
- Outside repair at Delta's invoiced cost plus 8%.
- Consumable miscellaneous shop supplies will be provided at no charge.

* These labor and material items will be escalated in accordance with Delta Time & Material Rate Escalation Formula Section of Annex A3.

Late Charges

For every day beyond the fifth Day that MN Airlines retains a removed Component or fails to provide the required data for such Component, Delta will charge MN Airlines a daily fee representing a percentage of the manufacturer's current list price, computed cumulatively as follows: (i) 1.5% per day for days 5 through 10, then: (ii) 2% per day for days 11 through 20, then; (iii) 3% per day for days 21 through 30, then; (iv) 4% per day from days 31 through 45 or until return. After day 45 the component will be considered lost and MN Airlines will be invoiced for all accumulated late charges and OEM current list price or Delta's actual replacement cost, whichever is greater.

Time & Material Invoices

Delta will issue to MN Airlines at least monthly, or on a project basis, an invoice setting forth the Delta Time & Material Rate charges for Services not covered by the PBTH Rate. Such invoices will be addressed and sent to MN Airlines at the following address:

MN Airlines, LLC
1300 Mendota Heights Road
Mendota Heights, MN 55120

Attn: Accounts Payable

MN Airlines will pay such invoices in full, without setoff or withholding, within thirty (30) days from the date of issuance.

ANNEX A3

Rate Escalation Formulas and Adjustments

Power-by-the-Hour Rate Escalation Formulae

All rates contained in this agreement will be subject to an annual economic escalation effective on the first day of January of each contract year beginning in CY 2005. All such rates shall be adjusted at an annual escalation rate/price adjustment as defined by the following formulae.

Price Adjustments shall be determined 90 days prior to the start of each calendar year.

For Power-by-the Hour and all Flat Rates, the Price Adjustment percentage (PA) will be determined according to the following formula:

$$PA = (P) \times (L + M - 1)$$

where P = applicable Support Service Price

$$L = \text{Labor} = \frac{0.55 \times \text{Forecasted AHE372NS}[1] \text{ for the upcoming year}}{20.6790}$$

$$M = \text{Material} = \frac{0.45 \times \text{Forecasted PPI372NS for the upcoming year}}{1.4834}$$

For T&M Labor Rates, the Price Adjustment (PA) will be determined using only the labor index according to the following formula:

$$PA = (P) \times (L - 1)$$

where P = applicable Fixed Price Labor Rate

$$L = \text{Labor} = \frac{\text{Forecasted AHE372NS}[2] \text{ for the upcoming year}}{20.6790}$$

where, AHE372NS is the Average Hourly Earnings index established in Standard and Poor's Data Resources Incorporated; PPI372NS is the Producer Price Index established in Standard and Poor's Data Resources Incorporated; and the denominators of the equations above are the applicable index values published for 2nd quarter of the given calendar year.

If, prior to calculation, the U.S. Department of Labor changes the base year for determination of the AHE or PPI values, such re-based values will be incorporated in the Price Adjustment calculation.

If, prior to calculation, the U.S. Department of Labor or Standard and Poors substantially revises the methodology used for the determination of the values to be used to determine the index values, or for any reason has not released values needed to determine the applicable Price Adjustment, the parties will, prior to calculation, select a substitute for such values from data published by Standard and Poors DRI or other similar data reported by non-governmental United States organizations. The substitute will lead in application to the same adjustment result, insofar as possible, as would have been achieved by continuing the use of the original values as they may have fluctuated during the applicable time period.

---

1 For purposes of the calculation, use the index forecast published in the second calendar quarter of the year of the adjustment. Thus, for an adjustment applicable to calendar year 2006, calculated 90 days prior to January 1, 2006, use the index published in 2nd quarter 2005.

2 For purposes of the calculation, use the index forecast published in the second calendar quarter of the year of the adjustment. Thus, for an adjustment applicable to calendar year 2006, calculated 90 days prior to January 1, 2006, use the index published in 2nd quarter 2005.

In the event escalation provisions are made non-enforceable or otherwise rendered null and void by any agency of the United States Government, the parties agree, to the extent they may lawfully do so, to negotiate an adjustment to the prices to reflect an allowance for increases or decreases in labor compensation and material costs.

Note: Prior to applying index values to dollars or rates, all index calculations shall be carried to the nearest ten-thousand (x.xxxx) prior to the next calculation. Any rounding of a number, as required under this clause with respect to escalation, will be accomplished as follows: if the first digit of the portion to be dropped from the number to be rounded is five or greater, the preceding digit will be raised to the next higher number. Rounding will be performed at each level of calculation prior to proceeding to the next level.

Delta will not track the reliability of Components operating on Sun Country Aircraft.

Performance Measures

Delta shall provide Component support to Sun Country to ensure that Sun Country Aircraft do not experience a twelve (12) month rolling average Parts Related Delay rate greater than the Parts Related Delay rate goal that Delta sets for its own 737-NG fleet.. Such goals shall be provided to Sun Country as they are established and revised from time to time. Should Component support fail to meet this performance measure, Delta shall assist Sun Country in evaluating the cause of such failure and determine and implement the appropriate corrective action(s) in a timely manner so as to meet the performance measure.

Adjustments to Allocated Inventory

Delta and Sun Country, as mutually agreed, will adjust the type and quantity of Allocated Inventory from time to time as necessary to meet program performance measures.

Inventory Management

Delta shall utilize its existing inventory management system to manage, order, and track the Allocated Inventory.

Maintenance and Repair

Delta shall be responsible for an off-wing repair and overhaul for all Components. Delta will maintain the Common Components in accordance with current manufacturer's Standard Practice manuals and Component Maintenance Manuals, which contain Delta repairs, processes, and material equivalents noted on the Delta information pages. All Delta data have been classified and substantiated as FAA acceptable (minor) and/or FAA approved (major) in accordance with Delta's Continuous Airworthiness Maintenance Program. Delta will ensure all Non-Common Components will be maintained in accordance with the applicable manufacturer's Component Maintenance Manuals in accordance with FAA Title 14 of the Code of Federal Regulations (FAR) Parts 43, 145, and/or 121.

Misuse or Abuse of Components

Repair and replacement of Components damaged due to Sun Country's use of such Component outside of the manufacturer's recommendations, improper operation/maintenance, foreign object damage, abuse, negligence or accidental damage shall be repaired by Delta at Delta T&M rates, or if replacement is necessary, shall be replaced at the then current manufacturers list price. Delta shall bear all costs for the replacement of all Components deemed beyond economic repair (BER) due to normal wear and tear.

No Fault Found (NFF) Components

For all Components returned to Delta for Service under the PBTH rate, if Delta cannot confirm a failure of such Component after inspection or testing, or such inspection or testing shows the Component to be in serviceable condition ("NFF"), then Delta will notify and provide inspection and testing results to Sun Country. For NFF Components, Sun Country will pay to Delta, $500 for testing and recertification of NFF Component(s). If testing and recertification is accomplished by a Delta vendor, Sun Country will pay Delta's substantiated cost plus eight percent (8%). The preceding notwithstanding, Sun Country will not be charged a NFF fee if the removal of the Component was based on a troubleshooting recommendation by Delta that such Component be removed. For Delta tested and re-certified NFF Component(s), if such Component(s) is subsequently removed within one hundred (100) Flight Hours of installation with a confirmed failure for the same reason as identified on the prior removal, then Delta will repair such Component and, in addition, will either: (i) issue Sun Country a credit against an unpaid Delta invoice issued for a NFF charge, or (ii) credit to Sun Country the amount paid by Sun Country for the NFF charge.

Airworthiness Directives (ADs).

Delta will, as part of the Services, review, analyze and issue engineering documentation for the incorporation of ADs into Common Components. Sun Country will review, analyze and issue engineering documentation in a format acceptable to Delta the instructions for the incorporation of ADs into Non-Common Components. The actual accomplishment of any ADs on Components will be charged to Sun Country at Delta Time & Material Rates, but only for the amount of such Components delivered with Sun Country's Aircraft that did not have the particular AD complied with. The amount of labor charged for accomplishing any AD will be those number of man-hours specified in the AD, or if the AD fails to specify the number of man-hours, then such information will be obtained from the relevant equipment manufacturer. If the manufacturer specifies the number of man-hours, then not more than such number will be invoiced by Delta. If the manufacturer does not supply such information, Delta will estimate the labor required to accomplish the AD and notify Sun Country. Delta will track and invoice Sun Country for the actual labor necessary to accomplish the AD, advising of any substantive changes, if they occur, that would significantly alter the estimate. Any labor expended on Services not required to accomplish the AD will be allocated as appropriate either to the PBTH Rate or to the Delta Time & Material Rate as provided elsewhere herein. The material part of the Delta Time & Material Rate charge will be for only that material necessary to complete the AD per the information in the AD. If the AD fails to provide the list of materials necessary to accomplish the AD, such information will be obtained from the relevant equipment manufacturer. If that information is not available, Delta will estimate the material required to accomplish the AD. Delta will track and invoice for the actual material necessary to accomplish the AD. If the only reason for removing a Component from an Aircraft was to accomplish an AD, Delta will invoice for, and Sun Country will pay to Delta, all the costs required for the Services associated with the accomplishment of the AD and other Services required by the Maintenance Program to return the Component to serviceable condition at Delta Time & Material Rates. Any other work performed during such a shop visit to enhance any performance or life of the Common Component will be borne by Delta. To the extent allowed by the time limits of the AD, Delta will make all reasonable efforts to accomplish ADs in conjunction with other scheduled maintenance on such Component.

Service Bulletins (SBs)

As deemed necessary by Delta, Delta will, as part of the Services, review, analyze and issue engineering documentation for the incorporation of SBs into Common Components. For Common Components requiring incorporation of an SB to meet Delta modification standard, Delta will incorporate that SB at the time Delta performs other Services on such Components, in accordance with the following:

SBs Costing No More Than $1,200

If Delta reasonably estimates the incorporation of an SB into a Common Component will cost no more than $1,200, when calculated at Delta Time & Material Rates, then such SB will be incorporated into the Component as part of the Services provided under the PBTH Rate. Such SB may be automatically incorporated without Sun Country permission so long as Sun Country is provided with notice and the SB does not change the fit, form or function of the Component. In the event the SB will change the fit, form or function of the Component, then Delta shall provide Sun Country with a written copy of Delta Engineering Order (EO) for such change.

SBs Costing More than $1,200

If Delta reasonably estimates the incorporation of an SB into a Common Component will cost more than $1,200, when calculated at Delta Time & Material Rates, then such SB will be incorporated at Sun Country's expense at Delta Time & Material Rates, but only for the amount of such Components delivered with Sun Country's Aircraft that do not have the particular SB incorporated. In the event that the Component manufacturer or some other person compensates Delta for the incorporation of the SB, then Sun Country shall not be charged to the extent such compensation reduces Delta's cost for incorporating the SB below $1,200.

Determining the Cost of SBs

The determination of the time and material elements of Delta Time & Material Rates for incorporation of SBs provided for above will be calculated in accordance with this Section. The markup on materials will be based on the current list price. The labor part of the Delta Time & Material Rate charge will be only for that number of man-hours specified in the SB, or if the SB fails to specify the number of man-hours, then such information will be obtained from the relevant equipment manufacturer. If the manufacturer specifies the number of man-hours, then not more than such number will be invoiced by Delta. If the manufacturer does not supply such information, Delta will estimate the labor required to accomplish the SB and notify. Delta will track and invoice for the actual labor necessary to accomplish the SB, advising of any substantive changes if they occur that would significantly alter the estimate. The material part of the Delta Time & Material Rate charges will be for only that material necessary to complete the SB per the information in the respective SB. If the SB fails to provide the list of material necessary for accomplishment of the SB, such information will be obtained from the appropriate equipment manufacturer. Using the bill of material specified either in the SB or by the manufacturer, Delta will flat-rate the material for the SB at the then-current prices. If that information is not available, Delta will estimate the material required to accomplish the SB. Delta will track and invoice for the actual material necessary to accomplish the SB. Labor expended on Services not required by the accomplishment will be allocated as appropriate either to the PBTH Rate or the Delta Time & Material Rate as provided elsewhere herein. If the only reason for removing a Component from an Aircraft is to accomplish the performance of an SB. Delta will invoice for, and Sun Country will pay to Delta, all the costs required for the Services associated with the accomplishment of the SB and other Services required to return the Component to serviceable condition at Delta Time & Material Rates.

Modification Compatibility

If Sun Country chooses not to accept a Component modification that Delta is performing on Components for Delta's fleet and such decision creates the need for a larger inventory of Non-Common Components, Sun Country will either; (i) purchase, or authorize Delta to purchase, such additional Non Common Components for the inventory in a quantity sufficient to support the requirements of the Sun Country fleet, as is mutually agreed between Delta and Sun Country, or (ii) agree to an amend this Agreement to remove each such NonCommon Component from Delta's support obligations.

Sun Country will create or revise all Sun Country documentation and equipment, including task cards, Illustrated Parts Catalogs, test equipment and Aircraft, that are affected or necessitated by all such EOs, ADs, and SBs related to Components.

Undocumented Components or Repairs

If, in performing any Services, Delta finds any undocumented Component or repair, then Delta will promptly notify Sun Country along with providing documentation of the undocumented Component and/or repair. Sun Country shall then substantiate such Component within three (3) days of Delta's notice. If Sun Country is unable to substantiate such Component, Delta will not accept the undocumented Component for Services or remedy the undocumented repair at Delta Time & Material Rates.

Supply Response Times

When a Component requires removal from an Aircraft and Sun Country does not have a replacement Component available, Sun Country will notify Delta Front Desk and, within thirty minutes of receiving any such notice, Delta will: (i) acknowledge receipt of the request; (ii) advise Sun Country whether a replacement Component is in stock or must be obtained from another source; and (iii) either give Sun Country complete shipping information for the replacement Component or advise Sun Country of when such information will become available. Delta or its suppliers will ship a Component to the location designated by Sun Country as soon as possible; but in any event, to comply with program performance measures, all Components will be shipped within twenty-four (24) hours of Delta's receipt of a request at least ninety percent (90%) of the time in the case of Airframe and Engine Components and ninety-five percent (95%) of the time in the case of APU Components. Such percentages will be calculated on twelve-month rolling averages. If either such rolling average falls below the program performance measures, Delta and Sun Country will identify the reasons for the program performance shortfall. Upon such identification, Delta and Sun Country will take prompt action to ensure that the Components are either stocked or sourced in sufficient quantities to meet the program performance measures stated in this Annex. Notwithstanding the preceding sentences, Delta will ship Components using the same degree of expediency for a Sun Country AOG situation that Delta generally uses for a Delta AOG situation. If Delta's general AOG handling methods are not sufficient in a particular situation, then at Sun Country's request, Delta will arrange for unique shipping methods, such as the hiring of private aircraft to ship the Component, all at Sun Country's cost and expense.

If a Common Component can not be provided to Sun Country and Sun Country has an Aircraft that is AOG for such Component, Delta will provide assistance to Sun Country in locating such Component for Sun Country to lease or borrow. In such cases, Delta will be responsible for the loan or lease charge until such Component is provided to Sun Country by Delta.

Return of Components

Sun Country will return each Component removed from an Aircraft to Delta's facility within five (5) days of its removal from the Aircraft. Sun Country will arrange for all such shipments except in those instances when Delta or a Delta subcontractor actually removes and replaces an Component. In such instances within the United States, Delta will pack, ship and track shipment of such Component. In such instances outside the United States, Delta will coordinate with Sun Country's maintenance control center on the return of the Component.

Shipment Methods and Costs; Packing; Required Records

Method of Shipment and Costs.

At Sun Country's option, for any Component which requires Services, Sun Country will provide for shipment at its own cost and expense via any reasonable method that will meet the Component return time requirement.

Proper Packaging.

Delta will initially deliver all serviceable Components in reusable Category 1 containers (as defined in ATA Specification 300). Sun Country will return each removed Component in the same or equivalent container as the one in which the replacement was shipped. If that container or its equivalent is not returned to Delta, Sun Country will be charged for its replacement. Each Component shipped by Delta will have attached to it a tag indicating serviceability under the standards of FAR Part 121. Regardless of the method of shipment, Sun Country shall be responsible for ensuring that Components are properly prepared, packaged, labeled and documented under applicable ATA 300 and hazardous goods regulations. In the event Delta receives a Component from Sun Country that is not properly packaged under applicable ATA 300 and hazardous goods regulations, Delta will so notify Sun Country in order for Sun Country to provide a proper package for use by Delta in returning the Component to Sun Country. In the event Sun Country fails to provide the proper packaging, Delta may provide such packaging required under the applicable ATA 300 and hazardous good regulations and Sun Country shall compensate Delta for such packaging at Delta Time & Material Rates.

Records and Reports.

Sun Country will furnish the following data with each Component offered for Services: the Aircraft's registration and serial number; the Component name, model, and serial number; the number of .Flight Hours and cycles the Component accumulated on the Aircraft; the dates the Component was installed and removed and the reason for removal. Concurrent with shipment of serviceable Components Delta will provide data on each such Component, including, as available, aggregate flight hours and cycles accumulated. serial number; the Component name, model and serial number; the total number of hours and cycles on the Component.

At end of Term or in case of early termination, Sun Country shall provide Delta with a written list, by serial number, part number, and nomenclature, of Components eligible for Service that arc installed on Sun Country Aircraft. Upon receipt of such written list, Delta shall provide Sun Country with all available records for such Components.

Warranty Administration

On behalf of Sun Country, Delta will administer claims against manufacturers of removed Components on which a warranty is in effect. Delta will retain any warranty related compensation. To achieve this purpose, Sun Country will cause the assignment to Delta of all warranty rights related to the Components. If Sun Country has not made reasonable efforts for such assignment before a warranted Component must be repaired, Sun Country will be charged for such repair at T&M. All assignments of warranty rights to Delta pursuant to this Section will expire immediately upon termination or expiration of this Agreement and such rights will revert to Sun Country.

Project Manager; Customer Representatives

Delta will assign an employee with experience in project management to coordinate all aspects of the Services and to be the primary liaison with Sun Country during the term of the Agreement. Sun Country will

designate one or more representatives who at all times during the term of this Agreement will have the authority to accept or reject work performed by Delta. Sun Country will furnish to Delta's Project Manager a list of its personnel, with contact information, who are responsible for the subjects covered by this Agreement. Delta will furnish to Sun Country a list of its personnel, with contact information, who are responsible for the subjects covered by this Agreement.

ANNEX A2

Charges & Payments

Allocated Inventory - Flat Rate

Sun Country shall pay to Delta a monthly rate of 1.5% times the value of the Allocated Inventory provided to Sun Country at the mutually agreed to locations. The total value of Allocated Inventory will be calculated on the last day of the month. The value of the Allocated Inventory on the last day of the month will be the basis for the payment due and such payment will be made in accordance with Section 3.2 of the Inventory Support Agreement. The Allocated Inventory value is determined by the average list price of the Component in Delta's inventory system times the total number of Components allocated. The type and quantity of Components allocated to Sun Country shall be determined to meet the program performance measures contained in this Agreement.

Example:

Component Nomenclature	Component Part Number	Location	QTY	Unit Average List Price	Allocated Value
Computer	760SUE2-2	MSP	1	$ 25,000	$ 25,000
Actuator	Rl5048	LAX	1	$ 8,000	$ 8,000
Amplifier	622-5342-101	MSP/LAX	2	$ 9,500	$ 19,000
Transceiver	822-0334-002	SEA/MSP/JFK	3	$ 22,000	$ 66,000
				Total Value	$118,000

Monthly payment = $118,000 × 1.5% = $1,770.00

Pool Inventory - Flat Rate

Sun Country shall be charged a flat monthly fee for the use of Common Components at stations where Components already exist to support Delta B737NG operations. Sun Country shall pay to Delta a monthly rate of 1% times the current value of Common Station inventory per aircraft, as most recently reported by Delta to Sun Country and revised from time to time, times a ratio of the number of Common Stations to the total number of SCA 737NG stations, times the number of Aircraft in service for that month. Such payment will be made in accordance with Section 3.2 of the Inventory Support Agreement. The rate for Pool Inventory will be calculated on the last day of each month. For Aircraft introduced into or removed from Sun Country's fleet during any particular month, the contribution to payment for pool inventory for that particular Aircraft for that particular month shall be pro-rated based on the percentage of that month such Aircraft has spent in revenue service.

Example:

REQUIRED DATA:	
Total Common Component Pool Inventory per A/C	$597,000
Station Value of Common Inventory = 40%	$238,800
Number of Common Stations	3(a)
Number of 737NG Stations in SCA Network	9(b)
Percentage of SCA System Overlap	33.3%(a)/(b)
Number of 737NG Aircraft in Fleet	4
CALCULATION:	
Station Value of Common Inventory	$238,800
Multiply by System Overlap Percentage	33.3%
Multiply by number of 737NG aircraft	4
Multiply by monthly rate	1%
Total Monthly Charge for Pool Inventory	$ 3,180

As mutually agreed, Sun Country will have the right to independently obtain & review Component cost data for Allocated Inventory and Pool Inventory for the purpose of confirming the Delta determined cost valuation quantity of the Allocated Inventory and Pool Inventory as described above.

Component Repair & Management - Cost per Flight Hour & Rate Adjustment

Sun Country shall pay to Delta $95 per flight hour for Component repair and warranty administration.

In the event Sun Country introduces additional Aircraft into this Agreement, the PBTH rate for such Aircraft shall be based on the age of such aircraft as follows:

Aircraft Age at Induction, months from OEM deliver	PBTH Rate
0 to 6	$ 95
7 to 12	$ 118
13 to 28	$ 133
29 to 36	$ 145
>37	$ 150

Delta reserves the right to amend the rates specified above in the event of unusual circumstances surrounding the aircraft being introduced into this Agreement. For the avoidance of doubt, the rate shown above shall only be applicable to the aircraft being introduced. All other Aircraft shall be charged at the PBTH Rate, subject to escalation.

Time & Material Rates (Delta T&M)

Sun Country will pay Delta for Services performed on a Delta Time & Material Rate basis at the following rates:

- $65.00 per hour for mechanics and inspectors.*
- $100.00 per hour for engineers and analysts. *
- New Material at Delta's cost plus twelve (12) percent with a per item cap on the markup of $1,250.00 and a per line item cap on the markup of $2,500.00
- Used/serviceable material at 75% of manufacturer's then-current list price with no markup.
- Sun Country-supplied parts at 5% of Sun Country's cost up to a maximum of $250.00 No-charge parts or kits would not be subject to this handling fee.
- Outside repair at Delta's invoiced cost plus 8%.
- Consumable miscellaneous shop supplies will be provided at no charge.

* These labor items will be escalated in accordance with Delta Time & Material Rate Escalation Formula Section of Annex A3.

Late Charges

For every day beyond the fifth business day that Sun Country retains a removed Component or fails to provide the required data for such Component, Delta will charge Sun Country a daily fee representing a percentage of the manufacturer's current list price, computed cumulatively as follows: (i) 1.5% per day for days 6 through 10, then: (ii) 2% per day for days 11 through 30, then; (iii) 3% per day for days 21 through 30, then; (iv) 4% per day for day's 31 until return.

Time & Material Invoices

Delta will issue to Sun Country at least monthly, or on a project basis, an invoice setting forth the Delta Time & Material Rate charges for Services not covered by the PBTH Rate. Such invoices will be addressed and sent to Sun Country at the following address:

Sun Country Airlines
7701 26th Ave south
Minneapolis, MN 55450

Attn: Karen Nesheim

Sun Country will pay such invoices in full, without setoff or withholding, within thirty (30) days from the date of issuance.

Attn: Royall G.G.

Re: License for use of Delta STC SA2166SO on MSN 25493

Dear Sirs:

This letter agreement sets forth the terms and conditions pursuant to which Delta Air Lines, Inc. ("Delta") will grant to Raytheon Systems Company ("Licensee") a non-exclusive, non-transferable license to use a certain Delta Supplemental Type Certificate ("STC") in the installation of a hatch kit, part number 53-0496-500, in the aircraft owned or operated by Licensee bearing manufacturer's serial number 25493 (the "Aircraft").

1. Scope of License.

Delta hereby grants to Licensee a non-exclusive, non-transferable license to use Supplemental Type Certificate number SA2166SO for the installation by Licensee or its authorized repair or modification facility of a hatch kit, part number 53-0496-500, in the Aircraft. Delta represents to Licensee that Delta owns the rights to such STC and has the right and authority to grant this license. This license may not be transferred, sold or assigned by Licensee, nor may Licensee use it for the purpose of modifying any other parts or any other aircraft for itself or any other operator; provided, however, that Licensee may assign its interest herein with a transfer of ownership or possession of the Aircraft modified pursuant to the terms of this license, and any transferee under the terms of this provision may transfer its interest herein in the same manner.

2. Price for License.

Pursuant to a Purchase Agreement dated as of even date herewith, Licensee will purchase from Delta one (1) hatch kit, part number 53-0496-500, in the amount of Ten Thousand Three Hundred Forty Seven Dollars ($10,347), which purchase price shall include the STC licensed hereunder. Licensee agrees and acknowledges that the STC shall be used solely in connection with the Aircraft.

3. Taxes.

In addition to the amounts set forth above, Licensee will reimburse Delta (net of any additional taxes of such reimbursement) the amount of any and all taxes (except United States Income taxes) and fees of whatever nature, including customs duties and fees, paid or incurred by Delta as a result of or in connection with granting the license hereunder. If claim is made against Delta for any such tax, Delta will promptly notify Licensee. If seasonably requested by Licensee in

writing, Delta will at Licensee's expense take such action as Licensee may reasonably direct with respect to such claim, and any payment by Delta of such tax will be made under protest, if protest is necessary and proper. If payment is made, Delta will, at Licensee's expense, take such action as Licensee may reasonably direct to recover such payment and will, if requested, permit Licensee in Delta's name to file a claim or prosecute an action to recover such payment.

4. Waiver; Limitation of Liabilities.

In the event Licensee asserts such interest or takes such action, Licensee agrees that Delta may revoke this license with respect to the Aircraft modified hereunder. Should Delta notify Licensee of such revocation, Licensee will immediately cease all aircraft operations under the STC. The parties agree that, because of the nature of the rights Delta has under this license, remedies at law may not be adequate to provide for effective enforcement of Delta's rights hereunder and, accordingly, Licensee agrees and acknowledges that Delta may seek and obtain injunctive relief to enforce its rights hereunder, and Licensee further agrees not to contest the jurisdiction of any U.S. District Court in which Delta may bring such an action.

10. The following language is hereby added as a new section at the end of Annex A, immediately preceding Annex A1:

Assessment of Common Components

As requested from time to time by MN Airlines, Delta will analyze the component listing of any Aircraft that MN Airlines is interested in leasing and provide MN Airlines with a report identifying the components within such Aircraft that would constitute Common Components under this Agreement. Delta shall use commercially reasonable efforts to provide any such report within seven (7) business days of receiving the necessary information from MN Airlines that is required to provide the report.

Engineering Support Services

To the extent necessary to support the scope of services as set forth in this Annex A, Delta will provide the following engineering support services:

- General Shop Support – Includes developing 1-off repairs as well as multi-use repairs for a particular Component.
- Outside Vendor Shop Support – Delta will provide engineering oversight on Components that are sent out to outside vendors.
- Component Configuration – Review and approve implementation of Service Bulletins (SB) as needed.
- Reliability – From internally developed & managed reliability (RI) and Component (CPI) indexes, Delta will monitor and investigate reliability drivers on components.

Delta acknowledges that MN Airlines may at some point in the future have a capability of performing all engineering support services in-house. In such event, to the extent these engineering support services are redundant with those being provided by MN Airlines in-house, the parties shall discuss in good faith the reduction or removal of the engineering support services from this Annex A and a commensurate, pro-rata reduction or removal of the associated fee set forth in Section 2 of Annex A2.

Supply Response Time

The Supply Response Time commitment from Delta for Common Components shall be as follows:

Situation and Component Category	Supply Response Time	Achievement of Supply Response Time (based on rolling 3-month average)
AOG Aircraft due to ESS 1 Component	No more than 3 hours between receipt of request and Dispatch *	96%
AOG Aircraft due to Component that is in stock at Delta's MSP facility	No more than 3 hours between receipt of request and available for MN Airlines pick-up	96%
All other situations	No more than 12 hours between receipt of request and Dispatch *	90%

* Dispatch = MN Airlines is notified of Delta flight number and AWB that the requested Component is booked on or that requested Component is available for pickup at a Delta facility if part is being shipped by MN Airlines.

For purposes of this Section, "ESS" means the Essentiality Code for a particular Component, as set forth in the applicable Boeing Aircraft manual.

Delta shall provide MN Airlines with a report of Delta's achievement of the Supply Response Time for each category at each quarterly business review meeting. In addition, the then-current rate of Delta's achievement of the Supply Response Time for each category shall be available for MN Airlines review within the Integrated Exchange Website (IEW).

In the event Delta fails to meet the applicable Supply Response Time for any category for any reason other than Excusable Delay (as set forth in Section 6 of the Agreement) or a delay caused by MN Airlines, and MN Airlines has an Aircraft that will be prohibited from flying a scheduled service solely due to Delta not meeting Supply Response Time fat a specific Component within such category (the "AOG-Causing Part"), MN Airlines shall provide Delta with notice of such situation (the "AOG Notice") and provide Delta with an opportunity to meet MN Airlines' reasonable requirements for delivery of the AOG-Causing Part. If Delta fails to meet such requirements, then Delta will provide MN Airlines with a credit against future invoices in an amount equal to the actual commercially reasonable cost paid by MN Airlines to a third party for the rent of a replacement Component for the period of time between the delivery of the AOG Notice and MN Airlines' subsequent receipt of the AOG-Causing Part from Delta. The foregoing remedy shall be Delta's sole obligation and MN Airlines' sole remedy for failure to meet any Supply Response Time.

Miscellaneous Services

As requested by MN Airlines, Delta will use commercially reasonable efforts to provide additional value-added services (such as common procurement initiatives; access to available Component lease units; tooling support; and prognostic, predictive maintenance and senor initiatives) to MN Airlines to the extent that such services are directly related to the services set forth in this Annex A and can be performed by Delta without incurring incremental third party costs. Certain additional value-added services may be subject to additional applicable terms and conditions.

11. Annex A1 is hereby deleted in its entirety and replaced with a new Annex A1, which is attached hereto as Attachment 1.

12. Annex A2 is hereby deleted in its entirety and replaced with a new Annex A2, which is attached hereto as Attachment 2.

13. Annex A3 is hereby deleted in its entirety and replaced with a new Annex A3, which is attached hereto as Attachment 3.

14. Except as amended by this Amendment, all other provisions of the Agreement shall remain in full force and effect.

In the event MN Airlines adds an additional aircraft to the fleet of Aircraft, that is reasonably determined by Delta to cause a material increase to Delta's cost to provide the Services (as measured on a per Aircraft basis), Delta reserves the right to adjust the PBTH Rate for that particular additional aircraft upon thirty (30) days' advance written notice. During such thirty (30) day notice period, upon request from MN Airlines, the parties shall negotiate in good faith to determine an alternative way of compensating Delta for the increase in cost caused by the particular additional Aircraft (such as a one-time payment from MN Airlines), provided that if mutual agreement on such alternative is not reached by the parties, the increased rate shall go into effect as of the end of such thirty (30) day period for that particular aircraft.

Attachment 2 to Amendment

ANNEX A2

Charges and Payment Terms

1. Component Access and Exchange Flat Rates

Delta shall charge MN Airlines and MN Airlines shall pay to Delta a flat monthly fee for Component access and exchange. Such fee shall be computed monthly by multiplying the number of Aircraft covered under this Agreement times the applicable flat fee set forth in the table below:

	Total number of Aircraft covered by this Agreement: 0-30	Total number of Aircraft covered by this Agreement: 31-40	Total number of Aircraft covered by this Agreement: 41-50	Total number of Aircraft covered by this Agreement: 51 or more
Component Access and Exchange – Flat Rate (per Aircraft/per month)	$ 3,500	$ 3,235	$ 2,752	$ 2,296

Such payment shall be made in accordance with Section 3.2. The rate for Component access and exchange shall be calculated on the last day of each month. For Aircraft introduced into or removed from MN Airlines' fleet during any particular month, the number of Aircraft considered in operation for that particular month shall be pro-rated based on the percentage of days that month such Aircraft has spent in service. Use of an Aircraft for any portion of a calendar day, local Aircraft time, constitutes use of the Aircraft for that day, for purposes of this section. The Aircraft is considered used if it is operated for any purpose, whether revenue, charter, training, promotional or non-revenue flying.

2. Engineering Support Services Flat Rate

Subject to Section 10 of this Amendment, Delta shall charge MN Airlines and MN Airlines shall pay to Delta a flat monthly fee of $25,000 for the engineering support services described in Annex A. Such payment shall be made in accordance with Section 3.2.

3. PBTH Rates

Delta shall charge MN Airlines and MN Airlines shall pay to Delta a fee each month based on the applicable power-by-the-hour rate set forth below (the "PBTH Rate"), as compensation for Services which are described herein as being provided on a power-by-the-hour basis. Each calendar month during the Term, Delta shall invoice to MN Airlines an amount equal to the product of applicable PBTH Rate times the total number of Flight Hours for all Aircraft during such month. MN Airlines shall report to Delta by no later than the third business day of each month the total number of Flight Hours for all Aircraft for the preceding month. MN Airlines shall allow Delta representatives to inspect its operating records with respect to the Aircraft to verify the accuracy of the Flight Hour information.

Valid prior to October 9, 2018:

Aircraft age at time of invoice	0 to 36 months	37 to 60 months	6l or more months
PBTH Rate	$ 66.51	$ 112.66	$ 148.40

Valid on and after October 9, 2018:

Aircraft age at time of invoice	0 to 24 months	25 to 36 months	37 to 48 months	49 or more months
PBTH Rate	$ 15.93	$ 25.99	$ 70.42	$ 83.83

Aircraft age, for purposes of determining the applicable PBTH Rate, is based on the number of months elapsed since the delivery of the Aircraft in new condition by the original equipment manufacturer to the initial owner or operator.

Should Delta and MN Airlines enter into an agreement for the provisioning of engine maintenance services on MN Airlines' CFM56-7 aircraft engines by Delta on an exclusive basis, Delta will, in good faith, re-evaluate the above rate in an effort to provide MN Airlines with a more favorable rate. ·

4. Minimum Annual Flight Cycles

The parties agree that the commercial terms of this Agreement are premised on the operation of each Aircraft for at least 3,000 Flight Hours per year, measured on an annual basis (the "Minimum Annual Flight Hours"), provided, however, that the measurement period for 2018 shall be from October 9 to December 31 and the Minimum Annual Flight Hours for 2018 shall be prorated accordingly, resulting in 689 Flight Hours per aircraft. As a result, MN Airlines agrees to compensate Delta for any difference between actual utilization of the Aircraft and the Minimum Annual Flight Hours in accordance with this Section. On January 1 of each calendar year during the Term beginning January 1, 2019, and on the date of expiration or termination of the Agreement, Delta shall invoice MN Airlines for an Annual Additional Payment for the immediately preceding calendar year for each Aircraft, calculated on a per Aircraft basis as follows (and prorated for any partial years):

> Annual Additional Payment per Aircraft = applicable PBTH Rate for the measurement period* (3,000 – actual Flight Hours for such Aircraft during the measurement period)
>
> If the actual Flight Hours for any Aircraft during the measurement period is equal to or greater than 3,000, then the Annual Additional Payment for such Aircraft is 0.

For purposes of determining the Annual Additional Payment, Flight Hours may not be carried over from a previous year or carried over from Aircraft to Aircraft. For clarity, MN Airlines shall not receive a credit or refund for any Aircraft that exceeds 3,000 Flight Hours per calendar year. The Minimum Annual Flight Hours for any Aircraft that was added to the MN Airlines fleet during the Term shall be prorated for partial calendar years based on the date that such Aircraft began commercial service as part of the MN Airlines fleet.

5. Time & Material Rates

All services performed by Delta outside of the scope of the PBTH Rate shall be charged to MN Airlines on a time and materials basis in accordance with the rates set forth below (the "Delta T&M Rates"):

a. $122.42 per hour for mechanics and inspectors.

b. $189.78 per hour for engineers and analysts.

c. New material at Delta's cost plus twelve (12%) percent with a per item cap on the markup of $1,711.21 and a per line item cap on the markup of $3,422.41

d. Used/serviceable material at 75% of manufacturer's then-current list price with no markup.

e. MN Airlines-supplied parts at 5% of MN Airlines' cost up to a maximum of $342.24. Parts or kits provided directly by the original equipment manufacturer at no charge would not be subject to this handling fee.

f. Outside repair at Delta's invoiced cost plus 8%.

g. Consumable miscellaneous shop supplies will be provided at no charge.

6. MN Airlines Delay Charges

For every day beyond tine fifth Day that MN Airlines retains a removed Component or fails to provide the required data for such Component, Delta will charge MN Airlines a daily fee representing a percentage of the manufacturer's current list price, computed cumulatively as follows: (i) 0.5% per day for days 5 through 10, then: (ii) 2% per day for days 11 through 20, then; (iii) 3% per day for days 21 through 30, then; (iv) 4% per day from days 31 through 45 or until return. After day 45 the Component will be considered lost and MN Airlines will be invoiced for all accumulated late charges and OEM current list price or Delta's actual replacement cost, whichever is greater.

7. Invoices

Invoices will be addressed and sent to MN Airlines at the following address:

MN Airlines, LLC
1300 Corporate Center Curve
Eagan, MN 55121

Attn: Accounts Payable

MN Airlines shall pay such invoices in full, without setoff or withholding, in accordance with the terms of the Agreement.

Attachment 3 to Amendment

ANNEX A3

Escalation

The PBTH Rate and the Delta T&M Rates are expressed in January 2018 United States dollars and are subject to escalation on January 1 of each year during the Term, beginning on January 1, 2019, as set forth in this Annex A3. All escalations are cumulative.

1. The PBTH Rate and the Delta T&M Rates will escalate at a fixed rate of 1% on January 1, 2019.
2. The PBTH Rate and the Delta T&M Rates will escalate at a fixed rate of 1% on January 1, 2020.
3. Beginning on January 1, 2021, and on January 1 of each year during the Term thereafter, the PBTH Rate and the Delta T&M Rates will escalate as follows:
    a. Delta will calculate the Inflation Index using the formula set forth below for the immediately preceding calendar year. The result will be rounded to the nearest Whole number.
    b. If the result of the Inflation Index is equal to or less than 5%, then the PBTH Rate and the Delta T&M Rates will escalate at a fixed rate of 3%.
    c. If the result of the Inflation Index is greater than 5%, then the PBTH Rate and the delta T&M Rates will escalate at a rate of 3% plus ½ the difference between the Inflation Index and 5%.

    Example:

    Assume the Inflation Index is 7%. The PBTH Rate and the Delta T&M Rates would escalate by 4%, calculated as follows: 3% + (0.5 * (7% - 5%)).
4. The Inflation Index formula is as follows:

    Inflation Index = 0.55*L + 0.45*M

    L = BLS issued index Aerospace Product and Parts Manufacturing NAICS 336400 (49-0000) as issued and compared to the prior year each January 1.

    M = BLS issued index for PPI Commodity data for Transportation equipment-Aircraft and aircraft equipment, not seasonally adjusted. Series ID WPU 142.

For the avoidance of doubt Component Access and Exchange Flat Rates as well as Engineering Support Services Flat Rate are fixed and not subject to any escalations.

2002 MASTER AGREEMENT

dated as of May 1, 2019

J. ARON & COMPANY LLC and MN AIRLINES, LLC

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this 2002 Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties or otherwise effective for the purpose of confirming or evidencing those Transactions. This 2002 Master Agreement and the Schedule are together referred to as this "Master Agreement".

Accordingly, the parties agree as follows:—

1. Interpretation

(a) ***Definitions***. The terms defined in Section 14 and elsewhere in this Master Agreement will have the meanings therein specified for the purpose of this Master Agreement.

(b) ***Inconsistency***. In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement, such Confirmation will prevail for the purpose of the relevant Transaction.

(c) ***Single Agreement***. All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) ***General Conditions***.

(i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.

(ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other condition specified in this Agreement to be a condition precedent for the purpose of this Section 2(a)(iii).

(b) ***Change of Account.*** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the Scheduled Settlement Date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) ***Netting of Payments***. If on any date amounts would otherwise be payable:—

(i) in the same currency; and

(ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by which the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount and payment obligation will be determined in respect of all amounts payable on the same date in the same currency in respect of those Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or any Confirmation by specifying that "Multiple Transaction Payment Netting" applies to the Transactions identified as being subject to the election (in which case clause (ii) above will not apply to such Transactions). If Multiple Transaction Payment Netting is applicable to Transactions, it will apply to those Transactions with effect from the starting date specified in the Schedule or such Confirmation, or, if a starting date is not specified in the Schedule or such Confirmation, the starting date otherwise agreed by the parties in writing. This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) ***Deduction or Withholding for Tax***.

(i) ***Gross-Up***. All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will—

(1) promptly notify the other party ("Y") of such requirement;

(2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;

(3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and

(4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) ***Liability***. If:—

(1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);

(2) X does not so deduct or withhold; and

(3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

3. Representations

Each party makes the representations contained in Sections 3(a), 3(b), 3(c), 3(d), 3(e) and 3(f) and, if specified in the Schedule as applying, 3(g) to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement). If any "Additional Representation" is specified in the Schedule or any Confirmation as applying, the party or parties specified for such Additional Representation will make and, if applicable, be deemed to repeat such Additional Representation at the time or times specified for such Additional Representation.

(a) ***Basic Representations***.

(i) ***Status***. It is duly organised and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing;

(ii) ***Powers***. It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

(iii) ***No Violation or Conflict***. Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) ***Consents***. All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) ***Obligations Binding***. Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) ***Absence of Certain Events***. No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) ***Absence of Litigation***. There is not pending or, to its knowledge, threatened against it, any of its Credit Support Providers or any of its applicable Specified Entities any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) ***Accuracy of Specified Information***. All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) ***Payer Tax Representation***. Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) ***Payee Tax Representations***. Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

(g) ***No Agency***. It is entering into this Agreement, including each Transaction, as principal and not as agent of any person or entity.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) ***Furnish Specified Information.*** It will deliver to the other party or, in certain cases under clause (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) ***Maintain Authorisations***. It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) ***Comply With Laws***. It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) ***Tax Agreement***. It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) ***Payment of Stamp Tax***. Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated, organised, managed and controlled or considered to have its seat, or where an Office through which it is acting for the purpose of this Agreement is located ("Stamp Tax Jurisdiction"), and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party's execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) ***Events of Default***. The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes (subject to Sections 5(c) and 6(e)(iv)) an event of default (an "Event of Default") with respect to such party:—

(i) ***Failure to Pay or Deliver***. Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) required to be made by it if such failure is not remedied on or before the first Local Business Day in the case of any such payment or the first Local Delivery Day in the case of any such delivery after, in each case, notice of such failure is given to the party;

(ii) ***Breach of Agreement; Repudiation of Agreement***.

(1) Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied within 30 days after notice of such failure is given to the party; or

(2) the party disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, this Master Agreement, any Confirmation executed and delivered by that party or any Transaction evidenced by such a Confirmation (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iii) ***Credit Support Default***.

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document, or any security interest granted by such party or such Credit Support Provider to the other party pursuant to any such Credit Support Document, to be in full force and effect for the purpose of this Agreement (in each case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iv) ***Misrepresentation***. A representation (other than a representation under Section 3(e) or 3(f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) ***Default Under Specified Transaction***. The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) defaults (other than by failing to make a delivery) under a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction;

(2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment due on the last payment or exchange date of, or any payment on early termination of, a Specified Transaction (or, if there is no applicable notice requirement or grace period, such default continues for at least one Local Business Day);

(3) defaults in making any delivery due under (including any delivery due on the last delivery or exchange date of) a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, all transactions outstanding under the documentation applicable to that Specified Transaction; or

(4) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, a Specified Transaction or any credit support arrangement relating to a Specified Transaction that is, in either case, confirmed or evidenced by a document or other confirming evidence executed and delivered by that party, Credit Support Provider or Specified Entity (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) ***Cross-Default***. If "Cross-Default" is specified in the Schedule as applying to the party, the occurrence or existence of:—

(1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) where the aggregate principal amount of such agreements or instruments, either alone or together with the amount, if any, referred to in clause (2) below, is not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments before it would otherwise have been due and payable; or

(2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments under such agreements or instruments on the due date for payment (after giving effect to any applicable notice requirement or grace period) in an aggregate amount, either alone or together with the amount, if any, referred to in clause (1) above, of not less than the applicable Threshold Amount;

(vii) ***Bankruptcy***. The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4)(A) institutes or has instituted against it, by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head or home office, a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official, or (B) has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and such proceeding or petition is instituted or presented by a person or entity not described in clause (A) above and either (I) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding- up or liquidation or (II) is not dismissed, discharged, stayed or restrained in each case within 15 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 15 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (l) to (7) above (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) ***Merger Without Assumption***. The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, or reorganizes, reincorporates or reconstitutes into or as, another entity and, at the time of such consolidation, amalgamation, merger, transfer, reorganization, reincorporation or reconstitution:—

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) ***Termination Events***. The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes (subject to Section 5(c)) an Illegality if the event is specified in clause (i) below, a Force Majeure Event if the event is specified in clause (ii) below, a Tax Event if the event is specified in clause (iii) below, a Tax Event Upon Merger if the event is specified in clause (iv) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to clause (v) below or an Additional Termination Event if the event is specified pursuant to clause (vi) below:—

(i) ***Illegality***. After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, due to an event or circumstance (other than any action taken by a party or, if applicable, any Credit Support Provider of such party) occurring after a Transaction is entered into, it becomes unlawful under any applicable law (including without limitation the laws of any country in which payment, delivery or compliance is required by either party or any Credit Support Provider, as the case may be), on any day, or it would be unlawful if the relevant payment, delivery or compliance were required on that day (in each case, other than as a result of a breach by the party of Section 4(b)):—

(1) for the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction to perform any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) for such party or any Credit Support Provider of such party (which will be the Affected Party) to perform any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, to receive a payment or delivery under such Credit Support Document or to comply with any other material provision of such Credit Support Document;

(ii) ***Force Majeure Event***. After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, by reason of force majeure or act of state occurring after a Transaction is entered into, on any day:—

(1) the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction is prevented from performing any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, from receiving a payment or delivery in respect of such Transaction or from complying with any other material provision of this Agreement relating to such Transaction (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or impracticable for such Office so to perform, receive or comply (or it would be impossible or impracticable for such Office so to perform, receive or comply if such payment, delivery or compliance were required on that day); or

(2) such party or any Credit Support Provider of such party (which will be the Affected Party) is prevented from performing any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, from receiving a payment or delivery under such Credit Support Document or from complying with any other material provision of such Credit Support Document (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply (or it would be impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply if such payment, delivery or compliance were required on that day),

so long as the force majeure or act of state is beyond the control of such Office, such party or such Credit Support Provider, as appropriate, and such Office, party or Credit Support Provider could not, after using all reasonable efforts (which will not require such party or Credit Support Provider to incur a loss, other than immaterial, incidental expenses), overcome such prevention, impossibility or impracticability;

(iii) ***Tax Event***. Due to (1) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (2) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Settlement Date (A) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (B) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 9(h)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iv) ***Tax Event Upon Merger***. The party (the "Burdened Party") on the next succeeding Scheduled Settlement Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets (or any substantial part of the assets comprising the business conducted by it as of the date of this Master Agreement) to, or reorganizing, reincorporating or reconstituting into or as, another entity (which will be the Affected Party) where such action does not constitute a Merger Without Assumption;

(v) ***Credit Event Upon Merger***. If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, a Designated Event (as defined below) occurs with respect to such party, any Credit Support Provider of such party or any applicable Specified Entity of such party (in each case, "X") and such Designated Event does not constitute a Merger Without Assumption, and the creditworthiness of X or, if applicable, the successor, surviving or transferee entity of X, after taking into account any applicable Credit Support Document, is materially weaker immediately after the occurrence of such Designated Event than that of X immediately prior to the occurrence of such Designated Event (and, in any such event, such party or its successor, surviving or transferee entity, as appropriate, will be the Affected Party). A "Designated Event" with respect to X means that:—

(1) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the date of this Master Agreement) to, or reorganizes, reincorporates or reconstitutes into or as, another entity;

(2) any person, related group of persons or entity acquires directly or indirectly the beneficial ownership of (A) equity securities having the power to elect a majority of the board of directors (or its equivalent) of X or (B) any other ownership interest enabling it to exercise control of X; or

(3) X effects any substantial change in its capital structure by means of the issuance, incurrence or guarantee of debt or the issuance of (A) preferred stock or other securities convertible into or exchangeable for debt or preferred stock or (B) in the case of entities other than corporations, any other form of ownership interest; or

(vi) ***Additional Termination Event***. If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties will be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) ***Hierarchy of Events***.

(i) An event or circumstance that constitutes or gives rise to an Illegality or a Force Majeure Event will not, for so long as that is the case, also constitute or give rise to an Event of Default under Section 5(a)(i), 5(a)(ii)(1) or 5(a)(iii)(1) insofar as such event or circumstance relates to the failure to make any payment or delivery or a failure to comply with any other material provision of this Agreement or a Credit Support Document, as the case may be.

(ii) Except in circumstances contemplated by clause (i) above, if an event or circumstance which would otherwise constitute or give rise to an Illegality or a Force Majeure Event also constitutes an Event of Default or any other Termination Event, it will be treated as an Event of Default or such other Termination Event, as the case may be, and will not constitute or give rise to an Illegality or a Force Majeure Event.

(iii) If an event or circumstance which would otherwise constitute or give rise to a Force Majeure Event also constitutes an Illegality, it will be treated as an Illegality, except as described in clause (ii) above, and not a Force Majeure Event.

(d) ***Deferral of Payments and Deliveries During Waiting Period***. If an Illegality or a Force Majeure Event has occurred and is continuing with respect to a Transaction, each payment or delivery which would otherwise be required to be made under that Transaction will be deferred to, and will not be due until:—

(i) the first Local Business Day or, in the case of a delivery, the first Local Delivery Day (or the first day that would have been a Local Business Day or Local Delivery Day, as appropriate, but for the occurrence of the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event) following the end of any applicable Waiting Period in respect of that Illegality or Force Majeure Event, as the case may be; or

(ii) if earlier, the date on which the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event ceases to exist or, if such date is not a Local Business Day or, in the case of a delivery, a Local Delivery Day, the first following day that is a Local Business Day or Local Delivery Day, as appropriate.

(e) ***Inability of Head or Home Office to Perform Obligations of Branch***. If (i) an Illegality or a Force Majeure Event occurs under Section 5(b)(i)(1) or 5(b)(ii)(1) and the relevant Office is not the Affected Party's head or home office, (ii) Section 10(a) applies, (iii) the other party seeks performance of the relevant obligation or

compliance with the relevant provision by the Affected Party's head or home office and (iv) the Affected Party's head or home office fails so to perform or comply due to the occurrence of an event or circumstance which would, if that head or home office were the Office through which the Affected Party makes and receives payments and deliveries with respect to the relevant Transaction, constitute or give rise to an Illegality or a Force Majeure Event, and such failure would otherwise constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) with respect to such party, then, for so long as the relevant event or circumstance continues to exist with respect to both the Office referred to in Section 5(b)(i)(1) or 5(b)(ii)(1), as the case may be, and the Affected Party's head or home office, such failure will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1).

6. Early Termination; Close-Out Netting

(a) ***Right to Terminate Following Event of Default***. If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) ***Right to Terminate Following Termination Event***.

(i) ***Notice***. If a Termination Event other than a Force Majeure Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction, and will also give the other party such other information about that Termination Event as the other party may reasonably require. If a Force Majeure Event occurs, each party will, promptly upon becoming aware of it, use all reasonable efforts to notify the other party, specifying the nature of that Force Majeure Event, and will also give the other party such other information about that Force Majeure Event as the other party may reasonably require.

(ii) ***Transfer to Avoid Termination Event***. If a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, other than immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) ***Two Affected Parties***. If a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice of such occurrence is given under Section 6(b)(i) to avoid that Termination Event.

(iv) ***Right to Terminate***.

(1) If:—

(A) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(B) a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there are two Affected Parties, or the Non-affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, if the relevant Termination Event is then continuing, by not more than 20 days notice to the other party, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(2) If at any time an Illegality or a Force Majeure Event has occurred and is then continuing and any applicable Waiting Period has expired:—

(A) Subject to clause (B) below, either party may, by not more than 20 days notice to the other party, designate (I) a day not earlier than the day on which such notice becomes effective as an Early Termination Date in respect of all Affected Transactions or (II) by specifying in that notice the Affected Transactions in respect of which it is designating the relevant day as an Early Termination Date, a day not earlier than two Local Business Days following the day on which such notice becomes effective as an Early Termination Date in respect of less than all Affected Transactions. Upon receipt of a notice designating an Early Termination Date in respect of less than all Affected Transactions, the other party may, by notice to the designating party, if such notice is effective on or before the day so designated, designate that same day as an Early Termination Date in respect of any or all other Affected Transactions.

(B) An Affected Party (if the Illegality or Force Majeure Event relates to performance by such party or any Credit Support Provider of such party of an obligation to make any payment or delivery under, or to compliance with any other material provision of, the relevant Credit Support Document) will only have the right to designate an Early Termination Date under Section 6(b)(iv)(2)(A) as a result of an Illegality under Section 5(b)(i)(2) or a Force Majeure Event under Section 5(b)(ii)(2) following the prior designation by the other party of an Early Termination Date, pursuant to Section 6(b)(iv)(2)(A), in respect of less than all Affected Transactions.

(c) ***Effect of Designation***.

(i) If notice designating an Early Termination Date is given under Section 6(a) or 6(b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 9(h)(i) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date will be determined pursuant to Sections 6(e) and 9(h)(ii).

(d) ***Calculations; Payment Date***.

(i) ***Statement***. On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (l) showing, in reasonable detail, such calculations (including any quotations, market data or information from internal sources used in making such calculations), (2) specifying (except where there are two Affected Parties) any Early Termination Amount payable and (3) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation or market data obtained in determining a Close-out Amount, the records of the party obtaining such quotation or market data will be conclusive evidence of the existence and accuracy of such quotation or market data.

(ii) ***Payment Date***. An Early Termination Amount due in respect of any Early Termination Date will, together with any amount of interest payable pursuant to Section 9(h)(ii)(2), be payable (1) on the day on which notice of the amount payable is effective in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default and (2) on the day which is two Local Business Days after the day on which notice of the amount payable is effective (or, if there are two Affected Parties, after the day on which the statement provided pursuant to clause (i) above by the second party to provide such a statement is effective) in the case of an Early Termination Date which is designated as a result of a Termination Event.

(e) ***Payments on Early Termination***. If an Early Termination Date occurs, the amount, if any, payable in respect of that Early Termination Date (the "Early Termination Amount") will be determined pursuant to this Section 6(e) and will be subject to Section 6(f).

(i) ***Events of Default***. If the Early Termination Date results from an Event of Default, the Early Termination Amount will be an amount equal to (1) the sum of (A) the Termination Currency Equivalent of the Close-out Amount or Close-out Amounts (whether positive or negative) determined by the Non- defaulting Party for each Terminated Transaction or group of Terminated Transactions, as the case may be, and (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less

(2) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If the Early Termination Amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of Early Termination Amount to the Defaulting Party.

(ii) ***Termination Events***. If the Early Termination Date results from a Termination Event:—

(1) *One Affected Party*. Subject to clause (3) below, if there is one Affected Party, the Early Termination Amount will be determined in accordance with Section 6(e)(i), except that references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and to the Non-affected Party, respectively.

(2) *Two Affected Parties*. Subject to clause (3) below, if there are two Affected Parties, each party will determine an amount equal to the Termination Currency Equivalent of the sum of the Close-out Amount or Close-out Amounts (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions, as the case may be, and the Early Termination Amount will be an amount equal to (A) the sum of (I) one-half of the difference between the higher amount so determined (by party "X") and lower amount so determined (by party "Y") and (II) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to Y. If the Early Termination Amount is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of the Early Termination Amount to Y.

(3) *Mid-Market Events*. If that Termination Event is an Illegality or a Force Majeure Event, then the Early Termination Amount will be determined in accordance with clause (1) or (2) above, as appropriate, except that, for the purpose of determining a Close-out Amount or Close-out Amounts, the Determining Party will:—

(A) if obtaining quotations from one or more third parties (or from any of the Determining Party's Affiliates), ask each third party or Affiliate (I) not to take account of the current creditworthiness of the Determining Party or any existing Credit Support Document and (II) to provide mid-market quotations; and

(B) in any other case, use mid-market values without regard to the creditworthiness of the Determining Party.

(iii) ***Adjustment for Bankruptcy***. In circumstances where an Early Termination Date occurs because Automatic Early Termination applies in respect of a party, Early Termination Amount will be subject to such adjustments as are appropriate and permitted by applicable law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) ***Adjustment for Illegality or Force Majeure Event***. The failure by a party or any Credit Support Provider of such party to pay, when due, any Early Termination Amount will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) if such failure is due to the occurrence of an event or circumstance which would, if it occurred with respect to payment, delivery or compliance related to a Transaction, constitute or give rise to an Illegality or a Force Majeure Event. Such amount will (1) accrue interest and otherwise be treated as an Unpaid Amount owing to the other party if subsequently an Early Termination Date results from an Event of Default, a Credit Event Upon Merger or an Additional Termination Event in respect of which all outstanding Transactions are Affected Transactions and (2) otherwise accrue interest in accordance with Section 9(h)(ii)(2).

(v) ***Pre-Estimate***. The parties agree that an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks, and, except as otherwise provided in this Agreement, neither party will be entitled to recover any additional damages as a consequence of the termination of the Terminated Transactions.

(f) ***Set-Off***. Any Early Termination Amount payable to one party (the "Payee") by the other party (the "Payer"), in circumstances where there is a Defaulting Party or where there is one Affected Party in the case where either a Credit Event Upon Merger has occurred or any other Termination Event in respect of which all outstanding Transactions are Affected Transactions has occurred, will, at the option of the Non-defaulting Party or the Non-affected Party, as the case may be ("X") (and without prior notice to the Defaulting Party or the Affected Party, as the case may be), be reduced by its set-off against any other amounts ("Other Amounts") payable by the Payee to the Payer (whether or not arising under this Agreement, matured or contingent and irrespective of the currency, place of payment or place of booking of the obligation). To the extent that any Other Amounts are so set off, those Other Amounts will be discharged promptly and in all respects. X will give notice to the other party of any set-off effected under this Section 6(f).

For this purpose, either the Early Termination Amount or the Other Amounts (or the relevant portion of such amounts) may be converted by X into the currency in which the other is denominated at the rate of exchange at which such party would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency.

If an obligation is unascertained, X may in good faith estimate that obligation and set off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) will be effective to create a charge or other security interest. This Section 6(f) will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirement to which any party is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise).

7. Transfer

Subject to Section 6(b)(ii) and to the extent permitted by applicable law, neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any Early Termination Amount payable to it by a Defaulting Party, together with any amounts payable on or with respect to that interest and any other rights associated with that interest pursuant to Sections 8, 9(h) and 11.

Any purported transfer that is not in compliance with this Section 7 will be void.

8. Contractual Currency

(a) ***Payment in the Contractual Currency***. Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in good faith and using commercially reasonable procedures in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) ***Judgments***. To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in clause (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purpose of such judgment or order and the rate of exchange at which such party is able, acting in good faith and using commercially reasonable procedures in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party.

(c) ***Separate Indemnities***. To the extent permitted by applicable law, the indemnities in this Section 8 constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) ***Evidence of Loss***. For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

(a) ***Entire Agreement***. This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(b) ***Amendments***. An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system.

(c) ***Survival of Obligations***. Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(e) ***Counterparts and Confirmations***.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation will be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes, by an exchange of electronic messages on an electronic messaging system or by an exchange of e-mails, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex, electronic message or e-mail constitutes a Confirmation.

(f) ***No Waiver of Rights***. A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege

(g) ***Headings***. The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

(h) ***Interest and Compensation***.

(i) ***Prior to Early Termination***. Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction:—

(1) *Interest on Defaulted Payments*. If a party defaults in the performance of any payment obligation, it will, to the extent permitted by applicable law and subject to Section 6(c), pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (3)(B) or (C) below), at the Default Rate.

(2) *Compensation for Defaulted Deliveries*. If a party defaults in the performance of any obligation required to be settled by delivery, it will on demand (A) compensate the other party to the extent provided for in the relevant Confirmation or elsewhere in this Agreement and (B) unless otherwise provided in the relevant Confirmation or elsewhere in this Agreement, to the extent permitted by applicable law and subject to Section 6(c), pay to the other party interest (before as well as after judgment) on an amount equal to the fair market value of that which was required to be delivered in the same currency as that amount, for the period from (and including) the originally scheduled date for delivery to (but excluding) the date of actual delivery (and excluding any period in respect of which interest or compensation in respect of that amount is due pursuant to clause (4) below), at the Default Rate. The fair market value of any obligation referred to above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures, by the party that was entitled to take delivery.

(3) *Interest on Deferred Payments*. If:—

(A) a party does not pay any amount that, but for Section 2(a)(iii), would have been payable, it will, to the extent permitted by applicable law and subject to Section 6(c) and clauses (B) and (C) below, pay interest (before as well as after judgment) on that amount to the other party on demand (after such amount becomes payable) in the same currency as that amount, for the period from (and including) the date the amount would, but for Section 2(a)(iii), have been payable to (but excluding) the date the amount actually becomes payable, at the Applicable Deferral Rate;

(B) a payment is deferred pursuant to Section 5(d), the party which would otherwise have been required to make that payment will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the amount of the deferred payment to the other party on demand (after such amount becomes payable) in the same currency as the deferred payment, for the period from (and including) the date the amount would, but for Section 5(d), have been payable to (but excluding) the earlier of the date the payment is no longer deferred pursuant to Section 5(d) and the date during the deferral period upon which an Event of Default or Potential Event of Default with respect to that party occurs, at the Applicable Deferral Rate; or

(C) a party fails to make any payment due to the occurrence of an Illegality or a Force Majeure Event (after giving effect to any deferral period contemplated by clause (B) above), it will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as the event or circumstance giving rise to that Illegality or Force Majeure Event

continues and no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the date the party fails to make the payment due to the occurrence of the relevant Illegality or Force Majeure Event (or, if later, the date the payment is no longer deferred pursuant to Section 5(d)) to (but excluding) the earlier of the date the event or circumstance giving rise to that Illegality or Force Majeure Event ceases to exist and the date during the period upon which an Event of Default or Potential Event of Default with respect to that party occurs (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (B) above), at the Applicable Deferral Rate.

(4) *Compensation for Deferred Deliveries*. If:—

(A) a party does not perform any obligation that, but for Section 2(a)(iii), would have been required to be settled by delivery;

(B) a delivery is deferred pursuant to Section 5(d); or

(C) a party fails to make a delivery due to the occurrence of an Illegality or a Force Majeure Event at a time when any applicable Waiting Period has expired,

the party required (or that would otherwise have been required) to make the delivery will, to the extent permitted by applicable law and subject to Section 6(c), compensate and pay interest to the other party on demand (after, in the case of clauses (A) and (B) above, such delivery is required) if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

(ii) ***Early Termination***. Upon the occurrence or effective designation of an Early Termination Date in respect of a Transaction:—

(1) *Unpaid Amounts*. For the purpose of determining an Unpaid Amount in respect of the relevant Transaction, and to the extent permitted by applicable law, interest will accrue on the amount of any payment obligation or the amount equal to the fair market value of any obligation required to be settled by delivery included in such determination in the same currency as that amount, for the period from (and including) the date the relevant obligation was (or would have been but for Section 2(a)(iii) or 5(d)) required to have been performed to (but excluding) the relevant Early Termination Date, at the Applicable Close-out Rate.

(2) *Interest on Early Termination Amounts*. If an Early Termination Amount is due in respect of such Early Termination Date, that amount will, to the extent permitted by applicable law, be paid together with interest (before as well as after judgment) on that amount in the Termination Currency, for the period from (and including) such Early Termination Date to (but excluding) the date the amount is paid, at the Applicable Close-out Rate.

(iii) ***Interest Calculation***. Any interest pursuant to this Section 9(h) will be calculated on the basis of daily compounding and the actual number of days elapsed.

10. Offices; Multibranch Parties

(a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to and agrees with the other party that, notwithstanding the place of booking or its jurisdiction of incorporation or organization, its obligations are the same in terms of recourse against it as if it had entered into the Transaction through its head or home office, except that a party will not have recourse to the head or home office of the other party in respect of any payment or delivery deferred pursuant to Section 5(d) for so long as the payment or delivery is so deferred. This representation and agreement will be deemed to be repeated by each party on each date on which the parties enter into a Transaction.

(b) If a party is specified as a Multibranch Party in the Schedule, such party may, subject to clause (c) below, enter into a Transaction through, book a Transaction in and make and receive payments and deliveries with respect to a Transaction through any Office listed in respect of that party in the Schedule(but not any other Office unless otherwise agreed by the parties in writing).

(c) The Office through which a party enters into a Transaction will be the Office specified for that party in the relevant Confirmation or as otherwise agreed by the parties in writing, and, if an Office for that party is not specified in the Confirmation or otherwise agreed by the parties in writing, its head or home office. Unless the parties otherwise agree in writing, the Office through which a party enters into a Transaction will also be the Office in which it books the Transaction and the Office through which it makes and receives payments and deliveries with respect to the Transaction. Subject to Section 6(b)(ii), neither party may change the Office in which it books the Transaction or the Office through which it makes and receives payments or deliveries with respect to a Transaction without the prior written consent of the other party.

11. Expenses

A Defaulting Party will on demand indemnify and hold harmless the other party for and against all reasonable out-of- pocket expenses, including legal fees, execution fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) ***Effectiveness***. Any notice or other communication in respect of this Agreement may be given in any manner described below (except that a notice or other communication under Section 5 or 6 may not be given by electronic messaging system or e-mail) to the address or number or in accordance with the electronic messaging system or e- mail details provided (see the Schedule) and will be deemed effective as indicated:—

The parties irrevocably consent to service of process given in the manner provided for notices in Section 12(a)(i), 12(a)(iii) or 12(a)(iv). Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by applicable law.

Each party irrevocably waives, to the extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction or order for specific performance or recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

Any Close-out Amount will be determined by the Determining Party (or its agent), which will act in good faith and use commercially reasonable procedures in order to produce a commercially reasonable result. The Determining Party may determine a Close-out Amount for any group of Terminated Transactions or any individual Terminated Transaction but, in the aggregate, for not less than all Terminated Transactions. Each Close-out Amount will be determined as of the Early Termination Date or, if that would not be commercially reasonable, as of the date or dates following the Early Termination Date as would be commercially reasonable.

Unpaid Amounts in respect of a Terminated Transaction or group of Terminated Transactions and legal fees and out- of-pocket expenses referred to in Section 11 are to be excluded in all determinations of Close-out Amounts.

The Determining Party will consider, taking into account the standards and procedures described in this definition, quotations pursuant to clause (i) above or relevant market data pursuant to clause (ii) above unless the Determining Party reasonably believes in good faith that such quotations or relevant market data are not readily available or would produce a result that would not satisfy those standards. When considering information described in clause (i), (ii) or (iii) above, the Determining Party may include costs of funding, to the extent costs of funding are not and would not be a component of the other information being utilized. Third parties supplying quotations pursuant to clause (i) above or market data pursuant to clause (ii) above may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors, brokers and other sources of market information.

Without duplication of amounts calculated based on information described in clause (i), (ii) or (iii) above, or other relevant information, and when it is commercially reasonable to do so, the Determining Party may in addition consider in calculating a Close-out Amount any loss or cost incurred in connection with its terminating, liquidating or re- establishing any hedge related to a Terminated Transaction or group of Terminated Transactions (or any gain resulting from any of them).

Commercially reasonable procedures used in determining a Close-out Amount may include the following:—

(1) application to relevant market data from third parties pursuant to clause (ii) above or information from internal sources pursuant to clause (iii) above of pricing or other valuation models that are, at the time of the determination of the Close-out Amount, used by the Determining Party in the regular course of its business in pricing or valuing transactions between the Determining Party and unrelated third parties that are similar to the Terminated Transaction or group of Terminated Transactions; and

2002 MASTER AGREEMENT

dated as of April 12, 2018

MORGAN STANLEY CAPITAL SERVICES LLC and **MN AIRLINES, LLC**

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this 2002 Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties or otherwise effective for the purpose of confirming or evidencing those Transactions. This 2002 Master Agreement and the Schedule are together referred to as this "Master Agreement".

Accordingly, the parties agree as follows:—

1. Interpretation

(a) ***Definitions***. The terms defined in Section 14 and elsewhere in this Master Agreement will have the meanings therein specified for the purpose of this Master Agreement.

(b) ***Inconsistency***. In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement, such Confirmation will prevail for the purpose of the relevant Transaction.

(c) ***Single Agreement***. All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) ***General Conditions***.

(i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.

(ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other condition specified in this Agreement to be a condition precedent for the purpose of this Section 2(a)(iii).

(b) ***Change of Account***. Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the Scheduled Settlement Date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) ***Netting of Payments***. If on any date amounts would otherwise be payable:—

(i) in the same currency; and

(ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by which the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount and payment obligation will be determined in respect of all amounts payable on the same date in the same currency in respect of those Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or any Confirmation by specifying that "Multiple Transaction Payment Netting" applies to the Transactions identified as being subject to the election (in which case clause (ii) above will not apply to such Transactions). If Multiple Transaction Payment Netting is applicable to Transactions, it will apply to those Transactions with effect from the starting date specified in the Schedule or such Confirmation, or, if a starting date is not specified in the Schedule or such Confirmation, the starting date otherwise agreed by the parties in writing. This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) ***Deduction or Withholding/or Tax***.

(i) ***Gross-Up***. All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will—

(1) promptly notify the other party ("Y") of such requirement;

(2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;

(3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and

(4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) ***Liability***. It:—

(1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);

(2) X does not so deduct or withhold; and

(3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

3. Representations

Each party makes the representations contained in Sections 3(a), 3(b), 3(c), 3(d), 3(e) and 3(f) and, if specified in the Schedule as applying, 3(g) to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement). If any "Additional Representation" is specified in the Schedule or any Confirmation as applying, the party or parties specified for such Additional Representation will make and, if applicable, be deemed to repeat such Additional Representation at the time or times specified for such Additional Representation.

(a) ***Basic Representations***.

(ii) ***Powers***. It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

(iii) ***No Violation or Conflict***. Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) ***Consents***. All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) ***Obligations Binding***. Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) ***Absence of Certain Events***. No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) ***Absence of Litigation***. There is not pending or, to its knowledge, threatened against it, any of its Credit Support Providers or any of its applicable Specified Entities any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) ***Accuracy of Specified Information***. All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) ***Payer Tax Representation***. Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(g) ***No Agency***. It is entering into this Agreement, including each Transaction, as principal and not as agent of any person or entity.

(a) ***Furnish Specified Information***. It will deliver to the other party or, in certain cases under clause (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) ***Maintain Authorisations.*** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) ***Comply With Laws.*** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) ***Tax Agreement.*** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) ***Payment of Stamp Tax.*** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated, organised, managed and controlled or considered to have its seat, or where an Office through which it is acting for the purpose of this Agreement is located ("Stamp Tax Jurisdiction"), and will indemnity the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party's execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) ***Events of Default.*** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes (subject to Sections 5(c) and 6(e)(iv)) an event of default (an "Event of Default") with respect to such party:—

(i) ***Failure to Pay or Deliver.*** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) required to be made by it if such failure is not remedied on or before the first Local Business Day in the case of any such payment or the first Local Delivery Day in the case of any such delivery after, in each case, notice of such failure is given to the party;

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(1) defaults (other than by failing to make a delivery) under a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction;

(2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment due on the last payment or exchange date of, or any payment on early termination of, a Specified Transaction (or, if there is no applicable notice requirement or grace period, such default continues for at least one Local Business Day);

(2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments under such agreements or instruments on the due date for payment (after giving effect to any applicable notice requirement or grace period) in an aggregate amount, either alone or together with the amount, if any, referred to in clause (1) above, of not less than the applicable Threshold Amount;

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) ***Termination Events***. The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes (subject to Section 5(c)) an Illegality if the event is specified in clause (i) below, a Force Majeure Event if the event is specified in clause (ii) below, a Tax Event if the event is specified in clause (iii) below, a Tax Event Upon Merger if the event is specified in clause (iv) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to clause (v) below or an Additional Termination Event if the event is specified pursuant to clause (vi) below:—

(i) ***Illegality***. After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, due to an event or circumstance (other than any action taken by a party or, if applicable, any Credit Support Provider of such party) occurring after a Transaction is entered into, it becomes unlawful under any applicable law (including without limitation the laws of any country in which payment, delivery or compliance is required by either party or any Credit Support Provider, as the case may be), on any day, or it would be unlawful if the relevant payment, delivery or compliance were required on that day (in each case, other than as a result of a breach by the party of Section 4(b)):—

(1) for the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction to perform any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) for such party or any Credit Support Provider of such party (which will be the Affected Party) to perform any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, to receive a payment or delivery under such Credit Support Document or to comply with any other material provision of such Credit Support Document;

(ii) ***Force Majeure Event***. After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, by reason of force majeure or act of state occurring after a Transaction is entered into, on any day:—

(1) the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction is prevented from performing any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, from receiving a payment or delivery in respect of such Transaction or from complying with any other material provision of this Agreement relating to such Transaction (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or

impracticable for such Office so to perform, receive or comply (or it would be impossible or impracticable for such Office so to perform, receive or comply if such payment, delivery or compliance were required on that day); or

(2) such party or any Credit Support Provider of such party (which will be the Affected Party) is prevented from performing any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, from receiving a payment or delivery under such Credit Support Document or from complying with any other material provision of such Credit Support Document (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply (or it would be impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply if such payment, delivery or compliance were required on that day),

so long as the force majeure or act of state is beyond the control of such Office, such party or such Credit Support Provider, as appropriate, and such Office, party or Credit Support Provider could not, after using all reasonable efforts (which will not require such party or Credit Support Provider to incur a loss, other than immaterial, incidental expenses), overcome such prevention, impossibility or impracticability;

(iii) ***Tax Event***. Due to (1) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (2) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Settlement Date (A) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (B) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 9(h)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iv) ***Tax Event Upon Merger***. The party (the "Burdened Party") on the next succeeding Scheduled Settlement Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets (or any substantial part of the assets comprising the business conducted by it as of the date of this Master Agreement) to, or reorganizing, reincorporating or reconstituting into or as, another entity (which will be the Affected Party) where such action does not constitute a Merger Without Assumption;

(v) ***Credit Event Upon Merger***. If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, a Designated Event (as defined below) occurs with respect to such party, any Credit Support Provider of such party or any applicable Specified Entity of such party (in each case, "X") and such Designated Event does not constitute a Merger Without Assumption, and the creditworthiness of X or, if applicable, the successor, surviving or transferee entity of X, after taking into account any applicable Credit Support Document, is materially weaker immediately after the occurrence of such Designated Event than that of X immediately prior to the occurrence of such Designated Event (and, in any such event, such party or its successor, surviving or transferee entity, as appropriate, will be the Affected Party). A "Designated Event" with respect to X means that:—

(1) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the date of this Master Agreement) to, or reorganizes, reincorporates or reconstitutes into or as, another entity;

(2) any person, related group of persons or entity acquires directly or indirectly the beneficial ownership of (A) equity securities having the power to elect a majority of the board of directors (or its equivalent) of X or (B) any other ownership interest enabling it to exercise control of X; or

(3) X effects any substantial change in its capital structure by means of the issuance, incurrence or guarantee of debt or the issuance of (A) preferred stock or other securities convertible into or exchangeable for debt or preferred stock or (B) in the case of entities other than corporations, any other form of ownership interest; or

(vi) ***Additional Termination Event.*** If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties will be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) ***Hierarchy of Events.***

(i) An event or circumstance that constitutes or gives rise to an Illegality or a Force Majeure Event will not, for so long as that is the case, also constitute or give rise to an Event of Default under Section 5(a)(i), 5(a)(ii)(l) or 5(a)(iii)(l) insofar as such event or circumstance relates to the failure to make any payment or delivery or a failure to comply with any other material provision of this Agreement or a Credit Support Document, as the case may be.

(ii) Except in circumstances contemplated by clause (i) above, if an event or circumstance which would otherwise constitute or give rise to an Illegality or a Force Majeure Event also constitutes an Event of Default or any other Termination Event, it will be treated as an Event of Default or such other Termination Event, as the case may be, and will not constitute or give rise to an Illegality or a Force Majeure Event.

(iii) If an event or circumstance which would otherwise constitute or give rise to a Force Majeure Event also constitutes an Illegality, it will be treated as an Illegality, except as described in clause (ii) above, and not a Force Majeure Event.

(d) ***Deferral of Payments and Deliveries During Waiting Period.*** If an Illegality or a Force Majeure Event has occurred and is continuing with respect to a Transaction, each payment or delivery which would otherwise be required to be made under that Transaction will be deferred to, and will not be due until:—

(i) the first Local Business Day or, in the case of a delivery, the first Local Delivery Day (or the first day that would have been a Local Business Day or Local Delivery Day, as appropriate, but for the occurrence of the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event) following the end of any applicable Waiting Period in respect of that Illegality or Force Majeure Event, as the case may be; or

(ii) if earlier, the date on which the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event ceases to exist or, if such date is not a Local Business Day or, in the case of a delivery, a Local Delivery Day, the first following day that is a Local Business Day or Local Delivery Day, as appropriate.

(e) ***Inability of Head or Home Office to Perform Obligations of Branch.*** If (i) an Illegality or a Force Majeure Event occurs under Section 5(b)(i)(l) or 5(b)(ii)(I) and the relevant Office is not the Affected Party's head or home office, (ii) Section 10(a) applies, (iii) the other party seeks performance of the relevant obligation or

compliance with the relevant provision by the Affected Party's head or home office and (iv) the Affected Party's head or home office fails so to perform or comply due to the occurrence of an event or circumstance which would, if that head or home office were the Office through which the Affected Party makes and receives payments and deliveries with respect to the relevant Transaction, constitute or give rise to an Illegality or a Force Majeure Event, and such failure would otherwise constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(l) with respect to such party, then, for so long as the relevant event or circumstance continues to exist with respect to both the Office referred to in Section 5(b)(i)(1) or 5(b)(iii)(1), as the case may be, and the Affected Party' s head or home office, such failure will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(l).

6. Early Termination; Close-Out Netting

(a) ***Right to Terminate Following Event of Default***. If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(l), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) ***Right to Terminate Following Termination Event.***

(i) ***Notice***. If a Termination Event other than a Force Majeure Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction, and will also give the other party such other information about that Termination Event as the other party may reasonably require. If a Force Majeure Event occurs, each party will, promptly upon becoming aware of it, use all reasonable efforts to notify the other party, specifying the nature of that Force Majeure Event, and will also give the other party such other information about that Force Majeure Event as the other party may reasonably require.

(ii) ***Transfer to Avoid Termination Event***. If a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, other than immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) ***Two Affected Parties***. If a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice of such occurrence is given under Section 6(b)(i) to avoid that Termination Event.

(iv) ***Right to Terminate***.

(1) If:—

(A) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(B) a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there are two Affected Parties, or the Non-affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, if the relevant Termination Event is then continuing, by not more than 20 days notice to the other party, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(2) If at any time an Illegality or a Force Majeure Event has occurred and is then continuing and any applicable Waiting Period has expired:—

(A) Subject to clause (B) below, either party may, by not more than 20 days notice to the other party, designate (I) a day not earlier than the day on which such notice becomes effective as an Early Termination Date in respect of all Affected Transactions or (II) by specifying in that notice the Affected Transactions in respect of which it is designating the relevant day as an Early Termination Date, a day not earlier than two Local Business Days following the day on which such notice becomes effective as an Early Termination Date in respect of less than all Affected Transactions. Upon receipt of a notice designating an Early Termination Date in respect of less than all Affected Transactions, the other party may, by notice to the designating party, if such notice is effective on or before the day so designated, designate that same day as an Early Termination Date in respect of any or all other Affected Transactions.

(B) An Affected Party (if the Illegality or Force Majeure Event relates to performance by such party or any Credit Support Provider of such party of an obligation to make any payment or delivery under, or to compliance with any other material provision of, the relevant Credit Support Document) will only have the right to designate an Early Termination Date under Section 6(b)(iv)(2)(A) as a result of an Illegality under Section 5(b)(i)(2) or a Force Majeure Event under Section 5(b)(ii)(2) following the prior designation by the other party of an Early Termination Date, pursuant to Section 6(b)(iv)(2)(A), in respect of less than all Affected Transactions.

(c) ***Effect of Designation***.

(i) If notice designating an Early Termination Date is given under Section 6(a) or 6(b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 9(h)(i) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date will be determined pursuant to Sections 6(e) and 9(h)(ii).

(d) ***Calculations; Payment Date***.

(i) ***Statement***. On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including any quotations, market data or information from internal sources used in making such calculations), (2) specifying (except where there are two Affected Parties) any Early Termination Amount payable and (3) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation or market data obtained in determining a Close-out Amount, the records of the party obtaining such quotation or market data will be conclusive evidence of the existence and accuracy of such quotation or market data.

(ii) ***Payment Date***. An Early Termination Amount due in respect of any Early Termination Date will, together with any amount of interest payable pursuant to Section 9(h)(ii)(2), be payable (1) on the day on which notice of the amount payable is effective in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default and (2) on the day which is two Local Business Days after the day on which notice of the amount payable is effective (or, if there are two Affected Parties, after the day on which the statement provided pursuant to clause (i) above by the second party to provide such a statement is effective) in the case of an Early Termination Date which is designated as a result of a Termination Event.

(e) ***Payments on Early Termination***. If an Early Termination Date occurs, the amount, if any, payable in respect of that Early Termination Date (the "Early Termination Amount") will be determined pursuant to this Section 6(e) and will be subject to Section 6(f).

(i) ***Events of Default***. If the Early Termination Date results from an Event of Default, the Early Termination Amount will be an amount equal to (1) the sum of (A) the Termination Currency Equivalent of the Close-out Amount or Close-out Amounts (whether positive or negative) determined by the Non-defaulting Party for each Terminated Transaction or group of Terminated Transactions, as the case may be, and (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (2) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If the Early Termination Amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of Early Termination Amount to the Defaulting Party.

(ii) ***Termination Events***. If the Early Termination Date results from a Termination Event:—

(1) *One Affected Party*. Subject to clause (3) below, if there is one Affected Party, the Early Termination Amount will be determined in accordance with Section 6(e)(i), except that references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and to the Non-affected Party, respectively.

(2) *Two Affected Parties.* Subject to clause (3) below, if there are two Affected Parties, each party will determine an amount equal to the Termination Currency Equivalent of the sum of the Close-out Amount or Close-out Amounts (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions, as the case may be, and the Early Termination Amount will be an amount equal to (A) the sum of (I) one-half of the difference between the higher amount so determined (by party "X") and lower amount so determined (by party "Y") and (II) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to Y. If the Early Termination Amount is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of the Early Termination Amount to Y.

(3) *Mid-Market Events.* If that Termination Event is an Illegality or a Force Majeure Event, then the Early Termination Amount will be determined in accordance with clause (1) or (2) above, as appropriate, except that, for the purpose of determining a Close-out Amount or Close-out Amounts, the Determining Party will:—

(A) if obtaining quotations from one or more third parties (or from any of the Determining Party's Affiliates), ask each third party or Affiliate (I) not to take account of the current creditworthiness of the Determining Party or any existing Credit Support Document and (II) to provide mid-market quotations; and

(B) in any other case, use mid-market values without regard to the creditworthiness of the Determining Party.

(iii) ***Adjustment for Bankruptcy***. In circumstances where an Early Termination Date occurs because Automatic Early Termination applies in respect of a party, Early Termination Amount will be subject to such adjustments as are appropriate and permitted by applicable law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) ***Adjustment for Illegality or Force Majeure Event***. The failure by a party or any Credit Support Provider of such party to pay, when due, any Early Termination Amount will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(l) if such failure is due to the occurrence of an event or circumstance which would, if it occurred with respect to payment, delivery or compliance related to a Transaction, constitute or give rise to an Illegality or a Force Majeure Event. Such amount will (1) accrue interest and otherwise be treated as an Unpaid Amount owing to the other party if subsequently an Early Termination Date results from an Event of Default, a Credit Event Upon Merger or an Additional Termination Event in respect of which all outstanding Transactions are Affected Transactions and (2) otherwise accrue interest in accordance with Section 9(h)(ii)(2).

(v) ***Pre-Estimate***. The parties agree that an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks, and, except as otherwise provided in this Agreement, neither party will be entitled to recover any additional damages as a consequence of the termination of the Terminated Transactions.

(f) ***Set-Off*** Any Early Termination Amount payable to one party (the "Payee") by the other party (the "Payer"), in circumstances where there is a Defaulting Party or where there is one Affected Party in the case where either a Credit Event Upon Merger has occurred or any other Termination Event in respect of which all outstanding Transactions are Affected Transactions has occurred, will, at the option of the Non-defaulting Party or the Non-affected Party, as the case may be ("X") (and without prior notice to the Defaulting Party or the Affected Party, as the case may be), be reduced by its set-off against any other amounts ("Other Amounts") payable by the Payee to the Payer (whether or not arising under this Agreement, matured or contingent and irrespective of the currency, place of payment or place of booking of the obligation). To the extent that any Other Amounts are so set off, those Other Amounts will be discharged promptly and in all respects. X will give notice to the other party of any set-off effected under this Section 6(f).

For this purpose, either the Early Termination Amount or the Other Amounts (or the relevant portion of such amounts) may be converted by X into the currency in which the other is denominated at the rate of exchange at which such party would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency.

If an obligation is unascertained, X may in good faith estimate that obligation and set off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) will be effective to create a charge or other security interest. This Section 6(f) will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirement to which any party is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise).

7. Transfer

Subject to Section 6(b)(ii) and to the extent permitted by applicable law, neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any Early Termination Amount payable to it by a Defaulting Party, together with any amounts payable on or with respect to that interest and any other rights associated with that interest pursuant to Sections 8, 9(h) and 11.

Any purported transfer that is not in compliance with this Section7 will be void.

8. Contractual Currency

(a) ***Payment in the Contractual Currency.*** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in good faith and using commercially reasonable procedures in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) ***Judgments.*** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in clause (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purpose of such judgment or order and the rate of exchange at which such party is able, acting in good faith and using commercially reasonable procedures in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party.

(c) ***Separate Indemnities***. To the extent permitted by applicable law, the indemnities in this Section 8 constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) ***Evidence of Loss***. For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

(a) ***Entire Agreement***. This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(b) ***Amendments***. An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system.

(c) ***Survival of Obligations***. Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) ***Remedies Cumulative***. Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) ***Counterparts and Confirmations***.

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission and by electronic messaging system), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation will be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes, by an exchange of electronic messages on an electronic messaging system or by an exchange of e-mails, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex, electronic message or e-mail constitutes a Confirmation.

(f) ***No Waiver of Rights***. A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege

(g) ***Headings***. The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

(h) ***Interest and Compensation***.

(i) ***Prior to Early Termination***. Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction:—

(1) *Interest on Defaulted Payments.* If a party defaults in the performance of any payment obligation, it will, to the extent permitted by applicable law and subject to Section 6(c), pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (3)(B) or (C) below), at the Default Rate.

(2) *Compensation for Defaulted Deliveries.* If a party defaults in the performance of any obligation required to be settled by delivery, it will on demand (A) compensate the other party to the extent provided for in the relevant Confirmation or elsewhere in this Agreement and (B) unless otherwise provided in the relevant Confirmation or elsewhere in this Agreement, to the extent permitted by applicable law and subject to Section 6(c), pay to the other party interest (before as well as after judgment) on an amount equal to the fair market value of that which was required to be delivered in the same currency as that amount, for the period from (and including) the originally scheduled date for delivery to (but excluding) the date of actual delivery (and excluding any period in respect of which interest or compensation in respect of that amount is due pursuant to clause (4) below), at the Default Rate. The fair market value of any obligation referred to above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures, by the party that was entitled to take delivery.

(3) *Interest on Deferred Payments.* If:—

(A) a party does not pay any amount that, but for Section 2(a)(iii), would have been payable, it will, to the extent permitted by applicable law and subject to Section 6(c) and clauses (B) and (C) below, pay interest (before as well as after judgment) on that amount to the other party on demand (after such amount becomes payable) in the same currency as that amount, for the period from (and including) the date the amount would, but for Section 2(a)(iii), have been payable to (but excluding) the date the amount actually becomes payable, at the Applicable Deferral Rate;

(B) a payment is deferred pursuant to Section 5(d), the party which would otherwise have been required to make that payment will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the amount of the deferred payment to the other party on demand (after such amount becomes payable) in the same currency as the deferred payment, for the period from (and including) the date the amount would, but for Section 5(d), have been payable to (but excluding) the earlier of the date the payment is no longer deferred pursuant to Section 5(d) and the date during the deferral period upon which an Event of Default or Potential Event of Default with respect to that party occurs, at the Applicable Deferral Rate; or

(C) a party fails to make any payment due to the occurrence of an Illegality or a Force Majeure Event (after giving effect to any deferral period contemplated by clause (B) above), it will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as the event or circumstance giving rise to that Illegality or Force Majeure Event

continues and no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the date the party fails to make the payment due to the occurrence of the relevant Illegality or Force Majeure Event (or, if later, the date the payment is no longer deferred pursuant to Section 5(d)) to (but excluding) the earlier of the date the event or circumstance giving rise to that Illegality or Force Majeure Event ceases to exist and the date during the period upon which an Event of Default or Potential Event of Default with respect to that party occurs (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (B) above), at the Applicable Deferral Rate.

(4) *Compensation for Deferred Deliveries.* If:—

(A) a party does not perform any obligation that, but for Section 2(a)(iii), would have been required to be settled by delivery;

(B) a delivery is deferred pursuant to Section 5(d); or

(C) a party fails to make a delivery due to the occurrence of an Illegality or a Force Majeure Event at a time when any applicable Waiting Period has expired,

the party required (or that would otherwise have been required) to make the delivery will, to the extent permitted by applicable law and subject to Section 6(c), compensate and pay interest to the other party on demand (after, in the case of clauses (A) and (B) above, such delivery is required) if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

(ii) ***Early Termination***. Upon the occurrence or effective designation of an Early Termination Date in respect of a Transaction:—

(1) *Unpaid Amounts.* For the purpose of determining an Unpaid Amount in respect of the relevant Transaction, and to the extent permitted by applicable law, interest will accrue on the amount of any payment obligation or the amount equal to the fair market value of any obligation required to be settled by delivery included in such determination in the same currency as that amount, for the period from (and including) the date the relevant obligation was (or would have been but for Section 2(a)(iii) or 5(d)) required to have been performed to (but excluding) the relevant Early Termination Date, at the Applicable Close-out Rate.

(2) *Interest on Early Termination Amounts.* If an Early Termination Amount is due in respect of such Early Termination Date, that amount will, to the extent permitted by applicable law, be paid together with interest (before as well as after judgment) on that amount in the Termination Currency, for the period from (and including) such Early Termination Date to (but excluding) the date the amount is paid, at the Applicable Close-out Rate.

"***Close-out Amount***" means, with respect to each Terminated Transaction or each group of Terminated Transactions and a Determining Party, the amount of the losses or costs of the Determining Party that are or would be incurred under then prevailing circumstances (expressed as a positive number) or gains of the Determining Party that are or would be realized under then prevailing circumstances (expressed as a negative number) in replacing, or in providing for the Determining Party the economic equivalent of, (a) the material terms of that Terminated Transaction or group of Terminated Transactions, including the payments and deliveries by the parties under Section 2(a)(i) in respect of that Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date (assuming satisfaction of the conditions precedent in Section 2(a)(iii)) and (b) the option rights of the parties in respect of that Terminated Transaction or group of Terminated Transactions.

Any Close-out Amount will be determined by the Determining Party (or its agent), which will act in good faith and use commercially reasonable procedures in order to produce a commercially reasonable result. The Determining Party may determine a Close-out Amount for any group of Terminated Transactions or any individual Terminated Transaction but, in the aggregate, for not less than all Terminated Transactions. Each Close-out Amount will be determined as of the Early Termination Date or, if that would not be commercially reasonable, as of the date or dates following the Early Termination Date as would be commercially reasonable.

Unpaid Amounts in respect of a Terminated Transaction or group of Terminated Transactions and legal fees and out-of-pocket expenses referred to in Section 11 are to be excluded in all determinations of Close-out Amounts.

In determining a Close-out Amount, the Determining Party may consider any relevant information, including, without limitation, one or more of the following types of information:—

(i) quotations (either firm or indicative) for replacement transactions supplied by one or more third parties that may take into account the creditworthiness of the Determining Party at the time the quotation is provided and the terms of any relevant documentation, including credit support documentation, between the Determining Party and the third party providing the quotation;

The Determining Party will consider, taking into account the standards and procedures described in this definition, quotations pursuant to clause (i) above or relevant market data pursuant to clause (ii) above unless the Determining Party reasonably believes in good faith that such quotations or relevant market data are not readily available or would produce a result that would not satisfy those standards. When considering information described in clause (i), (ii) or (iii) above, the Determining Party may include costs of funding, to the extent costs of funding are not and would not be a component of the other information being utilized. Third parties supplying quotations pursuant to clause (i) above or market data pursuant to clause (ii) above may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors, brokers and other sources of market information.

Without duplication of amounts calculated based on information described in clause (i), (ii) or (iii) above, or other relevant information, and when it is commercially reasonable to do so, the Determining Party may in addition consider in calculating a Close-out Amount any loss or cost incurred in connection with its terminating, liquidating or re-establishing any hedge related to a Terminated Transaction or group of Terminated Transactions (or any gain resulting from any of them).

Commercially reasonable procedures used in determining a Close-out Amount may include the following:—

(1) application to relevant market data from third parties pursuant to clause (ii) above or information from internal sources pursuant to clause (iii) above of pricing or other valuation models that are, at the time of the determination of the Close-out Amount, used by the Determining Party in the regular course of its business in pricing or valuing transactions between the Determining Party and unrelated third parties that are similar to the Terminated Transaction or group of Terminated Transactions; and

Section 5.3 Amendment; Waiver. This Agreement may be amended, modified or supplemented, and any provision hereof may be waived, from time to time by an instrument in writing signed by the Company and the Apollo Stockholder; provided, however, that any such amendment, modification, supplement or waiver shall require the consent of the Amazon Holder if such amendment, modification, supplement or waiver would disproportionately and adversely affect the Amazon Holder in a material respect. Upon obtaining any such consent, if applicable, and without any further action or execution by the Amazon Holder, if applicable, (x) any amendment, modification, supplement or waiver of this Agreement may be implemented and reflected in writing executed solely by the Company and the Apollo Stockholder and (y) each other party to this Agreement shall be deemed a party to and bound by such amendment, modification, supplement or waiver. Neither the failure nor delay on the part of any party hereto to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

Section 5.4 Further Assurances. The parties hereto will sign such further documents, cause such meetings to be held, resolutions passed, exercise their votes and do and perform and cause to be done such further acts and things necessary, proper or advisable in order to give full effect to this Agreement and every provision hereof. To the fullest extent permitted by law, the Company shall not directly or indirectly take any action that is intended to, or would reasonably be expected to result in, any Apollo Entity being deprived of the rights contemplated by this Agreement.

Section 5.5 Assignment. This Agreement will inure to the benefit of and be binding on the parties hereto and their respective successors and permitted assigns. This Agreement may not be assigned without the express prior written consent of the other parties hereto, and any attempted assignment, without such consents, will be null and void; provided, however, that each Apollo Entity shall be entitled to assign, in whole or in part, to any of its Permitted Assigns without such

prior written consent any of its rights hereunder; provided, further, the Amazon Holder shall be entitled to assign, in whole, but not in part, to any of its Affiliates without such prior written consent any of its rights hereunder, so long as such prospective transferee shall thereafter meet the Amazon Conditions.

Section 5.6 Third Parties. Except as provided for in Section 3.2 with respect to any Apollo Entity, this Agreement does not create any rights, claims or benefits inuring to any person that is not a party hereto nor create or establish any third party beneficiary hereto.

Section 5.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof.

Section 5.8 Jurisdiction; Waiver of Jury Trial. In any judicial proceeding involving any dispute, controversy or claim arising out of or relating to this Agreement, each of the parties unconditionally accepts the jurisdiction and venue of the Court of Chancery of the State of Delaware or, if the Court of Chancery does not have subject matter jurisdiction over this matter, the Superior Court of the State of Delaware (Complex Commercial Division), or if jurisdiction over the matter is vested exclusively in federal courts, the United States District Court for the District of Delaware, and the appellate courts to which orders and judgments thereof may be appealed. In any such judicial proceeding, the parties agree that in addition to any method for the service of process permitted or required by such courts, to the fullest extent permitted by law, service of process may be made by delivery provided pursuant to the directions in Section 5.2. EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING ANY DISPUTE, CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

Section 5.9 Specific Performance. Each party hereto acknowledges and agrees that in the event of any breach of this Agreement by any of them, the other parties hereto would be irreparably harmed and could not be made whole by monetary damages. Each party accordingly agrees to waive the defense in any action for specific performance that a remedy at law would be adequate and that the parties, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to specific performance of this Agreement without the posting of any bond.

Section 5.10 Entire Agreement. This Agreement sets forth the entire understanding of the parties hereto with respect to the subject matter hereof; provided, however, that with respect to the Amazon Holder, each of the Amazon Warrant and the ATSA shall continue in full force and effect in accordance with their terms and the terms thereof shall supersede any provisions or terms hereof. There are no agreements, representations, warranties, covenants or understandings with respect to the subject matter hereof or thereof other than those expressly set forth herein and therein. Except as set forth in the first sentence of this Section 5.10, this Agreement supersedes all other prior agreements and understandings between the parties with respect to such subject matter.

Section 5.11 Severability. If any provision of this Agreement, or the application of such provision to any Person or circumstance or in any jurisdiction, shall be held to be invalid or unenforceable to any extent, (i) the remainder of this Agreement shall not be affected thereby, and each other provision hereof shall be valid and enforceable to the fullest extent permitted by law, (ii) as to such Person or circumstance or in such jurisdiction such provision shall be reformed to be valid and enforceable to the fullest extent permitted by law and (iii) the application of such provision to other Persons or circumstances or in other jurisdictions shall not be affected thereby.

Section 5.13 Counterparts. This Agreement and any amendment hereto may be signed in any number of separate counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one Agreement (or amendment, as applicable).

Section 5.14 Effectiveness. This Agreement shall become effective upon the Closing Date.

Section 5.15 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or otherwise, and notwithstanding the fact that certain of the Holders may be partnerships, limited liability companies, corporations or other entities, each party hereto covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered by any Person pursuant hereto or otherwise shall be had against any of the Apollo Entities or the Related Entities or any of their former, current or future direct or indirect equity holders, controlling Persons, stockholders, directors, officers, employees, agents, Affiliates, members, financing sources, managers, general or limited partners or assignees (each a "Related Party" and collectively, the "Related Parties"), in each case other than (subject, for the avoidance of doubt, to the provisions of this Agreement) each party hereto or any of its respective assignees under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties, as such, for any obligation or liability of any party hereto or any of its respective assignees under this Agreement or any documents or instruments delivered by any Person pursuant hereto for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; provided, however, that nothing in this Section 5.16 shall relieve or otherwise limit the liability of any party hereto or any of its respective assignees for any breach or violation of its obligations under such agreements, documents or instruments.

DEMAND AND SHELF REGISTRATION

Section 2.1 Right to Demand; Demand Notices.

(a) Holders' Demand for Registration. Subject to the provisions of this Article II, at any time and from time to time, each Demand Holder shall have the right to request in writing that the Company register the sale under the Securities Act of all or part of the Registrable Securities beneficially owned by such Demand Holder or its Affiliates (a "Demand Right"). Notwithstanding the foregoing:

(i) the Apollo Stockholder shall have an unlimited number of Demand Rights; provided, that, subject to Section 8.4, the Apollo Stockholder may provide a Transferee with the following Demand Rights: (A) no Demand Rights if such Transferee acquires less than 5% of the outstanding Shares, (B) one Demand Right if such Transferee acquires at least 5% but not more than 15% of the outstanding Shares and (C) two Demand Rights if such Transferee acquires at least 15% of the outstanding Shares; provided, further, that, in the event the Apollo Stockholder has provided a Transferee with Demand Rights pursuant to clauses (B) or (C) above, the Warrant Holder shall be granted Demand Rights at the same time and on the same basis as such Transferee based on the percentage of outstanding Shares then held by the Warrant Holder or which the Warrant Holder has the right to acquire pursuant to the exercise of its warrants, regardless of whether then exercisable; and

(ii) a Demand Right may be exercised only if (x) the aggregate offering price of the Shares to be sold by the Demand Holder and its Affiliates in the applicable offering (before deduction of underwriter discounts and commissions) is reasonably expected to exceed, in the aggregate, $50.0 million or (y) such Demand Right is exercised with respect to all remaining Registrable Securities held by the Demand Holder; provided, that if the Company has previously effected a Demand Registration pursuant to this Section 2.1, the Company shall not be required to effect an additional Demand Registration pursuant to this Section 2.1 until a period of 90 days shall have elapsed from the date on which such previous registration became effective.

(b) Demand Notices. All requests made pursuant to this Section 2.1 shall be made by providing written notice to the Company (each such written notice, a "Demand Notice"), which notice shall (i) specify the aggregate number and class or classes of Registrable Securities proposed to be registered by the Demand Holder (and its Affiliates) providing such Demand Notice (which may include a range or be specified in an aggregate dollar amount rather than an aggregate number of shares) and (ii) state the intended methods of disposition in the offering (including whether or not such offering shall be an Underwritten Offering).

(c) Demand Filing. Subject to Section 2.3, promptly (but in any event within five (5) Business Days) after receipt of any Demand Notice, the Company shall give written notice of the Demand Notice to all other Holders of Registrable Securities and otherwise comply with Section 3.1 when and if required. Subject to Section 2.3, the Company shall use reasonable best efforts to file the registration statement in respect of a Demand Notice as soon as practicable and, in any event, within 90 days after receiving a Demand Notice and shall use reasonable best efforts to cause the same to be declared effective by the Commission as promptly as practicable after such filing.

(d) Demand Registration Form. Registrations under this Section 2.1 shall be on such appropriate registration form of the Commission that the Company is eligible to use (i) as reasonably requested by the Requesting Holder (which form may include a confidential submission if permitted under applicable rules of the Commission) and (ii) as shall permit the disposition of the Registrable Securities in accordance with the intended method or methods of disposition specified in the Demand Notice. If, in connection with any registration under this Section 2.1 that is requested by the Requesting Holder to be on a Short-Form Registration Statement, the managing underwriter, if any, shall advise the Company that in its opinion, or if the Company independently determines in good faith, the use of another permitted form is of material importance to the success of the offering, then such registration shall be permitted to be on such other permitted form.

(e) Demand Withdrawal. A Requesting Holder may withdraw all or any portion of its Registrable Securities from a Demand Registration by providing written notice to the Company at least five (5) Business Days prior to the earliest of (i) effectiveness of the applicable Registration Statement, (ii) the filing of any Registration Statement relating to such Demand Registration that includes a pricing range or (iii) the commencement of a roadshow relating to the Registration Statement for such Demand Registration, and no such registration shall be counted for purposes of determining the number of Demand Registrations to which such Requesting Holder is entitled pursuant to Section 2.1(a) if the Requesting Holder withdraws all of its Registrable Securities from such Demand Registration.

Section 2.2 Shelf Registration.

(a) Filing. Notwithstanding anything contained in this Agreement to the contrary, (i) from and after such time as the Company shall have qualified for the use of a Short-Form Registration Statement, upon the written request by the Apollo Stockholder or, to the extent the Warrant Holder beneficially owns at least two percent (2%) of the then-outstanding Shares (including vested but unexercised warrants), the Warrant Holder, (A) subject to Section 2.3, promptly (but in any event within five (5) Business Days) after receipt of any such written request, the Company shall give written notice to all other Holders of Registrable Securities and otherwise comply with Section 3.1 and (B) the Company shall use its reasonable best efforts to file as soon as reasonably practicable and in any event within 60 days with the Commission a Short-Form Registration Statement (a "Shelf Registration Statement") to register the sale of all or a portion of the Registrable Securities then outstanding on a delayed or continuous basis in accordance with Rule 415 under the Securities Act (a "Shelf Registration") and (ii) the Company shall use its reasonable best efforts to cause to be declared effective the Shelf Registration Statement as promptly as practicable after such filing. In no event shall the Company be required to file, and maintain effectiveness of, more than one Shelf Registration Statement at any one time pursuant to this Section 2.2. For the avoidance of doubt, no request for the filing of a Shelf Registration Statement pursuant to this Section 2.2(a) shall count as a Demand Registration for purposes of Section 2.1(a).

(b) Shelf Take-Downs. Any Holder whose Registrable Securities are included in an effective Shelf Registration Statement (a "Shelf Holder") may initiate an offering or sale of all or part of such Registrable Securities (a "Shelf Take-Down"), in which case the provisions of this Section 2.2 shall apply. Notwithstanding the foregoing:

(i) any such Shelf Holder may initiate an unlimited number of Non-Marketed Shelf Take-Downs pursuant to Section 2.2(d) below; provided, that such Non-Marketed Shelf Take-Downs do not constitute an Underwritten Shelf Take-Down;

(ii) the Apollo Stockholder may initiate an unlimited number of Underwritten Offerings (including any block trade) pursuant to Section 2.2(c) below; provided, that, subject to Section 8.4, the Apollo Stockholder may provide a Transferee with the following Underwritten Shelf Take-Down rights: (A) such Transferee may not initiate any Underwritten Offerings (including any block trade) if such Transferee acquires less than 5% of the outstanding Shares, (B) such Transferee may initiate one Underwritten Offering (including any block trade) pursuant to Section 2.2(c) below if such Transferee acquires at least 5% but not more than 15% of the outstanding Shares and (C) such Transferee may initiate up to two Underwritten Offerings (including any block trade) pursuant to Section 2.2(c) below if such Transferee acquires at least 15% of the outstanding Shares; and

(iii) in the case of clause (ii) of this Section 2.2(b), (A) the Registrable Securities proposed to be sold by the initiating Shelf Holder shall be required to (x) have a reasonably anticipated aggregate offering price of at least $25.0 million (before deduction of underwriting discounts and commissions) or (y) constitute all remaining Registrable Securities held by such Shelf Holder and (B) if the Company has previously effected a Shelf Take-Down that is an Underwritten Offering pursuant to this Section 2.2, the Company shall not be required to effect an additional Shelf Take-Down that is an Underwritten Offering pursuant to this Section 2.2 until a period of 90 days shall have elapsed from the date of such prior Shelf Take-Down that was an Underwritten Offering.

(c) Underwritten Shelf Take-Downs.

(i) Subject to Section 2.2(b), if a Demand Holder that is a Shelf Holder (collectively, "Investor Shelf Holders") so elects in a written request delivered to the Company (an "Underwritten Shelf Take-Down Notice"), a Shelf Take-Down may be in the form of an Underwritten Offering (an "Underwritten Shelf Take-Down") and, if necessary, the Company shall use its reasonable best efforts to file and effect an amendment or supplement to its Shelf Registration Statement for such purpose as soon as practicable. Such initiating Investor Shelf Holder shall indicate in such Underwritten Shelf Take-Down Notice the number of Registrable Securities of such Investor Shelf Holder to be included in such Underwritten Shelf Take-Down and whether it intends for such Underwritten Shelf Take-Down to involve a customary "road show" (including an "electronic road show") or other marketing effort by the underwriters (a "Marketed Underwritten Shelf Take-Down"); provided, that any such Underwritten Shelf Take-Down requested by an Investor Shelf Holder shall be deemed to reduce the number of Demand Rights such Investor Shelf Holder is entitled to under Section 2.1(a).

(ii) Promptly upon delivery of an Underwritten Shelf Take-Down Notice with respect to a Marketed Underwritten Shelf Take-Down (but in no event more than ten (10) days prior to the expected date of such Marketed Underwritten Shelf Take-Down), the Company shall promptly deliver a written notice of such Marketed Underwritten Shelf Take-Down to all Investor Shelf Holders with Registrable Securities under such Shelf Registration Statement and, in each case, subject to Section 2.5(b) and Section 2.7, the Company shall include in such Marketed Underwritten Shelf Take-Down all such Registrable Securities of such Investor Shelf Holders that are registered on such Shelf Registration Statement for which the Company has received written requests, which requests must specify the aggregate amount of such Registrable Securities of such Holder to be offered and sold pursuant to such Marketed Underwritten Shelf Take-Down, for inclusion therein at least three (3) Business Days prior to the expected date of such Marketed Underwritten Shelf Take-Down.

(iii) Subject to Section 2.2(b), if an Investor Shelf Holder desires to effect an Underwritten Shelf Take-Down that is not a Marketed Underwritten Shelf Take-Down (a "Restricted Shelf Take-Down"), the Investor Shelf Holder initiating such Restricted Shelf Take-Down shall provide written notice (a "Restricted Shelf Take-Down Notice") of such

Restricted Shelf Take-Down to the other Investor Shelf Holders as far in advance of the completion of such Restricted Shelf Take-Down as shall be reasonably practicable in light of the circumstances applicable to such Restricted Shelf Take-Down, which Restricted Shelf Take-Down Notice shall set forth (A) the total number of Registrable Securities expected to be offered and sold in such Restricted Shelf Take-Down, (B) the expected plan of distribution of such Restricted Shelf Take-Down and (C) an invitation to the other Investor Shelf Holders to elect to include in the Restricted Shelf Take-Down Registrable Securities held by such other Investor Shelf Holders (but subject to Section 2.5(b) and Section 2.7) and (D) the action or actions required (including the timing thereof) in connection with such Restricted Shelf Take-Down with respect to the other Investor Shelf Holders if any such Investor Shelf Holder elects to exercise such right. Any Restricted Shelf Take-Down shall be (x) deemed to reduce the number of Demand Rights the initiating Investor Shelf Holder is entitled to under Section 2.1(a), (y) required to comply with a minimum size requirement equal to fifty percent (50%) of the minimum size requirements set forth in Section 2.2(b) (unless the initiating Investor Shelf Holder requests the filing of a new Shelf Registration Statement in order to effect such Restricted Shelf Take-Down and at such time the Company is not eligible to use an Automatic Shelf Registration Statement, in which case the minimum size requirements set forth in Section 2.2(b) shall apply), and (z) subject to the limits set forth in Section 2.2(b).

(iv) Upon delivery of a Restricted Shelf Take-Down Notice, the other Investor Shelf Holders may elect to sell Registrable Securities in such Restricted Shelf Take-Down, at the same price per Registrable Security and pursuant to the same terms and conditions with respect to payment for the Registrable Securities as agreed to by the initiating Investor Shelf Holder, by sending an irrevocable written notice (a "Take-Down Participation Notice") to the initiating Investor Shelf Holder, indicating its election to participate in the Restricted Shelf Take-Down and the total number of its Registrable Securities to include in the Restricted Shelf Take-Down (but, in all cases, subject to Section 2.5(b) and Section 2.7).

(v) Notwithstanding the delivery of any Underwritten Shelf Take-Down Notice, all determinations as to whether to complete any Underwritten Shelf Take-Down and as to the timing, manner, price and other terms of any Underwritten Shelf Take-Down shall be at the discretion of the Investor Shelf Holder initiating the Underwritten Shelf Take-Down.

(d) Non-Marketed Shelf Take-Downs. If a Shelf Holder desires to effect a Shelf Take-Down that does not constitute an Underwritten Shelf Take-Down (a "Non-Marketed Shelf Take-Down"), such Shelf Holder shall so indicate in a written request delivered to the Company no later than three (3) Business Days prior to the expected date of such Non-Marketed Shelf Take-Down (or such shorter period as the Company may agree), which request shall include (i) the aggregate number and class or classes of Registrable Securities expected to be offered and sold in such Non-Marketed Shelf Take-Down, (ii) the expected plan of distribution of such Non-Marketed Shelf Take-Down and (iii) the action or actions required (including the timing thereof) in connection with such Non-Marketed Shelf Take-Down, and, if necessary, the Company shall use its reasonable best efforts to file and effect an amendment or supplement to its Shelf Registration Statement for such purpose as soon as practicable.

(e) Filing for Well-Known Seasoned Issuer. Upon the Company becoming a Well-Known Seasoned Issuer, (x) the Company shall give written notice to all of the Holders as promptly as practicable but in no event later than ten (10) Business Days thereafter and such notice shall describe, in reasonable detail, the basis on which the Company has become a Well-Known Seasoned Issuer, and (y) the Company shall, upon written request by the Apollo Stockholder or the Warrant Holder, as promptly as practicable, but in no event later than 20 Business Days after receiving such request, use its reasonable best efforts to register, under an Automatic Shelf Registration Statement, the sale of all of the Registrable Securities in accordance with the terms of this Agreement. The Company agrees that if any Holder beneficially owns any Registrable Securities three years after the filing of the most recent Automatic Shelf Registration Statement in compliance with this Section 2.2(e), the Company shall, if permitted under applicable rules of the Commission, file and cause to remain effective a new Automatic Shelf Registration Statement that registers the sale of any Registrable Securities that remain outstanding at such time. The Company shall give written notice of filing such Registration Statement to all of the Holders as promptly as practicable thereafter. At any time after the filing of an Automatic Shelf Registration Statement by the Company, if the Company is no longer a Well-Known Seasoned Issuer (the "Determination Date"), within ten (10) Business Days after such Determination Date, the Company shall (A) give written notice thereof to all of the Holders and (B) to the extent the Company continues to qualify for the use of Form S-3 promulgated under the Securities Act or any successor form thereto, the Company shall file, if necessary, a Short-Form Registration Statement (or a post-effective amendment converting the Automatic Shelf Registration Statement to a Short-Form Registration Statement) covering all of the Registrable Securities, and the Company shall use its reasonable best efforts to have such Short-Form Registration Statement declared effective as promptly as practicable after the date the Automatic Shelf Registration Statement is no longer useable by the Holders to sell their Registrable Securities.

(f) Continued Effectiveness. The Company shall use its reasonable best efforts to keep the Shelf Registration Statement filed pursuant to Section 2.2(a) or Section 2.2(e) hereof, as applicable, continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by an Investor Shelf Holder until the earlier of (i) the date as of which all Registrable Securities registered by such Shelf Registration Statement have been sold and (ii) such shorter period as Investor Shelf Holders holding a majority of the Registrable Securities may reasonably determine.

Section 2.3 Deferral or Suspension of Registration. If (a) the Company receives a Demand Notice, a request to file a Shelf Registration Statement, or a written request from a Shelf Holder for a Shelf Take-Down and the Board of Directors, in its good faith judgment, determines that it would be materially adverse to the Company for such Registration Statement to be filed or declared effective on or before the date such filing or effectiveness would otherwise be required hereunder, or for such Registration Statement or prospectus included therein to be used to sell Shares or for such Shelf Take-Down to be effected, because such action would: (i) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Company; (ii) based on the advice of the Company's outside counsel, require disclosure of material non-public information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to comply with requirements under the Securities Act or the Exchange Act, or (b) the Company is subject to any of its customary suspension or blackout periods, for all or part of the period of such blackout period, or upon

issuance by the Commission of a stop order suspending the effectiveness of any Registration Statement or the initiation of proceedings with respect to such Registration Statement under Section 8(d) or 8(e) of the Securities Act, then the Company shall have the right to defer such filing (but not the preparation), initial effectiveness or continued use of a Registration Statement and the prospectus included therein for a period of not more than 60 days (or such longer period as the Requesting Holder or Shelf Holder, as applicable, may determine). If the Company shall so postpone the filing or initial effectiveness of a Registration Statement with respect to a Demand Notice and if the Requesting Holder within 30 days after receipt of the notice of postponement advises the Company in writing that it has determined to withdraw such Demand Notice, then such Demand Registration shall be deemed to be withdrawn and shall not be deemed to be an exercise of one of the Demand Rights to which such Requesting Holder is entitled under Section 2.1. Unless consented to in writing by the Holders, the Company shall not use the deferral or suspension rights provided under this Section 2.3 (x) more than twice in any 12-month period (except that the Company shall be able to use this right more than twice in any 12-month period if the Company is exercising such right during the 15-day period prior to the Company's regularly scheduled quarterly earnings announcement date and the total number of days of postponement in such 12-month period does not exceed 120 days) or (y) except as contemplated in the parenthetical in (x) immediately above, in the aggregate for more than 90 days in any 12-month period. In the event of any deferral or suspension pursuant to this Section 2.3, the Company shall (i) use its reasonable best efforts to keep the Requesting Holder, if applicable, apprised of the estimated length of the anticipated delay; and (ii) notify the Requesting Holder or Shelf Holders, as applicable, promptly upon termination of the deferral or suspension. After the expiration of the deferral or suspension period and without any further request from the Requesting Holder or Shelf Holders, as applicable, to the extent such Requesting Holder has not withdrawn the Demand Notice, if applicable, the Company shall as promptly as reasonably practicable prepare and file a Registration Statement or post-effective amendment or supplement to the applicable Registration Statement or document, or file any other required document, as applicable, so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the prospectus will not include a material misstatement or omission and will be effective and useable for the sale of Registrable Securities.

Section 2.4 Effective Registration Statement. A registration requested pursuant to this Article II shall not be deemed to have been effected:

(a) unless a registration statement with respect thereto has been declared effective by the Commission and remains effective in compliance with the provisions of the Securities Act and the laws of any U.S. state or other jurisdiction applicable to the disposition of Registrable Securities covered by such registration statement for not less than 180 days (or such shorter period as will terminate when all of such Registrable Securities shall have been disposed of in accordance with such registration statement) or, if such registration statement relates to an underwritten offering, such longer period as, in the opinion of counsel for the Company, a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer;

(b) if, after it becomes effective, such registration is interfered with by any stop order, injunction or other order or requirement of the Commission or other governmental authority or court for any reason other than a violation of applicable law solely by any Selling Investor and has not thereafter become effective; or

(c) if, in the case of an Underwritten Offering, the conditions to closing specified in an underwriting agreement applicable to the Company are not satisfied or waived other than by reason of any breach or failure by any Selling Investor.

Section 2.5 Selection of Underwriters; Cutback.

(a) Selection of Underwriters. If a Requesting Holder intends to offer and sell the Registrable Securities covered by its request under this Article II by means of an Underwritten Offering, such Requesting Holder shall, in reasonable consultation with other participating Holders, select the managing underwriter or underwriters to administer such offering, which managing underwriter or underwriters shall be firms of nationally recognized standing and shall be reasonably acceptable to the Company. If an Investor Shelf Holder intends to offer and sell the Registrable Securities covered by its request under this Article II by means of an Underwritten Shelf Take-Down, the participating Investor Shelf Holders shall mutually select the managing underwriter or underwriters to administer such offering, which managing underwriter or underwriters shall be firms of nationally recognized standing and shall be reasonably acceptable to the Company. For the avoidance of doubt, nationally recognized investment banks shall be deemed reasonably acceptable for purposes of this Section 2.5.

(b) Underwriter's Cutback. Notwithstanding any other provision of this Article II or Section 3.1, if the managing underwriter or underwriters of an Underwritten Offering in connection with a Demand Registration or a Shelf Registration advise the Company in their good faith opinion that the inclusion of all such Registrable Securities proposed to be included in the Registration Statement or such Underwritten Offering would be reasonably likely to interfere with the successful marketing, including, but not limited to, the pricing, timing or distribution, of the Registrable Securities to be offered thereby or in such Underwritten Offering, and no Holder has delivered a Piggyback Notice with respect to such Underwritten Offering, then the number of Shares proposed to be included in such Registration Statement or Underwritten Offering shall be allocated among the Company, the Selling Investors and all other Persons selling Shares in such Underwritten Offering in the following order:

(i) *first*, the Registrable Securities of the class or classes proposed to be registered held by the Holder that initiated such Demand Registration, Shelf Registration or Underwritten Offering and the Registrable Securities of the same class or classes (or exercisable for or convertible into, at the Holder's option, such class or classes) held by other Holders requested to be included in such Demand Registration, Shelf Registration or Underwritten Offering (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Demand Registration, Shelf Registration or Underwritten Offering);

(ii) *second,* all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Demand Registration, Shelf Registration or Underwritten Offering other than Shares to be sold by the Company; and

(iii) *third*, the Shares of the same class or classes to be sold by the Company.

No Registrable Securities excluded from the underwriting by reason of the underwriter's marketing limitation shall be included in such registration or offering. If the underwriter has not limited the number of Registrable Securities to be underwritten, the Company may include securities for its own account (or for the account of any other Persons) in such registration if the underwriter so agrees and if the number of Registrable Securities would not thereby be limited.

Section 2.6 Lock-up.

(a) If requested by the managing underwriters in connection with any Underwritten Offering, each Holder (i) who beneficially owns 1% or more of the outstanding Shares or (ii) who is a natural person and serving as a director or executive officer of the Company shall agree to be bound by customary lock-up agreements providing that such Holder shall not, directly or indirectly, effect any Transfer (including sales pursuant to Rule 144) of any such Shares without prior written consent from the underwriters managing such Underwritten Offering during a period beginning on the date of launch of such Underwritten Offering and ending up to 90 days from and including the date of pricing or such shorter period as reasonably requested by the underwriters managing such Underwritten Offering (the "Lock-Up Period"); provided that (A) the foregoing shall not apply to any Shares that are offered for sale as part of such Underwritten Offering, (B) such Lock-Up Period shall be no longer than and on substantially the same terms as the lock-up period applicable to the Company and the executive officers and directors of the Company, (C) this Section 2.6 shall not apply as to any Holder unless all Holders set forth in clauses (i) and (ii) above enter into agreements that are substantively similar in all material respects, and (D) such Lock-Up Period shall not commence unless the Company notifies the Holders in writing prior to the commencement of the Lock-Up Period. Each such Holder agrees to execute a customary lock-up agreement in favor of the underwriters to such effect. The provisions of this Section 2.6(a) will no longer apply to a Holder if (x) such Holder ceases to hold any Shares or (y) except in the case of any Holder who is a current director or executive officer of the Company, such Holder beneficially owns less than 1% of the outstanding Shares. In addition, any discretionary waiver or termination of the restrictions of any or all of such agreements by the Company or the underwriters in order to allow a Holder to participate in an offering contemplated by this Agreement shall apply pro rata to all Holders that are subject to such agreements, based on the number of Registrable Securities subject to such agreements.

(b) Nothing in Section 2.6(a) shall prevent: (i) any Holder that is a partnership, limited liability company or corporation from (A) making a distribution of Shares to the partners, members or stockholders thereof or (B) Transferring Shares to an Affiliate of such Holder; (ii) any Holder who is an individual from Transferring Shares to (A) an individual by will or the laws of descent or distribution or by gift without consideration of any kind or (B) a trust or estate planning-related entity for the sole benefit of such Holder or a lineal descendant or antecedent or spouse; (iii) any Holder from (A) pledging, hypothecating or otherwise granting a security interest in Shares or securities convertible into or exchangeable for Shares to one or more lending institutions as collateral or security for any loan, advance or extension of credit and any transfer upon foreclosure upon such Shares or such securities or (B) Transferring Shares pursuant to a final non-appealable order of a court or regulatory agency; or (iv) any Holder from

Transferring Shares in a manner that was permitted under, but subject to the conditions described in, the lock-ups entered into in connection with the Company's initial public offering; provided that, in the case of clauses (i), (ii), (iii) and (iv), such Transfer is otherwise in compliance with applicable securities laws and; provided, further, that, in the case of clause (ii), subclause (B) of clause (i) and, if applicable, clause (iv), each such Transferee agrees in writing to become subject to the terms of this Agreement by executing an Adoption Agreement and agrees to be bound by the applicable underwriter lock-up.

Section 2.7 Participation in Underwritten Offering; Information by Holder. No Holder may participate in an Underwritten Offering hereunder unless such Holder (a) agrees to sell such Holder's Shares on the basis provided in any underwriting arrangements, and in accordance with the terms and provisions of this Agreement, including any lock-up arrangements, and (b) completes and executes all questionnaires, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements. In addition, the Holders shall furnish to the Company such information regarding such Holder or Holders and the distribution proposed by such Holders, as applicable, as the Company may reasonably request in writing and as shall be required in connection with any registration, qualification or compliance referred to in this Article II. Nothing in this Section 2.7 shall be construed to create any additional rights regarding the registration of Shares in any Person otherwise than as set forth herein. The Company will use its commercially reasonable efforts to ensure that no underwriter shall require any Holder to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Holder and such Holder's intended method of distribution, any representation required by law and any other customary representations, warranties and agreements and if, despite the Company's commercially reasonable efforts, an underwriter requires any Holder of to make additional representations or warranties to or agreements with such underwriter, such Holder may elect not to participate in such underwritten offering. Any liability of a Holder to any underwriter or other person pursuant to any applicable underwriting agreement shall be limited to liability arising from breach of its representations and warranties, shall be several, not joint and several, and shall be limited to the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to liability.

Section 2.8 Registration Expenses. All expenses incident to the Company's performance of or compliance with this Agreement, including without limitation (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with any stock exchange, the Commission and FINRA (including, if applicable, the fees and expenses of any "qualified independent underwriter" and its counsel as may be required by the rules and regulations of FINRA), (ii) all fees and expenses of compliance with state securities or blue sky laws (including fees and disbursements of counsel for the underwriters or Selling Investors in connection with blue sky qualifications of the Shares and determination of their eligibility for investment under the laws of such jurisdictions as the managing underwriters or the Demand Holders may designate), (iii) all printing and related messenger and delivery expenses (including expenses of printing certificates for the Shares in a form eligible for deposit with The Depository Trust Company and of printing prospectuses, all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company and its Subsidiaries (including the expenses of any special audit and "cold comfort" letters required by or incident to such performance)), (iv) all fees and expenses incurred in connection with the listing of the Shares

on any securities exchange and all rating agency fees, (v) all reasonable and documented out-of-pocket fees and disbursements of the Selling Investors' Counsel, (vi) all fees and documented out-of-pocket disbursements of underwriters customarily paid by the issuer or sellers of securities, including liability insurance if the Company so desires or if the underwriters so require and expenses of any special experts retained in connection with the requested registration (excluding underwriting discounts and commissions and transfer taxes, if any, and fees and disbursements of counsel to underwriters (other than such fees and disbursements incurred in connection with any registration or qualification of Shares under the securities or blue sky laws of any state)), (vii) Securities Act liability insurance or similar insurance if the Company or the underwriters so require in accordance with then-customary underwriting practice, (viii) fees and expenses of other Persons retained by the Company, and the reasonable and documented fees and expenses of one legal counsel chosen by the Holders of a majority of the Registrable Securities included in such Demand Registration, Piggyback Registration or Shelf Registration, as applicable, and (ix) for any Demand Holder, any other reasonable expenses customarily paid by the issuers of securities, including reasonable and documented legal fees and expenses for such Demand Holder's legal counsel if other than the legal counsel selected by the Holders in (viii) above, will be borne by the Company, regardless of whether the Registration Statement becomes effective (or such offering is completed) and whether or not all or any portion of the Registrable Securities originally requested to be included in such registration are ultimately included in such registration; provided, however, that (x) any underwriting discounts, commissions or fees in connection with the sale of the Registrable Securities will be borne by the Holders pro rata on the basis of the number of Shares so registered and sold, (y) transfer taxes with respect to the sale of Registrable Securities will be borne by the Holder of such Registrable Securities and (z) the fees and expenses of any other counsel, accountants or other persons retained or employed by any Holder will be borne by such Holder.

ARTICLE III

PIGGYBACK REGISTRATION

Section 3.1 Notices.

(a) If the Company at any time proposes for any reason to register the sale of a class or classes of Shares under the Securities Act (other than a registration on Form S-4 or Form S-8, or any successor of either such form, or a registration relating solely to the offer and sale to the Company's directors or employees pursuant to any employee stock plan or other employee benefit plan or arrangement) whether or not Shares are to be sold by the Company or otherwise, and whether or not in connection with any Demand Registration pursuant to Section 2.1, any Shelf Registration pursuant to Section 2.2 or any other agreement (such registration, a "Piggyback Registration"), the Company shall give to each Holder holding Registrable Securities eligible to participate in such Piggyback Registration written notice of its intention to so register the Shares at least five (5) Business Days (or such shorter period as reasonably practical) prior to the expected date of filing of such Registration Statement or amendment thereto in which the Company first intends to identify the selling stockholders and the number of Registrable Securities to be sold (each such notice, an "Initial Notice"). The Company shall, subject to the provisions of Section 3.2 and Section 3.3 below, use its reasonable best efforts to include in such Piggyback Registration on the same terms and conditions as the securities otherwise being sold, all

Registrable Securities of the same class or classes as the Shares proposed to be registered (or exercisable for or convertible into, at the Holder's option, such class or classes) with respect to which the Company has received written requests from Holders for inclusion therein within the time period specified by the Company in the applicable Initial Notice, which time period shall be not less than five (5) Business Days after sending the applicable Initial Notice (each such written request, a "Piggyback Notice"), which Piggyback Notice shall specify the number of Shares proposed to be included in the Piggyback Registration.

(b) If a Holder does not deliver a Piggyback Notice within the period specified in Section 3.1(a), such Holder shall be deemed to have irrevocably waived any and all rights under this Article III with respect to such registration (but not with respect to future registrations in accordance with this Article III). For the avoidance of doubt, no Piggyback Registration shall count towards the number of Demand Registrations that a Demand Holder is entitled to make pursuant to Section 2.1 or Underwritten Shelf Take-Downs that an Investor Shelf Holder is entitled to make pursuant to Section 2.2.

(c) No registration effected under this Section 3.1 shall relieve the Company of its obligation to effect any registration upon request under Section 2.1 or Section 2.2 hereof, and no registration effected pursuant to this Section 3.1 shall be deemed to have been effected pursuant to Section 2.1 or Section 2.2 hereof. The Initial Notice, the Piggyback Notice and the contents thereof shall be kept confidential until the public filing of the Registration Statement.

Section 3.2 Underwriter's Cutback. If the managing underwriter of an Underwritten Offering (including an offering pursuant to Section 2.1 or Section 2.2) that includes a Piggyback Registration advises the Company that it is the managing underwriter's good faith opinion that the inclusion of all such Registrable Securities proposed to be included in the Registration Statement for such Underwritten Offering would be reasonably likely to interfere with the successful marketing, including, but not limited to, the pricing, timing or distribution, of the Registrable Securities to be offered thereby, then the number of Shares proposed to be included in such Underwritten Offering shall be allocated among the Company, the Selling Investors and all other Persons selling Shares in such Underwritten Offering in the following order:

(a) if the Piggyback Registration referred to in Section 3.1 is initiated as an underwritten primary registration on behalf of the Company, then, with respect to each class proposed to be registered:

(i) *first*, the Shares held by the Company of the class or classes proposed to be registered that the Company proposes to sell, as applicable;

(ii) *second*, all Registrable Securities of the same class or classes (or exercisable for or convertible into, at the Holder's option, such class or classes) held by Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration); and

(iii) *third*, all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Piggyback Registration.

(b) if the Piggyback Registration referred to in Section 3.1 is an underwritten secondary registration on behalf of any Holder, then, with respect to each class proposed to be registered:

(i) *first*, the Registrable Securities of the class or classes proposed to be registered held by such Holder and the Registrable Securities of the same class or classes (or exercisable for or convertible into, at the Holder's option, such class or classes) held by other Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration);

(ii) *second*, all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Piggyback Registration other than Shares to be sold by the Company; and

(iii) *third*, the Shares of the same class or classes to be sold by the Company.

(c) if the Piggyback Registration referred to in Section 3.1 is an underwritten secondary registration on behalf of any holder of Common Stock other than a Holder, then, with respect to each class proposed to be registered:

(i) *first*, the securities of the class or classes proposed to be registered held by such holder;

(ii) *second*, the Registrable Securities of the same class or classes (or exercisable for or convertible into, at the Holder's option, such class or classes) held by Holders requested to be included in such Piggyback Registration (*pro rata* among the respective Holders of such Registrable Securities in proportion, as nearly as practicable, to the amounts of Registrable Securities requested to be included in such registration by each such Holder at the time of such Piggyback Registration);

(iii) *third,* all other securities of the same class or classes (or convertible at the holder's option into such class or classes) requested to be included in such Piggyback Registration other than Shares to be sold by the Company; and

(iv) *fourth*, the Shares of the same class or classes to be sold by the Company.

Section 3.3 Company Control. Except for a Registration Statement being filed in connection with the exercise of a Demand Right or a Shelf Registration, the Company may decline to file a Registration Statement after an Initial Notice has been given or after receipt by the Company of a Piggyback Notice, and the Company may withdraw a Registration Statement after

filing and after such Initial Notice or Piggyback Notice, but prior to the effectiveness of the Registration Statement, provided that (i) the Company shall promptly notify the Selling Investors in writing of any such action and (ii) nothing in this Section 3.3 shall prejudice the right of any Demand Holder to immediately request that such registration be effected as a registration under Section 2.1 or Section 2.2 to the extent permitted thereunder.

Section 3.4 Selection of Underwriters. If the Company intends to offer and sell Shares by means of an Underwritten Offering (other than an offering pursuant to Section 2.1 or Section 2.2), the Company shall select the managing underwriter or underwriters to administer such Underwritten Offering, which managing underwriter or underwriters shall be firms of nationally recognized standing.

Section 3.5 Withdrawal of Registration. Any Holder shall have the right to withdraw all or a part of its Piggyback Notice by giving written notice to the Company of such withdrawal at least five (5) Business Days prior to the earliest of (i) effectiveness of the applicable Registration Statement, (ii) the filing of any Registration Statement relating to such Piggyback Registration that includes a price range or (iii) commencement of a roadshow relating to the Registration Statement for such Piggyback Registration.

ARTICLE IV

REGISTRATION PROCEDURES

Section 4.1 Registration Procedures. If and whenever the Company is under an obligation pursuant to the provisions of this Agreement to use its reasonable best efforts to effect the registration of any Registrable Securities, the Company shall, as expeditiously as practicable:

(a) in the case of Registrable Securities, use its reasonable best efforts to cause a Registration Statement that registers such Registrable Securities to become and remain effective for a period of 180 days or, if earlier, until all of such Registrable Securities covered thereby have been disposed of; provided, that, in the case of any registration of Registrable Securities on a Shelf Registration Statement which are intended to be offered on a continuous or delayed basis, such 180-day period shall be extended, if necessary, to keep the registration statement continuously effective, supplemented and amended to the extent necessary to ensure that it is available for sales of such Registrable Securities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, until the earlier of when (i) the Holders have sold all of such Registrable Securities, (ii) all of such Registrable Securities have become eligible for immediate sale pursuant to Rule 144 under the Securities Act by the Holder thereof without restriction by the manner of sale, volume and other limitations under such rule and (iii) in the case of an Automatic Shelf Registration Statement, such Automatic Shelf Registration Statement has been effective for three years (provided that the Company's obligations under this Section 4.1(a) shall be renewed with respect to such Registrable Securities upon the filing of a new Automatic Shelf Registration Statement pursuant to Section 2.2(e));

(b) furnish to each Selling Investor, at least five (5) Business Days before filing a Registration Statement, or such shorter period as reasonably practical, copies of such Registration Statement or any amendments or supplements thereto, which documents shall be subject to the review, comment and approval by one lead counsel (and any reasonably necessary local counsel) selected by the Holders who beneficially own a majority of such Registrable Securities, which counsel (who may also be counsel to the Company), in each case, shall be subject to the reasonable approval of each Demand Holder whose Registrable Securities are included in such registration, and who shall represent all Selling Investors as a group (the "Selling Investors' Counsel") (it being understood that such five (5) Business Day period need not apply to successive drafts of the same document proposed to be filed so long as such successive drafts are supplied to the Selling Investors' Counsel in advance of the proposed filing by a period of time that is customary and reasonable under the circumstances);

(c) furnish to each Selling Investor and each underwriter, if any, such number of copies of final conformed versions of the applicable registration statement and of each amendment and supplement thereto (in each case including all exhibits and any documents incorporated by reference) reasonably requested by such Selling Investor or underwriter in writing;

(d) in the case of Registrable Securities, prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Registration Statement and the applicable prospectus or prospectus supplement, including any free writing prospectus as defined in Rule 405 under the Securities Act, used in connection therewith as may be (i) reasonably requested by any Holder (to the extent such request relates to information relating to such Holder), or (ii) necessary to keep such Registration Statement effective for at least the period specified in Section 4.1(a) and to comply with the provisions of this Agreement and the Securities Act with respect to the sale or other disposition of such Registrable Securities, and furnish to each Selling Investor and to the managing underwriter(s), if any, within a reasonable period of time prior to the filing thereof a copy of any amendment or supplement to such registration statement or prospectus; provided, however, that, with respect to each free writing prospectus or other materials to be delivered to purchasers at the time of sale of the Registrable Securities, the Company shall (i) ensure that no Registrable Securities are sold "by means of" (as defined in Rule 159A(b) under the Securities Act) such free writing prospectus or other materials without the prior written consent of the sellers of the Registrable Securities, which free writing prospectus or other materials shall be subject to the review of counsel to such sellers and (ii) make all required filings of all free writing prospectuses or other materials with the Commission as are required;

(e) notify in writing each Holder promptly (i) of the receipt by the Company of any notification with respect to any comments by the Commission with respect to such Registration Statement or any amendment or supplement thereto or any request by the Commission for the amending or supplementing thereof or for additional information with respect thereto, (ii) of the receipt by the Company of any notification with respect to the issuance by the Commission of any stop order suspending the effectiveness of such Registration Statement or any amendment or supplement thereto or the initiation or threatening of any proceeding for that purpose and (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification of such Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purposes and, in any such case as promptly as reasonably practicable thereafter, prepare and file an amendment or supplement to such registration statement or prospectus which will correct such statement or omission or effect such compliance;

(f) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as the Holders reasonably request and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holders to consummate their disposition in such jurisdictions; provided, however, that the Company will not be required to qualify generally to do business, subject itself to general taxation or consent to general service of process in any jurisdiction where it would not otherwise be required to do so but for this Section 4.1(f);

(g) furnish to each Selling Investor such number of copies of a summary prospectus or other prospectus, including a preliminary prospectus and any other prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such Selling Investors or any underwriter may reasonably request in writing;

(h) notify on a timely basis each Holder of such Registrable Securities at any time when a prospectus relating to such Registrable Securities is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing and, at the request of such Holder, as soon as practicable prepare and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the offeree of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(i) make available for inspection by the Selling Investors, the Selling Investors' Counsel or any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such Selling Investor or underwriter (collectively, the "Inspectors"), all pertinent financial and other records, pertinent corporate documents and properties of the Company (collectively, the "Records"), as shall be necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information (together with the Records, the "Information") requested by any such Inspector in connection with such Registration Statement and request that the independent public accountants who have certified the Company's financial statements make themselves available, at reasonable times and for reasonable periods, to discuss the business of the Company. Any of the Information which the Company determines in good faith to be confidential, and of which determination the Inspectors are so notified, shall not be disclosed by the Inspectors unless (i) the disclosure of such Information is necessary to avoid or correct a misstatement or omission in the Registration Statement, (ii) the release of such Information is requested or required pursuant to a subpoena, order from a court of competent jurisdiction or other interrogatory by a governmental entity or similar process; (iii) such Information has been made generally available to the public; or (iv) such information is or becomes available to such Inspector on a non-confidential basis other than through the breach of an obligation of confidentiality (contractual or otherwise). The Holder(s) of Registrable Securities agree that they will, upon learning that disclosure of such Information is sought in a court of competent jurisdiction or by another governmental entity, give notice to the Company and allow the Company, at the Company's expense, to undertake appropriate action to prevent disclosure of the Information deemed confidential;

(j) in the case of an Underwritten Offering, deliver to the underwriters of such Underwritten Offering a "comfort" letter in customary form and at customary times and covering matters of the type customarily covered by such comfort letters from its independent certified public accountants;

(k) in the case of an Underwritten Offering, deliver to the underwriters of such Underwritten Offering a written and signed legal opinion or opinions in customary form from its outside or in-house legal counsel dated the closing date of the Underwritten Offering;

(l) provide a transfer agent and registrar (which may be the same entity and which may be the Company) for such Registrable Securities and deliver to such transfer agent and registrar such customary forms, legal opinions from its outside or in-house legal counsel, agreements and other documentation as such transfer agent and/or registrar so request;

(m) issue to any underwriter to which any Selling Investors may sell Registrable Securities in such offering certificates evidencing such Registrable Securities;

(n) upon the request of any Holder of the Registrable Securities included in such registration, use reasonable best efforts to cause such Registrable Securities to be listed on any national securities exchange on which any Shares are listed or, if the Shares are not listed on a national securities exchange, use its reasonable best efforts to qualify such Registrable Securities for inclusion on such national securities exchange as the Company shall designate;

(o) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission and make available to its security holders, as soon as reasonably practicable, earnings statements (which need not be audited) covering a period of 12 months beginning within three months after the effective date of the Registration Statement, which earnings statements shall satisfy the provisions of Section 11(a) of the Securities Act;

(p) notify the Holders and the lead underwriter or underwriters, if any, and (if requested) confirm such advice in writing, as promptly as reasonably practicable after notice thereof is received by the Company when the applicable registration statement or any amendment thereto has been filed or becomes effective and when the applicable prospectus or any amendment or supplement thereto has been filed;

(q) use its reasonable best efforts to prevent the entry of, and use its reasonable best efforts to obtain as promptly as reasonably practicable the withdrawal of, any stop order with respect to the applicable registration statement or other order suspending the use of any preliminary or final prospectus;

(r) promptly incorporate in a prospectus supplement or post-effective amendment to the applicable registration statement such information as the lead underwriter or underwriters, if any, and the Holders holding a majority of each class of Registrable Securities being sold agree (with respect to the relevant class) should be included therein relating to the plan of distribution with respect to such class of Registrable Securities; and make all required filings of such prospectus supplement or post-effective amendment as promptly as reasonably practicable after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(s) cooperate with each Holder and each underwriter or agent, if any, participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(t) provide a CUSIP number or numbers for all such shares, in each case not later than the effective date of the applicable registration statement;

(u) to the extent reasonably requested by the lead or managing underwriters in connection with an Underwritten Offering (including an Underwritten Offering pursuant to Section 2.1 or Section 2.2), send appropriate officers of the Company to attend any "road shows" scheduled in connection with any such Underwritten Offering, with all out of pocket costs and expenses incurred by the Company or such officers in connection with such attendance to be paid by the Company;

(v) enter into such agreements (including an underwriting agreement in customary form) and take such other actions as the Selling Investor or Selling Investors, as the case may be, owning at least a majority of the Registrable Securities covered by any applicable registration statement shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including customary indemnification and contribution to the effect and to the extent provided in Article V hereof; and

(w) subject to all the other provisions of this Agreement, use its reasonable best efforts to take all other steps necessary to effect the registration, marketing and sale of such Registrable Securities contemplated hereby.

ARTICLE V

INDEMNIFICATION

Section 5.1 Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the full extent permitted by law, each Selling Investor, its Affiliates and their respective officers, directors, managers, partners, members and representatives, and each of their respective successors and assigns, against any losses, claims, damages, liabilities and expenses caused by any violation by the Company of the Securities Act or the Exchange Act applicable to the Company and relating to action or inaction required of the Company in connection with the registration contemplated by a Registration Statement or any untrue or alleged untrue statement of a material fact contained in any Registration Statement, prospectus, or preliminary prospectus or any amendment thereof or supplement thereto, or any other disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same was made in reliance on and in conformity with any information furnished in writing to the Company by such Selling Investor expressly for use therein; provided, however, that the Company shall not

be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Registration Statement, prospectus, or preliminary prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished to the Company in writing by the Person asserting such loss, claim, damage, liability or expense specifically for use therein. The Company will also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who Controls such Persons to the same extent as provided above with respect to the indemnification of the Selling Investor, if requested.

Section 5.2 Indemnification by Selling Investors. Each Selling Investor agrees to indemnify and hold harmless, to the full extent permitted by law, the Company, the Company's Controlled Affiliates and their respective directors, managers, partners, members and representatives, and each of their respective successors and assigns, and each Person who Controls the Company against any losses, claims, damages or liabilities and expenses caused by any untrue or alleged untrue statement of a material fact contained in any Registration Statement, prospectus, or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, that such untrue statement or omission was made in reliance on and in conformity with any information furnished in writing by such Selling Investor to the Company expressly for inclusion in such Registration Statement and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting such loss, claim, damage, liability or expense; provided that the obligation to indemnify shall be several, not joint and several, for each Selling Investor and in no event shall the liability of any Selling Investor hereunder be greater in amount than the dollar amount of the net proceeds received by such Selling Investor upon the sale of the Registrable Securities giving rise to such indemnification obligation.

Section 5.3 Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder will (i) give prompt (but in any event within 30 days after such Person has actual knowledge of the facts constituting the basis for indemnification) written notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is prejudiced by reason of such delay or failure. Any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (a) the indemnifying party has agreed in writing to pay such fees or expenses, (b) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (c) the indemnified party has reasonably concluded, based on the advice of counsel, that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party or (d) in the reasonable judgment of any such Person, based upon advice of counsel, a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if such Person notifies the indemnifying party in writing that such Person elects to

employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action or claim in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes (i) an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, (ii) does not include a statement as to or an admission of fault, culpability or failure to act by or on behalf of any indemnified party and (iii) does not commit any indemnified party to take, or hold back from taking, any action. No indemnified party shall, without the written consent of the indemnifying party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder, and no indemnifying party shall be liable for any settlement or compromise of, or consent to the entry of judgment with respect to, any such action or claim effected without its consent, in each case which consent shall not be unreasonably withheld.

Section 5.4 Settlement Offers. Whenever the indemnified party or the indemnifying party receives a firm offer to settle a claim for which indemnification is sought hereunder, it shall promptly notify the other of such offer. If the indemnifying party refuses to accept such offer within 20 Business Days after receipt of such offer (or of notice thereof), such claim shall continue to be contested and, if such claim is within the scope of the indemnifying party's indemnity contained herein, the indemnified party shall be indemnified pursuant to the terms hereof. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim in any one jurisdiction, unless in the written opinion of counsel to the indemnified party, reasonably satisfactory to the indemnifying party, use of one counsel would be expected to give rise to a conflict of interest between such indemnified party and any other of such indemnified parties with respect to such claim, in which event the indemnifying party shall be obligated to pay the fees and expenses of one additional counsel.

Section 5.5 Other Indemnification. Indemnification similar to that specified in this Article V (with appropriate modifications) shall be given by the Company and each Selling Investor with respect to any required registration or other qualification of Registrable Securities under Federal or state law or regulation of governmental authority other than the Securities Act.

Section 5.6 Contribution. If for any reason the indemnification provided for in Section 5.1 or Section 5.2 is unavailable to an indemnified party or insufficient to hold it harmless as contemplated by Section 5.1 and Section 5.2, then (i) the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as shall be appropriate to reflect the relative benefits received by the Company, on the one hand, and such prospective sellers, on the other hand, from their sale of the Registrable Securities, provided that, no Selling Investor shall be required to contribute in an amount greater than the dollar amount of the net proceeds received by such Selling Investor

with respect to the sale of the Registrable Securities giving rise to such indemnification obligation. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities, or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in Section 5.3, defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations in this Section 5.6 to contribute shall be several in proportion to the amount of Registrable Securities registered by them and not joint.

ARTICLE VI

EXCHANGE ACT COMPLIANCE

Section 6.1 Exchange Act Compliance. So long as the Company (a) has registered a class of securities under Section 12 or Section 15 of the Exchange Act and (b) files reports under Section 13 of the Exchange Act, then the Company shall take all actions reasonably necessary to enable Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act, as such rule may be amended from time to time or any similar rules or regulations adopted by the Commission, including, without limiting the generality of the foregoing, (i) making and keeping public information available, as those terms are understood and defined in Rule 144 promulgated under the Securities Act, (ii) filing with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act and (iii) at the request of any Holder if such Holder proposes to sell securities in compliance with Rule 144, forthwith furnish to such Holder, as applicable, a written statement of compliance with the reporting requirements of the Commission as set forth in Rule 144 and make available to such Holder such information as will enable the Holder to make sales pursuant to Rule 144.

ARTICLE VII

TERMINATION

Section 7.1 Termination. The registration rights hereunder shall cease to apply to any particular Registrable Security when: (a) a registration statement with respect to the sale of such Shares shall have become effective under the Securities Act and such Shares shall have been disposed of in accordance with such registration statement; (b) such Shares shall have been sold to the public pursuant to Rule 144 under the Securities Act (or any successor provision); (c) such Shares shall have been otherwise transferred, new certificates or book-entries for them not bearing a legend restricting further transfer shall have been delivered by the Company and subsequent public distribution of them shall not require registration or qualification of them under the Securities Act or any similar state law then in force; (d) such Shares shall have ceased to be outstanding; or (e) the Holder of such Registrable Security holds less than one percent (1%) of the then issued and outstanding shares of Common Stock (determined as the aggregate number of Registrable Securities held by such Holder with all of its Affiliates) and such Registrable Securities are eligible for sale pursuant to Rule 144 under the Securities Act (or any successor provision) without compliance with the manner of sale, volume and other limitations under such rule. The Company shall promptly upon the request of any Holder furnish to such Holder evidence of the number of shares of Common Stock then outstanding.

ARTICLE VIII

MISCELLANEOUS

Section 8.1 Severability. If any provision of this Agreement is adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 8.2 Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement and any action of any kind or any nature (whether at law or in equity, based in contract or in tort or otherwise) that is any way related to this Agreement or any of the transactions related hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts executed in and to be performed in that state without regard to the conflict of laws rules thereof. Each party to this Agreement (i) consents to submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom located in the State of Delaware (or, only if the Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court sitting in Wilmington, Delaware), (ii) waives any objection to the laying of venue of any action related to the transactions contemplated by this Agreement brought in such court, (iii) waives and agrees not to plead or claim in any such court that any such action brought in any such court has been brought in an inconvenient forum and (iv) agrees that service of process or of any other papers upon such party by registered mail at the address to which notices are required to be sent to such party under Section 8.5 shall be deemed good, proper and effective service upon such party. EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION PROCEEDING, CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 8.3 Other Registration Rights. If the Company shall at any time hereafter provide to any holder of any securities of the Company rights with respect to the registration of such securities under the Securities Act, such rights shall not be in conflict with or adversely affect any of the rights provided to the holders of Registrable Securities in, or conflict (in a manner that adversely affects holders of Registrable Securities) with any other provisions included in, this Agreement.

Section 8.4 Successors and Assigns. Subject to Section 8.4, this Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties hereto, each of which, in the case of the Holders, shall agree to become subject to the terms of this Agreement by executing an Adoption Agreement and be bound to the same extent as the parties hereto. The Company may not assign any of its rights or delegate any of its duties hereunder

without the prior written consent of the Holders of a majority of the Registrable Securities. Subject to Section 2.1(a) and Section 2.2(b), any Holder may, at its election and at any time or from time to time, assign its rights and delegate its duties hereunder, in whole or in part, to any Transferee of such Holder (each, an "Assignee"); provided, that no such assignment shall be binding upon or obligate the Company to any such Assignee unless and until such Assignee delivers the Company an Adoption Agreement. If a Holder assigns its rights under this Agreement in connection with the Transfer of less than all of its Registrable Securities, the Holder shall retain its rights under this Agreement with respect to its remaining Registrable Securities. If a Holder assigns its rights under this Agreement in connection with the Transfer of all of its Registrable Securities, the Holder shall have no further rights or obligations under this Agreement, except under Article V hereof in respect of offerings in which such Holder participated or registrations in which Registrable Securities held by such Holder were included. Any purported assignment in violation of this provision shall be null and *void ab initio*.

Section 8.5 Notices. All notices, requests, consents and other communications hereunder to any party shall be deemed to be sufficient if delivered in writing in person, by electronic mail or facsimile or sent by nationally-recognized overnight courier or first class registered or certified mail, return receipt requested, postage prepaid, addressed to such party at the address set forth below or at such other address as may hereafter be designated in writing by such party to the other parties. Section 8.6 Headings. The headings contained in this Agreement are for the sole purpose of convenience of reference, and shall not in any way limit or affect the meaning or interpretation of any of the terms or provisions of this Agreement.

Section 8.7 Additional Parties. Additional parties to this Agreement shall only include each Holder (a) who has executed an Adoption Agreement, in the form attached hereto as Exhibit A, or (b) who (i) is bound by and subject to the terms of this Agreement, and (ii) has adopted this Agreement with the same force and effect as if it were originally a party hereto.

Section 8.8 Adjustments. If, and as often as, there are any changes in the Shares or securities convertible into or exchangeable into or exercisable for Shares as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination, exchange or readjustment of shares, or any stock dividend or stock distribution, merger or other similar transaction affecting such Shares or such securities, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to such Shares or such securities as so changed.

Section 8.9 Entire Agreement. This Agreement and the other writings referred to herein constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral or written, with respect to such subject matter.

Section 8.10 Counterparts; Facsimile or.pdf Signature. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same document. This Agreement may be executed by facsimile or.pdf signature and a facsimile or.pdf signature shall constitute an original for all purposes.

Section 8.11 Amendment. Other than with respect to amendments to Schedule I attached hereto, which may be amended by the Company from time to time to reflect the Holders at such time, this Agreement may not be amended, modified or supplemented without the written consent of the Apollo Stockholder (as long as it owns Registrable Securities); provided, however, that, with respect to a particular Holder or group of Holders, any such amendment, supplement, modification or waiver that (a) would materially and adversely affect such Holder or group of Holders in any respect or (b) would disproportionately benefit any other Holder or group of Holders or confer any benefit on any other Holder or group of Holders to which such Holder of group of Holders would not be entitled, shall not be effective against such Holder or group of Holders unless approved in writing by such Holder or the Holders of a majority of the Registrable Securities held by such group of Holders, as the case may be.

Section 8.12 Extensions; Waivers. Any party may, for itself only, (a) extend the time for the performance of any of the obligations of any other party under this Agreement, (b) waive any inaccuracies in the representations and warranties of any other party contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any extension or waiver pursuant to this Section 8.12 will be valid only if set forth in a writing signed by the party to be bound thereby. No waiver by any party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, may be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising because of any prior or subsequent such occurrence. Neither the failure nor any delay on the part of any party to exercise any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise of the same or of any other right or remedy.

Section 8.13 Further Assurances. Each of the parties hereto shall execute all such further instruments and documents and take all such further action as the Company may reasonably require in order to effectuate the terms and purposes of this Agreement.

Section 8.14 No Third-Party Beneficiaries. Except pursuant to Article V, this Agreement shall not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns and other Persons expressly named herein.

Section 8.15 Interpretation; Construction. This Agreement has been freely and fairly negotiated among the parties. If an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties and no presumption or burden of proof will arise favoring or disfavoring any party because of the authorship of any provision of this Agreement. Any reference to any law will be deemed to refer to such law as amended and all rules and regulations promulgated thereunder, unless the context requires otherwise. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder” and words of similar import refer to this Agreement as a whole, including the schedules, exhibits and annexes, as the same may from time to time be amended, modified or supplemented, and not to any particular subdivision unless expressly so limited. All references to

sections, schedules, annexes and exhibits mean the sections of this Agreement and the schedules, annexes and exhibits attached to this Agreement, except where otherwise stated. The parties intend that each representation, warranty, and covenant contained herein will have independent significance. If any party has breached any covenant contained herein in any respect, the fact that there exists another covenant relating to the same subject matter (regardless of the relative levels of specificity) that the party has not breached will not detract from or mitigate the party's breach of the first covenant.

Section 8.16 Changes in Common Stock. If, and as often as, there are any changes in Common Stock by way of by way of a dividend, distribution, stock split or combination, reclassification, recapitalization, exchange or readjustment, whether in a merger, consolidation, conversion or similar transaction, or by any other means, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to Common Stock as so changed.

by and between

SUN COUNTRY AIRLINES HOLDINGS, INC.

and

as Indemnitee

Dated as of [_____], 2021

TABLE OF CONTENTS

INDEMNIFICATION AGREEMENT

INDEMNIFICATION AGREEMENT, dated effective as of [____], 2021 (this "Agreement"), by and between Sun Country Airlines Holdings, Inc., a Delaware corporation (the "Company"), and [_____] ("Indemnitee"). Capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in Article 1.

WHEREAS, the Company desires to attract and retain the services of highly qualified individuals, such as Indemnitee, to serve the Company;

WHEREAS, in order to induce Indemnitee to provide or continue to provide services to the Company, the Company wishes to provide for the indemnification of, and advancement of expenses to, Indemnitee to the fullest extent permitted by law;

WHEREAS, the Company and Indemnitee further recognize the substantial increase in corporate litigation in general, subjecting directors, officers, employees, agents and fiduciaries to expensive litigation risks at the same time as the availability and scope of coverage of liability insurance provide increasing challenges for the Company;

WHEREAS, the Company's Amended and Restated Certificate of Incorporation (as the same may be amended and/or restated from time to time, the "Certificate of Incorporation") requires indemnification of the officers and directors of the Company, and Indemnitee may also be entitled to indemnification pursuant to applicable provisions of the Delaware General Corporation Law ("DGCL");

WHEREAS, the Certificate of Incorporation and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts providing for indemnification may be entered into between the Company and members of the board of directors of the Company (the "Board"), executive officers and other key employees of the Company;

WHEREAS, this Agreement is a supplement to and in furtherance of the Certificate of Incorporation and any resolutions adopted pursuant thereto and shall not be deemed a substitute therefor nor to diminish or abrogate any rights of Indemnitee thereunder (regardless of, among other things, any amendment to or revocation of governing documents or any change in the composition of the Board or any Corporate Transaction); and

WHEREAS, Indemnitee will serve or continue to serve as a director, officer or key employee of the Company for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders his or her resignation or is otherwise terminated by the Company.

NOW, THEREFORE, in consideration of the promises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

ARTICLE 1

DEFINITIONS

As used in this Agreement:

1.1. "Affiliate" shall have the meaning set forth in Rule 405 under the Securities Act of 1933, as amended (as in effect on the date hereof).

1.2. "Agreement" shall have the meaning set forth in the preamble.

1.3. "Beneficial Owner" and "Beneficial Ownership" shall have the meaning set forth in Rule 13d-3 under the Exchange Act (as in effect on the date hereof).

1.4. "Board" shall have the meaning set forth in the recitals.

1.5. "Bylaws" shall mean the Company's Amended and Restated Bylaws (as the same may be amended and/or restated from time to time).

1.6. "Certificate of Incorporation" shall have the meaning set forth in the recitals.

1.7. "Change in Control" shall mean, and shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following events:

(a) Acquisition of Stock by Third Party. Any Person other than a Permitted Holder is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding Voting Securities, unless (i) the change in the relative Beneficial Ownership of the Company's securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors or (ii) such acquisition was approved in advance by the Continuing Directors and such acquisition would not constitute a Change in Control under part (c) of this definition;

(b) Change in Board of Directors. Individuals who, as of the date hereof, constitute the Board, and any new director whose appointment or election by the Board or nomination for election by the Company's stockholders was approved or recommended by a vote of at least a majority of the directors then still in office who were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended by the directors referred to in this clause (b) (collectively, the "Continuing Directors"), cease for any reason to constitute at least a majority of the members of the Board;

(c) Corporate Transactions. The effective date of a reorganization, merger or consolidation of the Company (in each case, a "Corporate Transaction"), unless following such Corporate Transaction: (i) all or substantially all of the individuals and entities who were the Beneficial Owners of Voting Securities of the Company immediately prior to such Corporate Transaction beneficially own, directly or indirectly, more than 50% of the combined voting power of the then outstanding Voting Securities of the Company or other Person resulting from such Corporate Transaction (including, without limitation, a corporation or other Person that as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more Subsidiaries) in substantially the same proportions as their ownership of Voting Securities immediately prior to such Corporate Transaction; (ii) no Person (excluding any corporation resulting from such Corporate Transaction or the Permitted Holders) is the Beneficial Owner, directly or indirectly, of 50% or more of the combined voting power of the then outstanding Voting Securities of the Company or other Person resulting from such Corporate Transaction, except to the extent that such ownership existed prior to such Corporate Transaction; and (iii) at least a majority of the board of directors of the Company or other Person resulting from such Corporate Transaction were Continuing Directors at the time of the execution of the initial agreement, or of the action of the Board, providing for such Corporate Transaction; or

(d) Other Events. The approval by the stockholders of the Company of a plan of complete liquidation or dissolution of the Company or the consummation of an agreement or series of related agreements for the sale or other disposition, directly or indirectly, by the Company of all or substantially all of the Company's assets, other than such sale or other disposition by the Company of all or substantially all of the Company's assets to a Person, at least 50% of the combined voting power of the Voting Securities of which are Beneficially Owned by (i) the stockholders of the Company immediately prior to such sale or (ii) the Permitted Holders.

1.8. "Company" shall have the meaning set forth in the preamble and shall also include, in addition to the resulting corporation or other entity, any constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger that, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that if Indemnitee is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, manager, managing member, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, Indemnitee shall stand in the same position under the provisions of this Agreement with respect to the resulting or surviving corporation or other entity as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

1.9. "Continuing Directors" shall have the meaning set forth in Section 1.7(b).

1.10. "Corporate Status" shall describe the status as such of a person who is or was a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of the Company or of any other Enterprise which such person is or was serving at the request of the Company.

1.11. "Corporate Transaction" shall have the meaning set forth in Section 1.7(c).

1.12. "Delaware Court" shall mean the Court of Chancery of the State of Delaware.

1.13. "DGCL" shall have the meaning set forth in the recitals.

1.14. "Disinterested Director" shall mean a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

1.15. "Enterprise" shall mean the Company and any other corporation, constituent corporation (including, without limitation, any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned Subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent.

1.16. "Exchange Act" shall mean the Securities Exchange Act of 1934, as amended.

1.17. "Expenses" shall include all reasonable and documented costs, expenses and fees, including, but not limited to, attorneys' fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settling or negotiating for the settlement of, responding to or objecting to a request to provide discovery in, or otherwise participating in, any Proceeding. Expenses also shall include expenses incurred in connection with any appeal resulting from any Proceeding, including, without limitation, the premium, security for, and other costs relating to any cost bond, supersede as bond, or other appeal bond or its equivalent and any federal, state, local or foreign taxes imposed on the Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments, fines or penalties against Indemnitee.

1.18. "Indemnification Arrangements" shall have the meaning set forth in Section 15.2.

1.19. "Indemnitee" shall have the meaning set forth in the preamble.

1.20. "Indemnitee-Related Entities" shall mean any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than the Company, any other Enterprise controlled by the Company or the insurer under and pursuant to an insurance policy of the Company or any such controlled Enterprise) from whom an Indemnitee may be entitled to indemnification or advancement of expenses with respect to which, in whole or in part, the Company or any other Enterprise controlled by the Company may also have an indemnification or advancement obligation.

Notwithstanding the foregoing, the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee's rights under this Agreement. The Company agrees to pay the reasonable fees and expenses of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto. For purposes of this definition, a "material matter" shall mean any matter for which billings exceeded or are expected to exceed $100,000.

1.23. "Person" shall have the meaning set forth in Sections 13(d) and 14(d) of the Exchange Act (as in effect on the date hereof); provided, however, that the term "Person" shall exclude: (a) the Company; (b) any Subsidiaries of the Company; and (c) any employee benefit plan of the Company or a Subsidiary of the Company or any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary of the Company or of a corporation or other entity owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

1.24. "Proceeding" shall include any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened, pending or completed proceeding, including, without limitation, any and all appeals, whether brought by or in the right of the Company or otherwise and whether of a civil (including, without limitation, intentional or unintentional tort claims), criminal, administrative or investigative nature, whether formal or informal, in which Indemnitee was, is, will or might be involved as a party or otherwise by reason of the fact that Indemnitee is or was a director or officer or key employee of the Company, by reason of any action taken by or omission by Indemnitee, or of any action or omission on Indemnitee's part while acting as a director or officer or key employee of the Company, or by reason of the fact that Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise; in each case whether or not acting or serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement or advancement of expenses can be provided under this Agreement or Section 145 of the DGCL; including any proceeding pending on or before the date of this Agreement but excluding any proceeding initiated by Indemnitee to enforce Indemnitee's rights under this Agreement or Section 145 of the DGCL.

1.25. "Related Party" shall mean, with respect to any Person, (a) any controlling stockholder, controlling member, general partner, Subsidiary, spouse or immediate family member (in the case of an individual) of such Person, (b) any estate, trust, corporation, partnership or other entity, the beneficiaries, stockholders, partners or owners of which consist solely of one or more Permitted Holders and/or such other Persons referred to in the immediately preceding clause (a), or (c) any executor, administrator, trustee, manager, director or other similar fiduciary of any Person referred to in the immediately preceding clause (b), acting solely in such capacity.

1.26. "Section 409A" shall have the meaning set forth in Section 17.2.

1.27. "Subsidiary" with respect to any Person, shall mean any corporation or other entity of which a majority of the voting power of the voting equity securities or equity interest is owned, directly or indirectly, by that Person.

1.28. "Voting Securities" shall mean any securities of the Company (or a surviving entity as described in the definition of a "Change in Control") that vote generally in the election of directors (or similar body).

1.29. References to "fines" shall include any excise tax or penalty assessed on Indemnitee with respect to any employee benefit plan; references to "other enterprise" shall include employee benefit plans; references to "serving at the request of the Company" shall include, without limitation, any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, such director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner "not opposed to the best interests of the Company" as referred to in this Agreement.

1.30. The phrase "to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law" shall include, but not be limited to: (a) to the fullest extent authorized or permitted by the provision of the DGCL that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the DGCL and (b) to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

ARTICLE 2

INDEMNITY IN THIRD-PARTY PROCEEDINGS

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 2 if Indemnitee is, was or is threatened to be made a party to or a participant (as a witness or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by applicable law, Indemnitee shall be indemnified against all Expenses, judgments, fines, penalties and, subject to Section 10.3, amounts paid in settlement actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful. No indemnification for Expenses shall be made under this Article 2 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged (and not subject to further appeal) by a court of competent jurisdiction to be liable to the Company, except to the extent that the Delaware Court or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

ARTICLE 3

INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY

Subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Article 3 if Indemnitee is, was or is threatened to be made a party to or a participant (as a witness or otherwise) in any Proceeding by or in the right of the Company to procure a judgment in its favor. Subject to Article 8, to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. No indemnification for Expenses shall be made under this Article 3 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged (and not subject to further appeal) by a court of competent jurisdiction to be liable to the Company, except to the extent that the Delaware Court or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

ARTICLE 4

INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL

Notwithstanding any other provisions of this Agreement, to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith. For the avoidance of doubt, if Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, then the Company shall indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with each resolved claim, issue or matter, whether or not Indemnitee was wholly or partly successful; provided that Indemnitee shall only be entitled to indemnification for Expenses with respect to unsuccessful claims under this Article 4 to the extent Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that such conduct was unlawful. For purposes of this Article 4 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, or by settlement, shall be deemed to be a successful result as to such claim, issue or matter.

ARTICLE 5

INDEMNIFICATION FOR EXPENSES OF A WITNESS

Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

ARTICLE 6

ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS

In addition to and notwithstanding any limitations in Articles 2, 3 or 4, but subject to Article 8, the Company shall indemnify, hold harmless and exonerate Indemnitee to the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law if Indemnitee is, was or is threatened to be made a party to or a participant in, any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and, subject to Section 10.3, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid

in settlement) actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with the Proceeding. No indemnity shall be available under this Article 6 on account of Indemnitee's conduct that constitutes a breach of Indemnitee's duty of loyalty to the Company or its stockholders or is an act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law.

ARTICLE 7

CONTRIBUTION IN THE EVENT OF JOINT LIABILITY

7.1. To the fullest extent not prohibited by (and not merely to the extent affirmatively permitted by) law, if the indemnification rights provided for in this Agreement are unavailable to Indemnitee in whole or in part for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall pay, in the first instance, the entire amount incurred by Indemnitee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, in connection with any Proceeding without requiring Indemnitee to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnitee.

7.2. The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such Proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

7.3. The Company hereby agrees to fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company (other than Indemnitee) who may be jointly liable with Indemnitee.

ARTICLE 8

EXCLUSIONS

8.1. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity, contribution or advancement of Expenses in connection with any claim made against Indemnitee:

(a) except as provided in Section 15.4, for which payment has actually been made to or on behalf of Indemnitee under any insurance policy of the Company or its Subsidiaries or other indemnity provision of the Company or its Subsidiaries, except with respect to any excess beyond the amount paid under any insurance policy, contract, agreement, other indemnity provision or otherwise; or

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act (or any similar successor statute) or similar provisions of state statutory law or common law; or

(c) in connection with any Proceeding (or any part of any Proceeding) initiated or brought voluntarily by Indemnitee, including, without limitation, any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, managers, managing members, employees or other indemnitees, other than a Proceeding initiated by Indemnitee to enforce its rights under this Agreement, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) or (ii) the Company provides the indemnification payment, in its sole discretion, pursuant to the powers vested in the Company under applicable law; or

(d) for the payment of amounts required to be reimbursed to the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002, as amended, or any similar successor statute; or

(e) for any payment to Indemnitee that is determined to be unlawful by a final judgment or other adjudication of a court or arbitration, arbitral or administrative body of competent jurisdiction as to which there is no further right or option of appeal or the time within which an appeal must be filed has expired without such filing and under the procedures and subject to the presumptions of this Agreement; or

(f) in connection with any Proceeding initiated by Indemnitee to enforce its rights under this Agreement if a court or arbitration, arbitral or administrative body of competent jurisdiction determines by final judicial decision that each of the material assertions made by Indemnitee in such Proceeding was not made in good faith or was frivolous.

The exclusions in this Article 8 shall not apply to counterclaims or affirmative defenses asserted by Indemnitee in an action brought against Indemnitee.

ARTICLE 9

ADVANCES OF EXPENSES; SELECTION OF LAW FIRM

9.1. Subject to Article 8, the Company shall, unless prohibited by applicable law, advance the Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding within ten business days after the receipt by the Company of a statement or statements requesting such advances, together with a reasonably detailed written explanation of the basis therefor and an itemization of legal fees and disbursements in reasonable detail, from time to time, whether prior to or after final disposition of any Proceeding. Advances shall be unsecured and interest free. Indemnitee shall qualify for advances, to the fullest extent permitted by this Agreement, solely upon the execution and delivery to the Company of an undertaking providing that Indemnitee undertakes to repay the advance to the extent that it is ultimately determined, by final judicial decision of a court or arbitration, arbitral or administrative body of competent jurisdiction from which there is no further right to appeal, that Indemnitee is not entitled to be indemnified by the Company under the provisions of this Agreement or pursuant to applicable law. This Section 9.1 shall not apply to any claim made by Indemnitee for which an indemnification payment is excluded pursuant to Article 8.

9.2. If the Company shall be obligated under Section 9.1 hereof to pay the Expenses of any Proceeding against Indemnitee, then the Company shall be entitled to assume the defense of such Proceeding upon the delivery to Indemnitee of written notice of its election to do so. If the Company elects to assume the defense of such Proceeding, then unless the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, the Company shall assume such defense using a single law firm (in addition to local counsel) selected by the Company representing Indemnitee and other present and former directors or officers of the Company. The retention of such law firm by the Company shall be subject to prior written approval by Indemnitee, which approval shall not be unreasonably withheld, delayed or conditioned. If the Company elects to assume the defense of such Proceeding and the plaintiff or plaintiffs in such Proceeding include one or more Persons holding, together with his, her or its Affiliates, in the aggregate, a majority of the combined voting power of the Company's then outstanding Voting Securities, then the Company shall assume such defense using a single law firm (in addition to local counsel) selected by Indemnitee and any other present or former directors or officers of the Company who are parties to such Proceeding. After (x) in the case of retention of any such law firm selected by the Company, delivery of the required notice to Indemnitee, approval of such law firm by Indemnitee and the retention of such law firm by the Company, or (y) in the case of retention of any such law firm selected by Indemnitee, the completion of such retention, the Company will not be liable to Indemnitee under this Agreement for any Expenses of any other law firm incurred by Indemnitee after the date that such first law firm is retained by the Company with respect to the same Proceeding; provided, that in the case of retention of any such law firm selected by the Company (a) Indemnitee shall have the right to retain a separate law firm in any such Proceeding at Indemnitee's sole expense; and (b) if (i) the retention of a law firm by Indemnitee has been previously authorized by the Company in writing, (ii) Indemnitee shall have reasonably concluded that (1) there may be a conflict of interest between either (x) the Company and Indemnitee or (y) Indemnitee and another present or former director or officer of the Company also represented by such law firm in the conduct of any such defense, or (2) there may be defenses available to Indemnitee that are incompatible or inconsistent with those available to the Company or another present or former director represented by such law firm in the conduct of such defense, or (iii) the Company shall not, in fact, have retained a law firm to prosecute the defense of such Proceeding within thirty days, then the reasonable Expenses of a single law firm retained by Indemnitee shall be at the expense of the Company. Notwithstanding anything else to the contrary in this Section 9.2, the Company will not be entitled without the written consent of the Indemnitee to assume the defense of any Proceeding brought by or in the right of the Company.

ARTICLE 10

PROCEDURE FOR NOTIFICATION; DEFENSE OF CLAIM; SETTLEMENT

10.1. Indemnitee shall, as a condition precedent to Indemnitee's right to be indemnified under this Agreement, give the Company notice in writing promptly of any claim made against Indemnitee for which indemnification will or could be sought under this Agreement; provided, however, that a delay in giving such notice shall not deprive Indemnitee of any right to be indemnified under this Agreement unless, and then only to the extent that, such delay is materially prejudicial to the defense of such claim. The omission or delay to notify the Company will not relieve the Company from any liability for indemnification which it may have to Indemnitee otherwise than under this Agreement. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

10.2. The Company will be entitled to participate in the Proceeding at its own expense.

10.3. The Company shall have no obligation to indemnify Indemnitee under this Agreement for any amounts paid in settlement of any claim effected without the Company's prior written consent, provided the Company has not breached its obligations hereunder. The Company shall not settle any claim, including, without limitation, any claim in which it takes the position that Indemnitee is not entitled to indemnification in connection with such settlement, nor shall the Company settle any claim which would impose any fine or obligation on Indemnitee or attribute to Indemnitee any admission of liability, without Indemnitee's prior written consent. Neither the Company nor Indemnitee shall unreasonably withhold, delay or condition their consent to any proposed settlement.

ARTICLE 11

PROCEDURE UPON APPLICATION FOR INDEMNIFICATION

11.1. Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 10.1, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in the specific case: (a) by a majority of the Company's stockholders, (b) if a Change in Control shall have occurred, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; or (c) if a Change in Control shall not have occurred, (i) by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, (ii) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors (provided there is a minimum of three Disinterested Directors), even though less than a quorum of the Board, or (iii) if there are less than three Disinterested Directors or, if such Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, and, if it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten business days after such determination and any future amounts due to Indemnitee shall be paid in accordance with this Agreement. Indemnitee shall cooperate with the Persons making such determination with respect to Indemnitee's entitlement to indemnification, including, without limitation, providing to such Persons upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination, provided, that nothing contained in this Agreement shall require Indemnitee to waive any privilege Indemnitee may have. Any costs or Expenses (including, without limitation, reasonable and documented attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the Persons making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification), and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

11.2. If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 11.1 hereof, the Independent Counsel shall be selected as provided in this Section 11.2. If a Change in Control shall not have occurred, the Independent Counsel shall be selected by the Board, and the Company shall give written notice to Indemnitee advising Indemnitee of the identity of the Independent Counsel so selected. If a Change in Control shall have occurred, the Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board, in which event the preceding sentence shall apply), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. In either event, Indemnitee or the Company, as the case may be, may, within thirty days after such written notice of selection shall have been given, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Article 1 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court or arbitration, arbitral or administrative body has determined that such objection is without merit. If, within thirty days after submission by Indemnitee of a written request for indemnification pursuant to Section 10.1 hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may seek arbitration for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the arbitrator or by such other person as the arbitrator shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 11.1 hereof. Such arbitration referred to in the previous sentence shall be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association, and Article 13 hereof shall apply in respect of such arbitration and the Company and Indemnitee. Upon the due commencement of any arbitration pursuant to Section 13.1 of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

ARTICLE 12

PRESUMPTIONS AND EFFECT OF CERTAIN PROCEEDINGS

12.1. In making a determination with respect to entitlement to indemnification hereunder, the Person making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 10.1 of this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its Board, its Independent Counsel and its stockholders) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification or advancement of expenses is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its Board, its Independent Counsel and its stockholders) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

12.2. If the Person empowered or selected under Article 11 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (a) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (b) a final judicial determination that any or all such indemnification is expressly prohibited under applicable law; provided, however, that such sixty-day period may be extended for a reasonable time, not to exceed an additional thirty days, if the Person making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto, provided further that, if final selection of Independent Counsel has not occurred within thirty days after receipt by the Company of the request for indemnification, such sixty-day period may be after the final selection of Independent Counsel pursuant to Section 11.2.

12.3. The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement (with or without court approval), conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

12.4. For purposes of any determination of good faith pursuant to this Agreement, Indemnitee shall be deemed to have acted in good faith if, among other things, Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the directors or officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, its board of directors, any committee of the board of directors or any director, or on information or records given or reports

made to the Enterprise, its board of directors, any committee of the board of directors or any director, by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise, its board of directors, any committee of the board of directors or any director. The provisions of this Section 12.4 shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement. In any event, it shall be presumed that Indemnitee has at all times acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

12.5. The knowledge and/or actions, or failure to act, of any other director, officer, trustee, partner, managing member, fiduciary, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

12.6. The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

ARTICLE 13

REMEDIES OF INDEMNITEE

13.1. In the event that (a) a determination is made pursuant to Article 11 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (b) advancement of Expenses, to the fullest extent permitted by applicable law, is not timely made pursuant to Article 9 of this Agreement, (c) no determination of entitlement to indemnification shall have been made pursuant to Section 11.1 of this Agreement within thirty days after receipt by the Company of the request for indemnification and of reasonable documentation and information which Indemnitee may be called upon to provide pursuant to Section 11.1, (d) payment of indemnification is not made pursuant to Articles 4, 5, 6 or the last sentence of Section 11.1 of this Agreement within ten business days after receipt by the Company of a written request therefor, (e) a contribution payment is not made in a timely manner pursuant to Article 7 of this Agreement, (f) payment of indemnification pursuant to Article 3 or 6 of this Agreement is not made within thirty days after a determination has been made that Indemnitee is entitled to indemnification or (g) the Company or any representative thereof takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, Indemnitee the benefits provided or intended to be provided to Indemnitee hereunder, Indemnitee may seek an award in arbitration to be conducted by a single arbitrator pursuant to

the Commercial Arbitration Rules of the American Arbitration Association. Except as set forth herein, the provisions of Delaware law (without regard to its conflict of laws rules) shall apply to any such arbitration. The Company shall not oppose Indemnitee's right to seek any such award in arbitration. The award rendered by such arbitration will be final and binding upon the parties hereto, and final judgment on the arbitration award may be entered in any court of competent jurisdiction.

13.2. In the event that a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is not entitled to indemnification, any arbitration commenced pursuant to this Article 13 shall be conducted in all respects as an arbitration on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any arbitration commenced pursuant to this Article 13, Indemnitee shall be presumed to be entitled to receive advances of Expenses under this Agreement and the Company shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and the Company may not refer to or introduce into evidence any determination pursuant to Section 11.1 of this Agreement adverse to Indemnitee for any purpose. If Indemnitee commences an arbitration pursuant to this Article 13, Indemnitee shall not be required to reimburse the Company for any advances pursuant to Article 9 until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal shall have been exhausted or lapsed).

13.3. If a determination shall have been made pursuant to Section 11.1 of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any arbitration commenced pursuant to this Article 13, absent (a) a misstatement by Indemnitee of a material fact or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification or (b) a prohibition of such indemnification under applicable law.

13.4. The Company shall be precluded from asserting in any arbitration commenced pursuant to this Article 13 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate before any such arbitrator that the Company is bound by all the provisions of this Agreement.

13.5. The Company shall indemnify and hold harmless Indemnitee to the fullest extent permitted by law against all Expenses and, if requested by Indemnitee, shall (within ten business days after the Company's receipt of such written request) pay to Indemnitee, to the fullest extent permitted by applicable law, such Expenses which are incurred by Indemnitee in connection with any arbitration brought by Indemnitee (a) to enforce his or her rights under, or to recover damages for breach of, this Agreement or any other indemnification, advancement or contribution agreement or provision of the Certificate of Incorporation, or the Bylaws now or hereafter in effect; or (b) for recovery or advances under any insurance policy maintained by any person for the benefit of Indemnitee, regardless of the outcome and whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement, contribution or insurance recovery, as the case may be (unless such arbitration was not brought by Indemnitee in good faith).

13.6. Interest shall be paid by the Company to Indemnitee at the legal rate under Delaware law for amounts which the Company indemnifies, or is obliged to indemnify, for the period commencing with the date on which Indemnitee requests indemnification, contribution, reimbursement or advancement of any Expenses and ending with the date on which such payment is made to Indemnitee by the Company.

ARTICLE 14

SECURITY

Notwithstanding anything herein to the contrary, to the extent requested by Indemnitee and approved by the Board, the Company may, as permitted by applicable securities laws, at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

ARTICLE 15

NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; PRIMACY OF INDEMNIFICATION; SUBROGATION

15.1. The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Certificate of Incorporation, the Bylaws or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

15.2. The DGCL and the Certificate of Incorporation permit the Company to purchase and maintain insurance or furnish similar protection or make other arrangements, including, but not limited to, providing a trust fund, letter of credit or surety bond ("Indemnification Arrangements") on behalf of Indemnitee against any liability asserted against Indemnitee or incurred by or on behalf of Indemnitee or in such capacity as a director, officer, employee or agent of the Company, or arising out of his or her status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability under the provisions of this Agreement or under the DGCL, as it may then be in effect. The purchase, establishment and maintenance of any such Indemnification Arrangement

shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and obligations of the Company or the other party or parties thereto under any such Indemnification Arrangement.

15.3. To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners, managers, managing members, fiduciaries, employees or agents of the Company or of any other Enterprise which such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent under such policy or policies. If, at the time the Company receives notice from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness or otherwise), the Company has director and officer liability insurance in effect, the Company shall give prompt notice of the commencement of such Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies and Indemnitee shall promptly cooperate with any request by the Company or insurers in connection with such action.

15.4. The Company hereby acknowledges that Indemnitee has certain rights to indemnification, advancement of Expenses and/or insurance provided by the Indemnitee-Related Entities. The Company hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to Indemnitee are primary and any obligation of the Indemnitee-Related Entities to advance Expenses or to provide indemnification for the same Expenses or liabilities incurred by Indemnitee are secondary), (ii) that it shall be required to advance the full amount of Expenses incurred by Indemnitee and shall be liable for the full amount of all Expenses, judgments, penalties, fines and amounts paid in settlement to the extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law and as required by the terms of this Agreement and the Certificate of Incorporation or the Bylaws (or any other agreement between the Company and Indemnitee), without regard to any rights Indemnitee may have against the Indemnitee-Related Entities and (iii) that it irrevocably waives, relinquishes and releases the Indemnitee-Related Entities from any and all claims against the Indemnitee-Related Entities for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Indemnitee-Related Entities on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company shall reduce or otherwise alter the rights of Indemnitee or the obligations of the Company hereunder. Under no circumstance shall the Company be entitled to any right of subrogation or contribution by the Indemnitee-Related Entities. In the event that any of the Indemnitee-Related Entities shall make any advancement or payment on

behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company, the Indemnitee-Related Entity making such payment shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Indemnitee against the Company, and Indemnitee shall execute all papers reasonably required and take all action reasonably necessary to secure such rights, including, without limitation, execution of such documents as are necessary to enable the Indemnitee-Related Entities to bring suit to enforce such rights. The Company and Indemnitee agree that the Indemnitee-Related Entities are express third party beneficiaries of the terms of this Section 15.4, entitled to enforce this Section 15.4 as though each of the Indemnitee-Related Entities were a party to this Agreement.

15.5. Except as provided in Section 15.4, in the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Indemnitee-Related Entities), who shall execute all papers reasonably required and take all action reasonably necessary to secure such rights, including, without limitation, execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

15.6. Except as provided in Section 15.4, the Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (or for which advancement is provided hereunder) if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

15.7. Except as provided in Section 15.4, the Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification payments or advancement of Expenses from such Enterprise. Notwithstanding any other provision of this Agreement to the contrary, (a) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification advancement, contribution or insurance coverage among multiple parties possessing such duties to Indemnitee prior to the Company's satisfaction and performance of all its obligations under this Agreement, and (b) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, contribution or insurance coverage rights against any person or entity other than the Company.

ARTICLE 16

ENFORCEMENT AND BINDING EFFECT

16.1. The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve or continue to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving or continuing to serve as a director, officer or key employee of the Company.

16.2. This Agreement shall be effective as of the date set forth on the first page and may apply to acts or omissions of Indemnitee which occurred prior to such date if Indemnitee was an officer, director, employee or other agent of the Company, or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of another corporation, limited liability company, partnership, joint venture, trust or other enterprise, at the time such act or omission occurred.

16.3. The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult to prove, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which he may be entitled. The Company and Indemnitee further agree that Indemnitee shall be entitled to such specific performance and injunctive relief, including, without limitation, temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by the Court, and the Company hereby waives any such requirement of such a bond or undertaking.

ARTICLE 17

MISCELLANEOUS

17.1. Successors and Assigns. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee's assigns, heirs, executors and administrators. The Company shall require and cause any successor (whether direct or indirect successor by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance reasonably satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

17.2. Section 409A. It is intended that any indemnification payment or advancement of Expenses made hereunder shall be exempt from Section 409A of the Internal Revenue Code of 1986, as amended, and the guidance issued thereunder ("Section 409A") pursuant to Treasury Regulation Section 1.409A-1(b)(10). Notwithstanding the foregoing, if any indemnification payment or advancement of Expenses made hereunder shall be determined to be "nonqualified deferred compensation" within the meaning of Section 409A, then (i) the amount of the indemnification payment or advancement of Expenses during one taxable year

shall not affect the amount of the indemnification payments or advancement of Expenses during any other taxable year, (ii) the indemnification payments or advancement of Expenses must be made on or before the last day of the Indemnitee's taxable year following the year in which the expense was incurred and (iii) the right to indemnification payments or advancement of Expenses hereunder is not subject to liquidation or exchange for another benefit.

17.3. Severability. In the event that any provision of this Agreement is determined by a court to require the Company to do or to fail to do an act which is in violation of applicable law, such provision (including, without limitation, any provision within a single Article, Section, paragraph or sentence) shall be limited or modified in its application to the minimum extent necessary to avoid a violation of law, and, as so limited or modified, such provision and the balance of this Agreement shall be enforceable in accordance with their terms to the fullest extent permitted by law.

17.4. Entire Agreement. Without limiting any of the rights of Indemnitee under the Certificate of Incorporation or Bylaws, this Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

17.5. Modification, Waiver and Termination. No supplement, modification, termination, cancellation or amendment of this Agreement shall be binding unless executed in writing by each of the parties hereto. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

17.6. Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (a) if delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed or (b) mailed by certified or registered mail with postage prepaid on the third business day after the date on which it is so mailed:

(i) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee shall provide in writing to the Company.

(ii) If to the Company, to:

Sun Country Airlines Holdings, Inc.
2005 Cargo Road
Minneapolis, MN 55450
Attn: Eric Levenhagen, General Counsel and Secretary

or to any other address as may have been furnished to Indemnitee in writing by the Company.

17.7. Applicable Law. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. If, notwithstanding the foregoing sentence, a court of competent jurisdiction shall make a final determination that the provisions of the law of any state other than Delaware govern indemnification by the Company of Indemnitee, then the indemnification provided under this Agreement shall in all instances be enforceable to the fullest extent permitted under such law, notwithstanding any provision of this Agreement to the contrary.

17.8. Identical Counterparts. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

17.9. Headings. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

17.10. Representation by Counsel. Each of the parties has been represented by and has had an opportunity to consult legal counsel in connection with the negotiation and execution of this Agreement. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party by any court or arbitrator or any governmental authority by reason of such party having drafted or being deemed to have drafted such provision.

17.11. Period of Limitations. No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company, the Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives against the Company, Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company, the Indemnitee, or Indemnitee's spouse, heirs, executors or personal or legal representatives, shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action, such shorter period shall govern.

17.12. Additional Acts. If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required, the Company undertakes to cause such act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

The term "Committee" shall, for all purposes of the Plan be deemed to refer to the Executive Committee if the Executive Committee is administering the Plan.

3.2 Procedures.

The Committee shall adopt such rules and regulations as it shall deem appropriate concerning the holding of meetings and the administration of the Plan.

3.3 Interpretation.

Except as may otherwise be expressly reserved to the Committee as provided herein, and with respect to any Award, except as may otherwise be provided in the Award Agreement evidencing such Award, the Committee shall have all powers with respect to the administration of the Plan, including the interpretation of the provisions of the Plan and any Award Agreement (including, without limitation, whether any particular Termination of Relationship is for Cause), and all decisions of the Committee, as the case may be, shall be reasonable and made in good faith and shall be conclusive and binding on all Participants in the Plan.

3.4 Binding Determinations.

Any action taken by, or inaction of, the Company or the Committee relating or pursuant to the Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all Persons. Any interpretations, decisions or determinations of the Committee need not be the same with respect to each Participant (whether or not such Participants are similarly situated). Neither the Company nor the Committee, nor any member thereof or Person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan (or any Award), and all such Persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time.

3.5 Reliance on Experts.

In making any determination or in taking or not taking any action under the Plan, the Company and the Committee may obtain and may rely upon the advice of experts, including employees of and professional advisors to the Company. No director, officer or agent of the Company Group shall be liable for any such action or determination taken or made or omitted in good faith.

Subject to the provisions of Article VIII (relating to adjustments upon changes in capital structure and other corporate transactions), an aggregate of 369,828 Shares shall be Reserved Shares hereunder. Shares that are subject to or underlie Awards granted under the Plan that expire or for any reason are canceled or terminated, are forfeited, are repurchased, fail to vest or for any other reason are not issued or delivered under the Plan will again, except to the extent prohibited by law or applicable listing or regulatory requirements, be available for subsequent Awards under the Plan.

ARTICLE IV

ELIGIBILITY; AWARD AGREEMENTS

4.1 General.

Awards may be granted under the Plan only to Persons who are employees or directors of, or consultants to, the Company or any of its Subsidiaries on the date of grant. A Person's eligibility to be granted an Award under the Plan is not a commitment that any Award will be granted to that Person under the Plan. Each Person to whom an Award is granted under the Plan is referred to herein as a "Participant."

4.2 Exceptions.

Notwithstanding anything contained in Section 4.1 to the contrary, no ISO may be granted under the Plan to an employee who owns, directly or indirectly (within the meaning of Sections 422(b)(6) and 424(d) of the Code), stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its Parent, if any, or any of its Subsidiaries, unless (a) the Option Price of the Shares subject to such ISO is fixed at not less than 110% of the Fair Market Value of such Shares on the date of the grant (as determined in accordance with the definition thereof), and (b) such ISO by its terms is not exercisable after the expiration of five years from the date on which it is granted.

4.3 Award Agreements.

Each Award granted under the Plan shall be evidenced by an Award Agreement in the form approved by the Committee. The Award Agreement shall contain the terms established by the Committee for that Award, as well as any other terms, provisions, or restrictions that the Committee may impose on the Award or any Shares subject to the Award, in each case subject to the applicable provisions and limitations of the Plan. The Committee may require that the spouse of any married recipient of an Award also promptly execute and return to the Company the Award Agreement evidencing the Award granted to the recipient or such other spousal consent form that the Committee may require in connection with the grant of the Award.

ARTICLE V

OPTIONS

5.1 General.

Options may be granted under the Plan at any time and from time to time on or prior to the Termination Date; provided that (a) Options granted to employees of the Company Group shall be, in the discretion of the Committee, either ISOs or NSOs on the date of the grant and (b) Options granted to consultants and non-employee directors shall be NSOs. Subject to the provisions of the Plan, the Committee shall have plenary authority, in its sole discretion and consistent with applicable law, to determine:

(a) The Persons (from among the class of Persons eligible to receive Options under the Plan) to whom Options shall be granted;

(b) The time or times at which Options shall be granted; and

(c) The number of Shares for which an Option may be exercisable.

5.2 Option Terms.

Each Option granted under the Plan shall be designated as an ISO or an NSO and shall be subject to the terms and conditions applicable to ISOs and/or NSOs (as the case may be) set forth in the Plan. Each Option shall specify the number of Shares for which such Option shall be exercisable and the exercise price for such Shares. In addition, each Option shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant.

5.3 Vesting.

The Committee shall determine whether and to what extent any Options that are exercisable for Shares are also subject to vesting based upon the Participant’s continued service to, and/or the performance of duties for, the Company Group and/or the attainment of specified performance goals.

4.4 Date of Grant.

The date of grant of an Option under the Plan shall be the date as of which the Committee approves the grant.

4.5 Shares Subject to Options.

Options shall be granted to purchase a specified number of Shares not to exceed, in the aggregate, the Reserved Shares. Options may be exercisable for whole Shares only.

4.6 Option Price.

The price (the "Option Price") at which each Share underlying an Option may be purchased shall be determined by the Committee and set forth in the Award Agreement; provided, however, that in the case of an ISO, such Option Price shall in no event be less than 100% (or 110% if Section 4.2 hereof is applicable) of the Fair Market Value of the Shares on the date of the grant.

4.7 Automatic Termination of Options.

Each Option granted under the Plan shall terminate automatically and shall become null and void and be of no further force or effect upon such date or dates set forth in the applicable Award Agreement, consistent with the terms of the Plan. Any Shares that are not acquired as a result of an Option's expiration without being fully exercised shall be available for award by the Committee to another eligible Person.

4.8 Limitations on ISOs; Notice to Participants Granted ISOs.

In accordance with Section 422(d) of the Code, to the extent that the aggregate Fair Market Value of all stock with respect to which incentive stock options are exercisable for the first time by a Participant during any calendar year (under all plans of the Company Group) exceeds $100,000, such ISOs shall be treated as NSOs.

4.9 Payment of Option Price.

A Participant shall pay for the exercise of a Vested Option in United States currency by either (i) cash or personal or certified check payable to the Company in an amount equal to the aggregate Option Price of the Shares with respect to which the Option is being exercised or (ii) with the consent of the Committee, by instructing the Company to withhold from the number of Shares with respect to which the Option is being exercised a number of Shares having, as of the date of such exercise, a Fair Market Value equal to the aggregate Option Price of the Shares with respect to which the Option is being exercised. Notwithstanding the foregoing, in the case of an initial public offering, a Vested Option may be exercised (following the expiration of any required "lock-ups" or similar restrictions) under the above clause (ii) (withholding of Shares) at the Participant's option.

4.10 Notice of Exercise.

A Participant (or other Person, as provided in Section 9.2) may exercise an Option (for the Shares represented thereby) in whole or in part (but for the purchase of whole Shares only), as provided in the Award Agreement evidencing his or her Option, by delivering a written notice (the "Notice") to the Secretary of the Company. The Notice shall state:

(a) that the Participant elects to exercise the Option;

(b) the number of Shares with respect to which the Option is being exercised (the "Option Shares");

(c) the method of payment for the Option Shares (which method must be available to the Participant under the terms of his or her Award Agreement);

(d) the date upon which the Participant desires to consummate the purchase (which date must be prior to the termination of such Option);

(e) a copy of any election filed or intended to be filed by the Participant with respect to such Option Shares pursuant to Section 83(b) of the Code; and

(f) any additional provisions consistent with the Plan as the Committee may from time to time require.

The exercise date of an Option shall be the date on which the Company receives the Notice from the Participant. Such Notice shall also contain, to the extent that such Participant is not then a party to the Stockholders' Agreement, an adoption agreement, in form and substance satisfactory to the Committee, pursuant to which the Participant agrees to become a party to the Stockholders' Agreement (an "Adoption Agreement"). The Participant shall also execute any other documentation as reasonably required by the Committee.

4.11 Issuance of Certificates.

The Company shall issue stock certificates in the name of the Participant (or such other Person exercising the Option in accordance with the provisions of Section 9.2), for the securities purchased upon exercise of an Option as soon as practicable after receipt of the Notice and payment of the aggregate Option Price for such securities; provided that the Company may elect to not issue any fractional Shares upon the exercise of any Options (determining the fractional Shares after aggregating all Shares issuable to a single holder as a result of an exercise of an Option for more than one Share) and in lieu of issuing such fractional Shares, shall pay the Participant the Fair Market Value thereof. Neither the Participant nor any Person exercising an Option in accordance with the provisions of Section 9.2 shall have any privileges as a Stockholder of the Company with respect to any Shares subject to an Option granted under the Plan until the date of issuance of stock certificates pursuant to this Section 5.11. Notwithstanding the foregoing, the Company shall not be required to deliver stock certificates to the Participant evidencing the Shares issued in connection with the exercise of Options if instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

ARTICLE VI

RESTRICTED STOCK AWARDS

6.1 General.

Restricted Stock may be granted or sold under the Plan at any time and from time to time on or prior to the Termination Date. Subject to the provisions of the Plan, the Committee shall have plenary authority, in its sole discretion and consistent with applicable law, to determine:

(a) the Persons (from among the class of Persons eligible to receive Restricted Stock under the Plan) to whom Restricted Stock Awards shall be granted or sold;

(b) the time or times at which Restricted Stock shall be granted or sold;

(c) the number of Shares covered by a Restricted Stock Award; and

(d) the per-Share purchase price, if any, for the Shares of Restricted Stock (the "Purchase Price").

6.2 Restricted Stock Award Terms.

Each Restricted Stock Award shall specify the number of Shares covered thereby and the Purchase Price, if any, for such Shares. In addition, each Restricted Stock Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant.

6.3 Vesting.

The Committee shall determine whether and to what extent any Shares covered by Restricted Stock Awards are also subject to vesting based upon the Participant's continued service to, or the performance of duties for, the Company Group and/or the attainment of specified performance goals.

6.4 Payment of Purchase Price.

The Purchase Price, if any, for the Shares of Restricted Stock shall be determined by the Committee and set forth in the Award Agreement. A Participant shall pay the Purchase Price for the Shares of Restricted Stock in United States currency by cash or personal or certified check payable to the Company in an amount equal to the aggregate Purchase Price of the Shares covered by the Restricted Stock Award. In the event that the Participant files an election under Section 83(b) of the Code in connection with the purchase of the Restricted Stock, the Participant must promptly provide a copy of such election to the Secretary of the Company.

6.5 Issuance of Certificates.

The Company shall issue stock certificates in the name of the Participant for the securities purchased or granted pursuant to a Restricted Stock Award as soon as practicable after the grant of the Award and receipt of the payment, if any, of the aggregate Purchase Price for such securities. The Participant shall not have any privileges as a Stockholder of the Company with respect to any Shares covered by a Restricted Stock Award granted under the Plan unless the Participant is a party to the Stockholders' Agreement (or has signed an Adoption Agreement with respect thereto) and until the date of issuance of stock certificates pursuant to this Section 6.5. The Company may require that any stock certificates issued in respect of Shares of Restricted Stock be deposited in escrow by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). Notwithstanding the foregoing, the Company shall not be required to deliver stock certificates to the Participant evidencing the Shares issued in connection with the Restricted Stock Award if instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

6.6 Dividends.

Participants holding Shares of Restricted Stock shall be entitled to all ordinary cash dividends paid with respect to such Shares, unless otherwise provided by the Committee in the applicable Award Agreement. In addition, unless otherwise provided by the Committee, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid. Each dividend payment will be made as provided in the applicable Award Agreement, but in no event later than the end of the calendar year in which the dividends are paid to holders of the Common Stock or, if later, the 15th day of the third month following the later of (A) the date the dividends are paid to the holders of the Common Stock, and (B) the date the dividends are no longer subject to forfeiture.

ARTICLE VII

RESTRICTED STOCK UNIT AWARDS

7.1 General.

Restricted Stock Units may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Subject to the provisions of the Plan, the Committee shall have plenary authority, in its sole discretion and consistent with applicable law, to determine:

(a) the Persons (from among the class of Persons eligible to receive Restricted Stock Units under the Plan) to whom Restricted Stock Unit Awards shall be granted;

(b) the time or times at which Restricted Stock Units shall be granted and the settlement date for such Restricted Stock Units; and

(c) the number of Shares with respect to which a Restricted Stock Unit Award relates.

7.2 Restricted Stock Unit Award Terms.

Each Restricted Stock Unit Award shall specify the number of Restricted Stock Units covered thereby and the settlement date for such Restricted Stock Units. In addition, each Restricted Stock Unit Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant.

6.3 Vesting.

The Committee shall determine whether and to what extent the Restricted Stock Unit Awards are also subject to vesting based upon the Participant's continued service to, or the performance of duties for, the Company Group and/or the attainment of specified performance goals.

6.4 Settlement.

Upon the vesting of a Restricted Stock Unit, the Participant shall be entitled to receive from the Company one Share or an amount of cash or other property equal to the Fair Market Value of a Share on the settlement date, as provided in the applicable Award Agreement. The Committee may provide that settlement of Restricted Stock Units shall occur upon or as soon as reasonably practicable after the vesting of the Restricted Stock Units or shall instead be deferred, on a mandatory basis or at the election of the Participant, in a manner that complies with Section 409A of the Code and other applicable law.

6.5 Issuance of Certificates.

The Company shall issue stock certificates in the name of the Participant for the securities issued pursuant to a Restricted Stock Unit Award as soon as practicable after the settlement of the Award and the issuance of such securities. The Participant shall not have any privileges as a Stockholder of the Company, including any voting rights, with respect to any Shares underlying Restricted Stock Unit Awards granted under the Plan prior to the settlement date, and the Participant shall not have any privileges as a Stockholder of the Company with respect to Shares issued in connection with the settlement of such Award until the Participant is a party to the Stockholders' Agreement (or has signed an Adoption Agreement with respect thereto) and until the date of issuance of stock certificates pursuant to this Section 7.5. Notwithstanding the foregoing, the Company shall not be required to deliver stock certificates to the Participant evidencing the Shares issued in connection with the settlement of a Restricted Stock Unit Award if instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

6.6 Dividend Equivalents.

To the extent provided by the Committee in the applicable Award Agreement, a grant of Restricted Stock Units may provide a Participant with the right to receive the equivalent value (in cash or in Shares) of ordinary cash dividends paid with respect to the Shares ("Dividend Equivalents"). Dividend Equivalents may be paid currently or credited to an account for the Participant, may be settled in Shares and/or cash or other property and will be subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which they were are paid, as determined by the Committee, subject, in each case, to such terms and conditions as the Committee shall establish and set forth in the applicable Award Agreement.

ARTICLE VIII

ADJUSTMENTS

8.1 Changes in Capital Structure.

If the Common Stock is changed by reason of a stock split, reverse stock split, or stock combination, stock dividend or distribution, or converted into or exchanged for other securities as a result of a merger, consolidation or reorganization, or in connection with extraordinary cash dividends on the Common Stock, the Committee shall make such adjustments in the number and class of shares of stock available under the Plan as shall be necessary, in the Committee's good faith discretion, to preserve for a Participant rights substantially proportionate to his or her rights existing immediately prior to such transaction or event (but subject to the limitations and restrictions on such rights), including, without limitation, a corresponding adjustment changing the number and class of shares allocated to, and the Option Price or Purchase Price of, each Award or portion thereof outstanding at the time of such change. Notwithstanding anything contained in the Plan to the contrary, in the case of ISOs, no adjustment under this Section 8.1 shall be appropriate if such adjustment (a) would constitute a modification, extension or renewal of such ISOs within the meaning of Sections 422 and 424 of the Code, and the regulations promulgated by the Treasury Department thereunder, or (b) would, under Section 422 of the Code and the regulations promulgated by the Treasury Department thereunder, be considered the adoption of a new plan requiring Stockholder approval. The Company will not, in any event, permit the exercise price of any Option to be less than the par value of the Common Stock.

8.2 Special Rules.

The following rules shall apply in connection with Section 8.1 above:

(a) No adjustment shall be made for cash dividends (except as described in Section 8.1) or the issuance to Stockholders of rights to subscribe for additional Shares or other securities; and

(b) Any adjustments referred to in Section 8.1 shall be made by the Committee in its reasonable discretion and shall, absent manifest error, be conclusive and binding on all Persons holding any Awards granted under the Plan.

8.3 Deemed Repurchase and Come-Along Rights.

(a) Without limiting the application of any provisions of the Stockholders' Agreement, and without regard to whether a Participant is already a party to the Stockholders' Agreement, upon the occurrence of any event that would give rise to a Repurchase Right (as defined in the Stockholders' Agreement) or a Come-Along Right (as defined in the Stockholders' Agreement), in each case to which Shares underlying an Option or Restricted Stock Unit would have been subject had such Option been exercised, or such Restricted Stock Unit been settled, as applicable, and had the Participant been delivered such Shares, immediately prior thereto, the Company or its designee may, but shall not be obligated to, cancel all or any portion of the Subject Awards (as defined below) for an amount of consideration equal to the consideration that would have been paid to a holder of the Shares underlying such Subject Awards in connection with the

exercise of such Repurchase Right or Come-Along Right, as applicable, under the Stockholders' Agreement, less applicable tax withholding (and in the case of Options, less the Option Price thereof, and in the event that such amount would be equal to or less than zero, such Option may be canceled for no consideration); provided, that if necessary to comply with Section 409A of the Code, such amount shall not be payable with respect to any Restricted Stock Unit until the earliest time permitted by Section 409A of the Code. As used herein, the term "Subject Award" means, with respect to an Award, the portion of such Award relating to the number of Shares that would be subject to such Repurchase Right or Come-Along Right had they been issued to the Participant holding such Award and outstanding immediately prior thereto. Such cancellation and payment may be effected pursuant to any arrangement deemed appropriate by the Committee.

(b) For the sake of clarity, notwithstanding the foregoing, the outstanding Options, Restricted Stock, and Restricted Stock Units shall otherwise be subject to such adjustments as determined by the Committee pursuant to Section 8.1. Further, in no event shall the failure of the Company or its designee to exercise its rights under this Section 8.3 in connection with a Repurchase Right or Come-Along Right prejudice any of the Company's or its designee's rights under the Stockholders' Agreement with respect to either (i) any other Shares held by any Participant that may be subject to such Repurchase Right or Come-Along Right or (ii) any Shares issued to a Participant in the future upon exercise or settlement of any Subject Award that may in the future be subject to a future Repurchase Right or Come-Along Right.

ARTICLE IX

RESTRICTIONS ON AWARDS

9.1 Compliance With Securities Laws.

No Awards shall be granted under the Plan, and no securities shall be issued and delivered pursuant to Awards granted under the Plan, unless and until the Company and/or the Participant shall have complied with all applicable registration, listing and/or qualification requirements under any applicable law and all other requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the delivery of any Shares pursuant to any Award granted under the Plan, require a Participant (a) to represent in writing that the securities received pursuant to such Award are being acquired for investment and not with a view to distribution and (b) to make such other representations and warranties as are deemed reasonably appropriate by the Company. Stock certificates representing securities acquired under the Plan that have not been registered under the Securities Act shall, if required by the Committee, bear the legends as may be required by the Stockholders' Agreement and Award Agreement evidencing a particular Award.

9.2 Nonassignability of Awards.

No Award granted under the Plan shall be assignable or otherwise transferable by the Participant, except by will or by the laws of descent and distribution. An Award may be exercised during the lifetime of the Participant only by the Participant. If a Participant dies, his or her Awards shall thereafter be exercisable, during the period specified in the applicable Award Agreement (as the case may be), by his or her executors or administrators to the full extent (but only to such extent) to which such Awards were exercisable by the Participant at the time of his or her death.

8.3 No Evidence of Employment or Other Service Relationship; No Rights to Future Awards.

Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant any right with respect to the continuation of his or her employment by or other service relationship with the Company Group or interfere in any way with the right of the Company Group (subject to the terms of any separate agreement to the contrary) at any time to terminate such employment or other service relationship or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award. The grant of Awards under the Plan is a one-time benefit and does not create any contractual or other right to receive any other grant of other Awards under the Plan in the future. The grant of an Award does not form part of the Participant's entitlement to remuneration or benefits in terms of his or her employment or other service relationship with the Company Group.

8.4 Provisions for Foreign Participants – In General.

The Committee may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

8.5 Data Privacy.

As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this paragraph by and among, as applicable, the Company and its Subsidiaries and Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Company and its Subsidiaries and Affiliates may hold certain personal information about a Participant, including but not limited to, the Participant's name, home address and telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), any shares of stock held in the Company or any of its Subsidiaries and Affiliates, details of all Awards, in each case, for the purpose of implementing, managing and administering the Plan and Awards (the "Data"). The Company and its Subsidiaries and Affiliates may transfer the Data amongst themselves as necessary for the purpose of implementation, administration and management of a Participant's participation in the Plan, and the Company and its Subsidiaries and Affiliates may each further transfer the Data to any third parties assisting the Company in the implementation, administration and management of the Plan. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have data privacy laws and protections that are different from those of the recipients' country. Through acceptance of an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's

participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Company may cancel a Participant's ability to participate in the Plan and, in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws his or her consents as described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

8.6 Restrictive Covenants.

By accepting the grant of any Award hereunder, in addition to any other representations, warranties, and covenants set forth in (but subject to any exceptions set forth in) any Award Agreement, Service Agreement or other document required by the Committee with respect to such grant, each Participant agrees to be subject to and comply with the following covenants.

(a) Non-Solicitation; No Hire. To the fullest extent permitted by applicable law, unless otherwise provided in an Award Agreement or Service Agreement, each Participant agrees that during Participant's employment or other service relationship with the Company Group, and for the one (1) year period following the Participant's Termination of Relationship for any reason, the Participant will not, directly or indirectly, on Participant's own behalf or on behalf of another (i) solicit, induce or attempt to solicit or induce any officer, director or employee of the Company Group to terminate their relationship with or leave the employ of the Company Group, or in any way interfere with the relationship between any member of the Company Group, on the one hand, and any officer, director or employee thereof, on the other hand, (ii) hire (or other similar arrangement) any Person (in any capacity whether as an officer, director, employee or consultant) who is or at any time was an officer, director or employee of the Company Group until six (6) months after such individual's relationship (whether as an officer, director or employee) with the Company Group has ended, or (iii) induce or attempt to induce any customer, supplier, prospect, licensee or other business relation of the Company Group to cease doing business with the Company Group, or in any way interfere with the relationship between any such customer, supplier, prospect, licensee or business relation, on the one hand, and the Company Group, on the other hand.

(b) Non-Competition. To the fullest extent permitted by applicable law, unless otherwise provided in an Award Agreement or Service Agreement, each Participant agrees that during the Participant's employment or other service relationship with the Company Group, and for the Restricted Period (as defined below) following the Participant's Termination of Relationship for any reason, the Participant will not, directly or indirectly, on the Participant's own behalf or on behalf of another engage in, have any equity interest in, or manage or operate any Person, firm, corporation, partnership, business or entity (whether as director, officer, employee,

agent, representative, partner, security holder, consultant, or otherwise) that engages in (either directly or through any subsidiary or Affiliate thereof) any business or activity that competes with any of the businesses of the Company or any entity owned by the Company. Notwithstanding the foregoing, the Participant shall be permitted to acquire a passive stock or equity interest in such a business, provided that the stock or other equity interest acquired is not more than five percent (5%) of the outstanding interest in such business. For purposes of this Section 9.6(b), the term "Restricted Period" shall mean the following: (i) for Participants with the title Director or Sr. Director who voluntarily terminate employment with the Company or are terminated by the Company for "Cause", six (6) months, and for Participants with the title Director or Sr. Director who are involuntarily terminated without "Cause", such time period as determined by the Company which may be zero (0) and up to a maximum of twelve (12) months, provided, that, a member of the Company Group continues to pay the Participant his or her base salary during the Restricted Period elected by the Company; and (ii) for all other Participants, twelve (12) months.

(c) Nondisclosure of Confidential Information; Return of Property. Each Participant recognizes and acknowledges that he or she has access to the confidential information and/or has had material contact with the Company Group's customers, suppliers, licensees, representatives, agents, partners, licensors, or business relations. Each Participant agrees that he or she will not, directly or indirectly, at any time during or after such time as such Participant is a Participant in the Plan, disseminate, disclose or publish, or use for the Participant's benefit or the benefit of any Person, any confidential or proprietary information or trade secrets of or relating to the Company Group, including, without limitation, information with respect to the Company Group's operations, processes, products, inventions, business practices, finances, principals, vendors, suppliers, customers, potential customers, marketing methods, costs, prices, contractual relationships, regulatory status, compensation paid to employees or other terms of employment, or deliver to any Person any document, record, notebook, computer program or similar repository of or containing any such confidential or proprietary information or trade secrets. Upon the Participant's termination of employment for any reason, the Participant shall promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, or any other documents concerning the Company Group's customers, business plans, marketing strategies, products or processes. The Participant may respond to a lawful and valid subpoena or other legal process but shall give the Company Group the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company Group and its counsel the documents and other information sought and, if requested by the Company Group, shall reasonably assist such counsel in resisting or otherwise responding to such process.

(d) Non-Disparagement. The Participant shall not, at any time, directly or indirectly, knowingly disparage, criticize, or otherwise make derogatory statements regarding the Company Group, or any of its successors, directors or officers. The foregoing shall not be violated by the Participant's truthful responses to legal process or inquiry by a governmental authority.

(e) Intellectual Property Rights.

(i) The Participant agrees that the results and proceeds of the Participant's services for the Company Group (including, but not limited to, any trade secrets, products, services, processes, know-how, designs, developments, innovations, analyses, drawings, reports, techniques, formulas, methods, developmental or experimental work, improvements, discoveries, inventions, ideas, source and object codes, programs, matters of a literary, musical, dramatic or otherwise creative nature, writings and other works of authorship) resulting from services performed for the Company Group and any works in progress, whether or not patentable or registrable under copyright or similar statutes, that were made, developed, conceived or reduced to practice or learned by the Participant, either alone or jointly with others (collectively, "Inventions"), shall be works-made-for-hire and the Company (or, if applicable or as directed by the Company Group) shall be deemed the sole owner throughout the universe of any and all trade secret, patent, copyright and other intellectual property rights (collectively, "Proprietary Rights") of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, with the right to use the same in perpetuity in any manner the Company determines in its sole discretion, without any further payment to the Participant whatsoever. If, for any reason, any of such results and proceeds shall not legally be a work-made-for-hire and/or there are any Proprietary Rights which do not accrue to the Company Group under the immediately preceding sentence, then the Participant hereby irrevocably assigns and agrees to assign any and all of the Participant's right, title and interest thereto, including, without limitation, any and all Proprietary Rights of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, to the Company (or, if applicable or as directed by the Company, any of its Subsidiaries or Affiliates), and the Company or such Subsidiaries or Affiliates shall have the right to use the same in perpetuity throughout the universe in any manner determined by the Company or such Subsidiaries or Affiliates without any further payment to the Participant whatsoever. As to any Invention that the Participant is required to assign, the Participant shall promptly and fully disclose to the Company all information known to the Participant concerning such Invention. The Participant hereby waives and quitclaims to the Company Group any and all claims, of any nature whatsoever, that the Participant now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company Group.

(ii) The Participant agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Participant shall do any and all things that the Company may reasonably deem useful or desirable to establish or document the Company Group's exclusive ownership throughout the United States of America or any other country of any and all Proprietary Rights in any such Inventions, including, without limitation, the execution of appropriate copyright and/or patent applications or assignments. To the extent the Participant has any Proprietary Rights in the Inventions that cannot be assigned in the manner described above, the Participant unconditionally and irrevocably waives the enforcement of such Proprietary Rights. This Section 9.6(e) is subject to and shall not be deemed to limit, restrict or constitute any waiver by the Company Group of any Proprietary Rights of ownership to which the Company Group may be entitled by operation of law by virtue of the Participant's employment with, or service to, the Company Group. The Participant further agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Participant shall assist the Company Group in every proper and lawful way to obtain and from time to time enforce Proprietary Rights relating to Inventions in any and all countries. To this end, the Participant shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Proprietary Rights and the assignment thereof. In addition, the Participant shall execute, verify, and deliver assignments of such Proprietary Rights to the Company or its designees. The Participant's obligation to assist the Company Group with respect to Proprietary Rights relating to such Inventions in any and all countries shall continue beyond the Participant's Termination of Relationship.

(f) Restrictive Covenants Generally. If, at the time of enforcement of the covenants contained in this Section 9.6 (the "Restrictive Covenants"), a court shall hold that the duration, scope or area restrictions stated herein are unreasonable under circumstances then existing, the Participant and the Company Group agree that the maximum duration, scope or area reasonable under such circumstances shall be substituted for the stated duration, scope or area and that the court shall be allowed and directed to revise the restrictions contained herein to cover the maximum period, scope and area permitted by applicable law. Each Participant hereby acknowledges that the Restrictive Covenants are reasonable in terms of duration, scope and area restrictions and are necessary to protect the goodwill of the Company Group. Each Participant further acknowledges and agrees that the Restrictive Covenants are being agreed to by such Participant in connection with the Company's issuance of an Award to such Participant under the Plan, and are in addition to, not in substitution for, any restrictive covenants to which such Participant is or may become subject in connection with any relationship with the Company Group.

(g) Enforcement. If any Participant breaches, or threatens to commit a breach of, any of the Restrictive Covenants, the Company Group shall have the following rights and remedies, each of which rights and remedies shall be independent of the others and severally enforceable, and each of which is in addition to, and not in lieu of, any other rights and remedies available to the Company Group at law or in equity: (i) the right and remedy to seek to have the Restrictive Covenants specifically enforced by any court of competent jurisdiction (without posting a bond), it being agreed that any breach or threatened breach of the Restrictive Covenants would cause irreparable injury to the Company Group and that money damages would not provide an adequate remedy to the Company Group; and (ii) the right and remedy to require such Participant to account for and pay over to the Company any profits, monies, accruals, increments or other benefits derived or received by such Participant as the result of any transactions constituting a breach of the Restrictive Covenants. In the event of any breach or violation by any Participant of any of the Restrictive Covenants, the time period of such covenant with respect to such Participant shall, to the fullest extent permitted by law, be tolled until such breach or violation is resolved.

(h) Forfeiture. In the event of a material breach by the Participant of any Restrictive Covenant, then in addition to any other remedy which may be available at law or in equity, the Option shall be automatically forfeited effective as of the date on which such violation first occurs, and, in the event that the Participant has previously exercised all or any portion of the Option within the three (3) year period immediately preceding such breach, the Participant shall forfeit such Option Shares without consideration and be required to promptly repay to the Company, upon 10 days prior written demand by the Committee, any proceeds received by the Participant upon disposition of the Option Shares. The foregoing rights and remedies are in addition to any other rights and remedies that may be available to the Company and shall not prevent (and the Participant shall not assert that they shall prevent) the Company from bringing one or more actions in any applicable jurisdiction for injunctive relief or to recover damages as a result of the Participant's breach of Restrictive Covenants.

ARTICLE X

EFFECTIVE DATE OF THE PLAN

The Plan shall become effective on the date of its adoption by the Board of Directors of the Company (the "Effective Date"); provided, however, that no ISO shall be exercisable by a Participant unless and until the Plan shall have been approved by the Stockholders of the Company in accordance with the provisions of its Certificate of Incorporation and By-laws, which approval shall be obtained by a simple majority vote of Stockholders, voting either in person or by proxy, at a duly held Stockholders' meeting, or by written consent, within twelve months before or after the adoption of the Plan by the Board of Directors (as defined in the LLC Agreement) of the Company.

ARTICLE XI

TERMINATION OF THE PLAN

No Awards may be granted after the Termination Date. Any Awards outstanding as of the Termination Date shall remain in effect in accordance with their applicable terms and conditions and the terms and conditions of the Plan.

ARTICLE XII

AMENDMENT OF PLAN

The Plan may be modified or amended in any respect by the Committee with the prior approval of the Executive Committee (if the Executive Committee is not administering the Plan); provided, however, that the approval of the holders of a majority of the votes that may be cast by all of the holders of Shares to vote (voting together as a single class, with each such holder entitled to cast one vote per Share held by such holder) shall be obtained prior to any such amendment becoming effective if such approval is required by law or is necessary to comply with regulations promulgated by the Commission under Section 16(b) of the Exchange Act or with Section 422 of the Code or the regulations promulgated by the Treasury Department thereunder. Notwithstanding the foregoing, the Plan may not be modified or amended with respect to any existing Award Agreement without the consent of such Participant if such change would materially impair the rights of such Participant.

ARTICLE XIII

CAPTIONS

The use of captions in the Plan is for convenience. The captions are not intended to provide substantive rights.

ARTICLE XIV

DISQUALIFYING DISPOSITIONS

If securities acquired by exercise of an ISO granted under the Plan are disposed of within two years following the date of grant of the ISO or one year following the issuance of the securities to the Participant (a "Disqualifying Disposition"), the holder of such securities shall, immediately prior to such Disqualifying Disposition, notify the Company in writing of the date and terms of such Disqualifying Disposition and provide such other information regarding the Disqualifying Disposition as the Company may reasonably require.

ARTICLE XV

WITHHOLDING TAXES

Whenever any taxes are required by law to be withheld in connection with Shares delivered to a Participant pursuant to Awards under the Plan (including, without limitation, upon exercise of an NSO (or an exercise of an ISO that will be taxed as an NSO)), such Participant shall remit or, in appropriate circumstances, agree to remit when due, an amount sufficient to satisfy all current or estimated future federal, state, local and foreign withholding tax and employment tax requirements relating thereto. The Committee may, in its sole discretion, allow the Participant to satisfy the withholding tax obligations arising in connection with the delivery of such Shares pursuant to an Award under the Plan by electing to have the Company withhold from the Shares to be issued that number of Shares having a Fair Market Value equal to the amount required to be withheld, determined on the date that the amount of tax to be withheld is determined.

ARTICLE XVI

OTHER PROVISIONS

16.1 Other Provisions.

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Committee, in its sole discretion. Notwithstanding the foregoing, each ISO granted under the Plan shall include those terms and conditions that are necessary to qualify the ISO as an "incentive stock option" within the meaning of Section 422 of the Code and the regulations thereunder and shall not include any terms or conditions that are inconsistent therewith.

16.2 Separability of Provisions.

If any particular provision of the Plan shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of the Plan or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of the Plan or affecting the validity or enforceability of such provision in any other jurisdiction.

ARTICLE XVII

NUMBER AND GENDER

With respect to words used in the Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, and vice-versa, as the context requires.

ARTICLE XVIII

SECTION 409A OF THE CODE

It is intended that Awards granted under the Plan will not result in the imposition of any tax liability pursuant to Section 409A of the Code. The Plan and each Award Agreement shall be construed and interpreted consistent with that intent. Without limiting the generality of the foregoing and notwithstanding any provision of the Plan to the contrary, if a Participant is a "specified employee" as defined in Section 409A of the Code on such Participant's separation from service (within the meaning of Section 409A of the Code) with the Company, the Participant shall not be entitled to any payments hereunder that would be treated as deferred compensation subject to Section 409A of the Code until the earlier of (i) the date which is six (6) months after his or her separation from service with the Company for any reason other than death and (ii) the date of the Participant's death. Any amounts otherwise payable to the Participant following the Termination of Relationship that are not so paid by reason of this Article XVIII shall be paid as soon as practicable after the date that is six (6) months after the Participant's separation from service with the Company (or, if earlier, the date of the Participant's death). The provisions of this Article XVIII shall apply only if, and to the extent, required to comply with Section 409A of the Code. No provision of the Plan or any Award granted thereunder shall be interpreted or construed to transfer any liability for failure to comply with the requirements of Section 409A from any Participant or any other individual to the Company or any of its Affiliates, employees or agents. Each Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such Participant in connection with payments and benefits provided in accordance with the terms of the Plan or Award Agreements (including any taxes and penalties under Section 409A of the Code), and in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on a Participant as a result of Section 409A of the Code or any damages for failing to comply with Section 409A of the Code. For purposes of Section 409A of the Code, each payment that may be made under the Plan or any Award Agreement shall be designated as a separate and distinct payment for purposes under Section 409A of the Code and the applicable Treasury Regulations and guidance promulgated thereunder (including, without limitation, Section 1.409A-1(b)(4)(i)(F), 1.409A-1(b)(9)(iii) and 1.409A-1(b)(9)(v)(B)).

ARTICLE XIV

GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL

All questions concerning the construction, interpretation and validity of the Plan and the instruments evidencing the Awards granted hereunder shall be governed by and construed and enforced in accordance with the domestic laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether in the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. In furtherance of the foregoing, the internal law of the State of Delaware will control the interpretation and construction of the Plan, even if under such jurisdiction's choice of law or conflict of law analysis the substantive law of some other jurisdiction would ordinarily apply.

Each of the Company and, by acceptance of an Award, each Participant irrevocably (i) consents to submit itself, himself or herself to the personal jurisdiction of the Delaware Court of Chancery, or in the event (but only in the event) that the Delaware Court of Chancery does not have subject matter jurisdiction over such legal action or proceeding, the United States District Court for the District of Delaware, or in the event (but only in the event) that such United States District Court for the District of Delaware also does not have subject matter jurisdiction over such legal action or proceeding, any Delaware state court sitting in New Castle County, in connection with any matter based upon or arising out of this Agreement or the actions of the parties hereof, (ii) agrees that it, he, or she will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and (iii) agrees that it, he, or she will not bring any action relating to the Plan, any Award Agreement, or any Award made thereunder in any court other than the courts of the State of Delaware, as described above. Each of the Company and, by acceptance of an Award, each Participant agrees that service of any process, summons, notice or document by U.S. registered mail to the addresses set forth in the applicable Award Agreement, with respect to the Company, and to the addresses set forth in the ledgers of the Company, with respect to any Participant, shall be effective service of process for any suit or proceeding in connection with the Plan, any Award Agreement, or any Award made thereunder. Each of the Company and, by acceptance of an Award, each Participant hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to the Plan, any Award Agreement, or any Award made thereunder, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Article XIX, that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper, or that the Plan, any Award Agreement, or any Award made thereunder may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable law, the benefit of any defense that would hinder, fetter or delay the levy, execution or collection of any amount to which the Company or a Participant is entitled pursuant to the final judgment of any court having jurisdiction. Each of the Company and, by acceptance of an Award, each Participant expressly acknowledges that the foregoing waiver is intended to be irrevocable under the laws of the State of Delaware and of the United States of America; provided, that the Company's and any Participant's consent to jurisdiction and service contained in this Article XIX is solely for the purpose referred to in this Article XIX and shall not be deemed to be a general submission to said courts or in the State of Delaware other than for such purpose.

EACH OF THE COMPANY AND, BY ACCEPTANCE OF AN AWARD, EACH PARTICIPANT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THE PLAN, ANY AWARD AGREEMENT, OR ANY AWARD MADE THEREUNDER.

Exhibit 10.41

Sun Country Airlines Holdings, Inc. 2021 Omnibus Incentive Plan

1. Purpose. The Sun Country Airlines Holdings, Inc. 2021 Omnibus Incentive Plan (as amended from time to time, the "Plan") is intended to help Sun Country Airlines Holdings, Inc., a Delaware corporation (including any successor thereto, the "Company"), and its Affiliates (i) attract and retain key personnel by providing them the opportunity to acquire an equity interest in the Company or other incentive compensation measured by reference to the value of Common Stock or a targeted dollar value if denominated in cash, and (ii) align the interests of key personnel with those of the Company's shareholders.

2. Effective Date; Duration. The Plan shall be effective as of the date on which the Plan is approved by the shareholders of the Company (the "Effective Date"). The expiration date of the Plan, on and after which date no Awards may be granted, shall be the tenth anniversary of the Effective Date; provided, however, that such expiration shall not affect Awards then outstanding, and the terms and conditions of the Plan shall continue to apply to such Awards.

3. Definitions. The following definitions shall apply throughout the Plan:

(a) "Affiliate" means any person or entity that directly or indirectly controls, is controlled by or is under common control with the Company. The term "control" (including, with correlative meaning, the terms "controlled by" and "under common control with"), as applied to any person or entity, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person or entity, whether through the ownership of voting or other securities, by contract or otherwise.

(b) "Award" means any Incentive Stock Option, Nonqualified Stock Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, Other Stock-Based Award, or Other Cash-Based Award granted under the Plan.

(c) "Award Agreement" means the agreement (whether in written or electronic form) or other instrument or document evidencing any Award granted under the Plan.

(d) "Beneficial Ownership" has the meaning set forth in Rule 13d-3 promulgated under Section 13 of the Exchange Act.

(e) "Board" means the Board of Directors of the Company.

(f) "Cause" in the case of a particular Award, unless the applicable Award Agreement states otherwise, (i) shall have the meaning given such term (or term of similar import) in any employment, consulting, change-in-control, severance or any other agreement between the Participant and the Company or an Affiliate, or severance plan in which the Participant is eligible to participate, in either case in effect at the time of the Participant's termination of employment or service with the Company and its Affiliates, or (ii) if "cause" or term of similar import is not defined in, or in the absence of, any such

employment, consulting, change-in-control, severance or any other agreement between the Participant and the Company or an Affiliate, or severance plan in which the Participant is eligible to participate, means: (A) the Participant's indictment for, conviction of, or plea of guilty or *nolo contendere* to, any (x) felony, (y) misdemeanor involving moral turpitude, or (z) other crime involving either fraud or a breach of the Participant's duty of loyalty with respect to the Company or any Affiliates thereof, or any of its customers or suppliers, (B) the Participant's failure to perform duties as reasonably directed by the Board (other than as a consequence of Disability) after written notice thereof and failure to cure within ten (10) business days of receipt of the written notice, (C) the Participant's fraud, misappropriation, embezzlement (whether or not in connection with employment), or material misuse of funds or property belonging to the Company or any of its Affiliates, (D) the Participant's willful violation of the policies of the Company or any of its Subsidiaries, or gross negligence in connection with the performance of his duties, after written notice thereof and failure to cure within ten (10) business days of receipt of written notice, (E) the Participant's use of alcohol that interferes with the performance of the Participant's duties or use of illegal drugs, if either (i) the Participant fails to obtain treatment within ten (10) business days after receipt of written notice thereof or (ii) the Participant obtains treatment and, following Participant's return to work, the Participant's use of alcohol again interferes with the performance of the Participant's duties or the Participant again uses illegal drugs, (F) the Participant's breach of any of the material terms of an employment, consulting, or any other agreement between the Participant and the Company or an Affiliate, and failure to cure such breach within ten (10) business days after receipt of written notice, or (G) the Participant's breach of confidentiality or non-disparagement provisions (excluding unintentional breaches that are cured within ten (10) days after the Participant becomes aware of such breaches, to the extent curable) or the non-competition and non-solicitation provisions to which the Participant is subject. If, within thirty (30) days subsequent to the Participant's termination of employment for any reason other than by the Company for Cause, the Company discovers facts such that the Participant's termination of employment could have been for Cause, the Participant's termination of employment will be deemed to have been for Cause for all purposes, and the Participant will be required to disgorge to the Company all amounts received under this Plan, any Award Agreement or otherwise that would not have been payable to such Participant, all equity awards or otherwise that would not have been payable to the Participant had such termination of employment or service been by the Company for Cause. The determination of whether Cause exists shall be made by the Committee in its sole discretion.

(g) "Change in Control" means, in the case of a particular Award, unless the applicable Award Agreement (or any employment, consulting, change-in-control, severance or other agreement between the Participant and the Company or an Affiliate) states otherwise, the first to occur of any of the following events:

(i) the acquisition by any Person or related "group" (as such term is used in Section 13(d) and Section 14(d) of the Exchange Act) of Persons, or Persons acting jointly or in concert, of Beneficial Ownership (including control or direction) of 50% or more (on a fully diluted basis) of either (A) the then-outstanding shares of Common Stock, including Common Stock issuable upon the exercise of options or

warrants, the conversion of convertible stock or debt, and the exercise of any similar right to acquire such Common Stock (the "Outstanding Company Common Stock"), or (B) the combined voting power of the then-outstanding voting securities of the Company entitled to vote in the election of directors (the "Outstanding Company Voting Securities"), but excluding any acquisition by the Company or any of its Affiliates, or the Investor, its Permitted Transferees or any of their respective Affiliates or by any employee benefit plan sponsored or maintained by the Company or any of its Affiliates;

(ii) a change in the composition of the Board such that members of the Board during any consecutive 12-month period (the "Incumbent Directors") cease to constitute a majority of the Board. Any person becoming a director through election or nomination for election approved by a valid vote of at least two-thirds of the Incumbent Directors shall be deemed an Incumbent Director; provided, however, that no individual becoming a director as a result of an actual or threatened election contest, as such terms are used in Rule 14a-12 of Regulation 14A promulgated under the Exchange Act, or as a result of any other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the Board, shall be deemed to be an Incumbent Director;

(iii) the approval by the shareholders of the Company of a plan of complete dissolution or liquidation of the Company; and

To the extent required to comply with the provisions of Rule 16b-3 promulgated under the Exchange Act (if applicable and if the Board is not acting as the Committee under the Plan), or any exception or exemption under applicable securities laws or the applicable rules of the NYSE or any other securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted, as applicable, it is intended that each member of the Committee shall, at the time such member takes any action with respect to an Award under the Plan, be (1) a "non-employee director" within the meaning of Rule 16b-3 promulgated under the Exchange Act and/or (2) an "independent director" under the rules of the NYSE or any other securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted, or a person meeting any similar requirement under any successor rule or regulation ("Eligible Director"). However, the fact that a Committee member shall fail to qualify as an Eligible Director shall not invalidate any Award granted or action taken by the Committee that is otherwise validly granted or taken under the Plan.

(b) The Committee may delegate all or any portion of its responsibilities and powers to any person(s) selected by it, except for grants of Awards to persons who are non-employee members of the Board or are otherwise subject to Section 16 of the Exchange Act. Any such delegation may be revoked by the Committee at any time.

(c) As further set forth in Section 14(f) of the Plan, the Committee shall have the authority to amend the Plan and Awards to the extent necessary to permit participation in the Plan by Eligible Persons who are located outside of the United States on terms and conditions comparable to those afforded to Eligible Persons located within the United States; provided, however, that no such action shall be taken without shareholder approval if such approval is required by applicable securities laws or regulation or NYSE listing guidelines.

(d) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions regarding the Plan or any Award or any documents evidencing Awards granted pursuant to the Plan shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all persons and entities, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any shareholder of the Company.

(e) No member of the Board or the Committee, nor any employee or agent of the Company (each such person, an "Indemnifiable Person"), shall be liable for any action taken or omitted to be taken or any determination made with respect to the Plan or any Award hereunder (unless constituting fraud or a willful criminal act or willful criminal omission). Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be involved as a party, witness or otherwise by reason of any action taken or omitted to be taken or determination made under the Plan or any Award Agreement and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval (not to be unreasonably withheld), in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined as provided below that the Indemnifiable Person is not entitled to be indemnified); provided, that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding, and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of recognized standing of the Company's choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts or omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or willful criminal omission or that such right of indemnification is otherwise prohibited by law or by the Company's certificate of incorporation or by-laws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company's certificate of incorporation or by-laws, as a matter of law, individual indemnification agreement or contract or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold them harmless.

(f) The Board may at any time and from time to time grant Awards and administer the Plan with respect to such Awards. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations.

(a) Awards. The Committee may grant Awards to one or more Eligible Persons. All Awards granted under the Plan shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee.

(b) Share Limits. Subject to Section 11 of the Plan and subsection (e) below, the following limitations apply to the grant of Awards: (i) no more than [____] shares of Common Stock may be reserved for issuance and delivered in the aggregate pursuant to Awards granted under the Plan (the "Share Pool"); (ii) no more than [____] shares of Common Stock may be delivered pursuant to the exercise of Incentive Stock Options granted under the Plan; and (iii) the maximum amount (based on the Fair Market Value of shares of Common Stock on the date of grant as determined in accordance with applicable financial accounting rules) of Awards that may be granted in any single fiscal year to any non-employee director, taken together with any cash fees paid to such non-employee director during such fiscal year, shall be $[____]; provided, that the foregoing limitation shall not apply in respect of any Awards issued to a non-employee director in respect of any one-time initial equity grant upon a non-employee director's appointment to the Board.

(c) Share Counting. The Share Pool shall be reduced, on the date of grant, by the relevant number of shares of Common Stock for each Award granted under the Plan that is valued by reference to a share of Common Stock; provided that Awards that are valued by reference to shares of Common Stock but are required to be paid in cash pursuant to their terms shall not reduce the Share Pool. If and to the extent that Awards originating from the Share Pool terminate, expire, or are cash-settled, canceled, forfeited, exchanged, or surrendered without having been exercised, vested, or settled, the shares of Common Stock subject to such Awards shall again be available for Awards under the Share Pool. Notwithstanding the foregoing, the following shares of Common Stock shall not become available for issuance under the Plan: (i) shares of Common Stock tendered by Participants, or withheld by the Company, as full or partial payment to the Company upon the exercise of Stock Options granted under the Plan; (ii) shares of Common Stock reserved for issuance upon the grant of Stock Appreciation Rights, to the extent that the number of reserved shares of Common Stock exceeds the number of shares of Common Stock actually issued upon the exercise of the Stock Appreciation Rights; and (iii) shares of Common Stock withheld by, or otherwise remitted to, the Company to satisfy a Participant's tax withholding obligations upon the exercise of Options or SARs granted under the Plan. Shares of Common Stock withheld by, or otherwise remitted to the Company to satisfy a Participant's tax withholding obligations upon the lapse of restrictions on, or settlement of, an Award, other than an Option or SAR, shall again be available for Awards under the Share Pool.

(d) Source of Shares. Shares of Common Stock delivered by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase, or a combination of the foregoing.

(e) Substitute Awards. The Committee may grant Awards in assumption of, or in substitution for, outstanding awards previously granted by the Company or any Affiliate or an entity directly or indirectly acquired by the Company or with which the Company combines ("Substitute Awards"), and such Substitute Awards shall not be counted against the aggregate number of shares of Common Stock available for Awards (i.e. Substitute Awards will not be counted against the Share Pool); provided, that Substitute Awards issued or intended as "incentive stock options" within the meaning of Section 422 of the Code shall be counted against the aggregate number of Incentive Stock Options available under the Plan.

6. Eligibility. Participation shall be limited to Eligible Persons who have been selected by the Committee and who have entered into an Award Agreement with respect to an Award granted to them under the Plan (each such Eligible Person, a "Participant").

7. Options.

(a) Generally. Each Option shall be subject to the conditions set forth in the Plan and in the applicable Award Agreement. All Options granted under the Plan shall be Nonqualified Stock Options unless the Award Agreement expressly states otherwise. Incentive Stock Options shall be granted only subject to and in compliance with Section 422 of the Code, and only to Eligible Persons who are employees of the Company and its Affiliates and who are eligible to receive an Incentive Stock Option under the Code. If for any reason an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Stock Option properly granted under the Plan.

(b) Exercise Price. The exercise price ("Exercise Price") per share of Common Stock for each Option (that is not a Substitute Award) shall not be less than 100% of the Fair Market Value of such share, determined as of the date of grant. Any modification to the Exercise Price of an outstanding Option shall be subject to the prohibition on repricing set forth in Section 13(b).

(c) Vesting, Exercise and Expiration. The Committee shall determine the manner and timing of vesting, exercise and expiration of Options. The period between the date of grant and the scheduled expiration date of the Option ("Option Period") shall not exceed ten years, unless the Option Period (other than in the case of an Incentive Stock Option) would expire at a time when trading in the shares of Common Stock is prohibited by the Company's securities trading policy or a Company-imposed "blackout period," in which case the Option Period shall be extended automatically (other than with respect to Options with an Exercise Price as of the end of the Option Period (prior to any such extension) that is not less than the Fair Market Value of a share of Common Stock at such time) until the 30th day following the expiration of such prohibition (so long as such extension shall not violate Section 409A of the Code). The Committee may accelerate the vesting and/or exercisability of any Option, which acceleration shall not affect any other terms and conditions of such Option.

(d) Method of Exercise and Form of Payment. No shares of Common Stock shall be delivered pursuant to any exercise of an Option until the Participant has paid the Exercise Price to the Company in full, and an amount equal to any U.S. federal, state and local income and employment taxes and non-U.S. income and employment taxes, social contributions and any other tax-related items required to be withheld. Options may be exercised by delivery of written or electronic notice of exercise to the Company or its

designee (including a third-party administrator) in accordance with the terms of the Option and the Award Agreement accompanied by payment of the Exercise Price and such applicable taxes. The Exercise Price and all applicable required withholding taxes shall be payable (i) in cash, check, cash equivalent and/or shares of Common Stock valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of shares of Common Stock in lieu of actual delivery of such shares to the Company) (or any combination of the foregoing); provided, that such shares of Common Stock are not subject to any pledge or other security interest; or (ii) by such other method as the Committee may permit, in its sole discretion, including without limitation: (A) in the form of other property having a Fair Market Value on the date of exercise equal to the Exercise Price and all applicable required withholding taxes; (B) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted "cashless exercise" pursuant to which the Company or its designee (including third-party administrators) is delivered a copy of irrevocable instructions to a stockbroker to sell the shares of Common Stock otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price and all applicable required withholding taxes against delivery of the shares of Common Stock to settle the applicable trade; or (C) by means of a "net exercise" procedure effected by withholding the minimum number of shares of Common Stock otherwise deliverable in respect of an Option that are needed to pay for the Exercise Price and all applicable required withholding taxes. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional shares of Common Stock, or whether such fractional shares of Common Stock or any rights thereto shall be canceled, terminated or otherwise eliminated.

(e) Notification upon Disqualifying Disposition of an Incentive Stock Option. Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date on which the Participant makes a disqualifying disposition of any Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Common Stock before the later of (i) two years after the date of grant of the Incentive Stock Option and (ii) one year after the date of exercise of the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Common Stock acquired pursuant to the exercise of an Incentive Stock Option until the end of the period described in the preceding sentence, subject to complying with any instruction from such Participant as to the sale of such Common Stock.

(f) Compliance with Laws. Notwithstanding the foregoing, in no event shall the Participant be permitted to exercise an Option in a manner that the Committee determines would violate the Sarbanes-Oxley Act of 2002, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation service on which the Common Stock of the Company is listed or quoted.

(g) Incentive Stock Option Grants to 10% Shareholders. Notwithstanding anything to the contrary in this Section 7, if an Incentive Stock Option is granted to a Participant who owns stock representing more than ten percent of the voting power of all classes of stock of the Company or of a parent or subsidiary of the Company (within the meaning of Sections 424(e) and 424(f) of the Code), the Option Period shall not exceed five years from the date of grant of such Option and the Exercise Price shall be at least 110% of the Fair Market Value (on the date of grant) of the shares subject to the Option.

(h) $100,000 Per Year Limitation for Incentive Stock Options. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of shares of Common Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds $100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

8. Stock Appreciation Rights (SARs).

(a) Generally. Each SAR shall be subject to the conditions set forth in the Plan and the Award Agreement. Any Option granted under the Plan may include a tandem SAR. The Committee also may award SARs independent of any Option.

(b) Strike Price. The strike price ("Strike Price") per share of Common Stock for each SAR (that is not a Substitute Award) shall not be less than 100% of the Fair Market Value of such share, determined as of the date of grant; provided, however, that a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option. Any modification to the Strike Price of an outstanding SAR shall be subject to the prohibition on repricing set forth in Section 13(b).

(c) Vesting and Expiration. A SAR granted in tandem with an Option shall vest and become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. A SAR granted independently of an Option shall vest and become exercisable and shall expire in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the "SAR Period"); provided, however, that notwithstanding any vesting or exercisability dates set by the Committee, the Committee may accelerate the vesting and/or exercisability of any SAR, which acceleration shall not affect the terms and conditions of such SAR other than with respect to vesting and/or exercisability. If the SAR Period would expire at a time when trading in the shares of Common Stock is prohibited by the Company's securities trading policy or a Company-imposed "blackout period," the SAR Period shall be automatically extended (other than with respect to SARs with a Strike Price as of the end of the SAR Period (prior to any such extension) that is not less than the Fair Market Value of a share of Common Stock at such time) until the 30th day following the expiration of such prohibition (so long as such extension shall not violate Section 409A of the Code).

(d) Method of Exercise. SARs may be exercised by delivery of written or electronic notice of exercise to the Company or its designee (including a third-party administrator) in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded.

(e) Payment. Upon the exercise of a SAR, the Company shall pay to the holder thereof an amount equal to the number of shares subject to the SAR that are being exercised multiplied by the excess, if any, of the Fair Market Value of one share of Common Stock on the exercise date over the Strike Price, less an amount equal to any U.S. federal, state and local income and employment taxes and non-U.S. income and employment taxes, social contributions and any other tax-related items required to be withheld. The Company shall pay such amount in cash, in shares of Common Stock valued at Fair Market Value as determined on the date of exercise, or any combination thereof, as determined by the Committee. Any fractional shares of Common Stock shall be settled in cash.

9. Restricted Stock and Restricted Stock Units.

(a) Generally. Each Restricted Stock and Restricted Stock Unit Award shall be subject to the conditions set forth in the Plan and the applicable Award Agreement. The Committee shall establish restrictions applicable to Restricted Stock and Restricted Stock Units, including the period over which the restrictions shall apply (the "Restricted Period"), and the time or times at which Restricted Stock or Restricted Stock Units shall become vested (which, for the avoidance of doubt, may include service- and/or performance-based vesting conditions). Subject to such rules, approvals, and conditions as the Committee may impose from time to time, an Eligible Person who is a non-employee director may elect to receive all or a portion of such Eligible Person's cash director fees and other cash director compensation payable for director services provided to the Company by such Eligible Person in any fiscal year, in whole or in part, in the form of Restricted Stock Units. The Committee may accelerate the vesting and/or the lapse of any or all of the restrictions on Restricted Stock and Restricted Stock Units which acceleration shall not affect any other terms and conditions of such Awards. No share of Common Stock shall be issued at the time an Award of Restricted Stock Units is made, and the Company will not be required to set aside a fund for the payment of any such Award.

(b) Stock Certificates; Escrow or Similar Arrangement. Upon the grant of Restricted Stock, the Committee shall cause share(s) of Common Stock to be registered in the name of the Participant and held in book-entry form subject to the Company's directions. The Committee may also cause a stock certificate registered in the name of the Participant to be issued. In such event, the Committee may provide that such certificates shall be held by the Company or in escrow rather than delivered to the Participant pending vesting and release of restrictions, in which case the Committee may require the Participant to execute and deliver to the Company or its designee (including

third-party administrators) (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock. If the Participant shall fail to execute and deliver the escrow agreement and blank stock power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 9 and the Award Agreement, the Participant shall have the rights and privileges of a shareholder as to such Restricted Stock, including without limitation the right to vote such Restricted Stock.

(c) Restrictions; Forfeiture. Restricted Stock and Restricted Stock Units awarded to the Participant shall be subject to forfeiture until the expiration of the Restricted Period and the attainment of any other vesting criteria established by the Committee, and shall be subject to the restrictions on transferability set forth in the Award Agreement. In the event of any forfeiture, all rights of the Participant to such Restricted Stock (or as a shareholder with respect thereto), and to such Restricted Stock Units, as applicable, including to any dividends and/or dividend equivalents that may have been accumulated and withheld during the Restricted Period in respect thereof, shall terminate without further action or obligation on the part of the Company. The Committee shall have the authority to remove any or all of the restrictions on the Restricted Stock and Restricted Stock Units whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the date of grant of the Restricted Stock Award or Restricted Stock Unit Award, such action is appropriate.

(d) Delivery of Restricted Stock and Settlement of Restricted Stock Units.

(i) Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock and the attainment of any other vesting criteria, the restrictions set forth in the applicable Award Agreement shall be of no further force or effect, except as set forth in the Award Agreement. If an escrow arrangement is used, upon such expiration the Company shall deliver to the Participant or such Participant's beneficiary (via book-entry notation or, if applicable, in stock certificate form) the shares of Restricted Stock with respect to which the Restricted Period has expired (rounded down to the nearest full share). Dividends, if any, that may have been withheld by the Committee and attributable to the Restricted Stock shall be distributed to the Participant in cash or in shares of Common Stock having a Fair Market Value (on the date of distribution) (or a combination of cash and shares of Common Stock) equal to the amount of such dividends, upon the release of restrictions on the Restricted Stock.

(ii) Unless otherwise provided by the Committee in an Award Agreement, upon the expiration of the Restricted Period and the attainment of any other vesting criteria established by the Committee, with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or such Participant's beneficiary (via book-entry notation or, if applicable, in stock certificate form), one share of Common Stock (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit that has not then been forfeited and with respect to which the Restricted Period has expired and any other such vesting criteria are attained ("Released Unit"); provided, however, that the Committee may elect to (A) pay cash or

part cash and part Common Stock in lieu of delivering only shares of Common Stock in respect of such Released Units or (B) defer the delivery of Common Stock (or cash or part Common Stock and part cash, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the shares of Common Stock would have otherwise been delivered to the Participant in respect of such Restricted Stock Units.

(iii) To the extent provided in an Award Agreement, the holder of outstanding Restricted Stock Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on shares of Common Stock) either in cash or, if determined by the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends as of the date of payment (or a combination of cash and shares of Common Stock) (and interest may, if determined by the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Stock Units are settled (in the case of Restricted Stock Units, following the release of restrictions on such Restricted Stock Units), and if such Restricted Stock Units are forfeited, the holder thereof shall have no right to such dividend equivalent payments.

(e) Legends on Restricted Stock. Each certificate representing Restricted Stock awarded under the Plan, if any, shall bear a legend substantially in the form of the following in addition to any other information the Company deems appropriate until the lapse of all restrictions with respect to such Common Stock:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE SUN COUNTRY AIRLINES HOLDINGS, INC. 2021 OMNIBUS INCENTIVE PLAN AND A RESTRICTED STOCK AWARD AGREEMENT, DATED AS OF , BETWEEN SUN COUNTRY AIRLINES HOLDINGS, INC. AND A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF SUN COUNTRY AIRLINES HOLDINGS, INC.

10. Other Stock-Based Awards and Other Cash-Based Awards. The Committee may issue unrestricted Common Stock, rights to receive future grants of Awards, or other Awards denominated in Common Stock (including performance shares or performance units), or Awards that provide for cash payments based in whole or in part on the value or future value of shares of Common Stock ("Other Stock-Based Awards") and Other Cash-Based Awards under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts as the Committee shall from time to time determine. Each Other Stock-Based Award shall be evidenced by an Award Agreement, which may include conditions including, without limitation, the payment by the Participant of the Fair Market Value of such shares of Common Stock on the date of grant.

11. Changes in Capital Structure and Similar Events. In the event of (a) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, amalgamation, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company, or other similar corporate transaction or event (including, without limitation, a Change in Control) that affects the shares of Common Stock, or (b) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation service, accounting principles or law, such that in any case an adjustment is determined by the Committee to be necessary or appropriate, then the Committee shall (other than with respect to Other Cash-Based Awards) make any such adjustments in such manner as it may deem equitable, including without limitation any or all of the following:

(i) adjusting any or all of (A) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) that may be delivered in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) and (B) the terms of any outstanding Award, including, without limitation, (1) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate, (2) the Exercise Price or Strike Price with respect to any Award and/or (3) any applicable performance measures (including, without limitation, Performance Conditions and performance periods);

(ii) providing for a substitution or assumption of Awards (or awards of an acquiring company), accelerating the delivery, vesting and/or exercisability of, lapse of restrictions and/or other conditions on, or termination of, Awards or providing for a period of time (which shall not be required to be more than ten (10) days) for Participants to exercise outstanding Awards prior to the occurrence of such event (and any such Award not so exercised shall terminate or become no longer exercisable upon the occurrence of such event); and

(iii) cancelling any one or more outstanding Awards (or awards of an acquiring company) and causing to be paid to the holders thereof, in cash, shares of Common Stock, other securities or other property, or any combination thereof, the value of such Awards, if any, as determined by the Committee (which if applicable may be based upon the price per share of Common Stock received or to be received by other shareholders of the Company in such event), including without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option or SAR over the aggregate Exercise Price or Strike Price of such Option or SAR, respectively (it being understood that, in such event,

any Option or SAR having a per-share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value (as of the date specified by the Committee) of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor); provided, however, that the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect any "equity restructuring" (within the meaning of the Financial Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)). Except as otherwise determined by the Committee, any adjustment in Incentive Stock Options under this Section 11 (other than any cancellation of Incentive Stock Options) shall be made only to the extent not constituting a "modification" within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 11 shall be made in a manner that does not adversely affect the exemption provided pursuant to Rule 16b-3 promulgated under the Exchange Act. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes. In anticipation of the occurrence of any event listed in the first sentence of this Section 11, for reasons of administrative convenience, the Committee in its sole discretion may refuse to permit the exercise of any Award during a period of up to 30 days prior to, and/or up to 30 days after, the anticipated occurrence of any such event.

12. Effect of Termination of Service or a Change in Control on Awards.

(a) Termination. To the extent permitted under Section 409A of the Code, the Committee may provide, by rule or regulation or in any applicable Award Agreement, or may determine in any individual case, the circumstances in which, and to the extent to which, an Award may be exercised, settled, vested, paid or forfeited in the event of the Participant's termination of service prior to the end of a performance period or vesting, exercise or settlement of such Award.

(b) Change in Control. In the event of a Change in Control, notwithstanding any provision of the Plan to the contrary, the Committee may provide for: (i) continuation or assumption of such outstanding Awards under the Plan by the Company (if it is the surviving corporation) or by the surviving corporation or its parent; (ii) substitution by the surviving corporation or its parent of awards with substantially the same terms and value for such outstanding Awards (in the case of an Option or SAR, the Intrinsic Value at grant of such Substitute Award shall equal the Intrinsic Value of the Award); (iii) acceleration of the vesting (including the lapse of any restrictions, with any performance criteria or other performance conditions deemed met at target) or right to exercise such outstanding Awards immediately prior to or as of the date of the Change in Control, and the expiration of such outstanding Awards to the extent not timely exercised by the date of the Change in Control or other date thereafter designated by the Committee; or (iv) in the case of an Option or SAR, cancelation in consideration of a payment in cash or other consideration to the Participant who holds such Award in an amount equal to the Intrinsic Value of such Award (which may be equal to but not less than zero), which, if in excess of zero, shall be payable upon the effective date of such Change in Control. For the avoidance of doubt, in the event of a Change in Control, the Committee may, in its sole discretion, terminate any Option or SARs for which the exercise or strike price is equal to or exceeds the per share value of the consideration to be paid in the Change in Control transaction without payment of consideration therefor.

13. Amendments and Termination.

(a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided, that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including, without limitation, as necessary to comply with any applicable rules or requirements of any securities exchange or inter-dealer quotation service on which the shares of Common Stock may be listed or quoted, for changes in GAAP to new accounting standards); provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary, unless the Committee determines that such amendment, alteration, suspension, discontinuance or termination is either required or advisable in order for the Company, the Plan or the Award to satisfy any applicable law or regulation. Notwithstanding the foregoing, no amendment shall be made to the last proviso of Section 13(b) without shareholder approval.

(b) Amendment of Award Agreements. The Committee may, to the extent not inconsistent with the terms of any applicable Award Agreement or the Plan, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award Agreement, prospectively or retroactively (including after the Participant's termination of employment or service with the Company); provided, that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant unless the Committee determines that such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination is either required or advisable in order for the Company, the Plan or the Award to satisfy any applicable law or regulation; provided, further, that except as otherwise permitted under Section 11 of the Plan, if (i) the Committee reduces the Exercise Price of any Option or the Strike Price of any SAR, (ii) the Committee cancels any outstanding Option or SAR and replaces it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash in a manner that would either (A) be reportable on the Company's proxy statement or Form 10-K (if applicable) as Options that have been "repriced" (as such term is used in Item 402 of Regulation S-K promulgated under the Exchange Act), or (B) result in any "repricing" for financial statement reporting purposes (or otherwise cause the Award to fail to qualify for equity accounting treatment), (iii) the Committee takes any other action that is considered a "repricing" for purposes of the shareholder approval rules of the applicable securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted, or (iv) the Committee cancels any outstanding Option or SAR that has a per-share Exercise Price or Strike Price (as applicable) at or above the

Fair Market Value of a share of Common Stock on the date of cancellation, and pays any consideration to the holder thereof, whether in cash, securities, or other property, or any combination thereof, then, in the case of the immediately preceding clauses (i) through (iv), any such action shall not be effective without shareholder approval.

14. General.

(a) Award Agreements; Other Agreements. Each Award under the Plan shall be evidenced by an Award Agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto. In the event of any conflict between the terms of the Plan and any Award Agreement or employment, change-in-control, severance or other agreement in effect with the Participant, the term of the Plan shall control.

(b) Nontransferability.

(i) Each Award shall be exercisable only by the Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may permit Awards (other than Incentive Stock Options) to be transferred by the Participant, without consideration, subject to such rules as the Committee may adopt, to (A) any person who is a "family member" of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statements promulgated by the Securities and Exchange Commission (collectively, the "Immediate Family Members"); (B) a trust solely for the benefit of the Participant or the Participant's Immediate Family Members; (C) a partnership or limited liability company whose only partners or shareholders are the Participant and the Participant's Immediate Family Members; or (D) any other transferee as may be approved either (1) by the Board or the Committee, or (2) as provided in the applicable Award Agreement; (each transferee described in clause (A), (B), (C) or (D) above is hereinafter referred to as a "Permitted Transferee"); provided, that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with the immediately preceding paragraph shall apply to the Permitted Transferee, and any reference in the Plan, or in any applicable Award Agreement, to the Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and

distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the shares of Common Stock to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award Agreement, that such a registration statement is necessary or appropriate; (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; (D) the consequences of the termination of the Participant's employment by, or services to, the Company or an Affiliate under the terms of the Plan and the applicable Award Agreement shall continue to be applied with respect to the transferred Award, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award Agreement; and (E) any non-competition, non-solicitation, non-disparagement, non-disclosure, or other restrictive covenants contained in any Award Agreement or other agreement between the Participant and the Company or any Affiliate shall continue to apply to the Participant and the consequences of the violation of such covenants shall continue to be applied with respect to the transferred Award, including without limitation the clawback and forfeiture provisions of Section 14(v) of the Plan.

(c) Dividends and Dividend Equivalents. The Committee may provide the Participant with dividends or dividend equivalents as part of an Award, payable in cash, shares of Common Stock, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee, including, without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional shares of Common Stock, Restricted Stock or other Awards; provided, that no dividends or dividend equivalents shall be payable (i) in respect of outstanding Options or SARs or (ii) in respect of any other Award unless and until the Participant vests in such underlying Award; provided, further, that dividend equivalents may be accumulated in respect of unearned Awards and paid as soon as administratively practicable, but no more than 60 days, after such Awards are earned and become payable or distributable (and the right to any such accumulated dividends or dividend equivalents shall be forfeited upon the forfeiture of the Award to which such dividends or dividend equivalents relate).

(d) Tax Withholding.

(i) The Participant shall be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right (but not the obligation) and is hereby authorized to withhold, from any cash, shares of Common Stock, other securities or other property deliverable under any Award or from any compensation or other amounts owing to the Participant, the amount (in cash, Common Stock, other securities or other property) of any required withholding taxes (up to the maximum permissible withholding amounts) in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action that the Committee or the Company deem necessary to satisfy all obligations for the payment of such withholding taxes.

(ii) Without limiting the generality of paragraph (i) above, the Committee may permit the Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) payment in cash, (B) the delivery of shares of Common Stock (which shares are not subject to any pledge or other security interest) owned by the Participant having a Fair Market Value on such date equal to such withholding liability or (C) having the Company withhold from the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value on such date equal to such withholding liability. In addition, subject to any requirements of applicable law, the Participant may also satisfy the tax withholding obligations by other methods, including selling shares of Common Stock that would otherwise be available for delivery, provided that the Board or the Committee has specifically approved such payment method in advance.

(e) No Claim to Awards; No Rights to Continued Employment, Directorship or Engagement. No employee, director of the Company, consultant providing service to the Company or an Affiliate, or other person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or an Affiliate, or to continue in the employ or the service of the Company or an Affiliate, nor shall it be construed as giving any Participant who is a director any rights to continued service on the Board.

(f) International Participants. With respect to Participants who reside or work outside of the United States, the Committee may amend the terms of the Plan or appendices thereto, or outstanding Awards, with respect to such Participants, in order to conform such terms with or accommodate the requirements of local laws, procedures or practices or to obtain more favorable tax or other treatment for the Participant, the Company or its Affiliates. Without limiting the generality of this subsection, the Committee is specifically authorized to adopt rules, procedures and sub-plans with provisions that limit or modify rights on death, disability, retirement or other terminations of employment, available methods of exercise or settlement of an Award, payment of income, social insurance contributions or payroll taxes, withholding procedures and handling of any stock certificates or other indicia of ownership that vary with local requirements. The Committee may also adopt rules, procedures or sub-plans applicable to particular Affiliates or locations.

(g) Beneficiary Designation. The Participant's beneficiary shall be the Participant's spouse (or domestic partner if such status is recognized by the Company and in such jurisdiction), or if the Participant is otherwise unmarried at the time of death, the Participant's estate, except to the extent that a different beneficiary is designated in accordance with procedures that may be established by the Committee from time to time for such purpose. Notwithstanding the foregoing, in the absence of a beneficiary validly

designated under such Committee-established procedures and/or applicable law who is living (or in existence) at the time of death of a Participant residing or working outside the United States, any required distribution under the Plan shall be made to the executor or administrator of the estate of the Participant, or to such other individual as may be prescribed by applicable law.

(h) Termination of Employment or Service. The Committee, in its sole discretion, shall determine the effect of all matters and questions related to the termination of employment of or service of a Participant. Except as otherwise provided in an Award Agreement, or any employment, consulting, change-in-control, severance or other agreement between the Participant and the Company or an Affiliate, unless determined otherwise by the Committee: (i) neither a temporary absence from employment or service due to illness, vacation or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with the Company to employment or service with an Affiliate (or vice versa) shall be considered a termination of employment or service with the Company or an Affiliate; and (ii) if the Participant's employment with the Company or its Affiliates terminates, but such Participant continues to provide services with the Company or its Affiliates in a non-employee capacity (including as a non-employee director) (or vice versa), such change in status shall not be considered a termination of employment or service with the Company or an Affiliate for purposes of the Plan.

(i) No Rights as a Shareholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no person shall be entitled to the privileges of ownership in respect of shares of Common Stock that are subject to Awards hereunder until such shares have been issued or delivered to that person.

(j) Government and Other Regulations.

(i) Nothing in the Plan shall be deemed to authorize the Committee or Board or any members thereof to take any action contrary to applicable law or regulation, or rules of the NYSE or any other securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted.

(ii) The obligation of the Company to settle Awards in Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to and in compliance with the terms of an available exemption. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall

have the authority to provide that all shares of Common Stock or other securities of the Company or any Affiliate delivered under the Plan shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement, U.S. federal securities laws, or the rules, regulations and other requirements of the U.S. Securities and Exchange Commission, any securities exchange or inter-dealer quotation service upon which such shares or other securities of the Company are then listed or quoted and any other applicable federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a legend or legends to be put on any such certificates of Common Stock or other securities of the Company or any Affiliate delivered under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of the Company or any Affiliate delivered under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that it in its sole discretion deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(iii) The Committee may cancel an Award or any portion thereof if it determines that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company and/or the Participant's sale of Common Stock to the public markets illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, unless prevented by applicable laws, the Company shall pay to the Participant an amount equal to the excess of (A) the aggregate Fair Market Value of the shares of Common Stock subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or delivered, as applicable), over (B) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of delivery of shares of Common Stock (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof.

(k) Payments to Persons Other Than Participants. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for such person's affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or such person's estate (unless a prior claim therefor has been made by a duly appointed legal representative or a beneficiary designation form has been filed with the Company) may, if the Committee so directs the Company, be paid to such person's spouse, child, or relative, or an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(l) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options or awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(m) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and the Participant or other person or entity, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or to otherwise segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company.

(n) Reliance on Reports. Each member of the Committee and each member of the Board (and each such member's respective designees) shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent registered public accounting firm of the Company and its Affiliates and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than such member or designee.

(o) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan.

(p) Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof, or principles of conflicts of laws of any other jurisdiction that could cause the application of the laws of any jurisdiction other than the State of Delaware.

(q) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or entity or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, person or entity or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

(r) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company.

(s) Section 409A of the Code.

(i) It is intended that the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan or any other plan maintained by the Company, including any taxes and penalties under Section 409A of the Code, and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant or any beneficiary harmless from any or all of such taxes or penalties. With respect to any Award that is considered "deferred compensation" subject to Section 409A of the Code, references in the Plan to "termination of employment" (and substantially similar phrases) shall mean "separation from service" within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as a separate payment.

(ii) Notwithstanding anything in the Plan to the contrary, if the Participant is a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments or deliveries in respect of any Awards that are "deferred compensation" subject to Section 409A of the Code shall be made to such Participant prior to the date that is six months after the date of such Participant's "separation from service" within the meaning of Section 409A of the Code or, if earlier, the Participant's date of death. All such delayed payments or deliveries will be paid or delivered (without interest) in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) In the event that the timing of payments in respect of any Award that would otherwise be considered "deferred compensation" subject to Section 409A of the Code would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of "disability" pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(t) Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, the Committee may cancel an Award if the Participant, without the consent of the Company, (A) has engaged in or engages in activity that is in conflict with or adverse to the interests of the Company or any Affiliate while employed by or providing services to the Company or any Affiliate, including fraud or conduct contributing to any financial restatements or irregularities or (B) violates a non-competition, non-solicitation, non-disparagement or non-disclosure covenant or agreement with the Company or any Affiliate, as determined by the Committee, or if the Participant's employment or service is terminated for Cause. The Committee may also provide in an Award Agreement that in any such event the Participant will forfeit any compensation, gain or other value realized thereafter on the vesting, exercise or settlement of such Award, the sale or other transfer of such Award, or the sale of shares of Common Stock acquired in respect of such Award, and must promptly repay such amounts to the Company. The Committee may also provide in an Award Agreement that if the Participant receives any amount in excess of what the Participant should have received under the terms of the Award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error), all as determined by the Committee, then the Participant shall be required to promptly repay any such excess amount to the Company. In addition, the Company shall retain the right to bring an action at equity or law to enjoin the Participant's activity and recover damages resulting from such activity. Further, to the extent required by applicable law (including, without limitation, Section 304 of the Sarbanes-Oxley Act and Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act) and/or the rules and regulations of the NYSE or any other securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted, or if so required pursuant to a written policy adopted by the Company, Awards shall be subject (including on a retroactive basis) to clawback, forfeiture or similar requirements (and such requirements shall be deemed incorporated by reference into all outstanding Award Agreements).

(u) No Representations or Covenants With Respect to Tax Qualification. Although the Company may endeavor to (i) qualify an Award for favorable U.S. or non-U.S. tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under the Plan.

(v) No Interference. The existence of the Plan, any Award Agreement, and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company, the Board, the Committee, or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization, or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants, or rights to purchase stock or of bonds, debentures, or preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or that are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company or any Affiliate, or any sale or transfer of all or any part of their assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(w) Expenses; Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.

(x) Whistleblower Acknowledgments. Notwithstanding anything to the contrary herein, nothing in this Plan or any Award Agreement will (i) prohibit a Participant from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Exchange Act or Section 806 of the Sarbanes-Oxley Act of 2002, or of any other whistleblower protection provisions of federal law or regulation, or (ii) require prior approval by the Company or any of its Affiliates of any reporting described in clause (i).

As adopted by the Board of Directors of the Company on [_____], 2021.

As approved by the shareholders of the Company on [_____], 2021.

NON-QUALIFIED STOCK OPTION AGREEMENT (this "Agreement"), dated as of [•], 2020 (the "Grant Date"), by and among **SUN COUNTRY AIRLINES HOLDINGS, INC.** (f/k/a SCA Acquisition Holdings, LLC) (the "Company"), and [NAME] (the "Optionee").

WHEREAS, the Company, acting through a Committee (as defined in the Company's Equity Incentive Plan (the "Plan")), has granted to the Optionee, effective as of the date of this Agreement, an option under the Plan to purchase a number of shares of Common Stock (as defined in the Plan) on the terms and subject to the conditions set forth in this Agreement and the Plan;

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto agree as follows:

Section 1. The Plan. The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety (including, without limitation, the provisions of Articles V and IX). In the event of a conflict between any provision of this Agreement and the Plan, the provisions of the Plan shall control. A copy of the Plan may be obtained from the Company by the Optionee upon request. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Plan and in Annex I attached hereto.

Section 2. Option; Option Price. On the terms and subject to the conditions of the Plan and this Agreement, the Optionee shall have the option (the "Option") to purchase Shares pursuant to the Tranche A option (the "Tranche A Option") and the Tranche B option (the "Tranche B Option"), at the price per Share (the "Option Price") and in the amounts set forth on the signature page hereto. Payment of the Option Price may be made in the manner specified by Section 5.9 of the Plan. The Option is not intended to qualify for federal income tax purposes as an "incentive stock option" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Except as otherwise provided in Section 8 of this Agreement, the Option shall remain exercisable as to all Vested Options (as defined in Section 4) until the expiration of the Option Term (as defined in Section 3). Except as otherwise provided in Section 4 of this Agreement, upon a Termination of Relationship, the unvested portion of the Option (i.e., that portion that does not constitute Vested Options) shall terminate.

Section 3. Term. The term of the Option (the "Option Term") shall commence on the Grant Date and expire on the tenth anniversary of the Grant Date, unless the Option shall have been terminated sooner in accordance with the terms of the Plan (including, without limitation, Section 5.7 of the Plan) or this Agreement.

Section 4. Vesting. Subject to the Optionee's continued employment or other service relationship with the Company or its Subsidiaries through each applicable vesting date, the Option shall become non-forfeitable (when the Option becomes non-forfeitable, a "Vested Option") and shall become exercisable according to the following provisions:

(a) Twenty-five percent (25%) of the Tranche A Option shall become a Vested Option and shall become exercisable on each of the first four (4) anniversaries of the [VESTING COMMENCEMENT DATE]; provided, however, that the entire Tranche A Option shall immediately become a Vested Option and shall become exercisable upon a Change in Control and shall remain outstanding pursuant to the provisions of Section 8(a).

(b) The Tranche B Option shall become a Vested Option and shall become exercisable as follows:

(i) Thirty three percent (33%) of the Tranche B Option shall become a Vested Option and shall become exercisable upon a Change in Control only if the Apollo Holders have achieved a Cash MOIC of three (3.0), as calculated by the Committee;

(ii) One hundred percent (100%) of the Tranche B Option shall become a Vested Option and shall become exercisable upon a Change in Control only if the Apollo Holders have achieved a Cash MOIC of five (5.0), as calculated by the Committee; and

(iii) Vesting of the Tranche B Option in respect of achievement between a Cash MOIC of three (3.0) and a Cash MOIC of five (5.0) will be linearly interpolated.

(iv) The Committee will, in good faith, consider IRR in the vesting of the Tranche B Option if there is a Change in Control at an earlier than anticipated date.

(v) In the event that 100% of the Tranche B Option has not become a Vested Option prior to or at the time of the effectiveness of an IPO (the "IPO Effective Date"), on each MOIC Test Date the unvested portion of the Tranche B Option shall automatically become a Vested Option to the extent set forth in the following table under the heading "Vested Amount of Tranche B Option":

Months Post IPO ("MOIC Test Date")	**% of Tranche B Option Eligible to Be Vested**	**Vested Amount of Tranche B Option**		
		3.0x TRMOIC		**5.0x TRMOIC**
12	25%	7.5%	*to*	25%
18	37.5%	11.25%	*to*	37.5%
24	50%	15.0%	*to*	50%
30	62.5%	18.75%	*to*	62.5%
36	75%	22.5%	*to*	75%

(c) Vesting of the Tranche B Option in respect of achievement between a TRMOIC of three (3.0) and a TRMOIC of five (5.0) will be linearly interpolated. On each MOIC Test Date, the percentage of the Tranche B Option that becomes a Vested Option on that date will be added to the percentage of the Tranche B Option that became a Vested Option prior to the applicable MOIC Test Date; provided, however, that on any given MOIC Test Date, the total percentage of the Tranche B Option that may be a Vested Option shall not exceed the percentage shown for the applicable MOIC Test Date under the column heading "5.0x TRMOIC". Notwithstanding anything contained herein to the contrary, the Option shall cease vesting as of the date of the Optionee's Termination of Relationship with the Company or any of its Subsidiaries for any reason and no portion of the Option that is not a Vested Option as of such time shall become a Vested Option thereafter (*i.e.*, the portion of the Option that is not a Vested Option shall be forfeited immediately); provided, that, in the event that the Optionee experiences a Termination of Relationship for Cause, all Options then held by the Optionee (whether vested or unvested) shall immediately be forfeited.

Section 5. Restrictive Covenants. Without limiting the generality of Section 1, the Optionee acknowledges and agrees that by accepting the Options issued hereunder, the Optionee shall be bound by, and shall abide by the Restrictive Covenants

Section 6. Restriction on Transfer. The Option may not be transferred, pledged, assigned, hypothecated or otherwise disposed of in any way by the Optionee and may be exercised during the lifetime of the Optionee only by the Optionee. If the Optionee dies, the Option shall thereafter be exercisable, during the period specified in Section 8 of this Agreement, by his or her executors or administrators to the full extent to which the Option was exercisable by the Optionee at the time of his or her death. The Option shall not be subject to execution, attachment or similar process. Any attempted assignment, transfer, pledge, hypothecation or other disposition of the Option contrary to the provisions hereof, and the levy of any execution, attachment or similar process upon the Option, shall be null and void and without effect. Upon the exercise of an Option, to the extent such Optionee is not then a party to the Stockholders' Agreement, the Optionee shall deliver to the Company an Adoption Agreement, in form and substance satisfactory to the Committee, pursuant to which the Optionee agrees to become a party to the Stockholders' Agreement.

Section 7. Optionee's Employment or Other Service Relationship. Nothing in the Option shall confer upon the Optionee any right to continue the Optionee's employment or other service relationship with the Company or any of its Affiliates or interfere in any way with the right of the Company or its Affiliates or stockholders, as the case may be, to terminate the Optionee's employment or other service relationship with the Company or its Affiliates or to increase or decrease the Optionee's compensation at any time. The grant of the Option is a one-time benefit and does not create any contractual or other right to receive any other grant of other Awards under the Plan in the future. The grant of the Option does not form part of the Optionee's entitlement to remuneration or benefits in terms of his or her employment or other service relationship with the Company or any Subsidiary.

Section 8. Termination.

(a) Upon a Termination of Relationship, the unvested portion of the Option shall automatically terminate without consideration and shall become null and void and be of no further force and effect. Following a Termination of Relationship, other than a Termination of Relationship by the Company or any of its Subsidiaries or Affiliates for Cause (in which case the Option, whether vested or unvested, shall automatically terminate without consideration and shall become null and void and be of no further force and effect), the vested portion of the Option shall automatically terminate without consideration and shall become null and void and be of no further force and effect upon the earliest of:

(i) The tenth anniversary of the Grant Date;

(ii) The first anniversary of any Termination of Relationship of the Optionee due to the Optionee's death or by the Company or any of its Subsidiaries or Affiliates due to the Optionee's Disability; and

(iii) The 90th day following any Termination of Relationship.

(b) As more fully described in the Stockholders' Agreement, Option Shares acquired upon the exercise of Vested Options may be repurchased by the Company following a Termination of Relationship as follows:

(i) If the Termination of Relationship of the Optionee is by the Company without Cause or due to the Optionee's Disability, due to the Optionee's death, or by the Optionee for any reason (other than at a time when the Company had Cause to terminate the Optionee's employment or service) all of the Optionee's Option Shares may be repurchased for their Fair Market Value as of the date of repurchase; and

(ii) If the Termination of Relationship of the Optionee is by the Company for Cause or at a time when the Company had Cause to terminate the Optionee's employment or service or is due to the Optionee's material breach of any restrictive covenant applicable to such Optionee, all of the Optionee's Option Shares may be repurchased for the lesser of (x) the Option Price paid by the Optionee for such Option Shares and (y) the Fair Market Value of such Option Shares as of the date of repurchase.

(iii) Notwithstanding anything provided in Stockholders' Agreement to the contrary, Fair Market Value for purposes of this Section 8(b) shall mean the fair market value of the Shares as of the last day of the fiscal quarter immediately preceding the delivery of the repurchase notice, which for all purposes will be deemed to equal the amount that would be received if the shares were sold in an all-cash transaction by a seller, with no compulsion to sell, to a willing buyer, with no compulsion to buy, who is not a member of the Company Group in an arm's-length transaction, as determined by the Committee in good faith. For the avoidance of doubt, Fair Market Value shall not be reduced due to (A) any lack of liquidity attributable to a lack of a public market for the Option Shares, (B) the size of the Optionee's holdings of such Shares, and (C) any minority interest.

Section 9. Notices. All notices, claims, certificates, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given and delivered if personally delivered or if sent by nationally recognized overnight courier, by facsimile, by email, or by registered or certified mail, return receipt requested and postage prepaid, addressed as follows:

Paul, Weiss, Rifkind, Wharton & Garrison LLP

Attention: Brian P. Finnegan

If to the Optionee, to him or her at the address set forth on the signature page hereto or to such other address as the party to whom notice is to be given may have furnished to the other party in writing in accordance herewith. Any such notice or communication shall be deemed to have been received (a) in the case of personal delivery, on the date of such delivery (or if such date is not a business day, on the next business day after the date of delivery), (b) in the case of nationally recognized overnight courier, on the next business day after the date sent, (c) the case of facsimile transmission, when received (or if not sent on a business day, on the next business day after the date sent), (d) in the case of email, when transmitted via email (in each case, if no "system error" or other notice of non-delivery is generated) to the applicable party and its legal counsel set forth above, and (e) in the case of mailing, on the third business day following that on which the piece of mail containing such communication is posted.

Section 10. Waiver of Breach. The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 11. Optionee's Undertaking. The Optionee hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Optionee pursuant to the express provisions of this Agreement and the Plan.

Section 12. Modification of Rights. The rights of the Optionee are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Options granted hereby). Notwithstanding the foregoing, the Optionee's rights under this Agreement and the Plan may not be impaired without the Optionee's consent.

Section 13. Governing Law; Consent to Jurisdiction.

(a) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN ANY SERVICE AGREEMENT, THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

(b) Notwithstanding anything to the contrary contained in any Service Agreement, each of the parties hereto irrevocably (i) consents to submit itself to the personal jurisdiction of the Delaware Court of Chancery, or in the event (but only in the event) that the Delaware Court of Chancery does not have subject matter jurisdiction over such legal action or proceeding, the United States District Court for the District of Delaware, or in the event (but only in the event) that such United States District Court for the District of Delaware also does not have subject matter jurisdiction over such legal action or proceeding, any Delaware state court sitting in New Castle County, in connection with any matter based upon or arising out of this Agreement or the actions of the parties hereof or any restrictive covenants to which the Optionee is subject to under any Service Agreement, (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and (iii) agrees that it will not bring any action relating to this Agreement or any restrictive covenants to which the Optionee is subject to under any Service Agreement in any court other than the courts of the State of Delaware, as described above. Each party to this Agreement hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement or any restrictive covenants to which the Optionee is subject to under any Service Agreement, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason, that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper, or that this Agreement or the subject matter hereof or any restrictive covenants to which the Optionee is subject to under any Service Agreement, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable law, the benefit of any defense that would hinder, fetter or delay the levy, execution or collection of any amount to which a party hereto is entitled pursuant to the final judgment of any court having jurisdiction.

Section 14. Counterparts. This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 15. Entire Agreement. This Agreement, the Plan (and the other writings referred to herein), and the Stockholders' Agreement constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto.

Section 16. Severability. It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the

validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 17. Enforcement. In the event the Company or the Optionee institutes litigation to enforce or protect its rights under this Agreement or the Plan, each party shall be solely responsible for all attorneys' fees, out-of-pocket costs and disbursements it incurs relating to such litigation.

Section 18. Waiver of Jury Trial. Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent that it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Non-Qualified Stock Option Agreement as of the date first written above.

ANNEX I
DEFINITIONS

"Cash MOIC" means as of the date of a Change in Control or a MOIC Test Date, as applicable, the multiple equal to the ratio of (i) the amount of all actual Cash Consideration received by the Apollo Holders in connection with the disposition any Shares in any transaction(s) to (ii) the amount of the Apollo Holders' Invested Capital; provided, however that for the purposes of this clause (ii), the amount of the Apollo Holder's Invested Capital shall not be reduced by distributions.

"Cash Consideration" means any consideration received by the Apollo Holders in respect of Shares in the form of cash, cash equivalents or Marketable Securities (including the Shares themselves to the extent they become Marketable Securities). Cash Consideration shall include any Non-Cash Consideration that is converted to or becomes cash, cash equivalents or Marketable Securities, and any Non-Cash Consideration that Apollo elects to treat as Cash Consideration pursuant to the terms of this Agreement.

"Invested Capital" means, with respect to any holder of Shares, the amount of money and the initial book value of any property contributed to the Company by such holder in exchange for Shares, minus cumulative amounts distributed to the Apollo Holders in respect of their ownership interest in the Company. Any reference to the Invested Capital of a holder will include the Invested Capital of a predecessor holder of such holder's Shares to the extent that the Invested Capital was made in respect of Shares transferred to such holder.

"IPO" means (a) the first offering of equity securities of the Company to the public, whether or not such offering is underwritten or (b) a listing of any equity securities of the Company on one or more stock exchanges.

"IRR" means, with respect to each Share, as of the date of a Change in Control, an actual annual pre-tax return of the specified percentage, compounded annually, on the Invested Capital relating to such Share. IRR with respect to each Share shall be calculated (1) assuming that (x) the Invested Capital relating to such Share was paid on the date it was issued, and (y) all cash amounts received (including dividends) in respect of such Share have been made on the date actually paid by the Company, and (2) using the XIRR function in the most recent version of Microsoft Excel (or if such program is no longer available, such other software program for calculating IRR proposed by the Company and reasonably acceptable to the Board).

"Marketable Securities" means shares of common stock of another entity or, following an initial public offering of Common Stock, Shares, in each case, that (i) are freely tradeable without violating any "lockup" agreements, other contractual restrictions, or federal, state, or local securities laws; and (ii) are listed on any of the New York Stock Exchange, Nasdaq Stock Market, or another United States or foreign traded public exchange reasonably acceptable to the Apollo. The value of Marketable Securities on any given MOIC Test Date shall be deemed to equal the volume weighted average trading price of such securities over the ninety (90) consecutive trading days immediately preceding such MOIC Test Date. For purposes of clause (i) above, Shares shall be treated as freely tradeable without violating any federal, state, or local securities laws if the Company is eligible to file a registration statement with the U.S. Securities and Exchange Commission ("SEC") on Form S-3 (or any successor form) for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act of 1933, as amended (or any similar rule that may be adopted by the SEC) covering such Shares, and the Apollo Holders have the right to cause the Company to file such a registration statement covering such Shares.

"MOIC Test Date" means each of the 12-month, 18-month, 24-month, 30-month and 36-month anniversaries of the date on which an IPO has been declared effective.

"Non-Cash Consideration" means any consideration received by the Apollo Holders in respect of Shares that is not in the form of Cash Consideration, including any contingent right to receive Cash Consideration on or at a future date or time. In the event of a Change in Control involving the acquisition of less than 100% of the equity securities beneficially owned by the Apollo Holders, the equity securities of the Company that are retained by the Apollo Holders shall be treated as Non-Cash Consideration.

"TRMOIC" means, if an IPO has been declared effective, as of the applicable MOIC Test Date, the multiple equal to the ratio of (i) the sum of (A) the amount of all actual Cash Consideration, plus (B) the then-current value of the Shares held by the Apollo Holders based on the volume weighted average price for the trailing ninety (90) consecutive trading days immediately preceding the applicable MOIC Test Date to (ii) the amount of the Apollo Holders' Invested Capital; provided, however that for the purposes of this clause (ii), the amount of the Apollo Holder's Invested Capital shall not be reduced by distributions.

(b) Term of Employment. The Initial Term shall automatically be extended for successive one (1) year periods (together with the Initial Term, the "Term"), unless either party hereto gives notice of the non-extension of the Term to the other party no later than ninety (90) days prior to the expiration of the then-applicable Term.

(c) Position and Duties.

(i) During the Term, the Executive shall serve as Chief Executive Officer of the Company, with responsibilities, duties, and authority customary for such position. The Executive shall also serve as an officer of Affiliates of the Company as requested by the Board. During each year of the Term, Executive will be nominated to serve as a member of the Board, subject to shareholder approval of such nomination. During the Term, the Executive shall submit to the Board all business, commercial and investment opportunities or offers presented to the Executive or of which the Executive becomes aware which relate to the business of the Company and its Affiliates at any time during the Term, and unless approved by the Board, the Executive shall not accept or pursue, directly or indirectly, any such corporate opportunities on the Executive's own behalf.

The Executive's actual Discretionary Annual Bonus for a given year, if any, shall be determined on the basis of the Executive's and/or the Company's attainment of objective financial and/or other subjective or objective criteria established by the Board and communicated to the Executive at the beginning of such year. Each such Annual Bonus shall be payable on such date as is determined by the Board, but in any event within the period required by Section 409A of the Code such that it qualifies as a "short-term deferral" pursuant to Section 1.409A-l(b)(4) of the Department of Treasury Regulations (or any successor thereto). Notwithstanding the foregoing, no Annual Bonus shall be payable with respect to any calendar year unless the Executive remains continuously employed with the Company through the date of payment, except as otherwise provided in Section 5.

(c) Equity.

(i) As soon as reasonably practicable following the Closing Date, the Executive shall be granted an option to purchase shares of common stock of the Company equal to 3.0% of the fully diluted total outstanding shares of the Company, subject to the terms and conditions set forth in the Company's equity incentive plan and a nonqualified stock option agreement thereunder.

(ii) As soon as reasonably practicable following the Closing Date, the Executive shall purchase $7,000,000 of shares of Company common stock at the same indicative price per share that is paid by Apollo (the "Purchased Interests") (as an illustrative matter, the percentage of the Company's equity account represented by the Purchased Interests is set forth on Exhibit A hereto, assuming current expectations), subject to the Executive becoming a party to the Company's investor rights agreement. In connection with such purchase, the Company shall issue a loan to the Executive in exchange for a promissory note to be executed by the Executive on the following terms (the "Loan"):

(A) Original Principal Amount: $2,500,000.

(B) Interest Rate: 2.09% per annum; interest shall accrue quarterly in arrears and be payable quarterly in cash.

(F) Acceleration: the Loan shall be repayable in full upon the earliest of the following dates: (i) the date that is 10 business days following termination of Executive's service to the Company or its Affiliates by the Company for Cause or due to Executive's resignation without Good Reason, or (ii) the date of the consummation of a sale or change in control that results in a monetization event for the Purchased Interests. For the avoidance of doubt, the Loan shall not accelerate upon the Executive's termination of service for any reason other than by the Company for Cause or due to Executive's resignation without Good Reason.

(d) Executive Travel Benefits. The Executive is entitled to both positive-space and space-available travel benefits, in accordance with the Company's rules and policies.

(i) Positive Space Travel. Positive space travel is permitted as follows: the Executive will receive an annual credit of $15,000 in the Executive's Universal Air Travel Plan ("UATP") account for personal travel on Company scheduled flights for the Executive and certain Qualifying Friends and Family (as defined below). Each flown segment is valued at $75, and deducted from the UATP account. The value of this benefit is reported as taxable income with taxes on such income paid for by the Company.

(ii) Qualifying Friends & Family. "Qualifying Friends and Family" are defined as follows:

(A) If the Executive travels on a flight itinerary, the Executive may bring up to eight friends or family members, on the same itinerary, on any scheduled Company flight (provided such persons are not prohibited by Company from traveling on Company flights).

(B) If the Eligible Executive is not listed on the flight itinerary, i) the Executive's Circle Of Travelers (defined under the Company's Employee Travel Policy) may use the Executive's positive travel benefit for any scheduled Company flight and flown segments will be deducted from the UATP account; or ii) any friend or family member not otherwise prohibited by Company from traveling on Company's flights, may travel to and/or from the Executive's then-present location or homestead, to visit the Executive and/or Executive's family.

(iii) Space Available Travel. The Executive and the Executive's Circle Of Travelers may also travel on scheduled Company flights in accordance with the Company's Employee Travel Policy, in which case, flown segments will not be deducted from the Executive's UATP account.

(iv) Vesting. Upon the earlier of (x) five (5) years from April 11, 2018, or (y) a Change in Control (as defined in the Equity Plan), Executive's travel benefits under this Section 3(d) shall vest for the Executive's lifetime and therefore be useable by Executive for the remainder of Executive's life. The terms related to the Company's policies shall be defined as the terms were defined the day before the execution of any agreement or event that would trigger the vesting described here.

(e) Benefits. During the Term, the Executive shall be entitled to participate in the employee benefit plans, programs, and arrangements of the Company as may be in effect from time to time, in accordance with their terms.

(f) Vacation. During the Term, the Executive shall be entitled to vacation in accordance with the Company's vacation policies, as then in effect. Any vacation shall be taken at a time that does not unreasonably interfere with the Executive's work and the Company's operations.

(g) Business Expenses. During the Term, the Company shall reimburse the Executive for all reasonable travel and other business expenses incurred by him in the performance of his duties to the Company, in accordance with the Company's expense reimbursement policies and procedures.

(h) Long Term Incentive Bonus. During the Term, the Executive shall be entitled to participate in the Company's then-prevailing long-term incentive plan ("Long-Tenn Incentive"). The Executive's actual Long-Term Incentive for a given year, if any, shall be determined on the basis of the Executive's and/or the Company's attainment of objective financial and/or other subjective or objective criteria established by the Board and communicated to the Executive at the beginning of such year. Each such Long-Term Incentive shall be payable on such date as is determined by the Board, but in any event within the period required by Section 409A of the Code such that it qualifies as a "short-term deferral" pursuant to Section l.409A-l(b)(4) of the Department of Treasury Regulations (or any successor thereto). Notwithstanding the foregoing, no Long-Term Incentive shall be payable with respect to any calendar year unless the Executive remains continuously employed with the Company through the date of payment, except as otherwise provided in Section 5.

4. Termination. Prior to the expiration of the Term resulting from a non-renewal pursuant to Section 2(b) above, the Executive's employment hereunder may be terminated without any breach of this Agreement only under the following circumstances:

(a) Circumstances.

(i) Death. The Executive's employment hereunder shall terminate upon his death.

(ii) Disability. If the Executive has incurred a Disability, the Company may give the Executive written notice of its intention to terminate the Executive's employment. In that event, the Executive's employment with the Company shall terminate effective on the later of the thirtieth (30th) day after receipt of such notice by the Executive and the date specified in such notice, provided that within the thirty (30) day period following receipt of such notice, the Executive shall not have returned to full-time performance of his duties hereunder.

(iii) Termination with Cause. The Company may terminate the Executive's employment with Cause.

(iv) Termjnation without Cause. The Company may terminate the Executive's employment without Cause.

(v) Resignation with Good Reason. The Executive may resign from his employment with Good Reason.

(vi) Resignation without Good Reason. The Executive may resign from his employment without Good Reason upon not less than sixty (60) days' advance written notice to the Board. ·

(b) Notice of Termination. Any termination of the Executive's employment by the Company or by the Executive under this Section 4 (other than termination pursuant to Section 4(a)(i)) shall be communicated by a written notice to the other party hereto (i) indicating the specific termination provision in this Agreement relied upon, (ii) except with respect to a termination pursuant to Section 4(a)(iv) or (vi), setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated, and (iii) specifying a Date of Termination as provided herein (a "Notice of Termination"). If the Company delivers a Notice of Termination under Section 4(a)(ii), the Date of Termination shall be at least sixty (60) days following the date of such notice; provided, however, that such notice need not specify a Date of Termination, in which case the Date of Termination shall be determined pursuant to Section 4(a)(ii). If the Company delivers a Notice of Termination under Section 4(a)(iii) or 4(a)(iv), the Date of Termination shall be, in the Company's sole discretion, the date on which the Executive receives such notice or any subsequent date selected by the Company. If the Executive delivers a Notice of Termination under Section 4(a)(v) in accordance with the definition of Good Reason, the Date of Termination shall be determined in accordance with the provisions of such definition. If the Executive delivers a Notice of Termination under Section (a)(vi), the Date of Termination shall be at least sixty (60) days following the date of such notice; provided, however, in each case, that the Company may, in its sole discretion, accelerate the Date of Termination to any date that occurs following the Company's receipt of such notice, without changing the characterization of such termination as voluntary, even if such date is prior to the date specified in such notice and without having to pay any compensation or benefits for the balance of such notice period. The failure by the Company or the Executive to set forth in the Notice of Termination any fact or circumstance that contributes to a showing of Cause or Good Reason shall not waive any right of the Company or the Executive hereunder or preclude the Company or the Executive from asserting such fact or circumstance in enforcing the Company's or the Executive's rights hereunder.

(c) Termination of All Positions. Upon termination of the Executive's employment for any reason, the Executive agrees to resign, as of the Date of Termination or such other date requested by the Company, from all positions and offices that the Executive then holds with the Company and its Affiliates. The Executive agrees to promptly execute such documents as the Company, in its sole discretion, shall reasonably deem necessary to effect such resignations, and in the event that the Executive is unable or unwilling to execute any such document, Executive hereby grants his proxy to any officer of the Company to so execute on his behalf.

(d) Suspension of Duties. The Company reserves the right to bar the Executive from the offices of the Company or any of its Affiliates and to require that the Executive refrain from undertaking all or any of the Executive's duties and contacting clients, colleagues and advisors of the Company or any of its Affiliates (unless otherwise instructed) during all or part of any period of notice of Executive's termination of employment. Should the Company exercise this right, all the Executive's other duties and obligations hereunder, including the Executive's duties of fidelity and confidentiality to the Company, remain in full force and effect and, during any such period, the Executive shall remain a service provider to the Company and shall not be employed or engaged in any other business. For the avoidance of doubt, the Company shall continue to pay to the Executive the Annual Base Salary and to provide health and welfare benefits during any such notice period, until the Date of Termination.

5. Company Obligations upon Termination of Employment.

(a) In General. Subject to Section IO(a), upon termination of the Executive's employment for any reason, the Executive (or the Executive's estate) shall be entitled to receive (i) any amount of the Executive's Annual Base Salary earned through the Date of Termination not theretofore paid, (ii) any Annual Bonus (and if applicable, any Long-Term Incentive) for the year prior to the year in which the Date of Termination occurred, that was earned but not yet paid, (iii) any expenses owed to the Executive under Section 3(f), and (iv) any amount arising from the Executive's participation in, or benefits under, any employee benefit plans, programs, or arrangements under Section 3(d) (other than severance plans, programs, or arrangements), which amounts shall be payable in accordance with the terms and conditions of such employee benefit plans, programs, or arrangements including, where applicable, any death and disability benefits (the "Accrued Obligations"). Notwithstanding anything to the contrary, upon a termination by the Company with Cause or due to Executive's resignation without Good Reason, the Accrued Obligations shall not include the amount set forth in clause (ii) of the preceding sentence.

(b) Termination without Cause, Resignation with Good Reason or Non-Renewal by the Company. Subject to Section l0(a) and subject to the Executive's continued compliance with the covenants contained in Sections 6 and 7, if the Company terminates the Executive's employment without Cause pursuant to Section 4(a)(iv), the Executive resigns from his employment with Good Reason pursuant to Section 4(a)(v), or the Company elects not to renew the Term pursuant to Section 2(b), the Company shall, in addition to the Accrued Obligations, continue to pay the Annual Base Salary in accordance with the Company's customary payroll practices during the period beginning on the Date of Termination and ending on the earlier to occur of (A) the eighteen (18) month anniversary of the Date of Termination and (B) the first date that the Executive violates any covenant contained in Section 6 or 7, after receipt of written

notice thereof and expiration of a 10 business day cure period; provided, however, the installment payments payable pursuant to this Section 5(b) shall commence on the first payroll period following the effective date of the Release (as defined below), and the initial installment shall include a lump-sum payment of all amounts accrued under this Section 5(b) from the Date of Termination through the date of such initial payment.

(c) Release. Notwithstanding anything herein to the contrary, the amounts payable to the Executive under Sections 5(b), other than the Accrued Obligations, shall be contingent upon and subject to the Executive's (or the Executive's estate, if applicable) execution and non-revocation of a general waiver and release of claims agreement in the Company's customary form (the "Release") (and the expiration of any applicable revocation period), on or prior to the sixtieth (60^{th}) day following the Date of Termination.

(d) Survival. The expiration or termination of the Term shall not impair the rights or obligations of any party hereto, which shall have accrued prior to such expiration or termination.

6. Non-Competition; Non-Solicitation; Non-Hire.

(a) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the eighteen (18) month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, engage in, have any equity or equity-based interest in, or manage or operate any Person, firm, corporation, partnership, business or entity (whether as director, officer, employee, agent, representative, partner, security holder, consultant, or otherwise) that engages in (either directly or through any subsidiary or Affiliate thereof) any business or activity that competes with any of the businesses of the Company or any entity owned by the Company (including, without limitation, any United States regional air carrier or any non-mainline carrier in Mexico, Canada or the Caribbean). Notwithstanding the foregoing, the Executive shall be permitted to acquire a passive stock or equity interest in such a business, provided that the stock or other equity interest acquired is not more than one percent (1%) of the outstanding interest in such business;

(b) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the eighteen **(18)** month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, on the Executive's own behalf or on behalf of another (i) solicit, induce or attempt to solicit or induce any officer, director or employee of the Company to terminate their relationship with or leave the employ of the Company, or in any way interfere with the relationship between the Company, on the one hand, and any officer, director or employee thereof, on the other hand, (ii) hire (or other similar arrangement) any Person (in any capacity whether as an officer, director, employee or consultant) who is or at any time was an officer, director or employee of the Company until twelve (12) months after such individual's relationship (whether as an officer, director or employee) with the Company has ended, or (iii) induce or attempt to induce any customer, supplier, prospect, licensee or other business relation of the Company to cease doing business with the Company, or in any way interfere with the relationship between any such customer, supplier, prospect, licensee or business relation, on the one hand, and the Company, on the other hand; provided, that it shall not be a violation of this

Section 6(b) for a subsequent employer of the Executive to hire a Company employee who is at the "director" level or below, so long as such Company employee responds to generic, non-targeted position advertising and the Executive does not engage in activities prohibited by clause (i) of this Section 6(b) with respect to such Company employee.

(c) In the event that the terms of this Section 6 shall be determined by any court of competent jurisdiction to be unenforceable by reason of its extending for too great a period of time or over too great a geographical area or by reason of its being too extensive in any other respect, it will be interpreted to extend only over the maximum period of time for which it may be enforceable, over the maximum geographical area as to which it may be enforceable, or to the maximum extent in all other respects as to which it may be enforceable, all as determined by such court in such action. The Executive hereby acknowledges that the terms of this Section 6 are reasonable in terms of duration, scope and area restrictions and are necessary to protect the goodwill of the Company. The Executive hereby authorizes the Company to inform any future employer or prospective employer of the existence and terms of Sections 6 and 7 of this Agreement without liability for interference with the Executive's employment or prospective employment.

(d) The Executive acknowledges that the Company has expended and shall continue to expend substantial amounts of time, money and effort to develop business strategies, employee and customer relationships and goodwill and build an effective organization. The Executive recognizes and acknowledges that he has access to confidential information and trade secrets, and has had or will have material contact with the Company's customers, suppliers, licensees, representatives, agents, partners, licensors, or business relations, and that the Executive's services are of special, unique and extraordinary value to the Company and its Affiliates. The Executive acknowledges that the Company has a legitimate business interest and right in protecting its confidential information, business strategies, employee and customer relationships and goodwill, and that the Company would be seriously damaged by the disclosure of confidential information and the loss or deterioration of its business strategies, employee and customer relationships and goodwill. The Executive acknowledges (i) that the business of the Company and its Affiliates is international in scope and without geographical limitation and (ii) notwithstanding the jurisdiction of formation or principal office of the Company and its Affiliates, or the location of any of their respective executives or employees (including, without limitation, the Executive), it is expected that the Company and its Affiliates will have business activities and have valuable business relationships within their respective industries throughout the world. The Executive further acknowledges that although his compliance with the covenants contained in Sections 6 and 7 may prevent the Executive from earning a livelihood in a business similar to the business of the Company, the Executive's experience and capabilities are such that the Executive has other opportunities to earn a livelihood and adequate means of support for the Executive and the Executive's dependents. In addition, the Executive agrees and acknowledges that the potential harm to the Company of the non-enforcement of Sections 6 and 7 outweighs any potential harm to the Executive of their enforcement by injunction or otherwise.

(e) As used in this Section 6, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

7. Nondisclosure of Confidential Information; Nondisparagement; Intellectual Property.

(a) Non-Disclosure of Confidential Information; Return of Property. Except as required in the faithful performance of the Executive's duties hereunder, Executive agrees that during the Term and in perpetuity thereafter, the Executive shall maintain in confidence and shall not directly, indirectly or otherwise, use, disseminate, disclose or publish, or use for the Executive's benefit or the benefit of any Person, any confidential or proprietary information or trade secrets of or relating to the Company, including, without limitation, information with respect to the Company's operations, processes, products, inventions, business practices, finances, principals, vendors, suppliers, customers, potential customers, marketing methods, costs, prices, contractual relationships, regulatory status, compensation paid to employees or other terms of employment, or deliver to any Person any document, record, notebook, computer program or similar repository of or containing any such confidential or proprietary information or trade secrets. Confidential Information shall not include any information that is generally known to the industry or the public other than as a result of the Executive's breach of this covenant or any breach of other confidentiality obligations by third parties. Upon the Executive's termination of employment for any reason, the Executive shall promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, or any other documents concerning the Company's customers, business plans, marketing strategies, products or processes. The Executive may respond to a lawful and valid subpoena or other legal process but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought and, if requested by the Company, shall reasonably assist such counsel in resisting or otherwise responding to such process.

(b) Non-Disparagement. The Executive shall not, at any time during the Term and in perpetuity thereafter, directly or indirectly, knowingly disparage, criticize, or otherwise make derogatory statements regarding the Company and its officers, the members of the Board, and the respective Affiliates of any of the foregoing. The foregoing shall not be violated by the Executive' s truthful responses to legal process or inquiry by a governmental authority.

(c) Intellectual Property Rights.

(i) The Executive agrees that the results and proceeds of the Executive's services for the Company (including, but not limited to, any trade secrets, products, services, processes, know-how, designs, developments, innovations, analyses, drawings, reports, techniques, formulas, methods, developmental or experimental work, improvements, discoveries, inventions, ideas, source and object codes, programs, matters of a literary, musical, dramatic or otherwise creative nature, writings and other works of authorship) resulting from services performed for the Company and any works in progress, whether or not patentable or registrable under copyright or similar statutes, that were made, developed, conceived or reduced to practice or learned by the Executive, either alone or jointly with others (collectively, " Inventions"), shall be works-made-for-hire and the Company (or, if applicable or as directed by the Company) shall be deemed the sole owner throughout the universe of any and all trade secret, patent, copyright and other intellectual property rights (collectively, "Proprietary Rights") of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, with the right to use the same in perpetuity in any manner the Company determines in its sole discretion, without any further payment to the Executive whatsoever. If, for any reason,

any of such results and proceeds shall not legally be a work-made-for-hire and/or there are any Proprietary Rights which do not accrue to the Company under the immediately preceding sentence, then the Executive hereby irrevocably assigns and agrees to assign any and all of the Executive's right, title and interest thereto, including, without limitation, any and all Proprietary Rights of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, to the Company (or, if applicable or as directed by the Company, any of its Affiliates), and the Company or such Affiliates shall have the right to use the same in perpetuity throughout the universe in any manner determined by the Company or such Affiliates without any further payment to the Executive whatsoever. As to any Invention that the Executive is required to assign, the Executive shall promptly and fully disclose to the Company all information known to the Executive concerning such Invention. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, that the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company. In accordance with applicable law, this section 7(c) does not apply to any Inventions for which no equipment, supplies, facilities, trade secrets or other Confidential Information of the Company was used and which was developed entirely on the Executive's own time unless (a) the Invention relates to the Company's business or the Company's actual or demonstrably anticipated research or development; or (b) the Invention results from any work performed by the Executive for the Company.

(ii) The Executive agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall do any and all things that the Company may reasonably deem useful or desirable to establish or document the Company's exclusive ownership throughout the United States of America or any other country of any and all Proprietary Rights in any such Inventions, including, without limitation, the execution of appropriate copyright and/or patent applications or assignments. To the extent the Executive has any Proprietary Rights in the Inventions that cannot be assigned in the manner described above, the Executive unconditionally and irrevocably waives the enforcement of such Proprietary Rights. This Section 7(c)(ii) is subject to and shall not be deemed to limit, restrict or constitute any waiver by the Company of any Proprietary Rights of ownership to which the Company may be entitled by operation of law by virtue of the Executive's employment with, or service to, the Company. The Executive further agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall assist the Company in every proper and lawful way to obtain and from time to time enforce Proprietary Rights relating to Inventions in any and all countries. To this end, the Executive shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Proprietary Rights and the assignment thereof. In addition, the Executive shall execute, verify, and deliver assignments of such Proprietary Rights to the Company or its designees. The Executive's obligation to assist the Company with respect to Proprietary Rights relating to such Inventions in any and all countries shall continue beyond the termination of the Executive's employment with the Company.

(d) Prior Employment Information. The Executive further agrees that the Executive will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom the Executive has an obligation of confidentiality, and will not bring onto the premises of the Company or its Affiliates any unpublished documents or any property belonging to any former employer or any other Person to whom the Executive has an obligation of confidentiality unless consented to in writing by the former employer or other Person.

(e) Notwithstanding anything to the contrary contained in this Agreement, (i) the Executive will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or is made in a complaint or other document that is filed under seal **in** a lawsuit or other proceeding, and (ii) nothing in this Agreement shall prohibit Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures. If the Executive files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the Company's trade secrets to the Executive's attorney and use the trade secret information in the court proceeding if the Executive: (x) files any document containing the trade secret under seal; and (y) does not disclose the trade secret, except pursuant to court order.

(f) As used in this Section 7, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

8. Injunctive Relief. The Executive recognizes and acknowledges that a breach of any of the covenants contained in Sections 6 and 7 may cause irreparable damage to the Company and its goodwill, the exact amount of which may be difficult or impossible to ascertain, and that the remedies at law for any such breach may be inadequate. Accordingly, the Executive agrees that in the event of a breach or threatened breach of any of the covenants contained in Sections 6 and 7, in addition to any other remedy that may be available at law or in equity, the Company will be entitled (without the necessity of showing economic loss or other actual damage) to specific performance and injunctive relief (without posting a bond). In the event of any breach or violation by the Executive of any of the covenants contained in Section 6 and 7, the time period of such covenant with respect to the Executive shall, to the fullest extent permitted by law, be tolled until such breach or violation is resolved.

9. Cooperation. The Executive agrees that during and after his employment with the Company, the Executive will assist the Company and its Affiliates in the defense of any claims or potential claims that may be made or threatened to be made against the Company or any of its Affiliates in any action, suit, or proceeding, whether civil, criminal, administrative, investigative, or otherwise (each, an "Action"), and will assist the Company and its Affiliates in the prosecution of any claims that may be made by the Company or any of its Affiliates in any Action, to the extent that such claims may relate to the Executive's employment or the period of the Executive's employment by the Company and its Affiliates. The Executive agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to participate (or

otherwise become involved) in any such Action. The Executive also agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to assist in any investigation (whether governmental or otherwise) of the Company or any of its Affiliates (or their actions) to the extent that such investigation may relate to the Executive's employment or the period of the Executive's employment by the Company, regardless of whether a lawsuit has then been filed against the Company or any of its Affiliates with respect to such investigation. The Company or one of its Affiliates shall reimburse the Executive for all of the Executive's reasonable out-of-pocket expenses associated with such cooperation following his Date of Termination.

10. Section 409A of the Code.

(a) General. The parties hereto acknowledge and agree that, to the extent applicable, this Agreement shall be interpreted in accordance with, and incorporate the terms and conditions required by, Section 409A of the Code and the Department of Treasury Regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the date hereof. Notwithstanding any provision of this Agreement to the contrary, in the event that the Company determines that any amounts payable hereunder will be taxable currently to the Executive under Section 409A(a)(l)(A) of the Code and related Department of Treasury guidance, the Company and the Executive shall cooperate in good faith to (i) adopt such amendments to this Agreement and appropriate policies and procedures, including amendments and policies with retroactive effect, that they mutually determine to be necessary or appropriate to preserve the intended tax treatment of the benefits provided by this Agreement, to preserve the economic benefits of this Agreement, and to avoid less-favorable accounting or tax consequences for the Company, and/or (ii) take such other actions as mutually determined to be necessary or appropriate to exempt the amounts payable hereunder from Section 409A of the Code or to comply with the requirements of Section 409A of the Code and thereby avoid the application of penalty taxes thereunder; provided, however, that this Section 10(a) does not create an obligation on the part of the Company to modify this Agreement and does not guarantee that the amounts payable hereunder will not be subject to interest or penalties under Section 409A, and in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on the Executive as a result of Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

(b) Separation from Service under Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount that is "nonqualified deferred compensation" subject to Section 409A of the Code shall be payable pursuant to Section 5 unless the termination of the Executive's employment constitutes a "separation from service" within the meaning of Section 1.409A-1(h) of the Department of Treasury Regulations; (ii) if the Executive is deemed at the time of his separation from service to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent that delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement (after taking into account all exclusions applicable to such termination benefits under Section 409A), including, without limitation, any portion of the additional compensation awarded pursuant to Section 5, is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the

Executive's "separation from service" with the Company (as such term is defined in the Department of Treasury Regulations issued under Section 409A) and (B) the date of the Executive's death; provided, that upon the earlier of such dates, all payments deferred pursuant to this Section 1l(b)(ii) shall be paid to the Executive in a lump sum, and any remaining payments due under this Agreement shall be paid as otherwise provided herein; (iii) the determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his separation from service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including, without limitation, Section 1.409A-l(i) of the Department of Treasury Regulations and any successor provision thereto); (iv) for purposes of Section 409A of the Code, the Executive's right to receive installment payments pursuant to Section 5 shall be treated as a right to receive a series of separate and distinct payments; (v) if the sixty day period following the Date of Termination ends in the calendar year following the year that includes the Date of Termination, then payment of any amount that is conditioned upon the execution of the Release and is subject to Section 409A shall not be paid until the first day of the calendar year following the year that includes the Date of Termination, regardless of when the Release is signed; and (vi) to the extent that any reimbursement of expenses or in-kind benefits constitutes "deferred compensation" under Section 409A, such reimbursement or benefit shall be provided no later than December 31 of the year following the year in which the expense was incurred. The amount of expenses reimbursed in one year shall not affect the amount eligible for reimbursement in any subsequent year. The amount of any in-kind benefits provided in one year shall not affect the amount of in-kind benefits provided in any other year. The right to any benefits or reimbursements or in-kind benefits may not be liquidated or exchanged for any other benefit.

11. Section 280G of the Code.

(a) If there is a change of ownership or effective control or change in the ownership of a substantial portion of the assets of a corporation (within the meaning of Section 280G of the Code) and any payment or benefit (including payments and ,benefits pursuant to this Agreement) that the Executive would receive from the Company or otherwise ("Transaction Payment") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue Code of 1986 (the "Code"), and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Company shall cause to be determined, before any amounts of the Transaction Payment are paid to the Executive, which of the following two alternative forms of payment would result in the Executive's receipt, on an after-tax basis, of the greater amount of the Transaction Payment notwithstanding that all or some portion of the Transaction Payment may be subject to the Excise Tax: (x) payment in full of the entire amount of the Transaction Payment (a "Full Payment"), or (y) payment of only a part of the Transaction Payment so that the Executive receives the largest payment possible without the imposition of the Excise Tax (a "Reduced Payment"). For purposes of determining whether to make a Full Payment or a Reduced Payment, the Company shall cause to be taken into account all applicable federal, state and local income and employment taxes and the Excise Tax (all computed at the highest applicable marginal rate, net of the maximum reduction in federal income taxes which could be obtained from a deduction of such state and local taxes). If a Reduced Payment is made, the reduction in payments and/or benefits will occur in the following order: (1) cash payments (from latest scheduled to earliest scheduled); (2) any equity

or equity derivatives that are included under Section 280G of the Code at full value rather than accelerated value (with the highest value reduced first); and (3) any equity or equity derivatives included under Section 280G of the Code at an accelerated value (and not at full value), with the highest value reduced first (as such values are determined under Treasury Regulation Section l.280G-1, Q&A 24); and (4) any other non-cash benefits (from latest scheduled to earliest scheduled).

(b) Unless the Executive and the Company otherwise agree in writing, any determination required under this section shall be made in writing by the Company's independent public accountants (the "Accountants"), whose determination shall be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this section, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Accountants shall provide detailed supporting calculations to the Company and the Executive as requested by the Company or the Executive. The Executive and the Company shall furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this section. The Company shall bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 1l(b).

(c) Notwithstanding the foregoing, in the event that no stock of the Company or its Affiliates is readily tradable on an established securities market or otherwise (within the meaning of Section 280G of the Code) at the time of the change in control, the Board may elect to submit to a vote of shareholders for approval the portion of the Transaction Payments that equals and exceeds three times the Executive's "base amount" (within the meaning of Section 280G of the Code) (the "Excess Parachute Payments") in accordance with Treas. Reg. §l.280G-l, and the Executive shall cooperate with such vote of shareholders, including the execution of any required documentation subjecting the Executive's entitlement to all Excess Parachute Payments to such shareholder vote.

12. Assignment and Successors. The Company may assign its rights and obligations under this Agreement to any entity, including any successor to all or substantially all the assets of the Company, by merger or otherwise, and may assign or encumber this Agreement and its rights hereunder as security for indebtedness of the Company and its Affiliates. The Executive may not assign his rights or obligations under this Agreement to any individual or entity. This Agreement shall be binding upon and inure to the benefit of the Company and the Executive and their respective successors, assigns, personnel, legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable. In the event of the Executive's death following a termination of his employment, all unpaid amounts otherwise due the Executive (including under Section 5) shall be paid to his estate.

13. Governing Law. This Agreement shall be governed, construed, interpreted, and enforced in accordance with the substantive laws of the State of Delaware, without reference to the principles of conflicts of law of Delaware or any other jurisdiction, and where applicable, the laws of the United States.

14. Validity. The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

15. Notices. Any notice, request, claim, demand, document, and other communication hereunder to any party hereto shall be effective upon receipt (or refusal of receipt) and shall be in writing and delivered personally or sent by telex, telecopy, email or sent by nationally recognized overnight courier, or certified or registered mail, postage prepaid, to the following address (or at any other address as any party hereto shall have specified by notice in writing to the other party hereto):

16. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same Agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

17. Entire Agreement. The terms of this Agreement (together with any other agreements and instruments contemplated hereby or referred to herein) are intended by the parties hereto to be the final expression of their agreement with respect to the employment of the Executive by the Company and its Affiliates and to supersede any and all prior employment agreements, offer letters, severance agreements and similar agreements, plans, provisions, understandings or arrangements, whether written or oral (including, without limitation, the Prior Employment

Agreement and the Original Employment Agreement), and all such prior agreements, plans, provisions, understandings or arrangements shall be null and void in their entirety and of no further force or effect as of the Closing (as defined in the MIPA); provided, that the Executive shall remain eligible to receive the CIC Payment under the Prior Employment Agreement (as defined therein) in accordance with the terms thereof. For the avoidance of doubt, Executive shall have no right or entitlement to receive an annual bonus (whether prorated or otherwise) under Section 4.3 of the Prior Employment Agreement, and no such annual bonus shall be payable to the Executive. The parties hereto further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement.

18. Amendments; Waivers. This Agreement may not be modified, amended, or terminated except by an instrument in writing signed by the Executive and a duly authorized officer of the Company (other than the Executive) that expressly identifies the amended provision of this Agreement. By an instrument in writing similarly executed and similarly identifying the waived compliance, the Executive or a duly authorized officer of the Company may waive compliance by the other party or parties with any provision of this Agreement that such other party was or is obligated to comply with or perform; provided, however, that such waiver shall not operate as a waiver of, or estoppel with respect to, any other or subsequent failure to comply or perform. No failure to exercise and no delay in exercising any right, remedy, or power hereunder shall preclude any other or further exercise of any other right, remedy, or power provided herein or by law or in equity.

19. No Inconsistent Actions. The parties hereto shall not voluntarily undertake or fail to undertake any action or course of action inconsistent with the provisions or essential intent of this Agreement. Furthermore, it is the intent of the parties hereto to act in a fair and reasonable manner with respect to the interpretation and application of the provisions of this Agreement.

20. Construction. This Agreement shall be deemed drafted equally by both of the parties hereto. Its language shall be construed as a whole and according to its fair meaning. Any presumption or principle that the language is to be construed against any party shall not apply. The headings in this Agreement are only for convenience and are not intended to affect construction or interpretation. Any references to paragraphs, subparagraphs, sections, or subsections are to those parts of this Agreement, unless the context clearly indicates to the contrary. Also, unless the context clearly indicates to the contrary: (a) the plural includes the singular, and the singular includes the plural; (b) “and” and “or” are each used both conjunctively and disjunctively; (c) “any,” “all,” “each,” or “every” means “any and all,” and “each and every”; (d) “includes” and “including” are each “without limitation”; and (e) “herein,” “hereof,” “hereunder,” and other similar compounds of the word “here” refer to the entire Agreement and not to any particular paragraph, subparagraph, section, or subsection.

21. Dispute Resolution. The parties agree that any suit, action or proceeding brought by or against such party in connection with this Agreement shall be brought solely in any state or federal court within the State of Delaware. Each party expressly and irrevocably consents and submits to the jurisdiction and venue of each such court in connection with any such legal proceeding, including to enforce any settlement, order or award, and such party agrees to accept service of process by the other party or any of its agents in connection with any such proceeding. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

22. Enforcement. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, such provision shall be fully severable, this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision were never a part of this Agreement, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

23. Withholding. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local, and foreign withholding and other taxes and charges that the Company is required to withhold. The Company shall be entitled to rely on an opinion of counsel if any questions as to the amount or requirement of withholding shall arise.

Prior to execution of this Agreement, the Executive was advised by the Company of the Executive's right to seek independent advice from an attorney of the Executive's own selection regarding this Agreement. The Executive acknowledges that the Executive has entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Executive further represents that in entering into this Agreement, Executive is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents that are not expressly set forth herein, and that the Executive is relying only upon Executive's own judgment and any advice provided by Executive's attorney.

Other than any Guaranteed Bonus Amount, no Annual Bonus shall be payable with respect to any calendar year unless the Executive remains continuously employed with the Company through the date of payment, except as otherwise provided herein or in Section 5.

(c) Equity.

(i) As soon as reasonably practicable following the Closing Date, the Executive shall be granted an option to purchase shares of common stock of SCA Acquisition Holdings, LLC equal to 1.20% of the fully diluted total outstanding shares of SCA Acquisition Holdings, LLC as of the date of grant (the "Option"), subject to the terms and conditions set forth in the Company's equity incentive plan (the "Equity Plan") and a nonqualified stock option agreement thereunder.

(ii) The Executive shall have the opportunity to purchase shares of common stock of SCA Acquisition Holdings, LLC at the same indicative price per share that is paid by Apollo (the "Purchased Interests"), subject to the Executive becoming a party to the Company's investor rights agreement, provided that the Executive must notify the Company of such election in advance of the Closing Date.

(d) Executive Travel Benefits. The Executive is entitled to both positive-space and space-available travel benefits, in accordance with the Company's rules and policies.

(i) Positive Space Travel. Positive space travel is permitted as follows: the Executive will receive an annual credit of $12,500 in the Executive' s Universal Air Travel Plan ("UATP") account for personal travel on Company scheduled flights for the Executive and certain Qualifying Friends and Family (as defined below). Each flown segment is valued at $75, and deducted from the UATP account. The value of this benefit is reported as taxable income with taxes on such income paid for by the Company.

(ii) Qualifying Friends & Family. "Qualifying Friends and Family" are defined

as follows:

(A) If the Executive travels on a flight itinerary, the Executive may bring up to eight friends or family members, on the same itinerary, on any scheduled Company flight (provided such persons are not prohibited by Company from traveling on Company flights).

(B) If the Eligible Executive is not listed on the flight itinerary, i) the Executive's Circle Of Travelers (defined under the Company's Employee Travel Policy) may use the Executive's positive travel benefit for any scheduled Company flight and flown segments will be deducted from the UATP account; or ii) any friend or family member not otherwise prohibited by Company from traveling on Company's flights, may travel to and/or from the Executive's then-present location or homestead, to visit the Executive and/or Executive's family.

(iii) Space Available Travel. The Executive and the Executive's Circle Of Travelers may also travel on scheduled Company flights in accordance with the Company's Employee Travel Policy, in which case, flown segments will not be deducted from the Executive's UATP account.

(e) Vesting. Upon the earlier of (x) five (5) years from April 11, 2018, or (y) a Change in Control (as defined in the Equity Plan), Executive's travel benefits under this Section 3(d) shall vest for the Executive's lifetime and therefore be useable by Executive for the remainder of Executive's life. The terms related to the Company's policies shall be defined as the terms were defined the day before the execution of any agreement or event that would trigger the vesting described here.

(f) Benefits. During the Term, the Executive shall be entitled to participate in the employee benefit plans, programs, and arrangements of the Company as may be in effect from time to time, in accordance with their terms.

(g) Vacation. During the Term, the Executive shall be entitled to vacation in accordance with the Company's vacation policies, as then in effect. Any vacation shall be taken at a time that does not unreasonably interfere with the Executive's work and the Company's operations.

(h) Business Expenses. During the Term, the Company shall reimburse the Executive for all reasonable travel and other business expenses incurred by him in the performance of his duties to the Company, in accordance with the Company's expense reimbursement policies and procedures.

(i) Long Term Incentive Bonus. In the event the Executive elects the Option Term, Executive shall be entitled to participate in the Company's then-prevailing long-term incentive plan ("Long-Term Incentive"). The Executive's actual Long-Term Incentive for a given year, if any, shall be determined on the basis of the Executive's and/or the Company's attainment of objective financial and/or other subjective or objective criteria established by the Board and communicated to the Executive at the beginning of such year. Each such Long-Term Incentive shall be payable on such date as is determined by the Board, but in any event within the period required by Section 409A of the Code such that it qualifies as a "short-term deferral" pursuant to Section 1.409A-l(b)(4) of the Department of Treasury Regulations (or any successor thereto). Notwithstanding the foregoing, no Long-Term Incentive shall be payable with respect to any calendar year unless the Executive remains continuously employed with the Company through the date of payment, except as otherwise provided in Section 5.

4. Termination. Prior to the expiration of the Term resulting from a non-renewal pursuant to Section 2(b) above, the Executive's employment hereunder may be terminated without any breach of this Agreement only under the following circumstances:

(a) Circumstances.

(i) Death. The Executive's employment hereunder shall terminate upon his death.

(ii) Disability. If the Executive has incurred a Disability, the Company may give the Executive written notice of its intention to terminate the Executive's employment. In that event, the Executive's employment with the Company shall terminate effective on the later of the thirtieth (30th) day after receipt of such notice by the Executive and the date specified in such notice, provided that within the thirty (30) day period following receipt of such notice, the Executive shall not have returned to full-time performance of his duties hereunder.

(iii) Termination with Cause. The Company may terminate the Executive's employment with Cause.

(iv) Termination without Cause. The Company may terminate the Executive's employment without Cause.

(v) Resignation. The Executive may resign from his employment upon not less than sixty (60) days' advance written notice to the Board.

(b) Notice of Termination. Any termination of the Executive's employment by the Company or by the Executive under this Section 4 (other than termination pursuant to Section 4(a)(i)) shall be communicated by a written notice to the other party hereto (i) indicating the specific termination provision in this Agreement relied upon, (ii) except with respect to a termination pursuant to Section 4(a)(iv), setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated, and (iii) specifying a Date of Termination as provided herein (a "Notice of Termination"). If the Company delivers a Notice of Termination under Section 4(a)(ii), the Date of Termination shall be at least sixty (60) days following the date of such notice; provided, however, that such notice need not specify a Date of Termination, in which case the Date of Termination shall be determined pursuant to Section 4(a)(ii). If the Company delivers a Notice of Termination under Section 4(a)(iii) or 4(a)(iv), the Date of Termination shall be, in the Company's sole discretion, the date on which the Executive receives such notice or any subsequent date selected by the Company. If the Executive delivers a Notice of Termination under Section (a)(v), the Date of Termination shall be at least sixty (60) days following the date of such notice: provided, however, in each case, that the Company may, in its sole discretion, accelerate the Date of Termination to any date that occurs following the Company's receipt of such notice, without changing the characterization of such termination as voluntary, even if such date is prior to the date specified in such notice and without having to pay any compensation or benefits for the balance of such notice period. The failure by the Company to set forth in the Notice of Termination any fact or circumstance that contributes to a showing of Cause shall not waive any right of the Company hereunder or preclude the Company from asserting such fact or circumstance in enforcing the Company's rights hereunder.

(c) Termination of All Positions. Upon termination of the Executive's employment for any reason, the Executive agrees to resign, as of the Date of Termination or such other date requested by the Company, from all positions and offices that the Executive then holds with the Company and its Affiliates. The Executive agrees to promptly execute such documents as the Company, in its sole discretion, shall reasonably deem necessary to effect such resignations, and in the event that the Executive is unable or unwilling to execute any such document, Executive hereby grants his proxy to any officer of the Company to so execute on his behalf.

(d) Suspension of Duties. The Company reserves the right to bar the Executive from the offices of the Company or any of its Affiliates and to require that the Executive refrain from undertaking all or any of the Executive's duties and contacting clients, colleagues and advisors of the Company or any of its Affiliates (unless otherwise instructed) during all or part of any period of notice of Executive's termination of employment. Should the Company exercise this right, all the Executive's other duties and obligations hereunder, including the Executive's duties of fidelity and confidentiality to the Company, remain in full force and effect and, during any such period, the Executive shall remain a service provider to the Company and shall not be employed or engaged in any other business. For the avoidance of doubt, the Company shall continue to pay to the Executive the Annual Base Salary and to provide health and welfare benefits during any such notice period, until the Date of Termination.

5. Company Obligations upon Termination of Employment.

(a) In General Subject to Section l0(a), upon termination of the Executive's employment for any reason, the Executive (or the Executive's estate) shall be entitled to receive (i) any amount of the Executive's Annual Base Salary earned through the Date of Termination not theretofore paid, (ii) any Annual Bonus (and if applicable, any Long-Tern Incentive) for the year prior to the year in which the Date of Termination occurred, that was earned but not yet paid, (iii) any expenses owed to the Executive under Section 3(f), and (iv) any amount arising from the Executive's participation in, or benefits under, any employee benefit plans, programs, or arrangements under Section 3(d) (other than severance plans, programs, or arrangements), which amounts shall be payable in accordance with the terms and conditions of such employee benefit plans, programs, or arrangements including, where applicable, any death and disability benefits (the "Accrued Obligation"). Notwithstanding anything to the contrary, upon a termination by the Company with Cause, the Accrued Obligations shall not include the amount set forth in clause (ii) of the preceding sentence.

(b) Termination without Cause or Non-Renewal by the Company. Subject to Section IO(a) and subject to the Executive's continued compliance with the covenants contained in Sections 6 and 7, if the Company terminates the Executive's employment without Cause pursuant to Section 4(a)(iv) or the Company elects not to renew the Term pursuant to Section 2(b), the Company shall, in addition to the Accrued Obligations, continue to pay the Annual Base Salary in accordance with the Company's customary payroll practices during the period beginning on the Date of Termination and ending on the earlier to occur of (A) the twelve (12) month anniversary of the Date of Termination and (B) the first date that the Executive violates any covenant contained in Section 6 or 7, after receipt of written notice thereof and expiration of a 10 business day cure period: provided, however, the installment payments payable pursuant to this Section 5(b) shall commence on the first payroll period following the effective date of the Release (as defined below), and the initial installment shall include a lump-sum payment of all amounts accrued under this Section 5(b) from the Date of Termination through the date of such initial payment.

(c) Release. Notwithstanding anything herein to the contrary, the amounts payable to the Executive under Sections 5(b), other than the Accrued Obligations, shall be contingent upon and subject to the Executive's (or the Executive's estate, if applicable) execution and non-revocation of a general waiver and release of claims agreement in the Company's customary form (the "Release") (and the expiration of any applicable revocation period), on or prior to the sixtieth (60th) day following the Date of Termination.

(d) Survival. The expiration or termination of the Term shall not impair the rights or obligations of any party hereto, which shall have accrued prior to such expiration or termination.

6. Non-Competition; Non-Solicitation; Non-Hire.

(a) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the twelve (12) month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, engage in, have any equity or equity-based interest in, or manage or operate any Person, firm, corporation, partnership, business or entity (whether as director, officer, employee, agent, representative, partner, security holder, consultant, or otherwise) that engages in (either directly or through any subsidiary or Affiliate thereof) any business or activity that competes with any of the businesses of the Company or any entity owned by the Company (including, without limitation, any United States regional air carrier or any non-mainline carrier in Mexico, Canada or the Caribbean). Notwithstanding the foregoing, the Executive shall be permitted to acquire a passive stock or equity interest in such a business, provided that the stock or other equity interest acquired is not more than one percent (1%) of the outstanding interest in such business;

(b) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the twelve (12) month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, on the Executive's own behalf or on behalf of another (i) solicit, induce or attempt to solicit or induce any officer, director or employee of the Company to terminate their relationship with or leave the employ of the Company, or in any way interfere with the relationship between the Company, on the one hand, and any officer, director or employee thereof, on the other hand, (ii) hire (or other similar arrangement) any Person (in any capacity whether as an officer, director, employee or consultant) who is or at any time was an officer, director or employee of the Company until twelve (12) months after such individual's relationship (whether as an officer, director or employee) with the Company has ended, or (iii) induce or attempt to induce any customer, supplier, prospect, licensee or other business relation of the Company to cease doing business with the Company, or in any way interfere with the relationship between any such customer, supplier, prospect, licensee or business relation, on the one hand, and the Company, on the other hand; provided, that it shall not be a violation of this Section 6(b) for a subsequent employer of the Executive to hire a Company employee who is at the "director" level or below, so long as such Company employee responds to generic, non-targeted position advertising and the Executive does not engage in activities prohibited by clause (i) of this Section 6(b) with respect to such Company employee.

(c) In the event that the terms of this Section 6 shall be determined by any court of competent jurisdiction to be unenforceable by reason of its extending for too great a period of time or over too great a geographical area or by reason of its being too extensive in any other respect, it will be interpreted to extend only over the maximum period of time for which it may be enforceable, over the maximum geographical area as to which it may be enforceable, or to the maximum extent in all other respects as to which it may be enforceable, all as determined by such court in such action. The Executive hereby acknowledges that the terms of this Section 6 are reasonable in terms of duration, scope and area restrictions and are necessary to protect the goodwill of the Company. The Executive hereby authorizes the Company to inform any future employer or prospective employer of the existence and terms of Sections 6 and 7 of this Agreement without liability for interference with the Executive's employment or prospective employment.

(d) The Executive acknowledges that the Company has expended and shall continue to expend substantial amounts of time, money and effort to develop business strategies, employee and customer relationships and goodwill and build an effective organization. The Executive recognizes and acknowledges that he has access to confidential information and trade secrets, and has had or will have material contact with the Company's customers, suppliers, licensees, representatives, agents, partners, licensors, or business relations, and that the Executive's services are of special, unique and extraordinary value to the Company and its Affiliates. The Executive acknowledges that the Company has a legitimate business interest and right in protecting its confidential information, business strategies, employee and customer relationships and goodwill, and that the Company would be seriously damaged by the disclosure of confidential information and the loss or deterioration of its business strategies, employee and customer relationships and goodwill. The Executive acknowledges (i) that the business of the Company and its Affiliates is

international in scope and without geographical limitation and (ii) notwithstanding the jurisdiction of formation or principal office of the Company and its Affiliates, or the location of any of their respective executives or employees (including, without limitation, the Executive), it is expected that the Company and its Affiliates will have business activities and have valuable business relationships within their respective industries throughout the world. The Executive further acknowledges that although his compliance with the covenants contained in Sections 6 and 7 may prevent the Executive from earning a livelihood in a business similar to the business of the Company, the Executive's experience and capabilities are such that the Executive has other opportunities to earn a livelihood and adequate means of support for the Executive and the Executive's dependents. In addition, the Executive agrees and acknowledges that the potential harm to the Company of the non-enforcement of Sections 6 and 7 outweighs any potential harm to the Executive of their enforcement by injunction or otherwise.

(e) As used in this Section 6, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

7. Nondisclosure of Confidential Information; Nondisparagement; Intellectual Property.

(a) Non-Disclosure of Confidential Information; Return of Property. Except as required in the faithful performance of the Executive's duties hereunder, Executive agrees that during the Term and in perpetuity thereafter, the Executive shall maintain in confidence and shall not directly, indirectly or otherwise, use, disseminate, disclose or publish, or use for the Executive's benefit or the benefit of any Person, any confidential or proprietary information or trade secrets of or relating to the Company, including, without limitation, information with respect to the Company's operations, processes, products, inventions, business practices, finances, principals, vendors, suppliers, customers, potential customers, marketing methods, costs, prices, contractual relationships, regulatory status, compensation paid to employees or other terms of employment, or deliver to any Person any document, record, notebook, computer program or similar repository of or containing any such confidential or proprietary information or trade secrets. Confidential Information shall not include any information that is generally known to the industry or the public other than as a result of the Executive's breach of this covenant or any breach of other confidentiality obligations by third parties. Upon the Executive's termination of employment for any reason, the Executive shall promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, rep01is, programs, plans, proposals, financial documents, or any other documents concerning the Company's customers, business plans, marketing strategies, products or processes. The Executive may respond to a lawful and valid subpoena or other legal process but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought and, if requested by the Company, shall reasonably assist such counsel in resisting or otherwise responding to such process.

(b) Non-Disparagement. The Executive shall not, at any time during the Term and in perpetuity thereafter, directly or indirectly, knowingly disparage, criticize, or otherwise make derogatory statements regarding the Company and its officers, the members of the Board, and the respective Affiliates of any of the foregoing. The foregoing shall not be violated by the Executive's truthful responses to legal process or inquiry by a governmental authority.

(c) Intellectual Properly Rights.

(i) The Executive agrees that the results and proceeds of the Executive's services for the Company (including, but not limited to, any trade secrets, products, services, processes, know-how, designs, developments, innovations, analyses, drawings, reports, techniques, formulas, methods, developmental or experimental work, improvements, discoveries, inventions, ideas, source and object codes, programs, matters of a literary, musical, dramatic or otherwise creative nature, writings and other works of authorship) resulting from services performed for the Company and any works in progress, whether or not patentable or registrable under copyright or similar statutes, that were made, developed, conceived or reduced to practice or learned by the Executive, either alone or jointly with others (collectively, "Inventions"), shall be works-made-for-hire and the Company (or, if applicable or as directed by the Company) shall be deemed the sole owner throughout the universe of any and all trade secret, patent, copyright and other intellectual property rights (collectively, "Proprietary Rights") of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, with the right to use the same in perpetuity in any manner the Company determines in its sole discretion, without any further payment to the Executive whatsoever. If, for any reason, any of such results and proceeds shall not legally be a work-made-for-hire and/or there are any Proprietary Rights which do not accrue to the Company under the immediately preceding sentence, then the Executive hereby irrevocably assigns and agrees to assign any and all of the Executive's right, title and interest thereto, including, without limitation, any and all Proprietary Rights of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, to the Company (or, if applicable or as directed by the Company, any of its Affiliates), and the Company or such Affiliates shall have the right to use the same in perpetuity throughout the universe in any manner determined by the Company or such Affiliates without any further payment to the Executive whatsoever. As to any Invention that the Executive is required to assign, the Executive shall promptly and fully disclose to the Company all information known to the Executive concerning such Invention. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, that the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company. In accordance with applicable law, this section 7(c) does not apply to any Inventions for which no equipment, supplies, facilities, trade secrets or other Confidential Information of the Company was used and which was developed entirely on the Executive's own time unless (a) the Invention relates to the Company's business or the Company's actual or demonstrably anticipated research or development; or (b) the Invention results from any work performed by the Executive for the Company.

(ii) The Executive agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall do any and all things that the Company may reasonably deem useful or desirable to establish or document the Company's exclusive ownership throughout the United States of America or any other country of any and all Proprietary Rights in any such Inventions, including, without limitation, the execution of appropriate copyright and/or patent applications or assignments. To the extent the Executive has any Proprietary Rights in the Inventions that cannot be assigned in the manner described above, the Executive unconditionally and irrevocably waives the enforcement of such Proprietary Rights. This Section 7(c)(ii) is subject to and shall not be deemed to limit, restrict or constitute any waiver by the Company of any Proprietary Rights of ownership to which the Company may be entitled

by operation of law by virtue of the Executive's employment with, or service to, the Company. The Executive further agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall assist the Company in every proper and lawful way to obtain and from time to time enforce Proprietary Rights relating to Inventions in any and all countries. To this end, the Executive shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Proprietary Rights and the assignment thereof. In addition , the Executive shall execute, verify, and deliver assignments of such Proprietary Rights to the Company or its designees. The Executive's obligation to assist the Company with respect to Proprietary Rights relating to such Inventions in any and all countries shall continue beyond the termination of the Executive's employment with the Company.

(d) Prior Employment Information. The Executive further agrees that the Executive will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom the Executive has an obligation of confidentiality, and will not bring onto the premises of the Company or its Affiliates any unpublished documents or any property belonging to any former employer or any other Person to whom the Executive has an obligation of confidentiality unless consented to in writing by the former employer or other Person.

(e) Notwithstanding anything to the contrary contained in this Agreement, (i) the Executive will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding , and (ii) nothing in this Agreement shall prohibit Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures. If the Executive files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the Company' s trade secrets to the Executive's attorney and use the trade secret information in the court proceeding if the Executive: (x) files any document containing the trade secret under seal; and (y) does not disclose the trade secret, except pursuant to court order.

(f) As used in this Section 7, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

8. Injunctive Relief. The Executive recognizes and acknowledges that a breach of any of the covenants contained in Sections 6 and 7 may cause irreparable damage to the Company and its goodwill, the exact amount of which may be difficult or impossible to ascertain, and that the remedies at law for any such breach may be inadequate. Accordingly, the Executive agrees that

in the event of a breach or threatened breach of any of the covenants contained in Sections 6 and 7, in addition to any other remedy that may be available at law or in equity, the Company will be entitled (without the necessity of showing economic loss or other actual damage) to specific performance and injunctive relief (without posting a bond). In the event of any breach or violation by the Executive of any of the covenants contained in Section 6 and 7, the time period of such covenant with respect to the Executive shall, to the fullest extent permitted by law, be tolled until such breach or violation is resolved.

9. Cooperation. The Executive agrees that during and after his employment with the Company, the Executive will assist the Company and its Affiliates in the defense of any claims or potential claims that may be made or threatened to be made against the Company or any of its Affiliates in any action, suit, or proceeding, whether civil, criminal, administrative, investigative, or otherwise (each, an "Action"), and will assist the Company and its Affiliates in the prosecution of any claims that may be made by the Company or any of its Affiliates in any Action, to the extent that such claims may relate to the Executive's employment or the period of the Executive's employment by the Company and its Affiliates. The Executive agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to participate (or otherwise become involved) in any such Action. The Executive also agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to assist in any investigation (whether governmental or otherwise) of the Company or any of its Affiliates (or their actions) to the extent that such investigation may relate to the Executive's employment or the period of the Executive's employment by the Company, regardless of whether a lawsuit has then been filed against the Company or any of its Affiliates with respect to such investigation. The Company or one of its Affiliates shall reimburse the Executive for all of the Executive's reasonable out-of-pocket expenses associated with such cooperation following his Date of Termination.

10. Section 409A of the Code.

(a) General. The parties hereto acknowledge and agree that, to the extent applicable, this Agreement shall be interpreted in accordance with, and incorporate the terms and conditions required by, Section 409A of the Code and the Department of Treasury Regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the date hereof. Notwithstanding any provision of this Agreement to the contrary, in the event that the Company determines that any amounts payable hereunder will be taxable currently to the Executive under Section 409A(a)(l)(A) of the Code and related Department of Treasury guidance, the Company and the Executive shall cooperate in good faith to (i) adopt such amendments to this Agreement and appropriate policies and procedures, including amendments and policies with retroactive effect, that they mutually determine to be necessary or appropriate to preserve the intended tax treatment of the benefits provided by this Agreement, to preserve the economic benefits of this Agreement, and to avoid less-favorable accounting or tax consequences for the Company, and/or (ii) take such other actions as mutually determined to be necessary or appropriate to exempt the amounts payable hereunder from Section 409A of the Code or to comply with the requirements of Section 409A of the Code and thereby avoid the application of penalty taxes thereunder; provided, however, that this Section 10(a) does not create an obligation on the part of the Company to modify this Agreement and does not guarantee that the amounts payable hereunder will not be subject to interest or penalties under Section 409A, and in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on the Executive as a result of Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

(b) Separation from Service Under Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount that is "nonqualified deferred compensation" subject to Section 409A of the Code shall be payable pursuant to Section 5 unless the termination of the Executive's employment constitutes a "separation from service" within the meaning of Section l .409A-l(h) of the Department of Treasury Regulations; (ii) if the Executive is deemed at the time of his separation from service to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent that delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement (after taking into account all exclusions applicable to such termination benefits under Section 409A), including, without limitation, any portion of the additional compensation awarded pursuant to Section 5, is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's "separation from service" with the Company (as such term is defined in the Department of Treasury Regulations issued under Section 409A) and (B) the date of the Executive's death: provided, that upon the earlier of such dates, all payments deferred pursuant to this Section 11(b)(ii) shall be paid to the Executive in a lump sum, and any remaining payments due under this Agreement shall be paid as otherwise provided herein; (iii) the determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his separation from service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including, without limitation, Section l.409A-l(i) of the Department of Treasury Regulations and any successor provision thereto); (iv) for purposes of Section 409A of the Code, the Executive's right to receive installment payments pursuant to Section 5 shall be treated as a right to receive a series of separate and distinct payments; (v) if the sixty day period following the Date of Termination ends in the calendar year following the year that includes the Date of Termination, then payment of any amount that is conditioned upon the execution of the Release and is subject to Section 409A shall not be paid until the first day of the calendar year following the year that includes the Date of Termination, regardless of when the Release is signed; and (vi) to the extent that any reimbursement of expenses or in-kind benefits constitutes "deferred compensation" under Section 409A, such reimbursement or benefit shall be provided no later than December 31 of the year following the year in which the expense was incurred . The amount of expenses reimbursed in one year shall not affect the amount eligible for reimbursement in any subsequent year. The amount of any in-kind benefits provided in one year shall not affect the amount of in-kind benefits provided in any other year. The right to any benefits or reimbursements or in-kind benefits may not be liquidated or exchanged for any other benefit.

11. Section 280G of the Code.

(a) If there is a change of ownership or effective control or change in the ownership of a substantial portion of the assets of a corporation (within the meaning of Section 280G of the Code) and any payment or benefit (including payments and benefits pursuant to this Agreement) that the Executive would receive from the Company or otherwise ("Transaction Payment") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue

Code of 1986 (the "Code"), and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Company shall cause to be determined, before any amounts of the Transaction Payment are paid to the Executive, which of the following two alternative forms of payment would result in the Executive's receipt, on an after-tax basis, of the greater amount of the Transaction Payment notwithstanding that all or some portion of the Transaction Payment may be subject to the Excise Tax: (x) payment in full of the entire amount of the Transaction Payment (a "Full Payment"), or (y) payment of only a part of the Transaction Payment so that the Executive receives the largest payment possible without the imposition of the Excise Tax (a "Reduced Payment"). For purposes of determining whether to make a Full Payment or a Reduced Payment, the Company shall cause to be taken into account all applicable federal, state and local income and employment taxes and the Excise Tax (all computed at the highest applicable marginal rate, net of the maximum reduction in federal income taxes which could be obtained from a deduction of such state and local taxes). If a Reduced Payment is made, the reduction in payments and/or benefits will occur in the following order: (1) cash payments (from latest scheduled to earliest scheduled); (2) any equity or equity derivatives that are included under Section 2800 of the Code at full value rather than accelerated value (with the highest value reduced first); and (3) any equity or equity derivatives included under Section 2800 of the Code at an accelerated value (and not at full value), with the highest value reduced first (as such values are determined under Treasury Regulation Section 1.2800-1, Q&A 24); and (4) any other non-cash benefits (from latest scheduled to earliest scheduled).

(b) Unless the Executive and the Company otherwise agree in writing, any determination required under this section shall be made in writing by the Company's independent public accountants (the "Accountants"), whose determination shall be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this section, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 2800 and 4999 of the Code. The Accountants shall provide detailed supporting calculations to the Company and the Executive as requested by the Company or the Executive. The Executive and the Company shall furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this section. The Company shall bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 11(b).

(c) Notwithstanding the foregoing, in the event that no stock of the Company or its Affiliates is readily tradable on an established securities market or otherwise (within the meaning of Section 2800 of the Code) at the time of the change in control, the Board may elect to submit to a vote of shareholders for approval the portion of the Transaction Payments that equals and exceeds three times the Executive's "base amount" (within the meaning of Section 2800 of the Code) (the "Excess Parachute Payments") in accordance with Treas. Reg. §1.2800-1, and the Executive shall cooperate with such vote of shareholders, including the execution of any required documentation subjecting the Executive's entitlement to all Excess Parachute Payments to such shareholder vote.

12. Assignment and Successors. The Company may assign its rights and obligations under this Agreement to any entity, including any successor to all or substantially all the assets of the Company, by merger or otherwise, and may assign or encumber this Agreement and its rights hereunder as security for indebtedness of the Company and its Affiliates. The Executive may not assign his rights or obligations under this Agreement to any individual or entity. This Agreement shall be binding upon and inure to the benefit of the Company and the Executive and their respective successors, assigns, personnel, legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable. In the event of the Executive's death following a termination of his employment, all unpaid amounts otherwise due the Executive (including under Section 5) shall be paid to his estate.

13. Governing Law. This Agreement shall be governed, construed, interpreted, and enforced in accordance with the substantive laws of the State of Delaware, without reference to the principles of conflicts of law of Delaware or any other jurisdiction, and where applicable, the laws of the United States.

14. Validity. The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

15. Notices. Any notice, request, claim, demand, document, and other communication hereunder to any party hereto shall be effective upon receipt (or refusal of receipt) and shall be in writing and delivered personally or sent by telex, telecopy, email or sent by nationally recognized overnight courier, or certified or registered mail, postage prepaid, to the following address (or at any other address as any party hereto shall have specified by notice in writing to the other party hereto):

16. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same Agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

17. Entire Agreement. The terms of this Agreement (together with any other agreements and instruments contemplated hereby or referred to herein) are intended by the parties hereto to be the final expression of their agreement with respect to the employment of the Executive by the Company and its Affiliates and to supersede any and all prior employment agreements, offer letters, severance agreements and similar agreements, plans, provisions, understandings or arrangements, whether written or oral, and all such prior agreements, plans, provisions, understandings or arrangements shall be null and void in their entirety and of no further force or effect as of the Closing (as defined in the MIPA). The parties hereto further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement.

18. Amendment; Waivers. This Agreement may not be modified, amended, or terminated except by an instrument in writing signed by the Executive and a duly authorized officer of the Company (other than the Executive) that expressly identifies the amended provision of this Agreement. By an instrument in writing similarly executed and similarly identifying the waived compliance, the Executive or a duly authorized officer of the Company may waive compliance by the other party or parties with any provision of this Agreement that such other party was or is obligated to comply with or perform; provided, however, that such waiver shall not operate as a waiver of, or estoppel with respect to, any other or subsequent failure to comply or perform. No failure to exercise and no delay in exercising any right, remedy, or power hereunder shall preclude any other or further exercise of any other right, remedy, or power provided herein or by law or in equity.

19. No Inconsistent Actions. The parties hereto shall not voluntarily undertake or fail to undertake any action or course of action inconsistent with the provisions or essential intent of this Agreement. Furthermore, it is the intent of the parties hereto to act in a fair and reasonable manner with respect to the interpretation and application of the provisions of this Agreement.

20. Construction. This Agreement shall be deemed drafted equally by both of the parties hereto. Its language shall be construed as a whole and according to its fair meaning. Any presumption or principle that the language is to be construed against any party shall not apply. The headings in this Agreement are only for convenience and are not intended to affect construction or interpretation. Any references to paragraphs, subparagraphs, sections, or subsections are to those parts of this Agreement, unless the context clearly indicates to the contrary. Also, unless the context clearly indicates to the contrary: (a) the plural includes the singular, and the singular includes the plural; (b) “and” and “or” are each used both conjunctively and disjunctively; (c) “any,” “all,” “each,” or “every” means “any and all,” and “each and every”; (d) “includes” and “including” are each “without limitation”; and (e) “herein,” “hereof,” “hereunder,” and other similar compounds of the word “here” refer to the entire Agreement and not to any particular paragraph, subparagraph, section, or subsection.

21. Dispute Resolution. The parties agree that any suit, action or proceeding brought by or against such party in connection with this Agreement shall be brought solely in any state or federal court within the State of Delaware. Each party expressly and irrevocably consents and submits to the jurisdiction and venue of each such court in connection with any such legal proceeding, including to enforce any settlement, order or award, and such party agrees to accept service of process by the other party or any of its agents in connection with any such proceeding. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

22. Enforcement. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, such provision shall be fully severable, this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision were never a part of this Agreement, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

23. Withholding. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local, and foreign withholding and other taxes and charges that the Company is required to withhold. The Company shall be entitled to rely on an opinion of counsel if any questions as to the amount or requirement of withholding shall arise.

24. Employee Representations. The Executive represents, warrants and covenants that (i) that he has read and understands this Agreement, is fully aware of its legal effect, has not acted in reliance upon any representations or promises made by the Company other than those contained in writing herein, and has entered into this Agreement freely based on his own judgment, (ii) Executive has the full right, authority and capacity to enter into this Agreement and perform Executive's obligations hereunder, (iii) Executive is not bound by any agreement that conflicts with or prevents or restricts the full performance of Executive's duties and obligations to the Company hereunder during or after the Term, (iv) the execution and delivery of this Agreement shall not result in any breach or violation of, or a default under, any existing obligation, commitment or agreement to which Executive is subject, and (v) the Executive shall keep all terms of this Agreement confidential, except with respect to disclosure to the Executive's spouse, accountants or attorneys, each of whom shall agree to keep all terms of this Agreement confidential. Prior to execution of this Agreement, the Executive was advised by the Company of the Executive's right to seek independent advice from an attorney of the Executive's own selection regarding this Agreement. The Executive acknowledges that the Executive has entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Executive further represents that in entering into this Agreement, Executive is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents that are not expressly set forth herein, and that the Executive is relying only upon Executive's own judgment and any advice provided by Executive's attorney.

25. Condition Precedent. This Agreement will become effective subject to and conditioned upon the occurrence of the Closing (as defined in the MIPA). This Agreement shall automatically terminate without any action on the part of any person and be void ab initio if the MIPA is terminated in accordance with its terms or the transactions contemplated thereunder are otherwise abandoned, and neither the Company, Apollo nor any other Person shall have any liability to the Executive under this Agreement if the Closing does not occur.

(b) Term of Employment. The initial term of employment under this Agreement (the "Initial Term") shall be for the period beginning on June 3, 2019 (the "Effective Date") and ending on the fifth (5th) anniversary of such date, unless terminated earlier as provided in Section 4. The Initial Term shall automatically be extended for successive one (1) year periods (together with the Initial Term, the "Term"), unless either party hereto gives notice of the non-extension of the Term to the other party no later than ninety (90) days prior to the expiration of the then-applicable Term.

(c) Position and Duties.

(i) During the Term, the Executive shall serve as Chief Operating Officer of the Company, with responsibilities, duties, and authority customary for such position. The Executive shall report to the Chief Executive Officer of the Company. The Executive agrees to observe and comply with the Company's rules and policies as adopted from time to time by the Company. The Executive shall devote his full business time, skill, attention, and best efforts to the performance of his duties hereunder; provided, however, that the Executive shall be entitled to (A) serve on civic, charitable, and religious boards, (B) subject in each case to approval by the Board, serve on corporate boards, and (C) manage the Executive's personal and family investments, in each case, to the extent that such activities do not interfere with the performance of the Executive's duties and responsibilities hereunder, are not in conflict with the business interests of the Company or its Affiliates, and do not compete with the business of the Company or its Affiliates. During the Term, the Executive shall submit to the Board all business, commercial and investment opportunities or offers presented to the Executive or of which the Executive becomes aware which relate to the business of the Company and its Affiliates at any time during the Term, and unless approved by the Board, the Executive shall not accept or pursue, directly or indirectly, any such corporate opportunities on the Executive's own behalf.

(ii) The Executive's employment shall be principally based at the Company's headquarters in the Minneapolis, Minnesota area. The Executive shall perform his duties and responsibilities to the Company at such principal place of employment and at such other location(s) to which the Company may reasonably require the Executive to travel for Company business purposes.

3. Compensation and Related Matters.

(a) Annual Base Salary. Executive's Annual Base Salary shall be three hundred thousand dollars ($300,000) per annum, payable semi-monthly in accordance with the Company's payroll practices. The Board may review Executive's Annual Base Salary for increase or decrease from time to time in its sole discretion.

(b) Annual Bonus. Executive shall be eligible to receive a discretionary annual cash bonus with a target amount equal to seventy-five percent (75%) of the applicable Annual Base Salary (the "Annual Bonus"). The Executive's actual Annual Bonus for a given year, if any, shall be determined on the basis of the Executive's and/or the Company's attainment of objective financial and/or other subjective or objective criteria established by the Board and communicated to the Executive at the beginning of such year. Each such Annual Bonus shall be payable on such date as is determined by the Board, but in any event within the period required by Section 409A of the Code such that it qualifies as a "short-term deferral" pursuant to Section 1.409A-1(b)(4) of the Department of Treasury Regulations (or any successor thereto). No Annual Bonus shall be payable with respect to any calendar year unless the Executive remains continuously employed with the Company through the date of payment, except as otherwise provided herein or in Section 5.

(c) Equity. As soon as reasonably practicable following the Effective Date, the Executive shall be granted an option to purchase shares of common stock of SCA Acquisition Holdings, LLC equal to 1.0% of the fully diluted total outstanding shares of SCA Acquisition Holdings, LLC as of the date of grant (the "Option"), subject to the terms and conditions set forth in the Company's equity incentive plan (the "Equity Plan") and a nonqualified stock option agreement thereunder.

(d) Executive Travel Benefits. The Executive is entitled to both positive-space and space-available travel benefits, in accordance with the Company's rules and policies.

(i) Positive Space Travel. Positive space travel is permitted as follows: the Executive will receive an annual credit of $12,500 in the Executive's Universal Air Travel Plan ("UATP") account for personal travel on Company scheduled flights for the Executive and certain Qualifying Friends and Family (as defined below). Each flown segment is valued at $75. and deducted from the UATP account. The value of this benefit is reported as taxable income with taxes on such income paid for by the Company.

(ii) Qualifying Friends & Family. "Qualifying Friends and Family" are defined as follows:

(A) If the Executive travels on a flight itinerary, the Executive may bring up to eight friends or family members, on the same itinerary, on any scheduled Company flight (provided such persons are not prohibited by Company from traveling on Company flights).

(B) If the Eligible Executive is not listed on the flight itinerary, i) the Executive's Circle Of Travelers (defined under the Company's Employee Travel Policy) may use the Executive's positive travel benefit for any scheduled Company flight and flown segments will be deducted from the UATP account; or

ii) any friend or family member not otherwise prohibited by Company from traveling on Company's flights, may travel to and/or from the Executive's then-present location or homestead, to visit the Executive and/or Executive's family.

(iii) Space Available Travel. The Executive and the Executive's Circle Of Travelers may also travel on scheduled Company flights in accordance with the Company's Employee Travel Policy, in which case, flown segments will not be deducted from the Executive's UATP account.

(iv) Vesting. Upon the earlier of (x) five (5) years from June 3, 2019, or (y) a Change in Control (as defined in the Equity Plan), Executive's travel benefits under this Section 3(d) shall vest for the Executive's lifetime and therefore be useable by Executive for the remainder of Executive's life. The terms related to the Company's policies shall be defined as the terms were defined the day before the execution of any agreement or event that would trigger the vesting described here.

(e) Benefits. During the Term, the Executive shall be entitled to participate in the employee benefit plans, programs, and arrangements of the Company as generally made available to similarly situated executives, and as may be in effect from time to time, in accordance with their terms.

(f) Vacation. During the Term, the Executive shall be entitled to twenty days of vacation in accordance with the Company's vacation policies, as then in effect. Any vacation shall be taken at a time that does not unreasonably interfere with the Executive's work and the Company's operations.

(g) Business Expenses. During the Term, the Company shall reimburse the Executive for all reasonable travel and other business expenses incurred by him in the performance of his duties to the Company, in accordance with the Company's expense reimbursement policies and procedures.

(h) Relocation. The Executive shall receive a relocation bonus for relocation to the Minneapolis, Minnesota area, in the amount of $52,000, payable in accordance with the Company's normal payroll practices: provided, however, if the Executive resigns from employment for any reason prior to the twenty-four month period after the Effective Date, then he shall repay to the Company within thirty (30) days of the date of termination a prorated portion of the relocation bonus with the amount of such prorated portion equal to (i) the Relocation Bonus, multiplied by (ii) a fraction, (x) the numerator of which is equal to 730 minus the number of calendar days from the Effective Date and (y) the denominator of which is 730. To the extent that the Executive is required to recognize any such relocation bonus as taxable income, the Company shall provide the Executive with an additional make-whole payment intended to place the Executive in the same after-tax position that the Executive would have been in had the Executive not recognized such amounts as taxable income. Each such make-whole payment shall be calculated and paid in accordance with the Company's customary practices for payments of this type, as in effect from time to time.

4. Termination. Prior to the expiration of the Term resulting from a non-renewal pursuant to Section 2(b) above, the Executive's employment hereunder may be terminated without any breach of this Agreement only under the following circumstances:

(a) Circumstances.

(i) Death. The Executive's employment hereunder shall terminate upon his death.

(ii) Disability. If the Executive has incurred a Disability, the Company may give the Executive written notice of its intention to terminate the Executive's employment. In that event, the Executive's employment with the Company shall terminate effective on the later of the thirtieth (30th) day after receipt of such notice by the Executive and the date specified in such notice, provided that within the thirty (30) day period following receipt of such notice, the Executive shall not have returned to full-time performance of his duties hereunder.

(iii) Termination with Cause. The Company may terminate the Executive's employment with Cause.

(iv) Termination without Cause. The Company may terminate the Executive's employment without Cause.

(v) Resignation. The Executive may resign from his employment upon not less than sixty (60) days' advance written notice to the Board.

(b) Notice of Termination. Any termination of the Executive's employment by the Company or by the Executive under this Section 4 (other than termination pursuant to Section 4(a)(i)) shall be communicated by a written notice to the other party hereto (i) indicating the specific termination provision in this Agreement relied upon, (ii) except with respect to a termination pursuant to Section 4(a)(iv), setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated, and (iii) specifying a Date of Termination as provided herein (a "Notice of Termination"). If the Company delivers a Notice of Termination under Section 4(a)(ii), the Date of Termination shall be at least sixty (60) days following the date of such notice; provided, however, that such notice need not specify a Date of Termination, in which case the Date of Termination shall be determined pursuant to Section 4(a)(ii). If the Company delivers a Notice of Termination under Section 4(a)(iii) or 4(a)(iv), the Date of Termination shall be, in the Company's sole discretion, the date on which the Executive receives such notice or any subsequent date selected by the Company. If the Executive delivers a Notice of Termination under Section (a)(v), the Date of Termination shall be at least sixty (60) days following the date of such notice; provided, however, in each case, that the Company may, in its sole discretion, accelerate the Date of Termination to any date that occurs following the Company's receipt of such notice, without changing the characterization of such termination as voluntary, even if such date is prior to the date specified in such notice and without having to pay any compensation or benefits for the balance of such notice period. The failure by the Company to set forth in the Notice of Termination any fact or circumstance that contributes to a showing of Cause shall not waive any right of the Company hereunder or preclude the Company from asserting such fact or circumstance in enforcing the Company's rights hereunder.

(c) Termination of All Positions. Upon termination of the Executive's employment for any reason, the Executive agrees to resign, as of the Date of Termination or such other date requested by the Company, from all positions and offices that the Executive then holds with the Company and its Affiliates. The Executive agrees to promptly execute such documents as the Company, in its sole discretion, shall reasonably deem necessary to effect such resignations, and in the event that the Executive is unable or unwilling to execute any such document, Executive hereby grants his proxy to any officer of the Company to so execute on his behalf.

(d) Suspension of Duties. The Company reserves the right to bar the Executive from the offices of the Company or any of its Affiliates and to require that the Executive refrain from undertaking all or any of the Executive's duties and contacting clients, colleagues and advisors of the Company or any of its Affiliates (unless otherwise instructed) during all or part of any period of notice of Executive's termination of employment. Should the Company exercise this right, all the Executive's other duties and obligations hereunder, including the Executive's duties of fidelity and confidentiality to the Company, remain in full force and effect and, during any such period, the Executive shall remain a service provider to the Company and shall not be employed or engaged in any other business. For the avoidance of doubt, the Company shall continue to pay to the Executive the Annual Base Salary and to provide health and welfare benefits during any such notice period, until the Date of Termination.

5. Company Obligations upon Termination of Employment.

(a) In General. Subject to Section 10(a), upon termination of the Executive's employment for any reason, the Executive (or the Executive's estate) shall be entitled to receive (i) any amount of the Executive's Annual Base Salary earned through the Date of Termination not theretofore paid, (ii) any Annual Bonus for the year prior to the year in which the Date of Termination occurred, that was earned but not yet paid, (iii) any expenses owed to the Executive under Section 3(g), and (iv) any amount arising from the Executive's participation in, or benefits under, any employee benefit plans, programs, or arrangements under Section 3(e) (other than severance plans, programs, or arrangements), which amounts shall be payable in accordance with the terms and conditions of such employee benefit plans, programs, or arrangements including, where applicable, any death and disability benefits (the "Accrued Obligations"). Notwithstanding anything to the contrary, upon a termination by the Company with Cause, the Accrued Obligations shall not include the amount set forth in clause (ii) of the preceding sentence.

(b) Termination without Cause. Subject to Section 10(a) and subject to the Executive's continued compliance with the covenants contained in Sections 6 and 7, if the Company terminates the Executive's employment without Cause pursuant to Section 4(a)(iv), the Company shall, in addition to the Accrued Obligations, continue to pay the Annual Base Salary in accordance with the Company's customary payroll practices during the period beginning on the Date of Termination and ending on the earlier to occur of (A) the twelve (12) month anniversary of the Date of Termination and (B) the first date that the Executive violates any covenant contained in Section 6 or 7, after receipt of written notice thereof and expiration of a 10

business day cure period; provided, however, the installment payments payable pursuant to this Section 5(b) shall commence on the first payroll period following the effective date of the Release (as defined below), and the initial installment shall include a lump-sum payment of all amounts accrued under this Section 5(b) from the Date of Termination through the date of such initial payment.

(c) Release. Notwithstanding anything herein to the contrary, the amounts payable to the Executive under Sections 5(b), other than the Accrued Obligations, shall be contingent upon and subject to the Executive's (or the Executive's estate, if applicable) execution and non- revocation of a general waiver and release of claims agreement in the Company's customary form (the "Release") (and the expiration of any applicable revocation period), on or prior to the sixtieth (60^{th}) day following the Date of Termination.

(d) Survival. The expiration or termination of the Term shall not impair the rights or obligations of any party hereto, which shall have accrued prior to such expiration or termination.

6. Non-Competition; Non-Solicitation; Non-Hire.

(a) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the twelve (12) month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, engage in, have any equity or equity-based interest in, or manage or operate any Person, firm, corporation, partnership, business or entity (whether as director, officer, employee, agent, representative, partner, security holder, consultant, or otherwise) that engages in (either directly or through any subsidiary or Affiliate thereof) any business or activity that competes with any of the businesses of the Company or any entity owned by the Company (including, without limitation, any United States regional air carrier or any non-mainline carrier in Mexico, Canada or the Caribbean). Notwithstanding the foregoing, the Executive shall be permitted to acquire a passive stock or equity interest in such a business, provided that the stock or other equity interest acquired is not more than one percent (1%) of the outstanding interest in such business;

(b) To the fullest extent permitted by applicable law, the Executive agrees that during the Executive's employment with the Company, and for the twelve (12) month period following the Executive's termination of employment for any reason, the Executive will not, directly or indirectly, on the Executive's own behalf or on behalf of another (i) solicit, induce or attempt to solicit or induce any officer, director or employee of the Company to terminate their relationship with or leave the employ of the Company, or in any way interfere with the relationship between the Company, on the one hand, and any officer, director or employee thereof, on the other hand, (ii) hire (or other similar arrangement) any Person (in any capacity whether as an officer, director, employee or consultant) who is or at any time was an officer, director or employee of the Company until twelve (12) months after such individual's relationship (whether as an officer, director or employee) with the Company has ended, or (iii) induce or attempt to induce any customer, supplier, prospect, licensee or other business relation of the Company to cease doing business with the Company, or in any way interfere with the relationship between any such customer, supplier, prospect, licensee or business relation, on the one hand, and the Company, on the other hand; provided, that it shall not be a violation of this Section 6(b) for a subsequent

employer of the Executive to hire a Company employee who is at the "director" level or below, so long as such Company employee responds to generic, non-targeted position advertising and the Executive does not engage in activities prohibited by clause (i) of this Section 6(b) with respect to such Company employee.

(c) In the event that the terms of this Section 6 shall be determined by any court of competent jurisdiction to be unenforceable by reason of its extending for too great a period of time or over too great a geographical area or by reason of its being too extensive in any other respect, it will be interpreted to extend only over the maximum period of time for which it may be enforceable, over the maximum geographical area as to which it may be enforceable, or to the maximum extent in all other respects as to which it may be enforceable, all as determined by such court in such action. The Executive hereby acknowledges that the terms of this Section 6 are reasonable in terms of duration, scope and area restrictions and are necessary to protect the goodwill of the Company. The Executive hereby authorizes the Company to inform any future employer or prospective employer of the existence and terms of Sections 6 and 7 of this Agreement without liability for interference with the Executive's employment or prospective employment.

(d) The Executive acknowledges that the Company has expended and shall continue to expend substantial amounts of time, money and effort to develop business strategies, employee and customer relationships and goodwill and build an effective organization. The Executive recognizes and acknowledges that he has access to confidential information and trade secrets, and has had or will have material contact with the Company's customers, suppliers, licensees, representatives, agents, partners, licensors, or business relations, and that the Executive's services are of special, unique and extraordinary value to the Company and its Affiliates. The Executive acknowledges that the Company has a legitimate business interest and right in protecting its confidential information, business strategies, employee and customer relationships and goodwill, and that the Company would be seriously damaged by the disclosure of confidential information and the loss or deterioration of its business strategies, employee and customer relationships and goodwill. The Executive acknowledges (i) that the business of the Company and its Affiliates is international in scope and without geographical limitation and (ii) notwithstanding the jurisdiction of formation or principal office of the Company and its Affiliates, or the location of any of their respective executives or employees (including, without limitation, the Executive), it is expected that the Company and its Affiliates will have business activities and have valuable business relationships within their respective industries throughout the world. The Executive further acknowledges that although his compliance with the covenants contained in Sections 6 and 7 may prevent the Executive from earning a livelihood in a business similar to the business of the Company, the Executive's experience and capabilities are such that the Executive has other opportunities to earn a livelihood and adequate means of support for the Executive and the Executive's dependents. In addition, the Executive agrees and acknowledges that the potential harm to the Company of the non-enforcement of Sections 6 and 7 outweighs any potential harm to the Executive of their enforcement by injunction or otherwise.

(e) As used in this Section 6, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

7. Nondisclosure of Confidential Information; Nondisparagement; Intellectual Property.

(a) Non-Disclosure of Confidential Information; Return of Property. Except as required in the faithful performance of the Executive's duties hereunder, Executive agrees that during the Term and in perpetuity thereafter, the Executive shall maintain in confidence and shall not directly, indirectly or otherwise, use, disseminate, disclose or publish, or use for the Executive's benefit or the benefit of any Person, any confidential or proprietary information or trade secrets of or relating to the Company, including, without limitation, information with respect to the Company's operations, processes, products, inventions, business practices, finances, principals, vendors, suppliers, customers, potential customers, marketing methods, costs, prices, contractual relationships, regulatory status, compensation paid to employees or other terms of employment, or deliver to any Person any document, record, notebook, computer program or similar repository of or containing any such confidential or proprietary information or trade secrets. Confidential Information shall not include any information that is generally known to the industry or the public other than as a result of the Executive's breach of this covenant or any breach of other confidentiality obligations by third parties. Upon the Executive's termination of employment for any reason, the Executive shall promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, or any other documents concerning the Company's customers, business plans, marketing strategies, products or processes. The Executive may respond to a lawful and valid subpoena or other legal process but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought and, if requested by the Company, shall reasonably assist such counsel in resisting or otherwise responding to such process.

(b) Non-Disparagement. The Executive shall not, at any time during the Term and in perpetuity thereafter, directly or indirectly, knowingly disparage, criticize, or otherwise make derogatory statements regarding the Company and its officers, the members of the Board, and the respective Affiliates of any of the foregoing. The foregoing shall not be violated by the Executive's truthful responses to legal process or inquiry by a governmental authority.

(c) Intellectual Property Rights.

(i) The Executive agrees that the results and proceeds of the Executive's services for the Company (including, but not limited to, any trade secrets, products, services, processes, know-how, designs, developments, innovations, analyses, drawings, reports, techniques, formulas, methods, developmental or experimental work, improvements, discoveries, inventions, ideas, source and object codes, programs, matters of a literary, musical, dramatic or otherwise creative nature, writings and other works of authorship) resulting from services performed for the Company and any works in progress, whether or not patentable or registrable under copyright or similar statutes, that were made, developed, conceived or reduced to practice or learned by the Executive, either alone or jointly with others (collectively, "Inventions"), shall be works-made-for-hire and the Company (or, if applicable or as directed by the Company) shall be deemed the sole owner throughout the universe of any and all trade secret, patent, copyright and other intellectual property rights (collectively, "Proprietary Rights") of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, with the right to use the same in perpetuity in any manner the Company determines in its sole discretion, without any further payment to the Executive whatsoever. If, for any reason,

any of such results and proceeds shall not legally be a work-made-for-hire and/or there are any Proprietary Rights which do not accrue to the Company under the immediately preceding sentence, then the Executive hereby irrevocably assigns and agrees to assign any and all of the Executive's right, title and interest thereto, including, without limitation, any and all Proprietary Rights of whatsoever nature therein, whether or not now or hereafter known, existing, contemplated, recognized or developed, to the Company (or, if applicable or as directed by the Company, any of its Affiliates), and the Company or such Affiliates shall have the right to use the same in perpetuity throughout the universe in any manner determined by the Company or such Affiliates without any further payment to the Executive whatsoever. As to any Invention that the Executive is required to assign, the Executive shall promptly and fully disclose to the Company all information known to the Executive concerning such Invention. The Executive hereby waives and quitclaims to the Company any and all claims, of any nature whatsoever, that the Executive now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company. In accordance with applicable law, this section 7(c) does not apply to any Inventions for which no equipment, supplies, facilities, trade secrets or other Confidential Information of the Company was used and which was developed entirely on the Executive's own time unless (a) the Invention relates to the Company's business or the Company's actual or demonstrably anticipated research or development; or (b) the Invention results from any work performed by the Executive for the Company.

(ii) The Executive agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall do any and all things that the Company may reasonably deem useful or desirable to establish or document the Company's exclusive ownership throughout the United States of America or any other country of any and all Proprietary Rights in any such Inventions, including, without limitation, the execution of appropriate copyright and/or patent applications or assignments. To the extent the Executive has any Proprietary Rights in the Inventions that cannot be assigned in the manner described above, the Executive unconditionally and irrevocably waives the enforcement of such Proprietary Rights. This Section 7(c)(ii) is subject to and shall not be deemed to limit, restrict or constitute any waiver by the Company of any Proprietary Rights of ownership to which the Company may be entitled by operation of law by virtue of the Executive's employment with, or service to, the Company. The Executive further agrees that, from time to time, as may be requested by the Company and at the Company's sole cost and expense, the Executive shall assist the Company in every proper and lawful way to obtain and from time to time enforce Proprietary Rights relating to Inventions in any and all countries. To this end, the Executive shall execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Proprietary Rights and the assignment thereof. In addition, the Executive shall execute, verify, and deliver assignments of such Proprietary Rights to the Company or its designees. The Executive's obligation to assist the Company with respect to Proprietary Rights relating to such Inventions in any and all countries shall continue beyond the termination of the Executive's employment with the Company.

(d) Prior Employment Information. The Executive further agrees that the Executive will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom the Executive has an obligation of confidentiality, and will not bring onto the premises of the Company or its Affiliates any

unpublished documents or any property belonging to any former employer or any other Person to whom the Executive has an obligation of confidentiality unless consented to in writing by the former employer or other Person.

(e) Notwithstanding anything to the contrary contained in this Agreement, (i) the Executive will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding, and (ii) nothing in this Agreement shall prohibit Executive from reporting possible violations of federal law or regulation to or otherwise cooperating with or providing information requested by any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures and the Executive is not required to notify the Company that the Executive has made such reports or disclosures. If the Executive files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Executive may disclose the Company's trade secrets to the Executive's attorney and use the trade secret information in the court proceeding if the Executive: (x) files any document containing the trade secret under seal; and (y) does not disclose the trade secret, except pursuant to court order.

(f) As used in this Section 7, the term "Company" shall include the Company, and any direct or indirect subsidiaries thereof or any successors thereto.

8. Injunctive Relief. The Executive recognizes and acknowledges that a breach of any of the covenants contained in Sections 6 and 7 may cause irreparable damage to the Company and its goodwill, the exact amount of which may be difficult or impossible to ascertain, and that the remedies at law for any such breach may be inadequate. Accordingly, the Executive agrees that in the event of a breach or threatened breach of any of the covenants contained in Sections 6 and 7, in addition to any other remedy that may be available at law or in equity, the Company will be entitled (without the necessity of showing economic loss or other actual damage) to specific performance and injunctive relief (without posting a bond). In the event of any breach or violation by the Executive of any of the covenants contained in Section 6 and 7, the time period of such covenant with respect to the Executive shall, to the fullest extent permitted by law, be tolled until such breach or violation is resolved.

9. Cooperation. The Executive agrees that during and after his employment with the Company, the Executive will assist the Company and its Affiliates in the defense of any claims or potential claims that may be made or threatened to be made against the Company or any of its Affiliates in any action, suit, or proceeding, whether civil, criminal, administrative, investigative, or otherwise (each, an "Action"), and will assist the Company and its Affiliates in the prosecution of any claims that may be made by the Company or any of its Affiliates in any Action, to the extent that such claims may relate to the Executive's employment or the period of the Executive's employment by the company and its Affiliates. The Executive agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to participate (or

otherwise become involved) in any such Action. The Executive also agrees, unless precluded by law, to promptly inform the Company if the Executive is asked to assist in any investigation (whether governmental or otherwise) of the Company or any of its Affiliates (or their actions) to the extent that such investigation may relate to the Executive's employment or the period of the Executive's employment by the Company, regardless of whether a lawsuit has then been filed against the Company or any of its Affiliates with respect to such investigation. The Company or one of its Affiliates shall pay Executive a reasonable hourly rate and reimburse the Executive for all of the Executive's reasonable out-of-pocket expenses associated with such cooperation following his Date of Termination.

10. Section 409A of the Code.

(a) General. The parties hereto acknowledge and agree that, to the extent applicable, this Agreement shall be interpreted in accordance with, and incorporate the terms and conditions required by, Section 409A of the Code and the Department of Treasury Regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the date hereof. Notwithstanding any provision of this Agreement to the contrary, in the event that the Company determines that any amounts payable hereunder will be taxable currently to the Executive under Section 409A(a)(l)(A) of the Code and related Department of Treasury guidance, the Company and the Executive shall cooperate in good faith to (i) adopt such amendments to this Agreement and appropriate policies and procedures, including amendments and policies with retroactive effect, that they mutually determine to be necessary or appropriate to preserve the intended tax treatment of the benefits provided by this Agreement, to preserve the economic benefits of this Agreement, and to avoid less-favorable accounting or tax consequences for the Company, and/or (ii) take such other actions as mutually determined to be necessary or appropriate to exempt the amounts payable hereunder from Section 409A of the Code or to comply with the requirements of Section 409A of the Code and thereby avoid the application of penalty taxes thereunder; provided, however, that this Section 10(a) does not create an obligation on the part of the Company to modify this Agreement and does not guarantee that the amounts payable hereunder will not be subject to interest or penalties under Section 409A, and in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on the Executive as a result of Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

(b) Separation from Service under Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount that is "nonqualified deferred compensation" subject to Section 409A of the Code shall be payable pursuant to Section 5 unless the termination of the Executive's employment constitutes a "separation from service" within the meaning of Section 1.409A-1(h) of the Department of Treasury Regulations; (ii) if the Executive is deemed at the time of his separation from service to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent that delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement (after taking into account all exclusions applicable to such termination benefits under Section 409A), including, without limitation, any portion of the additional compensation awarded pursuant to Section 5, is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior

to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's "separation from service" with the Company (as such term is defined in the Department of Treasury Regulations issued under Section 409A) and (B) the date of the Executive's death; provided, that upon the earlier of such dates, all payments deferred pursuant to this Section 11(b)(ii) shall be paid to the Executive in a lump sum, and any remaining payments due under this Agreement shall be paid as otherwise provided herein; (iii) the determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his separation from service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including, without limitation, Section 1.409A-l (i) of the Department of Treasury Regulations and any successor provision thereto); (iv) for purposes of Section 409A of the Code, the Executive's right to receive installment payments pursuant to Section 5 shall be treated as a right to receive a series of separate and distinct payments; (v) if the sixty day period following the Date of Termination ends in the calendar year following the year that includes the Date of Termination, then payment of any amount that is conditioned upon the execution of the Release and is subject to Section 409A shall not be paid until the first day of the calendar year following the year that includes the Date of Termination, regardless of when the Release is signed; and (vi) to the extent that any reimbursement of expenses or in-kind benefits constitutes "deferred compensation" under Section 409A, such reimbursement or benefit shall be provided no later than December 31 of the year following the year in which the expense was incurred. The amount of expenses reimbursed in one year shall not affect the amount eligible for reimbursement in any subsequent year. The amount of any in-kind benefits provided in one year shall not affect the amount of in-kind benefits provided in any other year. The right to any benefits or reimbursements or in-kind benefits may not be liquidated or exchanged for any other benefit.

11. Section 280G of the Code.

(a) If there is a change of ownership or effective control or change in the ownership of a substantial portion of the assets of a corporation (within the meaning of Section 280G of the Code) and any payment or benefit (including payments and benefits pursuant to this Agreement) that the Executive would receive from the Company or otherwise ("Transaction Payment") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue Code of 1986 (the "Code"), and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then the Company shall cause to be determined, before any amounts of the Transaction Payment are paid to the Executive, which of the following two alternative forms of payment would result in the Executive's receipt, on an after-tax basis, of the greater amount of the Transaction Payment notwithstanding that all or some portion of the Transaction Payment may be subject to the Excise Tax: (x) payment in full of the entire amount of the Transaction Payment (a "Full Payment"), or (y) payment of only a part of the Transaction Payment so that the Executive receives the largest payment possible without the imposition of the Excise Tax (a "Reduced Payment"). For purposes of determining whether to make a Full Payment or a Reduced Payment, the Company shall cause to be taken Into account all applicable federal, state and local income and employment taxes and the Excise Tax (all computed at the highest applicable marginal rate, net of the maximum reduction in federal income taxes which could be obtained from a deduction of such state and local taxes). If a Reduced Payment is made, the reduction in payments and/or benefits will occur in the

following order: (1) cash payments (from latest scheduled to earliest scheduled); (2) any equity or equity derivatives that are included under Section 280G of the Code at full value rather than accelerated value (with the highest value reduced first); and (3) any equity or equity derivatives included under Section 280G of the Code at an accelerated value (and not at full value), with the highest value reduced first (as such values are determined under Treasury Regulation Section 1.280G-1, Q&A 24); and (4) any other non-cash benefits (from latest scheduled to earliest scheduled).

(b) Unless the Executive and the Company otherwise agree in writing, any determination required under this section shall be made in writing by the Company's independent public accountants (the "Accountants"), whose determination shall be conclusive and binding upon the Executive and the Company for all purposes. For purposes of making the calculations required by this section, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Accountants shall provide detailed supporting calculations to the Company and the Executive as requested by the Company or the Executive. The Executive and the Company shall furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this section. The Company shall bear all costs the Accountants may reasonably incur in connection with any calculations contemplated by this Section 11(b).

(c) Notwithstanding the foregoing, in the event that no stock of the Company or its Affiliates is readily tradable on an established securities market or otherwise (within the meaning of Section 280G of the Code) at the time of the change in control, the Board may elect to submit to a vote of shareholders for approval the portion of the Transaction Payments that equals and exceeds three times the Executive's "base amount" (within the meaning of Section 280G of the Code) (the "Excess Parachute Payments") in accordance with Treas. Reg. §1.280G-1, and the Executive shall cooperate with such vote of shareholders, including the execution of any required documentation subjecting the Executive's entitlement to all Excess Parachute Payments to such shareholder vote.

12. Assignment and Successors. The Company may assign its rights and obligations under this Agreement to any entity, including any successor to all or substantially all the assets of the Company, by merger or otherwise, and may assign or encumber this Agreement and its rights hereunder as security for indebtedness of the Company and its Affiliates. The Executive may not assign his rights or obligations under this Agreement to any individual or entity. This Agreement shall be binding upon and inure to the benefit of the Company and the Executive and their respective successors, assigns, personnel, legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable. In the event of the Executive's death following a termination of his employment, all unpaid amounts otherwise due the Executive (including under Section 5) shall be paid to his estate.

13. Governing Law. This Agreement shall be governed, construed, interpreted, and enforced in accordance with the substantive laws of the State of Delaware, without reference to the principles of conflicts of law of Delaware or any other jurisdiction, and where applicable, the laws of the United States.

14. Validity. The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

15. Notices. Any notice, request, claim, demand, document, and other communication hereunder to any party hereto shall be effective upon receipt (or refusal of receipt) and shall be in writing and delivered personally or sent by telex, telecopy, email or sent by nationally recognized overnight courier, or certified or registered mail, postage prepaid, to the following address (or at any other address as any party hereto shall have specified by notice in writing to the other party hereto):

16. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same Agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

17. Entire Agreement. The terms of this Agreement (together with any other agreements and instruments contemplated hereby or referred to herein) are intended by the parties hereto to be the final expression of their agreement with respect to the employment of the Executive by the Company and its Affiliates and to supersede any and all prior employment agreements, offer letters, severance agreements and similar agreements, plans, provisions, understandings or arrangements, whether written or oral, and all such prior agreements, plans, provisions,

understandings or arrangements shall be null and void in their entirety and of no further force or effect as of the Effective Date. The parties hereto further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement.

18. Amendments: Waivers. This Agreement may not be modified, amended, or terminated except by an instrument in writing signed by the Executive and a duly authorized officer of the Company (other than the Executive) that expressly identifies the amended provision of this Agreement. By an instrument in writing similarly executed and similarly identifying the waived compliance, the Executive or a duly authorized officer of the Company may waive compliance by the other party or parties with any provision of this Agreement that such other party was or is obligated to comply with or perform; provided, however, that such waiver shall not operate as a waiver of, or estoppel with respect to, any other or subsequent failure to comply or perform. No failure to exercise and no delay in exercising any right, remedy, or power hereunder shall preclude any other or further exercise of any other right, remedy, or power provided herein or by law or in equity.

19. No Inconsistent Actions. The parties hereto shall not voluntarily undertake or fail to undertake any action or course of action inconsistent with the provisions or essential intent of this Agreement. Furthermore, it is the intent of the parties hereto to act in a fair and reasonable manner with respect to the interpretation and application of the provisions of this Agreement.

20. Construction. This Agreement shall be deemed drafted equally by both of the parties hereto. Its language shall be construed as a whole and according to its fair meaning. Any presumption or principle that the language is to be construed against any party shall not apply. The headings in this Agreement are only for convenience and are not intended to affect construction or interpretation. Any references to paragraphs, subparagraphs, sections, or subsections are to those parts of this Agreement, unless the context clearly indicates to the contrary. Also, unless the context clearly indicates to the contrary: (a) the plural includes the singular, and the singular includes the plural; (b) “and” and ‘‘or” are each used both conjunctively and disjunctively; (c) “any,” “all,” “each,” or “every” means “any and all,” and “each and every”; (d) “includes” and “including” are each “without limitation”; and (e) “herein.” “hereof,” “hereunder,” and other similar compounds of the word “here” refer to the entire Agreement and not to any particular paragraph, subparagraph, section, or subsection.

21. Dispute Resolution. The parties agree that any suit, action or proceeding brought by or against such party in connection with this Agreement shall be brought solely in any state or federal court within the State of Delaware. Each party expressly and irrevocably consents and submits to the jurisdiction and venue of each such court in connection with any such legal proceeding, including to enforce any settlement, order or award, and such party agrees to accept service of process by the other party or any of its agents in connection with any such proceeding. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT. ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTY IN RESPECT OF ITS RIGHTS OR OBLIGATIONS HEREUNDER.

22. Enforcement. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, such provision shall be fully severable, this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision were never a part of this Agreement, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

23. Withholding. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local, and foreign withholding and other taxes and charges that the Company is required to withhold. The Company shall be entitled to rely on an opinion of counsel if any questions as to the amount or requirement of withholding shall arise.

24. Employee Representations. The Executive represents, warrants and covenants that (i) that he has read and understands this Agreement, is fully aware of its legal effect, has not acted in reliance upon any representations or promises made by the Company other than those contained in writing herein, and has entered into this Agreement freely based on his own judgment, (ii) Executive has the full right, authority and capacity to enter into this Agreement and perform Executive's obligations hereunder, (iii) Executive is not bound by any agreement that conflicts with or prevents or restricts the full performance of Executive's duties and obligations to the Company hereunder during or after the Term, (iv) the execution and delivery of this Agreement shall not result in any breach or violation of, or a default under, any existing obligation, commitment or agreement to which Executive is subject, and (v) the Executive shall keep all terms of this Agreement confidential, except with respect to disclosure to the Executive's spouse, accountants or attorneys, each of whom shall agree to keep all terms of this Agreement confidential. Prior to execution of this Agreement, the Executive was advised by the Company of the Executive's right to seek independent advice from an attorney of the Executive's own selection regarding this Agreement. The Executive acknowledges that the Executive has entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Executive further represents that in entering into this Agreement, Executive is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents that are not expressly set forth herein, and that the Executive is relying only upon Executive's own judgment and any advice provided by Executive's attorney.
